Hurricane Matthew Cleanup Continues

City crews and our contractor continue the cleanup in the aftermath of Hurricane Matthew. To date, debris removal is measured at 80,832 cubic yards or 2,514 dump truck loads. The first round of debris cleanup is expected to be complete by Sunday, Nov. 6 with the second pass scheduled to begin Monday, Nov. 7. Residents are encouraged to put remaining hurricane debris curbside as quickly as possible especially if your neighborhood was among the first to be picked up after the storm. See the Public Works Department Update attached for more on City cleanup.

We Honor Your Honor – The City and our community Honor Mayor Jon Netts

It was a night of honors and surprises as the community celebrated Mayor Jon Netts' 16 years of public service to the City of Palm Coast at a reception at City Hall on Thursday. Residents and elected officials, led by Council Member Jason DeLorenzo, lined up to share stories honoring the Mayor, and Congressman Ron DeSantis presented a certificate. Former Mayor James Canfield issued a proclamation, and current and former Council Members presented the Mayor with a clock that read "Thank you for being our anchor" and flowers for First Lady of Palm Coast Priscilla Netts. Residents in attendance enjoyed a slide show of hundreds of photos from Mayor Netts' life, especially his years as a Council Member and then Mayor of Palm Coast, and the evening closed with a special video from the Mayor's days as a radio DJ at Princeton University: <https://youtu.be/viXWv3wiMrg>. A major highlight of the evening was Fire Chief Mike Beadle's announcement of the City's new fire truck being named "Mayor Jon Netts." Mayor Netts' term wraps up Nov. 15 when Mayor-Elect Milissa Holland will be sworn in.

Over 2200 visitors enjoyed the annual Hall of Terror held at Palm Coast's Fire Station 21 this past week. Volunteers transformed the station into the City's only free haunted house. For more information, see the Fire Department Update below.

Florida Forever Grant:

As part of St. Johns River Water Management District (SJRWMD) permitting conditions and Florida Forever grant requirements, staff annually reports on the management of exotic and invasive species at Long Creek Nature Preserve. As part of the City's intern program, Ms. Jordan Myers collected data, documented photographs, and drafted the necessary documents to satisfy SJRWMD annual reporting condition. City staff was recently notified that these activities continue to meet the SJRWMD permit conditions. For more information, see the community Development Department Update below.

PLANNING

Development Order Issued for RaceTrac Remodel at 301 Palm Coast Parkway NE on October 28, 2016

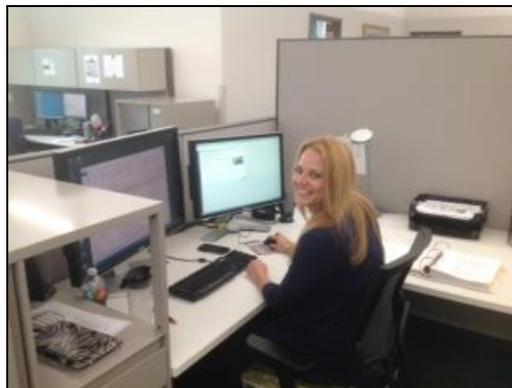

The existing RaceTrac convenience store at 301 Palm Coast Parkway NE with gas pumps has received approval for a building remodel that includes a new outdoor seating area for restaurant patrons, new exterior building elevations, interior updates, and new landscaping.

Planning Division welcomes two new Planning Technicians

We are pleased to introduce Alisha Mobley and Teresa Williams to the City of Palm Coast Planning Division. Alisha and Teresa bring much experience from both the private sector and local government to our City. With their help, we will continue to improve our Customer Service, zoning reviews and provide support for our entire division. We are very fortunate to have both of them on our team.

Update on the Florida Forever Grant

As part of St. Johns River Water Management District (SJRWMD) permitting conditions and Florida Forever grant requirements, staff annually reports on the management of exotic and invasive species at Long Creek Nature Preserve. As part of the City’s intern program, Ms. Jordan Myers collected data, documented photographs, and drafted the necessary documents to satisfy SJRWMD annual reporting condition. Public Works oversees the annual treatment of Brazilian pepper within the park. Ms. Myers worked closely with Public Works on the overall activity and necessary documentation data. City staff was recently notified that these activities continue to meet the SJRWMD permit conditions. The received letter from SJRWMD notes that “the report and recent site visit verify that the site is progressing well. Please continue preventative maintenance of the mitigation area by controlling invasive plant growth, which helps establish native plant communities.”

Animals ready for homes

One Holiday down with more to come! Time to gear up for the Thanksgiving season. This is a time to give thanks for all the many positive things in our lives. We at the Flagler Humane Society are forever thankful to all our adopters who have given homes to those animals that would otherwise not had one. We would like to remind the community that the shelter is a not for profit and relies on the generosity of the people who reside in Flagler County. We would not be able to survive without you!

Donation Opportunities: The *Flagler Humane Society Thrift Store* always accepts donations. They cannot take in any computers/printers or large appliances. Call 386-597-2839 and leave a message.

“*Doghhouse Donation Boxes*” are found at all the fire stations in Flagler County. You can drop off donations anytime at your nearest fire station. FHS appreciates all donations, especially those from our Wish List (available at flaglerhumanesociety.org/wish-list). You can also purchase items via the Amazon.com link on the FHS website and ship them directly to the shelter.

Outreach Adoption Events: Don't forget that FHS have volunteers and adoptable pets at the Farmer's Market in Flagler Beach every Friday and at PetSmart in Palm Coast every Saturday and Sunday.

Interested in becoming a volunteer? Attend at volunteer orientation that are held at noon in the Humane Society education room every second Saturday of the month. We would love to see you there!

Interested in helping at Outreach Adoption Events? Join the SPOT Team and help to find homeless animals loving homes. If interested, email kshare@flaglerhumanesociety.org.

Adoption Specials: See the FHS Facebook and Website for Upcoming Adoption Specials.

Upcoming Fundraisers/Events: Save the date for the FHS Holiday Cocktail Party hosted by Europa at European Village on December 8th at 6pm. A \$75 donation gets you a full dinner with drinks. We have a lot of great silent auction items. Reserve your spot by calling Lynn at 386-679-8829.

Public Announcements: The Flagler Humane Society has a variety of *Subsidized Spay & Neuter Programs* for members of the community that need to have their pets or community pets sterilized. Please call FHS at 386-445-1814, email info@flaglerhumanesociety.org for questions.

FHS has a *Wellness Clinic* for minor veterinary issues. Call 386-445-1814 for Appointments. *Low Cost Vaccination Clinics* will still be held on the 1st and 3rd Saturdays of every month from 1pm-3pm. No appointments are necessary for the Low Cost Vaccination Clinics.

FHS also offers a “*Pet Food Pantry*” for those that are in need of assistance. Please call for more information.

To keep up with Flagler Humane Society happenings – visit us on the FHS Facebook/Twitter, our website at www.flaglerhumanesociety.org, or via email at info@flaglerhumanesociety.org

Pet of the Week

SUSIE Q

Susie Q is a sweet kitty with the most beautiful eyes ever! She is approximately 2 years old but we don't know for sure because she came to us as a stray. She is spayed and will be current on vaccinations and microchipped. She is housed with other cats so we think that she would enjoy the company of another feline friend.

Re: Week in Review

In the past week, the department responded to a total of 179 calls. There were three fire calls. We responded to two vacant lot wildland/brush fires and one vehicle fire. A total of 132 EMS calls were logged and the balance was miscellaneous in nature. The drought index is at 245 out of a possible 800 and the fire danger is low.

Last week Deputy Chief Forte and Cynthia Schweers went to the City of Ormond Beach and presented a Matrix Program for Emergency Response and how Customer Service related issues were handled.

We want to welcome a new fire department baby! Congratulations to Lt. Jenn Fiveash and her husband on their new addition! Conner Dale Fiveash was born on November 3rd, weighing 8 pounds and 11 ounces.

The Fire Department held the Annual 2016 Hall of Terror from October 29th to 31st. There were 2200 people who attended. Thank you to everyone who volunteered their time to make this event a success! A lot of hard work and dedication goes into each stage of planning this event.

Re: Week in Review

- Staff continues to work with Public Works on storm recovery including debris removal, facility repairs and system repairs.
- The average water demand for this week was 8.074 million gallons per day. The average wastewater flow was 6.086 million gallons per day.
- Crews installed 6 new domestic water meters, 1 new PEP tank and 1 dewatering system.
- There was a total of 82 calls after hours.
- There were 115 disconnects for non-payment this week.
- Wastewater crews repaired 1 service lateral and installed 5 new pep pumps, 5 electric assemblies and 1 riser. They also replaced 44 pep pumps, 45 floats, 2 replacement valves, 2 valve boxes, 11 pep panels, and 18 cleanout caps.
- Water distribution crews replaced 6 meter pit manifolds and repaired and tested 102 backflow preventers. There was one water main break at 10:45 AM on Selma Trail the 6" water main split while wet tapping for a new water service line. This affected 25 homes for approximately 4 hours this also affected Selden Court.
- Water Treatment Plant 1 – Installed 2 new data loggers into 2 new monitoring wells.
- Water Treatment Plant 2 - Completed the building of the MIT (Membrane Integrity Tank) including stand. This tank will be used to determine if there are any fibers inside the Ultrafiltration Modules that are compromised. The membrane manufacturer wanted to supply a tank at \$5000 + charge. Our staff built the tank and stand for less than \$200.00.
- Water Treatment Plant 3 - Crews repaired an 8" raw water main for phase 2 wellfield.

City of Palm Coast announces Eastern Standard Time watering restrictions

Palm Coast – The Palm Coast City Council has adopted a landscape irrigation policy for Eastern Standard Time, aligning with the restrictions issued by the St. Johns River Water Management District.

From **Sunday, Nov. 6, 2016, through March 12, 2017**, residential and non-residential (business) consumers may water lawns and shrubs according to the following provisions:

- 1 – **Irrigation is limited to one day per week**
- 2 – Odd-numbered residential addresses irrigate on Saturday
- 3 – Even-numbered residential addresses irrigate on Sunday
- 4 – Non-residential (businesses) irrigate on Tuesday
- 5 – Users of private irrigation wells may irrigate at any time on their designated day except between the hours of 10 a.m. and 4 p.m.
- 6 – Users of the City's water system for irrigation may water only between midnight and 10 a.m. on their designated day
- 7 - Irrigation is limited to $\frac{3}{4}$ inch of water per irrigation zone and to no more than one hour per irrigation zone
- 8 – Hand-held hoses equipped with automatic shut-off nozzles and drip systems/bubblers are allowed at any time
- 9 – The use of reclaimed water is allowed at any time, but when reclaimed water is available, the use of private irrigation wells is not authorized

These restrictions apply to water withdrawn from ground or surface water, from a public or private well or pump or from a public or private water utility. They do not apply to irrigation using reclaimed water or stormwater. Restrictions and exceptions can be found on the City of Palm Coast website at www.palmcoastgov.com. Search for "watering restrictions."

Palm Coast expects to finish 1st pass of residential debris collection by next week

Palm Coast – The City of Palm Coast is about 80 percent complete with its first pass through residential neighborhoods to collect debris from Hurricane Matthew, and expects to finish that first round of cleanup by next week.

There are still portions of the C, B, W, R, S and U sections that have not been finished, and those streets are the highest priority for this week and next week.

Once the first pass of public residential streets is complete, a second pass will begin to collect additional hurricane debris that has been placed at curbside by residents. The City and its contractor will continue to pick up debris seven days a week.

The City is tracking the debris removal process to ensure no public streets are missed in the debris collection process. If you live on a private street within a gated community, contact your Homeowners Association to determine its plans for removing the debris out of the private neighborhood. When requested by a Homeowners Association, the City is assisting in coordinating Waste Pro services in the cleanup effort in gated communities.

Also after that first round along residential streets is finished, the City will make a one-time special collection of debris left curbside by commercial properties in Palm Coast. Commercial properties are normally required to remove their own debris, and are encouraged to do so now. But because of the emergency nature of the hurricane and the potential safety problems related to having debris alongside roadways, the City has decided to conduct a one-time special pickup of the debris now stacked along the curb at commercial properties, including businesses, condos and apartments. After that, it will be strictly the property owner's responsibility to remove debris from alongside the roadways at their commercial properties.

By the time the cleanup is finished, the City anticipates it will have collected nearly 150,000 cubic yards of hurricane debris. Due to the large volume, and based on the rate of collections thus far, the City is hopeful the debris cleanup can be fully completed before Christmas. As of Wednesday evening, Nov. 2, 2,514 loads had been picked up, equating to more than 80,832 cubic yards.

As it's collected, the debris is being taken temporarily to a City-owned parcel of land on U.S. 1 between Palm Coast Parkway and Matanzas Woods Parkway. Because of the trucks and other

heavy equipment on-site, and because of the massive size of the debris piles, the public should stay off that property until the debris has been removed.

During the cleanup operation, the Shell Trail between Indian Trails Middle School and Belle Terre Elementary School will remain closed between U.S. 1 and Belle Terre Parkway. The temporary debris storage site is adjacent to the hiking trail, which runs through Hulett Swamp.

The City appreciates residents' patience as this big job continues. The pickup is being handled by a City contractor, CrowderGulf, which is picking up loose piles of vegetative debris such as tree branches and loose piles of construction and demolition materials such as roof shingles and fence sections; by Palm Coast's regular trash hauler, Waste Pro, which is collecting yard debris that has been bagged or placed in cans; and by City Public Works crews.

To expedite debris removal from residences and businesses, the City asks residents to help by separating everything at the curb into the following categories:

- Vegetative Debris – leaves, logs, plants, tree branches, etc.
- Construction & Demolition Debris – building materials, asphalt shingles, drywall, lumber, metal, plastics, etc.
- Normal Household Trash – Normal household trash and bagged debris of any kind is being picked up by Waste Pro following your normal garbage and yard trash schedule.

Second pass to pick up hurricane debris in Palm Coast to begin Monday

Palm Coast – Progress on the City of Palm Coast’s debris removal through residential neighborhoods went so well this week that the first round of cleanup is expected to be complete Sunday, Nov. 6.

The second pass through Palm Coast will begin Monday morning, and residents are urged to place any remaining hurricane debris curbside this weekend – especially if your neighborhood was among the first to receive debris pickup after the storm.

If your debris was picked up within the last week or two, it will likely be a couple more weeks before the second pass gets back to your street. However, all residents are encouraged to get their hurricane debris curbside as quickly as possible as the overall volume of debris left to be collected begins to go down.

Throughout the cleanup operation, the City and its contractor will continue to pick up debris seven days a week. Residents should separate everything at the curb into the following categories:

- Vegetative Debris – leaves, logs, plants, tree branches, etc.
- Construction & Demolition Debris – building materials, asphalt shingles, drywall, lumber, metal, plastics, etc.
- Normal Household Trash – Normal household trash and bagged debris of any kind is being picked up by Waste Pro following your normal garbage and yard trash schedule.

It's Fire Prevention Night at Palm Coast Food Truck Tuesdays on Nov. 15

Palm Coast – Come out for Palm Coast's Food Truck Tuesday from 5-8 p.m. Nov. 15, and support the Palm Coast Volunteer Fire Department's fire prevention programs. This month will be the final Food Truck Tuesday of the 2016 season, so don't miss it!

Food Truck Tuesdays are held on the third Tuesday of each month from March through November, along Park Street next to Central Park in Town Center. The address of Central Park is 975 Central Ave., Palm Coast.

Each Food Truck event features free entertainment and about a dozen food trucks – mobile kitchens, canteens and catering trucks that offer up gourmet foods including appetizers, main dishes, side dishes and desserts. Many menus are kid-friendly.

Proceeds this month will go to the Volunteer Fire Department, and the volunteers will have the hands-on Fire Safety Trailer at the event for kids of all ages to explore! The Fire Department also plans to have a woods truck on display. The money raised will go toward handouts and give-aways (including adorable fire helmets) designed to reinforce fire prevention lessons provided to children at schools, churches, local businesses and City events.

The Palm Coast Volunteer Fire Department has more than 50 members who handle several responsibilities. Volunteer firefighters are based at three of Palm Coast's five fire stations, and volunteers respond to fire calls to supplement the career firefighting crews, provide stand-by when the career firefighters are especially busy such as during a storm or large incident, and operate woods trucks during wildfires. The volunteers also assist with hydrating firefighters during lengthy firefighting operations.

The Fire Police provide scene safety and traffic control, primarily for automobile accidents. They manage helicopter landing zones for Fire Flight and other trauma helicopters. The Fire Police respond to about 1,400 calls per year.

The Fire Associates provide administrative support and assist with the City's battery recycling program. The Volunteer Fire Department also puts on the City's patriotic ceremonies at Heroes Memorial Park.

The food trucks signed up for November include: Personal Chef, Woodson's Wrap Shack, Arrested Appetite, Big Kahuna Kettle Corn, The Good Food Truck, Bruster's/Nathan's,

Magic4urPalate, Monsta Lobsta, El Cubanito Subs, Flaming Pizza, Snowie Bus, and Barnwood Bar-B-Que.

Food Truck Tuesdays is presented by the City of Palm Coast Parks & Recreation Department. For more information, call 386-986-2323 or visit www.palmcoastgov.com/foodtruck.

Invisible Wounds Memorial to be dedicated at Palm Coast Veterans Day ceremony

Palm Coast – The City of Palm Coast will honor America’s Heroes on Veterans Day, Friday, Nov. 11, during a ceremony at 8 a.m. at Heroes Memorial Park, 2860 Palm Coast Pkwy. NW, Palm Coast (1/2 mile west of the Flagler County Library). Also this year, the new Invisible Wounds Memorial will be dedicated as part of the ceremony.

The program will include the presentation of colors by the Palm Coast Fire Department Honor Guard and the Coastal Florida Police & Fire Pipes & Drums. The invocation will be offered by retired U.S. Army Chaplain Lt. Col. Harry Gilman. The Matanzas High School Army JROTC and Flagler Palm Coast High School Air Force JROTC will participate, and the Community Chorus of Palm Coast will sing *The Star-Spangled Banner*.

Speakers for the event will be Palm Coast Mayor Jon Netts; retired U.S. Marine Corps Major Neal McCoppin of the Flagler Chapter of the Military Officers Association of America; and Commandant Jack Howell of the Military Order of the Purple Order Chapter 808. Gold Star Mother Cathy Spriggs of Tampa will also speak about the new Invisible Wounds Memorial and PTSD.

Tributes to veterans of the armed forces will include the presentation of wreaths by local veteran organizations and a performance of *Amazing Grace* by the Coastal Florida Police & Fire Pipes & Drums.

Attendees will then take a short walk in Heroes Park for the unveiling and dedication of the new memorial, which was designed and funded by a committee of community members led by Gold Star Mother Cathy Heigher of Palm Coast. The mission of the Invisible Wounds Memorial is to recognize and honor the brave men and women who have honorably served this great nation and have suffered and continue to battle the “Invisible Wounds of Post Traumatic Stress Disorder (PTSD) and Traumatic Brain Injury (TBI).”

After the dedication of the Invisible Wounds Memorial, a 21-Gun Salute will be offered by AMVETS Post 113, and Circuit Judge Raul Zambrano will play *Taps*. The Community Chorus of Palm Coast will perform a closing musical tribute including *Anthem* and *God Bless America*.

Please join us in honoring all who serve and all who have served. In case of rain, the ceremony will be held at nearby Fire Station 21, 9 Corporate Drive, Palm Coast.

For more information, contact the Palm Coast Fire Department at 386-986-2300.
