REMINDERS ... Once you have booked your court request online, you will immediately receive one emailed confirmation per court. **No further confirmations will be sent out.** PCTC Staff has the ability to modify or decline based on situations out of our control up to 3 days prior to your court date.

Going forward, if there are important facility news such as court closure, maintenance or facility closure due to weather we will be sending emails notifying you of the changes.

As a safety precaution, we are keeping all exterior gates locked at all times. If your ball goes outside the gate, you may call the PCTC front desk and we will be happy to come out and unlock it. If this is not convenient, please bring extra balls to use during these situations. We are in the process of getting different gates that will fulfill the needs of our guest as well as keeping the facility safe.
