Aveo Ground Breaking

This week City staff and City officials attended the groundbreaking of Aveo Engineering, a company who will build a \$7 million facility at the Flagler County Airport. This is an exciting welcome to our community, as the company plans to hire and train 50 local resident employees during its first year and add 300 jobs over the next three years. While the facility is being built, the company will operate from a temporary headquarters in Palm Coast.

Guest Speakers

Our speakers are exceptionally well-qualified to draw on personal experiences in developing a culture of innovation in their organizations. Innovation in product and/or service requires a commitment to continuous improvement in all that we do. New ideas keep our businesses relevant and competitive. Understanding how to enlist the participation in this requires starts with a foundation of TRUST. We understand that every new idea will not work as planned yet we are committed to challenging everyone in the organization to improve how work gets done and how need ideas are brought forward in a supporting business environment. Both Ellen and Dr. Miren have achieved success in their profession by bringing out the best in everyone, challenging them to think broader and higher.

Pine Lakes Parkway North Improvements

Animals ready for homes

240 cats

82 dogs

1 cockatiel

1 hamster

1 rabbit

The Flagler Humane Society has had an exciting past year, and we've made many changes that have allowed us to make a bigger difference than ever in Flagler's animal community. We're making changes every day to improve the shelter, including realigning staff efforts, increasing transparency, and reaching out to businesses and community members to partner with them through event sponsorships and our new Humane Hero Membership Program. We also have some big new changes on the horizon, including the hiring of a new executive director, who will join our team in mid-August.

We're excited about the changes we're making and want to keep the community informed on the great work we're doing. FHS is a busy place each week! Did you know over close to 80 stray, abandoned or medically suffering animals enter our doors, looking for compassion, medical treatment and a new forever home? Moving forward, *The Palm Coast Week in Review* will be a great opportunity to discuss the week's happenings at the shelter, from what occurred at FHS and how many lives were saved, to special heartfelt stories on special need animals entering our shelter and other points of interest.

One of our great recent success stories is an amazing outreach opportunity, when FHS participated in the Mega Adoption Event hosted by First Coast No More Homeless Pets, PetSmart Charities, and Best Friends Animal Society from July 26 – 28, 2013. Many northeast Florida rescues and shelters come together for this nationally recognized event, which occurs four times each year. This year the event found homes for 1,003 homeless pets in one weekend, 56 of which were from FHS! A large part of this success was because of our dedicated volunteers, so please contact us if you'd like to join our team and help save lives.

Our recent changes and increased outreach have helped us increase the number of animals we can care for and save more lives, but with a greater number of animals relying on our help, funds are often tight. FHS needs the entire community to support our efforts or we will not be able to continue our lifesaving work. You can support your local animal shelter in many ways, including attending our fun events! Check out the Special Announcements section for some upcoming chances to have fun with the whole family and help save lives.

Special Announcements

FHS has brought back the "Bark & Bowl" event! This year it will be hosted by Palm Coast Lanes on August 11, 2013 from 6:00 p.m. – 9:00 p.m. Tickets sell out quickly! Purchase yours today on our website at www.flaglerhumanesociety.org.

On October 26, 2013, FHS will host our inaugural walk/run event called "Run Fur Our Lives." This event will be held at beautiful Princess Place Preserve and followed by a family fun fall festival. FHS is in need of sponsors and vendors! If interested please contact Michelle Bertsch at mbertsch@flaglerhumanesociety.org, or call at (386) 445-1814.

Pet of the Week

Roxy is an 8 year old, spayed female, Rottweiler Mix. Roxy came to the shelter in April because her owner went to jail and would not be getting out for a while. The daughter of the owner came to reclaim her and told the shelter that she would be keeping the dog. Roxy was then left in the custody of a teenage boy that could not afford to care for her so in May she was brought back to the shelter for adoption. She is a very quiet dog but she still has the energy to throw her toys and catch them in the air. She loves stuffed toys and will often play quietly by herself. She currently greets people in the front lobby of the shelter. She does have some issues (weak rear hind end) due to her age and size. Roxy would love to be a couch warmer for a loving family.

Adoption specialist:

Danielle Camic

dcamic@flaglerhumanesociety.org

(All adoptions and outreach)

Information on events to benefit our homeless animals can be found on our website, www.flaglerhumanesociety.org.

Fire Department

To: Jim Landon, City Manager
From: M. C. Beadle, Chief
Date: August 1, 2013
Re: Week in Review

In the past week, the department responded to 145 calls. There were 3 structure fires with moderate damages reported. A total of 110 EMS calls was logged and the balance was miscellaneous in nature. The drought index is at 198 out of a possible 800 and the fire danger is low.

INFORMATION TECHNOLOGY

DATE : 8/2/2013
RE : Week In Review

FIBERNET

- Operations Division preparing a new customer at the airport.
- Operations Division finalizing an internal FiberNET speed test process.
- Operations Division looking to expand into the revitalized European Village. We currently only have one customer there.

DEPARTMENT/DIVISION SUPPORT

City Clerk

- Applications Division created new mail merge for the Old Kings Assessment letters sent out to the parcel owners along the renovation area planned for Old Kings Road.

Community Development

- GIS Division set up a GPS unit to locate hazardous trees; provided training to department personnel on the equipment.
- GIS Division provided Community Development with an editable FLEX application for electric meters.
- GIS Division provided Community Development with a map series (Zoning, FLUM, and Location) for Grand Landings.

Enterprise

- GIS Division participated in a Flagler County CAD / Mobile CAD users group meeting. The group met with New World GIS to discuss updates at the end of the year, CAD maps, address search engines in Mobile, and server access for updates. Some improvements were initiated, and the group will meet again in 2 weeks.
- Application Division went live with new version of www.palmcoastgov.com for internal use.
- Operations Division received 81 Track ITs this week.
- Operations Division analyzing a web filtering appliance that assists in testing the network in an effort to maintain the highest level of integrity.
- Operations Division repaired additional equipment that was affected by recent power surges.
- Operations Division provided security video footage and access reports to the Utility Department.

Engineering & Stormwater Department

John C. Moden, City Engineer

Week In Review July 25 to July 31, 2013

3 Sisters (I-1, I-4 & I-6) Water Control Structure Complex 2013 Capital Improvement Project

	City of Palm Coast Engineering and Stormwater Capital Improvement Program
Three Sisters Water Control Complex Replacement	
Construction Cost	\$1,254,325.00
Contractor	S.E. Cline Construction, Inc.
Funding Sources	Stormwater Utility

Start date of 2-18-13 for a 6 month contract time. Project is 99% complete.
This project was substantially completed on 7-16-13. Working on project closeout.
Contract was completed approx. 1 month AHEAD of schedule.

- **Stormwater Utility Ordinance -** The City Council has passed Resolution 2013-49 for a new rate structure for the Stormwater Utility. Presently we are providing input so that the Stormwater fee invoices can be amended to reflect the ordinance changes. Staff has begun re-calculating vacant parcels which apply to the 95% reduced service credit.
- **Street Light Inventory Review –** Annually staff reviews and verifies the street light inventory for accuracy and actual verification of light location for quality control. Audit is complete. Staff has turned audit over to FPL to verify street light accounts to inventory.
- **Stormwater Model and Master Plan (Council’s Top Priority Goal) (Project is 98% Complete)**
Sections 30 and 34: Consultant submitted the Final Report for City review.
- **Stormwater Model Improvements for Sections 35 and Section 37 (Survey & Design) –**
In-house design is continuing on Section 37 tributaries 1, 2 & 3. Construction documents are 75% complete, delivering to consultant on 8-2-13. The consultant is working on the permitting for the St. Johns River Water Management Dist. permit for Sections 35 & 37.

Total Aquatic Weed Control on Freshwater Canals

Aquatic Management Plus, LLC continues herbicide spraying on the canals.
Preparing a Request for Qualification to put this contract out to bid for 2014.

Under the direction of Martone, the local Flagler County Horseshoe Pitching Club is growing rapidly. At the moment, there are 108 members. Club play is Tuesday and Thursday mornings from 9-11 a.m. at the horseshoe courts located at Old Dixie Park. A donation of \$2 is suggested. On the first Saturday of each month at 10 a.m., there is an open club tournament. On the first Tuesday of each month there is a pizza party for club members after play.

The 18 covered horseshoe court facility with Kentucky Blue Clay pits was state sanctioned in November 2012 by the FSHPA. For additional information check out the local pitching club's website at <http://palmcoasthc.20m.com/> or contact Tom Martone at tjmtone@aol.com or (386) 447-3559/ (386)503-2205.

Date: August 1, 2013
Re: Week in Review

- The wastewater plant had a failure of one of the oxidation ditch rotors, a critical component in the treatment process. Staff has prepared an emergency purchase request for replacement parts to make the repair. It will take several weeks to get the materials and get this unit back on line. In the meantime, the remainder of the rotors will have to be operated overtime and the efficiency of oxygen transfer will be reduced; however, we do not anticipate any issues with effluent quality at this time.

- The average water demand for the week was 6.821 million gallons per day; average wastewater flow was 6.655 million gallons per day.
- Installed 10 new domestic meters, 2 new PEP tanks, 3 reuse meters and replaced 1 old PEP tank.
- This week 241 utility customers were shut off for non-payment.
- Water Treatment Plant #2 Zero Liquid Discharge Facility – Staff is working on the tortoise relocation permit application.
- Beachside Pump Station and Sewer Force Main – Contractor is forming and placing rebar for the tie beam.
- Staff began mowing in the “C”, “B”, “R”, “P”, “LL”, “S”, “Z” sections. Mowing Belle Terre Parkway, Royal Palms Parkway and Palm Coast Parkway.
- Performed site distance trimming in the “R”, “L” and “B” sections.
- Graded 6,301 feet of swales, repaired 2 outfalls and cleaned 35 culvert pipes.
- Replaced 1 pipe crossing located at 207 Parkview Drive.
- Responded to several weather related traffic signal issues on Palm Coast Parkway and Cypress Point Parkway.
- Responded to a crash with city damages including a destroyed Palm Tree and damage in the median on Belle Terre Parkway North.
- Crew installed modifications to the irrigation system at Waterfront Park to prepare for new trees that will be transplanted from Palm Coast Parkway as part of the 6-laning project.
- The ditch crew sprayed 11 acres of ditch in the “R”, “U” and “S” sections.
- Inmate crews mowed and weeded 41,325 linear feet of ditch, “K”, “LL” & “Z” sections.
- One employee attended a seminar by the Florida Section of the American Waterworks Association on “Preparing for Storms & Recovery Operations”.

Register now for Palm Coast's Summer Shot Gun 4 Mile Run, to be Aug. 10

Palm Coast, Fla. – The golfers at Palm Harbor Golf Club will take a break Saturday morning, Aug. 10, as runners take over Palm Harbor Golf Club for the Summer Shot Gun 4 Mile Run through the cart paths and fairways.

It's time now to register for the race and Kids Fun Run. The Summer Shot Gun 4 Mile Run will begin at 7:30 a.m., and the Kids Fun Run will begin at 8 a.m. The race is part of the year-round Palm Coast Running Series.

Overall first-place male and female winners, as well as first-, second- and third-place runners in 15 age groups, will be given awards immediately following the races. The race will be professionally timed and scored by Red Pointer Productions.

Register at: www.palmcoastgov.com/summershotgun. Participants may also pre-register in person, through Aug. 8, at the Palm Coast Community Center, 305 Palm Coast Parkway NE. (open 8 a.m. to 5 p.m.) In-person registration and packet pickup will be available at the Community Center from 8 a.m. to 7 p.m. Friday, Aug. 9, or on race day at Palm Harbor Golf Club, 20 Palm Harbor Drive, beginning at 6 a.m.

Entry fees and pre-registration deadlines are as follows:

- \$25 Mail-in – closes Thursday, Aug. 1
- \$25 Online and In-Person – closes 5 p.m. Aug. 8
- \$30 In-Person – 8 a.m. to 7 p.m. Aug. 9
- \$30 Day of Race (cash or checks only) – 6 a.m. Aug. 10

Those who pre-register by Aug. 8 will receive a tech shirt and goody bag. Please register early! Multiple water stations will be available along the route, and refreshments will be served at the award ceremony.

For more information, contact Palm Coast Parks & Recreation at 386-986-2323.

Smoke testing of sanitary sewer lines planned for select Palm Coast streets

Palm Coast, Fla. – Smoke testing will soon begin for sewer lines on Palm Coast streets that begin with the letters: BOS, BOX, BOL, BON, BOU, BOW, BOY, BOT and BOB.

To improve sewer service to citizens, the City of Palm Coast will be smoke testing the sanitary sewer lines on streets listed above, beginning Monday, Aug. 12, through Friday, Aug. 16. This test, which involves forcing smoke into the sanitary sewer lines, will check for leaks, breaks and defects in the system.

The smoke is odorless, creates no fire hazard and will not enter your home or business unless you have defective plumbing or dried-up sink traps or floor drains. The smoke test should only affect your home for approximately 15 minutes. Homes affected by smoke testing will find a door tag hanging on the front door.

The smoke used for this test is manufactured strictly for this purpose, leaves no residuals or stains and has no effect on plants and animals. Direct contact with the smoke may cause minor respiratory irritation in some people.

If people in your building suffer from a heart condition, asthma, emphysema or some other respiratory condition and are planning to stay in the building during testing, notify the City of Palm Coast at (386) 986-2371 to discuss your specific case.

Prior to testing, please pour two gallons of water in the seldom-used sinks or floor drains to prevent sewer gases, smoke or odors from entering the premises. If smoke does enter your home during testing, immediately remove yourself from the building, notify the crews that are conducting the test or call the City. Again, if smoke enters your home, it is an indication of a plumbing defect, so you should also notify a plumber. While we can assist in the location of any defects on private property, the correction of any defects are the responsibilities of the property owner.

Smoke that you will see coming from the vent stacks on houses is normal. However, smoke coming from holes in the ground IS NOT normal and is considered a defect. All such defects will be photographed and logged. The City will then contact the property owners if a defect is located on private property.

This smoke testing is part of the City's continuing effort to provide a safe, economical, efficient and environmentally sound sewer system throughout Palm Coast. The smoke testing procedure has been recommended by the U.S. Environmental Protection Agency as an effective means of identifying problem areas in the sewer system. Eliminating system defects and illegal connections will help our community remain in compliance with the new federal legislation regarding sewer systems maintenance and sanitary sewer overflows.

Thank you for your cooperation.

Volunteers needed: Registration opens for annual Intracoastal Waterway Cleanup

Palm Coast, Fla. – Everyone’s assistance is needed to help clean and protect our community's treasured waterways and adjacent trails! The City of Palm Coast is coordinating the Sixth Annual Intracoastal Waterway Cleanup on Saturday, Sept. 7, and it’s now time to register to participate.

This special event will pull together community volunteers to remove trash in and along the Intracoastal Waterway, its walkways and canals. Walkers can clean Palm Coast’s paths and trails, and boaters can work in saltwater canals and Intracoastal waters.

The clean-up adventure will begin at 8 a.m. Sept. 7 at Holland Park, 18 Florida Park Drive, Palm Coast, where supplies will be distributed to commence the morning activities. Following the cleanup and trash drop-off, volunteers are invited back to Holland Park for refreshments and a special awards ceremony to recognize those who found the most unique “trash.”

Pre-registration is available until Monday, Aug. 26, on the Intracoastal Waterway Cleanup website, www.palmcoastgov.com/icwc, and from 8 a.m. to 5 p.m. weekdays at the Palm Coast Community Center, 305 Palm Coast Parkway NE. Registration is also welcome on event day, but supplies will be limited; volunteer packages are guaranteed only for those who pre-register by Aug. 26.

Pre-registered volunteers may pick up their packages early at Holland Park classrooms on Saturday, Aug. 31, 10 a.m. to noon, as part of orientation beginning at 9 a.m. Pre-registered participants will receive a T-shirt, water bottle, trash bags, gloves, safety sheet and cleanup results form. Large volunteer groups are encouraged to participate in event orientation at Holland Park on Aug. 31 at 9 a.m. Groups may also learn more about the Waterway Cleanup on the event website shown above.

Palm Coast's Intracoastal Waterway Cleanup Event is co-sponsored by the Florida Inland Navigation District (FIND). Won't you please help to FIND and dispose of our waterway refuse?

For more information, please call the Intracoastal Waterway Coordinator Carol Bennett at 386-986-3722.

Mayor and Council Members
City of Palm Coast
160 Cypress Point Parkway, Suite B106
Palm Coast, FL 32164

VIA FEDERAL EXPRESS

Dear Mayor and Council Members:

This notice is to inform our Bright House Networks customers of upcoming changes to their cable programming lineup.

On or after August 20, 2013, Pro Sports On Demand will be available on channel 311.

On or after August 26, 2013, the Health On Demand network will be renamed Be Healthy On Demand and remain on channel 972.

On or after September 1, 2013, the following channels will be made available to Standard level service video customers. The networks will remain in digital format:

Hallmark & Hallmark HD	Channel 51/1122
C-Span 2 & C-Span 2 HD	Channel 196/1227
C-Span 3 & C-Span 3 HD	Channel 197/1228

On or after September 1, 2013, the following channels will be made available to Digital tier video customers:

IFC & IFC HD	Channel 151/384/1384
--------------	----------------------

On or after September 1, 2013, Shop NBC will no longer be carried on channel 74 but will continue to be available on Channel 33.

On or after September 1, 2013, the following channels will be moved off the Switched Digital Video (SDV) system:

Disney HD	Channel 1105
MSNBC HD	Channel 1218
Comedy HD	Channel 1292
Cartoon HD	Channel 1282
AMC HD	Channel 1355
Golf HD	Channel 1154

City of Palm Coast
July 26, 2013
Page Two

Bright House Networks utilizes a new digital video delivery technology known as Switched Digital Video (SDV). SDV is a robust bandwidth management system that makes it possible to offer more digital video programming services than before including new HD channels. To be able to offer more new video services, Bright House Networks will be moving some existing programming services to the new SDV system as well as adding new services on the SDV system.

NBC Universal Sports	Sports Pass Channel 205
QVC Plus	Channel 225
HSN2	Channel 224
Sundance HD	Channel 1356
INSP HD	Channel 1119
NBC Universal Sports HD	Sports Pass Channel 1164
QVC Plus HD	Chanel 1329

When delivered on the SDV system, these channels will become a bi-directional (or two-way) service and will be available to all Bright House Networks customers who subscribe to our digital services and lease a digital converter or similar bi-directional device capable of supporting two-way services.

However, the above channels will not be available to customers with a uni-directional (one-way) retail device who currently lease a CableCARD from Bright House Networks. This small number of impacted customers have been notified directly about the changes and offered the option of obtaining a digital converter or similar bi-directional equipment from Bright House Networks. In either case, such customers will not need to replace their uni-directional retail device.

From time to time our agreements with cable channels and television stations come up for renewal. While we do not anticipate any loss or disruption of service, regulations require us to notify you of the possibility of losing programming. Therefore, please be advised that our agreements with CBS Primetime On Demand, Cine Mexicano, Once TV Mexico, *E!*, *Ecuavisa*, *Flix*, *G4*, *Gol TV*, *Latele Novela Network*, *Lifetime*, *Lifetime Movie Network*, *Lifetime Real Women*, *NHL Center Ice*, *NHL Network*, *Showtime*, *Showtime 2*, *Showtime Beyond*, *Showtime Extreme*, *Showtime Family Zone*, *Showtime Next*, *Showtime Showcase*, *Showtime Women*, *Smithsonian*, *Sprout On Demand*, *Style*, *TMC*, *TMC Xtra*, *TV Colombia*, *WAPA America*, and *Zap2It* remain in effect on a month-to-month basis, but we may have to cease carriage in all formats if our authority to continue is withheld. Finally, Bright House Networks may cease carriage of CBS Sports Network or move to Sports Pass.

We are working diligently at this time to come to acceptable and fair terms with all these channels.

If you have any questions, please contact Joe Cordaro, Senior Director/General Manager of Operations for your area. Information on our services is available on our website at www.brighthouse.com.

Sincerely,

Marva Johnson
