USSSA Florida Junior Golf Tour

This week we received confirmation that Palm Harbor Golf Club will host a stop on the United States Specialty Sports Association (USSSA) Florida Junior Golf Tour from June 21 to June 23, 2013. The cooperative recruitment efforts of the TDC and the City resulted in this additional youth sport coming to Palm Coast. The USSSA is headquartered in Kissimmee, Florida and is the World's Largest Multi-Sport Athletic Organization. Tournaments are open to both boys and girls from 9 to 18 and tournament results are reported to the National Junior Golf Scoreboard. More information can be found at the following website: <http://thedunnagency.us/Florida-Junior-Golf-Tour.html>. (See press release attached)

Women in Business Luncheon “Critical Thinking Skills”

The Palm Coast Business Assistance Center held the third of the five part series, “Fearless and Focused” Women in Business. Sixty (60) attendees enjoyed lunch, two great speakers – Alicia Casas and Rubi Torres, and special cupcakes donated by Cakery Creation. The topic was critical thinking skills.

Coalition Receives EPA Brownfields Grant

A coalition of the City of Palm Coast, City of Bunnell, and Flagler County, as the lead agency, was notified that it received a \$600,000 Environmental Protection Act (EPA) Brownfields Assessment Coalition Grant. A brownfield is a property, the expansion, redevelopment, or reuse of which may be complicated by the presence or potential presence of a hazardous substance, pollutant, or contaminant. This grant will enable the coalition to inventory sites, assess possible contamination, and conduct planning for cleanup and redevelopment. Palm Coast's economic development partnerships continue to pay dividends. We are excited about the opportunity these grant funds present to grow our local economy, while maintaining our quality of life and enhancing the natural environment.

Palm Coast Precinct Opens

We have a new neighbor in City Marketplace. The Sheriff opened a Palm Coast Precinct in the building next door to the City offices. At the ribbon cutting this morning the Sheriff stressed the cooperation he received from the City to help make this move run smoothly and save our taxpayers significant dollars. He was very complimentary of our City staff who made the build-out improvements for this new space. Our project manager and crews did an excellent job in a very timely manner and once again saved tens of thousands of dollars in construction costs. This new location will also help provide more exposure for the Sheriff's Office and be more convenient for the community. We also believe it will make cooperative efforts between the Sheriff's Office and City staff more convenient.

Palm Coast Enters into Public/Private Partnership to Develop Soccer Complex

The City of Palm Coast is partnering with Player Development Academy Florida (PDA) to develop a new soccer complex on U.S. 1 just south of Matanzas Parkway. This is the latest in a series of economic development efforts designed to attract regional and national sports events to Palm Coast. (See press release attached)

Reopening of St. Joe Pathway

The Public Works/Utility department has completed work within the St. Joe Pathway from Club House Drive to Colbert Lane. This segment of the pathway reopened today, May 10, 2013. We hope that pathway users will find the pathway refreshed and as wonderful a City resource as always. The Pathway segment from Colbert Lane to Palm Coast Parkway Eastbound is expected to be opened next week pending weather conditions.

Next Week:

- *Tuesday, May 14, City Council Workshop, 9:00 a.m., City Offices, 160 Cypress Point Parkway, Suite B106*
- *Wednesday, May 15, Planning & Land Development Regulation Board, 5:30 p.m., 160 Cypress Point Parkway, Suite B106*
- *Thursday, May 16, Beautification and Environmental Advisory Committee, 5:00 p.m., 160 Cypress Point Parkway, Suite B106*

Administrative Divisions Week in Review**

Friday, May 10, 2013

City Clerk

- Processed 13 public records requests.
- Processed 17 litigation documents.
- Prepared and processed six documents for recording.
- Prepared two agenda items.
- Prepared and posted one agenda and two sets of approved meeting minutes to the Web.
- Processed seven resolutions.
- Coordinated OnBase changes for Finance/Payroll with Information Technology.

Communications & Marketing

- News releases: Players Development Academy partnership, Summer Camps, rescheduled Arbor Day, Pool Safety Day
- Branding Team – working on goals/new campaign, photo contest, name tags
- Handled various media requests
- Coordinated advertising and social media
- Placed items onto Community Calendar
- Met with X-gen team, participated in Visit Florida webinar, and attended wrap-up for Rock N' Rib Festival and planning meeting for International Food & Wine Festival
- Photography including gateway sign and proclamation presentations at Council meeting
- Designed cover for Annual Progress Report and editing report
- Updated [Movies in the Park flyer for June](#)
- Distributed [Photo Contest flyers](#)

- Videotaped/aired live the Palm Coast City Council meeting
- Videotaped b-roll of Children's Memorial Garden for the QR Code project
- Created/distributed DVDs of Palm Coast video footage per request from a citizen
- Attended meeting – Branding & Marketing team; FEST team; FLATOA board; Comm. & Marketing division production mtg
- New programs for TV199 added to line-up – 1) Successful Gardens Inspired by Nature; 2) Bringing Nature Indoors: A Sampling of Florida's Water Birds; 3) Landscaping with Florida Native Wildflowers by Nature Wise; and 4) Native Florida Wildflowers

- Editing in progress – 1) New videos for the Palm Coast Business Assistance Center 2) QR Code project modules
- Posted news and announcements to TV199's ticker tape and electronic bulletin board
- Updating Arbor Day Promo (new date)

Human Resources

- Employee Recognition Week was a Huge Success!
- New Employee Orientation – May 16th 8:30am - Human Resource Department

Purchasing and Contracts Management

Purchasing & Bidding:

- Bid Opening for ITB-CD-NSP-13-05 - NSP 3 Home 109
- Mandatory Pre-Bid Meeting for ITB-CD-NSP-13-06 - NSP 3 Home 110

Contracts:

- Allied Tube & Conduit, Inc. for ITB-PW-SD-13-03 - Term Contract for Sign Shop Materials
- 3M Company for ITB-PW-SD-13-03 - Term Contract for Sign Shop Materials

PLANNING

Green Team:

- Members of the Trinity Presbyterian Church middle and high school youth groups performed a community service project on a vacant commercial piece of property owned by Dr. Greg Johnston near the intersection of Palm Coast Parkway eastbound and Florida Park Drive. The work day afternoon had four components to it including cleaning up tree debris and trash from the area where the sidewalk connects from Palm Coast Parkway to the Woodlands Subdivision, litter pick up on the site and collecting air potatoes to inhibit their spread to the rest of the site and to adjoining properties. City staff assisted in this effort and gave an educational talk about invasive species such as the air potato and why it is important for citizens to recognize what these species look like so they can remove them from their properties. The fourth component to this event was an exciting tour of a bat colony that has taken up residence in one of the large drainage pipes that run through the site. All benefited from the experience. Thanks to Dr. Johnston too, for supporting our efforts to control invasive species.

- Staff participated in the fifth session of the Northeast Florida Regional Council Regional Leadership Academy (RLA) while visiting Baker County Health Department. In addition to touring the impressive facility, focused discussion topics included regional health and employment matters.
- Staff attended a “Sea Level Rise” Workshop presented by the Guana Tolomato Matanzas National Estuarine Research Reserve and the University of Florida. The workshop focused on long-term planning and targeted local planners and decision makers. The study is being conducted by the workshop hosts over the course of three years and focuses on the Matanzas River Basin area.

Transportation:

Staff attended the following meetings of the Volusia Transportation Planning Organization (TPO) to represent the City’s interests on the following issues:

1. Transportation Improvement Program (TIP) Subcommittee – The committee met to rank traffic operations and traffic safety applications to be funded with TPO Discretionary (XU) Funds. City submitted applications to conduct feasibility studies to construct right turn lanes on northbound Belle Terre Blvd. and Seminole Woods Blvd. at SR100. Final rankings will be released and reviewed by all advisory boards and committees at a later date.
2. Bicycle-Pedestrian Subcommittee – The subcommittee met to rank applications for bicycle-pedestrian projects to be funded with XU funds. The City submitted an application to complete construction of a segment of Seminole Woods Blvd. between US-1 and Sesame Blvd. Final rankings will be released and reviewed by all advisory boards and committees at a later date.
3. TPO Executive Subcommittee – The subcommittee met to discuss the agenda for the upcoming TPO Board meeting. Items of interest to the City will include discussion of the ongoing reapportionment plan.
4. TPO Staff Subcommittee meeting with Flagler County – Staff from the TPO, and the Cities of Palm Coast and Bunnell met to discuss funding issues with projects on the current FDOT Work Program and ensuring that these projects remain funded with the potential membership of Palm Coast, Bunnell, and Flagler County into the TPO.

CAPITAL IMPROVEMENT PROJECTS

The following is an update since last week for capital projects in the City from May 3, 2013 through May 9, 2013.

Road and Median Projects			
Pine Lakes Parkway North	Construction	45%	FPL began underground conversion. Excavation and embankment ongoing. Bighthouse underground conduit installation nearly complete. Contractor prepping subbase course for roadway widening.
Palm Coast Parkway Six-Laning	Design Right-of-Way	99% 99%	Bid Packages under review by the City. Right-of-Way phase close-out package submitted to FDOT.

Pine Lakes Parkway North Widening

Animals ready for homes

100 cats

66 dogs

3 guinea pigs

We often hear people say, "I couldn't support you because you are a kill shelter." Unfortunately, these people don't really understand what the term means and reach the conclusion that being a no-kill shelter is so much better than admitting that you euthanize animals. But is that the case?

If you look closely at no-kill shelters, you will most often find that they do not take in all homeless animals in their community. They carefully select which animals they will accept and those decisions are always made based on the adoptability of the animal. They do not take in the untrained, 90-pound pit bull or the 10-year old hound with heartworm or the 14-year old cat who has kidney problems because they know that it is too hard to find a home for them and those animals will either be in the shelter for a very long time or they will have to be euthanized. Instead, they send the animals that they don't accept to another facility which does euthanize animals.

FHS is a low-kill facility and we take in every animal that comes to our door. We accept them, evaluate them, feed and shelter them and hold them for as long as we can until we can find them a good home. However, we cannot and should not keep an animal forever. As sad as it is, there are animals for which we cannot find a good home.

Obviously, if we had the ability to provide cats and dogs with an environment in which they could and would live comfortably forever, we would. But that's not an option open to us. While we try to save the lives of as many animals as possible, we know that animals will come to us with illnesses and injuries that we cannot treat and we will have to put them to sleep. And sometimes, we have to face the fact that some animals cannot and do not thrive in a shelter and, if we are not able find a home for them, transfer them to a rescue group, or find them a foster home to live in while we continue looking for that forever home, we will euthanize them rather than keep them in an untenable situation.

At FHS we know and love every animal that comes to us. It breaks our hearts when animals have to be euthanized. But, we take pride in being low-kill and in knowing that we've done everything we can do for the animals entrusted to us.

Special Announcements

Don't forget our Yappy Hour at the Beachfront Beanery in Flagler Beach on May 29 from 6:00 to 8:00. \$10 gets you a drink and some snacks. Music, drawings, and fun! Dogs on leashes are welcome, of course.

Save the date! June 8 will be our first annual Poker Run, starting from Black Cloud at 9:00 am. Details will be coming shortly!

Pet of the Week

PAULEEN

This sweet girl came to FHS with three other cats way back in December. She's only 18 months old and has grown up in our Shelter. Pauleen is spayed, current on her vaccinations, feline leukemia/FIV negative, microchipped and ready to go home.

Pauleen's owner surrendered her and her housemates to us because of landlord issues and we have no idea why no one has snatched her up before now. Pauleen is great with other cats and very loving. She does have a few allergies, and when we use feline pine litter for her she does very well. When she does have an allergy reaction, she sneezes and her eyes get a little watery, nothing major at all.

Pauleen is waiting for someone to come and take her home. Certainly there's someone out there looking for an affectionate and sweet little cat like Pauleen. Is it you?

Adoption specialist:

Danielle Camic

Engineering & Stormwater Department

John C. Moden, City Engineer

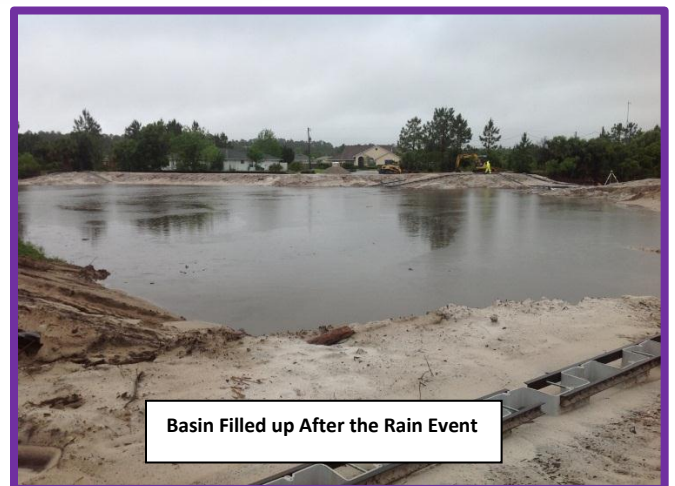

Week In Review May 2 – May 8, 2013

3 Sisters (I-1, I-4 & I-6) Water Control Structure Complex
2013 Capital Improvement Project

	City of Palm Coast Engineering and Stormwater Capital Improvement Program
Three Sisters Water Control Complex Replacement	
Construction Cost	\$1,254,325.00
Contractor	S.E. Cline Construction, Inc.
Funding Sources	Stormwater Utility

Basin Before the Rain Event

Basin Filled up After the Rain Event

Start date of 2-18-13 for a 6 month contract time. During the rain event on 5-3-13, canals breached cofferdams, and the breaches were repaired. Erosion issues repaired, started formwork for structure cap on South structure. Water level in center basin is falling. Contractor still addressing storm damage.
Project is 70% Complete

- **Stormwater Utility Ordinance -** The City Council has requested that a new method or rate structure be determined for the Stormwater Utility. A rate consultant, PRMG, Inc. was hired to conduct a study. At the 3-12-13 Workshop there was a 2nd presentation/discussion of the proposed new rate structure. City Attorney has been requested to prepare a revised rate Resolution which will be presented to Council in an upcoming Workshop on 5-28-13.
- **Stormwater Model and Master Plan (Council's Top Priority Goal) (Project is 93% Complete)**
Sections 30 and 34: Consultant prepared first draft of Final Report for City review. Being delivered by 5-10-13.
- **Stormwater Model Improvements for Sections 35 and Section 37 (Survey & Design) –**
For Section 35 – Design continues and soft digs for utility locations and elevations were completed on 4-30-13. **For Section 37 -** Survey for Tributary 1 completed (Saturday) 4-27-13, waiting on Tributaries 2 & 3. Complete design projected by 6-7-13. Permitting Services Contract with Consultant for Sections 35 & 37 was approved by Council on 5-7-13.
- **Rain Event 5-3-2013**

ESWD staff assisted Public Works Dept. during the rain event. D Schragger assisted with high water issues during the storm at Florida Park Dr. & Palm Coast Parkway. Below are pictures of increased volume of water flows as a result of the 8-12 inches of rainfall.

Jefferson Davis Waterway

Total Aquatic Weed Control on Freshwater Canals

Aquatic Management Plus, LLC continues herbicide spraying on the canals.

Note: As warmer weather approaches we expect to see more and faster aquatic weed growth

ENGINEERING DEPARTMENT

SURVEY TASKS:

- Set 16 bench mark locations
- Surveyed for 1 new home construction driveway culvert and swales
- Surveyed for 5 driveway culverts and swales
- Surveyed for 7 drainage pipe replacements
- Surveyed for 2 valley gutter installations
- Survey continues for the swale rehab project on Edmond Place & Edward Drive
- Stormwater Modeling Project - Surveying in Sec. 35 with soft digs, and completed Sec. 37 tributary 1

ENGINEERING REVIEW TASKS:

- 15 - Right-of-Way Permits
- 14 - Project Reviews

DESIGN WORK PERFORMED:

- 5 - Residential Driveway Swale Plans
- 2 - Drainage Pipe Crossings

Swale Rehabilitation Projects Designed and Surveyed:

- Released for Construction - 63 Barrington (1830 LF), 14 Zeppo (575 LF), 11 Chesney (575 LF) & Burning Ember (2175 LF)
- Out for Utility Review - 73 Westcedar (750 LF), 1 Floral (950 LF), 14 Point of Woods (1075 LF), 19 Westover (1050 LF), East Diamond (1125 LF), 7 Crossgate (575LF) & Blare Castle (725 LF)

ENGINEERING SUPPORT TO OTHER DEPARTMENTS

- **Community Development Department**

1. Providing design and survey for Seminole Woods MUP – 90% plans released
2. Providing design for PC Parkway median landscaping
3. Providing design and survey for Community Center Addition
4. J Bostwick assisting C Bentley with Hidden Lakes Phase 1 Section 3
5. J Bostwick assisting S Lockhart with Portuguese American Club proposed grass overflow parking
6. ESWD staff attended a Floodplain Community Rating System audit meeting
7. T Baker assisted with two legal descriptions verifications

- **Administration Department**

1. J Bostwick is assisting with drainage issues for Mrs. Diana Barry @ 12 Poplar Drive in Section 28

Fire Department

To: Jim Landon, City Manager
From: M. C. Beadle, Chief
Date: May 9, 2013
Re: Week in Review

In the past week, the department responded to 195 calls. There were 2 fire related calls, 1 structure fire with minimal damages and 1 vehicle fire reported. A total of 121 EMS calls was logged and the balance was miscellaneous in nature. The drought index is at 105 out of a possible 800 and the fire danger is moderate.

INFORMATION TECHNOLOGY

TO : Jim Landon, City Manager
FROM : Steve Viscardi, IT Director
DATE : 5/9/2013
RE : Week In Review

- Operations Division completed the FiberNET connection of the Flagler County Sheriff's Office - Palm Coast Precinct which is now LIVE on FiberNET.
- Operations Division has nearly completed two more builds on Florida Park drive. Hoping to connect them next week.
- Operations Division currently working on an in-house GIS solution for fiber mapping and inventory. This will provide fiber inventory down to the strand level, as well as give us a way to track cuts and outages in much greater detail.
- GIS Division has started the process of migrating our FiberNET data into the ESRI Telecom model. The model allows us to trace fiber strand connectivity over the network, which in turn allows IT to better track customers.

DEPARTMENT/DIVISION SUPPORT

Engineering & Stormwater

- GIS Division has continued to support Stormwater and Finance staff with the re-calculation of parcels as per the Stormwater ordinance; Geofit 1 as built; Digitized one wetland and corrected the boundary of a related drainage easement.

Community Development

- GIS Division provided Community Development with a presentation-style map for the Old Kings Rd Special Assessment District.
- GIS Division is working with Community Development on a report of City-maintained lane miles (miles of paved lanes, including turn lanes) to the Florida Department of Revenue (via Flagler County). Our share of state revenue for roads is based on this figure.

Fire

- GIS Division has worked with Utilities and the Fire Department regarding private hydrants in Fire Programs and GIS. Up to this point, private hydrants have not been comprehensively inventoried in either Fire Programs or GIS. By examining workflows, we have been able to determine the need to track private fire hydrants, and determine who should track private hydrants and maintain the paper trail in Fire Programs.

Parks & Recreation

- Applications Division updated the Parks and Recreation events and programs on the City website.

Enterprise

- GIS Division had a phone conference with GIS consultant, Bruce Harris Inc., regarding inter-agency connectivity between Flagler County and Palm Coast GIS. As a result, the advisable method for performance and data redundancy is replication in the ArcGIS 10.1 environment. We consulted with Bruce Harris Inc. about upgrading our current GIS production environment to 10.1, FLEX and JAVA application platforms. Cathy showed the company our GIS applications / functionality and server setup. Based upon information from both meetings, Bruce Harris Inc. will propose and present a plan of action next week.
- Operations Division received 89 Track ITs this past week.
- Operations Division repaired 2 IP phones. These repairs provide a savings of \$400 to the City.
- Operations Division is now using Iron Mountain as a backup storage solution. They are a proven company and can now provide us with quicker access to our archived files that currently reside on tape media.

Parks & Recreation

To: Jim Landon, City Manager
From: Luanne Santangelo, Parks and Recreation Director
Date: May 10, 2013
Re: Week in Review

EVENT HIGHLIGHTS:

Movies in Central Park – Returns on Friday, May 10 at Central Park in Town Center. Movie starts at 7:45 PM; Featuring “Madagascar 3”.

Pool Safety Day – Saturday, May 18 at the Frieda Zamba Swimming Pool, 339 Parkview Drive. Come out and enjoy the pool while we teach you and your family about pool safety. Everyone will get a chance to meet our lifeguards, participate in a mini-swim lesson class and learn how to respond in an emergency. Reduced admission is \$1.

Memorial Day Ceremony - Held on Monday, May 27 beginning at 8am at Hero’s Park

Be a part of the World’s Largest Swimming Lesson and get your name in the Guinness Book of World Records!!!

On **June 18th**, join us at **11:00 am** at the **Frieda Zamba Swimming Pool** as we join waterparks, pools and other aquatic facilities around the globe hosting a local WLSL lessons simultaneously in an attempt to break the Guinness World Record.

The nation's top water safety and training organizations are joining forces to present **The World's Largest Swimming Lesson™ (WLSL)**, Thursday, June 14, 2012, to build awareness about the vital importance of teaching children to swim to help prevent drowning.

UPCOMING ACTIVITIES:

◆ *Toddlers*

Munchkin Soccer – Will begin on Saturday, May 11 at Belle Terre Park, 339 Parkview Drive. Toddlers, ages 4-5, will meet from 10-11am. Participants will learn basic skills of soccer and team play. Pre-registration and payment of \$35 fee required prior to attendance.

◆ *Youth & Teen*

Summer Camp – Palm Coast Parks and Recreation will be offering Summer Camp for students in grades K-8. Camp will be held daily from Monday, June 10-Friday, August 9 from 9am-5pm (early drop-off/late pick-up available) at the Palm Coast Community Center, 305 Palm Coast Parkway, NE. Campers can register for one or multiple weeks. Pre-Registration and payment of \$75 fee is required. Space is limited. Register early.

◆ *Adults & Seniors*

Co-ed Athletics at ITMS, 5545 Belle Terre Parkway

Basketball – Tuesday & Thursday nights through May 23. Pre-registration and payment of fee required prior to attendance. Registration held at the Palm Coast Community Center, 305 Palm Coast Parkway, NE.

Volleyball – Monday & Wednesday nights through May 22. Pre-registration and payment of fee required prior to attendance. Registration held at the Palm Coast Community Center, 305 Palm Coast Parkway, NE.

Women's Self Defense – Held three consecutive Thursdays, May 23, 30 and June 6 from 6-8 pm at the Palm Coast Community Center, 305 Palm Coast Parkway, NE. Instruction provided by Corporal Lutz of the Flagler County Sheriff's Office. Women will learn effective methods to ward off an attacker. Appropriate for ages 12 years and up. Pre-registration is required; **cost is free**. Register now for the next session starting on May 23.

Critic's Choice Club – Thursday, May 9 at 5pm at Thai by Thai Restaurant in Palm Coast. Join us on this monthly adventure to new restaurants in ours and surrounding communities. Pre-registration required. Cost of meals and transportation is at the participant's expense.

AARP Driver Safety Program – Friday, May 17 from 9am-3:30pm at the Palm Coast Community Center, 305 Palm Coast Parkway, NE. Join the nation's first and largest course for motorists ages 50 and older. Pre-Registration and payment of \$12/AARP Member or \$14/Non-Member fee required.

Discover Trip - Cesar Millan Live

Join us on Saturday, June 1 as we travel to the Times Union Center, Jacksonville to hear from the world's most renowned dog behavior specialist, Cesar Millan. Cesar will share his secrets on how to transform dogs and their owners in this unique and new live event that has wowed audiences across the US, UK, Canada, and Europe. Fans and dog lovers alike will be inspired by the simplicity of "Cesar's Way" as he reveals that the secret to happier, healthier relationships between humans and their canine companions starts with transforming ourselves. For information call 386-986-2323.

A graphic element consisting of an orange arrow pointing to the right, with the word "NEW" written in white, bold, uppercase letters inside the arrow.

To: Jim Landon, City Manager
From: Richard Adams, Public Works Director
Date: May 9, 2013
Re: Week in Review

- Rain Event – Crews worked throughout the weekend to clean-up after the heavy rainfall event. Streets crews worked the evening Friday night and sewer crews worked Friday night, Saturday and Sunday pumping down the sewer system that took on significant quantities of stormwater.
- The average water demand for the week was 6.641 million gallons per day; average wastewater flow was 7.859 million gallons per day.
- This week 368 utility customers were shut off for non-payment.
- Installed 5 new domestic meters, 5 new pep tanks and 6 new reuse meters.
- Since the Arbor Day event was postponed the trees have been stocked at the Fuel Depot where crews will water and maintain them until the event gets rescheduled at which time they will move the trees to Central Park to be given away.
- Repaired 7 washouts at Pilgrim Drive, Birchwood Drive, Red Mill Drive, Buttermill Drive, Bud Hollow Boulevard, and Bunker Hill Drive and Raeland Drive due to rains. Repaired 4 potholes on Belle Terre Parkway southbound at Eastwood Drive.
- Inspected 5,280 feet of sidewalk. Performed approximately 215 linear feet of sidewalk repair maintenance on Palm Coast Parkway westbound in the area of Clubhouse Drive.
- Water Treatment Plant #3 Well field Phase 2 Electrical Distribution – completed the bore under the railroad for the electrical conduits.
- Beachside Sewer Project - Contractor has poured the footer for the pump station building and is setting the steel for the building walls. Due to wet conditions, work on the path was put on hold.
- Staff continued construction of the new Sheriff's sub station. Installed kitchen cabinets, base moldings, and final paint touch ups and picked up and delivered the furniture from storage.
- Staff began mowing in the "B", "P", "R", "S", "F", "L" sections, Seminole Woods Parkway, Easthampton Boulevard and Royal Palms Parkway.
- Performed site distance trimming in the "R" section.
- Inspected 20,000 linear feet of park and hiking trails. Inspected 62 signs throughout the parks and hiking trails. Inspected playground equipment at 2 parks.
- Graded 4,352 feet of swales, repaired 2 outfall, cleaned 49 culvert pipes and removed and replaced 3 driveways and culvert pipes.
- Inmates mowed and weeded 40,825 linear feet of ditch in the "F" and "BL" sections.

Palm Coast Arbor Day, including races, moved to May 18 at CENTRAL PARK

Palm Coast, Fla. – Palm Coast’s Arbor Day 2013 and 5K Root Run/Walk and 1 Mile Flutter Foam Fun Run/Walk, now scheduled for Saturday, May 18, will be held at Central Park in Town Center (and not at Waterfront Park as announced last week).

The QR Code Project Launch at Waterfront Park, originally scheduled for May 18, is being postponed until July 20 due to the change of date for Arbor Day 2013.

Arbor Day will be the full event originally planned – featuring a tree give-away (in exchange for donation of canned food or pet food), butterfly release, “green” exhibits/vendors, fun activities for children including character visits and rock-climbing wall, a QR Code nature adventure with videos made by local high school students, games and entertainment, and the runs/walks.

Arbor Day 2013 will be 9 a.m. to 2 p.m. at Central Park in Town Center, 975 Central Ave., Palm Coast. The park is located off State Road 100, just north of Flagler-Palm Coast High School. Admission and parking are free.

Just before the celebration will be the 5K Root Run/Walk, beginning at 8 a.m., and 1 Mile Flutter Foam Fun Run/Walk, at 8:45 a.m. New this year is a foam lane at the Finish Line. The registration period has been extended; go to <http://www.palmcoastgov.com/ArborDay/RunRegistration> for more information.

At the main event, themed “Feed a Mouth, Get a Tree, Grow a Community,” attendees can exchange canned food or pet food items for a free three-gallon native hardwood tree. The Native Butterfly Release will be at 11 a.m. at center stage. Also returning this year is the Service Learning, STEM and Innovative Teaching Expo. The expo is a showcase of K-12 student classroom discoveries, many of which were made possible by the Flagler County Education Foundation's Dell Trayer Grant Program. Teachers engage students and inspire learning using innovative teaching techniques that include service learning concepts that invite community involvement and increase student performance in science, technology, engineering and math.

Arbor Day is a nationally celebrated observance that encourages tree planting and tree care.

For more information, visit www.palmcoastgov.com/ArborDay or call Palm Coast Urban Forester Carol Bennett at (386) 986-3722.

Palm Coast enters into public/private partnership to develop soccer complex

Palm Coast, Fla. – The City of Palm Coast is partnering with Player Development Academy Florida (PDA) to develop a new soccer complex on U.S. 1 just south of Matanzas Parkway. This is the latest in a series of economic development efforts designed to attract regional and national sports events to Palm Coast.

The Palm Coast City Council voted May 7 to enter into the public-private partnership with the non-profit organization that already operates a successful program to develop youth soccer players in New Jersey. PDA's mission is to help young athletes develop their skills to the level that they can earn scholarships to play soccer in college.

The City will lease 65 acres to PDA, and the organization has committed to building five soccer fields and ancillary facilities at its own expense. PDA will have exclusive use of the property, except the City will be able to use the fields to host soccer tournaments up to four times per year. PDA will maintain the fields.

“The City of Palm Coast has eight soccer fields at Indian Trails Soccer Complex and is becoming more and more popular as a destination for youth soccer and lacrosse tournaments,” said Beau Falgout, senior planner for economic development. “This new partnership with PDA provides us with a unique opportunity to take our sports program to the next level. With more fields, we can attract larger and more prestigious tournaments.”

“This partnership will allow the City to develop a new soccer complex with no capital or maintenance expenses and accomplish what neither the City nor PDA could do alone,” said Mayor Jon Netts. “It’s a win-win for the families of Palm Coast and the hotels, restaurants and other businesses that will benefit from the thousands of visitors and newcomers our sports tournaments attract each year.”

The new partnership comes just two months after Just4Keepers International Goalkeeping Academy, an international youth soccer program that prepares goalkeepers for college and professional soccer, selected Palm Coast as the home for its new U.S.-based national camp. Just4Keepers will hold a national residential camp in Palm Coast in July and a regional camp in Palm Coast in June.

The City has worked hard over the past three years to develop Palm Coast as a premiere location for youth soccer and lacrosse in the Southeast. Partners in the initiative include Flagler County Economic Development, the Flagler County Tourist Development Council, the Palm Coast Sports Alliance and FC United of Florida, the local competitive soccer club.

Palm Coast's popularity for soccer and lacrosse tournaments has grown steadily in recent years, aided by top-notch field conditions, beautiful weather, excellent quality of life, and its central location mid-way between Orlando and Jacksonville with easy access to Interstate 95.

In partnership with FC United, the City hosted the Olympic Development Program in January and the Florida Youth Soccer Association's State Cup Round of 16 for four age levels in April. With a grant from the TDC and cooperation from Flagler Schools, the City doubled the size of its Indian Trails Sports Complex in 2011 by adding four fields at adjacent Indian Trails Middle School.

Attracting sports training and tournaments to Palm Coast is a key initiative in the City's economic development strategy. In addition to attracting families here to stay in local hotels and shop at local restaurants and stores, the City believes that once visitors see what a special place Palm Coast is, they will want to visit again and/or move here and move their businesses here.

**NEWS RELEASE – City of Palm Coast
Frieda Zamba Swimming Pool
386-986-4741
May 9, 2013**

Pack the Pool at Palm Coast Pool Safety Day on Saturday, May 18

Palm Coast, Fla. – Pool Safety Day at the City of Palm Coast’s Frieda Zamba Swimming Pool will be Saturday, May 18, with admission discounted to \$1 for the day. The pool will be open noon to 6 p.m.

Come out and enjoy the pool while you and your family learn about pool safety! Meet the lifeguards, participate in a mini-swim lesson class and learn how to respond in an emergency.

Pool Safety Day is one in a series of 2013 Pack the Pool Days being offered by Palm Coast Parks & Recreation Department. The pool is located at 339 Parkview Drive, right behind the Buddy Taylor/Wadsworth School complex.

Other special events at the pool this season include:

- Monday, May 27 – Pack the Pool Honor Our Military, open 10:30 a.m.-7:30 p.m. To honor our military personnel, show your military ID for free admission.
- Tuesday, June 18 – World’s Largest Swimming Lesson, 11 a.m. The Frieda Zamba Swimming Pool will join water parks, pools and other aquatic facilities around the globe for a simultaneous swimming lesson in an attempt to break the Guinness World Record. Admission is free!
- Friday, June 28 – Dive-In Movie, gate opens at 7:45 p.m.; movie starts at 8:15 p.m. Admission is \$1.
- Saturday, June 29 – Pack the Pool Social Media Day, open 10:30 a.m.-7:30 p.m. “Like” City of Palm Coast (Official) on Facebook and get in free.
- Thursday, July 4 – Pack the Pool Patriotic Day, open 10:30 a.m.-7:30 p.m. Show your patriotism by wearing red, white or blue and get in for \$1.

In addition, Swim Lessons at the pool will begin Monday, June 3. Each session will be two weeks, eight classes per session, taught by a certified swim instructor. Prices and times vary.

For more information about Pool Safety Day, Swim Lessons or other pool events, call 386-986-4741.

Palm Coast offers summer recreation, tennis, golf camps for children, teens

Palm Coast, Fla. – The City of Palm Coast is planning a summer of fun and recreation for children and teens through its Summer Camp at Parks & Recreation, as well as summer golf and tennis camps.

Families can register now for any of the camps. Here are details for each:

Summer Camp at Palm Coast Parks & Recreation – Arts and crafts, games, active outdoor play and special activities each week are planned for Summer Camp for students in grades K-8. Camp runs Monday through Friday from June 10 to Aug. 9, from 9 a.m.-5 p.m. (early drop-off/late pick-up available) at Palm Coast Community Center, 305 Palm Coast Parkway, NE. Campers have the opportunity to attend field trips once per week at an additional fee. The Palm Coast Summer Camp participates in the Summer Food Program through the Flagler County School District. Registered participants are provided free lunch and afternoon snack each day of camp. Students can be registered for one or multiple weeks. Pre-registration and payment of \$75 fee is required. Space is limited, so register early. More info: (386) 986-2323.

Palm Harbor Golf Club Junior Golfers Summer Camps – Youth 6 to 16 can learn the game of golf at summer camps in June, July or August at Palm Harbor Golf Club, 20 Palm Harbor Drive, Palm Coast. Friendly competitions will be held, and sportsmanship and golf etiquette will be taught, along with skills such as short game, full swing and putting. Camp weeks will be: June 10-13; July 8-11; and Aug. 5-9, with registration deadline a week prior to the start of the camp week. Each day of camp will include four hours of instruction, access to all practice facilities, plus lunch, snacks and drinks. Each session is \$185. Pre-registration is required; class size limited. More info at: www.palmharborgolfclub.com or call (386) 986-GOLF (4653).

Palm Coast Tennis Center Junior Tennis Summer Camps – Youth 5 to 17 will have several summer Tennis Camp options at Palm Coast Tennis Center, 1290 Belle Terre Pkwy., Palm Coast. The Quickstart Camp for ages 5 to 8 will introduce brand-new players to basic strokes and concepts, hand-eye coordination drills and fitness; Quickstart weeks are June 17-21 and July 15-19. In the Beginner Camp for ages 9 to 13, brand-new players will be introduced to basic tennis concepts, stroke, movement and beginning point play; Beginner weeks are June 10-14 and July 8-12. Intermediate/Advanced Camp for ages 10-17 will focus on point play, advanced stroke development and match play – with a challenge ladder for the week; Intermediate/Advanced weeks are June 24-28 and July 22-26. In addition, two weeks of Open Camp are set for July 29-Aug.2 and Aug. 5-9 for all levels. All camps run 9 a.m. to 1 p.m.

Monday through Friday. Cost is \$99/week or \$30/day. Racquets will be provided, if needed. Registration is required two weeks before the camp; call (386) 986-2550 to register.

For more information about Palm Coast Summer Camps, call Cindi Brownfield, communications & marketing manager, at (386) 986-3708.

FOR IMMEDIATE RELEASE

May 10, 2013

Palm Coast and the Flagler Beaches tourism office announced today that The Palm Harbor Golf Club has been selected to host a stop on The United States Specialty Sports Association (USSSA) Florida Junior Golf Tour on June 21-23. The agreement was finalized by Matt Dunn, President and CEO of The Dunn Agency, LLC, Luanne Santangelo, Director of Parks & Recreation for the City of Palm Coast and Casey Ryan, Product Development Manager for Flagler County Chamber of Commerce & Affiliates. Santangelo and Ryan had met with Dunn during the National Association Sports Commissions (NASC) Symposium, in Louisville, KY.

USSSA, headquartered in Kissimmee, FL, is the world's largest multi-sport athletic organization. Founded in 1968, USSSA has grown to over 3.7 million participants, competing in 13 nationally sanctioned sports including baseball, fastpitch, golf, slow pitch, karate, basketball, soccer and more.

The Dunn Agency partnered with USSSA Golf in 2012 and is building the USSSA Golf brand in Florida. The Dunn Agency's focus is to offer affordable, competitive tournaments for junior golfers who are developing their game at an early age and to fill a void for high school golfers who do not play outside of the high school golf season.

“The Palm Coast and the Flagler Beaches tourism office along with the City of Palm Coast’s Parks & Recreation Department provided valuable leadership and guidance while we were researching the area’s top golf courses. After meeting the team at Kemper Sports at Palm Harbor, we wasted no time in making a decision to move forward,” said Dunn.

Flagler County Chamber of Commerce & Affiliates – Tourism Development

20 Airport Road, Suite B * Palm Coast, FL 32164

P: 386.437.0106 * F: 386.437.5700

The tournament is open to both boys and girls in the following age groups: 9-11, 12-14 and 15-18. These 36-hole tournaments (18-hole tournaments for the 9-11 age group) will offer a competitive experience for junior golfers striving to play at the collegiate level.

Friday's activities will include check-in, a putting contest, and practice rounds with round one beginning on Saturday at 7a.m. Final rounds will commence on Sunday with an awards presentation at 2:30p.m.

Additional information can be found on the website:

<http://thedunnagency.us/Florida-Junior-Golf-Tour.html>

"I can't think of a better way to kick off the first day of summer than with the USSSA Florida Junior Golf Tour," said Ryan.

The registration deadline is Friday, June 14.

CITY OF PALM COAST

Jim Landon, City Manager
City of Palm Coast
160 Cypress Point Parkway, Suite 106B
Palm Coast, FL 32164

May 6, 2013

Dear Mr. Landon:

The Flagler County Art League would like to thank you and the City of Palm Coast for the support you have given us for the 2013 "Celebration of the Arts" project. It was a tremendous success with many members of the community taking part. We wish you could have been there!

Your grant allowed us to offer five exceptional events from March 14th through April 27th, designed to encourage creativity – which is what research has shown is needed to improve problem-solving. We hope that this is just a start to get the community thinking in new ways to create a more vibrant Palm Coast!

Our first event was held at Matanzas High School theatre - "*No Right Way – a whimsical, artistic and musical guide to creativity and imagination*". Don Nedobeck, artist, musician and storyteller, shared his passion for the creative process whether it was in art, music or any other artistic pursuit, with an enthusiastic audience! His presentation was interspersed with music by his talented jazz trio and was described by one of the extremely grateful audience members as "a sensational program which makes living in Palm Coast what we all came here for".

The second major program was a painting to music performance by JJ Graham, held at Hollingsworth Gallery – "*No Recipe for Disaster*". JJ demonstrated how his creative process works to a captivated audience – painting to blues and rock and roll music - the art evolved as he worked. Artists were inspired to experiment as a result!

We offered two children's workshops in our gallery with a medieval theme, serving 38 children many of whom would not have been able to afford a similar program if it were not for your grant! These were presented by Kathi Darby, a teacher of the gifted and one who has presented many creativity workshops in Duval County for both teachers and children. The children can't wait to come back!

Finally, Tom Anastasio, a very accomplished artist with studios in CT and Palm Coast with work in the Smithsonian and New York City galleries, presented a workshop for adults on a Japanese printmaking process that was brilliant! The grant allowed us the capability to offer an unusual program including materials that allowed artists to think in new ways about art.

Thank you again and we hope through this partnership we can continue to expand community arts projects such as these in the future. Enclosed are a few photos of the fabulous experiences the participants encountered!

Sincerely,

Ann DeLucia, President, FCAL

FCAL'S "Celebration of the Arts" March 14th to April 27th 2013
