(2) Each defined benefit retirement system or plan, excluding the Florida Retirement System, and its plan sponsor:

(a) Shall provide the information required by this section and the funded ratio of the system or plan as determined in the most recent actuarial valuation as part of the disclosures required under s. [166.241](#)(3) and on any website that contains budget information relating to the plan sponsor or actuarial or performance information related to the system or plan.

(b) That has a publicly available website shall provide on that website:

1. The plan's most recent financial statement and actuarial valuation, including a link to the Division of Retirement Actuarial Summary Fact Sheet for that plan.

2. For the previous 5 years, beginning with 2013, a side-by-side comparison of the plan's assumed rate of return compared to the actual rate of return, as well as the percentages of cash, equity, bond, and alternative investments in the plan portfolio.

3. Any charts and graphs of the data provided in subparagraphs 1. and 2., presented in a standardized, user-friendly, and easily interpretable format as prescribed by the department.
