## WEEK-IN-REVIEW

in the

# Spotlight

### Highlights

#### **Palm Coast Remembers America's Heroes**

This Memorial Day, join Mayor Holland, City Council, Congressman Ron DeSantis, and local elected officials in honoring America's Heroes at the City's annual Memorial Day Ceremony, Monday, May 28<sup>th</sup> 8am, at Heroes Memorial Park (rain location at Fire Station 21 on Corporate Drive).

*"Remembering America's Heroes"  
~ Memorial Day Ceremony ~  
Monday, May 28, 8am to 9am  
Heroes Memorial Park*

## Highlights

### Local Rescue Highlighted in Publication:

Palm Coast Firefighters and local residents were highlighted in the May 2018 issue of Florida Fire Chiefs Association Magazine for saving the life of the resident's co-worker. Lifesaving awards were presented at a recent City Council meeting, to these hero co-workers who saved the life of their friend by performing CPR while waiting for Palm Coast firefighters to arrive.

### 2018 Photo Contest – FINAL WEEK:

Don't miss your chance to participate in the Find Your Florida 2018 Photography Contest. This is the last full week and it continues only through May 31<sup>st</sup>. For information about the contest, to see the list of fabulous prizes, and to submit and manage your entries, visit the City's website here

<http://www.palmcoastgov.com/photocontest>.

**Palm Coast Man Recognizes His Life Savers**  
*By Patrick Juliano, Fire Public Information Officer*

When cardiac arrest occurs, every second counts. That was true for Palm Coast resident Serge Judro, who has lived to share his story.

Palm Coast Fire Chief Mike Beadle and the Palm Coast City Council recently recognized the Palm Coast Fire crew and four local residents for their roles in saving Judro's life.

Judro wasn't feeling well when he went to work Feb. 15, but he didn't realize he was experiencing signs of a heart attack, known medically as Acute Myocardial Infarction.

His coworkers didn't notice anything wrong until Judro collapsed. They called 911 and immediately began CPR.

Upon arrival of Palm Coast Fire Engine 21, the crew of Lt. Daniel Driscoll, Driver Engineer Adam Bachman and Firefighter-Paramedic Kalin Graham found Judro in cardiac arrest.

So it was fortunate that Judro received CPR performed by his coworkers. Upon arrival, Firefighter-Paramedic Graham led the resuscitation efforts, assisted by the Flagler County Fire Rescue 21 crew that responded in an ambulance. They performed Advanced Cardiac Life Support (ACLS) interventions including manual defibrillation, intravenous drug therapy, airway intubation and maintaining high quality CPR. Their efforts resulted in Judro regaining a pulse and spontaneous breathing. The physicians and staff at Florida Hospital Flagler continued post-resuscitation care, and Judro has since been released from the hospital.

Chief Beadle presented lifesaving awards to Sandvik employees Nate Kife, Gene Kleinschmit, Tricia Pacionis and Lori Scorpio, saying not all first responders are firefighters. Driscoll, Bachman and Graham of Palm Coast Engine 21 received a Unit Citation.

### Communications & Marketing

Please join us for our Memorial Day ceremony – rain or shine Monday morning at 8 a.m. at Heroes Park (or Fire Station 21 on Corporate Drive if it rains). We have several veterans speaking, along with Mayor Milissa Holland. We just learned this week that Congressman Ron DeSantis will be joining us and speaking. World War II veteran Frank Fonte and other veterans will present memorial wreaths, and we will have local Gold Star Families there with us. The Community Chorus of Palm Coast and the Coastal Florida Police & Fire Pipes & Drums will perform music, and the Palm Coast Fire Department Honor Guard will present the colors. Please join us in remembering our veterans who lost their lives in service and honoring their families.

We are also preparing for two other important upcoming events – both on Tuesday, June 5. We invite everyone to the Grand Opening of Wastewater Treatment Plant 2 from 4 to 6 p.m. (see news release on our website for details), then we invite everyone to the Palm Coast City Council meeting for a commemoration of the 20th anniversary of the 1998 wildfires. Palm Coast Television is producing a video about the wildfires that will debut that evening.

The results of the National Mayor's Challenge for Water Conservation are in, and we're pleased to announce the City of Palm Coast came in 18th in the nation for cities with 30,000-99,999 population. Thank you to all residents who took the pledge to conserve water. It's an important issue for us and all of Florida. Follow our Facebook page for great tips on how you can conserve water each and every day.

News releases and announcements released this week include a notice about our upcoming water disinfection process, Movies in the Park (June 8 event), summer Nature/Fitness Walks (June 5 event) and road closure at Ramrock and Ramblewood.

Welcome to our summer intern Nicole Brownrigg, who is attending the University of Alabama! Nicole will be working on several big projects this summer and has already written two news releases.

Graphic design work includes design of the 2018 Intracoastal Waterway Cleanup mascot, a race flier for Feet to Feast 5K and a race flier for the Pink Army 5K. A SnapChat filter has been created for the Feet to Feast 5K. We posted to Facebook, Twitter and Instagram.

## Spotlight Projects

### **Presentation to the Rotary Club of Flagler County: Tree Pruning Basics and City Regulations**

A member of the Planning Division, the City's Landscape Architect – Bill Butler, was the featured speaker at the luncheon meeting of the Rotary Club of Flagler County to show pictures and discuss the why, how and when of tree pruning. Also discussed were planting tips and what City regulations are in place to control over pruning. Assistance in the form of making like a tree, was provided by our City Fire Chief and Rotary member Mike Beadle! The Chief's arm was an example of where to make cuts in order to remove a lateral branch properly (the arm was not actually cut!). The Club was very interested in the discussion and learned quite a lot on how to manage their trees on the commercial property they might own as well as their home sites.

### **Presentation to the Savannah Square Homeowner's Association:**

Another presentation was made this week by Planning Division member and Landscape Architect, Bill Butler, at the May meeting of the Savannah Square Homeowner's Association to answer questions the group had on tree removals, tree pruning, lawn care and how to select a landscape maintenance firm. Also discussed was what can be done to manage the undeveloped common area and what areas might have restrictions such as wetlands and conservation easements. The group was appreciative of the City's willingness to take the time to talk with them and applauded all the beautification efforts that the City has done over the years.

Presentation to William Butler from the Rotary Club of Flagler County

## HIGHLIGHTS

This article was published in the May 2018 Issue of the Florida Fire Chiefs Association Magazine. It recognizes Sandvik employees Kate Kife, Gene Kleinschmit, Tricia Pacionis, and Lori Scorpio as well as Palm Coast Fire Department Engine 21's crew: Lt. Driscoll, Driver Engineer Bachman and FF/Paramedic Graham for saving Palm Coast resident Judro's life.

Another long week of Pump Operations Training Class! This week called for hands-on training of apparatus operations practical checkouts.

In this picture, they are flowing water from a hydrant relay pumped from Engine 232 to Ladder 25.

Confined Space Quarterly Training took place Monday and Tuesday of this week. The Confined Space Rescue Team was formed and remains in service in the event a city worker is trapped or injured in an enclosed space. Our responsibility is to be sure we are ready for any event in the city requiring rescue services.

As shown in the picture, they are utilizing a tripod lowering system to lower and retract First Responder Kulev from the manhole to train for emergency events.

### **Palm Coast Man Recognizes His Life Savers**

*By Patrick Juliano, Fire Public Information Officer*

When cardiac arrest occurs, every second counts. That was true for Palm Coast resident Serge Judro, who has lived to share his story.

Palm Coast Fire Chief Mike Beadle and the Palm Coast City Council recently recognized the Palm Coast Fire crew and four local residents for their roles in saving Judro's life.

Judro wasn't feeling well when he went to work Feb. 15, but he didn't realize he was experiencing signs of a heart attack, known medically as Acute Myocardial Infarction.

His coworkers didn't notice anything wrong until Judro collapsed. They called 911 and immediately began CPR.

Upon arrival of Palm Coast Fire Engine 21, the crew of Lt. Daniel Driscoll, Driver Engineer Adam Bachman and Firefighter-Paramedic Kalin Graham found Judro in cardiac arrest.

So it was fortunate that Judro received CPR performed by his coworkers. Upon arrival, Firefighter-Paramedic Graham led the resuscitation efforts, assisted by the Flagler County Fire Rescue 21 crew that responded in an ambulance. They performed Advanced Cardiac Life Support (ACLS) interventions including manual defibrillation, intravenous drug therapy, airway intubation and maintaining high quality CPR. Their efforts resulted in Judro regaining a pulse and spontaneous breathing. The physicians and staff at Florida Hospital Flagler continued post-resuscitation care, and Judro has since been released from the hospital.

Chief Beadle presented lifesaving awards to Sandvik employees Nate Kife, Gene Kleinschmit, Tricia Pacionis and Lori Scorpio, saying not all first responders are firefighters. Driscoll, Bachman and Graham of Palm Coast Engine 21 received a Unit Citation.

## Parks & Recreation – Alex Boyer, Director

We hosted our monthly Lunch N' Lecture Series sponsored by Florida Hospital Flagler on Friday, May 18. Dr. Sean Gimbert of New Spring Chiropractic shared "Bulletproof Your Nutrition" where he discussed how to improve your health through natural nutritional methods. We had a great turnout and look forward to our next one on June 22.

Our summer adult sports leagues are starting up in less than 2 weeks. The registration deadline for our Adult Basketball League and our new Adult Sand Volleyball League is May 30. We are accepting registrations for full teams, small groups, and free agents if you don't have a team. Visit [www.palmcoastgov.com/register](http://www.palmcoastgov.com/register) under the Athletics tab for details. Our Recreation Supervisor of Aquatics and Head Lifeguard finished the American Red Cross Basic Swim Instructor Course this week of which they teach swim instructor candidates the criteria for Learn to Swim Lessons. We are very excited for our Summer Swim Fitness Challenge to start this Saturday. If you swim 100 miles at Frieda Zamba Swimming Pool between May 26 and Sept. 2, you get a t-shirt! Did you know that about 33 laps is equal to 1 mile? Better get swimming! You can sign up at the front desk.

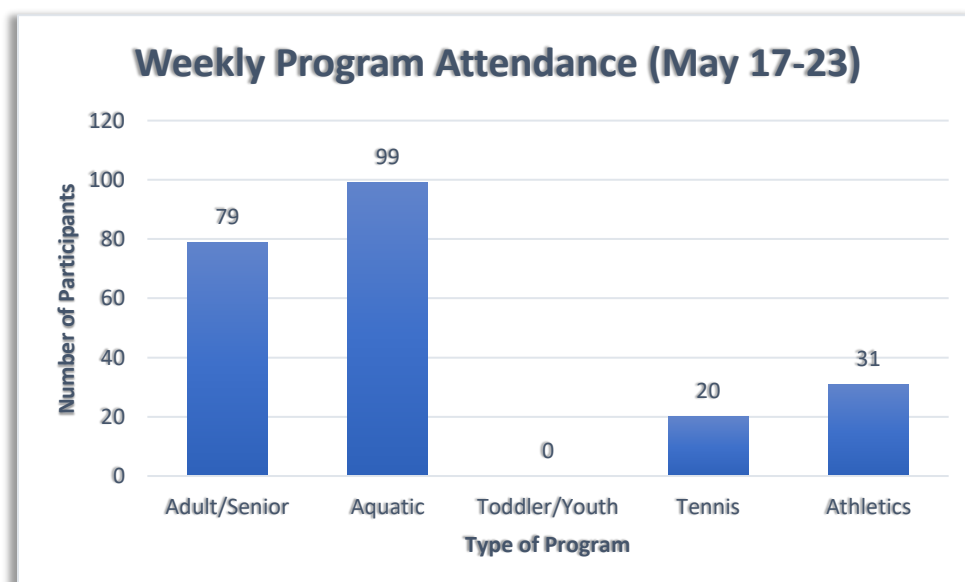

On Saturday, May 19, all of our Youth Programs staff went through training in preparation for Fun in the Sun Summer Camp starting on June 4. They will be hosting a "Meet the Camp Counselor Night" on Tuesday, May 29 from 5 to 7pm at the Palm Coast Community Center. Parents and kids will have a chance to meet their camp counselors, ask questions, get our parent guidebook, and receive their camp T-shirt. Also this week, our Recreation Supervisor of Marketing and Parks & Rec Marketing Intern designed and produced posters that are now displayed at the Palm Coast Community Center and Palm Coast Tennis Center and will be up soon at the Frieda Zamba Swimming Pool. These posters highlight summer programs and will help to drive registrations. They also further display the City's brand. See a few samples below.

### Toddler/Youth

All winter/spring toddler & youth programs have ended. Fun in the Sun Summer Camp will start on June 4.

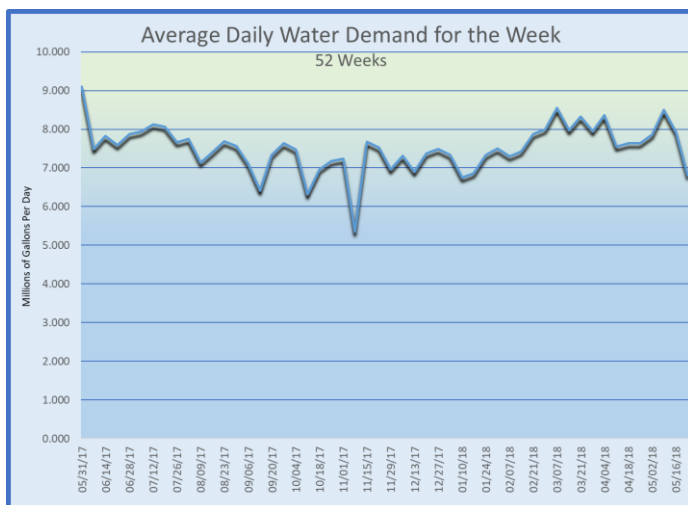

## COMING UP

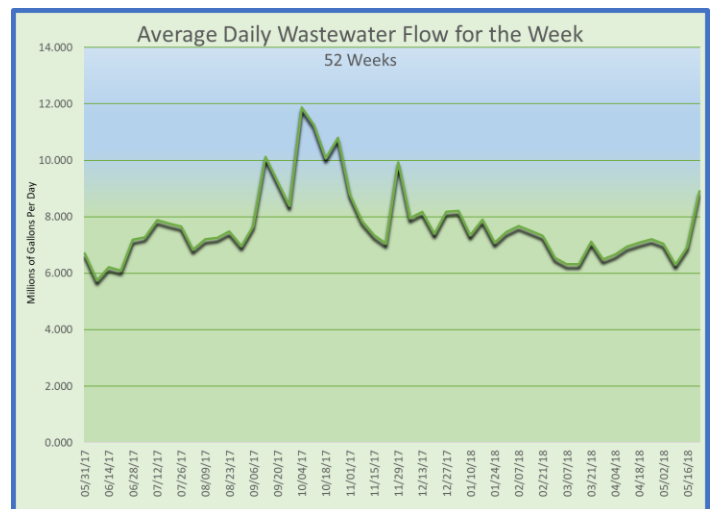

**Fun in the Sun Summer Camp** – June 4  
**Nature/Fitness Walks Returning** – June 5  
**Frieda's Festive Fridays** – June 8  
**Movies in the Park** – June 8  
**Specialty Summer Camps** – most starting June 11  
**Food Truck Tuesday** – June 19  
**Senior Summer Celebration Cookout** – June 21  
**Dive-in Movies** – June 22  
**FIFA World Cup Watch Party** – June 23

5-24-2018

- The average water demand for the week was 6.809 million gallons per day.
- The average wastewater flow for the week was 8.901 million gallons per day.
- Crews installed 21 new water meters and 1 new irrigation meter.
- Contractors installed 4 new PEP tanks.
- There are 17 new PEP tanks pending and 17 PEP tank replacements pending. Currently all new tanks are being installed within 4 days of site ready.
- There are 240 new meter installations pending, with 30 cleared and an average installation time of 3 weeks.
- Wastewater crews installed 8 PEP electric assemblies and 1 riser.
- Replaced 25 PEP pumps, 28 floats, 1 back lid, 1 ball valve, 1 box and 3 cleanout caps. Repaired 3 service laterals and 1 gravity main.
- There were 52 calls after hours.
- Water Distribution crews repaired 2 water service lines, 5 manifolds, completed 12 meter pit adjustments/replacements and replaced 1 water service line. Tested and repaired 118 backflow preventers.
- Wastewater crews inspected via CCTV 3,385 feet of gravity sewer mains and 15 manholes.
- On May 22<sup>nd</sup> Water Distribution repaired a fire hydrant located on Woodborn Lane by replacing a stem coupling that opens and closes the hydrant. A 2 day boil water notice was issued for 28 homes.
- On May 21<sup>st</sup> staff from Water Treatment Plant #2 re-programmed the new variable frequency drive at (LW) Limestone Well -23. Staff disinfected the well and collected the required sets of bacteriological samples for well clearance.
- Staff from Wastewater Operations delivered 647 door tags for pending smoke testing in Section 8.

The average water demand for the week was 6.809 million gallons per day.

The average wastewater flow was 8.901 million gallons per day

## HIGHLIGHTS

### Wastewater Operations

Crew prepares to make confined space entry to repair leaking manhole.

Maintenance of Traffic (Flaggers) using 2-way communication headsets, allows them to be in constant communication with personnel. The crews use the headsets when working in roadways, or when in potentially hazardous conditions.

## **NEWS RELEASE – City of Palm Coast**

Contact: Cindi Lane, Communications & Marketing Manager  
386-986-3708; cell 386-214-4729

**May 22, 2018**

### **Palm Coast announces temporary modification of disinfection treatment procedures**

**Palm Coast** – In order to maintain the reliability of the water distribution system serving Palm Coast Utility, the town of Marineland and Flagler County Utilities customers who live in Painters Hill and Beverly Beach, the City of Palm Coast Utility Department will temporarily change the disinfection process for its potable (drinking water) water supply.

From June 6 to 26, the City will disinfect the water with free chlorine rather than combined chlorine/ammonia (chloramines). During this period, customers may experience a slight increase in the taste and odor of chlorine.

The periodic and temporary conversion from chloramines, which are a longer-lasting disinfectant, to free chlorine, which is a stronger disinfectant, helps to ensure the quality of the drinking water in the distribution system. The maintenance program, which is a normal procedure for water systems, is supported by the Florida Department of Environmental Protection and will include daily testing to monitor water quality and measure the effectiveness of the program. After this process is completed, Palm Coast Utility will revert to disinfection by the chloramines method.

Customers on dialysis who use a proportioning machine to prepare dialysate are advised to contact their physician to obtain the appropriate steps to accommodate the change in water disinfection. Customers who have fish tanks or aquatic species are advised to contact a professional aquarist to avoid any problems associated with chlorine.

For more information, please contact Palm Coast Customer Service at 386-986-2360.

**NEWS RELEASE- City of Palm Coast**

Contact: Nicole Brownrigg, Communications & Marketing Intern  
386-986-3702

**May 22, 2018**

**Come experience the 'Power Rangers' back in action – free movie June 8**

**Palm Coast** – Seek summer action at the upcoming Movie in the Park – at 8:45 p.m. Friday, June 8 – when Palm Coast Parks & Recreation and Flagler Schools present “Power Rangers” at Central Park in Town Center. Closed captioning is provided with the monthly movies.

The family friendly movie on the big screen by the lake is free! Central Park is located at 975 Central Ave. in the Town Center area of Palm Coast (off of State Road 100 behind Flagler Palm Coast High School).

The “Power Rangers” (rated PG-13) synopsis is as follows: Five ordinary teens who must become something extraordinary when they learn that their small town of Angel Grove – and the world – is on the verge of being obliterated by an alien threat. Chosen by destiny, our heroes quickly discover they are the only ones who can save the planet. But to do so, they will have to overcome their real-life issues and before it's too late, band together as the Power Rangers. Bring snacks, blankets, lawn chairs and bug spray – and your family, neighbors and friends! What could be better than watching a fun family movie outdoors, under the stars?

Movies in the Park is held on the second Friday of each month through October. Other upcoming movies include:

- July 13, at 8:45 p.m. – The Lego Batman Movie
- Aug. 10, at 8:30 p.m. – Beauty and the Beast

For more information, go to [www.palmcoastgov.com/movies](http://www.palmcoastgov.com/movies). Or call Parks & Recreation at 386-986-2323.

**May 23, 2018**

**Get outdoors for free with guided nature/fitness walks!**

**Palm Coast** – Explore the great outdoors through guided nature/fitness walks – offered free of charge by the Palm Coast Parks & Recreation Department. These guided tours are a great way to stay in shape while also taking advantage of the beautiful parks and trails Palm Coast has to offer.

The Nature/Fitness Walks will be held 8:30-9:30 a.m. on the first and third Tuesdays of each month from June 5 to Aug. 2. Each walk starts at the Palm Coast Community Center Trail Head, 305 Palm Coast Pkwy NE, Palm Coast. The trail is partially paved and partially sandy, with some areas of shade and some areas of direct sunlight.

They are free, but please pre-register 48 hours in advance of each walk. Registration is now open through the City's new, easy-to-use Civic Rec online registration program:  
[www.palmcoastgov.com/register](http://www.palmcoastgov.com/register).

All ages are welcome, but children must be accompanied by an adult. The schedule is as follows: June 5, June 19, July 3, July 17, Aug. 7 and Aug. 21.

More information about all of Palm Coast Parks & Recreation's programs is available in the Activity Guide at [www.palmcoastgov.com/recreation](http://www.palmcoastgov.com/recreation). For more information, call Parks & Recreation at 386-986-2323.

**May 25, 2018**

**Temporary road closures: Ramrock Lane and Ramblewood Drive**

**Palm Coast** – The City of Palm Coast Public Works Department is planning two temporary road closures in the coming week as it replaces drainage pipes, weather permitting.

From 7:30 a.m. to 3:30 p.m. Wednesday, May 30, the roadway in front of 21 Ramrock Lane will be closed. Residents will have access to their homes, but the road will be closed to through traffic.

From 7:30 a.m. to 3:30 p.m. Thursday, May 31, the roadway in front of 27 Ramblewood Drive will be closed. Residents will have access to their homes, but the road will be closed to through traffic.

The City of Palm Coast appreciates the patience and cooperation of residents and motorists during these important drainage improvement projects.

For more information, call Customer Service at 386-986-2360.

202 Cats

91 Dogs

1 Rabbit

2 Guinea  
Pigs

## *Animals ready for homes*

The cost of caring for our furry family members is on the rise and continues to grow. The cost of veterinary care alone puts a substantial burden on pet owners leading them to seek out lower-priced options. When veterinary visits are unavoidable, pet owners can utilize free or low cost animal clinics. Low cost clinics can perform spay and neuter surgeries, give vaccinations and microchipping, and other wellness services. A little research can result in a big savings. The Flagler Humane Society has a low cost wellness clinic and a low cost vaccination clinic to service those residents of Flagler County and surrounding areas. These clinics can help animals suffering from minor injuries, illnesses, and infections. The clinic can address minor issues that need surgical intervention, such as dentals and tumor/cyst removals.

**Donation Opportunities:** The *Flagler Humane Society Thrift Store* always accepts donations. They cannot take in any computers/printers or large appliances. Call 386-597-2839 and leave a message.

We are collecting shoes again! Bring your used shoes (any condition) to us to turn in for money!

“General Donations” can be dropped off anytime at your convenience. FHS appreciates all donations, especially those from our Wish List (available at [flaglerhumanesociety.org/wish-list](http://flaglerhumanesociety.org/wish-list)). You can also purchase items via the Amazon.com link on the FHS website and ship them directly to the shelter.

**Outreach Adoption Events:** Don't forget that FHS have volunteers and adoptable pets at Petco, PetSmart, PetSupermarket and Tractor Supply in Palm Coast. Stop by and see our adoptable pets!

Want to be a volunteer? Attend an orientation! Orientations are held at noon in the Humane Society education room every second Saturday of the month. Applications can be found on the FHS website.

Interested in fostering? Contact our adoption specialist at [adopt@flaglerhumanesociety.org](mailto:adopt@flaglerhumanesociety.org).

**Adoption Specials:** Check the FHS Facebook for our Memorial Day Adoption Special.

**Upcoming Fundraisers/Events:** See the FHS Website for information on our upcoming Spring Fling.

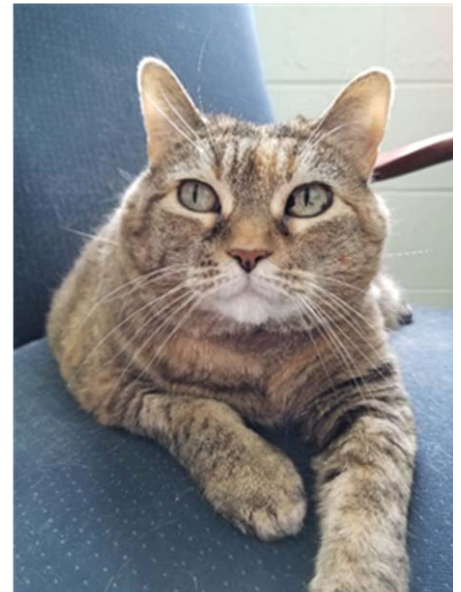

**Offered Services:** The Flagler Humane Society has a variety of *Subsidized Spay & Neuter Programs* for members of the community that need to have their pets or community pets sterilized. Please call FHS at 386-445-1814, email [info@flaglerhumanesociety.org](mailto:info@flaglerhumanesociety.org) for questions.

FHS has a *Wellness Clinic* for minor veterinary issues. Call 386-445-1814 for Appointments. *Low Cost Vaccination Clinics* are held on the 1<sup>st</sup> and 3<sup>rd</sup> Saturdays of every month from 1pm-3pm. No appointments are necessary for the Low Cost Vaccination Clinics.

FHS also offers a “*Pet Food Pantry*” for those that are in need of assistance. Please call for more information.

**To keep up with Flagler Humane Society happenings** – visit us on the FHS Facebook/Twitter/Instagram/Website at [www.flaglerhumanesociety.org](http://www.flaglerhumanesociety.org), or via email at [info@flaglerhumanesociety.org](mailto:info@flaglerhumanesociety.org).

## Pet of the Week

**GINA**

Gina is a voluptuous lady that would love to live the life of leisure. She is approximately 4 years old but that is an estimate as she came to the shelter as a stray. This lady is no stray. She is used to living in a home on a comfortable bed. She is a little tough to get to know at first but adjusts quickly. She is very adept at helping type letters and such. She loves to hit the computer keys when you are trying to type. She gets along well with other dogs. Meet her today!

### **Adoption specialist:**

Katrina Geigley  
[adopt@flaglerhumanesociety.org](mailto:adopt@flaglerhumanesociety.org)

### **Outreach Manager:**

Katie Share
