City Hall Groundbreaking

Hundreds of Palm Coast residents gathered October 29 to celebrate a historic moment – the groundbreaking for our new City Hall. Under gorgeous blue skies, the crowd looked out onto Central Park and Town Center, where stakes had been placed at the four corners of what will become the new building. The Mayor and City Council joined with others for the ceremonial tossing of the dirt with gold shovels. Mayor Jon Netts called it an “epic moment” for Palm Coast. “Our new City Hall will become our own symbol of friendship and diversity, connecting public servants to Palm Coast as the community that we love, the place where we’ve always counted on each other in very special ways,” he said. Construction will start soon!

Boo Bash

Held on Friday, October 24 at Belle Terre Park, the Halloween Boo Bash saw over 1,000 ghouls and goblins enjoying a variety of bounce houses, the costume contest; carnival style games, sand art, food and lots of fun. The Halloween Boo Bash was brought to the community by the City of Palm Coast and Wadsworth Elementary.

Animals ready for homes

Flagler Humane Society would like for you to keep an eye out for one of our “feral” cats, Rocco. He is a large tiger colored cat with a raccoon striped tail. He went missing from our facility sometime last week. He is greatly missed. He is a member of the Blue Moon Cat Sanctuary and they would like for him to come home. They are offering a \$500 reward for his safe return. Rocco is notorious for trying to get into cars and we are afraid that this is what may have happened. Please help us bring Rocco home.

Donation Opportunities: “Doghouse Donation Boxes” are found at all the fire stations in Flagler County. You can drop off donations anytime at your nearest fire station. FHS appreciates all donations, especially those from our Wish List (available at flaglerhumanesociety.org/wish-list). You can also purchase items via the Amazon.com link on the FHS website and ship them directly to the shelter.

FHS Thrift Store is now taking furniture in good condition for resell. Drop offs can be made at the back of the store during store hours only. We appreciate all donations and ask that they be clean and in working order before drop off. We have limited access to washers/dryers and sinks. Every little bit helps and we accept everything except large appliances.

Outreach Adoption Events: Don’t forget that FHS have volunteers and adoptable pets at the Farmer’s Market in Flagler Beach every Friday and at PetSmart in Palm Coast every Sunday. Come and see Howard and his crew to adopt your next furry family member!

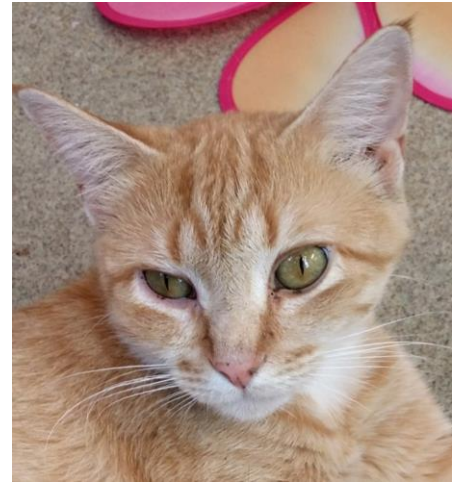

Successful Fundraisers/Events: We appreciate everyone that came to this past month’s “Howl-O-Ween” Yappy Hour hosted by Turtle Shack Café. Everyone enjoyed an extra HOUR of fun! There were prizes and costumes galore. The night was a great success!

Upcoming Fundraisers/Events: Don’t forget to come out to the shelter for the “Certified Pre-Owned Pet Event and Walk”. We are partnering with Palm Coast Chrysler Dodge Jeep Ram for the event on November 8 from 10am-5pm. There will be free adoptions, food, music, games and entertainment. This will also be the Rain Date for the Fast & Furriest Walk participates! The walk will begin at 11am. PetSmart representatives will be onsite with free goodies for adopters. Check the FHS website and Facebook page for more details.

Also on November 8 from 6 pm – 8 pm, the Flagler County Art League presents “Walk with the Animals”. Stop by for the open reception. The event runs from November 8 to December 10. See website for more information – www.flaglercountyartleague.com
Save the Date for the FHS third annual “Putt for Paws” on December 7 and hosted by Palm Harbor Golf Club. You can register until November 25 but don’t wait too long – spots fill up fast! The cost of registration is \$65 per person. Visit www.PalmHarborGolfClub.com/HumaneSociety for more information.

Public Announcements: The Flagler Humane Society has a variety of subsidized or FREE spay and neuter programs for members of the community that need to have their pets or community pets sterilized. Please call FHS at 386-445-1814, email info@flaglerhumanesociety.org or pitbull@flaglerhumanesociety.org for questions.

City of Palm Coast to celebrate opening of Long Creek Nature Preserve

Palm Coast – The City of Palm Coast will hold a ribbon-cutting ceremony to celebrate the opening of Long Creek Nature Preserve at 1 p.m. Monday, Nov. 3. The public is encouraged to attend.

Long Creek Nature Preserve is located at 1050 Palm Harbor Parkway. The event will include remarks by Mayor Jon Netts, Flagler County Attorney Al Hadeed and others, and a celebratory ribbon-cutting. Light refreshments will be served. Attendees will have the opportunity to explore the new park.

Phase 1 of the project included construction of a path and boardwalk to new canoe/kayak launches into Long Creek and College Waterway, installation of shoreline stabilization along College Waterway, construction of a fishing pier along College Waterway with floating dock for boat mooring, and an entrance to the site with a parking area. The \$1.46 million project was being funded by the City of Palm Coast and the Florida Inland Navigation District. The contractor was Saboungi Construction Inc.

The Long Creek Nature Preserve is about nine acres in size, connected to the 225-acre Long Creek Basin. The nature preserve property was purchased in 2008 with grants from Florida Community Trust and the Flagler County Environmentally Sensitive Lands Program. The Long Creek Basin property was donated to the City.

Located between neighborhoods that border Long Creek and Big Mulberry Branch Creek natural corridors, the new nature preserve provides access to the City's saltwater canal system, and eventually facilitate access to the Pellicer Creek Aquatic Preserve and other regional attractions. Its natural beauty will be a living laboratory for environmental education programs, including for the Children Helping in Resource Protection – or CHIRP – program, offered by the City of Palm Coast for Flagler schoolchildren.

A major archeological resource, the Hernandez Landing Site, relates to the early 1800s Plantation Period in Florida and is located just east of the project site on City-owned property. This resource is slated for enhancements in a later phase of the project, and its interpretation will convey the history of the landing site and its importance in regional and statewide history. The City also plans to build an Environmental Education Center at the preserve in the future.

Dear Mayor and Council Members:

This notice is to inform our Bright House Networks customers of upcoming changes to their cable programming lineup.

From time to time our agreements with cable channels and television stations come up for renewal. While we do not anticipate any loss or disruption of service, regulations require us to notify you of the possibility of losing programming. Therefore, please be advised that our agreements with NHL Center Ice, NHL Network, Outdoor Channel, Youtoo, and Zap2it remain in effect on a month-to-month basis, but we may have to cease carriage in all formats if our authority to continue is withheld.

We are working diligently at this time to come to acceptable and fair terms with all these channels.

If you have any questions, please contact Joe Cordaro, Senior Director/General Manager of Operations for your area. Information on our services is available on our website at www.brighthouse.com.
