STATE PASS-THROUGH REVENUE

Communications Services Tax

The communications services tax applies to telecommunications, video, direct-to-home satellite and related services at a rate of 5.22%. These tax revenues may be used for any public purpose. This revenue is currently allocated to the General Fund.

½ Cent Sales Tax

This program generates the largest amount of revenue for local governments among the state-shared revenue sources currently authorized by the Florida Legislature. It distributes a portion of the state 6% sales tax and the distribution amount is based on a State formula. This revenue is currently allocated to the General Fund.

Small County Surtax

The Small County Surtax is levied at the rate of .5 percent pursuant to an ordinance enacted by the Flagler County Board of County Commissioners. The distribution is based on the State default formula. The proceeds are currently being allocated to the Capital Projects Fund. This tax replaced the Discretionary Sales Surtax in 2013.

Local Option Fuel

County governments are authorized to levy a tax of 1 to 6 cents upon every net gallon of motor fuel sold within a county. Flagler County currently levies 6 cents. The distribution of the local option fuel tax is through an interlocal agreement with the County and is adjusted annually based on the number of road miles and population. The tax proceeds must be used for transportation expenditures. This revenue is currently allocated to the Streets Improvement Fund.

State Revenue Sharing

This State fund currently receives 1.3653 percent of State sales and use tax collections and the 1 cent municipal fuel tax. Municipalities must use the funds derived from the one-cent municipal fuel tax for transportation-related expenditures. This revenue is currently allocated to the General Fund and the Streets Improvement Fund.

City of PALM COAST

Financial Services

Overall Findings:

FY 2017 Actual vs. FY 2018 Actual:

When compared to last fiscal year, all state revenue collections are ahead of the year to date actual collected through January.

FY 2018 Budget vs. Actual:

Through January, with the exception of the Local Option Fuel, all state revenue collections are behind budget.
