Summer Jr. Tennis Campers

Palm Coast Tennis Center hosted the final week of the City's Jr. Tennis Summer Camp, with 7 campers ranging in age from 7 to 12. Campers received training from our assistant pro, Matt Struhar, which focused on fitness, technique, volleys, and serves; and they participated in a junior tournament.

Recycling Rewards Program – One Year Later

It’s hard to believe but it has been a year since the launch of our recycling Rewards Program. Citizen participation in this program is up 10% and is reflected in the monthly recyclable collections. This time last year, the City collected 4,034 tons of recyclables, and we’re nearly 1 ton ahead of last year at 5,224 tons collected since June 2012. Citizen’s involvement in this program is a welcome benefit to the Palm Coast environment.

PLANNING

Hey there! It's Libby Burley again, the intern in the Community Development Department. I am a Landscape Architecture student at Ball State University in Muncie, Indiana and have been working primarily under the supervision and guidance of City Landscape Architect, Bill Butler, for the past three months. This experience has been truly invaluable to my education, allowing me the opportunity to experience a variety of 'real-world' problems and develop creative solutions. One of my favorite things about coming to work each morning is that every day is different than the last. Each day presents new challenges, opportunities, and tasks to work on. I have worked on numerous projects this summer; I'll highlight the main ones that have had my input:

- Design & relocation of existing trees from Palm Coast Parkway 6-Laning project. First, I measured all 144 Sabal palms that will be taken out, and found new places for them to be planted at Waterfront Park, Indian Trails Sports Complex, and the new landscape in the medians along Palm Coast Parkway.
- Completed landscape as-builts for City projects, primarily the medians along Belle Terre.
- SR 100 landscape design from Old King's Road to Roberts Road.
- Ralph Carter Park and Indian Trails Irrigation work in AutoCAD.
- Tree Nursery maintenance at Flagler Palm Coast High School.
- Completed Bench Master Plan for future bench/trash receptacle locations, primarily along Belle Terre and Lehigh Trail.

- Graham Swamp Trail 5K route and Linear Park Trail Map Signage designs.
- Assist with special events and the CHIRP educational program.
- Monitoring environmental field data and sustainability.

Spending the summer working for the City of Palm Coast has been a great experience for me. It seems like a great place to live and work, and I hope to be back someday soon!

Green Team

- Pre-registration is open for the Sixth Annual Intracoastal Waterway Cleanup event scheduled for September 7th. A new addition to the event is having a manatee as our honorary mascot. A campaign was launched this week requesting our Facebook friends to nominate a name for the mascot by Sunday. The campaign will extend into next week when the public has an opportunity to vote on their favorite name. The name will appear along with a manatee on event materials. For more event and registration information, visit www.palmcoastgov.com/icwc
- Public Works has begun work on the relocation of thirty Sabal palms! These trees would have been taken out during the 6-laning of Palm Coast Parkway this fall. The City has decided to save these trees and plant them in other locations around the City, including Waterfront Park, Indian Trails Sports Complex, and the new landscaping in the medians along Palm Coast Parkway. They began removing the trees on Wednesday and planting them along the Intracoastal at Waterfront Park. Work will continue at the park over the next week or so, but the park will remain open.

Outreach events are vital to many humane societies because they expose the community to the homeless pets that are available in their shelter. Many people have never stepped into a shelter and would never know about the hundreds of adoptable pets in their community if not for outreach events. Without this publicity, pets remain in the shelter and it's harder to get them adopted.

Volunteers are the most important element for running outreach events and making them successful. The Flagler Humane Society is fortunate to have dedicated volunteers that spend almost every weekend getting our homeless pets seen at the Farmer's Market, Volusia Mall, and PetSmart. One of our most devoted volunteers, Howard Tessler, has spearheaded many of these events, and he sees some of our most heartwarming stories on a daily basis. The following is an excerpt from an email that he sent to fellow volunteers and staff:

"I just can't contain how happy I am. Dixie has a new home! If you haven't met her at the Flagler Humane Society for the months & months she spent at our shelter... I can understand. A middle-aged boxer mix with teeth in poor condition and eyes that seemed to show she had allergies, she is not the type of dog people generally set out to adopt. Maybe it was because of those eyes that I first started to notice her. They were 100% black like coals and I imagined the tears from her eye ducts were from sadness. I wished I was in a place where I could adopt her, but with 3 dogs, 2 of which are now close to 15, I knew I could not. So I made a pact with her that if she just kept up her spirits, I would take her to every outreach event we went to. She would have had a good chance last week, when we had huge success in Jacksonville for the annual Mega Event & well over 50 of our cats & dogs were adopted, but still Dixie came back un-adopted.

By contrast, this weekend started off much slower. In fact, I had thought of taking Friday morning off, but sometimes I have set up at events without much belief anything would come of it & was pleasantly surprised. So with just Dixie and I went on a hotter-than-usual morning to the Farmer's Market... Then when I least expected that someone might be interested in her, one of the longtime vendors at the market stopped alongside us before leaving. He asked about Dixie and I told him to walk her around & get back with me... By the time he came back he knew he wanted her. He already has an older dog and ten fenced-in acres. I wouldn't let this opportunity go by so after the paperwork was signed, Dixie became his dog and off they went! Knowing he's a vendor at the market will hopefully ensure that this won't be the last I hear about her."

We want to give a big thank you to all of our hardworking volunteers, and we would also like to invite the community to participate in outreach events. As the saying goes, it takes a village!

Special Announcements

FHS has brought back the "Bark & Bowl" event! This year it will be hosted by Palm Coast Lanes on August 11, 2013 from 6:00 p.m. – 9:00 p.m. Tickets sell out quickly! Purchase yours today on our website at www.flaglerhumanesociety.org.

On October 26, 2013, FHS will host our inaugural walk/run event called "Run Fur Our Lives." This event will be held at beautiful Princess Place Preserve and followed by a family fun fall festival. FHS is in need of sponsors and vendors! If interested please contact Michelle Bertsch at mbertsch@flaglerhumanesociety.org, or call at (386) 445-1814.

Pet of the Week

MOON BEAM

Moon Beam is approximately 13 years old, spayed female, microchipped, and up to date on vaccination. She is a big sugar pie and is loved by all the volunteers at the PetSmart Cattery where she is housed right now. She will sit on your lap and enjoy pets. She especially loves to have her head scratched! Do not let her age fool you! She does like to play and acts young at heart! Moon Beam came to the shelter in March as a stray. She was moved over to the PetSmart Cattery and has been over there for a while. She is patiently waiting for her forever home. One where she can give and receive hugs. She gets along with other cats too. Please give her a chance in your loving home -- that is all she is looking for. Please visit her at Petsmart, 5270 East Highway 100, Palm Coast, Florida 32164, [\(386\) 437-7131](tel:3864377131).

Re: Week in Review

PAST WEEK HIGHLIGHTS:

Summer Camp – Friday, August 9 marks the end of the Fun in the Sun Summer Camp presented by the Palm Coast Parks and Recreation Department. Youth, in grades K-8, enjoyed visits to many of the local and regional attractions and bi-weekly visits to our Frieda Zamba Swimming Pool. While on site at the Community Center, time was spent playing both outdoor and indoor games; completing arts & crafts projects, and dressing up in accordance with the special themed day. Through the laughter and a few tears, new friendships were made. For the last 9 weeks we hosted 872 youth in camp

Spring Fling Horseshoe Pitching Tournament
Location : Old Dixie Park

One of seven Horseshoe Pitching tournaments being hosted by the Flagler County Horseshoe Pitching Club through 2015. Tournaments will be held at the horseshoe courts at Old Dixie Park; a 20-acre county park located off South Dixie Highway.

Under the direction of Martone, the local Flagler County Horseshoe Pitching Club is growing rapidly. At the moment, there are 108 members. Club play is Tuesday and Thursday mornings from 9-11 a.m. at the horseshoe courts located at Old Dixie Park. A donation of \$2 is suggested. On the first Saturday of each month at 10 a.m., there is an open club tournament. On the first Tuesday of each month there is a pizza party for club members after play.

The 18 covered horseshoe court facility with Kentucky Blue Clay pits was state sanctioned in November 2012 by the FSHPA. For additional information check out the local pitching club's website at <http://palmcoasthc.20m.com/> or contact Tom Martone at tjmtone@aol.com or (386) 447-3559/ (386)503-2205.

Palm Coast Citizen Alert: Complaints filed against home security company

Palm Coast, Fla. – The City of Palm Coast and the Flagler County Sheriff's Office have received complaints from citizens regarding permitted solicitors from a home security company, VIVINT Inc.

Residents have stated that VIVINT solicitors have told them they have been sent by the County or City to alert people that telephone lines in their area are being upgraded and that the new telephone lines would no longer be compatible with the residents' emergency systems. VIVINT Inc. is not affiliated with the City and residents should be skeptical of any company representing that they were sent by the City.

The City has issued a warning to the company based on the complaints received in accordance with City rules and regulations. If the City receives additional complaints following the warning, the City may suspend or revoke VIVINT Inc.'s solicitor permits.

Consumers should be aware that door-to-door solicitors need a permit from the City of Palm Coast and should present the permit when requested. Permitted solicitors are only allowed to solicit between 9 a.m. and 6 p.m. In addition, solicitors should not threaten or harass any person.

Complaints regarding solicitors should be directed to the Flagler County Sheriff's Office at 386-313-4911.

Food Truck Tuesdays on Aug. 20 to benefit Flagler Education Foundation

Palm Coast, Fla. – Back to School is the theme for the next Food Truck Tuesdays in Palm Coast – with the Stuff Bus, school performances and proceeds going to the Flagler Education Foundation. This month's Food Truck Tuesdays will be 5-8:30 p.m. Tuesday, Aug. 20, at Central Park in Town Center, 975 Central Ave.

The Food Truck event will feature 11 food trucks – mobile kitchens, canteens and catering trucks that offer up gourmet foods including appetizers, main dishes, side dishes and desserts. Foods to be featured this month include barbecue, regional American, fish and chips, frozen yogurt, lobster rolls, ice cream and much more.

Many menus are kid-friendly, and a live DJ will provide plenty of family fun! Also this month, non-perishable food items will be accepted in preparation for this fall's Feed Flagler.

Food Truck Tuesdays is presented by the City of Palm Coast, Kix Country 98.7 FM and Beach 92.7 FM on the third Tuesday of every month. For more information, contact Palm Coast Communications & Marketing Manager Cindi Lane at 386-986-3708.
