

Announcing a new strategic initiative designed to create a challenging educational environment for students building a better future for themselves and our community. The Palm Coast BAC, in partnership with the Florida SBDC and Flagler County Chamber of Commerce, is working with students to help start businesses. Innovation is the future for economic development and today's students are tomorrow's entrepreneurs and business leaders. The Palm Coast BAC and its partners - working together to help students achieve their full potential!

- ▲ Students creating for profit businesses!
- ▲ Engaging community resource partners!
- ▲ Identifying opportunities!
- ▲ Making a difference!

# Aligning Education with Opportunity

"Our students will see and hear that the skills they are learning in school are relevant to the real world of work."

Jacob Oliva  
Superintendent  
Flagler County Public Schools
