

# Memorandum

**To:** The Honorable Mayor and City Council  
**From:** Jim Landon, City Manager  
**Date:** February 21, 2014  
**Re:** Week-In-Review

**CITY MANAGER PRESENTATION - "INVESTING IN OUR FUTURE"  
SATURDAY, MARCH 8, 9AM  
ST. THOMAS EPISCOPAL CHURCH**

**WORLD TENNIS DAY  
SATURDAY, MARCH 8, 10AM - 2PM  
PALM COAST TENNIS CENTER**

## **BAC Holds 1<sup>st</sup> Business Academy Class**

The Palm Coast Business Assistance Center's 1<sup>st</sup> training class in the Business Academy at Palm Coast series was a great success with 25 entrepreneurs in attendance. Designing your Business with a 360° View was well received by the attendees who learned how the four fundamental challenges that any business faces affects profitability and growth.

## **Green Team**

The Palm Coast Parkway Median Landscape and Irrigation Improvement Project extends from Brushwood Drive westward all the way to U.S. Highway 1, approximately 0.6 miles. The project involved landscaping and irrigation. The work also improved the median tips by providing the City standard of colored, stamped concrete surfacing and curbing to preserve the shrubs and sod from vehicular damage. Large live oak trees 20-22' tall replaced and provided required mitigation for the declining laurel oak trees that were in these medians. Live oaks are a much longer lived and sustainable tree variety. Drought tolerant shrubs and ground covers were used and irrigation for the sod and plantings is being pumped from a nearby stormwater discharge canal. An old existing Palm Coast monument sign at the west end of the median was modified to conform to our new entry sign style at a fraction of the cost of the construction of a new sign. All work was done in-house by the Public Works Department with oversight by Community Development.

## **Pond Improvements**

Florida Department of Transportation (FDOT) is in the process of excavating the stormwater ponds in the four quadrants of the SR100/ I-95 Interchange in order to make them normally wet ponds. All work is being paid for by FDOT to correct a design problem that occurred when the interchange was improved several years ago. When the pond work is complete, the City will purchase and install one tri-tier, lighted fountain in each pond to improve water quality and make this entryway more aesthetically pleasing. The pond at the northwest quadrant is already complete and construction has now begun on the one at the southeast quadrant. Work is expected to be completed sometime this summer.

**Before – Southwest Quadrant**

**Construction – Southeast Quadrant**

**Finished Pond – Northwest Quadrant**

## **Palm Coast Fire Department Honors Its Own:**

Fire Chief Mike Beadle presented awards to Palm Coast Firefighters at the annual awards banquet this past weekend. Congratulations to all the winners!

- Career Firefighter of the Year – Firefighter-Paramedic David Faust
- Volunteer Firefighter of the Year – Lt. Paul Matarazzo
- Administrative Commendation Ribbon – Firefighter-Paramedic Robert Ballou
- Administrative Commendation Ribbon – Capt. Mark Valentik and Lt. Kyle Berryhill
- Exceptional Duty Ribbon – Station 24B Shift Squad Lt. Jennifer Cohen, Firefighter-EMT Chris Cottle, and Firefighter-Paramedic Eric Robinson
- Fire Police Officer of the Year – Fire Police Officer Bob Hudak
- Fire Associate of the Year – John Pascucci
- Most Improved Volunteer Firefighter – Anthony Darkes

**Next Week:**

- *Tuesday, February 25<sup>th</sup>, City Council Workshop, 9am, City Offices, 160 Cypress Point Pkwy, B106*
- *Thursday, February 27<sup>th</sup>, Beautification and Environmental Advisory Committee Meeting, 5pm, City Offices, 160 Cypress Point Pkwy, B106*

News Releases: Fire Awards, Bulldog Drive Construction, Daddy Daughter Dance, March Events and World Tennis Day

**City Manager's Office  
Administrative Divisions Week in Review**

**Friday, February 21, 2014**

**City Clerk**

- Processed 5 public records requests.
- Processed 58 litigation documents.
- Prepared and processed 11 documents for recording.
- Prepared 1 agenda item.
- Prepared and posted 1 agendas and two sets of approved meeting minutes to the Web.
- Processed 4 resolutions.
- OnBase departmental electronic records audits are still being conducted.
- Elections are still underway.

**Communications & Marketing**

- News releases sent: Fire Dept Awards, Bulldog Drive improvements begin, calendar of events for March, Daddy-Daughter Dance
- Branding team: inventory of branding methods, selecting new SWAG, residents' campaign
- Economic Development Team: reviewed Q1
- Met with group for new birding and nature festival
- Coordinate advertising – submitted ad copy for 2014 Fantastic Flagler
- Handled various media requests
- Prepared invitation and printed agenda for Green Building Workshop; now designing brochure
- Staffed Citizens Academy and City Council meeting
- Made revisions to Annual Progress Report, shot photo for cover, final design in progress
- Working on flier design, guidelines, news release, Palm Coaster story about 2014 Photo Contest (starts March 1)
- Posted various items to Facebook/Twitter

- Editing in progress for USTA Men's Tennis
- Videotaped Palm Coast City Council meeting

**Human Resources**

- Employee Wellness Fair – March 5,6,7
- New Hire Orientation March 13<sup>th</sup> 2014

## **Purchasing and Contracts Management**

### **Purchasing & Bidding:**

- Bid Opening for ITB-CD-NSP-14-14 - NSP 3 Home 121
- Review Committee Meeting for RFQ-CD-CM-14-04 - Civil Engineering Services
- RFP Opening for RFP-RP-14-01 - City of Palm Coast Aerial Fireworks Display
- RFQ Opening for RFQ-CD-PL-14-01 - Geotechnical and Laboratory Services
- Advertised and posted ITB-PW-SD-14-05 - Term Contract for Roadway Striping Maintenance

### **Contracts:**

- Howard Fertilizer & Chemical Company, Inc. for ITB-PW-SD-14-01 - Term Contract for Fertilizer, Herbicides, Pesticides and Miscellaneous Chemicals
- KW Controls, Inc. for RFP-PW-U-14-02 - SCADA Uniform Systems Conversion
- Fortiline, Inc. for ITB-PW-U-14-01 - Term Contract for Utility Supplies
- SE Cline Construction, Inc. for ITB-PW-U-14-03 - Water and Wastewater Emergency Construction Services
- Wesco, Inc. – piggyback of Florida State Contract #760-000-10-1 for Lawn Equipment

Subdivision Preliminary Plat	Seminole Pointe Replat of Lot 4	Palm Coast Seminole Group LLC	

## Residential Construction

### PLANNING

- Staff attended the Technical Coordinating Committee meeting of the Volusia TPO. Staff monitored the meeting to receive information regarding the upcoming 2040 Long Range Transportation Plan (LRTP). The LRTP is an important document that will be created with anticipation that Palm Coast, along with portions of Bunnell and unincorporated Flagler County, will become members of an expanded TPO planning area.

### Green Team

- The Palm Coast Parkway Median Landscape and Irrigation Improvement Project extends from Brushwood Drive westward all the way to U.S. Highway 1, approximately 0.6 miles. The project involved landscaping and irrigation. The work also improved the median tips by providing the City standard of colored, stamped concrete surfacing and curbing to preserve the shrubs and sod from vehicular damage. Large live oak trees 20-22' tall replaced and provided required mitigation for the declining laurel oak trees that were in these medians. Live oaks are a much longer lived and sustainable tree variety. Drought tolerant shrubs and ground covers were used and irrigation for the sod and plantings is being pumped from a nearby stormwater discharge canal. An old existing Palm Coast monument sign at the west end of the median was modified to conform to our new entry sign style at a fraction of the cost of the construction of a new sign. All work was done in-house by the Public Works Department with oversight by Community Development.

- Florida Department of Transportation (FDOT) is in the process of excavating the stormwater ponds in the four quadrants of the SR100/ I-95 Interchange in order to make them normally wet ponds. All work is being paid for by FDOT to correct a design problem that occurred when the interchange was improved several years ago. When the pond work is complete, the City will purchase and install one tri-tier, lighted fountain in each pond to improve water quality and make this entryway more aesthetically pleasing. The pond at the northwest quadrant is already complete and construction has now begun on the one at the southeast quadrant. Work is expected to be completed sometime this summer.

**Before – Southwest Quadrant**

**Construction – Southeast Quadrant**

**Finished Pond – Northwest Quadrant**

**CAPITAL IMPROVEMENT PROJECTS**

The following is an update since last week for capital projects in the City from February 13, 2014 through February 19, 2014.

<b>Road and Median Projects</b>			
Bulldog Drive Roadway Improvements	Construction	2%	Retention ponds along Bulldog being filled in. Shop Drawing submittals being reviewed. Direct Purchase Orders issued for several items.
<b>City Facility Projects</b>			
Holland Park	Design	99%	Meeting held to review concept plan for Playground & Splash Park design.
Indian Trails Sports Complex - Replace Scoreboards	Construction	30%	Concrete support posts to be delivered 2-21-14.

**Bulldog Drive Improvements**

## Animals ready for homes

149 cats

77 dogs

3  
Parakeets

2 rabbits

2 hamsters

1 rat

Prior to adopting a puppy or kitten, potential adopters should always do their research. Many people don't realize exactly how much work and time goes into raising puppies and kittens. A baby animal is much like an infant, and research will help to make potential adopters aware of their extensive needs. Puppies will need to be taught basic obedience and housebreaking and kittens tend to climb curtains and jump on counters. These are some of the many challenging aspects of owning of a young animal. FHS encourages research and avoiding impulse adoptions.

**Reminder:** 100 Realty donated "Doghouse Donation Boxes" that were placed at all the fire stations in Flagler County. If you can't make it to the shelter, donations can be dropped off 24/7 at your nearest fire station. We appreciate any and all donations that we receive, especially those from our Wish List (available at [www.flaglerhumane.org/wish-list](http://www.flaglerhumane.org/wish-list)). All items go to toward helping the animals, and anything that can't be used is sent to the FHS Thrift Shop for resale. Monies generated from the shop are used to offset costs at the shelter.

**Upcoming Events:** The Flagler Humane Society will be participating in the Career Fair at Flagler Palm Coast High School on February 27th from 8:00 AM to 2:00 PM. Representatives will be onsite to talk about non-profit career opportunities with the junior and senior students.

The FHS annual Bark and Bowl is scheduled for March 2nd from 6:00 PM to 9:00 PM at Palm Coast Lanes. The event usually sells out, so get your tickets today! Tickets can be purchased at the shelter, online, or at Palm Coast Lanes. Tickets are \$20 and include 3 games of bowling, shoe and ball rental, music with a DJ, and 1 beverage. For those that want to attend for the festivities but don't want to participate in the bowling, we are offering a \$10 non-bowler ticket. The event is 50s-themed so break out your best 50s attire!

**Big Thanks:** FHS wants to thank Scott Floyd of Freedom Cycles for an awesome event on Feb. 16<sup>th</sup>. Freedom Cycles of Daytona presented the 1<sup>st</sup> Annual Freedom Ride and Chili Cook-Off. Music was provided by Frank Roberts. One lucky biker found love with FHS kitty, Holly, and adopted her on the spot! Freedom Cycles of Daytona is located at 841 Ridgewood Ave in Holly Hill.

**Upcoming Outreach Events:** Don't forget that we have adoptable pets at the Farmer's Market in Flagler Beach every Friday and at PetSmart on Sundays. Come out and meet all the furry friends that FHS volunteer Howard Tessler brings for adoption.

**Public Announcements:** The Flagler Humane Society has a variety of subsidized or FREE spay and neuter programs for members of the community that need to have their pets or community pets sterilized. Please call FHS at 386-445-1814, email [info@flaglerhumane.org](mailto:info@flaglerhumane.org) for general questions, or email [pitbull@flaglerhumane.org](mailto:pitbull@flaglerhumane.org) for grant-specific questions that we can be of assistance to you.

## Pet of the Week

### FERN

Fern is a 2 year old neutered male that is super lovable and friendly. He gets along great with other cats and will be the submissive of the group. He has big fatty cheeks like a tom cat but does not have the personality of a tom. He is overly loving and enjoys being petted. He has a lot to say and will talk your ear off. He is up to date on all his vaccinations and is ready to move on to a loving home of his own. Come and meet him today!

#### **Adoption specialist:**

*Danielle Camic*

[dcamic@flaglerhumane.org](mailto:dcamic@flaglerhumane.org)

*(All adoptions and outreach)*

Information on events to benefit our homeless animals can be found on our website, [www.flaglerhumane.org](http://www.flaglerhumane.org).

## **INFORMATION TECHNOLOGY**

---

**TO :** Jim Landon, City Manager

**FROM :** Steve Viscardi, IT Director

**DATE :** 2/21/2014

**RE :** Week In Review

---

- Operations Division preparing bid for Flagler County School Board's WAN connectivity.

### **ENTERPRISE**

- Applications Division set up a backup plan for the new GIS databases after the GIS upgrade.
- Applications Division created the web page for the upcoming photo contest to start in March.
- GIS has upgraded its entire platform to ArcGIS 10.1 and upgraded servers as well. Application and data security has been reconfigured in accordance with Active Directory groups! It's been a long time coming and we couldn't be happier with the results. On the intranet / GIS maps menu you will now find a much longer list of available GIS application resources. Revamping our public-facing GIS library is next!
- Operations Division received 103 Track IT's this past week.
- Operations Division completed the roll out of new virtual machines to our cloud network.
- Operations Division performed a GIS server migration that will speed up and streamline the city's mapping systems.
- Operations Division completed preparing computer equipment for the Employee Purchase Program lottery. Winners were announced and are anxiously waiting pickup day.
- Operations Division worked with CodeRED to export the Utility Customer database. This will update the list currently being used and insure that more citizens have an opportunity to be notified in case of an emergency.

### **COMMUNITY DEVELOPMENT**

- GIS provided a map of tornado affected properties to permitting & zoning, in support of FEMA efforts.
- GIS also provided a map of Town Center Bicycle & Pedestrian Facilities in support of their maintenance.
- GIS provided a map of fire hydrants and water pipes in support of ISO evaluations

---

*Engineering & Stormwater Department*

*John C. Moden, City Engineer*

*Week In Review February 13, 2014 – February 19, 2014*

---

- **M-3 Water Control Structure Rehabilitation Project for 2014 (ITB-SW-14-01)**

Contract award to S.E. Cline Construction, Inc., in the amount of \$439,325. Demolition work nearly completed. Dewatering the area underway.

- **Stormwater Model Construction Improvements for Sections 35 and Section 37**  
Public Works continues construction on pipe & ditch improvements. Currently working on Burnaby Lane.

- **Stormwater Model Improvements Land Acquisition -** A proposal for the Section 37 land acquisition offer letter went out on 1-14-14, waiting on response from property owner. No change.

### Seminole Woods Multi Use Path Phase 1 – 60% Complete

Public Works continues on Phase 1 construction. Grading of right of way of southern segment continues. Concrete installation continues. Progress north of the Flagler Beach Water Treatment plant driveway will be delayed due to the relocation of the power poles in the area. Relocation of the poles has started and is progressing. Phase 2 design is 90% complete and has been submitted for permitting. The request to start the design for pole relocations for Phase 2 has been submitted to FPL. The FPL consent agreement is being prepared for submittal.

- **Palm Harbor @ College Waterway Bridge #62 Rehab Construction** – Commercial Industrial Corporation is the contractor. Contract amount is \$1,016,373.70. Sheet pile installation on abutments nearly 90% complete.

- **Colechester @ College Waterway Bridge #63 Rehab Design** - Council approved on 2-18-14 a work order for Stone Engineering Group to prepare the design and construction plans for bridge #63.

**Long Creek Nature Preserve Construction Phase 1 – 5% Complete**

Clearing continues nearly 90% complete. Grading to begin next week.

Bayside Waterway

**Aquatic Weed Control on  
Freshwater Canals**

Aquatic Management Plus, LLC continues herbicide spraying on the canals.

## ENGINEERING DEPARTMENT

### SURVEY TASKS:

Set 10 bench mark locations  
Surveyed for 2 new home construction driveway culvert and swales  
Surveyed for 4 driveway modifications  
Surveyed for 2 valley gutter installations  
Survey continues for the swale rehab project on Barkley Lane, 16 lots; Ethan Allen Drive, 5 lots; Wynnfield Drive 9 lots.  
Wood Center Lane - Assisted with soft digs on water and sewer lines for an underdrain swale redesign.

### REVIEWS PERFORMED

21 - Right-of-Way Permits  
12 - Project Reviews

### DESIGN WORK PERFORMED:

6 - Driveway swale designs  
4 - Valley Gutter installations  
Continuing Seminole Woods Multi Use Path Phase 2 design - 90% complete  
SR 100 Median Design  
Continuing work on the swale rehabilitation program

Swale Rehabilitation Projects Released for Construction - 5,000 LF released this week

## *Fire Department*

---

### **“A DAY IN THE LIFE” OF THE PALM COAST COMMUNITY CENTER:**

*Tuesday, February 18* – Our day started by greeting our dignitaries and guests who were arriving for the bi-monthly City Council Business Meeting. As the meeting was being conducted the aroma of waffles was drifting through the building as the 24 toddlers and their parents participated in the Little Chef’s program. Shortly thereafter, the exercise group, Wellness with Chrissy began their program and at 1pm the woodcarvers arrived with tools and wood in hand. Through this busy day the Sr. Staff Assistant helped 5 guests schedule their facility reservations, with a total of 11 reservations scheduled at various facilities through the City.

From Friday, February 14-Thursday, February 20, the Community Center welcomed 780 guests.

### **HIGHLIGHTS:**

*Lunch n’ Lecture* - On Wednesday, February 19 we hosted our monthly Lunch n’ Lecture series with guest speaker Dr. Leo Murphy. Dr. Murphy, of Embry Riddle Aeronautical University, had the 94 attendees riveted to their seats as he presented the Battle of Midway.

### **UPCOMING ACTIVITIES:**

#### **♦ *Toddlers***

*Playground Pals* –February 26, Playground Pals (toddlers ages 2-5 years) will meet at one of the City’s local parks for active play, arts, crafts and games. The second Playground Pals of the new-year will meet at the playground located at Waterfront Park, on Wednesday, February 26 at 1 pm. No fee, but pre-registration is required.

*Teddy Bear Picnic* – Monday, March 3 from 10 am-11 am at the Palm Coast Community Center, 305 Palm Coast Parkway, NE. Toddlers aged 2-5 will join Ms. Lauren for story time, crafts, games and snacks. **Free** to attend but children must be pre-registered.

*Munchkin Sports* – Held from Saturday, March 1-April 5 from 10-11 am at Ralph Carter Park located at 1385 Rymfire Drive. Toddlers, ages 2-5 years, will learn basic skills of soccer, baseball, golf, football and basketball. Pre-registration and payment of \$35 fee required

### ◆*Adults & Seniors*

#### *Game Day Social*

This relaxed social atmosphere allows our participants to meet new friends while enjoying the friendly competition of dominos, cards, or the game of their choice. Participants are encouraged to bring their own games to share with others. Held every Thursday from 1-4pm at the Palm Coast Community Center.

#### *Co-ed Athletics at ITMS, 5505 Belle Terre Parkway*

Basketball – Tuesday & Thursday nights through May 22 from 7-9:30pm. Pre-registration and payment of fee required prior to attendance. Registration held at the Palm Coast Community Center, 305 Palm Coast Parkway, NE.

Volleyball – Monday & Wednesday nights through May 21 from 7-9:30pm. Pre-registration and payment of fee required prior to attendance. Registration held at the Palm Coast Community Center, 305 Palm Coast Parkway, NE.

*Women's Self Defense Class* – Held for 3 consecutive weeks, begins on Monday, February 24 from 6-8 pm at the Palm Coast Community Center, 305 Palm Coast Parkway, NE. Instruction provided by Corporal Lutz of the Flagler County Sheriff's Office. Women will learn effective methods to ward off an attacker. Appropriate for ages 12 years and up. Pre-registration is required; **cost is free.**

*AARP Driver Safety Program* – Wednesday, February 26 from 9am-3:30pm at the Palm Coast Community Center, 305 Palm Coast Parkway, NE. Join the nation's first and largest course for motorists ages 50 and older. Pre-Registration and payment of \$20 fee required (AARP Member Discount \$15).

## Calendar of Events for 2/21/2014 through 3/31/2014

Date: February 20, 2014  
Re: Week in Review

- Temporary modification of the disinfection treatment procedure began on Monday and will continue until March 24th. Customers may notice an increase in the taste and odor of chlorine in their drinking water during that time.
- The average water demand for the week was 6.591 million gallons per day; average wastewater flow was 6.346 million gallons per day.
- Installed 20 new domestic meters, 6 new PEP tanks and replaced 1 PEP tank.
- Seminole Woods Multi Use Path (MUP) – Poured 1200 linear feet of sidewalk at the Seminole MUP, the concrete path between Utah Place and Water Treatment Plant access road has been completed. Swale work is in progress between Ulturn Trail and Utah Place and is 75% graded.
- This week 230 utility customers were shut off for non-payment.
- Inflow Infiltration crew cleaned 9,725', inspected via CCTV 14550' of gravity sewer and inspected 55 manholes.
- Palm Coast Parkway West gateway sign is now 100% complete.

#### *Palm Coast Parkway West Gateway Sign*

Because the old sign was structurally sound, crews were able to apply new stone facing, decorative trim, granite backing and new lettering to make the old sign look new.

- Beachside Pump Station and Sewer Force Main – Contractor continues working on punch list items.
- ZLD Water Treatment Plant #2 – Contractor has poured the east wall section of the ultra-filtration tank. Installation of steel framework continues on the dewatering building.
- Removed 4 old scoreboards at ITSC and installed 4 new pilings in preparation of the new scoreboards, to be installed next week.
- Mowing and Site Distance Trimming – Mowing Belle Terre and Palm Coast Parkway, site trimming in the “C” and “W” sections.
- Graded 6,657 feet of swales and cleaned 41 culvert pipes. Screened 1,500 cubic yards of dirt for recycling.
- Replaced 2 (90LF) pipe crossings located at West Cliff Lane and West Cedar Lane.
- Inmates mowed and weeded 27,600 linear feet of ditch in the “W” section, Rymfire Drive, Royal Palms Parkway, Old Kings Road North and East Hampton Drive.

**Feb. 17, 2014**

### **Palm Coast Fire Department honors year's top firefighters, fire police, associates**

**Palm Coast, Fla.** – Firefighter-Paramedic David Faust was named Palm Coast Fire Department Career Firefighter of the Year, and Lt. Paul Matarazzo was honored as Volunteer Firefighter of the Year at the Palm Coast Fire Department's Annual Awards Banquet on Feb. 15.

Fire Chief Mike Beadle was the speaker at the annual event at the Elks Lodge. Faust received the department's top award for his efforts to save the City \$30,000 in EMS costs in the annual budget. In addition to Faust and Matarazzo, nine other Fire personnel were honored for exceptional service and performance.

Fire personnel who responded to the Starlight Tornado in December also were awarded a tornado ribbon for their service in the emergency. Other awards given were:

- **Administrative Commendation Ribbon** – awarded to Firefighter-Paramedic Robert Ballou, for his work with the City Safety Committee and the tracking of injuries of firefighters in the performance of duty
- **Administrative Commendation Ribbon** – awarded to Capt. Mark Valentik and Lt. Kyle Berryhill, for their success in securing a \$96,000 state grant to purchase new cardiac monitors
- **Exceptional Duty Ribbon** – awarded to the Station 24 B Shift squad of Lt. Jennifer Cohen, Firefighter-EMT Chris Cottle and Firefighter-Paramedic Eric Robinson, for going above-and-beyond to cheer a mourning resident on her birthday
- **Fire Police Officer of Year** – awarded to Fire Police Officer Bob Hudak
- **Fire Associate of Year** – awarded to John Pascucci
- **Most Improved Volunteer Firefighter** – awarded to Anthony Darkes

“Congratulations to this year's winners! This annual event is extra special, as most of the awards are employee-driven, selected by an awards team based on letters of recommendation submitted throughout the year,” Beadle said. “This year was somewhat larger in that we also recognized those who assisted with the tornado response. We have many other City employees that we will recognize and thank through their respective departments this spring.”

For more information, contact Cindi Lane, communications and marketing director, at 386-986-3708.

### **City of Palm Coast begins Bulldog Drive improvements; detour to start Feb. 24**

**Palm Coast, Fla.** – The City of Palm Coast has started improvements to Bulldog Drive, to address traffic safety and stormwater issues. Traffic detours will go up Monday, Feb. 24, and be maintained throughout construction, which is expected to be completed in fall 2014.

This major project will include a two-lane reconstruction of Bulldog Drive, with a northbound left turn lane into Flagler Palm Coast High School. The traffic signal at State Road 100 and Bulldog Drive will be replaced, and turn lanes will be added on SR 100. The main entrance to the high school will be moved, and the internal traffic/bus circulation of the high school site will be modified as needed for the improvements on SR 100 and Bulldog Drive. The City has hired P&S Paving Inc. of Daytona Beach for this project.

Public access to the high school and local businesses will remain accessible for the duration of construction. However, the roadwork will require closure of Bulldog Drive to “through traffic,” and drivers headed to the Central Park area of Town Center should take alternate routes. Signage will be posted, and a detour route will be clearly marked.

The City asks for the cooperation and patience of residents as this important traffic safety and stormwater project is completed.

For more information, please contact Cindi Lane, communications and marketing manager for the City of Palm Coast, at 386-986-3708.

**Daddy Daughter Dance, set for March 1, to be ‘A Night with the Stars’**

**Palm Coast, Fla.** – Dads and their little girls will be treated like stars at the Hollywood-themed “Daddy Daughter Dance” to be held 6-9 p.m. Saturday, March 1, at the Palm Coast Community Center, 305 Palm Coast Parkway NE.

“A Night with the Stars” is the theme for this year’s popular dinner-dance for fathers and daughters – and the Parks and Recreation Department will be rolling out the red carpet for all the guests.

Tickets are now on sale: \$25 for dads; \$20 for daughters. The price includes dinner, and the cost for the dad’s ticket includes a professional photo to be taken at the dance.

Sign up at [www.palmcoastgov.com](http://www.palmcoastgov.com) (search for “activities”) or in person at the Community Center.

For more information, call Parks and Recreation at 386-986-2323.

**Feb. 21, 2014**

**Celebrate World Tennis Day at the Palm Coast Tennis Center on March 8**

**Palm Coast, Fla.** – Explore the sport of tennis – free of charge – at a celebration of the 2<sup>nd</sup> Annual World Tennis Day from 10 a.m. to 2 p.m. Saturday, March 8, at the Palm Coast Tennis Center, 1290 Belle Terre Parkway.

Programs will be offered for adults and juniors. The day's schedule will be:

- 10–10:30 a.m. – Introduction and Warm-up
- 10:30–11 a.m. – Cardio Tennis
- 11 a.m. to noon – Drills & Games
- Noon–12:30 p.m. – Hit for prizes
- 12:30–1:45 p.m. – Round Robin/Match Play
- 1:45–2 p.m. – Wrap up

There will also be open courts for play, a ball machine on a court, and a court where players can see how fast their serve is. This will be fun day of tennis for all ages and skill levels!

World Tennis Day was launched by the International Tennis Federation (ITF) and StarGames in March 2013 with the goal of promoting the sport of tennis and increasing tennis participation among young players around the globe. Last year, World Tennis Day activities took place in 58 countries. The 2014 World Tennis Day will be even bigger, with high-profile special events in New York, Hong Kong and London, and hundreds of smaller events – including Palm Coast's – around the world.

Tennis is the sport for a lifetime – serving up a great way to remain active, practice mental alertness, and get cardio exercise from childhood through the senior years.

For more info, visit [www.PalmCoastTennisCenter.com](http://www.PalmCoastTennisCenter.com) or call 386-986-2550.
