PLANNING

Protea Senior Living Assisted Living Facility was approved by the PLDRB on January 20, 2016. This development was approved as a Tier 2 Technical Site Plan. The ALF will be an 82 unit 100-bed ALF on an approximately 6 acre portion of an 18.67 acre parcel of land located south of Forest Grove and west of Palm Harbor Boulevard, .4 miles east of North Old Kings Road. The balance of the tract, approximately 12.76 acres, will remain a mixed wetland hardwood area. The wetland area will serve as a natural buffer to the residences to the south. The ALF includes numerous amenities within a well-designed facility and site.

CONSTRUCTION MANAGEMENT & ENGINEERING

The following is an update since last week for projects in the City from March 3, 2016 through March 9, 2016

	Projec	ts Under Construction

Animals ready for homes

The Flagler Humane Society would like to remind pet owners that as your furry friend gets older you need to make sure to schedule those annual visits. The veterinarian may pick up on things that we miss because we see them every day. As pets age, quality of life checks are mandatory in making sure that your pet is not suffering and that you are doing everything you can to make them comfortable as they age. FHS offers a wellness clinic (by appointment) that can conduct these quality of life checks. Many times we don't notice that our pet is stiff from arthritis or that some joints are swollen but a fresh set of eyes can detect it.

Donation Opportunities: The Flagler Humane Society Thrift Store are always taking in donations. They currently cannot take in any computers/printers or large appliances at this time. Call 386-597-2839 and leave a message.

"Doghouse Donation Boxes" are found at all the fire stations in Flagler County. You can drop off donations anytime at your nearest fire station. FHS appreciates all donations, especially those from our Wish List (available at flaglerhumanesociety.org/wish-list). You can also purchase items via the Amazon.com link on the FHS website and ship them directly to the shelter.

Outreach Adoption Events: Don't forget that FHS have volunteers and adoptable pets at the Farmer's Market in Flagler Beach every Friday and at PetSmart in Palm Coast every Saturday and Sunday. If you are interested in volunteering at these events, please contact Katie at <u>kshare@flaglerhumanesociety.org</u>.

Adoption Specials: Check the FHS Facebook for a surprise St. Patrick's Day Adoption Special. It will only be publicized on Facebook so make sure to "Like" the page!

Upcoming Fundraisers/Events: Save the date for the FHS 2nd Annual Pet Fair and Adoption Event! It is scheduled for May 7th hosted by PetSmart on SR 100. There will be numerous animals for adoptions along with vendors and yummy food. Put the date on your calendar so you don't miss it!

Public Announcements: The Flagler Humane Society has a variety of subsidized spay and neuter programs for members of the community that need to have their pets or community pets sterilized. Please call FHS at 386-445-1814, email info@flaglerhumanesociety.org for questions.

FHS has a wellness clinic for minor veterinary issues. Call 386-445-1814 for Appointments. Low Cost Vaccination Clinics will still be held on the 1st and 3rd Saturdays of every month from 1pm-3pm. No appointments are necessary for the Low Cost Vaccination Clinics.

FHS also offers a "Pet Food Pantry" for those that are in need of assistance. Please call for more information.

To keep up with Flagler Humane Society happenings – visit us on the FHS Facebook/Twitter, our website at <u>www.flaglerhumanesociety.org</u>, or via email at <u>info@flaglerhumanesociety.org</u>.

Pet of the Week

DAISY

Daisy is a 7-year-old Lab/Terrier mix. She is already spayed and up to date on all her vaccinations. She is microchipped and ready for a home. She gets along with other dogs and wouldn't mind a 4

legged companion. She is a sweet girl that could stand to lose a few pounds. She would love for you to come and see her today!

Adoption specialist:

Danielle Camic dcamic@flaglerhumanesociety.org (All adoptions and outreach)

Information on events to benefit our homeless animals can be found on our website, www.flaglerhumanesociety.org

Fire Department

To: Jim Landon, City Manager

From M. C. Beadle, Chief

Date: March 10, 2016

Re: Week in Review

In the past week, the department responded to 177 calls. There were three structure fires and two were mop up calls. A total of 126 EMS calls were logged and the balance was miscellaneous in nature. The drought index is at 129 out of a possible 800 and the fire danger is high.

The Deputy Chief made a presentation to City Council regarding future EMS Operations.

Chief and Deputy Chief participated in an 800 MHz Radio Team meeting.

Chief met with TV 199 personnel concerning a future public safety announcement (PSA).

All crews attended flash over training at the County training facility in Bunnell.

Parks & Recreation

To: Jim Landon, City Manager

From: Luanne Santangelo, Parks and Recreation Director

Date: March 11, 2016

Re: Week in Review

FEATURED EVENTS:

Movies in the Park - Friday, March 11 with our special event "Touch a Truck" starting at 5pm. Our feature presentation "Max" will begin at 7:45pm. Held at Central Park in Town Center.

To kick-off the new season of Movies, the first Movie in the Park will host a special event "Touch a Truck". Kids of all ages will be able to get close to and climb on some of those big machines we see being used every day. Participants will be able to touch a: dump truck, excavator, ladder engine, police car garbage truck and much more. Our participants include the City of Palm Coast Public Works and Fire Departments, Flagler County Sheriff's Office and Waste Pro. The evening will also feature a K-9 demonstration by the Flagler County Sheriff's Office. All the fun begins at 5pm. Refreshments available for purchase. Guests should bring their own lawn chairs and blankets and bug spray.

Movies in the Park is held on the second Friday of each month from March to October. Our next presentation will be held on Friday, April 8 featuring "Paddington Bear".

NCCAA Sports Clinic - Saturday, March 12 beginning at 9:30am. Started in 2011, Palm Coast's Parks & Recreation Department partnered with the National Christian College Athletic Association (NCCAA) to offer free sports clinics for our City's young athletes. Every March, students and coaches from Southeastern University in Lakeland, Florida volunteer to visit Palm Coast to instruct our children on soccer, volleyball, baseball, golf and basketball skills. Our little athletes develop stronger fundamentals and acquire confidence in their abilities to move on to the next level in their lives. Golfers practice at the Palm Harbor Golf Course and sports games are held at the Indian Trails Sports Complex. Pre-Registration required. Visit www.palmcoastgov.com.

Spring Break Camp - Held **Monday-Friday, March 14-18** at the Palm Coast Community Center. Kids in grades K-8 will enjoy fun-filled days with active games, creative crafts, and challenging competitions. Our field trip this week will take participants to a local park to explore our natural environment. The camp day begins at 9am and ends at 4:30pm with before and after care available for our working parents. Pre-Registration is required. Visit <u>www.palmcoastgov.com</u>.

Food Truck Tuesday – Tuesday, March 15 from 5-8pm. There's no better way to attract visitors to our Central Park than food! Food truck vendors set up their traveling kitchens along the street (next to City Hall) on the third Tuesday of each month, inviting visitors to sample some really great cuisine. Examples over the years have included everything from fresh lobster rolls and Caribbean, Cuban and bar-

b-que main courses to fresh soups and decedent desserts. Proceeds from these food truck Tuesdays benefit various local non-profit organizations.

UPCOMING ACTIVITIES:

Adults & Seniors

Game Day Social - EXPANDED VERSION

Now held two days per week, our Game Day Social commences **every Tuesday and Thursday** from 12:30-4pm at the Palm Coast Community Center. This relaxed social atmosphere allows participants to meet new friends while enjoying the friendly competition of dominos, cards, or the game of their choice. Participants are encouraged to bring their own games to share with others. Light refreshments served.

Co-ed Athletics at ITMS, 5505 Belle Terre Parkway

Basketball – Tuesday & Thursday nights held through May 19 from 7-9:30pm. Pre-registration and payment of fee required prior to attendance. Registration held at the Palm Coast Community Center, 305 Palm Coast Parkway, NE.

Co-ed Athletics at BTMS, 4500 Belle Terre Parkway

Volleyball –Monday & Wednesday nights through May 18 from 7-9:30pm. Pre-registration and payment of fee required prior to attendance. Registration held at the Palm Coast Community Center, 305 Palm Coast Parkway, NE.

Pickleball

Join us at Belle Terre Park on **Wednesdays** (from 6-8pm) and **Fridays** (from 11a-1p) to enjoy one of the fastest growing sport in North America. Pickleball is sport for all ages. Played with small racquets and whiffle balls, this game is perfect for all ages. Equipment is available for rent and will be provided on the days and times above.

Wood Carvers

The art of woodcarving has a history that spans centuries. At its core, woodcarving transforms a piece of wood into a masterfully crafted work of art. Join this group of gifted carvers as they share their skill and know how in this informal teaching atmosphere. **Held every Tuesday** from 1-4pm at the Palm Coast Community Center, this woodcarving group is comprised of men and women at all levels and abilities. Visitors are welcome and encouraged to attend.

Lunch N' Lecture – "Florida's Geology and Natural History" presented by Senior Lecturer of University of North Florida, Andrew Beall. Presented on **Wednesday, March 16** from 11a-12:30p. Free to attend but pre-registration is required. Mr. Beall will give an outline of Florida's history, where it came from and how it developed. The presentation will touch on the origin of Florida's natural resources and provide information on finding and identifying local fossils.

♦ Discover Trips

Quilt Festival & Museum (Activity #10908)

To: Jim Landon, City ManagerFrom: Richard Adams, Utility DirectorDate: March 10, 2016Re: Week in Review

- Temporary modification of the disinfection treatment procedure from chloramines to free chlorine will continue through March 23rd. Customers may notice an increase in the taste and odor of chlorine in their drinking water during this time.
- The average water demand for the week was 8.273 million gallons per day; the average wastewater flow was 5.715 million gallons per day.
- Crews installed 3 new domestic water meters and installed 1 dewatering system.
- There were a total of 57 calls after hours.
- This week there were 288 disconnects for non-payment.
- On Wednesday, while wet tapping the 6" water main on Blyth Court, the water main split affecting 35 homes for approximately 3.5 hours while the repair was made.
- Installed constant flow stations for water quality to main disinfectant residual.
- Wastewater crews inspected via CCTV, 6,658 feet of gravity sewer and inspected 29 manholes.
- Water Distribution crews replaced 2 water services lines (retrofits), tested and repaired 230 backflow preventers and changed out damaged 2" reclaim meter and pit.

Annual Progress Report showcases City of Palm Coast's many accomplishments in 2015

Palm Coast – The City of Palm Coast has released the Annual Progress Report for 2015, an overview of accomplishments, achievements and progress based on the goals set by the Palm Coast City Council.

The report is now available online at <u>www.palmcoastgov.com/progress-report</u>, or members of the public may now request a printed copy.

The Annual Progress Report includes a section on each of the six goals: Expansion, Economic, Finance, Environmental, Quality of Life, and Workforce Talent, along with results from the annual Citizen Survey. This year, there is a special report on the opening of the new Palm Coast City Hall.

Among the accomplishments highlighted in the report are completion of the six-laning of 1.23 miles of Palm Coast Parkway, the third phase of the Seminole Woods Multi-Use Pathway, two major water treatment projects, and safety improvements on Royal Palms Parkway. The report also provides updates on various projects that are still underway.

The report provides an update on the local economy, including the upward trend in building activity, employment, and revenues from sales taxes, bed taxes and building permits. It highlights new construction and the Palm Coast Business Assistance Center's new retail recruitment strategy to help attract retailers and other commercial entities to our community.

The report also celebrates awards received by the City, including Mayor Jon Netts receiving the Regional Leadership Award from the Northeast Florida Regional Council. It provides information on our improved ISO rating for fire safety and our improved rating for Palm Coast's floodplain management activities.

There are sections on quality of life and the environment, especially showcasing the City's recertification in the Florida Green Building Coalition's Gold Level Certification for local governments' environmental practices and programs in pursuit of long-term sustainability and environmental stewardship.

For more information or to request a printed copy of the Annual Progress Report, please contact Palm Coast Communications & Marketing Manager Cindi Lane at <u>clane@palmcoastgov.com</u> and 386-986-3708.
