16	Too many codes. You can not park a work vehicle in your driveway but yet how do you expect for people to earn a good living so you have to rent a storage space to park your vehicle it's unfair it's costly and it kind of encourages people that it's better off to be unemployed. 20	We moved here to be close to embry riddle. My fiancé is a veteran and we are currently pregnant. We also have a 10 yr old son. We are extremely disappointed with the crime and number of accidents that occur on a daily basis. What's sad is that we moved here from the Baltimore area and this is far worse. I never feel safe when he's gone and my car has had gum put on it, mail stolen, mirrors kicked in. It's sad that I don't feel safe enough to let my windows open on nice days for air to flow into our home. Too many sex offenders and way too much crime. It doesn't appear that our sheriffs office cares much for our city.	3/5/2017 10:32 PM

Adults cannot go for a walk after dark because we cannot see people or wildlife. Our quality of life is non existent here. 41	Officials seem to care more about appearances than quality of life. For example ... residents have been BEGHONG for more street lights for years... but as long as we look ok for people who are out of state it is acceptable .... how many more people have to DIE in order for things to change ? Just last week a child was hit due to lack of lighting on the road. If there were sidewalks and lights we would not have as many pedestrian injuries and fatalities. We were just included as the fifth worst place for pedestrians in a nationwide study .... if people need to move to make a change and to keep their families safe I will probably be one of those people.	3/5/2017 6:35 PM

45	It is my opinion that the people that were elected to run the town think this town is "theirs", not "OURS" . This town doesn't think about safety unless its a tree. Putting circles in an area that would be used more and more is just idiotic. These have been proven dangerous and from what I read, these circles are be taken out. I am tired of people who have their children join a sport not having enough parking and the town orders all theses vehicles to be ticketed or warned. You build these parks and make it a ticket trap.. You build sidewalks all over the place but neglect to put parking places all along, another ticket trap! This town is against their own, the very citizens that pay the taxes and salaries for these people who work for us to find every and any way they can to fine, arrest and make our lives miserable. What is good for one, is good for another. If I can't have a trailer in my back yard, then no one should be allowed, just because they are rich and donate to a particular political group or cause, should not give them special privileges. I am tired of Garage Sales being taken down because one person who either volunteers or works for this town doesn't like the way they look. Its none of that person's business. You idiots should fine the people who leave the signs up. You should make those that go around tearing down signs follow the signs, get the address and if the signs are not down by Monday, fine the people. But how dare you allow personal preference behavior.	3/5/2017 5:01 PM

Some people take their work vehicles home and have no choice, especially if they don't have a garage to put it in. I was forced to remove over $3k in Professional vehicle advertising wrap for my business because enforcement kept putting tickets on my garage. 109	The rules and regulations about what you can do with your own property, what you can park in your own driveway, the lack of sidewalks and street lights. I don't like that I can't make changes to my house because the city wont approve even though it will make it look nice and improve resale value. You should be able to park anything in your driveway as long as it looks nice. I agree that you shouldn't have broke down cars all over however if you have a work vehicle that advertises who your company is, an rv or a boat that shlould be allowed in your driveway. I don't feel that the regulations are consistent. It all depends where you live and who your code enforcement officer is. Lack of functional working parks spread equally throughout the city are an issue. I pay taxes on my property and I didn't choose to live in an HOA. Therefor I shouldn't have as many rules as an HOA has. If I had known this when I bought I would not have bought property in this city. Also when we built our fence we had to build at least a foot in from our property line and when we built our shed that also had to be 6 feet off of our property line. Now we have new neighbors that just built a screen pool enclosure and a shed with neither of which are not the correct set back off of the property line and that was fine when they had their inspector come out. It didn't seem very fair. I don't feel safe with the cars that speed down our street and there are no sidewalks to stay safe on.	3/5/2017 12:40 PM

124	The horrible traffic situation. The elderly are not the problem. Most of them are good drivers. It's the middle aged folks and their millennial children. They are all slow left drivers with no regard to the good drivers on the road. They also think it is uncool to use turn signals, and so they don't use them in Palm Coast. Especially at the light by the Belle Terre public. No one coming out of their turning left onto Belle Terre use their turn signals. So the folks coming out of Autozone and turning left, just sit there. Waiting for the folks coming out of Publix to go straight. But they aren't going straight. Nope. They are turning left. The problem is not rooted in these bad, slow left lane, non-turn signal people. The problem is rooted in the government of Palm Coast. The cops do a horrible job in Palm Coast of enforcing the traffic laws. All the cops know how to do is sit on the side of the road and point radar guns at people. Why aren't the police pulling over the slow left lane drivers on Belle Terre? The left lane is supposed to be the passing lane. It is the job of the police (and their bosses) to instill the appropriate amount of fear in the public, so that they will follow the law. The Palm Coast government, and its police force, has failed the people. This, coupled with no side walks for children, yet a hipster motivation of wanting to have bike lanes before protecting the children with sidewalks (no surprise some girl named Michelle died this week...it should be expected in a town with no sidewalks and a police force who only know how to point radar guns at people). Nope. Won't be living in this city anymore.	3/4/2017 8:13 PM

170	I ALONG WITH MANY OTHERS FEEL UNSAFE IN PALM COAST	3/3/2017 3:07 PM
171	PC PROVES NOT TO BE SAFE. I READ ALL THE TIME ABOUT THE PROBLEMS OF RALPH CARTER PARK. IT APPEARS CITY PERSONNEL WILL NOT PROTECT THE CITIZENS LIVING IN THE AREA NEXT TO THE PARK. I HAVE SEEN ON TV, RESIDENTS PLEADING FOR SAFETY. THE CITY DOES NOT RESPOND.	3/3/2017 2:58 PM
172	we're retired, and want to live cheap, and see the country so we decided to pull up roots and save our hard earned dollars by living full time in our RV and traveling around the country. The cost of cable and poor internet service where calls are dropped continuously, seem to be unreliable compared to other places we've been and by living in our RV will be part of our campground fees making entertainment cheap. Money saved all the way around!	3/3/2017 2:29 PM
173	Not many jobs here. Also it's a dark city. No lights. I never go anywhere at night. It's too dark and creepy!	3/3/2017 2:21 PM
174	never	3/3/2017 2:16 PM
175	too expensive voters voted down several expansions city hall Senior center new pool compete with county	3/3/2017 2:07 PM

176	Unable to live on my own.	3/3/2017 2:05 PM
177	Palm Coast City ordinance is too strict. While I understand that certain rules are put in place for a reason, I disagree with commercial vehicles not being permitted to park in a residential area or overnight parking in the swales. You are unable to home recreational vehicles on your property (even in your back yard)	3/3/2017 2:05 PM
178	Not enough diversity for shopping and entertainment. Not many job prospects compared to larger cities.	3/3/2017 2:04 PM
179	Family emergency	3/3/2017 1:49 PM
180	We need street lights badly. This causes accidents. Also the water bill is outrageous	3/3/2017 1:27 PM
181	Neighborhoods not being maintained,	3/3/2017 1:18 PM
182	The rents have skyrocket, it's hard to find affordable housing on a pension anymore with what I moved from New Jersey because the rent was high and it's getting just as bad here. The way it's going me and my daughter might be in the streets soon, to get a job you have to go through all this strings in the web before you actually get to the job cite. is not as easy applying for a job online especially if you are not a computer expert.	3/3/2017 1:11 PM
183	None	3/3/2017 1:01 PM

187	Family	3/3/2017 12:02 PM
188	I feel like Palm Coast is becoming overcrowded. Crime seems to be up. Traffic is a problem. We do NOT need more traffic lights. But we absolutely need more street lights. Lack of any well paying jobs for the future.	3/3/2017 12:01 PM

194	The traffic activity coming through the C section since opening the new 95 exit, police/fire response units in the area has increased which indicates increased activity that may not be legal.	3/3/2017 11:22 AM
195	nothing to do here, no street lights in neighborhoods, no sidewalks in neighborhoods,,	3/3/2017 11:19 AM
196	Distance from family.	3/3/2017 11:06 AM

204	Crime	3/3/2017 9:29 AM
205	No sidewalks in residential areas, no street lights in residential areas, need more things for kids to do (malls, skating, etc). Invest in our kids! Lots of kids live here	3/3/2017 9:10 AM

215	income opportunities	3/3/2017 3:51 AM
216	Palm coast thinks its a ritzy gated neighborhood but most people living here are at the poverty line. Majority of the rules are dumb and worse than a how Its just a way to make money for the city off of already poor residents.Plus the city doesn't go by it's own rules overgrown grass on city property yard sale signs but the city puts up signs especially at election time and no chain link fences but the city has fences around their utility areas	3/2/2017 9:18 PM
217	Nothing for kids to do outside of playing sports no where for them to go other than the beach	3/2/2017 9:13 PM
218	golf, boating, people	3/2/2017 8:28 PM
219	crime and low income areas are increasing	3/2/2017 8:13 PM
220	There are no jobs, I have commuted outside of Palm Coast for work almost the entire time I've lived here. When is the industry coming to PC, we don't need another fast food restaurant, or brand name store. We need industry capable of providing jobs that pay wages above the poverty level. There is so much undeveloped land, why are companies not moving here, what is being done to get them here; this is a priority!	3/2/2017 8:13 PM
221	Death	3/2/2017 7:39 PM

228	I am on a waiting list for John Knox Village of Central FL--which is a life-care community in Orange City, FL. This could be tomorrow--or 10 years from now! I am waiting for a specific style of cottage, of which there are only 3. Thus the uncertainty.	3/2/2017 4:12 PM
229	I (MANY RESIDENTS) DO NOT FEEL SAFE HERE. WE HAVE QUALITY OF LIFE ISSUES WITH VANDALS COMING FROM RALPH CARTER PARK TO OUR NEIGHBORHOOD. WE HAVE CONTACTED CITY OFFICIALS, CITY COUNCIL MEMBERS, CITY MANAGER AND FORMER MAYOR NETTS, WHO HAVE THE POWER TO RECTIFY THE MATTER AND WILL NOT DO A THING TO KEEP RESIDENTS SAFE IN THE R SECTION OF PALM COAST.	3/2/2017 3:35 PM

IT APPEARS, THEY ARE AFRAID OF JIM LANDON.	3/2/2017 3:28 PM

254	high taxes, too much crime, too much of City spending of tax payer money.	3/2/2017 10:59 AM
255	Job opportunities	3/2/2017 10:55 AM
256	Nothing to do. Roll up the side walks at 10:00. Still treating this town like a retirement town which it is not. Most things are held during the day when some of us are still working and cannot attend. Just like the health fair yesterday. Club meetings, etc Too many "malls" going up. City counsel does what it wants and does not listen to the people. Wasting of money. Approving of a raise for the city commissioner. When the average person is just making ends meet. Poor code enforcement, just drive down my street. Plants in the swales, junk on the side of houses. Cut down all the trees to build city hall. City departments not helpful. Had inspector come and look at a tree that fell during huricane matthew on the lot behind. Left a note, not in code violation. So I have a large cedar tree roots and all out my back window. Concerned about insects Owner of lot has done nothing.	3/2/2017 10:55 AM
257	Retirement, we moved to PC in 1998 and loved being close to tourist sites without living in one. It appears that the city & county are trying to increase tourism here. Just what we didn't want.	3/2/2017 10:24 AM
258	Lack of job opportunities, crime, nit picky code enforcement (worse than HOA), no activities to keep teens busy, poorly designed layout of city and traffic signals, lack of sidewalks, not enough street lights, limited etc. This is a beautiful city. Beauty is only skin deep, we are sorely lacking in a variety of areas.	3/2/2017 10:19 AM
259	too crowded	3/2/2017 10:15 AM

264	I'd like to find lower water bills.	3/2/2017 8:50 AM
265	Too many rules of your own property.	3/2/2017 8:42 AM
266	desire to have a larger piece of property/home	3/2/2017 8:35 AM
267	Lack of employment opportunities. The economy here is not diverse, consisting primarily of Government, Healthcare and Retail. What jobs there are have low wages. The city and the county need to attract businesses that pay a living wage (i.e. at least $15/hr).	3/2/2017 8:24 AM
268	flooding in swales and city that refuses to address it after yearly requests for last 6 years.	3/2/2017 8:22 AM

284	The beauty, weather, and traffic flow here is great! We love it here1	3/1/2017 9:37 PM
285	Wasteful City Council that never listen to people it supposed to represent, overpaid city manager that should be fired but instead given an increase to already huge salary, Mayor that wants to be a show woman at taxpayers experience.	3/1/2017 9:25 PM

Palm Coast NEEDS a BUS SERVICE!!!! when is that going to happen!!!....building and overprice senior center.....my handyman could build that center for a lot less cost!!!!! The building and land should have been SOLD and property/bldgs at Town Center considered!! A central location, etc etc!!!!	3/1/2017 8:23 PM
290	Code Enforcement and the so called rules and regulations of Palm Coast. Some of these are a violation of civil rights and a violation of privacy. The County Employees are not held to the same standards.	3/1/2017 8:13 PM
291	family, bigger metro area	3/1/2017 7:52 PM

302	Jobs! You cannot raise a family here without jobs!	3/1/2017 6:33 PM
303	Not enough places to eat and do anything!	3/1/2017 6:19 PM
304	Taxes and fees. I'm trying to build a home. I have a lot in the C section. But, the impact fees, and all your junk fees make it difficult to swallow. You would think you would encourage new home building, instead you make it building costs exorbitant. I'm considering building my home in the county.	3/1/2017 6:19 PM

320	I hope we never need to. We both love it here.	3/1/2017 4:59 PM
321	Code enforcement is a bit ridiculous. Bought a house in Palm Coast and did not sign up with any homeowners association. Keeping the residential areas meat is understandable but I cannot park my vehicle in my own driveway because a decal is on the side of it. However,The city has imposed many rules and I feel that my freedom is compromised. I cannot park my vehicle in my driveway because it has a business decal on it. That is absurd.	3/1/2017 4:56 PM

376	Cut and paste ordinances, many unconstitutional. Some moron in code enforcement tried to tell me peanut was a weed. UF extension has no respect for the decisions on this giant landscape overhead. Most of it is in absolute violation of the 2009 Florida Friendly Landscape which says in part that no local zoning or ordnance can bar any property owner from establishing a Florida Friendly Landscape. Each and every day your moron code enforces violate this state law. If they violate it with me, I will do exactly what I did with those photo stop lights. You will abide the State LAW and the Constitution of Florida!	3/1/2017 1:43 AM

399	The water Bill is always HIGHER then my ELECTRIC Bill ? I am a retired single person and take showers only every other day and my irrigation system is through a well . My next door neighbors have a Family of (4) and "There Water bill is the same as mine" , Why is that ? It doe's not make sense . I think there is a CROSS connection between my neighbor and My water meter that is about 16 inches apart from each other. I called palm coast and they said they WILL NOT come out to Investigate the problem. I live on a fresh water canal @ 78 Webster lane and no one comes out on the Airboat and spray for the over growth of vegetation like they use to do a year ago ? Why is that ? Also when driving I see the canals are so, so, so, dirty and a lot of trash in them and along the side of the Embankment . I think the E.P.A. should be notified if this issue is not addressed . Please contact me about these issue's if need be . 352-474-9498. Thank You	2/28/2017 6:09 PM

489	Even though the schools get high ratings they are unable to help children with dyslexia or reading disabilities. Right now my kids go to Wadsworth Elementary but because the school refuses to help my child with their reading issues we will have to either homeschool or I will have to drive my 4 school age children to Old Kings Elementary. I'm sure you must be thinking, refused? No school would do that. But they did. They said there is nothing more they can do. Um its dyslexia not some disability that was discovered yesterday. I am not the only one either. There are many families struggling with the reading problems that stem from Common Core and lack of programs. There is no saftey net for these children. The school officials act like you are over reacting then get annoyed that you are still trying to get help for your child. The end result is children who don't feel they belong in schools and parents who aren't able to go back to work or school because they have to homeschool. The bottomline is that it impacts the community negatively. Also there are few jobs and opportunities. The community is disjointed, no one knows what is going on.	2/27/2017 9:06 PM

591	We moved here because we liked the "small town" feel. But, with the added traffic and the continual promotions to bring more people to the "Quiet Side", Palm Coast is losing the ambiance that it once had. Even putting aside the traffic issue, the lack of public transportation is an issue that is of great concern as we anticipate our aging needs. The Sunshine Bus & small town charm of St. Augustine Beach seems to be calling to us. :(	2/27/2017 9:38 AM

596	To find a location with better opportunities for my daughter. There are not enough extra-curricular activities in the area for children. The schools are not as good as they once were and local politicians do not work for their constituents. They work for themselves.	2/27/2017 7:21 AM

612	No Palm Coast beach. Why have a city on the coast if you don't have your own beach? Just stupid planning. And Flagler Beach, and the other accessible areas of the coast, are "red" sand (ground up shells)... dark Atlantic Ocean, dark, red sand beach = depressing and ugly!! Come on, get a beach, bring in some white sand, get with the Florida program!! It would be nice to have a Palm Coast Beach community with hotels and businesses. Other than the lack of a decent beach, there's not much to do. The "new" Epic theatre has let the seats go to pot to where they are worse than the old theatre in St. Joe's Plaza ever was. A big mall would be nice. As it is now, we have to drive to St. Augustine or Daytona for good shopping. And then there's the arts, all we have is the auditorium at Palm Coast High School with a very limited schedule each year. Add a white sand beach and the associated community, a well-maintained movie theatre or two, a big shopping mall, and a performing arts hall with a full schedule of first-rate performances, and Palm Coast would be a much nicer place to live. Right now we're just this little strange I-95 community with no beach of its own, not much to do (if you don't play golf), have to drive for decent jobs, shopping, and entertainment. I was much happier when I lived for 15 years in the Bradenton/Sarasota area on the Gulf. Beautiful beaches, a variety of shopping venues, great well-maintained theatres, Ringling Art Museum, Van Wezel Performing Arts Hall (The Purple Seashell), etc., etc., etc.. Palm Coast has a long ways to go, but we need to get started or we will always be this little strange community with not much to offer.	2/26/2017 8:30 PM

Car race up and down Karas Trail at high rates of speed and the police never to anything even though there is a deputy that lives on that street. Trucks, atv's and motorbikes go back into the woods and make noise all times of the day and night. You are allowing apartments to be built behind us. 843	I live in the K section. With the anticipated development being planned in the Quail Hollow area (between Kathleen trl. Karas trl., and Rt. 1) I expect we won't stay. I love Palm Coast, particularly the K section. I have had one incident involveing crime during the 12 years I have had my home. But lets be honest. We know the kind of element low income housing attracts. I expect if the plan follows through, the crime rate will go up. 905	the policy that will not let me make my driveway bigger. I got some bull and[redacted] story that my house which I own was suppose to be a one family house. Well I was not around when this was built but it is a 2 family house 2 separate entrances and so forth. 5 adults live between the 2 front doors and 5 cars cannot successfully be used at this residence. All I wanted was 3-4 feet wider and this would ensure no car would be on grass. Well I have received numerous yellow slips on my garage door saying to get car off grass that would have 2 wheels in the driveway. Now I work for a delivery business and drive all over P.C. and have noticed plenty of single houses out there with bigger driveways than mine. I feel like there is some kind of an extortion process out there and I feel discriminated against. All my out of town friends say WOW...really....so that is my story. I was looking to open an additional business in PC, but I think I will be using Ormond Beach instead...I can have a bigger driveway there.	2/24/2017 7:46 AM

990	No Costco or Sam's Club for the population here in Palm Coast, it is absurd. Shops are hard to find because of the inadequate signage.Drivers are very rude, especially between November and May. 1152	Crime is on the rise here; police presence is getting better but is not what it was when we first moved here 11 years ago. Pan handling is on the rise. Seems as if codes are not regularly and evenly enforced; high number of rentals in my area are not well taken care of. 1324	We bought a house in Ormond Beach. The city of Palm Coast does a great job keeping the town areas great, but the neighbors lack pride of ownership.	2/23/2017 12:32 PM
1325	Too much traffic on too few roads; many "city" decisions, over the years, that have wasted huge amounts of tax payer money and I do not see any real change in the near future; changing traffic patterns too dangerous and not well advertised, to drivers; nothing done to curtail speeders on residential roads, ie Pine Grove Dr, despite numerous requests for help; way too much crime! Have lived in PC x 20 years and family here since 1984 - used to be a lovely place to live, but no longer - typical "city living"! We have had enough! Getting out of Florida!	2/23/2017 12:32 PM

1329	Too much crime, too many neglected homes, too much garbage on some properties, neglect of properties, weeks of newspapers in some driveway, poor lighting at night easy for crime, owners of lots neglect them and some lots have become dumping grounds for garbage, broken trees from the hurricane, vines strangling trees, ugly trees that are dead and need to be cut down. Now, after being here 10 years, I'm agreeing with some people calling Palm Coast Slum Coast and that it very sad since we intitially loved the area.	2/23/2017 12:29 PM

Understand when these codes written plan for the area was to be a retirement area but as it turns out a larger percentage of the population are actually employed and working and so to meet their business and the growth of community requirements some of these codes need to be reevaluated and adjusted	2/23/2017 11:50 AM

1392	There are No street lights in my residential community on a culdesac road, S section. I had my autos broken into Twice! This lack of lightening is perfect environment for crime yet landscaping and walkways are added the last 3 years in this area. SAFETEY NEEDS PRIORITY FOR HOMEOWNERS. Beauty of the area is useless with criminal activity and lack of security for the residents. Yet street lighting exists for the homeowners on Squash Blossom Trail! We are near timbered areas that are easy, dark non-lighted access for criminals! PLEASE resolve this! Also, their is a significant lack of senior citizen community activities for the elderly and wheelchair bound members of our community. There currently is no indoor w/c accessible facilities for elderly activities to socialize and meet others! My elderly FIL came here believing the City of Palm Coast would be ideal to interact with other elderly residents but no opportunity exists to do so. I want to play tennis but the Sesame St courts are blackened with mold. The landscaping and money put into sidwalks do not allow for any tennis activities in a clean upkept court for the community. Trees hide shopping centers causing driving hazards. Too many one way streets and having to make uturns.....ridiculous! Parking lots are congested and dangerous. Need better outlets and less blind corners. There are No sidewalks in regular neighborhoods and power lines look horrible. City spends too much on landscaping and planting trees over and over again. The money needs to be used to make safer streets. Shopping is too spread out. Bus transportation is rediculous. There should be buses that run regular routes and bus stops for people to wait for buses. Palm Coast is so behind the other cities. A smarter planning department is badly needed. 1485	Lack of things for children to do. Not enough childrens programs to keep kids engaged and out of trouble. Hanging out at a movie theater drinking and doing drugs because the kids have nothing to do and parents that don't care. Then of course disrupting those of us who like to go to the movies to watch a movie. I will no longer go to PC movie theater since I enjoyed being a part of the gun scare on a Friday night. Done! Off to St Aug or Ormond. This hurts us locally. I am not the only that feels this way. Need more money put into the after school programs and more to offer ALL ages! Also - need more sidewalks in this town. To name one street - Cimmaron - this street has gotten very busy and there should be someplace for children to walk or even stand for a school bus! Its nice your finally bringing in some business and boosting our economy locally, however the costs we pay for groceries / gas here is way above average. I feel this area is perceived as a retirement community so because the older people tend to not drive around and price shop, the stores take advantage and increase our prices. I pay an average of 3-6 bucks more on MANY grocery items, then if I were to go shop in Daytona at the SAME grocery store. I also feel that us losing the potential Sams Club was a HUGE fail! This town could really benefit having a wholesale club to help families and SCHOOLS!! Maybe taking some of that money that you all used to put benches and garbage cans along Palm Coast Harbor Pkwy could have been put towards some children programs. Again, this town tends to NOT want families and children. This is very apparent. Yes, it has gotten better with regards to having more shops, but again there is NO focus on the youth here. I have been here going on 12 years, very disappointed in some of the things I have seen money spent on when it could have gone towards developing our youth here. I am very aware of the drugs that are flowing through schools and we need to work harder to stop letting it be overlooked because teachers are afraid to speak out or up.	2/23/2017 11:09 AM

Additionally the city does nothing to ensure that canal homes have appropriate water depth - the city needs to clean the canals and dredge the end canals to avoid too shallow water levels. I have never seen so many people not pick up after their animals like I have witnessed here in Florida. It is a crime up North for the owner of a dog, not to utilize the "Pooper Scooper" when their pets relieve themselves. It is a shame to witness this in my neighborhood, the park where my boys play flag football and driving along the roadways.	2/23/2017 10:48 AM
1550	We do not have enough industry around here to support small businesses. We also do not have enough recreational activity in the city. We need to worry more about bringing in businesses and things for people to do instead of the retirees. I have been here for 25 years, from elementary until now. The city needs to provide incentives to attract larger companies with better paying salaries. This will increase the overall quality of life for current residents, as well as bring in citizens with a higher education to our city. We are no longer a retirement community, we have 13,000 students in our schools.	2/23/2017 10:47 AM

1785	Crime. Especially the brave ones. Breaking and entering during the day is very disturbing. I have been here for 2 years and have tracked the crime. It is horrible here! I have lived in SW FL, several other Florida towns, several towns in PA also and have never seen this much crime. If you look at Crime Reports it all started in N Palm Coast and is quickly moving south. We currently live in the E section and have thought about buying here but we are afraid to buy here due to brave crimes and property taxes seem high. There are really no great restaurants and not much of a nightlife here for us older folks. The beach and beach bars get old. Wish there was a YMCA here! Love, love Central park but crime seems to be taking over there also.	2/22/2017 10:28 AM

2040	Cost of living! No industry! Need higher paying jobs rather than minimum wage!	2/20/2017 9:21 AM
2041	The nit picking of permits needed to do anything in Palm Coast . I do believe most permits are necessary, but there are a lot of unnecessary permit action required. The fact that you can't just do something in your home without having to pay the city money and paying somebody to do a job or an upgrade is frustrating. The fact that you buy a home so that you can call yours and Palm Coast makes you feel like they own it as if you have to ask their permission to do anything. Overall I love the way our cities becoming and looking just keep up with the curb appeal.	2/20/2017 9:17 AM

2048	To many rules and regulations	2/20/2017 7:48 AM
2049	The reason would be the constant building of duplexes and the trash that are mostly associated with them. This not only goes for tenants but owners as well. Another reason would be the rising crime rate. Palm Coast needs their own police department.	2/20/2017 7:20 AM

2067	I'm not leaving.	2/19/2017 9:09 PM
2068	The code and the enforcement method of same. No reason for me to tell them if there are violations. If I can see it so can they. If they have to be told, get rid of them. The priorities are wrong. We are spending millions on the community center,right after it was reported we cant afford a new firehouse..and wasted a few hundred thousand on renovations to the inadequet firehouse. Too much is spent on Belle Terre and PCPwy. while many other streets are landscaped as if done by a bulldozer.	2/19/2017 9:06 PM

2080	Nothing for kids.. No sidewalks	2/19/2017 6:03 PM

2086	Housing cost	2/19/2017 5:20 PM

I loved it then, quiet, laid back...Lately, more (Yankees) are coming here because it is so affordable, all they do is complain about how "we're doing it wrong, because (in the great) up north they have sidewalks, street lights, a police department, malls, stuff for kids to do.....That is why I am leaving, I don't need an Aldi, Tractor Supply, 50 gas stations/McDonalds/CVSs.....Too many people, too much (crazy) traffic, crime is getting worse....	2/19/2017 11:21 AM

I also wish the park on FL drive had been completed before the other park (with the basketball courts and the small playground and the community garden - near Suntrust?) had been closed. I visit parks every weekend with my children and now we no longer have one within walking distance. It would be neat if we had a park that was similar to Ormond's Magic Forest Park.	2/23/2017 7:11 PM

1376	This is where we have played tennis since the Players Club was unfortunately demolished. Unfortunately the rates do not reflect the advanced age of some players plus the change of status from couple to single and the city gives the lame excuse that the couple's rate is a discount rate. But for a single player in her nineties to pay 71% of the couple's rate is unreasonable. When this issue was addressed to each council member individually not one of them had the courtesy to respond to their electorate. It was passed on to Mr. Landon who passed it on to some subordinate. I hope that my response is not deleted and will be included in the presentation to the council.	2/23/2017 4:01 PM

2641	There is no good park in the City of Palm Coast. They are either too small for older children or run down and dirty with no options. Some are called parks and do not even have options for children to play nor do they have a playground. It was very disappointing to move here for our children. There are not nearly enough sidewalks in neighbors for children to be safe on for them to have fun because the lack of child friendly activities.	2/19/2017 8:22 AM

1	No more debates re:Council Salaries	3/9/2017 8:58 AM
2	It is extremely dark - they say we do not need a st. light. We need industry to bring in higher paying jobs and to be more diversified.	3/7/2017 9:57 AM

4	Town Center has too many lites none hardly where people live. Put some street lites in neighborhoods maybe would cut down on crime & safety.	3/7/2017 8:25 AM
5	Was much better when County was in charge of the whole place. I don't even recommend people to move here, tell them to go elsewhere.	3/7/2017 8:03 AM
6	Yes: Allowing history to be our guide, there are many of us who have lived here long enough to share with you our thoughts that most, if not all of us don't want the east side of I-95 to become like the west side of I-95 has become! With all due respect, growth control is paramount in our opinion! keep greenspace and trees/foilage. Thank you	3/6/2017 4:32 PM
7	I would very much like that the Belle Terre swim and Racquet Club be reopened FULL TIME; it is a very important club for people of all ages, e.g., swimming lessons for all age children to aerobics for seniors, practice for swim teams, etc. Street lights are very important for all over. It is so dangerous for drivers and pedestrians driving and walking in the dark. Crime has increased so much the last few years, street lights could be a deterrent.	3/6/2017 4:22 PM

9	city destroyed water quality of canal along the back of property and eliminated the majority of the fish population, birds and wildlife followed-was terrific in 2009, totally shot by 2014...also, selective enforcement of zoning codes-it is either legal or not-just because one may have a neighbor that doesn't complain doesn't make it fair for the rest of us who must adhere to the codes..selective enforcement should not be tolerated-change the rules if the majority sees fit but enforce them equally for all...lastly..the police allow citizens to park their cars at school bus stops and wait for/with their children-this is NOT a problem except that they block the adjacent traffic lane and this prevents the lane from being used or takes up too much of the lane..Should you go around them and get in an accident it would be your fault- I went to the police with this issue..They instructed me to call them and wait at the intersection-silly response as it would back up traffic for an unduly length of time..They know the problem exists-fix it..should be no blocking of lanes period..	3/6/2017 7:27 AM
10	Traffic engineer should be fired!	3/6/2017 1:49 AM
11	Street lights and more sherrifs... do Bicicle Patrol. POST of Sheriffs officers On the actual trails. We had to run back to our car from a Bobcat. Last Monday a random guy was walking in our street with a bottle of vodka and smoking, it was really suapicius. Need more patrol, sheriffs cruisers just pass throgh flying down the road .	3/6/2017 12:10 AM
12	We love Palm Coast, but street lights and sidewalks are seriously lacking in most neighborhoods and we should probably have more neighborhood watch groups. We are also lacking in public transportation which is a severe deficit for a lot of people!	3/5/2017 11:49 PM
13	I believe there is a need to BEYTER communicate with the community that is not being done. The city is marginally involving the citizens.	3/5/2017 11:26 PM
14	Street lights are a very big concern. I own a home on a main road and it's pitch black at night. I feel very unsafe at night due to this.	3/5/2017 11:21 PM
15	Listen to the citizens.....we need industry for jobs that pay a higher wages and for God sake lights on streets...been here 20 yrs and still no change....its just pure idiocy.	3/5/2017 11:09 PM
16	Of all the places I have lived, Palm Coast is the worst for providing Senior facilities. Should be a separate building.	3/5/2017 10:51 PM
17	Sidewalks and better bus stops for children! Street lights please!	3/5/2017 10:49 PM
18	C section on N Coral Reef Court needs more street lights. The whole area does. Including Old kings road. It's so DARK!!	3/5/2017 10:49 PM

19	In light of the recents deaths due to inadequate streetlights and sidewalks in our community, I feel there is an absolute need to do these projects before any other projects in this county. There have been too many lives lost as a result of negligent, I feel, on the part of our county for the safety of our residents. PLEASE, PLEASE DO SOMETHING ABOUT THIS!	3/5/2017 10:39 PM
20	Our children need to feel safe while playing outside. We need sidewalks, more lighting. Too many have had life altering injuries from being hit by a car, or killed! This is an easy fix! Come on city of Palm Coast!	3/5/2017 10:29 PM
21	The city needs to make up its mind, is this a retirement community or an up and coming town. Youth are considered a nussiance here and families are at their wits end trying to entertain teenagers.	3/5/2017 9:30 PM
22	I love living in Palm Coast as long as it does not become more expensive Retired on SS	3/5/2017 9:12 PM
23	Please add sidewalks down old kings road north. Cut the bushes back in places where people are trying to see to pull out, like in the shoppping centers	3/5/2017 8:50 PM
24	It seems the city is changing the appearance of the medidums of the main roads every year. Thats such a waste. Lets find someway else to spend that money. Maybe street lights.	3/5/2017 8:49 PM
25	I strongly support our city and its elected officials. I would like to thank them and the city employees for working so hard to make my daily life an enjoyable one. I appreciate all that you do.	3/5/2017 8:12 PM
26	We need streetlights all over...Safety should be the only concern currently. Nothing else.	3/5/2017 8:06 PM
27	The city needs more sidewalks and street lights along major roads. The city was able to put in sidewalks along US1 North of Palm Coast Parkway, where no one lives. Who are they protecting there. The city needs to have sidewalks and street lights along every street for the safety of its citizens.	3/5/2017 8:04 PM
28	I support the availability of programs for youth & seniors with subsidies for low income people. Other recreational programs should be paid for by the individuals using the services.	3/5/2017 7:57 PM
29	To enhance the Sheriffs Office crime scene unit they should increase the staff. Start neighborhood watch.	3/5/2017 7:56 PM
30	give us lights at the sports complex...	3/5/2017 7:53 PM
31	Please stop building Dollar stores,Banks,etc. We could use some high end stores so we don't travel to other cities and leave our money there. Many people love the trees on Palm Coast Pkwy. The city needs to leave as many as they can.	3/5/2017 7:45 PM
32	It is imperative that more streetlights and sidewalks are added to residential areas! Too many of our children have been killed!! It's enough!!	3/5/2017 7:41 PM
33	Please keep property taxes manageable in order to keep PC afordablet to seniors. This is a great place to live.	3/5/2017 7:28 PM
34	Why does Palm Coast not allow boat for personal use park on homeowners driveway? PC is close to the beach but strictly prohibits boats on DRVEWAY. if it is covered and parked ONLY on homeowners property then u should reconsider a new law. Many coastal cities allow this n our city officials should rethink the old rule. PC is growing and can even grow more if u relax the rule regarding boat parking.	3/5/2017 7:19 PM
35	I believe street lights are essential to Palm Coast. We are losing to many young lives for no reason. It doesnt matter how much it costs the city we need sidewalks and street lights ASAP.	3/5/2017 7:07 PM
36	Exploring retirement areas in Florida and Palm coast is not as inviting as it once was. Many people who live here wish they lived elsewhere and hearing that concerns us.	3/5/2017 7:07 PM
37	The safety of the walkways is highly inadequate for the amount of taxes we are paying. If you expect our children to walk anywhere from 1 to 3 miles to school before providing bus services, then you need safe walkways and streetlights. It is painfully obvious that the Palm Coast government puts more money and stick into failing gold courses and yacht clubs rather than into the safety and security of its youth and it's citizens. The recent string of pedestrian deaths, to include the 16 year old high schooler recently killed, is uncalled for and the PC government has partial responsibility and ownership in these tragedies. Start using our tax funds for all of the residents, not just the privileged few.	3/5/2017 6:54 PM
38	Streetlights Sidewalks Economic development Something for our youth to do	3/5/2017 6:39 PM
39	Palm Coast really needs jobs, beyond just retail stores, health care, and real estate. With the right influx of industry, there wouldn't need to be an increase in taxes, as the tax base would be broader.	3/5/2017 6:07 PM
40	The blue & white development signs need to be updated all over Palm Coast, they look so trashy & outdated.	3/5/2017 5:52 PM
41	Love living here.	3/5/2017 5:42 PM

42	Get rid of the circles, don't allow people who work for the city have more rights than the citizens they provide services to. Stop ticketing parents at sport functions, make the speed limits normal and stop protecting trees more so than tax paying citizens.	3/5/2017 5:07 PM
43	Please find a way to work with the county instead of knocking heads	3/5/2017 4:35 PM
44	Crime seems to be rising as our population increases. I've been told that the apartment complexes on SR 100 are turning into ghetto's and are crime ridden. This is very sad.	3/5/2017 4:25 PM
45	As high as you property tax rates are you should be doing allot more. I'm paying the same tax rate here on a $250k property as I did on a $500k property in Montgomery County Maryland which is one of the wealthiest counties in the nation. It seems you could do more.	3/5/2017 4:25 PM
46	I think palm coast is a wonderful community. The streets are always clean and there is a lot of outdoor activities for me and my family.	3/5/2017 4:20 PM
47	Would love to see better resturaunts in town. Sidewalks along the streets that run through the sidestreets in the neighborhoods.	3/5/2017 4:00 PM
48	It is sad how much we put into planting trees on the side of the road when that money could more wisely be spent on street lights.	3/5/2017 3:47 PM
49	Palm Coast needs street lights. It's dark and it's dangerous.	3/5/2017 3:45 PM
50	Low taxes keep me here. If you raise taxes, I will leave in a heartbeat. Location to neighboring cities (Daytona, St Aug) is ideal.	3/5/2017 3:21 PM
51	We desperately need more streetlights and sidewalks in areas that are not considered "main corridors". We have a lovely town, but our streets are not safe for residents to walk their dogs, ride bikes, etc...	3/5/2017 3:13 PM
52	Sidewalks and street lights in our neighborhoods to be safe. Almost got hit walking dog several times	3/5/2017 2:48 PM
53	There is a fine balance that is difficult to achieve here. We want to live in a quiet, quaint community, but we want goods and services to be convenient. We want to live in a community with little traffic, but we want the residence of the community and their children to have lucrative professional opportunities. I'm an artist. I love a fun and funky art district, but my husband is an executive that needs to be in or near an area that has a robust corporate environment. I'm not suggesting bringing big business to Palm Coast. Just more opportunities for professionals to find one another and intermingle. Thank you for this opportunity to complete this survey.	3/5/2017 2:32 PM
54	Street lights and or sidewalks are needed for the safety of our residents. While plants and landscaping are nice they don't save lives. Not much point in making the city beautiful as mostly residents see it. We don't have much other than beaches to attract tourists. I feel the money could be better utilized in safety, and recreational activities for the families living here. It's a shame I have to spend my money in Daytona or St. Augustine.... you can only go to the movies or bowling so much.... we have the space to build something for families to do stuff here and keep the money at home. Get a minature golf, arcade, go cart type place here and you would see the revenue roll in. There is nothing like that close by! Get Volusia and St. John county money spent here too!	3/5/2017 2:30 PM
55	need to trim some trees and intersections that make it hard to see traffic coming.	3/5/2017 2:21 PM
56	Sidewalks are very important	3/5/2017 2:19 PM
57	Sidewalks should also be considered...	3/5/2017 2:12 PM
58	We have to have more street lights, more police presence to make speeders slow down, more sidewalks. People are dying, please listen. Young children with their lives ahead of them are dying. Show their families that their deaths were not in vain. Protect our children.	3/5/2017 2:02 PM
59	Town is.growing like crazy. Yet still see junky pockets in between newer nicer ones. Looks like hurricane debree is still not picked up. Large volume of tragic on palm coast parkway. Also concerned that people pan handle in the Walmart parking lot.	3/5/2017 2:01 PM
60	Sidewalks are needed in many areas. Enforcement of water usage limits is lacking. Enforcement of pet rules (i.e., keep them inside or behind a fence) is lacking.	3/5/2017 2:00 PM
61	We desperately need sidewalks and streetlights. People drive very fast in our neighborhoods and when driving, you can't see people walking. Combination of too dark from lack of streetlights, people driving too fast and they can't see people walking on the side of road due to no sidewalks.	3/5/2017 2:00 PM
62	I'm very concerned about city growth and rental properties in palm coast increasing.	3/5/2017 1:58 PM
63	Need more kid friendly places to go. Need more restaurants and shopping. Need to focus on new families and young professionals!!!	3/5/2017 1:56 PM

64	If you weren't wasting tax payers money on extremely high salaries for your top people, wasteful pork belly projects, and [redacted] he people don't know about...you wouldn't need higher taxes to pay for all the items mentioned before...you can live very comfortably in palm coast for about $100,000 per year. The greed at the top is ruining everything for everyone :(	3/5/2017 1:55 PM
65	This city needs sidewalks and more streetlights in the neighborhoods! Also more officers patrolling neighborhoods. Cars fly by all times of the day no matter what street I'm on.	3/5/2017 1:46 PM
66	Roads are WAY too fast. And need more streetlights!	3/5/2017 1:46 PM
67	Red light cameras are a scam	3/5/2017 1:29 PM
68	Park is needed in z section	3/5/2017 1:23 PM
69	You NEED to pave the county road 325! The amount of money spent for diesel fuel, operator and heavy equipment maintenance far exceeds bringing this road up to modern standards. This has become a VERY high volume road- for the love of god- do something!	3/5/2017 1:13 PM
70	I feel that street lights in our neighborhoods is highly important. It is so dark and is the cause of so many burglaries and injuries along with death on our streets. I have almost been hit numerous times walking in my neighborhood at night and a few times have almost hit pedestrians or bikers myself as I do not see them until I'm up to them and I'm a very cautious driver. This is mandatory as we all need to feel safe walking, riding or driving on our streets. Sidewalks in neighborhoods are highly important. We need our drainage system fixed and properly working as the swales are horrible. We need more patrol in neighborhoods both for crime and speeders. I feel way too many trees are going up in the medians and the pockets of the officials are being lined heavily with our tax dollars and we aren't seeing the benefits of things we as a community care about, need or want to keep us safe and to help with issues within our neighborhoods. We need more resources for our Animal Control and the Humane Society which are vital to this county. There are so many needs that we the tax payers have yet the City keeps giving unwarranted raises to the City Manager and lining the medians with trees. It's time to find major cuts in the budget for Misc stuff that aren't keeping the community safe and start adding the above to the budget. And Landon should be let go as he is WAY over paid and I do not feel he is doing a good job. Bring someone in who is younger, for far less pay who will review the budget and find ways to add important things to the budget to actually help this community and keep its tax payers safe. Include the tax payers in the plans and developing proposals. And no not by paying $10k for radio slots. Use Facebook and other social media platforms as the majority of your citizens are on swip swap groups. Maybe a radio advertisement to keep the community who listens to the station up with meetings and important things, but definitely no where near $10k! Money is being thrown away here and I personally am sick of it not going where I and so many others feel it should be going. Want to see how your tax payers feel, just look at Swip swap Palm Coast and you will see they aren't happy with things at all! I plan to attend the meetings when I can moving forward and becoming more involved in my City where I pay taxes and want to be sure my money is not just being spent on frivolous things and no more lining pockets of our local politicians, especially those who do not deserve it.	3/5/2017 1:09 PM
71	For the most part, love living in Palm Coast. Sidewalks are a NECESSITY!! Children and people walking their dogs have no where to go to avoid the speeders going up & down the street. Police enforcement is erratic or non-existent in the speed zone sections during the morning afternoon hours. Those people speeding are a danger to our kids - as we've already seen multiple times. Grateful for the times when the Police step in & help the kids cross the streets for school, but they can't do that and enforce the speed limits too.	3/5/2017 1:03 PM
72	Finish Holland Park. Stop cutting down trees-you are taking away the beauty of Palm Coast. Try to limit duplication of services like banks, gas stations, drug stores-we don't need these at every corner or exit.	3/5/2017 12:52 PM
73	Please construct sidewalks and street lights in residential neighborhoods. It would help reduce pedestrian fatalities and injuries. This city has lost too many innocent lives due to insufficient lighting and sidewalks. We should move funds from the beautification of the city and use it for safety.	3/5/2017 12:52 PM
74	We need more upscale restaurants. We need fewer fast food restaurants. We need grocers dedicated to whole & organic foods, I.e. Native Sun, Whole Foods, Fresh Market.	3/5/2017 12:47 PM
75	I think it is a shame there is no Senior Center in Palm Coast. Most near by cities have at least one, if not more available. Why aren't the Seniors better provided with a place to go for help, games, social events, and learning programs?	3/5/2017 11:30 AM
76	AS A COASTAL CITY, PLEASE ALLOW RESIDENTS TO PARK ONE(SMALL TO MID SIZE) BOAT ON THEIR OWN DRIVEWAYS, AS LONG AS IT IS SECURED, COVERED AND THE RESIDENT OWNS THE BOAT.	3/5/2017 10:52 AM
77	There is a huge need for industry in Flagler County. All we have are low paying, part time retail and food service jobs available here and nothing for the average blue collar worker to support a family on.	3/5/2017 9:51 AM
78	There needs to be an honest effort to bring jobs to Palm Coast that pay an actual salary for a person to afford food shelter and clothing	3/5/2017 9:34 AM

79	Opening up that shuttle bus to public transport should be thought about. If the bus ran a loop once a hour from target up to European village and back for five bucks ? Maybe. Ya might get more people into restaurants etc. works in Delray Beach and st. Augustine.	3/5/2017 7:59 AM
80	Yes, The Mayor is a Figure head Puppet for ex mayor John Netts and the City Manager. She cant make her own decesions and she needs to Fire the City Manager and take over.	3/5/2017 3:38 AM
81	Palm Coast desperately needs better lighting on ALL its roads, not just major roadways. Better lighting plus more sidewalks would help reduce the number of pedestrian and bicycle accidents. It would also help if curbs were painted with reflective paint so they would be more visible at night to vehicles trying to turn into places of business (for example, Hungry Howie's, Wendy's). When we first moved to PC, I can't tell you how many times we almost drove into an exit instead of an entrance because of poor lighting and poor signage at various places in PC. I would like to request that the city consider putting a sidewalk along the north side of Oak Trails Blvd. A school bus drops children off near the corner of Blare Dr. and Oak Trails, and some of the children then have to walk along the edge of Oak Trails Blvd. to get home. This is not safe, especially considering the speed at which many people drive on this road. On a personal note, I would like to have a sidewalk there to provide better access to the Graham Swamp Trailway at the end of Oak Trails Blvd. My son is handicapped, and we would like to be able to get to Graham Swamp Trail from our home on Blyth Court, but it is very dangerous to try to ride our bikes or trikes from Blyth, either to one end of Oak Trails to access the trailhead, or to the other end of Oak Trails and left onto Old Kings to the Trailhead, because there are no sidewalks on either road. I see many people who walk down Oak Trails Blvd. to Old Kings Rd. and then down Old Kings Rd. to get to various places, and the lack of sidewalks on these two roads makes it very dangerous for them. PLEASE consider installing sidewalks here for our neighborhood! Also, at various times of the day and night, Oak Trails Blvd. seems to be used as an alternative to the Daytona Speedway. Would it be possible to install speed bumps across the road in a few places to slow the speeders down? Thank you.	3/5/2017 1:17 AM
82	Palm Coast has too many intrusive rules and regulations.	3/4/2017 11:05 PM
83	Wish there were more higher end shops! Enough Dollar Generals already! How about a Trader Joe's, Home Goods, Bed Bath and Beyond!!	3/4/2017 10:16 PM
84	Yes. I can't stress any more how horrible the traffic situation is. I have spoke with several cops in Palm Coast. Every single one of them are very good honest human beings. I've only had positive encounters. The police want to do a good job, but they are not being managed properly. The cops need to have a quota...to pull over at least 1 slow left lane drive a day. In time, folks will have the proper amount of fear instilled to no longer be bad drivers. I've lived in Ohio, Pennsylvania, Colorado, Oregon, and now Florida. Florida is the *worst* when it comes to slow left lane drivers. It's worse on the interstates, but it is horrible on Belle Terre. Folks don't even care about being a good driver. Folks know the cops will do nothing to them for being slow left lane drivers. Now for the worst part...even though I despise slow left lane drivers, I still follow the law, and do not tailgate the slow left lane driver. But what about the guy behind me? The guy behind me tailgates me...but what am I supposed to do? RAM into the slow left lane car in front of me? So this exploits the fact that the police are failing two fold. Not only are they not pulling over the slow left lane driver impeding traffic, but they also are not pulling over the guy tailgating me while I'm waiting patiently behind the slow left lane driver. Please...please...please...do something about these awful, horrible slow left lane drivers!!!	3/4/2017 8:21 PM
85	The city of Palm coast needs to fix the traffic flow problem on Palm Coast Parkway. Also code enforcement should STOP taking Realtors Open House signs and throwing them away. They should have better things to do with their time.	3/4/2017 7:54 PM
86	I would like to see a Trader Joe's and a Homegoods store come to Palm Coast. Seems like a lot of crime in certain neighborhoods of Palm Coast.	3/4/2017 7:39 PM
87	Need sidewalks on Cimmaron. Very dangerous for bikers and walkers.	3/4/2017 6:54 PM
88	NEED SIDEWALK ON CIMMARON	3/4/2017 6:51 PM
89	Cell service throughout the area is terrible. It would be wonderful to have Costco in our community	3/4/2017 6:35 PM
90	I would like to see Old Kings Rd. North expanded to 4 lanes. The traffic signals in town need to use the in road sensors more.(quicker light cycles) The traffic at the Palm Coast Pkwy and Old Kings Rd. intersection is horrible.	3/4/2017 6:05 PM
91	I grew up in this county, attended BES when it was the only elementary school, then WES, BTMS and FPC. I moved away to larger FL cities (Orlando and Jacksonville) but ultimately have made it back home to Flagler County. Now I am raising a family and hope to see it continue to grow in order to meet the needs of my family. Flagler is located in a prime location to facilitate a younger, youthful and overall successful (both emotionally and economically) demographic. I think it is time to start thinking growth in a modern sense. Economic development should do whatever makes it possible to say their community's number one employor is no longer the public school system but independent industry. In order to do so the system of city priorities must shift. It must make local issues/needs from local citizens a top priority and get out of the mind set that this is a "retirement" community.	3/4/2017 5:58 PM
92	We need a Palm Coast Police Department, more moderate level restaurants, youth activities to reduce teen crime.	3/4/2017 4:25 PM

93	We must have sidewalks and street lights!!! How many more residents have to be killed or hurt before the city approves construction and installation of both. Plus, we are living in the dark ages in Palm Coast. Swales and overhead power lines!!!! Come on Palm Coast. Get with the times and improve our standard of living and catch up with the rest of the world.	3/4/2017 3:11 PM
94	We voted no on new city building and it was built anyway. The mayor could not get elected unless she changed parties. City codes can't be enforced. No sidewalks in the neighborhoods. No reason to stay in Palm Coast.	3/4/2017 2:38 PM
95	Drivers need to slow down, too many in too much of a hurry, speed enforcement lacking terribly	3/4/2017 1:23 PM
96	Palm Coast would be great if we profided more shopping places to eat like possibly a mall.	3/4/2017 12:44 PM
97	The city needs to readjust spending to what is important most now.	3/4/2017 12:27 PM
98	Both of our parents live in Florida one in Palm Coast and the other in Bunnel and it pains us to think of moving to another state for the sake of our children's well being. Some play park areas have older kids that make us feel like our children feel the need to leave the playground. Our parents can be blind to some of the things we see and here because they only go out 2-3 times a week but we as a family of young children go out shopping or walking or have paid for specific activities for our kids 3 times a week also to keep them socialized and active. We also don't like way our neighboring streets are changing with lack of care for their own property.	3/4/2017 12:02 PM
99	Health, safety and welfare of the Citizens. No more Radio shows, no more raises for Landon, no more razing and rebuilding community centers, no more sending sewer workers to competitions to bring home the "our s__t don't stink" awards, no more City Halls until every roadway with a classification of collector or above has lighting, walkways and bike paths. How many MILES of sidewalks and how many hundreds of street lights could have been provided for the cost of the new City Hall? Health, safety and welfare of the citizens - no more stupid use of my tax dollars. What is the cost of the life of a 16 year old?	3/4/2017 11:59 AM
100	Unless you are lucky enough to live in a gated community, Palm coast is becoming a ghetto. Gated communities make sure the owners of homes take care of them. Outside gated communities, it's a free for all. Home owners or renters can do anything and the town lets them do it even though the town has rules and restrictions. None of them are followed or enforced. We were looking to buy a home here but have some serious concerns so we will continue to rent. We are exploring other areas now, hesitating to invest here. Palm coast was once a beautiful place but now, there are so many prettier and safer places in Florida. Also, we as well as many people we know, dislike the toll bridge in Palm coast. Every time we all go to the beach, we have to pay this stupid toll. I understood it's reason initially was to pay for it but now over ten years later? We get ripped off by Palm coast and then get ripped off by all the gas stations in town who charge as much as twenty cents more per gallon of gas then stations elsewhere?	3/4/2017 11:51 AM
101	I was raised in Palm Coast, went away for college, came back and could only find a retail job. I didn't get student loans to wind up working at a [redacted] grocery store job. There's no good jobs for educated people that don't require a ton of driving. Also, driving is mandatory to get anywhere. Flagler County Transit is marginally acceptable for seniors or disabled people but what about young adults or adults who can't drive for whatever reason? I didn't choose to be partially blind, but I am, so I can't drive, so I feel trapped and unable to get to essential tasks. There should be a proper fixed-route bus system along the major corridors. Especially since we have older drivers and older people who suck at it. Come on, for a community with such old people, why don't we have a way of reducing out car dependence?	3/4/2017 11:12 AM
102	Happy with Palm Coast, Glad We moved here. Highly recommend	3/4/2017 10:51 AM
103	The city has got to do something about the Barrage of traffic suddenly inundating the C and F Sections now because of the new I 95 exit by Matanzas Parkway. This is a residential area and yet traffic rolls through the area like it is truck stop/commerical stop. It is really impacting the quality of life. People bought in this area wanting a quiet area. When We go to leave our neighborhood we are taking out life in our hand just trying to turn into traffic on Palm Harbor Parkway.	3/4/2017 9:40 AM
104	Bring manufacturing to US1	3/4/2017 8:05 AM
105	We need street lights in the Matanzas section. Too many accidents and a fatality this week alone. Too much money spent on City Hall instead of improving quality of life in northern section of Palm Coast. It looks like a shambles!	3/4/2017 7:01 AM
106	More consistent application of Code Enforcement practices to preserve the quality and beauty of P.C. Continuing education for animal control.	3/4/2017 6:27 AM
107	Old Kings Road should be the city #1 Priority to widen to four lanes	3/4/2017 6:24 AM
108	Need traffic light installed near E section. Traffic too fast and we cannot turn right on Belle Terre. Install street lighting. Give tickets to cars not making full stop on right hand turns. Hazardous for bikers/pedestrians trying to cross streets	3/4/2017 5:06 AM
109	I have an Associates Degree	3/4/2017 4:08 AM
110	Do not forget most seniors are on a no increase fixed income.	3/4/2017 2:32 AM

111	I feel city manager and mayor salaries are way too high. Water quality and excessive chlorine is deplorable. Tree removal and replanting requirements are outrageous and very costly...especially unfair to homeowners living on fixed income.	3/4/2017 1:12 AM
112	Streetlights, public transportation system for seniors, speed limit enforcement, and red light cameras are needed. Pedestrian walk signals not properly synchronized with traffic lights. Code enforcement is slipping in the neighborhoods.	3/3/2017 11:29 PM
113	This survey should be more widely publicized	3/3/2017 10:32 PM
114	As a former City Council member from Texas, Palm Coast is well planned and laid out. It is beautifully maintained. City officials are doing a great job. A little to over regulated and controlled but that is not necessarily a bad thing. My hats off to the Council and City staff.	3/3/2017 9:50 PM
115	n0	3/3/2017 8:44 PM
116	Keep Palm coast a great community do not let crime drugs and such overwhelm this area, do not let it become a Daytona Beach. Support law-enforcement 100%	3/3/2017 8:37 PM
117	Why are the citizens paying for a city hall they did not ask for? Why do we pay a city manager such a high salary for such a small city, higher than many up North?	3/3/2017 8:15 PM
118	Beautiful area, No sense of community. Activities/events underwhelming.	3/3/2017 8:08 PM
119	I feel that it's important that we keep our community safe from crime	3/3/2017 7:01 PM
120	I believe Palm Coast has done a wonderful job with the city especially in comparison to similar area towns.	3/3/2017 6:02 PM
121	Would love it if the R section was not referred to as a crime section .	3/3/2017 5:37 PM
122	I tend to purchase gas outside of Palm Coast as it is always at least 10 cents cheaper outside of the city.	3/3/2017 5:30 PM
123	I live in the psection off of park view and the sidewalk has ended and not continued down the road I believe it should continue Down the entire road. I feel uncomfortable allowing my kids to go to other parts of the neighborhood because there is no sidewalk on that main road and cars often drive to fast. Please continue the sidewalk through the neighborhood.	3/3/2017 5:25 PM
124	We need more sidewalks and street lights, there have been too many fatalities here already. Especially on Old Kings where children ride bikes in 50 MPH areas	3/3/2017 4:48 PM
125	I think Palm Coast should focus on the beauty of the main arteries, such as Belle Terre Parkway, Palm Coast Pkwy North & South by either getting the schools or seniors to volunteer or hire someone to pickup the massive amounts of garbage that litters both sides of the walkways. Expensive palm trees are planted in the islands of the street but nothing is being done to clean up these major arteries. Tourism is one of the main incomes to this city and if we lose site of not keeping up with other communities, we will eventually lose those dollars.	3/3/2017 4:34 PM
126	I love Palm Coast!!!	3/3/2017 4:15 PM
127	golfing should be emphasized more to draw snowbirds and vacationers	3/3/2017 4:10 PM
128	1) SIDEWALKS are desperately needed on major access roads leading into neighborhoods (ie: LAKEVIEW BLVD, LARAMIE DR, LONDON DRIVE, BIRD OF PARADISE, etc) In order to get to a nearby sidewalk/bike path or public recreation facility, we have to bike or walk on these busy roadways that do not have sidewalks, bike lanes/trails, nor shoulders. There is not enough room for 2 vehicles traveling in opposite directions and a bicycle along these roadways. So very dangerous and unsafe for bicyclists and pedestrians. 2) Neighborhoods need policing more to stop the speeding that occurs daily (day and night) on these heavily populated streets. 3) We plan on remaining in Palm Coast, and enjoy living here, but it has become increasingly more dangerous to travel (walk, bike and drive) on the roadways here throughout the City. 4) Crime: home & vehicle break-ins, and grab & run robberies in parking lots all concern us, but we remain aware of our surroundings and try to take precautions whenever we can.	3/3/2017 3:54 PM
129	PEOPLE IN CHARGE OF THE CITY SHOULD CARE ENOUGH ABOUT THE RESIDENTS WHO FEEL UNSAFE. THEY SHOULD CARE MORE ABOUT SAFETY THEN PUTTING UP TREES AND SIDEWALKS. MAKING THE CITY LOOKS GOOD, BUT IT'S ALL A MASK CONSIDERING THE CITY IS NOT SAFE..	3/3/2017 3:11 PM
130	You left out some educational miles, where is the Associates degrees, etc. i had to mark Bachelors degree, who decided that question? we have more school options then just the few listed??? And forget beautifying the center of our roads, your making them very dangerous, not feeling safe pulling out when you have bushes and trees blocking your view. We need street lights in our neighborhoods, keeps the young punks out of our yards and streets, if there were lights where we could see what they're up to, and keep people safe who walk at night. Get your priority straight, those who voted you into office can just as well vote you out! Hopefully we see some results from this survey, pretty interested to see what others thoughts are!	3/3/2017 2:46 PM
131	We badly need lights and sidewalks in this city not a radio show!	3/3/2017 2:28 PM

132	to expensive to live here	3/3/2017 2:19 PM
133	nope	3/3/2017 2:18 PM
134	in the level of education I have an associates which you don't specified. so I put bachelors. I really would love to have the luxury of owning my own home but the way economy is going I don't think that is going to be possible, I would love to have my daughter stay with something when I'm gone. I would like to get announcement of events if possible I really am in limbo of anything in Palm Coast. my email is Drdeliarosa@gmail.com thanks	3/3/2017 1:26 PM
135	Am very upset that a home that burned several years ago and located on Cimmaron has tattered roofing materials and an open roof. The city has not addressed any mitigation. How would you like living near that eyesore???	3/3/2017 1:25 PM
136	After the accident on Lakeview Parkway we need sidewalks and streetlights.	3/3/2017 1:08 PM
137	WE NEED MORE SIGNS - TOO MANY PEOPLE GO THE WRONG WAY - ESP. ON & OFF PCP. TRAFFIC SIGNALS ARE TIMED WRONG. DON'T CUT DOWN MORE TREES ON PCP FOR NO REASON!!!!	3/3/2017 1:08 PM
138	Are we not within the city of Palm Coast?	3/3/2017 1:01 PM
139	DOG PARK COMPLETION IS URGENT!	3/3/2017 12:35 PM
140	Seniors are the fastest growing population in the USA and are the most stable. There should be special senior center services available.	3/3/2017 12:17 PM
141	Great job with keeping the city beautiful. Big factor in moving here. Best looking city around. Keep it up!	3/3/2017 12:15 PM
142	we need more streetlights....forget 8 million for a refurbished comm center that only a few groups use..use that $10,000 for some silly radio show to get some SOLAR street lights let the SUNSHINE State provide the power to the lights...	3/3/2017 12:06 PM
143	Don't understand why it has taken so long to refurbish Holland Park and it appears the City will be at it for a long time. What a waste.	3/3/2017 12:03 PM
144	We have been residence for 20 years.	3/3/2017 11:42 AM
145	you need to go other cities in fl ,see how there parks look , port orange, Altamont springs off 4	3/3/2017 11:41 AM
146	why is there no mention about Holland Park	3/3/2017 11:21 AM
147	The city of Palm coast and drainage needs improvement with customer service and accommodating its residents.	3/3/2017 11:18 AM
148	If there is anything that comes out of this survey, it should be the need for streetlights throughout Palm Coast. The fact that a 16 year old girl was killed last night should make this an urgent priority.	3/3/2017 11:11 AM
149	Better ordinances are needed to control growing rentals, crime, noise nuisance from autos, street debris. Better enforcement of city codes,etc.	3/3/2017 10:48 AM
150	We absolutely need street lights and sidewalks in the neighborhoods. It is too dark for these kids to be walking around without them when they are going to and from bus stops and friends houses. We have had too many deaths occur. We need a much heavier deputy presence on main roadways that are writing more speeding tickets to those who feel it is necessary to go 60+ down Belle Terre among other roadways. I love Palm Coast and I plan on retiring here, but these are improvements that need to be made.	3/3/2017 10:41 AM
151	it is sad when we see in the empty corner lots being used for bottles or cups from most likely kids hanging out at night or on their way to or from school bus stops. I have even taken a grocery bag myself to pick up some on route when driving by. parents need to teach their children to be more respectful of the areas they live in too. also wish there was a traffic light at the intersection of old kings road and fleetwood. we have major difficulties every single day, several times a day in crossing over with our car or riding our bikes. can you imagine how difficult it is when it is at dusk for the older folks that still go out????	3/3/2017 10:35 AM
152	Since my husband and I do not play tennis or golf we do not want our taxes to pay for any part of those activities since they are big ticket items.	3/3/2017 10:15 AM
153	Poor road planning- e.g.: matanzas 95 access road too narrow & will need re-doing after new senior living center built.// lack of law & code enforcement- overnight parking in swale; excess of dogs in single family houses; use of cellphones while driving; very aggressive drivers// poor oversight of projects: e.g. Rebuild of park on fla park drive// wasting time money on 'naming' projects, recent George Hanns bridge- just put a plaque up//section 8 tenants in many rental houses	3/3/2017 10:13 AM
154	I am looking for opportunity for a cmmty garden in Hammock, to primarily benefit food pantry. Where should I start	3/3/2017 9:57 AM
155	We definitely need more street lights/sidewalks. I know it cannot happen all at once, however these are imperative. Most all cities our size have them.	3/3/2017 9:51 AM

156	Some information requested is not needed.	3/3/2017 9:41 AM
157	Area is becoming unsafe. There are not enough street lights to prevent crime. Pedestrian being killed at night like the young person on old kings road and lately the teenager walking at night 9pm and getting struck by a car on laramere street. We need more. Lights to help avoid these incidents. People are also speeding through our neighborhoods and there's never any police presence. The only time you see police is like the last accident on Florida park drive. It has dozens of police cars, fire trucks and ambulances. They all came out of the woodwork for this minor accident. Ridiculous! WHY are the police not patrolling our streets day and night?	3/3/2017 9:38 AM
158	Provide for our children! We shouldn't have to leave the county to work, shop, entertain ourselves or get quality healthcare/emergency services.	3/3/2017 9:15 AM
159	Code enforcement is unreasonable, harassing and sneaky. If a few weeds grow overnight because of rain the code enforcement officer is posting a warning. Give it a break already. There's plenty to do besides harass citizens over a few weeds. And I disagree with the excuse of a 'called in complaint' This officer is obviously patrolling.	3/3/2017 9:13 AM
160	Citizens need info!! We don't know about new businesses that have opened.....there must be info mailed to us....giving info about "who, what, where, when"....so that we can do business with them. If we don't know the business exists, how can we use them?	3/3/2017 9:04 AM
161	Palm Coast needs industry for jobs and taxes so we can provide services for seniors and youth.	3/3/2017 8:47 AM
162	Keep up the good work	3/3/2017 8:31 AM
163	I feel the City Managers pay increase was excessive.	3/3/2017 7:50 AM
164	We live on the golf course and are so happy that it is back and running and looking beautiful. Love the parkways and the trees. Only gets busy on streets when the snowbirds come back.	3/3/2017 7:42 AM
165	I wish the library had more going on. More current books, movies etc.	3/3/2017 7:13 AM
166	NO	3/3/2017 7:05 AM
167	We need more attractions and nightlife, like St. Augustine provides. There is nothing to do here at night. We also need programs and things for young people to do here, day and night. We need coffeehouses and other venues where people can participate in art and music events without alcohol involved. Palm Coast is boring for young people. Palm Coast also needs sidewalks in all areas so kids, parents and seniors can each walk to and from shopping and recreation areas. Walking (and biking) in the streets ARE TOO DANGEROUS. There have been many fatalities recently. And PLEASE FINISH CONSTRUCTION OF THE JIM HOLLAND PARK ALREADY. IT IS GOING ON 3 YEARS, WHICH IS TOTALLY UNACCEPTABLE.	3/3/2017 3:26 AM
168	PALM Coast sucks	3/2/2017 9:26 PM
169	Very pleased with the Mayor and City Manager.	3/2/2017 9:25 PM
170	Please bring more restaurants here that stay open later ie ihop, and shopping	3/2/2017 9:23 PM
171	More extensive surveys and a public comment area on the city's website would provide a better scope of issues that citizens are really concerned about. Litter, utilities, transportation, sidewalks, etc. need to be addressed.	3/2/2017 9:06 PM
172	I think strongly believe that we should be able to maintain a nice, safe environment without increasing taxes. It appears too much money is spent on landscaping. the landscaping should be neat and clean but it does not need to as extravagant as it is. Taxes need to be kept as low as possible.	3/2/2017 9:00 PM
173	love golf at palm harbor golf club!!!!	3/2/2017 8:36 PM
174	I live in a condo so my crime rate is minimal.	3/2/2017 8:18 PM
175	There are no jobs here, I have commuted outside of Palm Coast for work almost the entire time I've lived here. When is the industry coming to PC, we don't need another fast food restaurant, or brand name store. We need industry capable of providing jobs that pay wages above the poverty level. There is so much undeveloped land, why are companies not moving here, what is being done to get them here; this is a priority!	3/2/2017 8:15 PM
176	The tree`s and shrubs along Belle terre block on coming traffic and pedestrians from view	3/2/2017 5:57 PM
177	Step up your game	3/2/2017 5:40 PM
178	should get rid of the city and stop paying double taxes	3/2/2017 5:36 PM
179	The city is clean and well taken care of just need more choices in shopping and eating. Holland Park is taking to long it is frustrating and a disgrace. The overall city it's self is growing and that's good to see	3/2/2017 5:27 PM
180	bring more shopping ie: Big Lots, The Christmas Tree SHop and That, bring more dining OTHER than fast food..ie: Cheddars,	3/2/2017 5:13 PM

181	We have one of the best Mosquito Control in the state	3/2/2017 4:35 PM
182	Please speed up wait time for the signals at both ends of the Post Office area--and anywhere else possible. A lot of time is spent at signal lights, although I realize that they are necessary.	3/2/2017 4:35 PM
183	As our city grows I feel we need our own police force. Sheriff cannot cover neighborhood patrols to prevent all the break ins and prevent this stuff. Response time is too long. I would Also like to see better selection of the types of business being attracted. Less dollar stores which attracts the wrong elements.	3/2/2017 4:02 PM
184	IT'S REALLY SAD TO LIVE IN A CITY WHERE CITY OFFICIALS WILLNOT DO ANYTHING TO MAKE OUR NEIGHBORHOOD SAFE. WE HAVE SPOKE WITH EVERY LEVEL OF AUTHORITY IN THIS CITY. WE HAVE BEEN TOLD SOMETHING WILL BE DONE TO HELP US, HOWEVER, NOTHING HAS COME TO FRUITION. WE CONTINUE TO FEEL UNSAFE LIVING ALONGSIDE RALPH CARTER PARK.	3/2/2017 3:45 PM
185	i'm noticing a lot more garbage on the roads and it makes our city look dumpy. I do not want to see our beautiful community become a hole in the wall. We need to make a better effort to keep the garbage at bay and if that means handing out summons when you see people littering, then do it!! Also, the traffic lights are horribly timed on Belle Terre especially, please have some retime them. Thank you for all you do to keep Palm Coast a beautful place to live...	3/2/2017 3:11 PM
186	Let us be good shepherds of the ICW.	3/2/2017 2:57 PM
187	I like to watch meetings on cable tv	3/2/2017 2:55 PM
188	I have lived here since 1988 and am appalled at the liberty the city government is taking with taxpayers money on unnecessary items and programs without consulting with the residents prior.	3/2/2017 2:36 PM
189	Would like a water park. Would like community gardens. Would like chicken permits: Following the Jacksonville ruffled feathers program. Maybe a few splash pads at some of the parks. Would like to bring in companies such as when BMW a few years back wanted to setup a factory and wasn't allowed. Would like the town center properties to lower costs and be filled.	3/2/2017 2:14 PM
190	Have traffic lights times so there NOT always red from one light to another !! City signs on I-95 should say-"Welcome to Palm Coast, Home of the RED Light !"	3/2/2017 2:10 PM
191	No	3/2/2017 2:03 PM
192	Start doing things the electorate want, stop spending money on projects that are not consistent with the needs of the community as a whole.	3/2/2017 1:58 PM
193	Need industry for the college kids to come back & work. Need industry to attract higher income families to PC	3/2/2017 1:50 PM
194	Would love to see more "mom & pop"(privately owned) restaurants in Palm Coast, less chain restaurants, or at least a few places with fun, unique ambience like Salt Life, Bahama Breeze, etc. Hopefully the way can be made to attract professionally-trained people to live here, so that companies who need a pool of professionals to draw from will bring their businesses here, more variety in professional jobs, other than just medical and education. Since we are an ocean-side community, it would be great to have a marina in Palm Coast that is more public friendly, with a greater variety of small boat rentals, a restaurant/pub and more than just a place for the homeowners to park their boats.	3/2/2017 1:44 PM
195	keep taxes down stop spending money on parks we have enough. need more signs to see where things are. Stop blocking business with too many trees.	3/2/2017 1:34 PM
196	the City Manager has too much power he is not elected the city counsel and Mayor should drive the agenda.	3/2/2017 1:29 PM
197	The businesses need more support . Cut back on landscaping so you can see what is in the shopping center.Allow them to have promotional signs outside. You are creating rape zones with high hedges and low trees. Check out how the sidewalk is hidden near the library as the city grows so will crime.We have plenty of sidewalks, that you rarely see anyone using,in the future sidewalks should be where the swales are in the neighborhoods. Sidewalks should be in the neighborhoods, not outside. Swales should be piped in and sidewalks on top. Set up senior programs at the new community center, we do not need a separate building to support.	3/2/2017 1:24 PM
198	Please work hard to improve cell phone coverage in this area. It is one of the worst I've seen in many areas and needs an overhaul quickly.	3/2/2017 1:16 PM
199	Very poor water quality	3/2/2017 12:32 PM
200	Street lights are need south of Palm Coast Pkwy along Belle Terre--it is very unsafe at night. They have them on the north side.	3/2/2017 12:13 PM
201	Palm Coast water/sewer/other services' fees are too high.	3/2/2017 12:07 PM
202	Stop with all the land scape. Put more police to put a stop to all of the crazy youth drivers. The speeding is out of control	3/2/2017 12:05 PM

203	Just not enough programs for residents, too much spent on parks and palm trees	3/2/2017 12:04 PM
204	I am happy to be able to call Palm Coast home. Been coming to Palm Coast since mid-1970s and have seen how a city grows to be a beautiful and a city to be proud of.	3/2/2017 11:52 AM
205	I think people should be able to park in their yards over night. I also, feel people should not have to cut the grass in front of their houses. This should be maintained by the city. It's was built to control flooding for the city. It's the city's deal. Other city maintain these. Also. It Plants grow there that could be used as a butterfly food source it should be left uncut. This goes for all streets. I have found my plants that are rare growing in ditches along streets. Why cannot they be cut after they flower or after butterflies have hatched. Thank you.	3/2/2017 11:36 AM
206	Hope this helps guide future decisions and assumptions of city leaders----it should be a priority for real estate market to return to normal valuation -i.e. pre -"Bubble" -Will Palm Coast be known for more than as a "retirement Haven "?	3/2/2017 11:36 AM
207	need for focused attention for the concerns of our senior citizens	3/2/2017 11:24 AM
208	PALM COAST IS BUILDING SIDEWALKS TO NO WHERE WHILE OUR STREETS ARE IN DIRE NEED OF REPAIR. ALSO, TRAFFIC ON OLD KINGS ROAD NORTH IS HORRIFIC, INSTEAD OF MORE PARKS WE NEED TO WIDEN THE ROADWAY	3/2/2017 11:21 AM
209	Would love to see better synchronization of traffic lights so one could travel through expeditiously if hitting the lights properly. Extremely slow from I95 to Belle Terre and south to Parkview Drive.	3/2/2017 11:13 AM
210	The reason I checked off opposed to tax increases is because of the 6000 raise that was just approved. Some county employees are just making 11.00/hour	3/2/2017 11:03 AM
211	SIDEWALKS IN NEIGHBORHOODS!!!! Not just in places they have no purpose, like along hwy 1	3/2/2017 10:59 AM
212	Litter is a growing problem, I would like to see more frequent emphasis on litter patrols, with all the work and expense on beautification the litter detracts significantly...	3/2/2017 10:59 AM
213	It seems you have a good grasp of what needs to be fixed based on the questions. Now it's time to get to work.	3/2/2017 10:24 AM
214	Need better crime prevention. Sheriff's Office too reactive, need to be more proactive. Traffic enforcement lacking.	3/2/2017 10:09 AM
215	Water and sewage services too expensive.	3/2/2017 9:53 AM
216	Where is the boat ramp ?	3/2/2017 9:51 AM
217	I hate the fact that owners of lots are not required to maintain them. There are lots all over Palm Coast that have dead trees and dead vines and pose a fire threat to homeowners nearby. I am fearful of the hot summer coming where it will really become a fire hazard. The town does nothing? After the hurricane, all homeowners cleaned their lots and removed the broken trees and limbs. Some of these were large trees. They cleared their properties of all the debri, fixed their roofs and moved on. The owners of lots just left everything there. The town did nothing? Now us homeowners who have nice houses here are forced to look at these fire hazard dead lots and that is just not fair to us. My home is perfect. We and our neighbors had damage after the hurricane BUT if you look at our homes today, it's like the hurricane never affected us. Can't say that about the hundreds of lot out there that have also become dumping grounds for garbage. And Palm coast looks the other way! And that's why we would be contemplating leaving here. Also, look at the holland park project, how RIDICULOUS is that? Palm Coast management does not care. The person in charge of overseeing holland park should be fired for incompetence .	3/2/2017 9:26 AM
218	Have serious concerns about the needs of seniors and the handicapped. Not enough parking. Process during hurricanes. (never received a call to schedule pick up only the call the previous night that they would call.) No close up parking during events because to few parking spaces. Had to argue just to part backwards so person who is handicapped could even view the fireworks. Town is too geared to the active life style and many of the residents are forgotten.	3/2/2017 9:26 AM
219	I like the mayor but I think there is the appearance of a conflict of interest for her to have her own talk show paid for with tax dollars.	3/2/2017 9:22 AM
220	10,000 a week for a radio show really makes me mad and should be stopped.	3/2/2017 8:57 AM
221	I have lived here for 30 years, my husband 45 years. love the improvements, but miss the small town feel.	3/2/2017 8:56 AM
222	Put some street lights up!! For all of the code policing, the city ought to be sited for negligence!	3/2/2017 8:48 AM
223	the 10.000 expense for the mayor "radio air time" is unacceptable. If she wants to be a DJ wonderful... but do it on her own dime!	3/2/2017 8:42 AM

224	There are very few good exercise facilities in Palm Coast. The city should somehow encourage the development of a facility with a decent sized pool, cardiovascular and strength training equipment. The closest thing that exists to that in Palm Coast is the Belle Terre Swim & Raquet Club. This could be a nice facility but currently is quite run down. Perhaps the city could find funding to renovate the facility and generate revenue through membership fees. There should be more effort to develop local tourism. Our neighboring counties have good and improving tourist activity. This is for the most part a significant missed opportunity for the city and county.	3/2/2017 8:40 AM
225	KEEP UP THE GOOD WORK	3/2/2017 8:38 AM
226	There is no reason why commercial small vehicles should not be allowed to be parked in a private residence driveway. Also, if the city is supposed to maintain empty lots surrounding residences, it has not been done in years. My husband and I maintain our own lot and the ones surrounding our home. Trees and vines have grown into our yard, but we still take care of it and we maintain our own swale.	3/2/2017 7:39 AM
227	We Love Palm Coast	3/2/2017 7:23 AM
228	Please keep supporting the Palm Harbor Golf Course	3/2/2017 7:15 AM
229	The residential neighborhoods need street lights for the safety of the communities children. I'm terrified I'm going to back out of my driveway and run a child over who is walking to the bus stop in the pitch dark. Sidewalks would be nice too.	3/2/2017 5:29 AM
230	While I work in Volusia County, my wife works in Palm Coast. She currently has a masters degree, and is working towards a PHD.	3/2/2017 5:24 AM
231	The traffic flow on Palm Coast Parkway seems worse since adding a third lane. That makes no sense to me so there is obviously a problem with the timing of the lights or something. The flow is horrible!	3/1/2017 11:11 PM
232	i see a difference in the road maintenance. lots of litter around.	3/1/2017 10:53 PM
233	I really enjoy living here. We lived around Atlanta for over 40 years and this is soooo much better here. Less traffic, good shopping, and easy access to everything we need.	3/1/2017 9:45 PM
234	Fire Langdon - he is a waste of money. City Council is just empty suits, all decisions are predetermined and Council meetings are stupid shows. Stop living large and get this city into financial hole. Look what is going on around the country with pensioners loosing their pensions and debt growing huge. One day it will bite us here in a [redacted] if you will go on throwing money around.	3/1/2017 9:37 PM
235	Please ask the people in city of PC go easier on businesses trying to open here. Often we hear of restaurants, and businesses who gave up coming to PC dues to the difficulty in getting approvals.	3/1/2017 9:12 PM
236	its a great place to live, I live here for that golf course.	3/1/2017 9:05 PM
237	I deliver around all of palm coast might literally have more knowledge then the city on streets and flawed roads and traffic. 386-986-9979. Would love to help. Street lights and sidewalks are a must on every section and every street. Too many people at night walk. The city has about 100,000 people living in it, people will die. Also way too many pedophiles maybe stricter codes for them.	3/1/2017 8:56 PM
238	Citizens are not as friendly as 25-30 yrs ago.	3/1/2017 8:47 PM
239	as i stated---- we desparately need public transportation!!!!	3/1/2017 8:37 PM
240	Not sure why it matters for any reason about income of residences. That's a private matter. Do the city employees disclose their salaries. And why is the city concerned about the cell service we choose. The city should be more concerned about what they can do to make the City of Palm Coast an enjoyable place to live! I moved here in 2015 and have been harassed since literally day 1 by code enforcement. I cannot wait to move back to Port Orange where I lived for many years without one problem. I would never recommend anyone move to this city.	3/1/2017 8:28 PM
241	You need jobs, jobs, jobs! No more excuses or consultants who give you 'what you want to hear' commentary. What is PC's desired identity? What unique businesses or service hubs should you pursue vs. competing for same business opportunities that every County is bidding for? You need to 'refresh' all County personnel. Results count and the scorecard is abysmal.	3/1/2017 8:00 PM
242	Crime, streetlights and sidewalks for safety need to be priority! Not parks, trails and trees along belle terre or city paying for radio shows.	3/1/2017 7:52 PM
243	it would be nice to have a Costco, a Bed Bath and Beyond and some other restaurants other than fast food places	3/1/2017 7:41 PM

244	I have lived here for the better part of almost 28 years and have seen the tremendous growth. Unfortunately, it seems there is still a problem attracting enough high-paying jobs. Many of the jobs here are retail and low-wage. When I left here after college, I left to go to a market where jobs were more plentiful. I did come back and am fortunate enough to be a teacher and am married to one. We are extremely lucky to have tenure. So our jobs are not in danger. Also, being a resident of Matanzas Woods, I know the golf course isn't coming back, but I would love to see some kind of recreational facility on the golf course.	3/1/2017 7:33 PM
245	Need a new City Manager!	3/1/2017 7:31 PM
246	Did you say in the beginning that this would take two minutes?	3/1/2017 7:30 PM
247	The garbage restrictions are confusing and seemingly arbitrarily brought about. Sometimes they take it, sometimes they don't.	3/1/2017 7:10 PM
248	Love Palm coast	3/1/2017 6:42 PM
249	No, or little enforcement of street parking and swale parking rules/codes/laws. I live next to a drainage ditch, your twice a year clearing is INSUFFICIENT. Mosquito control in drainage ditches is insufficient. And, when are you going to remove all the old power poles??	3/1/2017 6:27 PM
250	At town center during events, would love to have some kind of available transportation to ride around the lake get off as needed, some costs. I am awaiting knee surgery and find it difficult to be mobile. Hopefully it's temporary inconveniences but I believe there are many people like me. I can drive and would certainly spend money. Just hurts to walk to far	3/1/2017 6:22 PM
251	I have lived in Palm Coast for over 20 years and am still waiting for good paying jobs and better cell phone reception. Palm Coast is way behind the times when it comes to economic development.	3/1/2017 6:08 PM
252	Palm Coast is very neat and clean with great landscaping. We love it. We should be able to remove dead trees on our property without a permit.	3/1/2017 6:08 PM
253	Cops need to spend more time on patrol instead of hiding and sitting. Want more lights on heavy traffic dark roads. No more [redacted] banks and gas stations unless there is not one within a 3 mile radius. Quite starting new projects before previous projects are done and is already seriously behind schedule ex. (james Holland park)	3/1/2017 6:07 PM
254	need to get palm coast code dept to come down on home owners that rent and do not take care of there home	3/1/2017 6:04 PM
255	The city council needs to stop spending money on its own without first discussion in the presence of voters. There also needs to be some decorum and respect amongst elected officials or next elections they will find themselves out on theirs [redacted] The water department needs to be more responsive to requests of residents.	3/1/2017 5:49 PM
256	I am strongly oppose to any increase of pay for city council members and Mayor. Citizen Academy program is excellent to learn about the community.	3/1/2017 5:45 PM
257	get rid of landon!	3/1/2017 5:36 PM
258	No	3/1/2017 5:10 PM
259	YES! When is the new park coming on Belle Terre (off the access road to the national guard.) Also we BADLY need a turning lane at the intersection of Belle Terre NB at Rt 100 (where the new tractor place is.) The additional traffic there has caused long backed up lines.	3/1/2017 5:07 PM
260	Why is the mayor paying money to be on the radio???	3/1/2017 4:57 PM
261	traffic has become more erratic since lost of red lights	3/1/2017 4:57 PM
262	I would love to have a safe town and safe driving	3/1/2017 4:55 PM
263	[redacted] off!!!!!	3/1/2017 4:48 PM
264	Belle Terre south of Cypress Pt needs street lights, very unsafe. All other major streets in town have them. Code enforcement needs to be fairly administered.	3/1/2017 4:47 PM
265	Reporting a code violation needs improving. Put it back the way it was that people could report without giving names. Everyone knows names get out sooner or later. Lots of violations in neighborhood cause no one wants their name revealed and when they are, code enforcement doesn't do anything about it anyway.	3/1/2017 4:41 PM
266	Anything that could attract higher paying employment opportunities would be welcome.	3/1/2017 4:40 PM
267	I feel so unsafe in my neighborhood. Drug deals constantly going down right in front of me. Code enforcement comes around and doesn't do anything about atrocious paint jobs on Pheasant which is model home row... can't have a garage sale because they yank all the signs down. Its nut the things they police and don't. Like my neighbors garbage allllll over the road every Monday. Its like living in a dump! I can't stand palm coast anymore. it is overpopulated and out of control.	3/1/2017 4:38 PM

268	Please do not remove any of the presently used	3/1/2017 4:26 PM
269	Lots of $ spent on parks, most are unusable for small kids. Ralph Carter has nice equipment but during the warm months it is unusable because the swings, slides and other equipment is too hot to use. Obviously the people that designed the layout forgot about shade to keep the equipment useable. Result, total waste of money, if you go later in the day when it's cool the mosquitos ruin the experience.	3/1/2017 4:22 PM
270	No	3/1/2017 4:22 PM
271	This survey is very difficult to read as the blue color is too soft and the answers you provided were also too soft and difficult to read. You should do some QA on this form. Hope you didn't pay survey monkey too much for their professional services!!!!	3/1/2017 3:33 PM
272	My area is safe now but will probably not be with mutli family housing a possibility with apartment sizes 750 square foot, no pool, backing up to a small number of commercial buildings and not readily available transportation to the city center where jobs and employment is plentiful	3/1/2017 3:28 PM
273	Wonderful place to live. We need more recreation for adults and seniors to attract retirees	3/1/2017 3:20 PM
274	Need more law enforcement controlling the speeding drivers of our town.	3/1/2017 2:45 PM
275	Palm coast has plenty of things to do for all ages of residents. I hope it stays the same or gets even better.	3/1/2017 2:31 PM
276	1. Area 6 is pretty much ignored by the city. There is not a single city park in the LL, Z, or K sections. The city is spending a lot of money on the community center remodeling, but it is at least 10 miles from our house. That's not at all convenient. What are the outlying parts of Palm Coast getting for their tax money besides sewer, water, and garbage? 2. We need more cell phone towers in this section. Some areas have no service at all. Nowadays, cell phone connectivity is just as important as electrical wires and pavement. The city should not be standing in the way of tech advancement used by many or most residents. 3. The services for seniors are sadly lacking/limited. Palm Coast is no longer a small little city, but the senior services are still in the 1990's. Thanks for asking for our opinions.	3/1/2017 2:28 PM
277	keep golf and other recreational events open	3/1/2017 2:17 PM
278	We need sidewalks,streetlamps and curbs.	3/1/2017 1:51 PM
279	We moved here in 2007. There was an active DARE program at the schools, now we have increased use of drugs. No one seems to want to be involved, yet this is the major cause of increased crime, car and home break ins. Youth are buying fruit flavored cigars to cover up the smell of smoking marijuana. How is this happening when there is an age limit to purchase tobacco products. Guns also need to be taken out of the hands of kids. I would like to see enforcement of existing laws.	3/1/2017 1:40 PM
280	Parking at the trails is not enough	3/1/2017 1:25 PM
281	I do think there is a need for such shopping opportunities as Home Goods, Marshalls or any higher end stores. Too many new gas stations, banks and fast food restaurants.	3/1/2017 1:03 PM
282	palm coast is a boring, backward community	3/1/2017 12:36 PM
283	Better Street Lights all over the city; street drainage; control the gangs; get more high end jobs. there is only hospital, retail. street lights will help with accidents and crime. the city is too dark	3/1/2017 11:38 AM
284	YES.... I said "oppose" to all new taxes and fees for a very specific reason. That's simply a lazy way to budget because there is no other side of the coin presented in your survey. Better services and better amenities attract better jobs and industry. Those things pay more taxes - Not easy I'm sure, but it absolutely could be done if there was a will to do it. Seriously there should be someone at the city that spends all day/every day trying to develop a better plan. If the city is not thinking this way, we should re-think all of your jobs.	3/1/2017 11:31 AM
285	Need more restaurants like Chili's and TGIF's and a steakhouse!!! Also a minimal with stores like Marshall's, Big Lots, BJ's or Costco. Also need a Bass Pro Shops as we are next to water... Thank you!!	3/1/2017 10:47 AM
286	We moved here for the parks, trails, and trees. Those are extremely important to us. Since we've moved, Palm Harbor Golf Course is essential for me as are the tennis and pickleball courts which my husband uses at least 5 days a week.	3/1/2017 10:42 AM
287	I'm a very new resident from NY, so I have been too busy to get out and about	3/1/2017 10:35 AM
288	Been here 20 yrs (part time) and have enjoyed it. Thanks	3/1/2017 10:26 AM
289	I would like to see something done about speeding vehicles traveling through our residential neighborhoods.	3/1/2017 9:36 AM
290	The city should not be using tax money for the mayor to be on the redio	3/1/2017 9:22 AM
291	return the city to a retirement community	3/1/2017 8:45 AM
292	time to return to a retirement community	3/1/2017 8:35 AM

293	I moved here in 1999. I am so proud of what has been accomplished here but we need large stores such as Best Buy, Bed bath & Beyond, etc so we don't have to travel to Daytona and St. Augustine.	3/1/2017 8:30 AM
294	Golf course is finally playable after getting the traps fixed. People seem to really like the course now thanks	3/1/2017 8:10 AM
295	I am generally unaware of the current services, events, etc that the city may already offer. I did not realize there were already so many trails and parks. the one thing I do complain about most is that for most things a family or individual must drive to. the idea of a city center where Parks, events, shopping, dining, etc all available without having to drive to each is desired.	3/1/2017 7:08 AM
296	I am a realtor and I would like to advertise my open houses without my signs being taken down. They allow political signs, that are never picked up by the political offices, but not signs that allow us to promote our business. I'm not sure if that's fair.	3/1/2017 6:38 AM
297	[redacted] survey...it could have been more specific...	3/1/2017 6:24 AM
298	I have lived in Palm Coast since November 2016.	3/1/2017 5:55 AM
299	No	3/1/2017 5:29 AM
300	Keep up the good work	3/1/2017 5:22 AM
301	Need one public golf course at reasonable rates like Palm Harbor Golf Club	3/1/2017 5:11 AM
302	The water company is out of control. The landscape infrastructure is out of control and these employees of the Town get state pensions so the costs to the public not residents of Palm Coast is the insanity of local government. Palm Coast homes look like garbage from the 1980s. The endless encroachment on property rights to improve homes by the local gov costs residents at every turn. Pay attention. I fished a kid out of the canal three years ago. Florida law describes an attractive nuisance with three prongs. 1) attractive to kids 2) a trap. The design of the canals with the high steep grades create a trap for children as the Florida Supreme Court stated in which a child could tumble to eternity. 3) prong is manmade and FL Supreme Court Cases involved salt water canals. I tried to fence my property. I was told I need a permit. I am not going to get a permit. I am going to build my fence because these canals are an attractive nuisance and dangerous to children. If I hadn't been home when that child ran across the property to the neighbors and fell down the steep embankment she would have DIED! I am around and I am going to fight just like I did with the removal of the photo lights. You have zero right to prevent individuals from protecting themselves from tort liability like and attractive nuisance. Mess with me and I will sue Palm Coast and force the entire canal system to be fenced in at the town's expense. You want control of everything with your incorporation... That brings with it the attending liability.	3/1/2017 2:08 AM
303	No	2/28/2017 11:57 PM
304	The law enforcement in our area is a joke. People speed down sea trail and the police say "there's no where for us to patrol" -- in the last month I've seen 2 police cars in our area. We've had multiple break ins around us in the middle of the day to occupied homes. No extra patrols. Code enforcement needs revision. People have to work outside this county due to lack of good paying jobs here and are mandated to be on call -- yet you write people up for making a living. And yet you drive your city code enforcement cars labeled with commercial tags and lettering home to the same neighborhoods your citing us for commercial vehicles, kind of hypocritical. Let's discuss trash collection - our tax dollars pay for this service and they show up whenever they feel like it. But heaven forbid they run past 5:00 and you don't bring your trash can up until the next morning. There will be a pink slip on your door -- because when you came home the trash collectors had not arrived yet . Strong work palm coast. We can't wait to move out of this city.	2/28/2017 11:36 PM
305	We've lived here more than 15 years and still tell our kids we are living in paradise!	2/28/2017 11:33 PM
306	no	2/28/2017 10:57 PM
307	Please get more shopping and restaurants in Palm Coast	2/28/2017 10:50 PM
308	not enough for the youth to do. No malls. It's changing and not necessarily for the better. Cell service is awful	2/28/2017 10:38 PM
309	Definitely need more camps for youth, teens, rec center or gym like lifetime fitness. More job opportunities for engineers, electricians.	2/28/2017 9:14 PM
310	Jobs, lower taxes.	2/28/2017 8:55 PM
311	It seems as though Palm Coast is a large enough municipality to warrant its own police dept.	2/28/2017 8:55 PM
312	Do not raise taxes!!!	2/28/2017 8:49 PM
313	no	2/28/2017 8:38 PM
314	there needs to be pull off areas to park cars on trails if you want to bring your bike to ride. i.e.: U.S. 1 trail.	2/28/2017 8:09 PM
315	Finish the sidewalk in Seminole Woods .	2/28/2017 7:44 PM

316	Remove the stupid tree replacement requorements	2/28/2017 7:15 PM
317	Yeah again you all have way to many silly rules and city vehicles driving around every where.	2/28/2017 7:11 PM
318	Too many crazy motorcyclists not being policed with their un-muffelled bikes. They cause havoc with the seniors and too many times I have witnessed crazy driving confusing the seniors and causing accidents. Where are the police? I'll tell you, sitting at the old tennis place on Palm Harbor sleeping. Tax dollars at work for sure, while twice I had attempted robbery, that I know of, just down the block from their nap session.	2/28/2017 6:39 PM
319	I see the city workers not doing much when driving along the road when they are suppose to be doing there JOB .	2/28/2017 6:29 PM
320	More street lights, better traffic system, better restaurants, and more cultural entertainment.	2/28/2017 6:01 PM
321	The traffic flow into and out of the new Island Walk Shopping Center is worse than terrible - as is the western flow of traffic on PC Pkwy approaching Old Kings Road. The left turn traffic going to Old Kings Road backs up PC Pkwy traffic left lane. Also - there is no easy access to PC Pkwy going east between Old Kings Road and Florida Park Drive. Whoever designed all of that should find another profession.	2/28/2017 3:45 PM
322	We need to start selling this city to mid to large companies that are in the north and midwest..they would get more value for their money here, no snow issues, we need to target jobs so that our youth do not have to leave after college..they need a better option than working at walmart.. We should focus on tech, get corp HQ's to move here. The city can not support itself on retail/restaurants alone, we need to focus on our kids, give them stuff to do and reasons to stay!!	2/28/2017 2:39 PM
323	Do not turn Palm Coast into a large city like Daytona, Jacksonville, Orlando... Most of the retirees that have moved to PC are escaping from big city life (crime, over population, traffic, high taxes...)	2/28/2017 2:02 PM
324	I think Palm Coast can be very strict on which businesses they allow to take part in our city. We need more restaurants, stores and fun places for our youth to hang out. This will create more jobs for our youth and keep middle schoolers out of trouble too. Actually, my biggest complaint is not allowing our Middle Schools to have organized Sports. They need football, baseball, etc. Also, our High Schools need pool facilities for Swim and Dive teams. We can get more competitive with other counties.	2/28/2017 1:41 PM
325	It seems like the City is spending too much time and money on sidewalks and especially the medians.	2/28/2017 12:41 PM
326	Would like the resultsof this survey made public	2/28/2017 12:23 PM
327	Way to many parks and recreation areas. I'm not into parks and bike riding/ hiking. There are many other activities that aren't addressed by the city	2/28/2017 12:02 PM
328	PC is a beautiful natural area - that's why I live here I love Washington Oaks - and surrounding areas	2/28/2017 11:54 AM
329	Traffic on Belle Terre south will be horrific if the proposed multi family development proceeds	2/28/2017 11:49 AM
330	Taxes are already high take code enforcement money and put it towards these programs	2/28/2017 11:43 AM
331	Section R and Section P of Palm Coast needs attention and residential codes needs to be reinforced as some residents (property owners), does take care very well of their properties and landscaping as of the majority of other properties owners / renters have theirs very neglected with poor landscaping cleanup, debris around the houses (garbage cans visible all week long, kids toys and bicycles all over, empty bottles on the yard, trees debris over the roof, etc). It's very understandable that not everyone has the same budget and time, but not having the money doesn't mean you can't do it yourself and not having the time also doesn't mean you can't make it a part of your priority list and get some help from friends and family to help you out. As I took the time for the survey many others are doing the same, it shows that people care. So, a suggestion for the City; why not create a voluntary group of people that will give their time to help the ones that actually has no means of keeping with their landscaping cleanup. Which to qualify they have to proof their needs, and if they don't have enough reasons the city code should be reinforced by inspections and fees. In return the City will value all sections of Palm Coast as an igual and ALL sections will have your market value as it deserves. Voluntary groups should be recognized in the City website and media as a form of incentive to homeowners/renters to do your part and be part of the group to help others in need. And last, Palm Coast is a beautiful city we just need one place that all ages can interact together, we have to many separate plazas and not one place that draws every ages to it, so we can have the chance to see the same faces multiple times in a short period which will allow people to get to know each other and make friends for long time :) If anyone reads my survey I hope it will be relevant and I want to thank you very much for your time :) With appreciation, Rosie M.	2/28/2017 11:21 AM
332	Code enforcement is waste of tax dollars, the employees need serious training on the actual codes of palm coast and the number of code enforcement could be reduced saving tax dollars.	2/28/2017 11:12 AM
333	Bird of Paradise road has considerable foot traffic. Can sidewalks be considered?	2/28/2017 11:10 AM
334	The city is beautiful and very well maintained.	2/28/2017 10:51 AM

335	Tell me why to many palm trees every where and some blocking view to see around the roads? Next time i can't see around street will post it. Need digs on our street dug out for water flow please?	2/28/2017 10:44 AM
336	Free clean green space for dogs is important to me. A fenced in dog park would benefit residents greatly.	2/28/2017 10:14 AM
337	I do strongly think that the vehicles with business names on it should be allowed to be parked in their driveway in the evening. These are working people. Why make it difficult for them? I"m ok with boats not allowed in the driveway or yard even though it is a great inconvenience for me. Other codes should be enforced more and others looked into.	2/28/2017 10:00 AM
338	Too many street lights along non residential roads all night long while the inner subdivisions have none. Bad bad bad.	2/28/2017 9:56 AM
339	So, about that sewage smell....?? Citation and Sesame - seriously, come by and take a whiff.	2/28/2017 9:32 AM
340	Get rid of petty rules like you can't park an RV or boat in front of your house. Manage our money efficiently and stop over paying elected officials so that you don't have to raise taxes. Take away car allowances from elected officials they can drive their personal car to work like everyone else.	2/28/2017 8:50 AM
341	Great cops!	2/28/2017 8:30 AM
342	Please raise the pay rate for families struggling to survive in this city. I've been here for 18+ years and it has NEVER been this hard to live in Palm Coast!! $1200 or more just for rent on a 3br 2bath home is outrageous for this county! Especially when the jobs aren't increasing or getting any better. And I'm not talking about these little rinky-dink stores (i.e. Hobby Lobby, TJ Maxx, Ross, etc.) you keep building. While it's nice to have those, it's not what we NEED. People should be able to work AND live in the county they work in without struggling to make ends meat. I've never seen Palm Coast this expensive. Create more jobs and offer better pay so we can enjoy Palm Coast like everyone else! Thank You!!	2/28/2017 8:16 AM
343	Stop wasting money on side walks	2/28/2017 8:08 AM
344	WE NEED BETTER TRASH REMOVAL AND PICKUP!	2/28/2017 8:04 AM
345	Love Palm Coast	2/28/2017 8:04 AM
346	Palm Coast is a good retirement community.	2/28/2017 7:44 AM
347	want owners of the lots to have to remove all trees that are tall enough to reach someones home or power lines before next storm season its a MUST	2/28/2017 7:43 AM
348	Get the scum out of our beautiful PALM COAST. More Advertising of parks and entertainment In the MAIL!	2/28/2017 7:43 AM
349	No, don't feel they would be attentively listened to!	2/28/2017 7:22 AM
350	I have only lived in PC for a couple of years. I like Palm Coast but wish the job market was better. Cell service is deplorable considering we live in a flat state. Flagler Beach is the best part of PC. Need to do something about the poorly maintained housing sections as you have too many areas where the houses are run down and this hurts the value of the neighbors.	2/28/2017 7:16 AM
351	Nice city please do not let crime take over or building n creates abandoned property! Thank you	2/28/2017 6:59 AM
352	Better running of the city	2/28/2017 6:21 AM
353	I would support paying more taxes to for an increase of public safety staffing.	2/28/2017 6:15 AM
354	clean the swamp in code enforcement !	2/28/2017 6:04 AM
355	I feel that the stoplights are intentionally timed to create traffic in order to justify an unneeded and very expensive smart system. The timing needs to be adjusted to help traffic move. I shouldn't hit 4 reds out of 5 on the way to and from work everyday; what are the chances of that occurring almost daily? The traffic engineer responsible should explain to us why the system is operating so poorly in the presence of an unbiased traffic engineer. Also, we have too much law enforcement. I see more law enforcement than cities where crime problems exist. Too much law enforcement is a as bad as not enough.	2/28/2017 5:37 AM
356	We need industry, higher end Restaurants and shops	2/28/2017 4:22 AM
357	I would love to see the police enforcing littering fine. I know the city cleans it up but if people continue to go unfined they will continue to do it. The city needs to attract more businesses. Our young people will not stay if they can't find full time employment. I'm sure you get a ton of complaints. I love Palm Coast and offer these as suggestions, not complaints. Have a great day!	2/28/2017 1:14 AM

358	More police presence would be nice. Also big box retailers should have security watching over their stores and parking lots. Bank of America has a guard outside its building. Publix, bealls, Walmart, Winn Dixie, Home Depot , lowes, target all should have guards and cameras. Many neighbors and friends of ours are contemplating moving because Palm Coast is becoming a slum like Daytona or Bunnell. We should be more like west palm beach. Retailers with big box stores don't want to come to PC because they feel the area has become too depressed. That's why there are so many empty stores and undeveloped retail areas like around target and off route 100.	2/28/2017 12:06 AM
359	Need public transportation here, badly! Better jobs, traffic and law enforcement, a trader Joes, something opened (convenienc store/gas, etc) near the matanzas woods area!	2/27/2017 11:44 PM
360	Get your [redacted] ogether. Both the city of palm coast and the flagler county sheriffs office work for us the people. It's about time both party's start acting like it and quit acting like we're just walking doller signs.	2/27/2017 11:41 PM
361	I'm from st. Aug, and live in the hammock and love it there. I don't want anything to change. I mainly travel through palm coast parkway and think traffic is terrible every time I go on it. Lights change to frequently between hammock bridge and old kings. Shopping is good and getting better. Would prefer less chain restaurants.	2/27/2017 11:23 PM
362	Decent aquatic facility with the ability to host statewide and national aquatic events	2/27/2017 11:12 PM
363	Just keep the city informed through Facebook live or something	2/27/2017 11:01 PM
364	I feel we pay the city msnager far too much at this time	2/27/2017 10:47 PM
365	We need a Costco, bj or sams club. Will provide great jobs	2/27/2017 10:46 PM
366	sorry, I was trying to say those helping in permit office are very nice to deal with. Thank you	2/27/2017 10:43 PM
367	Pleas consider doing something about the liter. It really detracts from the beauty of our city. I wish Florida would start a bottle bill. Thanks:)	2/27/2017 10:29 PM
368	Please add more street lights its so dark and dangerous off A1A Also coming off of Camino Delmar onto a rainy weekend either way north or south we need a traffic light at that intersection it's very dangerous and hard to pull out there's cars coming from both directions As well as the condo community across the way .. three intersections coming into a main highway, too many crashes, help us please...need a traffic light there ASAP	2/27/2017 10:13 PM
369	Additional sheriff patrols for texting while driving	2/27/2017 10:09 PM
370	Need more jobs in Palm Coast. Must add industry for families to work here and support a family! PLEASE put street lights down Belle Terre Pkwy, it's down right dangerous at night!	2/27/2017 9:46 PM
371	I would love to see our community get their own police department, we want to compare ourselves with like sized cities but we still don't offer all that other cities our size does. Plus our level of service would increase without depending on elections of people voted on by non residence .	2/27/2017 9:45 PM
372	I only feel safe in my home because I have a great security system and I am also very capable in protecting myself and my property.	2/27/2017 9:42 PM
373	The fact that the city is interested in what the community thinks and wants, shows how much the city cares about it's citizens. Thanks	2/27/2017 9:40 PM
374	I love living here. I hope it doesn't grow too much more.	2/27/2017 9:39 PM
375	I would like to see recreational and social activities offered in the evening for those who work during the weekday	2/27/2017 9:34 PM
376	I think palm coast is a well maintained city! I like that we have strick rules against people not maintaining there property! As far as things to do nothing here at all for the kids! I think that some of the sections with the higher crimes should get more law enforcement patrolling the neighborhoods. I also think that the road here are very unsafe seniors run red lights seen it my self also have been in a accident on belle terre due to where stop sign is in regards to the railings and road you can not see around them when at a stop sign looking down belle terre very unsafe!!! Wish I could show the city so they could see it first hand maybe stop future ones from occurring I think mine was preventable if the city would look and see the railings do more ham than good or put up different ones???	2/27/2017 9:22 PM
377	No	2/27/2017 9:16 PM
378	Well known that city employees are paid to drive around and look for code violations that are so minute compared to the glaring issues persistently reported by citizens. So ridiculous.	2/27/2017 8:57 PM
379	Trim the fat, starting with code enforcement and public works to fund projects and activities. Rates of pay should be evaluated, as well as job performance for these employees. All to often, they are seen sitting on the job, wasting time and taxpayer dollars. Cut back on city vehicle usage. Just trim the fat--especially city manager and other overpaid employees. Consider the citizens and quit lining the pockets of these expendable characters.	2/27/2017 8:54 PM

380	I live in Cypress Knoll and we need a separate turn lane exiting onto Easthampton. They need to restore a parking area on Old Dixie where the bikers can park to use Lehigh trail, not clear why it was taken away	2/27/2017 8:51 PM
381	Install cameras in schools. Need to protect our kids.	2/27/2017 8:49 PM
382	We need sidewalks in our neighboorhood. We have two dogs and it is frustrating having to drive them to a park to walk them. (Frontier drive) Also a decent dog park would be very beneficial. We drive all the way to Jacksonville to take our dogs to the dogwood dog park because there is nothing here. Town center would be a great spot	2/27/2017 8:39 PM
383	Cell towers are desperately needed. Landscaping on 100, east of I95 is awful. What a waste of $500,000. Truly embarrassing, especially how lovely Belle Terra and Palm Coast Parkway is. Trees that are dead, all winter, what were they thinking?	2/27/2017 8:34 PM
384	Allow and encourage growth	2/27/2017 8:26 PM
385	We need higher paying jobs and more things like....arcade, mini golf, batting cages and more restaraunts	2/27/2017 8:21 PM
386	Please bring culture to our town in the form of something other than a restaurant. Maybe a shopping mall, water/beach related activity, or interactive learning experience instead of another McDonald's.	2/27/2017 8:14 PM
387	improve the traffic flow from the major shopping areas in particular the walmart intersection is an accident waiting to happen.. Health care-- Flagler Hospital needs better custodial -- several trips have shown that the sanitary element is lacking.	2/27/2017 8:01 PM
388	More things for kids to do so they won't be tempted to act out and do bad things because there bored	2/27/2017 7:57 PM
389	Palm coast must allow more than one cable provider! Spectrum should not be our only choice.	2/27/2017 7:54 PM
390	None	2/27/2017 7:54 PM
391	Please, please stop allowing developers to destroy every single bit of habitat when they build things. It is NOT necessary to take down every single tree and clear huge areas until they are bare. I love the wildlife we nave here and we are forcing it out. We need to protect our green spaces or Palm Coast won't look like what we loved when we moved here. It will be just another city of concrete. We can find that anywhere. And just because you "replace trees" does not mean that you are restoring habitat. Developers are getting wholesale freedom to destroy OUR town! Look at Town Center. Huge patches of habitat have been cleared a d destroyed and still sit totally empty. WTH? Our city leaders need to consider the natural beauty of our area and stop giving the green light to those who destroy it.	2/27/2017 7:51 PM
392	I love palm coast. Keep up the good work.	2/27/2017 7:22 PM
393	Would like to see better crime control, get these ppl off the streets and put them in jail. Already been robbed once and literally looking over my shoulder walking through parking lots during the day to go shopping. Crime rate and severity of crimes seems to be rising. Beautiful city, love it but would like to feel safer.	2/27/2017 7:17 PM
394	Code enforcement regarding boats on property should be adjusted to allow within reason	2/27/2017 7:14 PM
395	Lower the water bill. Code enforcement is a joke. You need a permit to do everything in this town. Not everyone can afford that. There is no incentive to fix or upgrade your property. We need a sams club or something like it. Need a splah pad for kids.	2/27/2017 7:07 PM
396	1) The run-off, drainage (or whatever you call it) between houses should be cleaned A LOT more often than 2x year. Mosquitoes from the stagnant water keep us indoors at dusk. 2) I despise street parking 3) what can be done about all the petty theft & crime? Had 2 bikes stolen in the last year, from the garage, while I was in the back yard for a few minutes.	2/27/2017 7:04 PM
397	Why are there so many lights on the new portion of Old Kings Road heading towards the new highway exit	2/27/2017 6:51 PM
398	We need more street lights, safe bus stops, sidewalks, open discussion about another middle school or converting elementary schools to k-8.	2/27/2017 6:50 PM
399	No	2/27/2017 6:45 PM
400	Lovely possibilities. Nature is gorgeous. We need real restaurants, ethnic festivals and affordable social club activities.	2/27/2017 6:37 PM
401	Palm Coast is a fabulous city for those retired. However, we drastically lack in businesses to encourage our recent college graduates to remain here. We are strictly a services and medical community and that is not enough to retain our younger 20-35 age group residents. Its time to encourage big business and IT firms to move to Palm Coast. This will also strengthen our tax basis and bring higher salaried employees who will spend their money in Palm Coast. No more fast food or coffee shops. Develop North US1 and put it to good use!	2/27/2017 6:31 PM
402	We could use some littering fines. With signs to support them. Hate to see litter in this beautiful town.	2/27/2017 6:29 PM
403	Please bring Industry to Palm Coast, FL., also Economical Development.	2/27/2017 6:22 PM

404	get it together or the youth and us older people will make a run out of here	2/27/2017 6:14 PM
405	Every section needs more lighting this would help combat crime. Empty lots need to be kept cleaned out.	2/27/2017 6:08 PM
406	Why would construction close the Community Center basketball courts before the Holland courts open- No where for kids to play- Someone was nt thinking!	2/27/2017 6:00 PM
407	W section needs to be checked into more thoroughly. Liquor/beer containers, paraphernalia, like needles...It's sad. It wasn't this bad before. It's getting worse recently. There's break ins happening as well..	2/27/2017 6:00 PM
408	When you check fair, poor also checks in this survey.	2/27/2017 5:59 PM
409	Get busy and finalize everything needed for medical marijuana.	2/27/2017 5:58 PM
410	We absolutely need things for children and teenagers to do in this city. Perhaps a skating rink, hanger 15 or something of the like. Code enforcement rules needs to be changed and/or updated to be a more employment friendly. If my neighbor has a work van, it should in no way be a rule breaker if work van/truck is clean and well kept.	2/27/2017 5:52 PM
411	roaming animals in the neighborhoods would be a great thing to tackle and keep under control.	2/27/2017 5:44 PM
412	We are living here only 3-4 months a year.	2/27/2017 5:40 PM
413	I think the city tries its best to stifle job creation. They also discourage entrepreneurship. They want this to be a retirement community. We need all ages here and jobs	2/27/2017 5:38 PM
414	I feel like it is unsafe to leave my home unoccupied (vacation, travel) because of break-ins. Same with leaving my car at a park. The transient/homeless population seems to be growing. People drive insane.	2/27/2017 5:30 PM
415	I think our police officers should follow the rules in which they are sworn to uphold. Daily I see several traffic violations and city code violations. But it seems around here it's "who ya know". (Been here for almost 30 years).	2/27/2017 5:28 PM
416	Build sidewalks sidewalks sidewalks and forget the streetlights.	2/27/2017 5:22 PM
417	The city needs to include residents in determing growth priorties and fund expenditures. Provide safe and well lighted stops for school buses. Encourage industries to relocate or expand in Flagler County. Develop plans to combat growing crime, domestic disturbances and vandalism.	2/27/2017 5:11 PM
418	Yes. Where are the "no littering" signs? Keep Palm Coast beautiful. Littering fines enforced! Always litter along the roads. Car dealers should provide litter bags and advertise such to keep Central Florida Beautiful with a no littering campaign! You asked, I told you!	2/27/2017 5:11 PM
419	We need at least one side of the streets to have sidewalks. it's not safe to walk our dogs, especially when it gets dark. Dog parks!!' So many have dogs but few fenced yards for them to play in.	2/27/2017 5:06 PM
420	Totally against any increase in taxes until the City of Palm Coast decreases wasteful spending,. Too late to stop the Taj Mahal City Hall - that few visit. Get rid of Landon, you could get very qualified person for half the cost. Why build a tennis center when the complex near European Village is more convenient and an eyesore. Cancel the radio contract with Melissa Holland. Tighten the budget on wasteful spending, then we'll see about raising taxes for programs.	2/27/2017 5:00 PM
421	Stop over building. There is enough vacant store fronts and office spaces.	2/27/2017 4:15 PM
422	For any extra services, I think they should be fee based not by raising taxes.	2/27/2017 3:31 PM
423	The new Island Walk shopping center is a driver's and pedestrian's NIGHTMARE!!	2/27/2017 3:26 PM
424	Put street lights where necessary, NOT every couple feet. Pls try to time the traffic lights better. Although, they have improved somewhat lately.	2/27/2017 3:15 PM
425	Do not approve of the amount of money being spent on the Community Center upgrade. Also, the Holland Park project is a disgrace to the city. Looks mismanaged from the start.	2/27/2017 3:11 PM
426	For healthy, responsible growth, Palm Coast needs to bring industry and jobs that provide living wages.	2/27/2017 2:50 PM
427	don't we pay for the water drainage in our water bill?? why would there be other taxes for it?	2/27/2017 2:26 PM
428	I understand the need for some growth - but PC has lost the peace, calm, and attractiveness it originally had! Such a shame.	2/27/2017 2:11 PM
429	I would like to see a flashing pedestrian crosswalk across A1A by Bings Landing to the sidewalk across the street.	2/27/2017 1:56 PM
430	Street lighting in residential areas	2/27/2017 1:20 PM
431	Call me crazy. I felt safer with the red-light cameras. Belle Terre Drivers are going faster. I am seeing much more iffy behavior on the roads than I used to. Burroughs traffic is out of control and totally scary.	2/27/2017 12:32 PM

432	I'd like to see a YMCA with a aquatic facility available in Palm Coast for swimmers (closest is Ormond). Also, many citizens claim there is nothing to do - more businesses offering activities for families to have fun around town rather than having to travel to other cities (Daytona just added two trampoline sports complexes!).	2/27/2017 12:28 PM
433	[redacted]	2/27/2017 12:11 PM
434	Love living here	2/27/2017 12:00 PM
435	Good survey design.	2/27/2017 11:58 AM
436	Would love to have more "good" restaurants; caterers with interesting foods, not just Italian pizza and inexpensive offerings; keep taxes down!	2/27/2017 11:57 AM
437	Would like to see the park on Florida Park finished SOON!	2/27/2017 11:42 AM
438	Improve streetlights at every stop sign in residential areas and find a way to decrease public water rates	2/27/2017 11:34 AM
439	City manager failed with updating park and should not receive such a large raise. Town fails seniors. More streetlights should be on local streets, too.	2/27/2017 11:34 AM
440	Some of the walkways and parks need a nice designated parking area.	2/27/2017 11:24 AM
441	We wished we would have lived in a gated community. At least those people have rules and regulations. in my neighborhood, residents can do whatever they want and even though its against the town rules, our town does not care. examples are grass over a foot high, dead lawns, rubbish on lawns, old cars not registered, mechanics working on several cars in their driveways, commercial vehicles parked in driveways overnight, tractor trailers parked in driveways without the trailers of course, litter in the streets, many newspapers left for several weeks and not picked up, neglected lots with overgrown trees, broken trees, vines choking trees with lot owners allowed to leave them that way forever with no repurcussions. And the worse think We worry about is these empty lots being a danger to us because of frequent fires in the heat of the summer. and that endangerment worries us to a point where we would consider leaving PC entirely or moving into a gated, more managed living area. It's become dreadful to live here and it's getting worse and worse from when we moved here in 2006..... Only the town can bring back PC to what it was or to what it can be. Crime is also an issue but we rarely go out at night because of it. The town should get the C.O.P. program in full gear and get volunteers to patrol PC at night. WE also hear about gangs in some sections, luckily not in ours but that is also a concern for us as well as many of our neighbors and friends.	2/27/2017 10:34 AM
442	There is a real need to post signage re: minimum/no wake zones; manatee zones; etc. throughout the saltwater canals. So many "new" boaters (and careless long time boaters) operate their vessels in an unsafe manner. It seems as though Fish & Wildlife Management passes the responsibility to the Sheriff's office and vice versa. It would be wonderful to have an official presence patrol the canals on a regular basis.	2/27/2017 10:01 AM
443	would like sidewalks along some busy roads such as Cimmaron Drive	2/27/2017 9:33 AM
444	Would be excellent to have another grocery store on SR100 on the south side of the street as well as other services that may be too far up north in the city to enjoy on a daily basis i.e.; gym, quality shopping. Nothing too crazy to maintain the quiet, quant lifestyle Palm Coast has to offer.	2/27/2017 9:13 AM
445	Hopefully development is under control at a manageable rate. I recently relocated to Palm Coast and I love it here and all around Flagler County as well! I would gladly drive a little farther for more shopping and work opportunities than pay the price of overdevelopment. Let's keep PC a great place to live! Thanks!	2/27/2017 8:09 AM
446	Walking on our streets has become dangerous from complete lack of enforcement, the deputies sit at church parking lots, and major thoroughfares, stop cars on us 1 etc but do nothing inside the w section haven't stopped a car for speeding on westhampton in 15 years that we or our neighbors know of	2/27/2017 7:54 AM
447	Retail: Need a Trader Joes, major dept. store, more dining choices. Manufacturing: Need manufacturing jobs to improve salaries. The new county library should be in movies theater area to create a cultural hub.	2/27/2017 7:34 AM
448	Some of these questions are leading and biased and should be reworded for clarity. "Other" options should be more available or more commentary fields for users. I don't believe you'll get the best responses from average users in this survey	2/27/2017 7:25 AM
449	none	2/27/2017 6:59 AM
450	Though palm coast is nicely kept I believe far too much money spent on beautification you see double benches and trash cans every few hundred yards long many streets which I rarely seen used I cannot tell you how many times I have seen the median on belle terre Boulevard been changed over the years trees planted where they will not grow because the in the shade of other trees Palm coast code enforcement is overzealous and not uniform in it's enforcement The city manager is paid for too much and great example of wasted money is Melissa hollands new deal with the radio station at $10,000 ridiculous It seems palmcoast does not listen to it's people who did not want to new City Hall voted against it and it was built anyway	2/27/2017 5:48 AM

451	please get rid of Landon, nothing justifies his salary. Stop wasting money on the constant replanting on Belle Terre Pkwy.	2/27/2017 12:43 AM
452	City official should be much more friendly for business in Palm Coast. We need more high pay jobs .	2/26/2017 10:52 PM
453	There is nothing to do in this town thats why youth are smoking so much pot even in the schools and no anti drug programs	2/26/2017 10:37 PM
454	Excessive litter on roadways is upsetting as a good effort is made by the city to provide nice roadside landscaping.	2/26/2017 10:27 PM
455	On the whole I think our city government does a good job but I believe the new people elected are in for their own financial gain at the expense of the tax payer and we are going to become financially messed up like our federal government.	2/26/2017 10:26 PM
456	I am happy to live in Palm Coast. I find city government to be responsive to the citizenry. I'm a resident of Palm Coast 22 years. It keeps getting better.	2/26/2017 10:04 PM
457	Demolish the parking in the Public's shopping center . Palm Harbor shopping Center	2/26/2017 10:02 PM
458	Need a lot more traffic enforcement and police visibility. Traffic speeds and driving habits are getting very, very unsafe. Need to step up crime prevention and criminal apprehensions.	2/26/2017 9:49 PM
459	Traffic lights turn too fast. Need street lights on Belle Terre. Need traffic lights on multiple areas heading south on Belle terre. Need to figure out how and why so many homeless people living in woods. Makes me nervous. I work in daytona and fear our city is developing a problem with homeless like Daytona. Have been approached by many asking for money and they seem to have on many corners. Maybe we need a homeless shelter and programs to help them. Whiteview and us 1 needs trees and landscaping. Looks trashy. Also our pine lakes walking path bridge has been closed for months. We do not feel safe walking along road with only an orange barrier to protect us. We are happy to have a traffic light for old kings by Leigh high trail but we don't have anywhere to park! We haven't gone there in months and don't plan on it beacuse of this. Plus they need a bathroom. More bathrooms at walking trails and emergency buttons. Graham swamp a nice park but lacking in facilities. Police need to enforce bus safety and safe driving in neighborhoods. Maybe we need cameras on buses that can send tickets to people who drive pass buses when kids loading and unloading!! I work in voluisa county because I can make $20,000 more than I would in Flagler. Need better paying jobs. We need more restaurants. Happy to hear we are getting an Aldi's and have a new Bath and Body. We need things in town center. Island walk is great but wished it would have been in towncenter. We are happy with school system. Love all the problems offered for our kids. Thanks.	2/26/2017 9:41 PM
460	City's mismanagement of vacant lots	2/26/2017 9:39 PM
461	You need to update your map - old kings rd and palm harbor pkwy have changed.	2/26/2017 9:34 PM
462	Need more pickle ball courts in the Palm Harbor area. Largest growing sport in the state! Maintenance on trails and walkways are a must, they are often in need of cleanup or trimming.	2/26/2017 9:31 PM
463	Better public transportation throughout the city!	2/26/2017 9:14 PM
464	1. I think additional street lights are needed. I believe it would be a deterrent to crime. 2. Overall I think the city does a good job providing services to residents. 3. Palm Coast maintenance and grounds departments are second to none. They do a great job keeping our city a beautiful place to live. 4. Code enforcement should allow churches to place signs or banners on their property the week of a fund raiser. The funds raised provide many needed services for many of our residents.	2/26/2017 8:58 PM
465	Individual neighborhoods should be lit by street lights.	2/26/2017 8:51 PM
466	1. Communication services are way to high for retired people, and most are essential to have. 2. Sewer and water are good, but the amount we pay here is three times the amount paid where we lived in Michigan, and our lawn uses a well here. 3. Transportation services should be provided for hospital or doctor visits for the elderly that are not able to drive, such as our neighbor who broke her hip and wrist in a fall, since she is alone and no family here, all of her neighbors took turns taking her to the hospital and also took her meals. 4. Also something like a neighborhood watch for elderly neighbors, or an advocate for them, maybe a brochure mailed to people listing where people in need can find help or services.	2/26/2017 8:30 PM
467	Palm Coast is a beautiful city. It would be nice to have the Town Center built so we could add a center destination for food and shopping. Raising taxes would be fine if you work however I would be concerned about all of the resident seniors on fixed incomes.	2/26/2017 7:47 PM
468	Do a better job with the median on Belle Terri in the E section we don't need all the bushes trees and grass would be a lot better to look at than that stuff also less maintenance.	2/26/2017 7:01 PM
469	I am proud to live in Palm Coast. So pleased the median strips on Belle Terre south of Royal Palms are being landscaped.	2/26/2017 6:21 PM

470	Please do not increase my taxes. I have been employed by the schools and have observed a tremendous about of waste in the school system. That needs to be addressed.	2/26/2017 6:06 PM
471	Why are you still working on the Florida Park Dr park? Will it still have an area for dogs to run free? Way too much time and money expended.	2/26/2017 6:03 PM
472	I want a beach that is enjoyable to walk. The sloped terrain makes it very difficult to walk the beach. And it would be nice to lay my towel down at the beach where it isn't littered with cigarette buds.	2/26/2017 5:50 PM
473	Why did we take down the playground at the senior center when the one at Holland Park hasn't been completed?! What a travesty. The nearest playground to the C or F section is a 20 minute ride away.	2/26/2017 5:17 PM
474	It is becoming more common seeing people on the neighborhood streets riding dirt bikes and ATV's. The sheriff needs to patrol more often. I rarely see them patrol the neighborhoods off Florida Park unless they are on a call or trying to catch speeders on FL. Park. If they patrolled more they might catch these people before they get in or cause an accident. Also I wish someone would enforce the parking regulations. If youngster a boat in your driveway it doesn't mean you should park your car in the street, especially in a curve.	2/26/2017 5:12 PM
475	Please continue to beautify our I-95 entrances and major median areas. They are a big draw to new comers. Also, lets work on timing of the traffic lights at the major intersections ie PC Parkway and Old Kings.	2/26/2017 5:03 PM
476	This city needs its own police department. Flagler County is growing too much for FCSO to handle it all. Bunnell and Flagler Beach have their own departments and have a fraction of the population Palm Coast has.	2/26/2017 5:03 PM
477	The New community center should have a senior person giving suggestions as to programs. We are retired, not expired! The "c" section needs some representation we pay the highest taxes living on the canals and yet are expected to go the extra miles for whatever sparse senior activities are offered. Yes I would volunteer to help out so give us "young at heart" folks a shot!!! Participate not patronize. Put an add in the paper. You might be surprised!!	2/26/2017 5:02 PM
478	I would use the parks and trails more if I worked in Palm Coast. My drives to and from work are very long and stressful.	2/26/2017 4:42 PM
479	It seems Palm Coast being extremely rigid and difficult when it comes to permits re build, fixing or update property. Or establishing businesses aso. It's good that someone looks after it, but right now I think it creates way too much headache when it's not needed.	2/26/2017 3:41 PM
480	As a former user of Holland Park I am VERY upset at the fiasco that is going on about getting this park functioning again (after almost 2 years in repair) I only hope the Community Center does not take this long. This project was to be started 4 years ago.The Town Hall went up faster.	2/26/2017 3:12 PM
481	Palm Coast desperately needs businesses to come here. Bed Bath and Beyond was supposed to be coming... years ago there were rumors of a Costco... Doing some research and reading I have come to the conclusion that the regulations for coming here and the approval and inspection process is onerous and businesses simply do not want the hassle. This must change if we are to grow as a community... this is systemic. It has been nice to see some growth but nothing that attracts upper end income levels. We have enough targets, walmarts, kohls, etc. Need some higher end businesses to come here. Including restaurants.	2/26/2017 2:54 PM
482	Excluding the outlying areas, I see for the future the center of the City of Palm coast resembling a major city in a third world country.	2/26/2017 2:51 PM
483	Please stop running the city like a north east community and make the community accessible and reasonable. Too many rules that seem to be different for different people.	2/26/2017 2:33 PM
484	No	2/26/2017 2:32 PM
485	Palm Coast is a very dangerous city in which to operate a motor vehicle. Traffic signals are not sensibly timed, street signs are confusing and inconsistent, lane and turn markings are faded or improperly maintained, and street lighting is inadequate or totally lacking. Speed limits are not properly matched to the streets where they are posted, especially in Town Center and the universal Hospital signs (white 'H' on blue field) have never been installed. Most children riding their bicycles to and from school do so without wearing the required head protection and ignored by law enforcement and by crossing guards. For a city which depends so greatly on tourism, the overall traffic and streets situation are extremely visitor-unfriendly.	2/26/2017 2:07 PM
486	Restroom needed at all city parks Small picnic shade will be great	2/26/2017 1:15 PM
487	The decision to continue with the community center after the construction costs doubled without citizen input shows total disregard for residents. Palm Coast does not need to be Palm Beach. I strongly feel we are fast approaching another economic downturn due to poor leadership here.	2/26/2017 11:34 AM
488	This is a great community, but it is very expensive to live here. Property taxes are high. I think that the city should now focus more on commercial development that is environmentally friendly and that will pay more of the property tax burden. I fear that uncontrolled residential development cannot be sustained. Thank you.	2/26/2017 11:15 AM

489	Street light survey section should address neighborhoods. Many neighborhoods could use additional or improved street lights.	2/26/2017 10:50 AM
490	Please clean up the ramp from I-95 to Palm Coast. Since the hurricane it has looked terrible and has been very disappointing. It would be wonderful to cleanup FL Park Drive as well.	2/26/2017 10:30 AM
491	It would be nice to see a sidewalk along Cimmarron St.	2/26/2017 10:29 AM
492	we need more business such as electrical supply, plumbing supply and cosco store.	2/26/2017 10:25 AM
493	Fresh water canals are being neglected.	2/26/2017 10:07 AM
494	With economic development comes land use. When looking for a place to retire to, we fell in love with the beauty of Palm Coast and it's tree lined streets. As more commercial comes in, the trees are disappearing and so is Palm Coast's beauty - i.e., the development on 100. Island Walk is a good example of trying to keep the ambiance, although the parking lot leaves a lot to be desired.	2/26/2017 10:00 AM
495	Love Palm Coast. Little concerned about the drugs and gangs. Wonder how we're dealing with that.	2/26/2017 9:55 AM
496	St Joe's walkway is a very nice place to walk. I feel it is NOT being properly maintained. Branches falling off of trees are not picked up. Dead foliage is left on the side of the trail.	2/26/2017 9:40 AM
497	Love Palm Coast	2/26/2017 9:18 AM
498	Palm Coast is a hidden gem of Florida. City Planners need to be careful to keep the uniqueness and not get so commercial. Get some upscale businesses in on A1A. Nice restaurants on the water. Create a beautiful classy environment like St. Simons and Amelia Islands. Move the trailer parks and utilize the beauty of the land. Rise above and be unique not old tacky and falling apart. A1A could be a beautiful must stop for people if money was spent to design some gorgeous shops and restaurants with amazing food. Make it chic and attractive. Get some people in here that know how to create that without getting commercial. Locally beautiful. No chain restaurants east of the intercoastal. Plant flowers and work on aesthetics!!! Palm Coast is a treasure!!! Build on the beauty!	2/26/2017 9:07 AM
499	I would like to see more business development to help support ever increasing taxes which supply the government services we receive. Restaurants and retail are not enough.	2/26/2017 8:46 AM
500	No	2/26/2017 8:36 AM
501	need to plan for additional bridges across I-95. need one somewhere around the Elks club and another one somewhere in the area of Whiteview. the sooner the better.	2/26/2017 8:32 AM
502	I do not see the benefit of becoming a city The essential services are still with the county all i see is more money out of my pocket	2/26/2017 7:08 AM
503	Would like streetlights and sidewalks. It's very dark in our neighborhood. Also, fast drivers creates unsafe conditions. We must walk in Road.	2/26/2017 5:45 AM
504	We need a more friendly business environment and private businesses moving in with greater shopping and entertainment choices. I don't use the parks a lot, but I think green spaces are very important to have to keep up the living environment. Overall, the town looks good but there is not much to do here.	2/26/2017 5:19 AM
505	Eliminate the City Manager's job. Let the Mayor do those duties.	2/26/2017 2:22 AM
506	Palm Coast needs better traffic management and, more stores	2/26/2017 1:11 AM
507	More communication of city policies and events. Without local TV station and newspapers it is harder for people new to the area to know what is going on. What do you need permits for? Watering? It does not make sense to have to have so many big trees required in such a small lot. Our palm trees we wanted to plant did not count. A Southern Magnolia tree which was on the list is going to get much too big for our small lots. Then when storms come much more change of damage to house. or pool enclosure. Required to have grass or mulch and the trees from vacant lots and mine killing grass in the back. Vacant lot trees are getting bigger and crowding out my trees I had to plant. All this kills grass in the back. Fire lane kept on side of house but not in back.	2/26/2017 12:34 AM
508	The only real gripe I have with the city is over zealous code enforcement. I understand the importance of enforcing code, but for one very minor violation, parking a car in my yard. I received a notice taped to my garage door, a letter, and a certified letter I had to waste time going to the post office to pick up. Also the car was in the yard from about 2:00am till around 9:30 am. Once. Your code enforcement personnel need to exercise more common sense. My experience gave me an antagonistic attitude toward code enforcement, and in no way benefited the city.	2/26/2017 12:02 AM
509	Please reopen James Holland Park. The charges for code violations are unjustly, unequally applied and exorbitant. The difficulties that incoming businesses face are a huge detriment to bringing in new job opportunities and building a evolving and prosperous community.	2/25/2017 11:13 PM
510	I think the city is fairly well operated but there are huge labor issues	2/25/2017 11:05 PM

511	There are numerous violations that are committed by homeowners who don't care about their homes. Dead grass, dead shrubs, garbage, junk cars, newspapers left in driveways, furniture or bulk garbage put out on Friday which won't be picked up until the following Thursday. These houses may be next to houses that are in mint condition yet your Palm coast inspectors drive by these violations and look the other way. I'm sorry we live here.....there are 7 houses on my block that are absolutely ugly, black driveways, damaged roofs, they look disgusting making Palm Coast look like a slum. Not what I bargained for when we moved here 10 years ago. It's shameful that the town does nothing to improve this situation. Homeowners who break violations should be fined. Then there are empty building lots that look like crap. Never maintained, just become dumping grounds for garbage. People can invest in lots and do nothing to them, ever. Broken trees from the hurricane, overgrown vines choking good trees, dead brush..... all this just waiting for a fire to happen? We don't want to live in a slum area and are slowly looking into other states. Too many people complaining about Slum Coast. We hated hearing that statement but now are realizing that it's true.	2/25/2017 11:04 PM
512	Get a Senior Citizen center!!!!	2/25/2017 10:34 PM
513	The crime rate would improve greatly with street lights in subdivisions. Only place I have lived in my life I didn't have street lights. I'm tired paying 10.31 monthly since 2003 for a light in front of my home. We pay enough taxes to have street lights . How can you see who commits crimes without streetlights. Perfect city for crimes without street lights. It is a disgrace that we don't have a seniors club or meeting place with things to do. It is all spent on tennis and things for kids vs older generation. I paid to raise my child and expect others to do the same. We pay taxes for schools as seniors but receive nothing for ourselves. Please work on these things for our city.	2/25/2017 10:22 PM
514	I feel strongly that the county should be responsible for the drainage issues in the Marineland area county allowed for the development of sea colony & hammock dunes resorts without allowing for drainage & now we homeowners are taxed for the countie's poor management of growth. County should also be responsible,along with the state for dune/beach restoration	2/25/2017 10:21 PM
515	Palm Coast was initially established as "bedroom community", to which most of us escaped to, from the rat race of the big cities. There is no need for manufacturing or business development here. Tax dollars from real estate should be enough to support daily operations of our City. New schools attract more renters from all over the country, which continues the vicious cycle of need for more jobs, more schools, more services, more salary increases for city managers, police, fireman etc. Until it becomes again the rat race we all escaped from! Wise up, please!	2/25/2017 9:40 PM
516	Enforcing speed limits on Royal Palm Blvd. it's like a race track	2/25/2017 9:10 PM
517	Code enforcement needs to better cite home owners that do not keep a clean lawn or leave trash out for days	2/25/2017 9:03 PM
518	We need public transportation	2/25/2017 8:58 PM
519	It is very important to synchronize the lights on Palm Coast Parkway to prevent the constant traffic back up that is in all three lanes.	2/25/2017 8:28 PM
520	I feel the city manager is not doing a good job. I do not think that we needed a brand-new City Hall at the 11+ million dollars. I do not understand why you put so much money in to the senior center center when you have a park around the corner that is still not done Yeah basketball courts or other types of outside facilities are supposed to be there why do you have to build another one about three minutes away	2/25/2017 8:18 PM
521	We need to attract businesses like Trader Joe, Wawa, Costco so there isn't so much money spent in Dayton, Port Orange and Jacksonville. Thanks for TSC	2/25/2017 8:04 PM
522	We desperately need decent cellphone service. The lack of a any service in a city as wealthy as Palm Coast is quite frankly embarrassing.	2/25/2017 8:01 PM
523	A few more speed limit signs couldn't hurt!!	2/25/2017 7:24 PM
524	I'm opposed to red light cameras. I'm opposed to increasing taxes without first cutting budget items and stop giving raises to city manager and school superintendent. This isn't New York City and should pay government employees such outrageous salaries.	2/25/2017 6:32 PM
525	More city street light are needed, and Old Kings Road need some stop signes especially at Fleetwood.	2/25/2017 6:08 PM
526	The area is growing I think we need more stores. Look at Walmart parking lot. Need I say more? Now look at Belk's. Publix and Winn Dixie are not par with the supermarkets in other areas. The prices are high and there is no selection and the produce there is horrible. Next healthcare I still haven't found a primary care Dr. So to sum it up: Better health care More goods and services with selection, quality and fair prices. Some entertainment	2/25/2017 6:07 PM
527	Bus stops are too dark, especially for the Middle School children who get picked up first. People need to slow down in neighborhoods. The new Matanzas highway interchange was a great investment, however the exit ramps are dangerous. When turning NW off the northbound exit, it is nearly impossible to see and requires cars to cross over crosswalk to see oncoming cars over the bridge and guard rails. It is dangerous, especially at sundown when most are getting home from work. The increase in peddlers at intersections is concerning.	2/25/2017 6:03 PM

528	Roughly 1/3 of our city is comprised of senior citizens. We would like the city to help us find a way to establish a senior center; one that could be monetarily self-sustaining and offer a permanent place for seniors to meet and develop much needed programs for themselves and also to offer other groups the benefits of using the center for their programs on a pay-as-you-go basis. To date, all efforts to gain positive assistance from the City of Palm Coast has fallen on deaf ears. Not good.	2/25/2017 6:03 PM
529	Light up the streets and put in sidewalks.	2/25/2017 6:03 PM
530	Fire your city manager, makes too much money, has too many perks and lots of bad decisions re finances, i.e., red light cameras.	2/25/2017 5:52 PM
531	Too much trash all over Palm Coast and people are driving too fast!	2/25/2017 4:55 PM
532	White Mill Drive needs more traffic control as trucks and motorcycles speed up going thru this short cut to White View and Belle Terre. Accidents have already occurred.	2/25/2017 4:46 PM
533	Stop bringing in crappy businesses . What about Trader Joes? Whole Foods? We need a. Variety of supermarkets , Public is a monopoly. Cute coffee shops.	2/25/2017 4:41 PM
534	too many regulations that hinder business; not enough signage; to many rules about trees that conflict with personal freedom; too many regulations in general; waste in government; too much cronyism	2/25/2017 4:26 PM
535	Fix the garbage problem. They don't pick up, destroy cans. They are picky about things that are recyclable.	2/25/2017 4:22 PM
536	I would like to see more sidewalks for people to walk an ride their bikes. People are walking or riding bikes on the street risking their lives.	2/25/2017 4:09 PM
537	More sidewalks are needed along highly trafficked roads such as Cimmaron Drive. I am willing to pay more taxes for infrastructure safety projects.	2/25/2017 3:50 PM
538	Code enforcement needs to enforce for everyone & stop friendships with violators. Also need to be eyes/ears & report "drug related activity" to law enforcement. Code enforcement sees it daily.	2/25/2017 3:41 PM
539	No	2/25/2017 3:36 PM
540	I would love to see undeveloped lots in residential neighborhoods maintained for too many reasons to list here. I strongly support many more street lights	2/25/2017 3:36 PM
541	There needs to be a left turn lane on east Palm Coast Parkway to turn onto Club House Drive. There are left turn lanes for Walgreens, for SunTrust Bank, for Race Track, and for St. Marks, but none for Club House Dr. which probably gets more traffic than the other places I listed. It is very dangerous.	2/25/2017 3:36 PM
542	Question 35 doesn't allow for some college, associate degree. We, Palm Coast, really need to plan for a separate stand alone daily senior center. Not just assume the community center will suffice. Sooner rather than later please,whether new build or an existing building. I would be willing to pay higher taxes for this. We are after all partly a retiree community. Add it now to our 5 year plan, please.	2/25/2017 3:11 PM
543	Yes please, to whom it may concern, I am a retired title insurance agent and police officer that decided to retire and move here (6/20/2016) We want to be able to walk and ride our bicycles in our neighborhood. I and my life partner have came close to being attacked by the neighborhood large dogs, three of which were on leashes but escaped from their owners, these are the large Lab-Pit bull mixes, German Shepard's, Rottweiler's, etc..., I have read many HOA by-laws for many different areas of the U.S. and Florida and they state no pets larger than 15lbs shall be kept or harbored within the city limits. Also it was recently in the news of a 70 year old man and his wife and small service dog was attacked in a dog park resulting in killing his service dog, I heard the man since had a heart attack and died and last I heard, his wife had to go to the hospital for severe trauma. As a tax payer I truly believe this is a serious issue of greatest importance that needs to be addressed ASAP! Please note, I truly am an animal lover and love all animals, however, when I do not feel safe walking and riding my bicycle on the streets in my neighborhood it's time to step up the penalties severely and/or permanent removal of these animals. If it is absolutely necessary for these people to have these kind of animals then I would suggest setting license and permit fees in the range of $1,000 to $3,000 dollars (severity to be determined by animal control at time of licensing) annually per animal and the owner would have to provide proof of liability insurance in the amount of $1,000,000.00 annually. Failure to provide either of the above and there is a life threatening incident/injury sustained the penalty should be $10,000.00 fine and 10 years imprisonment. Animals over fifteen pounds have no business within the city limits period! It's a proven fact within many municipalities there have been a multitude of attacks I don't care how good the owner says they are, they are still unpredictable. P.S. My knowledge on this matter comes from not only being a former police officer but also being a former FedEx Contractor. Respectively submitted. P.S. Further dog owners need to be reminded to pick up fecal matter left behind by their dogs any where they walk their dogs.	2/25/2017 2:57 PM

544	Palm Coast & Flagler County need an aggressive economic development plan to bring high tech, corporate, or manufacturing jobs I into the community. All I see is sprawling retail development which usually equaties to lower paying opportunities. Since Flagler County has virtually turned its back on short term beach rental tourism I expect both the city and county to experience a drop in prosperity.	2/25/2017 2:55 PM
545	We do not need anymore sidewalks and trails. We need more show of traffic law enforcement officers in the town and neighborhood and enforcing speeders; loud cars and trucks. Visibility of our law enforcement and enforcement will help reduce the accidents, dangers that are more prevalent over the past year on our streets/neighborhood. More visibility of our law enforcement are needed.	2/25/2017 2:53 PM
546	Yes. Have the Rec department remove the 'truck and trash" off those memorial benches on the ICW path. They are rendered useless and are unsightly.	2/25/2017 2:45 PM
547	We need a city police department and code enforcement needs to be realistic in some aspects. Warnings for rediculous things but nothing for continuous offenses.	2/25/2017 2:42 PM
548	Need better cell phone service in Palm Coast	2/25/2017 2:38 PM
549	Another bridge or two over I-95 would be a great idea to ease traffic congestion!	2/25/2017 2:29 PM
550	Would like to have a dedicated senior center with a proper room for dance/fitness classes (i.e. Wood floor, mirror).	2/25/2017 2:19 PM
551	I have lived here for 22years and I still love Palm Coast very much. My backyard looks like a park and I have been blessed with wonderful, caring neighbors and a safe, clean neighborhood.	2/25/2017 2:15 PM
552	Traffic conditions into and out of Eastwood Dr. (north) need review. Exiting Eastwood Dr. going northbound is virtually impossible during certain hours of the day. Entering Eastwood Dr. opposite Public plaza traveling southbound is hazardous without a turn lane; a rear-end accident is inevitable.	2/25/2017 2:01 PM
553	We desperately need sidewalks on Cimarron. I am tired of hearing that they are impossible due to the storm swells. If you widened the road 18 inches on both sides, then moved center line to one side, the other side would have a 36 in walk/bike way.	2/25/2017 1:44 PM
554	Love Palm Coast just control the crime here in town so people feel safe in their own homes. Create more jobs that people can actually get. The town always posts jobs but they never get to the population as they are filled some other way. Not good.	2/25/2017 1:34 PM
555	We desperately need a senior center. Ideally, it would be a senior center that would be a resource for all the seniors. By the same token,every community needs to have a youth center that has many activities for its youth. If the kids don't have a place or activities, they end up bored and we all know what that leads to.	2/25/2017 1:30 PM
556	What is the future of the Palm Harbor Golf Course if new owner Jacoby Developer is allowed by our city officials to build villas in the golf course driving range? And why if this will be the plan after we spent over 5 millions of taxpayers funds to reopen it after Centex neglected to properly maintain and destroyed the golf course.	2/25/2017 1:24 PM
557	broader economical base	2/25/2017 1:23 PM
558	I have lived here 20 years. I think the city has done a superb job of making Palm Coast a desirable place to live.	2/25/2017 1:09 PM
559	keep our area as a single home residential area not a multi family area	2/25/2017 1:05 PM
560	Who designed the New Publix parking lots. It is an accident waiting to happen. Too confusing!	2/25/2017 12:54 PM
561	We need a dedicated Palm Coast Police Department. This a seriously needed service as I've seen things change drastically in the 10 plus years we've been here!! Needs to be done ASAP!	2/25/2017 12:50 PM
562	Need bike paths on cimmeron	2/25/2017 12:31 PM
563	More communities with sidewalks.	2/25/2017 12:20 PM
564	Please do something with Matanzas Golf Course	2/25/2017 12:20 PM
565	Stop growth without environmental study and resource availability	2/25/2017 12:17 PM
566	We need a sidewalk on Cimarron drive in the c section. More code enforcement on blighted houses.	2/25/2017 12:11 PM
567	Please, look into the quality of the City water	2/25/2017 12:05 PM
568	Palm Coast has always been totted as a retirement area, I feel that has been lost. If people want all theses services go to Orlando, Daytona or someplace bigger. Renters should be given a copy of city codes and the owner should be held accountable for code violations and let code enforcement do their jobs.	2/25/2017 11:36 AM
569	Now that Palm Coast is no longer a sleepy rural area, for the safety and security of residents, there should really be more streetlights in our communities...not just on the main roadways. Along that same line of thinking, sidewalks are needed in our communties.	2/25/2017 11:35 AM

570	Control of unnecessary excessive noise during the daytime. Blasting music continuously.	2/25/2017 11:17 AM
571	Get rid of money stealing in-public golf course. Nobody plays there	2/25/2017 10:53 AM
572	No	2/25/2017 10:52 AM
573	The lack of facilities or places for teenagers to go to are one of the causes of increased crime. PC needs its own police force.	2/25/2017 10:48 AM
574	stop making so many ridiculous policies and rules. let residents who own their homes live peaceful and not having to ask permission to hiccup	2/25/2017 10:47 AM
575	Conversion to underground utilities in areas where outages occur the most during severe storms.	2/25/2017 10:45 AM
576	I would like to see the city be more fiscally responsible with current funds vs pushing through personal raises for city managers, fancy buildings, and additional bed taxes. Having lived here more then 10 years many private local business have come and gone because of lack of supported as our city personnel spend resources courting another McDonalds, Dollar Tree, or diner-style chain restaurant. Why does the council choose Panera to cater their meetings vs a local restaurant? Why not choose a local printer to print their flyers? A Palm Coast business to design their website or conduct this survey? It starts by modeling and sadly it isn't happening. Town center has been vacant for years, parks are closing seemingly indefinitely for repairs while a few loud seniors clamor for free entertainment. Rent at the new Island Walk shopping plaza is nearly as high as downtown Winter Park. Palm Coast started as a retirement town and 10 years from now it still will be if the city keeps scaring away business with costly regulations, lack of signage, and ludicrous rent unsupported by current demographics and encouraging 1940's style segregation by the way they draw the zones for their middle and high schools. Sad. Our family loves the trail system, parks, and beach proximity but when it comes to the end of the month and what is leftover when 2 people work basic jobs because nothing else is around for our educational status... we are sadly, looking elsewhere because Palm Coast didn't deliver what it promised 10 years ago why stay for another 10?	2/25/2017 10:29 AM
577	Overall I enjoy living in Palm Coast but can't enjoy all that it can offer because of where I work.	2/25/2017 10:24 AM
578	NO more streetlights please! if New Yorkers want more lights, ask them to return to NY	2/25/2017 10:16 AM
579	I applaud the work of the landscape engineer in this city. I am so blessed to spend so much time on our roadways to appreciate it.	2/25/2017 10:13 AM
580	I think you should be stricter, with people who do not take care of their yards. Especially on Belair off of Bell tear.	2/25/2017 10:06 AM
581	sewer system needed beachside	2/25/2017 10:01 AM
582	Need a bike/walkways along Old King (between Palm Coast PW and a new highway exit)	2/25/2017 10:01 AM
583	I would like the city to consider changing the signs designating each section. The blue and white wood signs look old and ugly and need to be updated.	2/25/2017 9:54 AM
584	The council should fire Landon .he is not worth 226700$$$$	2/25/2017 9:52 AM
585	I would back additional activities/after school programs for kids.	2/25/2017 9:52 AM
586	We desperately need a Senior Center! It is shameful that the Palm Coast elected officials have not funded money to make it happen. Maybe we need new council members!	2/25/2017 9:51 AM
587	I love living in the Hammock and only travel to Palm Coast when needed.	2/25/2017 9:46 AM
588	I think Palm Coast needs its own law enforcement. It's a beautiful place, and I would hate to see it go downhill because of lower income people moving in and committing crimes.	2/25/2017 9:45 AM
589	We love living in Palm Coast, and intend to stay forever.	2/25/2017 9:42 AM
590	We love it here! People are NICE! There's a sense of community here that is lost in many other areas of Florida. People really seem to care including our elected officials. Proud to call Palm Coast home!	2/25/2017 9:39 AM
591	The city of Palm Coast can only be as good as the citizens want it to be. Complacency and ambivalence only results in a city of crime and corruption.	2/25/2017 9:38 AM
592	Palm Coast has the worst or no christmas decorations for a city of its size in the usa No decorations,why?	2/25/2017 9:37 AM
593	Raising taxes will drive citizens out. Stop spending so much money on parks and ask the citizens to help take care of them and make improvements. More festivals are needed and spend some money attracting major businesses. Do something about the schools; safety, crime, not reporting real issues to law enforcement, pay is awful. Palm Coast is a beautiful town with select great people. Remove the trash and spend money to bring big corporations in (not more grocery stores or another trashy Walmart!)	2/25/2017 9:37 AM

594	1.Several pages of the City website are outdated. 2. There are plenty of employment opportunities; HOWEVER, they do not offer competitive wages or are retail and/or part time. We need *GOOD* jobs, not just more jobs. 3. We could use another dog park around the southern end of Palm Coast, maybe closer to Belle Terre or Bunnell.	2/25/2017 9:28 AM
595	I find taxes to be too high; if they go up dramatically we will be forced to sell our home.	2/25/2017 9:22 AM
596	Re: shopping. We have enough large Department stores. We need to diversify by bringing in smaller boutique and specialty stores into the city.	2/25/2017 9:17 AM
597	Some questions, i.e., street lighting and drainage, are already excellent and, to me, just require ongoing maintenance. Not new developments.	2/25/2017 9:15 AM
598	Palm Coast is a lovely city, this is where we chose to retire. We need more jobs here. Shopping is fine here. James Holland Park is a sore subject. Something doesn't seem right there, still not open, did not need all that money used there. Priorities??? Was money allocated for there used somewhere else??? Loved this city when it was more homey and quaint. But with increase in population, more crime, problems, etc. Do like that the cameras at red lights has been resolved. Keep up the good work, we have a city to be proud of !!!	2/25/2017 9:09 AM
599	Dog park is really necessary for our dogs health. The amount of time it is taking to finish the park is awful. 2 years iS a major po rtion of a dogs life, they need it finished!	2/25/2017 9:04 AM
600	Finish holland park	2/25/2017 8:55 AM
601	Traffic on Florida Park Dr is out of control it's more klike a speedway at certain times.	2/25/2017 8:55 AM
602	Please keep taxes down; please review all regulations and services and just keep the essentials - HOMEOWNERS SHOULD HAVE MORE SAY AS TO WHAT TO DO WITH THEIR PROPERTIES; maintain the sheriff presence.	2/25/2017 8:45 AM
603	I support the effort to expand the community center and hope to see some additional senior programs when its re-opened. I do not support a separate senior facility; I prefer an inter-generational, mixed-use approach. I also do not support street lamps in my neighborhood. I moved here because there was less light pollution than Tampa. Finally, I would accelerate the installation of the micro cell phone towers, especially south of Easthampton. Overall, it's been a wonderful place to live. Keep up the good work.	2/25/2017 8:44 AM
604	Very, very dark at night. Need more streetlights.	2/25/2017 8:35 AM
605	Would love more things to do with the family	2/25/2017 8:34 AM
606	Finish Holland Park on Florida Park Dr Add an organic market Trader Joe's, or Whole Foods	2/25/2017 8:23 AM
607	need stop light at Route 1 and matanzas parkway	2/25/2017 8:13 AM
608	I would like to see greater police monitoring of major traffic intersections to prevent red-light runs; as well as speed monitoring. Drivers in Flagler County are frightening.	2/25/2017 6:59 AM
609	It's hard to find a good paying job in palm coast even with experience and a degree. I wish there were more opportunities to meet other people that did not involve going to a bar. There needs to be more advertisement of local businesses, and healthier options. Also again palm coast could use a lgbt group or center, there are alot of people here in this community.	2/25/2017 3:33 AM
610	Have the sherif push for more volunteers to join COP programs and monitor streets at night with two people per car. I would gladly volunteer to make PC A SAFE PLACE. In my section there are two section 8 houses with criminal activity going on. Mostly drugs but not a good example for our youth. Street patrols need to be increased to keep us safe. The homeless are also roaming our streets and should be helped.	2/25/2017 12:43 AM
611	Belle Terr parkway needs more lights and we need a major business to come in.	2/24/2017 11:43 PM
612	FIX THE TRAFFIC LIGHTS !!	2/24/2017 11:17 PM
613	too many street lights wasted in town centere. $$$ not enough street lights in neighborhoods.	2/24/2017 10:34 PM
614	too many streetlights wasted in towne center. not enough streetlights in neighborhoods.	2/24/2017 10:31 PM
615	none	2/24/2017 10:03 PM
616	No	2/24/2017 9:23 PM
617	More street lights. Better police protection for breaking and ID scamming at gas stations.	2/24/2017 9:13 PM
618	Please consider developing a large senior community in Town Center like one of the communities in The Villages. It's close to hospital and the developing center for the arts. If a transportation system like a trolley system or golf cart paths could be designed along with housing and shopping, it could be a premiere attraction for our town.	2/24/2017 8:59 PM

619	You need to explore additional ways to market the programs and services that you currently provide to the community. Unless you know where to look, residents do not know about the multitude of available activities. I would like the city to share the status of the Holland Park renovation project.	2/24/2017 8:59 PM
620	Crime is horrible traffic is too	2/24/2017 8:49 PM
621	I almost get in 20 accidents a day in this city from people running stop signs tailgating me texting while driving speeding driving drunk and nothing gets done about it	2/24/2017 8:40 PM
622	Lighting in Town Center violates Palm Coast code. Very dangerous due to glare. Mental health and social services are lacking.	2/24/2017 8:28 PM
623	If we do streetlights, it needs to be done correctly. They should be LEDs with a CCT less than 3000 K (not the "blue" LEDs). They only need to be on major streets and should be controllable (turned off after a set hour). The street lighting in Town Center is terrible, as is the lighting of City Hall. I believe the latter violates our lighting ordinances. I think there also needs to be some social services for our residents who are going through difficult times. I know this is unpopular and that the county is supposed to provide these services, but more needs to be done.	2/24/2017 8:18 PM
624	We are highly concerned with the deterioration and safety of Pine Grove Drive which has high traffic. Edges of road are badly deteriorating and there are no sidewalks on this high traffic road. Numerous school children are let off of buses on this road and have no sidewalks, so they walk in busy road which is windy and fast paced. Very dangerous!	2/24/2017 7:28 PM
625	Please lower the speed limit on Belle terre between 100 and us 1. Way too fast. And noisy	2/24/2017 7:23 PM
626	please, please, please, do whatever it takes to bring more businesses and jobs to Palm Coast. The trees and bushes are pretty and very important--but, they just not impede new businesses from wanting to build in Palm Coast. Also, please, let the WaWa happen on Bulldog.	2/24/2017 7:16 PM
627	The city should be ashamed of themselves for starting new renovations or rebuilds before finishing James Holland Park.	2/24/2017 6:35 PM
628	Would it not be wiser to spend the money to widen Belle Terre Parkway instead of continually landscaping.	2/24/2017 6:34 PM
629	Very pleased with the sidewalks installed on Seminole Woods Blvd. Use them regularly; wish there were street lights. Also suggest better street name signs so people traveling south could see which streets come in on the east side of Seminole Woods Blvd.	2/24/2017 6:32 PM
630	Keep up the work of maintaining and improving the Beautification of the City	2/24/2017 6:22 PM
631	love living here	2/24/2017 6:21 PM
632	Palm Coast is becoming too much like south FL, increased crime, traffic, construction, etc. driving taxes up and lowering the quality of life.	2/24/2017 6:00 PM
633	My wife and I are not in anyway a threat to Sheriffs Deputy's. But have been treated rudely and threatened by them. They are very unprofessional.	2/24/2017 5:59 PM
634	Cobb courses for the residents of Palm Coast	2/24/2017 5:50 PM
635	A variety of Continuing Ed classes is beneficial to all residing in Palm Coast as it keeps citizens engaged and discovering new avenue in which to gain expertise.	2/24/2017 5:42 PM
636	I would pay extra taxes to get underground utilities and get rid of power lines.	2/24/2017 5:40 PM
637	A public transportation (bus) route; other than chain restaurants; no texting or phone use while driving - primary offense; stop traffic violators.	2/24/2017 5:37 PM
638	Palm coast is no longer safe at night, we stay home. Concerned about the gangs in our neighborhood, police do nothing. Hopefully our new sherif will clean it up. Homes on our block are neglected and affect our property values. Town lets people do what they want which is not fair to the people who care for their homes. Section 8 housing landlords just collect the rent. Do nothing to upkeep their homes.	2/24/2017 5:29 PM
639	We want more variety in shopping choices, and to have them closer to each other...also, more choices in restaurants.	2/24/2017 5:18 PM
640	I would be very disappointed if my taxes are raised.I am upset about the condition of the fresh water canals for fishing, not sure what is being sprayed but it is affecting fish life. I am also very upset that I can no cut trees on vacant lot next to me that are too close to my home.	2/24/2017 4:55 PM
641	City council should not arrive development change of property called Palm Coast 145 along US 1	2/24/2017 4:53 PM
642	Stay in budget while at the same time achieving goals without raising taxes.	2/24/2017 4:22 PM
643	The drinking water continually has sediment in it.	2/24/2017 4:10 PM
644	Better parking for your own home. There is no way to park on the street	2/24/2017 3:55 PM

645	Many crazy drivers on the roads- speed and tailgate every day. The town would be safer and make tons of money if they had a sheriff ticketing people for a few hours for driving the wrong way down aisles and failing to stop at stop signs in every supermarket parking lot. I see people making illegal left turns out of Target parking lot onto Belle Terre Blvd every other day. Traffic lights at Old Kings Road and Palm Coast Pkwy and Cypress Point Pkwy and Palm Coast Pkwy don't stay green for very long - lucky if 5 cars get through. Beautiful town, but it's getting way too crowded. Would be good to have a nicer shopping area instead of more cookie cutter malls with the same junk dollar stores, phone and mattress stores. Would be nice to attract some tech companies to the area with higher paying jobs.	2/24/2017 3:53 PM
646	We need a Senior Center that offers classes and meeting facility. A Big Lots in the old Food Lion building would bring back that center. Lots of land all over why not work with Flagler County and bring in a destination business. Seseime Place in Pennsylvania would be a perfect family attraction. Combine this with Flagler beach and it becomes a perfect place to visit.	2/24/2017 3:46 PM
647	We really need a right turn lane at the end of East Hampton. I think programs should be paid for by the people participating and while I want our drainage maintained I think the fees are high enough. Route 1 should be developed with retail - hate driving 30 miles to Daytona to shop. Would love to see a BJs or Sams Club.	2/24/2017 3:35 PM
648	Since removal of traffic light camera's more cars are running the lights,not one or two cars but as much as four or five at a time.	2/24/2017 3:35 PM
649	remove ALL billboards on A1A -- they are an eyesore!	2/24/2017 3:30 PM
650	street lights are needed	2/24/2017 3:26 PM
651	Focus on getting the community center park back open. And when the heck is Florida park opening again? We need those open on this side!!!	2/24/2017 3:13 PM
652	need more patrols in the c section. Parking in swales overnight	2/24/2017 2:48 PM
653	Do not want the proposed development on US1, behind the K section, as they are proposing apartment buildings. This will decrease my property value, my privacy and possible increase in crime.	2/24/2017 2:47 PM
654	nobody slows down for right turn on red and stop signs are invisable, never stop or at best they do a slow down. this is all due to the cameras we had and people told you can roll thru slow so now its just roll thru and police are nowhere to be found. trying to think of the last speed trap ive seen.	2/24/2017 2:47 PM
655	The city spends too much money on frivolous things. If the money spent was their own they wouldn't waste it like they do	2/24/2017 2:43 PM
656	I honestly feel P.C. officials treat this part of P.C. as the lower class, it is beautiful here check it out for your self and please do not change it!!	2/24/2017 2:32 PM
657	You need to spend as much money in the s section as you doin the rest of palmcoast we pay taxes also get real tired of seeing money spent on new landscaping on Belle Terri and we finally have a sidewalk I am currently working with a attorney and my neighbors to see if we can leave the city of palmcoast we pay the same taxes and receive no benefits	2/24/2017 2:25 PM
658	Palm Coast has enough parks and trails but we need more parking available at the trails. A Senior Center should be established in the multi million $ redone community center, if no plans where made for that then someone was very lax in the design and designated use of the center. One more thing in my opinion, building the City Hall in an area with nothing going on was a huge mistake, the City Hall should have been built along Palm Coast Parkway probably where the old Tech Center was torn down, that is the heart of Palm Coast, not down in no mans land as many people call it, but too late now. And the City Manger has made some huge mistakes and why he is still employed is a mystery. No big business is going in on Town Center because they want to be noticed from the expressway so everything will be built on 100 or Palm Coast Pkwy not in a location that people can't get to such as Town Ctr. with the stupid intersection bumps and rounds and I'm sure we will see more business on the North end of Town at the new I-95 exit. Only time will tell. The only good use of Town Center is housing and apts. Big Mistake and the up keep in Town Ctr. is very expensive.	2/24/2017 2:19 PM
659	If you have a neighbor who does not maintain his property, constantly has garbage out on his driveway, doesn't pick up his papers from the pennysaver or PC observer for weeks, has broken down cars in his driveway, has aggressive dogs in his yard barking, has garage sales every month, you as a resident or neighbor have to be careful when lodging a complaint with the town. Somehow, your neighbor finds out or suspects you complained and then you have an unfriendly situation arising. The town has those guys driving around in white pick up trucks, they notice the violations and they should give people notices of violations. Palm coast has a bad reputation forming that it's become a slum. Rental houses look like absolute crap, lawns are dead, plants are overgrown etc. people who own lots don't maintain them and in many cases have become dumping grounds for garbage. They built a new home a block away, when they got done leveling the lot, they found 13 tires, furniture and other misc garbage. Where's the owner of this lot and why is he allowed to not care for it at all? Thank you	2/24/2017 1:46 PM

660	Stop rezoning the corridor along US 1, isn't there enough property zoned for apartments? Why keep changing the zones to appease the developers? UPSET resident in the K section of Palm Coast!!	2/24/2017 1:45 PM
661	Too much $ spent on re-doing Fl. Pk. sidewalks, Holland Park, purchasing the still "wasteland" of Town Center, waste of $ on Long Creek for a handful of dog walkers and fisherman.....	2/24/2017 1:42 PM
662	The City is allowing too many banks/medical/drug stores and not enough retail/restaurants. Everything is on the north end. Encourage business growth along SR100 and along US1!	2/24/2017 1:40 PM
663	Would love to see a big park/playground area in town center. Also would REALLY love a big box store like Costco here!	2/24/2017 1:29 PM
664	Let's keep taxes down. Attract more business ratables. Host more community events where residents can meet each other, have fun and maybe even make some money (craft shows, community wide yard sale), green fairs, holiday festivals, etc.	2/24/2017 1:26 PM
665	Strongly feel approval of 348 apartments will result in unsafe neighborhood, increase in crime, deterioration of environment, devaluation of property. Palm Coast will have an "undesirable South Daytona" like neighborhood! 255 families signed a petition against this being built.	2/24/2017 1:22 PM
666	Bring back the red light traffic cameras. Slow down the noisy cars and bikes. Impose a city wide vehicle noise ordinance. Slow down the traffic with more law enforcement visibility.	2/24/2017 1:14 PM
667	Code enforcement needs to chill out. It should be okay for a HOMEOWNER who PAYS TAXES to park a trailer in their driveway every so often.	2/24/2017 1:03 PM
668	No more section 8 housing complexes in residential neighborhoods	2/24/2017 1:01 PM
669	We'd like to see less "beautification" and a lot more investments in street lights along many busy streets that are not necessarily "main" roads (i.e. Seminole Woods Pkwy, etc), and work on roads themselves.	2/24/2017 12:57 PM
670	very unhappy that code enforcement does not stick to it's guns when the neighbors are parking on the islands and the grass is growing tall. Too much traffic on Karas tr. as it is used as a shortcut from US 1 to Belle Terre and no one does anything about it.	2/24/2017 12:55 PM
671	I generally love this city. A major part of that is because of the section I live in. But should low-income housing be built adjacent to my property, and crime rise in my area, I'm out of here.	2/24/2017 12:55 PM
672	Neighborhoods do not have enough street lights. Property taxes are not equal to neighborhood houses. A house across the street that has more features than ours pays less property taxes.Property tax bill should be posted online as of 01/01 of each new year. We bought a house and filed our homestead paperwork, was approved but the tax collector has not posted the new bill for this year. Our lender can't reduce escrow without that.	2/24/2017 12:46 PM
673	Canals in my area are not maintained Any increase in housing in sec. 6 will make traffic on S. Belle Terre impossible	2/24/2017 12:43 PM
674	more shopping store, cosco or sam's club,	2/24/2017 12:40 PM
675	Need to stop crime mid city	2/24/2017 12:38 PM
676	Town government is trying to do too many things. Do fewer things to lower town employment, but do them correctly. This will lower costs and personnel. Town employment only seems to increase, often to no effect. I have seen this dynamic up north and would hate to see it destroy the economics of living in Palm Coast.	2/24/2017 12:31 PM
677	The city is well run, and we're proud of it's appearance. It's been a great place to live for 15 years, but not now as we age. Our friends are older also, not as active socially. We really do need a good senior center.	2/24/2017 12:30 PM
678	The city needs to update it's plan for the future. The city communicates it wants to provide for those that live here, yet customer service is terrible. 250 homeowners tell the planning board not to approve a plan for 348 apartments on US 1 / a change in the zoning and they are not only rude but ignore the 100 families that show to two meetings. Those same citizens attempt to contact their council members and are told the council can't discuss it prior to a meeting? This is a complete disconnect from those that pay taxes?? The city has an out dated contract with the sheriff's office and you have the audacity to ask if we feel safe?? you have 4 or 5 deputies protecting 70K plus folks in Palm Coast? You argue with the county over possible improvements in public safety and have not updated or reached out to the community, yet you send a survey? What are the priorities of the council and the manager?? As a community in the K section we feel as a group that there is a level of mis-propriety?? There is an absolute disconnect from the city services and those that pay taxes. Time to get it straight or as with other parts of federal and state government you may be removed.	2/24/2017 12:27 PM
679	The streets are not clean. People need to be educated not to throw trash on the streets or sidewalks. Maybe more trash cans needed on certain locations?? We traveled to Japan and were very impressed by the cleanness of the streets and sidewalks even though there is no trash can on the streets. When we asked, the people there told us: "We don't litter, we take trash home"!	2/24/2017 12:23 PM

680	We need more traffic control meaning speeding and a total disregard for speeding signs. At times I see people racing to the light and at times passing a red light.	2/24/2017 12:20 PM
681	We don't need higher taxes...period. Figure out a way to LOWER taxes. Property values are rising. The city should be in a surplus. Use the surplus to lower taxes.	2/24/2017 12:13 PM
682	The city code enforcement needs to do a better job. Too many houses in our neighborhood are run down and/or abandoned. There are boats parked in driveways and many other code violations. And the system of swales is very poor. After a heavy rain it sometimes takes days for the water to recede, giving snakes a welcome place to live. We also need more street lights in the neighborhoods, not just on major roads. It is unsafe to walk at night in pitch black conditions and no sidewalks. One last comment: I sent Mayor Holland an email 2 weeks ago and have received NO response from her or staff. That is totally unacceptable.	2/24/2017 12:13 PM
683	Nice small town! Retired here after selling my mfg. business in CA. and wanting a low stress area with low traffic/crime ratio to kick back and relax enjoy the ocean and waterways and good eating places. We definately need more quality eating out options. Needs more quality job oportunities to increase income opportunity for working residents. This would also bring in more upscale eating places and spread the tax base so that retired folks on mostly fixed income are not taxed out of the area.	2/24/2017 11:51 AM
684	I love Palm Coast, a city beautiful!	2/24/2017 11:50 AM
685	We moved to Palm Coast from Maryland in 2004. Absolutely love it here. I just wish we could get a light in our cul de sac provided by the city.	2/24/2017 11:50 AM
686	Holland Park needs to be completed. The City should allow cottage food businesses and food carts due to minimal economic opportunities on the area.	2/24/2017 11:48 AM
687	well run city that needs to prepare for continued growth,	2/24/2017 11:37 AM
688	n/a	2/24/2017 11:29 AM
689	I would like to see paths widened in places for safer bike riding. The sidewalks around City Hall had trees planted in them - not good for the trees or for people pushing buggies, in wheelchairs etc. I also don't like the configuration of the various shopping centres - so many stop signs and awkward layouts. I do appreciate when the traffic lights are coordinated so you can drive along a main thoroughfare such as Palm Coast Parkway without being stopped. Something does need to be done about the light where people coming from the east turn down towards Walmart - it quite often backs up through the intersection... thank you for reading!	2/24/2017 11:27 AM
690	No	2/24/2017 11:16 AM
691	The city is spending way too much money re-digging/leveling swales. Spend most swale money next to culverts only where soil and debris end instead of wasting time doing entire swales. Educate public that digging an entire swale deeper will not get rid of standing water.	2/24/2017 11:12 AM
692	Traffic signal timing on Palm Coast Parkway must be addressed, do not need more development off colbert	2/24/2017 11:08 AM
693	Get rid of city manager and make better use of tax dollars already being paid.	2/24/2017 11:06 AM
694	Aprox 50% of property taxes are for payments to the school board; it is time parents increase their investment in their kids; no the community. I love Palm Coast as a retirement heaven.	2/24/2017 11:05 AM
695	no	2/24/2017 11:02 AM
696	Increase code enforcement in Seminole Woods Take better care of city property in Seminole Woods	2/24/2017 10:58 AM
697	lights on belle terre	2/24/2017 10:49 AM
698	Palm Coast waste to much of the taxpayers money on trying to make into something it isn't.	2/24/2017 10:48 AM
699	The regulation nation is very active in Palm Coast. It has added cost to business, and stifled growth.	2/24/2017 10:44 AM
700	I think overall our community is safe of violent crimes and more prone to petty crimes and burgleries, some of which are youth related. I would be very interested to see more money go to after school activities with transportation provided for children who are 12-14 years old and have no where to go when school ends at 1:30 pm in the afternoon. Most parents do not get home from work until after 5 pm and this can lead to unsupervised and possibly destructive behavior. The city could offer art classes, book clubs, swimming classes, and much more with transportation provided from the school to ensure better participation. Also, I am surprised to see that we do not offer more sidewalks within our community neighborhoods to allow for more pedestrian traffic to get to all of our wonderful parks. Even though we live within walking distance to local parks, we do not walk there since we would have to walk on the road to get there for part of the way. That is unsafe and I have an acquaintance who died while walking for excercise in Palm Coast. This was an unnecessary death and it is shameful for our residents to have to walk in the road to access our city parks. Perhaps the city would get more residents to engage in the local parks and bike trails if we used our tax money to build sidewalks alongside our major interior surface streets.	2/24/2017 10:41 AM

701	I AM OUT OF HERE	2/24/2017 10:37 AM
702	Quit trying to expand city limits and focus on what you already have. Listen to the voters! Quit trying to find ways to get around what we vote against. Allow vacant lots to be cleaned up/off without construction. The vacant lots become over grown trash and fire traps.	2/24/2017 10:32 AM
703	Cell phone service is dangerously unreliable. If someone was breaking into my home I would need to go outside to use my cell to call 911.	2/24/2017 10:24 AM
704	You all are doing a good job, keep focused on peoples inputs and less on your own opinions and maybe less politics in running the city. Good to see this survey. New progressive ideas and a steady path forward is recommended.	2/24/2017 10:18 AM
705	Love living in Palm Coast. Could use more restaurants.	2/24/2017 10:13 AM
706	The 'new' intersection at Matanzas HS is dangerous and needs to be corrected, the portion of the road to the west needs to be straighten out. Other planned 4 landing projects need to be completed, i.e. Old Kings Road from Matanzas to Town Center, Matanzas Parkway from US1 to the high school. The new off ramp intersection at Matanzas from SB I95 is dangerous, guardrails are too high preventing visibility of oncoming traffic to merge. There are no City Parks in the L section. The Matanzas Woods golf course needs to be restored or turned into a multi-use park.	2/24/2017 10:07 AM
707	I would like a traffic light at Matanzas Parkway and Rte 1	2/24/2017 9:47 AM
708	get Holland park finished and fire those responsible for this 2 yr mess	2/24/2017 9:46 AM
709	You should have Associates degree in education level	2/24/2017 9:42 AM
710	More artistic events	2/24/2017 9:40 AM
711	Why does placing an outdoor shed in my yard require an act of congress???	2/24/2017 9:35 AM
712	The new part of old kings rd was landscaped beautifully but why is it not being taken care of? The grass areas are turning to weeds and have not been mowed, and weeds are growing under the trees.	2/24/2017 9:26 AM
713	Please consider golf carts as transportation	2/24/2017 9:16 AM
714	why does the city manager get paid so much for such big failures as the golf course and tennis center? and now a raise?	2/24/2017 9:15 AM
715	A senior center Large enough to accommodate the number of seniors who would use it.	2/24/2017 9:10 AM
716	The exorbitant amount of money and blatant spending on City buildings is ridiculous. We don't need Taj Mahal's and the top grade of every material in our city buildings when they're built. The excessive spending of this money should have went to park systems and youth programs. We don't need our yards dug up because there's a "little" water left in a swale after a rain. We should have PC Parkway & OKR lights timed so if you get one green light you get them all. FOR YEARS I've been waiting for reflecters or reflective paint going northbound on OKR past PC Parkway by the yellow median divided sign by Shell and Palm Harbor (where Hobby Lobby is.) I still almost run into the sign with it's potholes and no reflectors on the ground every time I pull out of KFC. I'm lost at night... thank goodness for the reflectors you put in on Old Kings Road. I wish they would extend further in both directions. It's hard to navigate at night and I always have tourists asking me where places are because they aren't labeled properly. And coming northbound on OKR passing over PC Parkway needs to have the green light lengthened. Only a few cars can get through and then you have to wait another 5 minutes till the light turns green again. Our taxes are high enough. People on disability should DEFINITELY get more than a $10 break on yearly taxes. I wish we could bring in a Burger King or preferably Checkers instead of a fifth McDonald's. A Little Caesar's pizza place would be phenomenal too. We need more fast food places. And another thing.... cats! Why are people allowed to let their cats run outside with no penalty? One cat eats approximately 10 pieces of wildlife a week. That's either 10 birds or 10 rabbits. The snakes thankfully take care of the mice. I've noticed the massive decline of birds in my area and it's just so disheartening. I try to feed birds and anytime I look out my window I have one of 5 different cats that frequent my yard on a regular basis stalking the bird feeder waiting for a quick meal. And this city was so pretty with so many trees when I move down here. Please leave the ones on Palm Coast Parkway going towards the ocean. That's always been such a pretty drive. And my favorite drive down Old Kings Road to route 100 got tarnished by an idiotic traffic light by the bridge turning right towards town center. What a nightmare that is now. Only thing it does is make you sit and wait. And that's all of my complaints for now! Lol. I think it's fantastic you had this survey so we can get things off our chest and hopefully expand the city to our liking. Thank you.	2/24/2017 9:07 AM
717	do less about beauty and more for protection of the people.	2/24/2017 9:03 AM

718	I have seen a lot of growth in Palm Coast. I think the city does an excellent job of maintaining the medians, etc... The trail system is awesome. The main two improvements I would like to see are: 1. Being a little more business/development friendly - help the process don't make it difficult! 2. I use the PC Tennis Center on a regular basis so I'm pro tennis! I wish the City did a little more for the tennis center. I understand not everyone plays tennis but hot everyone uses the trail system, etc... We need better facilities at PCTC (the courts are great). Maybe a small clubhouse/amenities for multiple uses (pickle ball, showers, small lounge,etc...)	2/24/2017 8:55 AM
719	Street lights in neighborhoodsome would make everyone feel safer and I no longer drive to the store after it gets dark because it is too hard to see in the dark. Need a lot more street lights everywhere! Bring in some GOOD restaurants and build a downtown with shops. Keep up the good work on landscaping! Why not pick up large oak trees that are lying dead all over palm coast Parkway from hurricane Matthew? Our fire season is approaching and it is unsightly.	2/24/2017 8:55 AM
720	Investigate the chief of the building dep. Support businesses instead of working against them. Better traffic surveillance, more street lamps,	2/24/2017 8:42 AM
721	No	2/24/2017 8:34 AM
722	Keep Dogs OFF HIKING TRAILS ESP. St. John Walkway/INTERCOASTAL. Owners fail to keep a tight lease and I was bit while walking. It's to narrow with bikes and walkers. Were always pushed off the trail or stepping Dog Crap!!	2/24/2017 8:34 AM
723	Get rid of the homeless hanging around I-95 and Walmart etc etc	2/24/2017 8:30 AM
724	Need to attract some nicer stores. Why do I have to go to Daytona for a Bed Bath and Beyond? I k ow they were interested in coming here. Definitely need to encourage some nice women's clothes.	2/24/2017 8:30 AM
725	This area is in dire need of better cell coverage.	2/24/2017 8:28 AM
726	the small W Section off Whiteview Parkway is not connected by sidewalks --comes on US1 as far as Palm Coast Parkway and on Whiteview to Whitemill--woul be nice to connect to on one of those walkways for youth and seniors for safety	2/24/2017 8:23 AM
727	no	2/24/2017 8:22 AM
728	Traffic lights: Bad on US1, Belle Terre & Seminole Woods, they stop US1 Traffic too easy, goes from red to green in less than 30 sec on other roads stopping US1 repetitively, should be Red longer, allowing better flow for US1. City needs to stop watering the grass when it is raining. Did not adjust setback on Belle Terre @ Laguna Trail after new road construction. Coming out of Laguna, does not look like a proper set back to see on coming traffic from Belle Terre North bound.	2/24/2017 8:20 AM
729	I love Palm Coast but the codes are pretty strict - and not really enforced! You must call multiple times just to get someone out to take care of something.	2/24/2017 8:19 AM
730	I don't like the extra charge for licensing of pets by the city other cities don't do it, it creates more reasons for people to abandon their pets, big problem for city and more cost.....	2/24/2017 8:17 AM
731	Please start enforcing the law requiring dog owner's to pick up after their animal's. The dog poop in Seminole Woods is disgusting.	2/24/2017 8:13 AM
732	cell phone service	2/24/2017 8:13 AM
733	Lets bring youthful culture to palm coast...doesn't have to be a retirement community...	2/24/2017 8:05 AM
734	While beautification is important to the town, I notice the amount of manpower and equipment (and gas) all that takes. Without knowing the overall budget for the city it does appear to be a significant amount. Is there overspending in that area at the expense of other areas? 2) regulations seem to be strangling potential companies from doing business here; if it even gets thru the self imposed hurdles by the city- it takes entirely tooooo long to get something accomplished. 3) and did I mention there needs to be better cell phone coverage - break loose and get towers - a lot of towers. Love the ones looking like trees going up. Now just approve a few dozen more.	2/24/2017 8:02 AM
735	Palm Coast will never be a beautiful city quit trying to make it that way. It has way too many rentals and people want to live theri lives and have fun. Quit trying to dictate what they can do with their property. It's theirs - leave them alone. If it becomes an eye sore then give them alternatives to change the eye sores or fine them. Let them have a motorhome or boat in their driveway, other cities do. And some of them look better than Palm Coast. Way too many ordinances in this City trying to control people's lives.	2/24/2017 8:01 AM
736	Water bills are too high.	2/24/2017 7:56 AM
737	Enjoy living here. Don't miss Wisconsin snow and cold.	2/24/2017 7:43 AM
738	First impression of Palm Coast was great, A1A sold me. After moving here I am disappointed in not having major stores, Costco, Sam's Club, a downtown area where you could park and walk around to visit shops etc.	2/24/2017 7:33 AM

739	Save some City Money. Cut back trash collection to once a week. Recycle collection could be reduced to every other week.	2/24/2017 7:19 AM
740	Definitely need more cell towers. People I talk to, regardless of provider, have POOR service.	2/24/2017 7:14 AM
741	People cannot not survive on $10. per hour. With bills, taxes, car maintenance , it is unrealistic. Rent is way to high, again unrealistic. People will move to area for $500-$600 a month for rent. Thank you, Enjoy your day..	2/24/2017 7:09 AM
742	The drainage ditch behind my house has been much better maintained in the past than it is now. I am paying a fee every month for storm water drainage. Recentily the ditch was cleaned for the first time in many months.	2/24/2017 7:02 AM
743	You need more/better sidewalks and a chief administrator that doesn't break the bank. I would do the job (and better mind you) for half the cost...	2/24/2017 6:56 AM
744	We are paying enough taxes to have them raised. Look elsewhere. Stop robbing residents and do your job.	2/24/2017 6:44 AM
745	Left turns onto Belle Terre Pkwy where there is no Traffic signal are dangerous. I would like to see more effort into the development of the Town Center.	2/24/2017 6:43 AM
746	We need to have access to large store chains without having to drive to Port Orange or Jacksonville. Bed Bath Beyond, Sams, Costco or BJ's would be great in the area.	2/24/2017 6:40 AM
747	Stop increasing taxes. Use extra income provided by growth. Improve water quality always has a bleachy odor and taste. Improve traffic signal coordination Palm Coast pkwy east and Old Kings Rd north 6 to 8 cars get through with backup of 12 to 18 cars on pkwy. In general traffic light coordination is poor go from red light to red light know wonder there's so many red light runners (bring back cameras).	2/24/2017 6:38 AM
748	After Mathew the city still looks a mess and still needs a lot of work and clean-up	2/24/2017 6:29 AM
749	Keep taxes in check no raising taxes	2/24/2017 5:01 AM
750	Thanks for doing the survey. It's a great way to get data from citizens.	2/24/2017 4:37 AM
751	Make owners of lots keep them up or you do it and charge them it is disgraceful and dangerous and we ask for help and it is only certain people that get any action how about taking a ride around our homes and see what a mess and hazard to our lives and homes these unkept lots are this one reason we are not happy with living conditions here	2/24/2017 2:02 AM
752	Less code enforcement for picky stuff and more UP keep on existing landscaping on Belle Terre Parkway.	2/24/2017 1:38 AM
753	Need to support people wanting to start small businesses. outrageous fees and the city deciding what goes in is wrong. let people follow their dreams and the public will decide if the business is sustainable	2/24/2017 12:41 AM
754	WOULD LIKE TO SEE LESS AGE DISCRIMINATION WHEN APPLYING FOR POSITIONS FOR CITY OR COUNTY GOV JOBS.AND GET PERSONAL RESPONSES FROM CITY OFFICIALS WHEN A LETTER IS WRITTEN TO THEM ABOUT CERTAIN CONCERNS THAT INVOLVES MY PERSONEL WELL BEING AND FUTURE . THE TAX PAYING HOME OWNERS DESERVE MORE RESPECT AND CONSIDERATION FOR OUR DEDICATION TO THIS CITY AND COUNTY.	2/24/2017 12:38 AM
755	The water is terrible, and has a taste faintly of dirt. We are concerned about the quality and testing.	2/24/2017 12:08 AM
756	I ride my bicycle and this town is EXTREMELY DANGEROUS!! You push the button to cross, it changes but so does the turning lane AT THE SAME TIME. This is at ALL intersections. I have seen at least 6 people nearly killed in the past 2 months. It doesn't take a rocket scientist to figure out that there needs to be ALL TRAFFIC STOPPED when a cross walk light is pushed and comes on, then after it completes its countdown - then and only then should the light change for the turning lanes. I have never seen this in any town, nor have I ever seen so many accidents in general in any town in my life. SOMEONE NEEDS TO SERIOUSLY MAKE SOME CHANGES AND SOON, BEFORE MORE PEOPLE ARE KILLED. Don't wait until a family member of a Palm Coast Employee gets killed before action is taken - just watch when you are at a stoplight when someone is trying to cross a crosswalk and maybe, issue tickets when people don't abide by 'pedestrians have the right away signs'!! The trails are excellent, but not worth your life for a ride!!!! TAKE ACTION!!!!!!! Also, when the PC people ride around and see things that are against the rules - like garbage cans out 24/7 that bring raccoons 7 nights a week - don't just ignore it - we've watched it happen. There are areas including our street that have gone down hill since we moved in a year ago - not sure we are going to stay here.	2/24/2017 12:01 AM
757	We have lived here for over 15 years. By far the school system is terrible and the lack of medical care for not only low income/ Medicaid is terrible but also for medicare. We travel to Orlando and Volusia and sometimes St. Augustine for medical services. This county is just a place to live and not to flourish in. We need city leaders willing to fight for the needs of the people. I lived in South Florida nearly all my life. There are programs for any age and it is provided through fund raising not taxes. My children were not safe there and I moved here where later my youngest was bullied out of high school. It is still ongoing in these school despite teenagers committing suicide when known bullies played a part. Parents are not active enough with their children and do not play a part in their lives for a reason. Sports such as P.A.L. need promoting in a big way to get these children on a path to be mentored by adults in law enforcement.	2/23/2017 11:50 PM

758	Yes, please bring more stores or build a mall and the people who live in Palm Coast doesn't have to go further to buy it will be fabulous.	2/23/2017 11:42 PM
759	You are doing a good job. Please be careful of rampant development. We are beginning to look like Daytona Beach. Palm Coast Parkway is beginning to look like International speedway.	2/23/2017 11:39 PM
760	we love palm coast because it is not a HOA area lets not get carried away with the beautification thing and make it a HOA type environment.	2/23/2017 11:37 PM
761	Have only lived here one month.	2/23/2017 11:31 PM
762	Survey good idea.	2/23/2017 11:27 PM
763	Traffic lights at major intersections allow cars to go while pedestrians/cyclists cross. This is very dangerous. Have seen very close calls.	2/23/2017 10:55 PM
764	generally, Palm Coast is very pretty, and green, and the gov. does a terrific job of keeping it that way. This whole area of Palm Coast sets a fine example of how local gov. can and should work for the folks loving here!	2/23/2017 10:36 PM
765	More boat ramps. No new taxes.	2/23/2017 10:16 PM
766	Palm Coaxt needs more economic development (good paying jobs) & more retail. Festivals - art/music/crafts. Palm Coast doesn't have the appeal of cities with historic areas. Is there any central meeting place for the community - town square, etc? A place for concerts, festivals, farmers markets.	2/23/2017 10:15 PM
767	The amount of distracted drivers/speeders in town is most concerning. If there were more police patrols, it might help to slow drivers down. There have been far too many fatal accidents this year already.	2/23/2017 10:05 PM
768	Stay on top of crime!!!	2/23/2017 9:40 PM
769	Must keep the crime down. Need more higher end shopping. Continue to keep the streets clean Infrastructure has to keep up with growth.	2/23/2017 9:39 PM
770	Great job on the M. Woods Parkway Exit. Very helpful in getting from the north parts of P. Coast to the southern parts for the city.	2/23/2017 9:38 PM
771	Palm Coast is no longer a pleasant city in which to live. Govt has not planned well for growth. Where are well-paid jobs? City has just become a franchised consuming economy. Can't keep productive young people in area that way.	2/23/2017 9:33 PM
772	I would like to see improvements to the pine lakes path. The bridge is out and the path is becoming very bumpy	2/23/2017 9:29 PM
773	Code enforcement is out of control. There are way too many code enforcement officers for a city this size and consequently they go after very minor and short-lived violations. Code enforcement could be done with 1-2 officers to catch the serious and long-lived offenses. It is beyond ridiculous to cite someone for just having a portable cooler in their driveway on one occasion.	2/23/2017 9:28 PM
774	Not at this time ??	2/23/2017 9:27 PM
775	no	2/23/2017 9:24 PM
776	Just that the traffic can be bad and the drivers are terrible. I fee like there are some elderly drivers that should not be on the road. The problem is you cannot live in PC without having/driving a car.	2/23/2017 9:23 PM
777	We would like to have a convenience store/gas station closer to our end of the city; How does the city communicate with it's residents about what is available in our city? A welcome package for new residents would be appreciated. Overall, we greatly enjoy Palm Coast for it's quiet beautiful, clean appearance and wonderful trail system. We LOVE it here!!!!	2/23/2017 9:22 PM
778	Retired residents still have significant skills totally beneficial to training, technical, and mechanical support for training assistance courses and advice which are yet to be tapped or requested by city fathers.	2/23/2017 9:16 PM
779	Love the City of Palm Coast. Wish a little more different shopping and restaurants, but that comes with time	2/23/2017 9:14 PM
780	Although I have little or no direct evidence to support my view, I believe there is a subtle undercurrent of racial bias in Palm Coast. It is most noticeable in particulars such as the obvious lack of black or other minority representation in city government, law enforcement staffing, business ownership, local entertainment choices, etc. It may simply be a matter of demographics, but, as a black person, I typically don't feel welcomed in Palm Coast and the environment does not generally feel like an inclusive one. However, the weather is typically great, and that is, in itself, a powerful reason to live here.	2/23/2017 9:07 PM
781	Take some of the $ you took to build those walkways outside of town & put some lights in the neighborhoods and a place to walk instead of in the middle of the street	2/23/2017 9:06 PM

782	I would suggest any housing developments include keeping trees and having larger lots, rather then clear cutting and ruining the natural environment and having the houses on top of each other makes the neighborhoods look undesirable, crowded and not like the paradise Palm Coast was meant to be. I also think it would keep property values up, and attract people who would take pride in their neighborhoods.	2/23/2017 9:04 PM
783	I have lived in four states. I have never felt unsafe until I moved to Palm Coast 11 years ago. I have had numerous thefts, suspicious persons loitering, my car stolen, my family member robbed at Ralph Carter park. I have driven in 25+states and I have never seen such poor, aggressive driving as here. I drive for my job all over the city and the problems exist in all parts. Tailgating, speeding, lack of signaling, passing over the double yellow line, running traffic signals all on a regular basis.	2/23/2017 9:04 PM
784	LED or Solar Powered Street lights on every corner, not just along major corridors.	2/23/2017 9:02 PM
785	Palm coast is NOT a retirement community. Quit ignoring the young families of this city! We need better jobs! We need sidewalks and streetlights!	2/23/2017 9:02 PM
786	I think you should have considered putting some lights on Belle Terre instead of all the lights placed on Matanzas Woods Blvd. Belle Terre is universally used by almost everyone yet no lights are there. Shame on all of you.	2/23/2017 8:58 PM
787	We have only lived here a few months but like it. Wish there was a Trader Joe's and better restaurants. I would really like a sidewalk on old kings highway to town center. It really needs to happen soon.	2/23/2017 8:56 PM
788	No	2/23/2017 8:53 PM
789	A lot of the traffic lights along US1 go too quickly from green to red.. NEED to extend the yellow times.	2/23/2017 8:52 PM
790	Love the city but too many car accidents and fatalities and crime seems to be increasing.	2/23/2017 8:46 PM
791	change the contract with the county and demand/ require fulltime traffic enforcement, particularly belle terre raceway!!!	2/23/2017 8:44 PM
792	Great Community, but need additional street lights in the neighborhoods. it is to dark	2/23/2017 8:43 PM
793	No	2/23/2017 8:39 PM
794	Would love to see a Costco	2/23/2017 8:34 PM
795	We retired here in April 2016. We love it here very much. Don't care for some or the restrictions on what we can park in our driveway however.	2/23/2017 8:28 PM
796	Would like to see road biking and pedestrian crossings safer by having lights turn red in all directions when pedestrian light goes green. Frequently cars still try and turn right when I am crossing	2/23/2017 8:19 PM
797	This City must be the most desirable on the North East, it has location cleanliness , nature, parks, City must do more construction along 100 corridor, most things are still miles away, and, it should attract more artists to the area, start exhibitin and selling arts on the beach on weekends, like Santa Barbara does or Laguna Beach does in Ca(I am from Los Angeles) and City transportation, please, do something, it is a shame! At least to connect to St Augustine and Daytona	2/23/2017 8:15 PM
798	Trees on the biking paths need to be trimmed higher.	2/23/2017 8:14 PM
799	I'm not sure if this survey was meant for me. I believe the only service I get from Palm Coast is water. The rest of the services are provided by Flagler County.	2/23/2017 8:14 PM
800	City used to be small,cute,no traffic,greed is our enemy.just stop the building,don't want to be like. Miami Again nothing for my age group.the boomers. Hospital is the worst.	2/23/2017 8:12 PM
801	a progress e-mail of concerns sent to city such as street lights,potholes,etc.	2/23/2017 8:10 PM
802	None at present.	2/23/2017 8:09 PM
803	Palm Coast needs shopping mall and more non-chain restaurants	2/23/2017 8:07 PM
804	Eliminate the remaining traffic cameras!!!	2/23/2017 8:02 PM
805	We have been here for five years and love Palm Coast. We are concerned about lack of a local and dedicated police force and the somewhat boring atmosphere for kids and teens. Belle Terre is used as a drag strip in the evenings and people race through my neighborhood all day. We understand the need for zoning restrictions, but in this climate, residential gardening should be enabled and encouraged.	2/23/2017 7:49 PM
806	I would like to see our sign put up that say's Mantanzas woods we our the lost section of town. I would like to see more Christmas lights on Palm Coast Parkway,I don't even know it Christmas when you drive around. I think overall you are doing a great job.	2/23/2017 7:49 PM
807	I enjoy the fact that the medians and such are landscaped. It would be nice if they were maintained regularly. Need more true businesses to support families. Need to stop being just a retirement and bedroom community.	2/23/2017 7:45 PM

808	Please, please find a way to stop littering. Garbage along the roads give the city a black eye!	2/23/2017 7:45 PM
809	I am happy to finally retired here after living in other places	2/23/2017 7:42 PM
810	No	2/23/2017 7:41 PM
811	Since moving here from Connecticut June 2013 our lives have been in Harmony and we Love it here.	2/23/2017 7:40 PM
812	Fire dept great	2/23/2017 7:37 PM
813	Concerned about the disbursement of our taxes. With respect to the management of Palm Halrbor Golf Course and Tennis Complex, management fees are out of line. The City should have reviewed other management companies in further depth.	2/23/2017 7:35 PM
814	I love that there aren't a lot of lights on the streets, it takes away from the stars. We need more police patrols to help eliminate the care break ins that seem to be almost a daily event. The parks need more police to stop the drugs and fights.	2/23/2017 7:27 PM
815	None	2/23/2017 7:27 PM
816	We need to bring in companies that will be able to provide the city with better jobs. I wish there was more diversity in the area in regards to restaurants and other recreational activities.	2/23/2017 7:20 PM
817	Take the salary of code enforcement officers and use it for something positive like street lights	2/23/2017 7:19 PM
818	We need the same services in the S section that the rest of palm coast gets. Always last or left out and it is crap. I pay my taxes and expect fair services!! I vote every time there's an election. I also have neighbors who feel the same way! How many times do you need to change the plants and trees on Belle Terre - really?? Stop spending our hard earned tax $ on crap. Supply street lights so I can see to walk my dogs at a minimum. You put side walks where people don't even live for years now and we just are getting some on Seminole Woods. Ridiculous!!	2/23/2017 7:19 PM
819	Yes, you need to review policy of empty lots in neighbors, These lots are dangerous, overgrown with continual potential of trees falling homes. They are unappealing and cause areas value to depreciate.	2/23/2017 7:18 PM
820	No	2/23/2017 7:16 PM
821	Very disappointed that the City has permitted the removal of so many large trees. PC is the "Tree City" but it appears that demolition of the older, large trees are being removed. While palm trees are nice, they do not replace the large oaks, etc. Also, the Community Center has been started when Holland Park has not been finished. Why? And, again, the beautiful large trees have been removed. Not sure who laid out the parking lot/traffic pattern of Island Walk but it is accidents waiting to happen. Someone described it perfectly...they gave a monkey a crayon to design parking!	2/23/2017 7:15 PM
822	Palm Coast needs its own PD. Sheriff's office is overworked and not providing adequate level of service to the city.	2/23/2017 7:10 PM
823	We have lived in Palm Coast for 21 years and love it. Just wish there were more homes for Senior living with maintenance like a patio home. I would think that a lot of older people would rather have a smaller home with no maintenance problems.	2/23/2017 7:10 PM
824	We need a grocery store/ gas station at this end of town.	2/23/2017 7:07 PM
825	Keep the green belts -- this is a very good discriminator. No need for big box stores. Leverage Tech business development in Palm Coast - if need be use City resources and incentives to attract development.	2/23/2017 7:02 PM
826	I wish that some of the enforcement would not exist. We own a boat and RV and we have to pay over $200 a month for storage. There is a house down the street and they have a boat in there backyard behind a privacy fence. You can see it from the road and they have never been fined. I reported it last year and nothing was done. If they don't have to pay storage then why does anyone else? I have paid 2400 a year and some people don't pay anything. Code enforcement needs to step up and do better or get rid of these rules .	2/23/2017 6:57 PM
827	the basic fees charged by palm coast utilities are too high & money is wasted beautifying the median strips. Retired people don't get any reasonable raises. This year we get less than last year so any new taxes are a big burden along with everything else going up.	2/23/2017 6:51 PM
828	Work still do regarding civic disturbances & burglary crime in central areas, but other than that a Great Place to LIve!	2/23/2017 6:49 PM
829	No	2/23/2017 6:48 PM
830	Palm Coast has way too many restrictions for homeowners. Often feel that I live in a gated community when in fact, I do not.	2/23/2017 6:47 PM
831	We are new to area.Just moved in and would like to say that city employees have been very helpful and polite	2/23/2017 6:47 PM
832	why do we need 2 trash pick ups each week? we just moved from Anastasia island and it is a waste of tax payer money.	2/23/2017 6:46 PM

833	More police presence on streets and roads. Driving is horrible, speeding is common place and no one slows down when approaching pedestrians.	2/23/2017 6:45 PM
834	We retired here because it is a nice place. Not as fancy and upper class as other cities but a nice place. Taxes appear to high here as compared to other places we have lived. I've not done an accounting of how the costs are distributed so I'm not going to blast the city....not fair. The water cost here appear to be out of control. Never paid so much for water. Not happy about it at all. Also, the rumor is PC hates cell towers and that's why cell service is so poor. As are the Internet providers. You want economic growth you need the digital infrastructure. PC does not have it.	2/23/2017 6:41 PM
835	Bring a Costco, BJ's or Sam's Club to the city. You would bring consumers from St Johns and Volusia counties which would only help the economy of nearby businesses. Those consumers would also see the growing potential that Palm Coast offers and may move here; further growing our economy/increasing our home values. There is plenty of land in the Town Center or along Matanzas Woods to make one of these markets possible.	2/23/2017 6:37 PM
836	The best of Palm Coast is that is pet friendly.	2/23/2017 6:34 PM
837	I oppose higher taxes but would be wiloing to pay usage fees.	2/23/2017 6:32 PM
838	Most small businesses are in homes, yet small businesses owners are constantly harassed if they have signage on their vehicles. While I don't support having lie signs in residential areas, vehicles that are wrapped and the artwork is professional should be allowed.	2/23/2017 6:30 PM
839	We need jobs with a living wage. Tourism needs development. Help people in hospitality. Create and promote attractions. Improve the appearance of Flagler Beach.	2/23/2017 6:30 PM
840	natural beauty makes or breaks the future here	2/23/2017 6:26 PM
841	Need additional traffic enforcement officers.	2/23/2017 6:24 PM
842	I love living in palm coast	2/23/2017 6:22 PM
843	I was here in 1986 and had no crime, streets and swales were clean. I moved here in 2008 and have seen the foreclosed houses ransacked and still occurring here in my neighborhood in the W section. I have sent the sheriffs department emails of my concerns regarding the car speeds on my street and it just is not a safe street. I heard nothing back. The city needs neighborhood sidewalks. I see sidewalks built where there are no houses. I believe the city's priorities need to be revisited and have the city residents given a say in more city initiatives.	2/23/2017 6:22 PM
844	We would like to see the cell phone coverage improved. It is horrible. Cimmaron Drive needs sidewalks. Frontier Drive needs sidewalks too.	2/23/2017 6:18 PM
845	Sidewalks are desperately needed in L section, particularly along Lakeview Drive.	2/23/2017 6:16 PM
846	Yes. I have noticed over the last year and a half a tremendous increase in trash by the side of the road, particularly along Seminole Woods Pkwy and Citation. It is trash that is being thrown from cars. Also, there are streets with undeveloped lots covered with trash, broken stockade fences, etc. (Seville Place) I rented here for almost two years and decided to move here permanently. I'm building a house here and I'm very disappointed in this growing trend, especially since Palm Coast maintains beautiful roadways. Time to crack down on litterers. Some signs and some fines to get the word out. Thank you.	2/23/2017 6:14 PM
847	I don't understand why the citizens of palm coast have to call and complain about code enforcement and parking problems when we pay good tax dollars for the city to do the job. they should do their jobs without being told by the citizens. the city has just lawyered up, and we pay people not to do their jobs.	2/23/2017 6:12 PM
848	I'm dismayed by all of litter. My husband and I moved here from NJ just over 2 years ago. We started coming here looking for a house over 3 years ago and there was no litter to be found. It's still a beautiful place but it's a shame. I see lots of beer and liquor trash.	2/23/2017 6:11 PM
849	physical capabilities exclude use of Parks & Trails	2/23/2017 6:08 PM
850	After living in Palm Coast for 5yrs after retiring in GA....I am returning to Ga because I do NOT like the feeling of living in an OLDER community with many many many rude NY retirees'	2/23/2017 6:04 PM
851	Would like to extension of bike lane on Old Kings completely from Rt 100 to Palm Coast Pwky, as well as better bike line connection lane between Waterfront Park to Lehigh Trailhead	2/23/2017 6:02 PM
852	Some of the questions are hard to answer since I haven't lived here very long	2/23/2017 5:59 PM
853	Try not to raise taxes please. More street light are need in resedentail areas such as side streets and cul-de-sac areas. It would make people feel safe and perhaps curtail attempted break-ins. Police, fire fighters and emt folks are doing a grea job.	2/23/2017 5:56 PM
854	City looks great...please keep it safe and help us afford to live, work, and play in Palm Coast. Don't run us out with tax increases!!!! ... shopping at Publix is Expensive. We are not New York, New Jersey, Connecticut or Boston... Thanks!	2/23/2017 5:56 PM

855	Beautification of Belle Terre Parkway is commendable. Keep up the good work.	2/23/2017 5:55 PM
856	The charge for Water in this community is truly the most expensive I have ever paid and I have lived in Ormond Beach, Daytona Beach,Deland Port Orange, Orlando, Lake Mary and Ocala and never paid $100.00/mth at least EVERY month for water, sewer and trash. I had a pool, a hot tub, a 4 BR home in F Section Palm Coast- $100-$125 /mth. Moved to a 3 BR Duplex,P Section- no pool, no hot tub, much older appliances - still $100-$125.00/mth. Now in a 3 BR home in the B section -new appliances, no pool, no extras - still $100-$125.00/mth - SOMETHING SEEMS VERY VERY STANDARDIZED.	2/23/2017 5:49 PM
857	Fun zones for children would be nice. (Miniature golf, batting cages, bumper cars, inflatable fun zone or indoor gymnasiums, roller skating rink or an improved bowling alley for example)	2/23/2017 5:48 PM
858	Lack of neighborhood street lights is a concern of mine. It's not even possible to confidently and safely walk next door to see a neighbor after dark.	2/23/2017 5:43 PM
859	Need street lights in the subdivisions. Subdivisions are not pedestrian friendly. Streets are not wide enough for two cars. East to take out someone's mailbox Need sidewalks.	2/23/2017 5:42 PM
860	The income of most of the population is not high, why the H... did the mayor get a raise? And why if we can afford to pay as much as we do would you ask about increasing taxes	2/23/2017 5:40 PM
861	Bus services would be welcome!	2/23/2017 5:39 PM
862	I would like to see more restaurants especially for, breakfast and lunch.	2/23/2017 5:35 PM
863	I love palm coast except the amount of garbage in the s section from litter and falling out of garbage cans or trucks is astonishing. We fill a bag weekly walking our neighborhood and it is embarrassing when friends visit. I've never seen such disrespect for the environment anywhere else I've lived.	2/23/2017 5:26 PM
864	there is a need to address many intersections for obstructed views from trees and vegatation. The timing of most traffic signals is very poor as well as some of the streets speed limits should be addressed	2/23/2017 5:24 PM
865	I LOVED the red light cameras. They made me feel safer	2/23/2017 5:23 PM
866	Palm Coast is a nice place to live, however, I have seen an increase in problem people, most likely renters, It just means an increase in crime. Also, there should be a noise ordinance for these loud radios in the cars, you can't even think sometimes when your around a car with booming speakers and foul language. Just my two cents.....	2/23/2017 5:23 PM
867	No	2/23/2017 5:22 PM
868	More bike lanes/path. Bike safety and awareness. Offer nutrition education to community. Must have Costco and Trader Joe's. Repave Colbert and add bike lane.	2/23/2017 5:22 PM
869	Trader Joes please! Lol	2/23/2017 5:21 PM
870	$7 million for a new community center - you have to be kidding!	2/23/2017 5:18 PM
871	Please make ALL recycling mandatory so that condos have to also offer glass recycling. Encourage composting, start a city organic garden for your seniors and youth to volunteer in. Be a leader in clean energy and encourage solar energy programs for residents and communities!	2/23/2017 5:15 PM
872	I would love to see a kids park in Town Center.	2/23/2017 5:14 PM
873	Enjoy living in Palm Coast very much....the City does a fine job of keeping things looking nice. I frequent the Leheigh bike path on a daily basic. My one complaint would be the aggressive rude drivers that do not seem to realize they live in Florida and need to "chill out".	2/23/2017 5:13 PM
874	The Fire Department is outstanding!!	2/23/2017 5:11 PM
875	The tennis court at Matanzas Senior High School should be opened because it just not been used.	2/23/2017 5:08 PM
876	I love this city but the blacks are driving people away. They bring the crime and instill fear in this community. It's a shame. Another Detroit, Cleveland, Chicago, etc. We should have more over 55 communities to squeeze undesirables out. And we should have a curfew to keep criminal youth off the streets after 6pm.	2/23/2017 5:05 PM
877	we would like to have a senior center,a place where we can go to get together,have fun and know each other,remember we also pay taxes	2/23/2017 5:02 PM
878	I moved here because I have been coming for over 30 years.. I have been here 3 years. Its a beautiful place, but suddenly we have way to much crime. The local papers are full of crimes. Plus the begging is getting worse. Between the people at Walmart, at the exits of 95, by the gas station on corner of belle terre and palm coast parkway, and even coming out of publix in middle of town. This is not the image this town needs. The people in the Hammock could care less.. but we need to fix the crime. more neighbor hood watches, etc. I want to stay.. but Palm Coast needs hire paying jobs. can't rely on retirees and tourism.	2/23/2017 5:02 PM

879	This is our retirement home. We visit as often as we can, but we are not full-time yet. I think taxes should focus on economic opportunities.	2/23/2017 4:56 PM
880	Wish there were more street lights (not traffic light) on our street area	2/23/2017 4:53 PM
881	More traffic lights needed on Colbert	2/23/2017 4:52 PM
882	Work on getting a Costco into the Town Center area along with other shops and restaurants. ie like the Town Center around Jacksonville. Give an incentive. Hear new business sometimes have to work overly hard to get and o.k.	2/23/2017 4:50 PM
883	We need sidewalks along all major roads.. why do we not have that? I think that, above all else, should be a priority, and I'd pay more taxes to see that happen.	2/23/2017 4:49 PM
884	More $ should be spent of street lights before a $ is spent of more landscaping. When you come into the city at night and not on PC Pkwy it is dark. Visitors who stay with us comment on the darkness, not the landscaping. Priorities are confused. The City does not need to entertain people, ie, who is to determine what is the right entertainment. Keep people safe - without charging us twice. Maintain the roads and the water and drainage. Merge the fire department with the county and save money. After you do all that, then lower taxes and don't waste money on useless "projects".	2/23/2017 4:43 PM
885	Your zoning commission has approved 3 story apartment buildings behind my home, I am completely opposed to this action, if approved you will lose some of the residents who have lived here for years!!!	2/23/2017 4:43 PM
886	Think it's time for gas station and stores in my area.	2/23/2017 4:41 PM
887	there is a lack of classroom space for senior classes, workshops and clubs. A dedicated senior center is needed for our large and growing active senior population. I recently toured the Villages in Lake County and was impressed with the facilities and programs for seniors. I recommend our staff benchmark our senior needs with those available in the Villages.	2/23/2017 4:38 PM
888	I would like see more daycare options and family friendly events that occur in the evenings or weekends.	2/23/2017 4:37 PM
889	My wife and I retired to Palm Coast from Connecticut in 2007. We love the quality of live Palm Coast offers as retirees. However, if we had to continue working to support ourselves, we would not live here. Overall, we are very pleased with our decision to retire to Palm Coast.	2/23/2017 4:36 PM
890	No	2/23/2017 4:35 PM
891	Only lived here for six months. Think you guys are doing a fantastic job in regard to maintenance of the roads and streets. Thank you for picking up the trash and debris and for making Palm Coast City/town a great place to have pride in where you live.	2/23/2017 4:34 PM
892	I do not know the names of the parks and suggest you provide a map with the questions about them for ID. Also, there are other trees than Palm trees you could use that are much less expensive. Expecting upkeep of roadside verges to be undertaken by the owner who lives behind them is unreasonable. The City should mow and upkeep its own right of way. Debris piling up for weeks after a storm kills the grass and we are expected to replace it. Not a fair system.	2/23/2017 4:34 PM
893	I would think that a city mgr. and one who had just been granted a raise and is earning more than the Gov. of Fl. would be more diligent about seeing that money is spent judiciously and be cognizant about the fulfillment of contracts such as the redoing of Fl. Park Dr. park which has been the process of renovation for close to two years and not have five or six employees standing around and deliberating which shovel to use on a minor problem. There's much more that can be observed if a committee would be formed outside of the jurisdiction of Mr. Landon to see the waste that occurs on a daily basis. The change of light signaling at several intersections needs to be reevaluated to take into consideration the increased traffic flow. Also one of the ingresses into the new redone Publix coming fro Palm Coast Parkway is very poorly designed. It is an ungainly curve and is just awaiting for an accident to happen. There's lots more to observe just from the standpoint of a lay person but surely a construction supervisor and a traffic engineer can evaluate much better than I can as an alert resident.	2/23/2017 4:32 PM
894	N/A	2/23/2017 4:28 PM
895	The city is [redacted] poor for dining and shopping, the code enforcement sucks as well.	2/23/2017 4:27 PM
896	No new taxes.	2/23/2017 4:27 PM
897	Something needs to be done about people throwing trash	2/23/2017 4:25 PM
898	I think that there should be a SAMs club, Costco, or BJs here.	2/23/2017 4:23 PM
899	Improving our schools and creating a top-tier set of public schools should be the highest priority. I came from a community that had some of the best public schools in the nation and I do not understand why our schools here are not among the best in Florida. Great schools attracts great people in terms of our city residents and property owners. Our schools are not bad but they could be far, far better. Check GreatSchools.org - they should be rated a 9 or 10 if you want to compete with our great communities and attract high quality residents. IMPROVE OUR SCHOOLS!!!!!!	2/23/2017 4:22 PM

900	We need to make newcomers feel welcomed with something like coupons, welcome wagon, maps, etc. When we were in Georgia they sent us a magazine full of BOGO coupons that forced us to get out and get to know our new city.	2/23/2017 4:21 PM
901	There are definitely not enough street lights here. I feel there should be one on every corner and about one every 6-10 homes. There is no reason we can't have dusk to dawn lights here with as much sun as we have and there are plenty of utility poles. And the traffic here is not policed enough, too many unnecessary accidents! Also, there is poor cell service in quite a few areas. As many FPC officers that live around here, they aren't around when needed. Too many idiot drivers.	2/23/2017 4:19 PM
902	The city should fund the gym (only) at Belle Terre Tennis and Racquet Club and provide free membership for seniors only.	2/23/2017 4:15 PM
903	Love living here. I have wonderful neighbors. Been here since 2003. Code enforcement once was a problem. Parked my car on the grass because a contractor was coming in and out, got a citation. I was wrong but the inspector should have knocked on the door instead of leaving a warning.	2/23/2017 4:14 PM
904	We are moving away from Palm Coast because we don't feel that the economy is growing fast enough due to lack of employment opportunities. We drive to Saint Augustine to find good restaurants, after a while carabbas and european village aren't enough. We want art festivals with good vendors, we want growth and fun we are bored	2/23/2017 4:13 PM
905	I love PC. I love Marineland Acres. We have a special slice of paradise here.	2/23/2017 4:12 PM
906	I'm very disappointed in the code enforcement. When we moved here 10 years ago I was very impressed but the city has steadily deteriorated as far as appearance. Ride through any residential area that does not have an HOA and there are many unkept properties.	2/23/2017 4:11 PM
907	Keep property tax down retires have to live as well as the	2/23/2017 4:10 PM
908	Speed limits on some roads should be lowered. There are way too many accidents with fatalities. Some of the Lane configurations can be confusing especially on SR 100 at Rte 95 where the lanes of 100 criss cross under 95.	2/23/2017 4:09 PM
909	1.Why aren't the speed limits, keep right except to pass and enforced? PC has the wackiest drivers and it keeps getting worse. I've had people pass me on a double line or some doing "wheelies" on their motorcycles. 2. Why aren't the "clean-up after your dog" law enforced? PC is looking like a dump in some places (Pine Lakes f/one).	2/23/2017 4:09 PM
910	My husband and I are disgusted with those in authority in the city who - without putting it to a vote - decided to enlarge the Community Center at a cost of $8 million. Clearly, the "Powers that Be," have little regard for the opinion of the citizens of Palm Coast. (We feel that if the expansion had been put to a vote, it would not have passed... but, we think you know that.) We had hoped that with the election of Mayor Holland, things would change... We are Republicans who crossed party lines to vote for her... It seems to us - and many of our friends who have expressed their opinion to us - the members of the Palm Coast City Council are legends in their own minds. They will do whatever it takes to make themselves look good. Case in point... the Community Center - or City Hall - another example of waste. There are so many "good ideas" buildings that now stand vacant... Having vacancies detracts from the overall look of the city. Just our opinion, of course, and we could be wrong.	2/23/2017 4:07 PM
911	The City of Palm Coast DOES NOT maintain the numerous trees it plants and plants and plants. You have not learned from the 1998 fires. Lots of rag tag limbs hanging and underbrush. If you can't keep the palms and other trees properly trimmed STOP adding more. They look terrible! Even in hurricane season your palms are NEVER trimmed to keep them from being potential storm damage. In short, CLEAN UP YOUR MESS!	2/23/2017 4:02 PM
912	Swim team	2/23/2017 4:01 PM
913	Cell phone service truly needs to improve in this city. We need more cell towers.	2/23/2017 3:58 PM
914	After one visit, we retired and moved to Palm Coast in 2003 and have never regretted the decision.	2/23/2017 3:58 PM
915	Please keep Palm Coast beautiful.	2/23/2017 3:53 PM
916	I would support taxes for a public transit system similar to what I've used in Tampa. We need some form of public transportation.	2/23/2017 3:51 PM
917	Need to have ready to go (permitted, etc.)commercial developments sites for economic development.	2/23/2017 3:47 PM
918	no	2/23/2017 3:46 PM
919	Most definitely would appreciate better cell phone reception - need more towers. Also would like to see a Costco or Sam's Club in Palm Coast -too far to drive to Jacksonville or Orlando for a big box store and Walmart is always so crowded and busy - maybe could use another along Moody (SR100)?	2/23/2017 3:45 PM
920	please get rid of the crime in the R section and Ralph Carter Park area	2/23/2017 3:43 PM
921	Water bill is too high. "Read my lips" No new taxes	2/23/2017 3:43 PM

922	I support enrichment programs, but before charging any taxes for such services, all grants, local charities, and organizations should provide these first and then the city can supplement funding if necessary.	2/23/2017 3:42 PM
923	Why are the city streets without any lights?	2/23/2017 3:41 PM
924	More street lights, some sidewalks, clearer swales and get rid of the down trees. Empty lots should have to be kept up - hate to see the brush and fallen trees! Youth, senior and entertainment programs should be offered at a fee which should be used to pay for those services - not part of our taxes. If I don't have any children, why would I want to pay for a youth program? OK to make me pay increased taxes for better environment like street lights or less fallen trees but the other stuff, if you want to go, pay for it.	2/23/2017 3:38 PM
925	The facilities for seniors are nonexistent. No swimming, no club for seniors and no activities. St. Augustine has a large program for seniors that we are severely lacking.	2/23/2017 3:37 PM
926	we need commercial airport with at least 2-3 flights to major connection airports (Miami, NY, Atlanta etc.) More businesses, and possible a sport team.	2/23/2017 3:36 PM
927	Taxes are high enough, been waiting for 3 HUGE tree stumps from the city to pickup which is off the city property from the hurricane on Smith Trail, fixed income under 30,000.00 for 2 and want more money for what! They complain all the time, permit after permit for everything. Wish I didn't move here 2.5 years ago, Have to do this, have to do that. Too many rules.	2/23/2017 3:35 PM
928	We need more attractions to the area not just trails. Turning lines at intersections need marked better. The address system is atrocious. And no major business have roots here. This is all very important. And more law enforcement funding they are stretched thin across the County	2/23/2017 3:35 PM
929	more jobs for the middle-aged	2/23/2017 3:35 PM
930	There are a wide range of opportunities & activities for senior. Yet, there is little to nothing for teenagers. You cannot even let them go to the movies by themselves based on the recent crimes there.	2/23/2017 3:34 PM
931	City holds back companies who would bring jobs to the area.	2/23/2017 3:32 PM
932	Please consider building a Senior Center in Palm Coast and adding more street lights to make driving for seniors safer. Also bring in more good restaurants to Palm Coast.	2/23/2017 3:32 PM
933	I will like to see more street lighting and sidewalks	2/23/2017 3:32 PM
934	We have moved here from NJ and bought a beautiful home in the R Section, which really should be Lehigh Woods. The crime here is OUT OF CONTROL! And, what makes one section better than another? I am at a loss... Break-ins, cars being vandalized, road rage, what is going on? When we first moved here, we were told "oh, you live in R, that's a tough neighborhood." I am very happy with my home but scared all the time. Street lights are an essential to deter crime but we were told you had to pay for the if you wanted one on your street???? I'm not sure how to feel about this place? Please, please get a grip on the craziness.	2/23/2017 3:32 PM
935	I think the bridge between Woodberry and Woodhaven needs to be fixed. It has been surrounded by yellow fencing for long enough. People who walk that every day are tired of not being able to enjoy the wild life.	2/23/2017 3:31 PM
936	There are not enough good paying jobs for all the people that are now moving into Palm Coast.	2/23/2017 3:28 PM
937	Something needs to be done about the speeding and stop sign running at the intersection of Palm Harbor Parkway and Club House Drive. The stop sign coming from European Village to the marina is semi blocked with vegetation and too small. It needs to be lite and larger. The intersection is not patrolled as much as it should be. My husband and our dog on leash have almost been run over crossing at that intersection on 2 occasions. Several motorcycles and modified cars treat the small hill on Palm Harbor Parkway like a race track. We have watched 2 cars and 2 motorcycles racing in both lanes up that hill, and they are far exceeding the speed limit. The noise they make is horrible and wakes several Waterside Condo owners at all hours of the night. We are just waiting for a fatal accident to occure on that hill or at the intersection. Please think of a solution before this happens.	2/23/2017 3:24 PM
938	Palm Coast is growing too rapidly. Slow down the growth. P.C. is a recreational, leisure and retirement community but has lost its way after 1999.	2/23/2017 3:23 PM
939	I don't think that taxpayers should subsidize golfers at the Palm Harbor Golf Course. The golf course should adjust their rates so they make a small profit,and not depend on the taxpayers for their lack of income.	2/23/2017 3:19 PM
940	Major roadways and their landscaping are top notch and a point of pride.	2/23/2017 3:16 PM
941	Trees should be trimmed on Belle Terr so that vehicles pulling out from whippoorwill can see oncoming traffic. It is very dangerous.	2/23/2017 3:14 PM
942	Please continue sidewalks to an intersection. It's dangerous when they stop in the middle of a block!!	2/23/2017 3:12 PM

943	I get almost hit daily riding my bike on Colbert sidewalk by people coming out of gated subdivisions and ignoring stop signs/crosswalk. Bike safety signs at these areas would help!	2/23/2017 3:12 PM
944	The water is terrible and shouldnt be as expensive as it is	2/23/2017 3:11 PM
945	No	2/23/2017 3:04 PM
946	in order to get cell phone reception in my home, i had to get a network extender hooked up to my router or i would have had no way of communicating with friends or family.need verizon cell phone tower, but was told not available.	2/23/2017 3:02 PM
947	Yes, It is only logical to have green arrow for right turn on red when the right intersecting traffic has a left turn arrow. Waste of gas to have to stop for nothing. Also police should be the best possible driving examples for all to see. Not driving w/o lites in fog or rain etc. Or not using turn signals. These are not good roll models. It is not pleasant to run into a dog off lease or w/o owner even being around while walking on St, Joe's walkway. I've even called the police on this repeat offender. I have been told this individual has been just letting his dogs out of his condo on the St. Joe's for years. The city could be libel if these dogs cause an accident or hurt someone on city property esp. if they have been notified. I tell everyone how much I love this town. I think it is clean, safe and beautifully landscaped. I've lived here 31 months and look forward to many more years.	2/23/2017 3:02 PM
948	Add streetlights to Belle Terre by schools and at intersections. Complete bike trail east of Old Kings from Lehigh rail trail north	2/23/2017 2:58 PM
949	would like to see more beautification done in section 6 like that which is being done north of SR 100. Sometimes feel like a stepchild or left out in our area	2/23/2017 2:58 PM
950	No	2/23/2017 2:57 PM
951	I love palm coast .... great improvement adding lanes on pcp over 95! Don't change it too much ...don't fix what is not broken!	2/23/2017 2:56 PM
952	Permits are too many and crazy. Killing the community	2/23/2017 2:56 PM
953	I would like to see more open town hall meetings organized around general topics.	2/23/2017 2:55 PM
954	Give us proper streets and drainage, ways to get around naturally, and economic development will be driven by people who desire to live here permanently.	2/23/2017 2:54 PM
955	Tax money is not spent wisely. retired people pay for the people who rent and have children. Let them pay part of the bills	2/23/2017 2:50 PM
956	Thank you for finally putting more gas stations on SR 100. Now those stations by I-95 can't jack up their prices so high. Also, the left turn signal off of Old Kings Rd to head west on Palm Coast Pkwy needs to allow more time for the traffic to turn. I usually have to wait twice for the light to change before I can continue straight. Frustrating.	2/23/2017 2:50 PM
957	Keep up the good work.	2/23/2017 2:49 PM
958	laguna forest trail has become a dump for people throwing refuse from their automobiles, attempted home invasion in which I supplied photos to the deputies, no arrest were made, need more patrols in this area, occasionally shots being fired	2/23/2017 2:48 PM
959	Please install a traffic light at Matanzas Woods Pkwy and US 1 before someone gets killed. Also need a walking trail in the north end of Palm Coast. I live in the L section and have to go to the Princess Place daily to walk.	2/23/2017 2:47 PM
960	none, thank you	2/23/2017 2:46 PM
961	Get rid of Landon. He is overpaid and is actually running city not the mayor/council. Spends too much money on unessential projects	2/23/2017 2:44 PM
962	We need more variety in stores, (best buy). More places to eat, (Long Horn, Texas Roadhouse). When we go out for the day to eat or shop it's always to Daytona, St. Augustine, Port Orange. We would like nice places to eat by the theater. That would make for a night out in town. A lot of wasted land there.	2/23/2017 2:44 PM
963	You took down the cameras and people here have become very aggressive at not following the rules of the road and existing traffic signal's.	2/23/2017 2:43 PM
964	Every section needs more street lights. All over growth lots need to be cut and mantained	2/23/2017 2:43 PM
965	We need traffic lights at the intersections of Pine Grove Dr and Belle Terre and some other intersections on Belle Terre.	2/23/2017 2:41 PM
966	Need sound barrier on I95 in P section.	2/23/2017 2:41 PM
967	None	2/23/2017 2:39 PM
968	Need more job opportunities, other than retail.	2/23/2017 2:39 PM

969	The ciity does too much landscaping on non main roads, I would rather my taxes go toward something else rather than mulch, trees, and water that needs maintained.	2/23/2017 2:38 PM
970	Need more high end restaurants like the Grand Lux and the Yard House.	2/23/2017 2:38 PM
971	Shopping: Nearest major retailers are located in Daytona...a bit of a drive. Likewise with major chain restaurants found in most cities: Bonefish Grille, etc.	2/23/2017 2:35 PM
972	For the $'s we pay our town manager, should be able to get a better educated and able person.	2/23/2017 2:35 PM
973	Need speed more closely controlled on palm harbor park way.	2/23/2017 2:32 PM
974	I've been living in Palm Coast for 8 months at the time of this survey.	2/23/2017 2:30 PM
975	Please allow cell phone towers. Without electricity, there is no wifi and if no wifi, no cell reception in home. This was crucial during Hurricane Matthew.	2/23/2017 2:30 PM
976	Overall I enjoy living in Palm Coast. I feel that it is important that Palm Coast Have its own police force and not rent 25 Flagler Sheriff officers. Wanting to Build apartment complexes that run down US1 and to not supply Palm coast with its own police department and better water pipe and drainage should be a crime against the city of Palm Coast. There needs to be family activities for families and teenagers to do. Stop wasting money putting trees in the medians, ll there are is a blind spot to drivers. I am sure there is more, but I cant think of anything else right now.	2/23/2017 2:30 PM
977	Put Street Lighting on Belle Terre. This is the main artery through the center of Palm Coast for cars and bicycles, and it Has No Night Lighting. It is very dangerous on Belle Terre at night!	2/23/2017 2:30 PM
978	Recycling of paper, metal, plastic, glass: The curbside pickup is great, BUT frequently all of the recycle items (separated) go into the same part of the truck (back end). It raises the question if "recycling" in Palm Coast is actually happening or if recycle items are just going into a landfill. Even the "recycling" deposit, at the location on south Old Kings Road, has just 1-2 dumpsters for mixed recycle materials of all kinds together. Please publish information about the Palm Coast recycling program to let residents know: How the program works; How residents can help make the program work better; If recycled items return funds back to the city.	2/23/2017 2:29 PM
979	Stop spending money on trees down the middle of Palm Coast Pkwy. It makes seeing cross traffic much more difficult. Also, stop being so [redacted] rigid when it comes to allowing businesses to come to Palm Coast. I have seen several businesses take many years to finally be allowed to come into the city and one business on Hwy 100 actually tore down a half completed building to leave the city. If you want people to have jobs you have to allow businesses to come here without having to jump through hoops!	2/23/2017 2:28 PM
980	None	2/23/2017 2:24 PM
981	Yes cut back on your payroll... it doesn't take 5 people to change a sign or plant a tree you spend money like running water	2/23/2017 2:18 PM
982	Good town but wAter to high	2/23/2017 2:16 PM
983	A better bus system is needed. Moore street lighting is needed in residential areas.	2/23/2017 2:16 PM
984	City codes should be changed or updated on fences, bushes obstructing views and creating traffic hazards need to be removed.	2/23/2017 2:13 PM
985	City officials are paid more than they're worth so cute their pay to help pay for needed programs. Stop using both maintenance and outside landscapers to do the same job with double pay.	2/23/2017 2:13 PM
986	A couple of issues with street/traffic lights: poor lighting on Belle Terre Pkwy, traffic signals are not synchronized, and pedestrians and bicyclists are in danger when crossing at traffic signals. It would be safer if all lights stayed red in all directions when the cross walk signal is lit; cars should not have a green turn arrow when peds and bikes are attempting to cross with the cross walk signal.	2/23/2017 2:13 PM
987	Entirely too much money is spent on Pretty or Beautiful and there are other needs,	2/23/2017 2:12 PM
988	Water bills are too expensive. Zoning rules can be arbitrary and stupid. Police write tickets all day for folks going 3 mph over speed limit while aggressive drivers are performing dangerous maneuvers and homes are getting broken into. Drugs are a problem- I see drug transaction once a week in daylight hours. Overall the city is well maintained and I am proud to show visitors around but there are underlying issues. Too many renters, transients.	2/23/2017 2:11 PM
989	Overall it's great. The city wastes money on things like a city hall and rebuilding a community center, while ignoring simple things like the need for more street lights and a sidewalk down Old Kings Rd. Which now has much more traffic. We don't need a tax increase we just need common sense	2/23/2017 2:11 PM
990	The workers on trails do excellent work.	2/23/2017 2:08 PM

991	Overall, we love living here in Palm Coast after moving here three years ago from Jacksonville due to the ever increasing crime. The FCSO does a great job keeping crime low here, but the type of "thug" mentality that exists in town must be driven out or it will quickly become overrun like the larger cities have become. We, the citizens, are often willing to work with law enforcement and report anything suspicious. Maybe promote more programs that get citizens more involved in the community and I bet we'll all see great results.	2/23/2017 2:07 PM
992	Would love more festivals and events to attend as a family	2/23/2017 2:04 PM
993	Bring in hi-tech store like Best Buy. When is Aldi opening?	2/23/2017 2:04 PM
994	The City recovery after Hurricane Matthew was very impressive!	2/23/2017 2:01 PM
995	What I didn't answer, I didn't know.	2/23/2017 2:01 PM
996	No	2/23/2017 2:01 PM
997	Said all about the why I see the city.	2/23/2017 2:01 PM
998	would really like to see streetlights! and work on drainage	2/23/2017 2:00 PM
999	I moved from a big city to the city of Palm Coast, I love the new shopping centers, only thing missing is more businesses to offer jobs to people so I wouldn't have to go to Volusia County to work. Otherwise, love the schools, love the quiet, love the parks and Trials, those keep me here in Palm Coast.	2/23/2017 1:58 PM
1000	City needs more industry, stop turning things away because of the colors they use, more restaurants not fast food. Town center needs an invested to get things going in there(needs to be like St. John's town center) I have been here since 1995 a lot has happened since then but a lot seems to have turned away.	2/23/2017 1:55 PM
1001	PC is overall an attractive, nice town...too bad we don't have residential sidewalks and the power lines aren't underground, that would be better. Shopping is poor for the size of the area. Has become better but still needs work. Still don't have any good, non-chain restaurants.	2/23/2017 1:55 PM
1002	We love Palm Coast. It is kept in excellent condition, has good zoning laws, people are friendly, cost of living is reasonable, has a low crime rate (could use some red light cameras), and an excellent political climate, [redacted] Why are we moving, our family can come here.	2/23/2017 1:54 PM
1003	The city makes it very difficult It to build any type commercial buildings. Regulations way too strict.	2/23/2017 1:52 PM
1004	As safety measure, urge City to reduce brightness of No Left-Right Turn Lights at intersections (eg, FL Pk Dr and PC Pkwy); their current intensity adversely affects night vision. Very strongly oppose street lamps, especially in quiet neighborhoods.	2/23/2017 1:52 PM
1005	We have lived in section 2 since 1991, During that time we have seen road improvements all over town and sidewalks and bicycle paths everywhere but Old Kings Rd North. People coming from the north have no place to walk but in the grass and WORSE bicyclists are in great danger trying to ride on the narrow, busy road, I guess we don't have enough voters to be important.If I were the parent of the young boy recently killed I would sue the [redacted] ut of the city for providing safe passage everywhere but here. In fact I may call the family and suggest they do just that.	2/23/2017 1:51 PM
1006	Eliminate red light cameras. They are nothing more the a city tax! And no I have not received a ticket for running one of the lights. In fact I have a clean driving record for the last 40 years with no accidents and one ticket about 15 years ago.	2/23/2017 1:51 PM
1007	no	2/23/2017 1:50 PM
1008	B section - Install street lights on the dark streets, Lanes and Ways. These streets are pitch black at night and make it are ripe for crime. This situation really needs to be addressed!!!!!!	2/23/2017 1:50 PM
1009	My biggest gripe with Palm Coast is that left turns required a green arrow rather than flashing yellow. We have such long sight lines that it makes no sense to sit when you could turn safely.	2/23/2017 1:50 PM
1010	Improve water quality and lower price, logical road engineering efforts and transitions, make improvements for the majority of people who will use them, stop wasting taxpayers money.	2/23/2017 1:48 PM

1011	It's quite common for public comments to berate/vilify sheriff's dept.'s traffic enforcement. Why not instead of focus on speed of vehicles, focus on what drivers are actually doing at any given speed? Impeding traffic, cutting off other drivers, failure to signal before changing lanes, driving while distracted, arrogant, selfish, reckless disregard for other drivers,etc all escalate to road rage at the least, and lead to collision induced damage, injuries, and death at other end of spectrum. So don't just "do something", please do the effective thing! Create UTE: undercover traffic enforcement using older/worn looking vehicles outfitted with multiple video cameras to solidly capture the offenses. Regular unmarked cars following several vehicle lengths behind would do the actual pursuit of offenders. Now only the actual traffic parasites would be apprehended than someone who didn't realize went over speed limit while otherwise driving very civilly and respectfully. Increase the tax coffers the same way MADD did by focusing on the actual culprits. So please, weed out the bad drivers from good drivers by behavior, not numbers on speed detection devices.i trust the deputies will use wise discretion and sincere respect towards the public at large. Please prove me right.	2/23/2017 1:48 PM
1012	The notion of paying higher taxes for stormwater and drainage is preposterous. The fees charged to maintain water service ($51 per month) - just to have water turned on is ridiculous. You are already taxing the heck out of us via unsubstantiated fees for the water district which no doubt are being used elsewhere	2/23/2017 1:47 PM
1013	My "pet" issue is getting the Sheriffs Dept to enforce the night parking along Comanche Ct. Have called a number of times. No results. Just a matter of time before a it causes a serious accident.. And yes, I told that to the person I talked to at the Sherif Dept...	2/23/2017 1:46 PM
1014	The street signage's need to be increased in size, especially at intersections where there are no traffic signals, some placed in more visible locations, such as along Belle Terre Pkwy at the Pine Grove intersection. Turning Lanes at major intersections need to be better pronounced, especially for night time turning. I've observed individuals turning into the oncoming traffic lanes from Palm Coast Pkwy. onto Old Kings Rd, fortunately it was at night and there wasn't any traffic on the Old Kings side of the road heading South. Road & Grounds supervisor should occasionally take time to visit the local roads to observe and make noticeable corrections.	2/23/2017 1:45 PM
1015	Find a way to create back roads for the locals! Also, the deputies need to have a bigger presence on the major roads in the mornings and afternoon to curb the out of control bad driving. I'm sure at least half the people on the road do not have a driver's license. More residential area street lights are a must. Put out more flashing signs with "LIGHTS ON" in the mornings and evenings.	2/23/2017 1:43 PM
1016	My son goes to Old Kings and it's a 45 minute bus ride away! We need another elementary school that is on the north end of the county, near us.	2/23/2017 1:42 PM
1017	Sometimes Palm Coast feels ideologically lacking in diversity. Encouraging doctor's offices and other spaces where everyone gathers to not play partisan news programs would make me feel more like this is a potential long-term home. As things are, as beautiful as Palm Coast is, I couldn't raise a family here, and plan to leave within a year or two.	2/23/2017 1:41 PM
1018	There should be a traffic light at Belle Terre Parkway and Pine Grove Drive. There are many accidents there.	2/23/2017 1:41 PM
1019	We need better economic opportunities, more activities for children (I had to take my daughter to Jax for art and activities!), safer streets and more sidewalk through residential neighborhoods that have access to parks. I live on the part of Parkview Dr that doesn't have a sidewalk and it's dangerous to walk on this street. I've been nearly hit and children use this road to navigate to school. Cars speed and even just turning into my driveway has been stressful b/c cars don't want to slow down.	2/23/2017 1:40 PM
1020	TURNN OFF SOME OF THE STREET LIGHTS	2/23/2017 1:38 PM
1021	My wife and I have lived here for 26 years. We had every intention to retire here too. Not any more. We are retiring this year and will be selling our home and moving out of state. This town is full of low life people. Go to Walmart any day of the week and you'll get quite an eyeful!	2/23/2017 1:37 PM
1022	You should throw my survey away, I've lived in Palm Coast for approximately 13 years and there is nothing I like about Palm Coast.	2/23/2017 1:36 PM
1023	Sidewalks needed in residential/private home areas (budgeted for by prior landowner, ITT, long overdue)	2/23/2017 1:35 PM
1024	Would like to see more cultural events	2/23/2017 1:33 PM
1025	You should have a bus service like Fort Myers Beach has!!	2/23/2017 1:33 PM
1026	Love this city, the landscaping is beautiful and its kept clean.	2/23/2017 1:29 PM
1027	I feel there should be a turn lane from Seminole woods to head east on 100. I'm very happy there are sidewalks now on Seminole Woods. It was always sad to hear that somebody was hit there. I think the light from I-95 North to Palm Coast Parkway West should be shorter.	2/23/2017 1:28 PM

1028	We have paid plenty as we had a new home built and had impact fees paid to be used to improve park's, transportation infersutruction, and schools. On our water bill we pay for storm water management. As a palm coast taxpayer we only want to recieve our money's worth. And expect city and county government to live within its means. Example: look at Sarasota County tax millage, 15.1868 mills at longboat key fl George stark 25 edison ln 724 350 5164	2/23/2017 1:28 PM
1029	We enjoy living in Palm Coast, moved here from the DC area about a year and a half ago.	2/23/2017 1:27 PM
1030	need to clean up canals (fresh water).	2/23/2017 1:27 PM
1031	The City Manager is over paid.	2/23/2017 1:26 PM
1032	We really need more swimming facilities for our youth.	2/23/2017 1:26 PM
1033	I think some of the code enforcement rules are quite ridiculous.	2/23/2017 1:25 PM
1034	Please consider organizing a day or days to clean up the areas surrounding the St Joe Walkway. Lots of dead limbs, leaves, etc need to be removed.	2/23/2017 1:23 PM
1035	Lower the taxes!!! SLOW DOWN GOVERNMENT SPENDING!!!	2/23/2017 1:22 PM
1036	Palm Coast needs over the air TV service. There are no network broadcast TV stations available to help the residents control their costs and the service providers Brighthouse and ATT could not provide service after our most recent hurricane for many days. Over the air broadcast provides an important alternative during emergencies when the cable and phone companies infrastructure is laying on the ground	2/23/2017 1:21 PM
1037	Would like Code Enforcement to give us a break. Don't know WHY work trucks or boats CAN'T be kept at home. Some folks need to make a living & retirees want to be able to park their boats at home!	2/23/2017 1:20 PM
1038	Additional shopping and restaurants needed	2/23/2017 1:19 PM
1039	Better support from the City Government to bring life to this city! Better crime prevention from gangs and more police on the force!!	2/23/2017 1:19 PM
1040	See my comments about my living outside of City of Palm Coast limits in The Hammock. I'm not sure that I qualify for participation, but I completed it anyway. Have a nice day.	2/23/2017 1:19 PM
1041	We are so glad that Belle Terre is finally getting landscaped. It has been a complete eye sore compared to the rest of PC. I hope you remove those horrible trees that are lining the sidewalk all the way from Ellsworth to the second Eastwood Dr. They were a complete waste of money since the day they were planted.	2/23/2017 1:15 PM
1042	we need to spend more money on programs,litter cleanup, much less on Palm trees,median flowers	2/23/2017 1:14 PM
1043	love it here, great place to live	2/23/2017 1:12 PM
1044	More police officers patrolling neighborhoods day and night	2/23/2017 1:09 PM
1045	My husband just died and my income was cut in half. I cannot afford more taxes.	2/23/2017 1:08 PM
1046	I would like to see the debris from Hurricane Matthew to finally be gone[i.e. road into Denny's] A strong look at traffic patterns within retail parking sites.. Many have outdated traffic flow. Much more Sheriff activity regarding traffic violations.	2/23/2017 1:05 PM
1047	We love Palm Coast and all it's crazy restrictions. It is kept pretty clean and we feel safe here. We LOVE and regularly utilize all the trails and walking/biking paths, as well as many of the parks. I think Town Center should think about putting in a splash park for kids to cool off in during those warm months, we had those everywhere back home (Oregon). Also, consider allowing building sheds as a case by case basis with plans and restrictions. Most pre-built sheds are only 10 inches taller than PC allows, but it is difficult and more expensive to find them shorter. Just a thought :) Thanks for caring!	2/23/2017 1:05 PM
1048	I am very pleased that you are finally doing the medians down Belle Terre. Our city needs to be a beautiful place to reside. I love all the trails. I fear for the adult ed programs at Belle Terre which are very very important to our citizens.	2/23/2017 1:04 PM
1049	Improved Cellular Phone Service areas	2/23/2017 1:03 PM
1050	The traffic light on Old Kings and Palm Coast Pkwy is not user friendly. Going South on Old Kings, there are three lanes - two turn right. There is a log jam to turn left. The three lanes should be one for turning right (they can go right on red also), one for straight and one for turning left. Traffic flow would be much better. A left lane turn only sign should be put up on Palm Coast Pkwy before Florida Park. Cars are in the left lane and have to cut in front of traffic going straight. Have seen many near accidents. Drivers need to be warned the road goes down to two lanes and the left is turn only before the road bends in front of Walgreens. Bad planning on Publix mall by Florida Park - many of us want to go East out of the parking lot and end up having to go through Walgreens to get to the East bound lanes. We should be able to go out by Starbucks and get to the east bound lanes.	2/23/2017 1:02 PM

1051	Keep taxes low !	2/23/2017 1:02 PM
1052	Let's not grow too fast. We need to do something about additional cell phone towers.	2/23/2017 1:01 PM
1053	The city needs to do something to attract businesses (other than retail and restaurants) to the City. This would stimulate the local economy in many ways. Look what Volusia County is doing to attract businesses. We should be doing the same!	2/23/2017 1:00 PM
1054	too much money is spent on trees and plants in the city	2/23/2017 12:58 PM
1055	More should be done to get Big Name stores in town. TJX, Target helped, but this town needs more if it is to attract more families. Better resturants too.	2/23/2017 12:56 PM
1056	I would like street lights placed in all areas of the community. More police presence to deter crime patrolling in the neighborhood. I want to see a splash water park for our youth.	2/23/2017 12:56 PM
1057	Need sidewalks in neighborhoods for safety reasons.	2/23/2017 12:53 PM
1058	Need a five year plan to attract new industries, new jobs to support further development. Also, need to closely evaluate future developments (i.e. shopping centers, homes, condos, etc). The Town Center has been a complete failure and needs to be addressed. Whoever came up with the idea and implementation of it should be fired - criminal really.	2/23/2017 12:51 PM
1059	ITT set up PC for failure, with one way in/same way out - when it started to become a problem, they took off; cannot blame PC for that, and it has been a struggle to keep up with increasing population numbers, since then. I still maintain, however, that the above-listed problems, have made it unacceptable, to us, to continue living here. Taxes go up and up, with little necessary changes to show for it - we were really turned off, over the new mayor's decision to build new community center, for $8 million, instead of the previously planned $4 million! Typical! We have complained for years, about all the large trees, planted way too close together along city streets - now, we read that the city has finally accepted that the trees are killing each other, so close together - so, now, many will be removed, which is necessary, but should not have been, if handled properly, in the beginning; and, now, here we go again, replanting medians, again, with trees too close together!	2/23/2017 12:51 PM
1060	I really wish building businesses was much easier. We have very few higher paying jobs because of our lack of economic development. I hope to see a drastic change in this soon.	2/23/2017 12:50 PM
1061	The worst cell phone service along Colbert Lane near Grand Haven. This is 2017 and cell service is essential to modern communications and web access...the "new tower" is a great step forward but has not been activated yet. As for traffic enforcement - living in Grand Haven is an environment that is conducive to walking/jogging/bicycling and cars fail to honor the speed limit of 30 MPH in the neighborhood. We need more attention to this situation... more speed limit signs, speed bumps and police radar checks.	2/23/2017 12:50 PM
1062	Before no trash was seen in the streets, now there are everywhere.	2/23/2017 12:50 PM
1063	Actively address Crime within the city. Home invasions, burglary, drug related crimes and organized crime.	2/23/2017 12:49 PM
1064	The guard rails (with slats that look like a fence) and trees are in the way when trying to pull onto roads from neighborhoods. It is hard to see if traffic is coming. The water bills are too high. It's almost the same cost of electricity!	2/23/2017 12:48 PM
1065	We need a trail along Sesame Blvd to be able to access the new trail that links US1 to seminole woods blvd, this one is not very useful	2/23/2017 12:48 PM
1066	Change or give at least one chance with the traffic cameras	2/23/2017 12:47 PM
1067	I ask customers to move to PC and they tell me it's a "nightmare" to deal with the city. Better work on your out going PR	2/23/2017 12:46 PM
1068	Mail is random in times, but all is good. Loving life here.	2/23/2017 12:46 PM
1069	No.	2/23/2017 12:45 PM
1070	Traffic laws need to be enforced. There are never any officers around when people are breaking the traffic laws. We need more businesses and less homes. Too many people being crammed into one space. Small town is turning into big city and bringing along the problems that accompany such places.	2/23/2017 12:45 PM
1071	Hoping for less traffic.	2/23/2017 12:44 PM
1072	I think the city is slow to bring development here such as restaurants and stores. I like that the property tax is reasonable.	2/23/2017 12:44 PM

1073	I bike a lot around the area and see free newspaper such as the observer or penny saver rotting on lawns and driveways even with people living there. There should be an ordinance where these free papers are put in a special mailbox attached to your regular box or left at public places for residents to get on their own. These companies a littering the streets of Palm coast. Additionally, many lots are just disgusting to look at. Owners should be responsible for maintaining their lots until they build a home on it. An example, before the hurricane,a lot owner next to my sons home was given a warning to remove three trees because of danger. Owner ignored the warning and two trees fell on my sons home during the hurricane causing severe damage to his roof. Town is responsible for failing to follow up. Employees who follow up on citizens complaints are useless. When they drive in their white pick up trucks, THEY SEE ALL THE VIOLATIONS AND JUST DRIVE BY IGNORING THEM. that needs to change to make Palm Coast a nice place again	2/23/2017 12:42 PM
1074	There are zero opportunities to earn a good wage in Palm Coast. I love living here, but I have to work overseas (in the Middle East) just to make a living. Not all of us are retired, please do something to attract good paying jobs to Palm Coast.	2/23/2017 12:41 PM
1075	Higher taxes when we have been hit by a hurricane & ripped off by our insurance companies? Not kind!	2/23/2017 12:40 PM
1076	no	2/23/2017 12:40 PM
1077	None other than my wife and I love Palm Coast!	2/23/2017 12:39 PM
1078	Code enforcement is falling down on the job of late, campers in driveways. stored vehicles some being restored in the yard. Also a Palm Coast truck parks in the yard at night and on weekends. Thank you for listening	2/23/2017 12:38 PM
1079	Cell service in the Cypress Knoll area is REALLY POOR! Can't get rid of my land line because of it. Cable prices are way too high. What happened to the promise of lower bills with more competition????	2/23/2017 12:37 PM
1080	As new residents who moved into the P section and love the woods there, we would love to see the woods by the streets kept up better. A lot of dead branches etc just lay there. It would make the area more beautiful and neater.	2/23/2017 12:37 PM
1081	I have lived in Palm Coast (minus 3 years) since 1994. I am very satisfied with our overall development but i hope our new economic council can improve the job opportunites for our citizens. We need to be more aggressive with tax incentives and infrastructure to attract new businesses to move their operations to Palm Coast. We have missed out on some large opportunities die to our vision being short-sighted in the past. We can only improve our city to a certain point if our residents must commute to Volusia, St. Johns, Duval, Seminole and even Orange county in order to make a decent living.	2/23/2017 12:36 PM
1082	Pickleball, pickleball, pickleball...you should be embarassed, City of Palm Coast	2/23/2017 12:34 PM
1083	No	2/23/2017 12:34 PM
1084	Need more street lights provided by city at no cost to individual home owner. Lighted streets make neighbor hoods much more attractive.	2/23/2017 12:33 PM
1085	Make city more responsive to residents needs. Do not obligate large sums of taxpayer money without a ballot vote	2/23/2017 12:33 PM
1086	Property taxes are too high. Reduce salary of city manager to be more in line with rest of country or fire him and hire someone from local college or university with a degree in public administration	2/23/2017 12:32 PM
1087	our beaches need to be cleaner...	2/23/2017 12:30 PM
1088	Teens need a safe place to "hang out" in Palm Coast. My teen daughter has noticed the youth here do not have many places or things to do which leads to idleness and possibly drugs. Visit the high school classrooms and observe the students and their lack of respect for teachers and apathy to attempt to learn. At the 2016 MTHS curriculum night the lack of parent participation was disappointing! One teacher said " out of 100 of her students only 3 parents attended." I don't have the answers, yet would love to dialogue with others to see why this apathy exists in Palm Coast. I am from another state and have never experienced such apathy. How can we come together as a community and work on this?	2/23/2017 12:29 PM
1089	Water and electric utilities are about the highest of all states I reside in.	2/23/2017 12:25 PM
1090	For "SAFETY" reasons there should be sidewalks in the neighborhoods.	2/23/2017 12:25 PM
1091	I want to thank the City of Palm Coast workers for all they do for us. Attending the Citizens Academy strengthened this appreciation.	2/23/2017 12:23 PM
1092	We need a police department! The sheriff is no longer enough!	2/23/2017 12:23 PM
1093	traffic lights need to be better coordinated, needless waiting, system is unintelligent, makes no sense.	2/23/2017 12:21 PM
1094	Not happy about the number of homeless people we are beginning to see in the community.	2/23/2017 12:20 PM
1095	We do not need a major airport that supports commercial airlines.	2/23/2017 12:18 PM

1096	Thank uou for doing a excellent job on landscaping. However, would you consider cleaning up the northbound I-95 exit and PC Pkway corner (both sides next to the ponds)?	2/23/2017 12:18 PM
1097	I would like to see a streetlight installed at the intersection of Colbert Lane and SR 100. It seems that most intersections in the city are lighted, but for some reason this one is not. It makes it difficult to see the road when you are turning north on to Colbert from eastbound SR 100 with the headlight glare from oncoming traffic heading westbound on SR 100. This intersection will only get busier when the old cement plant site is developed. Thanks for listening. :)	2/23/2017 12:18 PM
1098	You don't need to raise taxes and fees. Clean house and not the workers get rid of levels of supervisors and managers	2/23/2017 12:17 PM
1099	I am impressed with services city provides and infrastructure quality. But concerned capital improvements will impact taxes greatly down the road. Have not looked at city's financials & budget to determine management of fiscal affairs.	2/23/2017 12:16 PM
1100	when you say :ECOMONIC DEVELOPEMENT", do you mean building a bunch of useless office/medical buildings and pay off your friends and donors, or actually invest into industries and services that actually help the lower and middle class of Palm Coast as well as the well-to-do types?	2/23/2017 12:16 PM
1101	Right turn signal from Old Kings Rd. turning onto PC Pkwy NW should come on before PC Pkwy traffic is stopped. I love living in Palm Coast!	2/23/2017 12:16 PM
1102	Laguna Forest Trail is notorious for drivers speeding. We need something to help the neighborhood children not be in "danger" of being hit by a car.	2/23/2017 12:15 PM
1103	Although we do not use youth programs if it were thought to assist in diminishing youth crime I would support it.	2/23/2017 12:15 PM
1104	Need free drug program in town Bunnell /palm coast is notorious for opiate addiction & dealing.	2/23/2017 12:14 PM
1105	use our tax dollars more efficently	2/23/2017 12:14 PM
1106	would like to see more enforcement of the NO Fireworks use in the city. We live on Panei Lane and the people across the street set off M-90's and real fireworks every holiday. Our home is a second home and this is very worrisome. When we called the police on New Years 2017, they only gave them a warning. Apparently they do this always according to the other neighbors. They should be cited/fined when there is a complaint. We actually have the paper debris left from them being set off that landed on our roof, yard and under our cars!!!	2/23/2017 12:13 PM
1107	Work in Duval County.	2/23/2017 12:13 PM
1108	I try very hard to keep my property looking nice so why doesnt the city make others whose properties look like dump yards and slum areas clean them up???	2/23/2017 12:12 PM
1109	We love Palm Coast, thank you for having us. We lived here for a year. Now staying for life. Thank you again.	2/23/2017 12:12 PM
1110	Shopping could certainly use a boost. Also, a few upscale restaurants. AND restaurants/bar on the canals and/or ICW. We live in a gorgeous waterfront area and no where to go!	2/23/2017 12:12 PM
1111	Better traffic controls at Old Kings & PC Pkwy. Side walk/bike lane on Cimarron, this road is VERY busy and dangerous.	2/23/2017 12:11 PM
1112	Keep up the beatification of the exits of 95. Your new north exit is great. Excellent work done on Belle Terre. The boat ramps are great with the upgrades of docks and safety railings. Thank you. Keep up the good work.	2/23/2017 12:11 PM
1113	This is a good idea to get feedbacks	2/23/2017 12:10 PM
1114	no	2/23/2017 12:10 PM
1115	Worry more about how trashy all these rental properties are than bugging home owners how we park our cars or you can see my jet ski trailer in the back yard if you drive by and look backwards.	2/23/2017 12:10 PM
1116	We love it here	2/23/2017 12:09 PM
1117	Haven't lived here long enough. We decided to move here and raise our family here from Wilmington Beach, North Carolina. We have high hopes but are generally concerned mostly with the large republican population as we view republicans as backward thinkers (ah the good ole days) and democrats as forward thinkers trying to improve all facets of the world we share	2/23/2017 12:09 PM
1118	We spend far too much time discussing and implementing programs which are costly but have little to no return for most citizens. Had I known this several years ago, I would not have moved to Palm Coast. The city is pretty but, as they say, beauty is only skin deep.	2/23/2017 12:09 PM
1119	There a number of "services" that I think are good for the community... I just don't think it's the goverment's job to provide them (e.g. Senior services, youth programs). Those should be left to private organization and should not be funded by tax dollars.	2/23/2017 12:09 PM

1120	Additional recreational service should be pay as you go for those interested. Drainage are issues that should be included in our taxes.	2/23/2017 12:09 PM
1121	My wife and I moved to Palm Coast three years ago and adopted a highway. Over this time frame we have notice a three- fold increase in litter. A lot of money is spent on landscaping in our beautiful city, only to have it trashed with litter. A city employee told us that l/3 of his mowing duty is spent picking up trash first. There needs to be a city program that educates all our residents not to litter. Fast food is the #1 culprit so lets get them to participate in litter-awareness; for example they could hand out litterbags with their logo. Schools need to be involved as well and students and teachers could keep the roads by their schools picked up. My wife and I would love to be part of starting this awareness program on any level. "Don't be trashy; be classy: Don't litter!" gary and gail Anderson 114 westlee lane, pc	2/23/2017 12:09 PM
1122	Would like to see a Chilis or something similar come to palm coast.	2/23/2017 12:08 PM
1123	we need better and more sophisticated shopping and dining. we have to leave Palm Coast to find these	2/23/2017 12:08 PM
1124	More fishing docks are needed!	2/23/2017 12:08 PM
1125	Very bad drivers in this town. I live on a road that is very strait and very busy, The speed limit is 30mph. most people do 45 or 50 that's why there are so many crashes in Palm Coast.	2/23/2017 12:08 PM
1126	Would love to see city provided internet access. and better control of "light pollution"	2/23/2017 12:08 PM
1127	Keep up the trails Maybe more pickleball courts & instruction classes	2/23/2017 12:07 PM
1128	Unkept rental houses and littering are a VERY bad problem in Palm Coast	2/23/2017 12:07 PM
1129	Palm Coast is becoming over populated.	2/23/2017 12:07 PM
1130	To many different speed limits on major roads	2/23/2017 12:07 PM
1131	Please look at those business in California that are struggling with tax burden and encourage them to relocate here. Particularly if they are technology companies. Get fiber optic cable in town as soon as possible! Enforce the appearance requirements for trash can/recycling bins placement and a/c units. Eliminate the need for those ugly metal city fences along north Belle Terre by grading the land alongside the sidewalks to a gentle slope.	2/23/2017 12:07 PM
1132	City of palm coast is absolutely rediculous with the rules!!! And fines for stupid reasons !!! I would never recommend anyone moving here.	2/23/2017 12:06 PM
1133	Remove the Red Light cameras ASAP	2/23/2017 12:06 PM
1134	Need better traffic control on Woodbury drive	2/23/2017 12:05 PM
1135	I think the biggest thing needed to make Palm Coast better is bringing in strong paying jobs. Palm Coast was originally built for older retirees and people brought their families with them who brought their kids. These are kids now that are adults in the working class and go away to college only to come home to mostly retail jobs that don't pay enough for their qualifications. I like that Palm Coast is clean and has a lot of choices of where to go, but we need to support the working class. There is no reason that a city like Palm Coast can't replicate itself like a city in South Florida. I'm not saying it needs to be Miami, but there are alot of cities from Jupiter down that have both a great quality of life and a very good working class with flouring big business located in their areas. We live in a city that is almost in the middle between big cities like Jacksonville and Orlando and we need to take advantage of that with better job opportunities.	2/23/2017 12:05 PM
1136	I worked until 2011 and had to drive to Orlando for work that paid above minimum wage. After I was laid off I looked for work locally since I was 62 and not up to the drive anymore. I couldn't find anything even using the employment resources provided. I had a couple of short term jobs and finally began pet sitting for friends. The only decent employment locally is in the medical field. My husband had the same issue but was able to find a part time job at Publix 9 yrs ago. He had been an insurance professional in Atlanta for many years.	2/23/2017 12:04 PM
1137	Please address residential lighting on dark, dead end, culdesac streets. We are crime targets! The S section has numerous hanging broken trees from the hurricane on empty lots that are unsafe and untouched. We need tennis courts that are accessible in public parks with lighting and routine upkeep. This is a retirement community without senior citizen activities. Please redirect spending to safety and quality of life for PC residents. The south end of PC have no nearby shopping and everything requires a 5++ mile drive to do anything. I feel like the south end od Palm Ciast is greatly neglected, especially Seminole Woods!	2/23/2017 12:04 PM
1138	Public areas are outstanding, but residential streets are crude. Streetlights and sidewalks should be considered.	2/23/2017 12:03 PM
1139	The parks category is deceiving because it does include the tennis center and our town owned golf course. I believe in funds for the parks not the tennis center and golf course. These places are for a very few of the citizens of this town and should be listed as a separate line item.	2/23/2017 12:03 PM

1140	If the city keeps track with focus on growth and development some day you will look back and wonder what happened to your quiet, peaceful beach, ICW town. Do we really want to be a Daytona on the Low end or Ft. Lauderdale on the high end? I don't but that is where our leaders are taking us.	2/23/2017 12:03 PM
1141	My son and any other young child cannot play in the street or in the neighborhood because of high speed traffic by passing belle terre/US 1 signal. ALL interior neighborhood street NEED to have speed tables installed immediately. This should have been done while being developed since day 1. Please and thank you!	2/23/2017 12:02 PM
1142	Holland Park is a major disappointment. It has been under re-development for over 2 years and is still not complere. Major problem and a black eye for Palm Coast	2/23/2017 12:01 PM
1143	There isn't enough good clothing shops	2/23/2017 12:01 PM
1144	I appreciate the beauty of the city and the ease of getting around. I had been snowbirding for the past few years at my sister's home here and moved here myself last year. I have a beautiful apartment at Palm Coast Landing Senior Living and have made several new friends. Don't miss the cold Ohio winter a bit. I'm a happy camper here at Palm Coast!	2/23/2017 12:00 PM
1145	This city is sorely lacking in funding and support of the arts. PCAF and FCAL are non profits that have such limited funds. PCAF will never, in my lifetime, achieve their goals without more support. This is truly a town with no cultural center or residents who have enough money to donate amounts for a cultural center. Support of the arts is essential for a vibrant community. There are enough parks and walking trails already!!!!	2/23/2017 11:58 AM
1146	senior citizens are not being treated fairly but the City Admlnistration . hopefully some one will take notice and action .Election day is coming .	2/23/2017 11:58 AM
1147	We need more street lights. Police force to be larger. More shopping and retailers.	2/23/2017 11:57 AM
1148	We are spending enough in taxes now. With proper controls, the funding in place should be adequate to continue our way of life here with no tax increases. The City Manager is very overpaid and I see a lot of City employees standing around watching others work.	2/23/2017 11:56 AM
1149	Taxes are high enough. Love Palm Coast..m Need more shopping	2/23/2017 11:56 AM
1150	MORE STREETLIGHTS..... I live on 4 Flag Court and have to pay for my own light, if not it would be unbelievably dark in our neighborhood. Not acceptable. And FPL wanted another security deposit to turn it on after paying them on time for the last 14 years that I have lived in Palm Coast. Crazy!	2/23/2017 11:56 AM
1151	We wish the maintenance of the sidewalk south of state route 100, along Belle Terre Blvd was maintained as well as north of state route 100.	2/23/2017 11:56 AM
1152	Love it here!	2/23/2017 11:54 AM
1153	Cellphone towers need to be improved very hard to even reach emergency services. The street in my neighborhood are very dark a few street lights at the least would be a huge improvement. Regular patrols of neighborhoods would be nice as I rarely see a cop drive down my street and young kids play in the street almost getting hit by vehicles with no parents in sight. A variety of different restaurants would be nice. Dont see a reason why we need multiple publix stores and multiple mcdonalds all within a few miles of each other. be nice to have options and competition with different stores. A chillis and applebees would be nice instead of ruby tuesdays and bob evans. Be nice to see an officer walk some of these parks and rec areas as many time i go there with my kids and they get approached by suspicious people which i need to intervene. Thank you and hope palm coast can improve.	2/23/2017 11:52 AM
1154	I would shop at the Belk store more often if they carried some of the high end merchandise that other Belk's (Jacksonville) carry.	2/23/2017 11:51 AM
1155	keep town safe.no baggers, to drug addicts,more security, police on motorcycles, bicycles, people are driving likes maniacs, this is not NY. more activities where everybody gets together. need better transportation out of this town, to airports, need a train will be great to St augustine, daytona jacksonville, connecting all the towns traffic will be 100%better. all florida needs a train from Jacksonville to Miami. Lord help us. traffic is terrible. from N to S. lots of accidents. very scary to drive	2/23/2017 11:51 AM
1156	We need a full time mayor, not a city manager. The money we save could be used for other services. I would consider more taxes for a transit system like Tampa.	2/23/2017 11:50 AM
1157	I would like to see more streetlights on some of the Sharp turns we have like the street I live on Ryberry Drive	2/23/2017 11:49 AM
1158	Been here almost 3 years,love it and would never go back to south Florida.	2/23/2017 11:48 AM
1159	We need better paying jobs, companies in the area.	2/23/2017 11:48 AM
1160	We need animal control but for non-domestic animals.	2/23/2017 11:46 AM

1161	Palm Coast is a great city. However, it borders on intrusive regarding regulation enforcement. Also, while parks are nice to have, raising taxes to create more parks is not necessary. There are plenty already. Maintain what we have. The city needs to recognize that taxes cannot continuously go up. It discourages new people from buying and encourages current residents to consider alternative locations.	2/23/2017 11:45 AM
1162	I am very unhappy with the community center renovation plan. Where I come from a cummunnity center is a place everyone goes to workout, swim, bowl, etc. A community center should be the place where everyone says they want to go when they are trying to find something to do. It should not be a building for meetings and offices. If we are not going to have that provided by the city then we should allow a YMCA to come in and do the job so our children have somewhere safe to go hang out.	2/23/2017 11:45 AM
1163	I love Palm Coast and the small town feel, but as a high earning professional who is deeply invested in the economy of this town, I would enjoy seeing better job opportunities, more business brought in, and special festivals/programs to create more culture and pride to our town. I am always looking for hires in this area as well and would love to see the next generation stay and pour into local businesses.	2/23/2017 11:45 AM
1164	I enjoy all the city has done to make Palm Coast a beautiful city. Additionally, your efforts have made the city an inviting place for visitors to see and want to move here. Thus, keeping our property values up. Thank you for all of your efforts!	2/23/2017 11:44 AM
1165	Greater trafic control .... Maybe It's time to form a city police dept. People are driving too aggressively and too fast causing too many accidents and fatalities	2/23/2017 11:44 AM
1166	no	2/23/2017 11:44 AM
1167	Sidewalks not swales are needed by homes. To many Speeding and all the walking paths and sidewalks are miles From our homes. Can't even take a stroll around the block Without almost being run down. Reduces quality of life.	2/23/2017 11:43 AM
1168	Why are the streets so dark in the neighborhoods? I believe that if the streets were better lighted then there would be less crime and the areas would be more attractive. It is also very unsafe to walk your dog or even just yourself after dark without the fear of being hit by traffic also due to the fact that there are no sidewalks in the neighborhoods. Also, the timing on the traffic signals in Palm Coast is horrible!!! I moved here just over 2 years ago and overall I really love living in Palm Coast!	2/23/2017 11:42 AM
1169	We are relative newcomers to the area - just moved here end of last year, so still learning about the area.	2/23/2017 11:42 AM
1170	Stop obstacles to develop more businesses	2/23/2017 11:40 AM
1171	The city has many activities available and I have always felt our money was being spent appropriately. As far as traffic goes.....we seem very congested on a regular basis but I can't say it is the fault of any city agency. Palm Coast has become very popular in past 10-20 years. Our sheriff's dept and fire dept. are to be commended for dealing professionally and efficiently to emergencies.	2/23/2017 11:39 AM
1172	Street light at European Village on Palm Harbor changes immediately when someone approaches from the park or village side. Even if they are making a right. It is wasted traffic flow for those on Palm Harbor. The time spent on Holland Park is abhorrent. Should result in job loss whether city manager or other. The town center has been and is now proven to be a boondoggle. You can't shift the city center away from its current location of Palm Coast Pkwy, simply by naming something 'city center' and building a palace to yourselves.	2/23/2017 11:38 AM
1173	None	2/23/2017 11:38 AM
1174	I will definitely move out of Palm Coast due to all the reasons above, what really irritates me is the lack of street lights in my neighborhood and how pathetic your code division is, especially in the U section where I live....	2/23/2017 11:38 AM
1175	yes, i was cited for a garbage can on my driveway approximately 3 years ago. now i see garbage cans all the time in view. has your enforcement changed ?	2/23/2017 11:37 AM
1176	We chose to leave Palm Coast because of the government. Palm coast is a gigantic HOA and is an extraordinarily comfortable prison.	2/23/2017 11:37 AM
1177	Quit spending money on Median re-do's. Spend money with companies that are in your county, pay taxes here, support families here and other local companies here instead of outsourcing for the same price.....as in commercial outdoor furniture.	2/23/2017 11:37 AM
1178	We love Palm Coast. Remove from Orlando and retired here. Much improved quality of life here vs. There	2/23/2017 11:36 AM
1179	Coming out of the military, we chose to live here because of its appeal to healthy living, proximity to 'everything,' and the cleanliness. The growing number of homeless people panhandling is not favorable & perhaps nods to the need for programming to reduce this growth.	2/23/2017 11:36 AM

1180	I don't know if we should be additionally taxed, but maybe the tax structure currently in place should be examined. Where are all of the current tax dollars going that all of the issues mentioned (which should currently be funded by tax dollars) require an increase in taxes? Prices at Publix and grocery stores are outrageous, gas is more expensive than in any neighboring town, taxes are paid on every purchase. Utilities are not cheap at least 200 a month for water and electric for a family of 4 with 2 young children. My family just moved to Palm Coast and we are really disappointed. Car accidents around every corner, many careless drivers and no cameras at intersections? Also, when on Palm Coast Parkway, the lights seems to catch you every single time, one after the next, in some cases doubling the time it should take to pass through.	2/23/2017 11:35 AM
1181	We need more lighting in residential areas and we definitely need side walks!!!!	2/23/2017 11:35 AM
1182	The zoning and re-zoning of schools is an ongoing problem. There needs to be a better process for what schools our children can attend.	2/23/2017 11:34 AM
1183	The City of Palm Coast has too many chiefs and not enough indians and does not plan accordingly. Do love the landscaping in and around town though.	2/23/2017 11:34 AM
1184	Attracting high paying jobs in internet/computer technology, clean energy (like solar panels) manufacturing and good healthcare facilities. (Unfortunately, our local hospital has a poor record and reputation. Many people I know seek hospital care and medical treatment in another county)	2/23/2017 11:34 AM
1185	Would love to see mandatory maintenance of vacant lots in neighborhoods. It would help prevent spread of fires and trees down on homes and cars during storms.	2/23/2017 11:34 AM
1186	For some people in this community, medical marijuana is a necessity and it was passed in the state of Florida in the Nov. election. WHO ARE YOU TO PUT A MORATORIUM ON IT IN THIS COMMUNITY? You cannot supersede State Law.	2/23/2017 11:34 AM
1187	I came here because I love my wife who wanted to live here. So I make the best of it. So is this survey colored. More than city offerings I do take more advantage of Flagler County facilities, State Parks, church offerings as well as Palm Coast Arts Foundation. And the proximity to the Ocean makes living here tolerable; I surf again. For music we go to Jax Symphony and Peabody. Restaurants in PC are fair and for that reason we head up to St. Augustine often. Medical care in PC is more than adequate. Living here is financially much less expensive than up North.	2/23/2017 11:33 AM
1188	Cut your paycheck to start with. Stop spending money on foolish things. Bring in more businesses that pay according to the cost of living. You want to make Palm Coast as a retirement community...STOP.	2/23/2017 11:32 AM
1189	have traffic lights better timed and enforce traffic laws	2/23/2017 11:31 AM
1190	It would seem an aggressive business development program - especially as relates to the many vacancies in Town Center - would be of significant benefit. A program of providing prospective tenants with low interest loans, 6-month rent-free leasing, and business start-up education and SCORE assistance, should be seriously undertaken.	2/23/2017 11:31 AM
1191	How about preventive maintenance year round so the next time a hurricane hits we all will not be without power. Why do the gas stations near 95 and 100 always have the highest prices in Flagler and Volutia counties ???	2/23/2017 11:31 AM
1192	Code enforcement for parking in the grass of your own home is ridiculous.	2/23/2017 11:30 AM
1193	more streetlights and sidewalks would be helpful. should be a requirement on new subdivisions. Make the shopping centers more visible in the lots and from the streets, ie foliage overgrowth. ADD a real Town Center, like St. Johns Towne Center. Driving an hour to go to dinner in another city using the superfast highways is not enjoyable.	2/23/2017 11:30 AM
1194	I don't understand why PC keeps tearing up the medians and redoing them when we desperately need street lights. When it gets dark you can't see anything once you turn off a main road, especially the curvy ones.	2/23/2017 11:28 AM
1195	Why have rules if they are not enforced? Neighborhood clean up days ,to encourage people to keep their neighborhoods clean would be good.	2/23/2017 11:28 AM
1196	I don't need to go to parks or trails because we have them all at the Tidelands Condo which is where we live.	2/23/2017 11:27 AM
1197	Increasing taxes is not the answer. Rearranging and/or better managing existing funds is.	2/23/2017 11:27 AM
1198	Fruits and vegetables at the Flagler market, seem so much higher priced, that going to the store! Need more fresh fruit and vegetable markets, that are fair priced!	2/23/2017 11:27 AM
1199	We are happy in Palm Coast. Thea area is beautiful, well maintained, we enjoy the bike paths.	2/23/2017 11:27 AM
1200	Needs street lights. Neighborhood to dark	2/23/2017 11:26 AM
1201	More sidewalks	2/23/2017 11:26 AM

1202	Before we raise taxes in Flagler County, we need to get our community back to where it was. To enforce existing laws in Palm Coast. It is okay for some to park on their front lawn, but the house next door will get a notice about grass not being cut. I think these home owners who rent, should present to each and every tenant, the rules and regulations of living in Palm Coast. The same goes for Property Managers. As long as these investors pay their property taxes, all is good, but the neighbors have to deal with the loud music, cars parked in driveways that are not registered (thought that was not permitted), cars in and out all hours of the day. This is not the same city I moved to in 2003, which is the common stance most owners in Palm Coast feel.	2/23/2017 11:26 AM
1203	Need senior discount and discount for conservation of water also having to pay standard monthly fee when no water sewer or garbage service is used for a six month period, a reduced rate should apply	2/23/2017 11:25 AM
1204	Raising taxes is not the option - re-evaluating HOW our current money is being used is the direction to go. For example - instead benches and garbage cans every 1/4 mile it seems on many roads now - you could have done something for our youth! Also, by allowing business to come into Palm Coast, you will increase the City revenue to pay for this! JOBS = Revenue. I hear over and over how business do NOT want to come to Palm Coast because of our City Bureaucracy and how difficult we make it. I think we need young minds in office who WANT Palm Coast to thrive. If you want to keep it a sleeper town, then keep doing what your doing. Perhaps that is the goal of those who make it difficult for us thrive as a community.	2/23/2017 11:25 AM
1205	a completion of the bike trails linking old kings road and lakeview drive	2/23/2017 11:24 AM
1206	If your going to take a survey. Don't make it about parks.	2/23/2017 11:24 AM
1207	Homeowners need to keep up the outside appearance of their homes. When PC was owned by ITT everyone had to have landscaping and keep up lawn care. You see many homes with no trees or bushes, with stuff all around and dead lawns. It brings down all of our home values.	2/23/2017 11:23 AM
1208	Palm Coast is a unique community still in early growth stages with regard to shopping and services. The pace of growth is reasonable and will make Palm Coast a very desirable home destination. The building quality of homes is poor compared to other homes we have owned.	2/23/2017 11:23 AM
1209	Very much like living in Palm Coast, a hidden gem!	2/23/2017 11:22 AM
1210	Poeple speed on my street. It's not safe. There are children that play in the street. Something needs to be done to slow poeple down. Before something happens	2/23/2017 11:21 AM
1211	Please add sidewalks to the North side of Oak Trails Blvd, speed bumps and additional street lights all the way down Oak Trail to the Graham Swamp Trail head. Several drivers in this area use Oak Trails as a speedway. Speed bumps will help. Please trim all the trees and shrubs that the city planted on the parkways. Over planting has caused the parkways to look terrible on Oak Trails Blvd. All the trees and shrubs are pushing up against fences causing damage. Cut them down or back. Our tax money is to be used to maintain our parkways for more than garbage pick up and grass cutting. Get some people who are giving time to do public service to rake and clean the parkways. Put resources back into the Woodlands vs. Belle Terre, etc. Fix the infrastructure in the Woodlands i.e., water pipes etc. Add this as a line item to the budget doing sections each year. We have had 2 breaks in the main line in less than 9 months. Have FPL fix the 5 street lights on Oak Trail that have been out since the last hurricane. Thank you to the person who keeps all the garbage off our parkways. Thank you to the Sheriff Dept for doing an amazing job. Thank you to the team that fixed both main water pipe breaks on our roadway. Thank you too everyone that works for the city. All your hard work is appreciated.	2/23/2017 11:21 AM
1212	We love living in Florida and this town is still relatively small and easy to get around. We'd love to keep it that way!	2/23/2017 11:21 AM
1213	Fiscal Prudence Priority #1 The time to conserve is BEFORE the needle reaches 1/4.	2/23/2017 11:19 AM
1214	I settled here because of its proximity to St. Augustine without the traffic volume and its proximity to Daytona without the crime, immigrants and loud nightlife.	2/23/2017 11:19 AM
1215	City has too many layers of government. Has too many employees. Is too quick to spend large sums of money. Spending over 7 million on an upgrade to the community center that not many people use. I thought the addition to City Hall that HAD to be built was to take care of this, or is it just City Council wants to see their name on a bronze plaque. I can not wait to sell my house and move out of Palm Coast. Too many Bureaucrats and wanna bees.	2/23/2017 11:18 AM
1216	Do away with red light cameras	2/23/2017 11:17 AM
1217	Please join us in the 21st century and add better cell phone coverage. There is so much land in Palm coast that a cell phone tower could be installed. And I can guarantee that no one gives a [redacted] about what the skyline looks like as long as their phone works in their own home (unlike mine, have to pay extra to ATT to get a personal cell phone tower installed, and I'm out of luck if my internet goes out seeing as that's how it's powered). There are 90k people in flagler county, the cell service in this area should be adjusted accordingly.	2/23/2017 11:16 AM
1218	I wish the job market was better so I could work in town. I also wish there was a night life for young couples (24-34) Andre to do in a daily basis for young families with children	2/23/2017 11:16 AM

1219	You Lready. Barge enough tax. Cut some expenses like planting all the trees and shrubs	2/23/2017 11:16 AM
1220	Yes. When U approved the construction of the Tractor Supply Bldg complex, why did you not include a right turn lane at the No. bound lane of the SR 100/ Belle Terre intersection ???	2/23/2017 11:16 AM
1221	I love the fact that emergency personnel can control the traffic signals. This is the first city I've lived in that had that. I work in Jax and it is a nightmare when you're stuck in traffic and an emergency vehicle is trying to get through a traffic signal any time of day.	2/23/2017 11:15 AM
1222	The unfinished redevelopment and construction of Holland Park is a blight and an embarrassment to the city. The inability to complete this project makes me wonder about the usefulness and capabilities of the city council members.	2/23/2017 11:14 AM
1223	Ease up on the traffic cameras. Unless it is a blatant disregard such as running the light after it is red. Turning right in close proximity to the change, as long as it was hasnt been red more than a few seconds seems counterproductive to the flow of traffic. If turning right on red without a complete stop is such a problem law enforcement should be intermittently assigned to problem intersections. Can the continued use of the camera system be justified by statistics showing that there were accidents at the locations prior to installation and that after the systems were in place accidents declined? I believe this is looked upon as a source of revenue more than preventative traffic enforcement. It even falls short as a revenue source since the majority of the funds go out of state to the company that installed and operates the system.	2/23/2017 11:13 AM
1224	The water bills are out of control....The product is metered and I don't know how the city gets away with charging for utilities when they are not in use. I leave for 4 months and still pay the minimum even with water shut off! How can you charge for utilities not used? Does FPL charge when the power is turned off???	2/23/2017 11:12 AM
1225	Dog parks should receive more attention. The City should do more to help the Flagler Humane Society. Outside of that, the community is very nice.	2/23/2017 11:12 AM
1226	1. I have not seen a Sherriff car in my area despite several types of vandalism. In fact it has been months since a deputy even drove through the neighborhood. As we are in the north west section, evidently we are forgotten even though Palm Coast pay several million dollars for extra dedicated patrols! 2. Bud Hollow Drive has become in International Speedway and the Sherrif's dept does nothing. As mentiioned they are rarely here. We need a speed monitoring device, to show drivers how fast they are going. Without exaggeration some drives hit speeds in excess of 60mph. 3. It has been mentioned that the City contracted with a traffic light specialist co. to evaluate the city and put in an automated traffic light adjustment system. Nothing has been done. 4. Code enforcement. Although employees are courteous the strict codes that we have have caused several business's to pull out of Palm Coast, or not even attempt to locate here as our reputation is well known (see Bed and Bath. Surely more work can be done to attack and accommodate businesses which we sorely need.	2/23/2017 11:12 AM
1227	We have had difficulties with our swell in front of our house. The city has had to dig up parts of our driveway twice. Still no relief when lots of rain. My husband has told the engineer what the problems are and what needs to be done, but to no avail.	2/23/2017 11:11 AM
1228	Palm Coast is a horrible place to live. put in some sidewalks and street lights for people. lack of lighting encourages break ins.	2/23/2017 11:10 AM
1229	I believe I was sent this survey in error. Our drinking water is provided by Palm Coast, but our house is not in Palm Coast. During hurricane Matthew, we were VERY pleased that the water supply was not interrupted. We would prefer that the water was fluoridated.	2/23/2017 11:10 AM
1230	I'm noticing more trash along the roadways as I walk/bike and it's unsightly. The crime in this area is getting out of hand and that will be a major contributing factor in our decision whether to purchase a home here in Palm Coast or elsewhere. I know many people who have decided to leave Palm Coast, because they no longer feel safe here. I believe that safety for our community needs to be your number one priority. If people don't feel safe, then all of the pretty parks, palm trees and landscaping in the world won't keep the good, law abiding residents here.	2/23/2017 11:10 AM
1231	Palm Coast, is a nice place to live, lets get more stores, and get the town center build up and make it a great place to live for our young generation to live here too not just retires.	2/23/2017 11:10 AM
1232	New to area	2/23/2017 11:09 AM
1233	I was very disappointed to hear that Best Buy sold their land due to the city trying to force them to provide oil changes in their car stereo installation garages. We can use a big box electronics retail like Best Buy or HHGregg	2/23/2017 11:09 AM
1234	I would like to see a few more choices of eating establishments in south Palm Coast. Also, nature/wooded/hiking trail(s) in south Palm Coast.	2/23/2017 11:09 AM
1235	The traffic flow, esp. on major arteries, and the multitude of UNTIMED stoplights, will likely cause me to move. I HATE the difficulty of getting around in our beautiful city. It truly impacts the quality of life here.	2/23/2017 11:08 AM
1236	Our streets without sidewalks are totally unsafe for pedestrians and bicycle traffic.	2/23/2017 11:08 AM

1237	Increase the number of cell towers allowed so we can decent cellular coverage	2/23/2017 11:08 AM
1238	Slow down the traffic on Belle Terre	2/23/2017 11:07 AM
1239	No. Stop over regulating residents and the improvements on their homes, get rid of your permit dept. lower taxes, stop speeders, stop teen crime.	2/23/2017 11:07 AM
1240	Impose litter fines and more street cleanup needed. More street litter cleanup.Some folks are slobs and it detracts from the otherwise nice appearance.. Public transportation at reasonable cost for all citizens.	2/23/2017 11:07 AM
1241	when we moved here in 1985, the people were friendly and helpful. Those coming lately could care less.	2/23/2017 11:07 AM
1242	Why is the south side of Belle Terre (from PC Pkwy) treated worse.	2/23/2017 11:06 AM
1243	The charges for water are preposterous! I've never paid so much for a gallon of water in my life!	2/23/2017 11:06 AM
1244	I would to see more street lights in communities, as I have paid for street light in for over 20 years, I think by this time the city should start paying for that	2/23/2017 11:06 AM
1245	Public Transportation,	2/23/2017 11:06 AM
1246	Dogs run loose, mess in the streets, Neighbors do not trims bushes, afraid to work in yard because dogs run loose.	2/23/2017 11:06 AM
1247	Palm Coast is a nice community with the exception of some of the trash people that are living in certain areas. Mostly in rentals that the city needs to get cleaned up.	2/23/2017 11:05 AM
1248	seniors must depart Palm Coast due lack of senior housing opportunities	2/23/2017 11:05 AM
1249	Better understanding and Sop of what Deputies and police officers are in titled to when hurt and permanently receive injuries in the line of duty. What are there benefits and entitlements. It should be in writing and should not be such a guessing game.	2/23/2017 11:05 AM
1250	great place to live	2/23/2017 11:04 AM
1251	The city needs to provide job opportunities and more cultural activities to serve young and old alike.	2/23/2017 11:04 AM
1252	I would like to see exercise stations along trails similar to those at Wickline Park. We are affected by the flight training at Flagler Airport. There are times when planes are buzzing our area for hours at a time and those passes recur every 2 - 3 minutes. Watching t.v. or holding a conversation are just about impossible.	2/23/2017 11:04 AM
1253	City makes it very difficult for me as a business owner to start new businesses and develop new properties.	2/23/2017 11:03 AM
1254	Need more jobs!	2/23/2017 11:03 AM
1255	It would be great to have sidewalks on the main roads in the residential areas so that people walking don't have to walk on the grass.	2/23/2017 11:03 AM
1256	I'm a handicapped senior citizen and don't get out much. I hope my answers are helpful for other seniors.	2/23/2017 11:03 AM
1257	Why do you repair city sidewalks then let utility trucks drive on them and brake them and repair them again? over and over!	2/23/2017 11:03 AM
1258	We recently moved to Palm Coast from Fort Myers area. We love it here and have found the city services, streets and roads, shopping, and general living conditions to be EXCELLENT!!!!!	2/23/2017 11:03 AM
1259	Please support improvements to Flagler Beach.	2/23/2017 11:03 AM
1260	Yes, I noticed this city does not utilize traffic light weight plates. Lights change whether someone is waiting or not. It is absolutely ridiculous!!! Please get on board with the rest of the world. Why would a traffic light change for absolutely no reason? If there is no car waiting, then the light should never change. This is a classic, no car waiting to make a left turn, but please let's hold up traffic for no one to be making the left. Why waste so much of our time? Burning gas, causing emissions and wasting time. Not the way to go...	2/23/2017 11:03 AM
1261	Keep adding paved bike paths. I would like to see a paved path connecting Graham Swamp Trail and the Lehigh Trail on Old Kings Road.	2/23/2017 11:02 AM
1262	We really do need Street lights and sidewalks on the streets - even if only on one side of the streets. Street lights are SOooo needed!!	2/23/2017 11:01 AM
1263	Clean up the canals and make them deeper so that people with sailboats can actually move their boats around the canals. It's terrible to see sailboats tilted over because the city has done other to maintain canal depth. This will also encourage sea life to be more prevalent and heathy. It's really a tragedy to see how Palm Coast has neglected the canal system.	2/23/2017 11:01 AM

1264	The City of Palm Coast Code Enforcement is way too strict and makes it harder for people to enjoy their homes and quality of life. Please reconsider your choice to not allow boats or RVs in the driveway. Please also consider adding fun things to the city, like more sidewalks, community classes, backyard chickens, etc anything to make living here more appealing to someone who is young and bored.	2/23/2017 11:00 AM
1265	I would like to see more social places for seniors, also more exclusive shopping besides Walmart , target, more like stein mart, Dillard's, etc.	2/23/2017 11:00 AM
1266	The major roadways are taken care of very well! They look great! But once you drive into neighborhoods, they appear trashy due to trash everywhere!! Please provide industrial garbage cans for your residents so that we can try to eliminate this eye sore. If Bunnell can provide garbage cans, I know Palm Coast can!	2/23/2017 11:00 AM
1267	eliminate some of the HOA type laws. Do away with traffic light cameras.	2/23/2017 11:00 AM
1268	put a roof top restaurant on top the office buildings in the town center park so my wife and I can watch the sunset and enjoy a good meal :)	2/23/2017 10:59 AM
1269	need street lights and sidewalks badly	2/23/2017 10:59 AM
1270	Just keep doing what you're doing...which is sufficient.	2/23/2017 10:59 AM
1271	city has done a nice job in all endeavers	2/23/2017 10:58 AM
1272	We can grow Palm Coast without losing our small town feel. People are moving here yet you still have to provide them things to do a reason to keep them here.	2/23/2017 10:58 AM
1273	More activities and places for children and teens to go to and do is much needed	2/23/2017 10:57 AM
1274	My main complaint since moving to Palm Coast last August is the quality of the water supply here. Considering the cost of our water bill, we should be able to drink our tap water. Hardly ever is this reasonable to do.	2/23/2017 10:57 AM
1275	I anticipated a strong social life when we moved here. The lack of an active senior center is a huge disappointment. My husband is not social so ethnic and special member clubs don't work for me. I'm pretty bored here. Additionally, Epic Theatres is a disgrace to this city! The seats are so bad we brings towels to sit on and some are missing arms and even covered with bags! Awful	2/23/2017 10:57 AM
1276	Bring more eateries (other than fast food) encourage more business to come to Palm Coast, encourage more retail ie: Big Lots, Bed Bath Beyond, Christmas Tree Shop and That! etc. Very glad to see Aldi and Gate joining TSC.	2/23/2017 10:57 AM
1277	Palm Coast often mentions the fact that there are many ponds and water features where you can fish, but many of these places have no place for cars to park close by. For elderly residents loke me, this renders these opportunities unavailable... I use a cane for stability and do not have enough hands to carry fishing gear, cane, a cooler perhaps, and do so while riding a bicycle to a fishing spot, therefore I cannot use these places.	2/23/2017 10:57 AM
1278	More classes and lectures like citizens academy. Quality programs for kids. Camps that are in place now are just daycare with a theme. There are plenty of those in the city. Do something valuable. Programming camp or classes, woodshop, garden/agriculture, music, art, cooking? Maintain tennis courts, they are always full. Tennis center is too expensive for 99 percent of our people. If you want to do something for sinors, how about making them feel useful. I bet there are tons of retired professionals who can teach kids. High school girls cannot handle kids and have nothing valuable to offer. Again, stop with useless daycare camps. This is not city's responsibility. Even when they sound good on paper, like CSI Camp, they are poorly executed. I would fire whoever is in charge of those programs now. Good luck.	2/23/2017 10:57 AM
1279	It is a disgrace that Holland Park is 1 year behind schedule and no completion date in sight. The City has even stopped reporting about it in the local paper. The City needs to stop supporting Palm Harbor Golf Club and let it survive or fail on its own. It was not set up originally to be City supported. It is time for Jim Landon to leave. He has stayed too long. Keep taxes low. High taxes will drive away people and prevent new people from coming here. Stop spending taxpayer money like it is free.	2/23/2017 10:56 AM
1280	We need a review of the city charter	2/23/2017 10:56 AM
1281	You already get more than enough tax income but you waste it on nonsense instead of vital programs and economic development (not more retail) for the community.	2/23/2017 10:55 AM
1282	The city used to have someone clean up a greenbelt area behind our home..not doing anymore for a few years. The brush and vines are invading our property and it is quite costly to hire someone to trim along the edge of the property. The vines are choking the trees and it is just a haven for snakes and animals.	2/23/2017 10:55 AM
1283	We need better Cell service during emergencies.	2/23/2017 10:55 AM
1284	Matanzas Woods Parkway is the only cross street on US 1 that does not have a neighborhood sign nor a lighted street sign. Drive up from Daytona Beach sometime. We are second class citizens.	2/23/2017 10:54 AM

1285	Streets are too dark, need more streetlights. Don't think we should be charged for two trash pick ups a week if we only use it once.	2/23/2017 10:54 AM
1286	There's a lot of trash throughout Palm Coast. Need some effort put into educating people not to litter and organize citizen cleanup. Maybe have groups adopt a street to keep litter picked up.	2/23/2017 10:54 AM
1287	Section 8 housing is bad for the city it allows people to move here that couldn't afford to buy a house here. I have rental property here and I will not rent to section 8 because if you get free rent you don't care about your house or your neighborhood and thats bad for everyone who owns a house here.	2/23/2017 10:54 AM
1288	So much...15 year resident here, we've seen so much change. Good things! Love the trail and park network, very important, thank you! As someone who commutes to Jax everyday to work, thank you for protecting our quality of life in Palm Coast. Thank you for sign/setback/landscape and other standards so our City isn't a cluttered mess. (I know you take a beating on those things sometimes but it is so important!) Would love to see additional baseball and softball fields in the City. Especially another softball field or 2 or 3...the 1 at ITSC is just not enough for all those softball girls! But we do get lots of compliments from visiting teams/leagues on the condition of our facility so thank you for the facilities that we do have.	2/23/2017 10:54 AM
1289	The more things people want the more taxes go up. We have ample parks and trails. Landscape maintenance is high. STOP. Tourist bring money into businesses but also brings crime. We liked Palm Coast when it was a nice quiet city with fewer people and MUCH LESS traffic.	2/23/2017 10:54 AM
1290	I'm seeing more and more transients in town, practically on every street corner. It really deters from the beauty and safe-feeling of Palm Coast.	2/23/2017 10:53 AM
1291	I think the city fathers have done a great job of maintaining and improving Palm Coast	2/23/2017 10:53 AM
1292	When is the dog park going to open???? It's been two years already. come on	2/23/2017 10:53 AM
1293	The area I live in has no city parks, recreation, sidewalks, bike paths, etc. This area Matansas Woods has been completely neglected by Palm Coast	2/23/2017 10:53 AM
1294	Please bring in more industry to Palm Cost. You will get better people and have higher paying jobs. Not another bank, restaurant, or dollar store. We need real businesses that offer high paying technology positions or a large manufacturing plant that can provide all levels of compensation. Do what is right for all that live here, not the senior crowd that are the only ones who have time to go to all of these meetings.	2/23/2017 10:53 AM
1295	I disagree with the use of cameras at traffic lights.	2/23/2017 10:53 AM
1296	City website for shed requirements, etc. is outdated. I have been trying to get info and procedure for a shed but it is difficult. Much more difficult than most cites. Set backs should be 5 feet from all lines as property is expensive and more than 5 feet becomes a waste.	2/23/2017 10:53 AM
1297	In the past year people have tried to scam me for money 3x in Publix parking lot on Belle Terre at Palm Coast Pkwy. This was in daylight,	2/23/2017 10:53 AM
1298	I think you are doing a wonderful job. You were so fast with the hurricane damage. I just wish you could make Pine Lakes Golf course clean up the debire behind the houses. I live on the 4th fairway , its a mess.	2/23/2017 10:52 AM
1299	Please bring back continuing ed.	2/23/2017 10:52 AM
1300	Traffic speeds are extreme certain times of the day on Belle Terre and Palm Coast Pkwy. Some people think they're on a race track. The use of direction signals while driving motor vehicles should be enforced.	2/23/2017 10:52 AM
1301	Ease up on Code enforcement. If people own and rent they should be allowed to keep their possessions at their home provided it looks ok.	2/23/2017 10:52 AM
1302	Please keep Palm Coast naturally beautiful as it is now ..No future strip malls and commercial buildings on Palm Coast Parkway.	2/23/2017 10:51 AM
1303	I oppose higher taxes as I feel the money PC receives now is misappropriated. The medians that look perfectly fine being ripped out and replaced over and over is wasteful. I often wonder if the contractor is "in bed" with the city. Those monies should be used for the street lights and sidewalks. Too many have died for lack of those items and they should take precedence. The crime is out of control in this town as well. Street lights and cameras <~~you have them on stop lights why can't they be in neighborhoods) would help prevent the mischievous crimes that are occurring daily. I truly feel the city of Palm Coast doesn't have it's priorities straight.	2/23/2017 10:51 AM
1304	I would like to see more pedestrian walkways and sidewalks built in the city before I see ANY more money being spent on beautifying the medians on city thoroughfares.	2/23/2017 10:51 AM
1305	There is something special about this city. I feel the amenities we have are what makes it so special... golf course, parks, trails, and community center. I would like to see a Costco or other similar store in Palm Coast - I have to drive about an hour to get to one and I go at least once a month.	2/23/2017 10:51 AM

1306	You need to look at the entrance and overall design of traffic in and out of the new shops at Palm Harbor. Absolutely horrible design and makes no sense	2/23/2017 10:51 AM
1307	We are no longer a retirement community, we need strong economic development to secure our future!	2/23/2017 10:50 AM
1308	I work remote. There was no section for working for a company outside of Florida. Moved here from Michigan and the one thing that is shocking is how young people walk around and you can tell they are clearly on drugs. Also I do not understand why people drive so impatient when you live here. I can imagine if you were in a stressful city.	2/23/2017 10:50 AM
1309	Code enforcement not consistently following criteria - empty lots/properties with trash and yards not maintained, excessive vehicles in swale, side yards.	2/23/2017 10:50 AM
1310	I would like to see a aquatic facility in the northeast area suited for seniors. It is very benificial to our community to maintain healthy citizens. We walk and ride bikes but as we get older we need low impact. Plus it will be a place to socialize. Thank You!	2/23/2017 10:50 AM
1311	Deputies are overly aggressive in speed limit enforcement. They should be patrolling for vandals, burglars, drugs. City water cost is outrageous.	2/23/2017 10:49 AM
1312	Palm Coast is a sleepy retirement community. The lack of street lights is shocking. Old people can't see at night and it is worse for them when there are no street lights. As a professional I would have to commute to work. I used to commute to Jacksonville but it became too much to handle and I quit. Getting from the E section to Palm coast parkway should take five minutes. It takes ten due to EVERY stop light being red. It is extremely frustrating. There is also a lack of quality stores and cellular coverage. This is a frustrating city to live in for someone who is active and not elderly.	2/23/2017 10:49 AM
1313	It is ridiculous to spend money the city does not have. make a plan to pay for things with the money already collected and stop wasting just to be doing something	2/23/2017 10:48 AM
1314	Uncontrolled growth, for the sake of a larger tax base only results in quality of life decreases. Resulting in less growth and eventual an economically suppressed town. Slow growth over time is better.	2/23/2017 10:48 AM
1315	I enjoy our town, love my neighbors, but think more could be spent on seniors and teens, and maybe a little less on plants and trees. And we need to keep an eye on the pine trees, especially, since they are the ones that interrupt our power and damage our homes during storms. I believe we could eliminate a whole lot of these trees for property safety.	2/23/2017 10:48 AM
1316	I really like living here. I'd like to see a stronger crack down on the crime in this area. Also, I feel that city planners are cutting down way too many trees for really unnecessary stuff. Do we need that many Walgreens and CVS stores? It just seems like a lot of wasted space. I'd like to see more trees being planted rather than being cut down.	2/23/2017 10:48 AM
1317	Spectrum provider needs to improve system	2/23/2017 10:47 AM
1318	Palm Coast is a great plate to live and, with some creativity, it could be a great place for people to work too. I've been here 5 years now and, while I've seen the city take some positive steps there is work yet to be done. We need FEWER dollar stores, please not a single one more. Incentivize large businesses putting satellite offices in town. We have a large population of educated and talented folks traveling to Jacksonville and Orlando every day and that really needs to stop. Also, the P section is plagued with issues that threaten to spread into the rest of Palm Coast. Enforcement needs to step up and come down on offenses but that is only part of the equation. Providing after school programs, youth programs, and quality jobs is the way that the problems can truly be combatted. It would be great idea to have town meetings in the evening so that the working population can attend. It might also be a great idea to put together an executive council with some of the top business minds in the area to see how to attract business and grow the community. I know that I, along with several friends and associates, would welcome that as a way to elevate Palm Coast from a retirement community to a full-fledged growth and quality of life center.	2/23/2017 10:47 AM
1319	Something about aggressive drivers should be done. Synchronize traffic lights on Palm Coast Parkway. Make it easier for business's to deal with the building department.	2/23/2017 10:47 AM
1320	Would like to see more employment opportunities other than retail. For people with college degrees, there are absolutely no jobs available. Would like to see the city to stop growing in size as it would bring more people, more traffic, more crime. Additional cell towers would be nice to have as the cellphone reception is almost non-existent in some places around town.	2/23/2017 10:46 AM
1321	your survey double checks some questions	2/23/2017 10:46 AM
1322	In the past few years we noticed a great deal of litter on the streets and neighborhoods diminishing the beauty of the City. Can the City enforce a no litter rule, place more trash cans and/or signs in the City to put people on notice?	2/23/2017 10:46 AM
1323	needed are more street lights and traffic signals must be timed and they are not, law enforcement needs to obey the speed limit	2/23/2017 10:45 AM

1324	The current level of regulations and fees that are assessed in Palm Coast must be reduced. It is onerous on the average citizen and a barrier to economic development.	2/23/2017 10:45 AM
1325	There is NO street light around our streets. YOU TOOK THEM ALL OUT ON OUR STREET. There is NOlight a the beginning of our streets.	2/23/2017 10:45 AM
1326	Some of the questions did not provide good choices. They go from "a month" to "over 12 months". No in-between. Also, we need public transit in this city. Please provide regularly scheduled buses for people to get around. And we need more lights at night. Hard to drive at night.	2/23/2017 10:44 AM
1327	I would also like to see more side walks added on the minor streets as people don't understand how to drive when there are pedestrians walking on the side of the road.	2/23/2017 10:44 AM
1328	Spending way too much money on the Community Center improvements AND there's still nothing for Senior Citizens. It's a disgrace.	2/23/2017 10:44 AM
1329	We need local contractor for local city jobs. 4 plus million Holland Park, 8 million to rebuild community center. Too much tax money leaving county while we have good people unemployed. High priced city manager should be watching our budget not increasing it.	2/23/2017 10:44 AM
1330	It is a beautiful community...let's keep it that way! Please do not change the screening barrier easements from the road! We love the trees screening! That is one of the beauties of Palm Coast.	2/23/2017 10:44 AM
1331	Streetlights	2/23/2017 10:44 AM
1332	No	2/23/2017 10:44 AM
1333	We need better restaurants (not more fast food and roadhouses) and better stores... like Chico's and Pottery Barn Harris Teeter.	2/23/2017 10:44 AM
1334	Don't listen to the vocal minority. They DO NOT represent the majority of us in Palm Coast	2/23/2017 10:43 AM
1335	We need to bring more retail & Major chain Resturants OTHER THEN FAST FOOD	2/23/2017 10:43 AM
1336	We moved here 6 months ago and for the most part we love living here. During the course of looking for a house to buy we were surprised that some neighborhoods are not being kept up very well which hurts property values of the whole neighborhood.	2/23/2017 10:43 AM
1337	The city is allowing too much expansion. It is not the nice little town it once was although it remains quite nice.	2/23/2017 10:42 AM
1338	The smell from the treatment plant in Toscana/Hidden Lakes is terrible.	2/23/2017 10:42 AM
1339	It is important to keep your residents spending in Palm Coast .... give more shopping and activities,, entertainment etc	2/23/2017 10:42 AM
1340	I have been here awhile, and still can't find things. When you advertise a program or event you give the name to the place such as(princess preserve, the different shopping centers, town center???) but never tell or show where that is. Maybe a newcomers map to show were all the parks are, places of interest. Paper map not something on the computer.	2/23/2017 10:42 AM
1341	You should add some college and or associates degree. There is a lot of wasted money in this town, especially on it's politicians.	2/23/2017 10:41 AM
1342	Water needs to be cheap like St. Augustine.	2/23/2017 10:40 AM
1343	Intersection of us 1 and Matanzas woods needs a traffic light	2/23/2017 10:40 AM
1344	I love it here....very few complaints!	2/23/2017 10:40 AM
1345	Traffic on Belle Terre is way to fast and loud!!!	2/23/2017 10:40 AM
1346	Bookstore replaced by makeup... seriously...?	2/23/2017 10:39 AM
1347	I would like to see greater representation of our younger population.	2/23/2017 10:39 AM
1348	Lower water bill for reclaimed water for lawns	2/23/2017 10:39 AM
1349	We need a senior center.	2/23/2017 10:39 AM
1350	I love living on the ocean here. It is a little crazy since Matthew ...there has to be something done about being protected from the ocean we lost the dunes due to the storm.	2/23/2017 10:39 AM
1351	We live in Cypress Knolls. There certainly isn't enough street lights in this subdivision. We have had FPL install our own sercurity light on a pole which we have to pay for each month but it benefits 4 of our neighbors but you don't see them chipping in for the monthly expense. More streetlights would cut down on crime. I believe we pay ample taxes that some of this could go toward more street lights in subdivisions.	2/23/2017 10:39 AM

1352	Far too much speeding. We need more law enforcement officials.	2/23/2017 10:38 AM
1353	We live on a dirt road and the county will not take care of it. The hurricane destroyed the road. It would be nice for the county and city to work together to at least provide some gravel for the road.	2/23/2017 10:38 AM
1354	Florida as a whole is a 3rd world State. There are the have's and Have Not's. You are either being served or doing the serving. No real opportunities around her for good pay jobs or advancement of one self professionally unless you are in Medicine or a Lawyer!	2/23/2017 10:38 AM
1355	forgot to add poor coordination with county that has delayed the installation of a cell tower	2/23/2017 10:37 AM
1356	We love Palm Coast!	2/23/2017 10:36 AM
1357	Keep up the good work!	2/23/2017 10:36 AM
1358	Palm Coast is for retired people who don't want to do much except go out to eat or sit at the beach. I wish I had spent more time looking for a house... I would rather have purchased a home in Ormond Beach or St. Augustine. Most likely will be selling my home within a few years. Not a place where I want to end up.	2/23/2017 10:36 AM
1359	The new road into the airport off of Belle Terre is a disaster waiting to happen. It is very dangerous and needs to be redesigned or taken out completely. Also we need a right hand turn lane going north on Belle Terre at SR 100, just in front of the new Tractor Supply. We also need more street lighting in the "LL" section.	2/23/2017 10:35 AM
1360	Not being able to park a camper or travel trailer in the driveway is my reason looking to possible move within the next few years.	2/23/2017 10:34 AM
1361	Please address the littering problem throughout the town!	2/23/2017 10:33 AM
1362	best place to live in Florida! thank you for all you do. keep the rules and make people abide by them. I do not like seeing trashy houses. thanks	2/23/2017 10:32 AM
1363	Really Enjoy the quiet and excellent neighbors we have.	2/23/2017 10:32 AM
1364	Please keep young families and the modern professional in mind when making decisions.	2/23/2017 10:31 AM
1365	Interesting that there is no mention of the Hammock area in here, pretty sure last time I looked, it was part of Palm Coast.	2/23/2017 10:29 AM
1366	widen Old Kings RD	2/23/2017 10:15 AM
1367	Traffic management is #1 problem (and has been for 12 years); get the yard waste contract right so it is logical and does not burden the citizens.	2/23/2017 10:03 AM
1368	Senior center needed and fix the [redacted] traffic light timing. Tired of stopping for every light. Need more activities in Central Park. Flagler Beach puts us to shame!	2/23/2017 9:53 AM
1369	lower taxes	2/23/2017 9:46 AM
1370	The need to have painted lines in turning areas at traffic lights.	2/23/2017 9:40 AM
1371	Reduce the time waiting between the traffic signal lights changing.	2/23/2017 8:44 AM
1372	Please get some decent corporate jobs that pay a decent wage and have decent benefits. Hard to live on retail economy. Need more balance for economic stability.	2/23/2017 8:27 AM
1373	Great City allot of fun parks and trail system. Well maintain landscape and roadway. Came to visit and never left wonderful place to live. Employees are nice and have great information for every part of the City	2/23/2017 8:19 AM
1374	city should focus less on aesthetics and more on making traffic flow without stop n go traffic; cooperate with county to work together; put pressure on communication providers for storm emergencies, etc., and cut waste in city government	2/23/2017 7:57 AM
1375	Provide better police you Traffic enforcement. People disregard traffic laws because they get away with it	2/23/2017 7:31 AM
1376	I feel code enforcement needs to do a better job. Cars parking in the swales day after day, and people's garbage strewn everywhere and nothing is done.	2/23/2017 7:23 AM
1377	The Senior Games are great, but please rename them the"Sunshine Games." People in their 50s don't want to be called "seniors." As far as the traffic lights, they should stay red in all directions when pedestrians have the cross signal. Otherwise, it can be very dangerous to pedestrians and cyclists. The increasing number of traffic accidents in our county is a growing concern. The parking lot in the new Publix on Palm Coast parkway is a mess. Stormwater management is very important to protecting the quality of life. We need to protect our water quality and not allow unchecked development. Pursue low Impact development to help control runoff.	2/23/2017 6:55 AM
1378	Need better quality jobs. More for teenagers to do.	2/23/2017 6:41 AM

1379	Need to slow people down on Farmsworth Dr.	2/23/2017 5:38 AM
1380	None	2/23/2017 4:25 AM
1381	Keeping our beautiful city of Palm Coast safe, so that residents can enjoy it, should be our city's top priority. If crime or drugs get out of control in our city, Palm Coast will not have a bright future. Keeping our roads safe will also help residents enjoy our city. Providing safe outdoor activities and parks around the city will benefit us all. Reducing the amount of drug usage within the city will help our teens and children grow in a safer environment and build a better future for our community. Starting with the schools, which are often the beginning of a young teen introduction to drugs in the community or connections to acquire them. The road rage and selfish, uncaring, impolite, rude, disrespectful driving habits that exist on our city's roads is unbelievably out of control. What about maybe signs that say: Welcome to Palm Coast drive courteous and respectful of others on our roads. Also reminders of everyone to keep their eyes on the road not on what the last Facebook or text message was. We can change, if we just stop and remind everyone what really is important and that just maybe, that message can wait to be read. Start a campaign to target drivers weaving in and out of traffic, the ones who wander off the road while they text, the ones impatient and following too closely speeding everywhere they go. Maybe a campaign that would start monitoring the driving habits and then offer a skip the ticket educational option. If you participate in a safe driving educational event or course involving the type of bad driving behavior you were doing, then your ticket will be waived just for the skip the ticket event day. Do not give warning to drivers ahead of time of event, otherwise it defeats the purpose of it. Then after the event have a special event based on driving habits, get the car insurance companies involved in this after the skip the ticket event. How about a bad driver simulator, people can get in and actually see what has happened to others with the same driving behavior or bad habits they have. Give them a heads up, that hey someone is watching how you're driving? At red light intersections allow a longer delay before the light turns green, this could prevent a fatal crash at an intersection. Innocent drivers would be delayed from crossing paths with someone who just ran through a light that was turning red. Also extending the yellow light just by a second or two could prevent rear end collisions when people slam on their brakes because of a short yellow light change. This along with the green light delay just may make our roads a little bit safer. By reducing crime rates and drug usage, along with improving traffic and public safety, we would be providing a safe environment for our city's events and activities. Addressing all of these things the best we can would provide a safer city for our residents. Our city can truly become a beautiful place to live.	2/23/2017 2:18 AM
1382	The widening and improvement of Old Kings Rd. north of Palm Coast Pkwy. really needs to be put on the front burner and completed ASAP!	2/23/2017 1:21 AM
1383	too many employees at city of palm coast and county of flagler. too many employees at hospital. all seniors know that hospital is extremely incompetent and must go to st augustine.	2/22/2017 11:46 PM
1384	Improvements are desperately needed for Old King's Rd at Palm Coast Pkwy. This area is highly frequented by people from off of the interstate, not familiar with the area. I strongly urge you to improve the streetlights (for lack there of in most cases) from PC Pkwy to Oak Tails Blvd. This must be a nightmare for travelers navigating with the current lighting and road markings. Get a fresh perspective as someone from out of town. Also include sidewalks in this same stretch before one of our hotel visitors are hurt while walking to/from shopping or dinner. While I'm on a roll, why not include better signage for the northbound intersection, lane designations with the proper lane usage for easier access to I-95 NB & SB.	2/22/2017 10:50 PM
1385	Great place to live. We need to all take pride in our surroundings.	2/22/2017 10:35 PM
1386	We love Palm Coast.	2/22/2017 10:25 PM
1387	The flow of traffic on PC Pkwy is a nightmare because of the timing of the traffic lights! Work on helping PC's citizens get from one side of 95 to the other instead of spending millions on the community center!!	2/22/2017 10:21 PM
1388	More daytime and evening/overnight patrols. Too many vehicles being broken into. Sanctions for guns stolen from unlocked vehicles overnight.	2/22/2017 9:52 PM
1389	I love the shows offered at the high school. It's a wonderful option rather than going to Orlando or Jacksonville. Also, I cannot say enough great things about all the outdoor sidewalks available for biking and walking. We absolutely love it and take our children as often as possible outdoors. Thank you for the interest in my opinion and the survey offer!	2/22/2017 9:44 PM
1390	Need to change the traffic signals to allow peds and cyclists to cross roads while vehicles have a red light.	2/22/2017 9:38 PM
1391	These surveys are the best means to gain comments/suggestions from residents! Criers/complainers go to meetings.	2/22/2017 8:58 PM
1392	Nope	2/22/2017 8:24 PM
1393	enforce garbage cans use for waste at the curb	2/22/2017 8:20 PM

1394	Many of the tax increase thoughts would be frivolous. Because these programs could be started by organizations in our town. Just need the right kind of leader to organize the effort of the city's volunteer force. Then all of the projects would turn into self funding projects. Street lights and youth programs should be included in current budget programs. Encourage the development of youth programs through existing organizations. There are more than enough residents to pay for infrastructure improvements. Not street lights that have zero timing, and turn red before right before youget to the intersection, encouraging people to speed through the lights. Too many drivers drive 50 mph through neighborhood thoroughfares. There is no need for 30 mph speed limits. It should be 20. Encourage our youth to go outside.	2/22/2017 8:18 PM
1395	Would love to see some big box office stores like Best Buy, a BJs Wholesale Club and an Apple Store come to either the Town Center or Palm Coast Park. Also would love to see a Wegman's grocery and some fine restaurants come into Palm Coast (northern Virginia's Coastal Flats and Ossies) would be nice although they are pretty local, as well as a Silver Diner. Silver Diner has been in expansion mode and might be a good time to try and market them to the area.	2/22/2017 8:05 PM
1396	I love the city It is a wonderful place to live!	2/22/2017 7:58 PM
1397	It is beautiful here, the City did a great job on landscaping medians and roadside on Belle Terre Parkway. The trees are welcoming and make it look so much better than OB or DB. The trail system is wonderful too. Need more employment opportunities.	2/22/2017 7:44 PM
1398	The city has not provided the pinochle club with comparable place to play cards. The Frieda club is to small and crowded to provide for us. the ladies restroom is always out of order on Thursday. Why are we not at the City Hall, as originally planned?	2/22/2017 7:11 PM
1399	The biggest complaint my family has about Palm Coast is 'there is nothing to do.' That's not entirely true, but we often feel we need to travel elsewhere to enjoy ourselves. Dining and shopping options have improved over the years, but we wish there were more reasonably priced options for going out.	2/22/2017 7:01 PM
1400	The timing of traffic lights should really be fixed.	2/22/2017 7:00 PM
1401	Palm Coast is one of the most beautiful cities I have ever been in. Very impressive with the landscaping and the unobtrusive signage.	2/22/2017 6:59 PM
1402	no	2/22/2017 6:54 PM
1403	I love our city.	2/22/2017 6:52 PM
1404	I HAVE TO PAY A MONTHLY FEE TO FPL TO HAVE A STREET LIGHT. IT GIVES US PROTECTION BUT THIS CITY HAS ALWAYS BEEN DARK AND WE HOPE FOR MORE STREET LIGHTS.	2/22/2017 6:39 PM
1405	The median strips along the major route are well maintained and beautifully landscapes! Great job!	2/22/2017 6:22 PM
1406	I pay more in taxes in Palm Coast than my prior home on Marco island, FL. on the water. Enough with the raise in taxes!!! Bring big businesses in to support the tax base.	2/22/2017 6:10 PM
1407	We need street lights in the residential neighborhoods, not only on Belle Terre, Palm Coast Parkway, and all streets leading to and surrounding town center and central park! Residents should not have to pay for them. Our water rates are extremely high for the quality of water and the PEP system is useless when we have power outages as the one in October when we had a hurricane.	2/22/2017 5:59 PM
1408	Very disappointed in the progress of Holland Park	2/22/2017 5:52 PM
1409	When will work progress on Holland Park? Why did they not finish work before closing the Center on Palm Coast Parkway? It does not seen as though the city working on Holland Park is any better than the first contractor who was a complete failure.	2/22/2017 5:48 PM
1410	Why is holland park not open	2/22/2017 5:48 PM
1411	We need public transportation	2/22/2017 5:27 PM
1412	Please keep up bike trails . When you widen roads put in bike lane.	2/22/2017 5:27 PM
1413	more traffic enforcement (speed) on palm coast speedway.	2/22/2017 5:26 PM
1414	Please continue to promote a clean, safe city. Please value and protect our natural environment and its' wild inhabitants. Limit development and crowding and keep our water shed unpolluted. Thank you!!	2/22/2017 5:10 PM
1415	Holland Park project really hurt the leadership credibility, over 2 years for a park? Also more police presence I don't see cops much but alwasy see reckless driving go unpunished due to no cops pulling people over. I work in retail mgmt and development with a new major retailer in Island Walk. The town needs to stay beautiful but the code enforcement policies are scaring businesses away, Bed Bath Beyond ring a bell?	2/22/2017 5:10 PM

1416	Yes, Recycling is a very big problem in Palm Coast and Flagler County. The effort is there, but the items you can recycle are limited. The city and county need to have recycling centers through out the city and county. I want to recycle, but because it won't fit in the slot many items are thrown into the landfill. If you had a recycling center it would be good for the environment and provide jobs for the city and county.	2/22/2017 5:09 PM
1417	Palm Coast needs to continue to build upon the quality of life it provides residents. It is important for maintaining a lively, vibrant, and attractive city.	2/22/2017 5:05 PM
1418	We need streetlights very badly on Belle Terre.It is very dangerouse to drive especialy at night!Thanks!	2/22/2017 4:54 PM
1419	There is more than enough money in the budget for youth and senior programs without raising our taxes. Better planning is the answer, stop the waste and abuse	2/22/2017 4:51 PM
1420	Bike lanes or trails along majow routes	2/22/2017 4:43 PM
1421	crime and cell service should be main priorities	2/22/2017 4:28 PM
1422	A public year round pool would be wonderful for people who don't have access to a pool. I have noticed more "racing" going on on Palm Coast Pkway....need to monitor more	2/22/2017 4:27 PM
1423	Palm Coast is a beachy type of town. SOME rules on types of vehicles allowed in driveways and yard sale signs are too strict. What happened to common sense? Code enforcement is much TOO rigid;ie putting notice on a garage door ONE DAY after a 'move in' about NOT cutting yard, not allowing simple work lettered vans in driveways overnight, not allowing yard sale signs outside of ONE in seller's yard, etc.	2/22/2017 4:23 PM
1424	Palm Coast is a great place to live. We work from home/remote or we could not live here. Taxes are REALLY high, but we have nice parks and facilities. We need more places for folks to work locally other than service industry/retail.	2/22/2017 4:20 PM
1425	Would it matter?	2/22/2017 4:18 PM
1426	Provide an indoor pool for year round enjoyment.	2/22/2017 4:10 PM
1427	The blue and white signs identifying sections look like an entrance to a camp ground. As part of making Palm Coast beautification these signs should be replaced with nice brick signs with the Palm Coast logo or removed altogether. This could be paid for by cutting back the nursery budget and common sense is not used when planting trees and grass along the side of the roads A drive around the city reveals many dead trees and long grasses that give an unkempt look. Plus the cost of maintenance. It would be much cheaper jus to cut grass. The medians however link very good and well maintained	2/22/2017 3:59 PM
1428	Palm Coast needs a downtown. Every city does.	2/22/2017 3:48 PM
1429	To many cars are now parking in the medium and beside the streets over night. Cars parked in drives that have not moved for weeks. Trailer and boats in drives for weeks.	2/22/2017 3:39 PM
1430	You tout the city as Tree City, but I think it should be Trash City. I understand that the city workers are often out there picking up, but the piggish people outdo them. It is REALLY BAD. The day after they pick-up there is litter. Is there no program that could be instituted? It looks crappy around here!	2/22/2017 3:38 PM
1431	I think sidewalks & more streetlights in the neighborhood would be nice. Also continued police patrols in all the neighborhoods day & night.	2/22/2017 3:29 PM
1432	Please continue to maintain the trails and park system and to seek work other than service type work, promote and fund education	2/22/2017 3:26 PM
1433	city taxes are too high. i see no additional benefit above that which is or would be provide by county if i did not live in the city. the additional layer of city tax is a waste of my tax dollars. city gov't is too expensive; just look at high cost city managers salary and staff [wasteful at best]; stop building sidewalks to nowhere them having to pay to maintain them; how many thousands could be saved? doubt city council cares about those of us on fixed incomes. just keep expanding until no one can afford it here.	2/22/2017 3:18 PM
1434	Not to increase salary for City Council and other high paid city managers. Saved money put to above programs. And not to increase taxes.	2/22/2017 3:07 PM
1435	CODE ENFORCEMENT IS A JOKE, HAVE CARS PARKED IN SWALES EVERY NIGHT, CARS W/O TAGS PARKED IN SWALE FOR WEEKS AT A TIME BOATS IN DRIVE WAYS FOR WEEKS AT A TIME, TRASH FROM HOUSE NOT PICKE UP. IT'S LIKE LFE IN THE FORGOTTEN PART OF PALM COAST! TRAFFIC ON BELLE TERRE IS LIKE I-95	2/22/2017 3:02 PM
1436	Please work with the county to upgrade the bathroom facilities at the beaches. Thanks!	2/22/2017 3:01 PM
1437	Traffic is horrible on PC Pkwy....Speeding on Colbert Lane. Not happy with the doctors/hospital in this area.	2/22/2017 2:58 PM

1438	There are more than enough parks trails boat ramps and other recreational facilities. We don't need to pay for more. If I need it, I will pay for it.	2/22/2017 2:55 PM
1439	Colbert Lane traffic has increased greatly. Cars go very fast on it, too.	2/22/2017 2:50 PM
1440	Traffic lights must be timed on Palm Coast Parkway. It is stop and go and a terrible waste of time. Something should be done to alleviate the problem. Also, there are too many handicapped tags and hangers and the people driving are not handicapped. Real handicapped have to park further away. Please police this.	2/22/2017 2:45 PM
1441	Litter clean up around ponds businesses, roads is needed.	2/22/2017 2:43 PM
1442	None that anyone would take the necessary action to correct. All the city council does is rubber stamp anything the OVER PAID city manager wants.	2/22/2017 2:40 PM
1443	Would like feedback as to why the park is now gone at community center. best park for the summer with the shade and very disappointed it was taken down as there are not a lot of park options for kids.	2/22/2017 2:34 PM
1444	public transportation is very much needed	2/22/2017 2:32 PM
1445	I support Trump	2/22/2017 2:24 PM
1446	Would like Costco..Don't want any building over 3 stories	2/22/2017 2:19 PM
1447	One thing that I would support and many others as well would be implementation of a Public Transit system in Palm Coast. Not FCT that is called for a pick up, by a scheduled bus system with stops all around town. Not everyone can drive and needs to get places. Also, all these Taxi Services around town that you see magnets on cars with numbers on them. Are these regulated businesses? I mean I have to have a LBTR for our business? Do these people as well?	2/22/2017 2:17 PM
1448	Get other grocery stores in other than Publix. Repave Colbert Lane. Fix the parking lot at the new Publix/Hobby Lobby shopping center. Get more good restaurants and retail stores in Palm Coast.	2/22/2017 2:14 PM
1449	There ought to be more cooperation between the Flagler County and the City of Palm Coast governments.	2/22/2017 2:12 PM
1450	We need to do what is necessary to increase available housing units in order to attract retail services. More multiunit luxury as well as lost cost. Keep Palm Coast dollars in Palm Coast.	2/22/2017 2:11 PM
1451	Have lived here 13 years. Moved here because of Tennis and golf facilities and access to ocean.	2/22/2017 2:09 PM
1452	Retail shopping must improve. What happened to Bed Bath and Beyond, Talbots, Chicos. Home goods, Trader Joe's, Fresh Market,ETC. Need more upscale stores, boutiques and restaurants i.e. Steak houses. ENOUGH WITH THE CHAIN RESTAURANT And Dollar Stores!	2/22/2017 2:02 PM
1453	We enjoy Palm Coast and will probably continue living here but as homeowners who take pride in our home, we are very disappointed in the very lax code enforcement when it comes to rentals and even homes that are owner occupied. No weed whacking, no landscaping, too many rentals are very worrisome to us. If you have a rental next to you, they can make your life miserable, which ours was for about 15 years. No one cares, city or police. Most rentals are a mess, it's very easy to pick them out on EVERY street in Palm Coast. If we were to do it all over again, we would be in a gated community.	2/22/2017 2:02 PM
1454	RE-Paving Colbert Lane is long overdue	2/22/2017 1:59 PM
1455	We really enjoyed the intracoastal	2/22/2017 1:57 PM
1456	Please have code enforcement do their job. Keep P.C a nice place to live.	2/22/2017 1:57 PM
1457	Palm Coast Blows	2/22/2017 1:55 PM
1458	Please don't hinder legal Marijuana facilities for medical or recreational uses.	2/22/2017 1:42 PM
1459	I would like to see Palm Coast become more affordable for people to live here. I would also like to see the number of car accidents in this city go down.	2/22/2017 1:28 PM
1460	City needs to start investing in kids/teens activities. Been in PC for 20 years, quality of life for kids/teens needs is non-existent. How many HS graduate stay in PC or come back after college? extremely small number, they grew up here and they know that there is much better place out there for raising kids.	2/22/2017 1:28 PM
1461	stop bringing in gas stations, nail salons, and dollar stores - how about a real bakery with homemade breads, pastries etc; Costco or Sam's Club, Macy's so we don't have to drive 30 miles north or south to get what we need.	2/22/2017 12:49 PM
1462	Not enough streetlights south of sr 100.	2/22/2017 12:34 PM
1463	we have enough trails/parks/tennis courts. We NEED a senior citizen center; activities for senior citizens -- not all can or want to play golf/tennis. Not all can afford activities are now are. Don't forget those citizens -- they pay taxes too but get nothing of value in return. It all goes to "young"	2/22/2017 12:32 PM

1464	Streetlights and sidewalks are needed throughout the town. It is too dark to walk around the area neighborhood once it gets dark.	2/22/2017 12:30 PM
1465	please don't let us turn into Daytona	2/22/2017 12:30 PM
1466	More sidewalks and street lights are needed in neighborhoods!	2/22/2017 12:26 PM
1467	Palm Coast is a great place overall, but the traffic light timing is so bad that I'm actually considering moving. It is, hands down, the single most frustrating factor when driving in this area. It seems that the only way to get a green light is to race to the next intersection. There have been too many times when I have witnessed a speeding car get the next green light while I am "rewarded" with a red light because I was not speeding. The lights are perfectly timed so that when one changes to green,the next changes to red upon approach except, as mentioned above, if one drives like a maniac to get to the next intersection before the light changes to red. Where is the traffic enforcement?? Because of the traffic lights, it takes about 18 minutes to travel approximately five miles from Royal Palms to Home Depot. That's an average speed of about 16 miles per hour. Very frustrating, not to mention the waste of fuel and wear and tear on the vehicle. And then you wonder why there's so much road rage... For the two years that I've been living here, I've been told that an update to the traffic light system is near. Apparently, that has not happened. What puzzles me is how the lights can be so perfectly and consistently timed to impede the flow of traffic. With today's technology, there is absolutely no excuse for this. Enough of my rant. Just fix the [redacted] things.	2/22/2017 12:19 PM
1468	When a car is unlocked and items are stolen, why do they refer to it as a break-in. Also, people should be held responsible, when items are stolen from their unlocked car. Otherwise, great survey. Also I received an AA in college, but was not an available item under education.	2/22/2017 12:11 PM
1469	The newer roads and traffic circles in and around Town Center are extremely difficult to navigate without clear signage. I avoid that area.	2/22/2017 12:11 PM
1470	Inquired about street lights along Belle Terre Pkwy South of Palm Coast Pkwy last year (due to children walking to school in dark) and response was not possible at that time. I see monies being spent on other amenities (like 8 mil on Senior center) but guess children are not important enough!!!	2/22/2017 12:10 PM
1471	Restructure the city government to be citizen friendly, after all you are public SERVENTS!	2/22/2017 12:07 PM
1472	KEEP UP THE GOOD WORK, GREAT PLACE TO LIVE.	2/22/2017 12:05 PM
1473	This city is growing really fast. You need to check all the traffic lights and do something with them, specially the one in front of Walmart. they still programmed as when when we were 30,000 citizen.	2/22/2017 12:04 PM
1474	We moved to Palm Coast in December of 2005. There has been an element that has moved in to the area over the last 8 years or so that has caused an extremely high crime rate. I've noticed more homeless people on street corners and in Walmart's parking lot. Palm Coast has changed for the worse in my opinion and we will be selling and relocating very soon. Also can't ride bikes or walk anymore with all the dog attacks, can't afford that risk. The area just doesn't feel safe anymore.	2/22/2017 12:03 PM
1475	Stop wasting money on landscape . You need to focus on bringing in jobs other than retail. The City Manager is payed far to much for a city of this size.	2/22/2017 11:43 AM
1476	More street lights are needed in neighborhoods to discourage crime which has grown tremendously in recent years. We have enough trails and parks and it's time to move on to other improvements such as senior and youth programs. The beautification of the city could slow down also - it cost a lot of dollars/manpower to maintain all of the trees, flowers, trails especially with rest rooms, parks, etc.	2/22/2017 11:35 AM
1477	Water costs are too high and code enforcement is very poor. areas are beginning to look trashy.	2/22/2017 11:27 AM
1478	More police patrols, streetlights and speed bumps in neighborhoods	2/22/2017 11:23 AM
1479	Need strict limit on future population growth. Live here only because of severe overcrowding in south Florida.	2/22/2017 11:22 AM
1480	Question 31 should read "what is your gender".	2/22/2017 11:21 AM
1481	We need to investigate building an "regulation" sized pool and Aquatic Center that provides year round swimming opportunities for all ages and can attract competitive swimming events.	2/22/2017 11:18 AM
1482	Code enforcement is not homogeneous in response and some ignored. Why have codes that are hard to enforce i.e. Swale parking after 12 to police. Are you to get up from speed and call. Why extend City Managers contract w/ raise? Will New Community center be open to public or will preferred programs take big time blocks as past. Will there be programs for a variety of interests?	2/22/2017 11:16 AM
1483	City is clean.	2/22/2017 11:14 AM
1484	WAY TOO MUCH MONEY SPENT ON NEW COMMUNITY CENTER, EVERYONE I SPOKE TO FEELS THE SAME WAY.	2/22/2017 11:12 AM

1485	.	2/22/2017 11:09 AM
1486	Holland Park renovations delays are a disgrace and the City Manager should be held accountable for lack of oversight on the project. Is all we hear are excuses and no action. That in itself should have been enough to deny him a raise.	2/22/2017 10:58 AM
1487	The park I frequented several time a week was Holland.	2/22/2017 10:50 AM
1488	The City needs to continue focused attention to the development of the Rte. 100 corridor. As of this survey, it's still unbalanced.	2/22/2017 10:47 AM
1489	currently attending citizens academy. very impressed with the knowledge learned..bring more business to palm coast for people to be employed locally...	2/22/2017 10:35 AM
1490	After living in various places I must say that any and all police departments could learn a lot from the Cape Coral, FL PD. They are on it in every way! Their social media presence and engaging is outstanding!	2/22/2017 10:35 AM
1491	Building Aldi Grocery store is taking a very long time. The entire outlet stores were built and opened in Daytona Beach and both were announced about the build at about the same time. It seems the City of Palm Coast is slow in getting and opening quality retail stores.	2/22/2017 10:26 AM
1492	I'd love to see more lights pointed TOWARD the path on Pine Lakes Pkwy. I use that a lot. Also, we need lights on Belle Terre Parkway south of Palm Coast Parkway, like they have through the Indian Trails part of Belle Terre. There's needs to be some lightening up for people who use their personal vehicle for work. Having a ladder on a regular pick up truck or a sign is not the same as parking a box truck or an RV in your driveway. I also think we could save money by going to one garbage pickup day per week.	2/22/2017 10:16 AM
1493	* Listen to the residences *Hire better Civil Engineers, people who understands how a road is to be designed. * We are leaving soon because this city grew way to fast, and the city has not caught up. Too many employees want the $$$ but not do their job.	2/22/2017 10:02 AM
1494	We enjoy living in Palm Coast. We have wonderful neighbors and feel content and safe here.	2/22/2017 9:59 AM
1495	It is a shame that there are so. Shameful few activities for senior citizens. The fact that there is NO SENIOR CENTER shows how low we are in the town's priorities. Shameful!!!	2/22/2017 9:54 AM
1496	I would like to see town center developed more. I moved here a year ago and I wish it had a downtown area with restaurants and shops that you can visit. Seems like everything is strip malls.	2/22/2017 9:44 AM
1497	It would be nice if we had a COSTCO, BJ'S or SAMS Club.	2/22/2017 9:43 AM
1498	Over development. Overuse and abandonment of past planned communities. Not enough focus on the natural beauty of the area and conservation of nature and animal life here. Need for traffic control and to focus on reckless drivers. Thanks!	2/22/2017 9:36 AM
1499	No	2/22/2017 9:26 AM
1500	We've only lived here a little less than a year, but love it so far. Things I'm concerned about are - (1) the excessive amount of trash along major roadways, (2) the intolerable volume of some vehicles and motorcycles. I guess Florida doesn't have laws against excessive loudness, and it can be very annoying. (3) the drivers who drive too fast, or drive too slow (in the passing lane), or take unnecessary chances making turns and changing lanes. I'm not sure what can be done about any of these problems, but thought you'd want to know what's on my mind. Thanks	2/22/2017 9:25 AM
1501	We need jobs - especially for seniors. Not all seniors who move here are retired - and the work opportunities for them are dismal. Age discrimination is alive and well.	2/22/2017 9:08 AM
1502	Our location seems to be the forgotten area of Palm Coast. We still are without sidewalks on Lakeview. We have no grocery stores or drugstores or service stations nearby.	2/22/2017 9:02 AM
1503	I would like to see, maybe in the town center, a small "downtown" with restaurants and small shops within walking distant status (somewhat similar to the Gaslight district in San Diego Ca.) a Sams, Costco, BJ's or similar shopping center would be of benefit (please not another Walmart) This is a big problem no shopping in PC, I do not shop at Walmart.	2/22/2017 8:48 AM
1504	please make old kings rd safer for bikers. It's a death trap now for the mid portion.	2/22/2017 8:46 AM
1505	Need to add: Is house mortgage higher than appraised value? Would you remain in Palm Coast if able to sell your house for more than your mortgage?	2/22/2017 8:39 AM
1506	Yes you left out in question 35 2 years of college , AD	2/22/2017 8:33 AM
1507	Only street lights in my area are at intersections, makes it difficult to drive at night. Especially when drivers behind me are cutting thru to US 1!	2/22/2017 8:18 AM
1508	Flagler County senior games should for residents only to encourage more local participants.	2/22/2017 8:17 AM

1509	No.	2/22/2017 8:03 AM
1510	More programs fir youth!! So they dont end un in the street also do something about old kings!! Stop caring so much about landscaping And plants Thank you	2/22/2017 7:40 AM
1511	The only reason I chose to oppose higher taxes for certain things was due to the fact that those activities should be able to sustain themselv s through fees to participate.	2/22/2017 7:28 AM
1512	Get rid of all red light cameras	2/22/2017 7:17 AM
1513	Please add benches/picnic tables at the Bird of Paradise lake and clear away more of the trees. I would like to see a refuse for dog cleanup and a few trash bins.	2/22/2017 7:17 AM
1514	The entire 10+ years I have lived in this city, I have commuted to either Jacksonville or Orlando to work as the wages paid in this county are too low to survive on when you can even find a job in this area in the IT field. Almost every job available tends to be a low paying service sector job. It would be great if the city could bring businesses in that are offering better pay and aren't service or healthcare related jobs. Would be nice to see more IT firms and tech companies relocate to the area.	2/22/2017 6:59 AM
1515	The survey neglects the needs of residents or families that have members with developmental disabilities. There are almost no services for the developmentally disabled. And more.	2/22/2017 6:56 AM
1516	The timing of traffic lights are such as to impede the flow of traffic, timed so you catch everyone. drivers get fed up with this and speed to beat the next light which contributes to the accidents at the intersection. Belle Terre and rte 100 are notorious for this. I catch red lights on Rte 100 when there's no cars at the cross streets. I hate driving thru this city. I take all the back roads if possible to avoid these roads.	2/22/2017 6:56 AM
1517	I'd like to see a "LEFT-TURN" signal off of Old Kings Rd. and RT. 100 before a bad accident happens.	2/22/2017 6:36 AM
1518	The youth need things to do here.	2/22/2017 6:35 AM
1519	Beautiful city. Needs avdowntown	2/22/2017 6:13 AM
1520	Need vegan/vegetarian restaurant/s in Palm Coast; need coffeehouses with nightly live music (local musicians/jam sessions) and/or other live entertainment. Also need sidewalks on all residential streets for safe walking, biking, baby strollers, etc. IT IS NOT SAFE FOR RESIDENTS TO WALK ON ROADWAYS. Yes, there are walking/biking trails but it is unsafe to walk TO them. This town rolls up it's sidewalks at night; nothing to do for ANYBODY. NEEDS A THRIVING NIGHTLIFE, LIKE ST. AUGUSTINE, also needs concerts like the St. Augustine Ampitheater has. The Flagler Auditorium is inadequate...	2/22/2017 5:34 AM
1521	2 years to go and I am leaving. Matanzas High School is the only reason we have stayed. My son graduates in 2019 and I cannot wait. Ridiculous place to live.	2/21/2017 11:44 PM
1522	As beautiful as this city is, it pains me to see so much effort go into beautification and not see anything tangible in economic development. There is no room for people under 50 in this community unless they are willing to ring a register.	2/21/2017 11:42 PM
1523	I would like it to be easier for small businesses to open in PC. I hear how difficult it can be. See less dollar stores, seriously, why are there so many. See more sidewalks and bike paths on secondary roads. Possibly use the current buses for a loop of PC on a regular schedule.	2/21/2017 11:32 PM
1524	We love the accessibility of kayak launches and bike friendly trails!	2/21/2017 10:53 PM
1525	We desperately need a Dog Park. Parks everywhere but not one dog park	2/21/2017 10:44 PM
1526	I love it here. I also love how you are developing Indian Trails Sport Complex as a family sports destination. It brings business and tourism to Palm Coast without the noise or ugliness of some other areas.	2/21/2017 10:44 PM
1527	Let's make our city fun and safe for everyone	2/21/2017 10:41 PM
1528	Need to consider public transportation for all citizens.	2/21/2017 10:37 PM
1529	Town Center Park should have more covered areas in which to get out of the direct sun. More activities or purposful planning for teens!	2/21/2017 10:31 PM
1530	Community should encourage a sports program to locate here. Any level from semi-pro to college.	2/21/2017 10:28 PM
1531	I Love palm coast, just wish there where more street lights in the E section, help keep crime down. I would like to see more things to do for tweens	2/21/2017 10:13 PM
1532	Traffic flow and property safety the biggest concerns here.	2/21/2017 9:56 PM

1533	Have more jobs and things for kids/teens to do instead of walking around stores, going to a movie theater which costs almost $10/ ticket or the beach. They are bored and will turn to crime and if you don't want that to happen you have to keep them busy. I am moving out of this town because of the lack of activities. It's sad that a beautiful town like this has nothing to offer young adults.	2/21/2017 9:43 PM
1534	Speed limit enforcement needs to be stepped up on Belle Terre.....45 mph seems more like a suggestion to people. Summer maintenance on the canals has pretty much disappeared. In the summer our canal will be blocked with all kinds of aquatic growth. Start using the boat that actually cleans the growth out of the canal instead of just spraying and leaving the dead grasses, lily pads etc. to choke the canal.	2/21/2017 9:41 PM
1535	I think your city workers do a magnificent job keeping Palm Coast beautiful. we as a family love living here and have met some wonderful people. Keep doing what you do! Thank you.	2/21/2017 9:38 PM
1536	N/A	2/21/2017 9:00 PM
1537	Please give us stuff for the kids to do. Splash park. YMCA, sports. Anything please!!	2/21/2017 8:54 PM
1538	Cell phone service was good when I was in R section..then moved to E section and cell service was awful...got a new phone and it improved...need stores to stay open later in this town especially on weekends	2/21/2017 8:52 PM
1539	I moved here two years ago with my wife, 5 year old daughter and 2 year old son. We all love Palm Coast, more businesses would be great to see come to this town. We will be residents of this town until our youngest child graduates from high school. Maybe it will help if there was less red tape to have to jump through for companies to move here. It's a great town. I would also like to see more activities / programs for children of all ages. Let's also keep the traffic flowing smoothly and quickly and keep Palm Coast Beautiful!!! Adding street lights is long overdue. We pay enough taxes so let's get our street lights in all our neighborhoods.	2/21/2017 8:52 PM
1540	I would love more streetlights in our neighborhood. For the most part I love it here.	2/21/2017 8:35 PM
1541	We need more jobs more businesses to help pay more of tax load. Nicer hotels. A reason for people to visit Palm Coast.	2/21/2017 8:22 PM
1542	A lot of permit regulations are quite onerous. Too strict	2/21/2017 8:11 PM
1543	Please address the seeming inability of Sheriffs department to enforce things like noise complaints. Living in a quiet, peaceful neighborhood is one of the major reasons we spent a huge amount of money to live in Palm Coast. If our neighborhoods turn into what can be experienced in many parts of Daytona Beach, then we have much fewer reasons to pay such high taxes and spend so much money on real estate to live on a canal.	2/21/2017 8:08 PM
1544	We moved to Palm Coast in 2001 and always loved it, until we got in a major car accident in 2016, because of a "distracted" 19 year old. Traffic is a major problem in Palm Coast, enough for us to consider moving elsewhere.	2/21/2017 8:00 PM
1545	Need sidewalks on Old Kings Rd. Repave Colbert Ln. and add bike lanes. And it would have been nice to have added bike lanes to Old Kings Rd. when it was repaved.	2/21/2017 7:43 PM
1546	We bought our home here two years ago and have had several problems with crime. I feel if the sheriff's office plans to step up law and order in Palm Coast the officers MUST set the example. I see them more often than not speeding and not obeying traffic laws. The general population will take the idea that if officers can break laws then so can they. This MUST change restore some kind of law and order. Lead by example. I also feel if the city had codes to control collection of trash debris around and general upkeep of homes/lots then those laws should be enforced. I wish the schools would teach children not to litter our planet. Obviously many parents are not teaching this to our upcoming youths.	2/21/2017 7:24 PM
1547	Don't list my educational level ,i have a AOS degree	2/21/2017 7:20 PM
1548	I feel, and have expressed many times that we could use a small bus route system. 3 or 4 routes. This would greatly assist in the amount of traffic and ease burdens on parents trying to get their kids all over for sports events, school functions, work, etc. I have also expressed interest in a water park, like Daytona lagoon. This would create jobs , income and FUN for our youth. It could go somewhere in the vast town center for easy access off of 95. More ...MUCH MORE toddler activity based programs and facilities need to be considered. We have to go to Ormond or further for gymnastics but there are so many more things that could be offered for young moms and the little ones. Lastly, there is a lot of crime lately, people breaking into vehicles, robberies, violent crime. I really hope the new sheriff has a plan. Thank you for your consideration.	2/21/2017 7:20 PM
1549	The city needs to focus a little less on putting trees on the side of roads, it makes it very difficult to see oncoming traffic when turning. They also need to stop redoing the swails and making them so deep you can't mow your yard. The city is beautiful, we like that it is quiet and safe. Most decent paying jobs seem to be in other counties, but Volusia and St. John's aren't far.	2/21/2017 7:17 PM
1550	The improvement of quality of life for homeless people need to be considered also as part of the equation.	2/21/2017 7:08 PM

1551	Thank you for doing the survey. I want to continue living in Palm Coast and will be able too if some improvements in the quality of life happen.	2/21/2017 7:00 PM
1552	Thank you ahead for the survey ! I personally believe that there is way too many youth people in this city with no place to be ! Enough od f computers after school .. enough of parks ! Yes . it is very nice to have all this parks for everyone to enjoy but there are PLENTY , please no more .. As far as Seniors, I believe there are plenty of places for them to be occupied.. but Youth?? they are the future .. and nothing has been done so far .. Sadly they have to go out of town to Have fun !! why??Please let's do some about it ! thank you again for the opportunity :)	2/21/2017 6:34 PM
1553	I would like to see bike path extended beyond current limits on Old Kings Road north of Palm Coast Parkway	2/21/2017 6:25 PM
1554	Improvement through increased efficiencies and fiscal resposibilites	2/21/2017 6:24 PM
1555	I am shocked the swimming facilities still have not improved in this area. The fact that I have to leave palm coast for a place to swim is horrible. You have a strong following for this need. Drowning is a huge issue with young children, yet we still do not provide the proper facilities to support this. This shows a lack of support for the many swim teams in the area as well. How can we live in Florida and still not have a proper aquatic facility to support a city, but up north when they cannot have year round aquatics, the faculties are 150% better. Such a shame that you cannot listen to your citizens about this issue!	2/21/2017 6:22 PM
1556	Poor trash removals. Unhappy with Waste Pro. I find littered trash in my lawn after every removal.	2/21/2017 6:04 PM
1557	Overall I enjoy living in Palm Coast. The worst part is the poorly timed traffic lights. I believe this leads to frustrated drivers, which in turn, leads to road rage. The parks are beautiful but please, fix the traffic lights!	2/21/2017 5:51 PM
1558	Better improve roads for 100 and belle terre south as they are getting busier and more business.	2/21/2017 5:51 PM
1559	Be wise with our money, I have seen wasteful spending. I have seen the same roads beautified over and over again. Wasteful.	2/21/2017 5:51 PM
1560	N/A	2/21/2017 5:51 PM
1561	We need a light on A1A at the Hammock bridge. I would like it to be illegal for parents to park on streets to wait for busses, it is a hazard.	2/21/2017 5:49 PM
1562	This City is at a cross roads where a decision needs to be made on what it wants to become. If it wants to be a retirement community for seniors then it can keep doing what it is currently doing. However, if you want to become a generational community the city has to create opportunities for social events to occur. Yes, Holland park will help with this because the park has something for everyone. But, there needs to be more recreational opportunities created as well.	2/21/2017 5:23 PM
1563	No	2/21/2017 5:08 PM
1564	Do not increase taxes. Jobs here pay low wages, so increasing taxes will hurt people financially	2/21/2017 5:07 PM
1565	I would like to see the results of the survey and city responses posted when done	2/21/2017 5:04 PM
1566	Recreational facilities are essential to the health of the population. More people are out biking and walking wth the wonderful trails we now have! Green space is good too!!!!	2/21/2017 4:51 PM
1567	Need more job opportunities for young families.	2/21/2017 4:49 PM
1568	Street lights in residential areas, cannot see walkers at night, at least at intersections	2/21/2017 4:47 PM
1569	love the area, would like to see crime under control and codes that reflect beautification (grass, landscaping) enforced even for rentals and homes for sale or foreclosed.	2/21/2017 4:42 PM
1570	Too many restaurants, small boutique stores, nail salons. Need bigger retail - Bed Bath Beyond; Sam's Club or equivalent.	2/21/2017 4:39 PM
1571	Sidewalks are desperately needed to access paths on foot or bicycle. I live in the w's and get nervous riding bike on wynnfeild.	2/21/2017 4:34 PM
1572	Get rid of the red light camera's	2/21/2017 4:27 PM
1573	I love Palm Coast and Flagler beach and hope great care is taken to protect and preserve its beauty.	2/21/2017 4:24 PM
1574	It's a great city	2/21/2017 4:21 PM
1575	Soften the restrictions on new business trying to come into town. Our town center should be built up like the pavilion in port orange it was started about the same time, but the "Town Center" is a joke citizens of Palm Coast and all city council members should be ashamed I know I am. I have lived here since 1985 so I'm not commenting as a new residence.	2/21/2017 4:16 PM
1576	Too many code regulations that pertain inside my property. example: Where a shed is installed in the property.	2/21/2017 4:11 PM

1577	The City needs to bring in more business. Not more commercial chain restaurants. Minimum wage is good, but if that is all the work that is available, with home and rent prices going up every year, its not enough to sustain a household. The city needs to be ready or else we will have another failing, just like 8-10 years ago. Forget Wifi for everyone, or is cell phone service good. Is everyone's income where they can support their family. A lot of people drive to Jacksonville, Daytona, to work, and eventual move there or just somewhere where there is more opportunity.	2/21/2017 4:09 PM
1578	More residential street lights	2/21/2017 4:04 PM
1579	I would love for you to fix the on/off ramps at Palm Coast Parkway, they are hideous! Broken lights, tree limbs and palm branches all over (especially going south onto PC Pkwy). Everything always looks nice in town, how about cleaning up the ramps for our visitors?	2/21/2017 4:02 PM
1580	I've been visiting PC since the 80's, this has always been my dream home... last year my family and I finally made it here and I couldn't be more happy. I love PC and all it offers! I know many bad mouth the area but they're clueless as to how wonderful we do have it compared to other places. Thank you city of PC for welcoming new comers and keeping the PC I've always loved!	2/21/2017 3:53 PM
1581	i do not support big government or useless spending or duplicate resources or [redacted] red lights as a cover for raising money	2/21/2017 3:53 PM
1582	Local laws regarding street parking ?? Why does tap water leave white stains on everything? & taste so bad??	2/21/2017 3:44 PM
1583	palm coast is not boat or boater friendly at all	2/21/2017 3:32 PM
1584	Street lights and sidewalks need to be placed in dark areas of town... you're unable to see people riding bikes and walking, someone is going to get hit by a car. On a very positive note, the Police Department in Palm Coast is really on top of issues that occur.	2/21/2017 3:23 PM
1585	Need more retail shops like Joanna's, Bed Bath & Beyond and other similar retail stores	2/21/2017 3:22 PM
1586	Finish Holland park! What's the hold up? It's so ridiculous that it's funny...	2/21/2017 3:21 PM
1587	I have lived here for 37 years...ITT gave the 'sections' names....like Pine Lakes or Lehigh Woods....so people wouldn't say W section or R section. Pine Lakes sounds so much better than W section!	2/21/2017 3:19 PM
1588	We need a traffic light or better exit view off of the 95 ramp at the new interchange. It is dangerous.	2/21/2017 3:16 PM
1589	Need street lights in neighbor hood. Traffic lights take too long to cycle. Need to get rid of sceptic tanks.	2/21/2017 3:15 PM
1590	Need better, clearer directional signage on palm Coast parkway. At least once a week I see someone either atempting or going the wrong way. Plus since there was such a uproar about traffic light cameras, there really isn't a fay that goes by that I don't see someone running a light! Maybe we could have traffic cameras without all the fines. There must be some solution out there that other cities are doing. People are dying. It has been proven in other cities that street lights help prevent crime. Plus streetlights and sidewalks would maybe get our city moving a little more.	2/21/2017 3:14 PM
1591	Streetlights on residential streets might decrease crime. I think it's a shame I have to pay for the street light but I do because I want to feel safe	2/21/2017 3:05 PM
1592	I love Palm Coast for its beauty and many of the amazing people who live here. I would like to see a greater focus on the growing number of families in this community. It seems like most of the focus is on the retirees. I think it is a shame that of the rec parks in this city only 2 have lights for night time usage. You should take a trip to ralph carter park on a Tuesday or Thursday and see how many different teams and sports are squeezed on that 1 field practicing. And 1 bathroom at these fields is equally ridiculous. The small playgrounds in the hot sun at many of our parks is sad as well. I would love to see a park/playground like the magic forest in Ormond. Kids love going there and getting exercise while having fun. The skate park there is great for teens too. Can we try attracting some businesses besides McDonald's too? How much fast food does this town need? I hope to see Aldi, Trader Joes, and Wawa get approved to build here soon. Thank you for the opportunity to share my opinions.	2/21/2017 3:04 PM
1593	We love living here !	2/21/2017 2:59 PM
1594	The Holland park fiasco is shameful and I hope to never see anything like that again in this city. The city is meant for upwards of 250000 people to live, we need to attract tech firms and white collar jobs, as well as big box standalone stores. Strip malls attract crime and are [redacted] for traffic. Push STEM in the schools and keep expanding Daytona state! Work on better businesses east of 95, island walk was a good start. Landon's raise was shameful and I have lost a great deal of respect for this local government, redeem yourselves! Don't reward those who commit screw ups like Holland Park, keep your employees accountable! Landon works for you, not the other way around.	2/21/2017 2:57 PM
1595	Try to make better decisions	2/21/2017 2:20 PM
1596	I'm looking forward to the new mayor and city council to make some much needed improvements.	2/21/2017 2:14 PM
1597	I would strongly support a "splash park" for kids. I would strongly support paying higher taxes in order to build one. I also am a strong supporter of an increase in sales tax in lieu of higher property taxes.	2/21/2017 2:10 PM

1598	We need to get some good programs going for adults with disability. Like REC.programs ,School programs & collage programs .For adults with disability. We need better bus sevises.	2/21/2017 1:54 PM
1599	Stop spending on esthetics, stop debt build up. Invest in people programs... seniors, youth, homeless, etc.	2/21/2017 1:54 PM
1600	I'd love to see Flagler County seek a shopping center like the St. John's town (Jacksonville) center with shopping for all ages and outdoor restaurants (like Winter Park). Also sport places like Topgolf(Jacksonville and Tampa), and roller skating rink. I know that people including families would then consider flagler county and spend more money here.	2/21/2017 1:51 PM
1601	Please entice more businesses that provide shopping, dining,and recreation. Would love, love, love to see a better use made of Town Center. Also, since we are so overcrowded here, would love to see some events also take place in the northern part of the city: July 4th , Christmas , etc.	2/21/2017 1:50 PM
1602	City manager is paid waaay toooooo much!!	2/21/2017 1:28 PM
1603	Jobs with higher incomes I view as vital for our future. A 2014 Wall St. Journal article forecast the flow of retiring baby boomers will stop around 2015. The great recession showed us just how dependent we have been on building and real estate. (These industries have done us well since 1972, but it will end. Palm Beach used to just be a place for the wealthy to winter, but now have major operations from Fortune 500 companies.) Without higher paying industries to move here, I see little growth past 2025 and fear by 2030 we will economically look more like Palatka than Titusville. *I realize this is a 20 year old argument, but little has been accomplished and is why my teenagers plan to leave the area after graduation. Growing up here, they have told me how grateful they are to not be financially struggling like so many of their friends families.	2/21/2017 1:18 PM
1604	There should be a park/playground for Matanas Wood Subdivision.	2/21/2017 1:03 PM
1605	Better availability for OTA HDTV. A little far from broadcast stations for most antennas. Cable and satellite is getting very expensive. Better and cheaper internet options.	2/21/2017 12:59 PM
1606	I noted I strongly oppose raising taxes and I find it unimportant to provide many services. This is not because I believe that these items are unimportant but I do not believe it is the cities responsibility to provide most of the services listed. The City should be providing safe, clean neighborhoods and storm water drainage. It should not use taxpayers money for services that private companies would provide if they were economically feasible or profitable.	2/21/2017 12:58 PM
1607	The size of Palm Coast government seems to be growing and becoming more expensive and intrusive. This has to stop. You are affecting businesses and people's lives. Too many, or poorly timed traffic lights.	2/21/2017 12:46 PM
1608	Ridiculous how much of this survey was focused on parks and how few questions there were about economic development. There won't be anyone here to enjoy the parks if there aren't companies coming to town. Multiple private sector businesses have exposed the high amount of regulations compared to neighboring counties.	2/21/2017 11:54 AM
1609	Love my city!	2/21/2017 11:33 AM
1610	City spends entirely too much money and time replacing plants along main traffic corridors. Overly zealous code enforcement for silly things, i.e. visible trash cans and a/c, flat tire on vehicle less than 24hrs. Need more traffic enforcement at school bus stops, need more lighting and sidewalks, need better/more public transportation, need to attract higher paying jobs.	2/21/2017 11:33 AM
1611	The city is well-run, we have the best city manager in the state, and why are we even still talking about the tennis courts and golf course. These are amenities that any progressive city should offer its citizens as long as expenses remain reasonable, and they are well with-in that category. Keep up the good work, and ignore the professional letters-to-the-editor naysayers and just plain negative folks. They will never be happy.	2/21/2017 10:21 AM
1612	I have reported several issues in my neighborhood as far as crime and code enforcement.... and nothing has been done. So therefore I dislike Palm Coast and feel very unsafe. AND it is TOO DARK at night.	2/21/2017 9:08 AM
1613	It appears that code enforcement is selective in their pursuit of violations. I see numerous violations that are never addressed and simple one that are pursued like storm troopers.	2/21/2017 7:55 AM
1614	N/a	2/21/2017 2:18 AM
1615	The ability to communicate with city services and city officials sucks. The standard answer when attempting to get service is either "I don't know" or " that is how we have always done it" If the city is going to improve it needs a can do mentality. Select good people and reward them for good work. Develop a realistic plan by working with the community. Let's stop trying to just get along.	2/21/2017 12:13 AM
1616	Yes. The Island walk traffic situation and parking is a disaster. Who designed it? EVERYONE we know finds navigating through that parking lot is horrible. I don't even want to shop at that publix, or any other store there because it's dangerous and a hassle.	2/20/2017 11:33 PM
1617	There needs to be a right turn lane added at the Old Kings and Town Center Blvd. Also a light at PinebTrails and Town Center. Dropping kids off in morning there is lots of unmanaged traffic.	2/20/2017 11:23 PM

1618	Would really like to see programs and classes for toddlers.	2/20/2017 10:45 PM
1619	The government of Palm Coast is an absolute joke. No thought goes into the how the people of the community are affected, only how the silver tongued devils in city hall can rob the citizens of money to line their pockets. Complete and utter idiocy in political office, and trust me it shows. Worst city I've ever lived in in my life!	2/20/2017 10:35 PM
1620	Area too populated. Belle Terre Pkwy needs more lighting and to be 3 lanes going north and south. All the trees and bushes in the median on Belle Terre are obstructing the view of drivers taking lefts out of side streets. It's very dangerous. If Belle Terre is not widened to 3 lanes, at least have right turn lanes for side streets.	2/20/2017 10:21 PM
1621	Love the golf	2/20/2017 8:26 PM
1622	There is not enough geared toward the working family. There are not enough higher paying jobs and not enough programs for the kids. Definitely not a place to move to raise children.	2/20/2017 7:25 PM
1623	Love this town!!	2/20/2017 6:43 PM
1624	Nope	2/20/2017 5:30 PM
1625	The local government needs to be much more transparent.	2/20/2017 4:52 PM
1626	We need activities for kids and more housing help for single working mothers	2/20/2017 4:12 PM
1627	Job growth is very important in PC. All we have are low paying, part time jobs in retail or the food industry. We need good paying, industrial opportunities. And our own police force, the sheriff's station as good as they are aren't sufficient for the size of our community	2/20/2017 2:29 PM
1628	Bring in a Chuck E.Cheese Roller Skating Rink	2/20/2017 1:52 PM
1629	We need our own PD. We need indoor families things. We need fun for families other than a festival every so often. We need things on sr100. There is nothing on this end of town	2/20/2017 1:19 PM
1630	FINISH JOHN HOLLAND PARK.	2/20/2017 11:57 AM
1631	Great survey. However, some people do not have "sex!" But everyone has a "gender!" Thanks!	2/20/2017 9:55 AM
1632	We desparately need businesses such as Costco or other bigger industry businesses like BMW to be allowed to build and operate here in Palm Coast! We have too many empty strip mall storefronts for minimum wage jobs that are not enough to make a living without being on Snap assistance! We also desparately need more for the teens to do besides hanging out in parks getting into gang fights. They need something to keep them busy rather than being bored and out committing crimes and other havoc!	2/20/2017 9:37 AM
1633	Needs to be more job opportunities for people to stay and raise a family here. As well as activities for the children to enjoy. Overall satisfaction to a healthy lifestyle.	2/20/2017 8:39 AM
1634	I believe we need to provide families things to do in Palm Coast. We loose revenue and income beca use of the bedroom community theory. Families live here with children. Other than beaches and a park there is nothing.... we are missing out on income and expecting taxes from home owners to support our city. We need to provide thongs for kids and teens. It would help keep them out of troube as well	2/20/2017 8:38 AM
1635	Please consider providing the yellow blinking left turn signals when turning off of Belle Terre at intersections (like Royal Palm)...Could use these at Pine Lakes, etc. to ease some traffic waiting on Belle Terre to turn left onto these roads.	2/20/2017 8:17 AM
1636	The traffic lights are ridiculously too long in this town. They need sensors or to work better.	2/20/2017 8:12 AM
1637	More lights on Belle Terre coming from the main roads. Sidewalks in neighborhood. and bigger parks	2/20/2017 7:54 AM
1638	Please try to enforce the building of duplexes. The owners of them do not take care or them, they are trashy and are slowly lowering the overall values of homes in areas where they are. Plus majority of your residents who own do not want them built	2/20/2017 7:29 AM
1639	Lots of hiking and biking trails, parks, and nature preserves for all to enjoy--I love ❤. Flagler County!	2/20/2017 6:34 AM
1640	Too much traffic on the limited 4 N/S corridors .. But what else do we have .. speed on Belle Terre of drivers ALL LEFT LANE DRIVERS!! Even in the neighborhoods, Easthampton..some upwards of 50-60 MPH	2/20/2017 6:15 AM
1641	Need Costco and LA Fitness Center	2/20/2017 5:02 AM

1642	While I wouls support paying extra taxes to improve our community, I also believe that there should be budget review to ensure that money and funds already collected from the tax payers is spent wisely. As an example, I believe Palm Coast needs landscaping but why are trees and plants replaced (at what seems to be) yearly and what is done with the them? Could less money be spent to maintain vs replace as often as I see it happening around the county? Are the people in charge treating OUR money as if it were all coming from their very own pocket? Youth/Family: If we do not have activities for them, they will find themselves in trouble from getting into the wrong activities. If we don't teach them how to have fun in a safe environment and that fun doesn't have to include alcohol or drugs, or damage to property - who will teach them? The local drug dealer that just moved in down the street. The person that wants to be liked so he/she holds parties giving away alcohol like it's free. If we don't provide a safe place and show them that there can be fun without all that stuff, they will learn from the wrong people - they will make the wrong choices - and ultimately (in many cases), our taxes dollars will go to pay for their stay in jail. Life skills: Almost every household has 2 working parents in this day and age. Life skills have less time to be taught or are not taught at all. Schools are not teaching them as much as they were. This is kne area that our community can promote family time and help our children and youth learn valuable skills...how to change oil in the car, how to change a flat tire, the basics of cooking (recent survey I heard said students have 30% more debt leaving college because they don't know how to cook and had to eat out more), how to get out of a dangerous situation/self defense, and much more.	2/20/2017 12:50 AM
1643	Palm Coast sucks and I can't wait for an opportunity to sell my home and move far away. There is no industry. No careers. No jobs for single parents or teens. Access to everything sucks. Code Enforcement is a joke to everyone outside of Palm Coast with people in upscale gated communities saying Palm Coast had more regulations than their nice communities. There should be full disclosure of these ridiculous codes before any home sale.	2/19/2017 11:12 PM
1644	We need more jobs and programs things to do with children and teens. Maybe a samsclub etc. Water park	2/19/2017 10:37 PM
1645	Splash park/ carousel please, need a Pavilion-like plaza w Chuck E Cheese in Palm Coast (like the one in port Orange)	2/19/2017 10:10 PM
1646	Fire the city manager - he isn't worth his salary. There are others who will do the job for a reasonable salary.	2/19/2017 9:40 PM
1647	Get some proper public Transportation	2/19/2017 9:39 PM
1648	why do we not have access to the high speed internet services that some businesses have? why do we have to have permits for everything? Fences? sheds? Really?	2/19/2017 9:38 PM
1649	Overall Palm Coast is a great place to live.	2/19/2017 9:16 PM
1650	We don't need to raise taxes , we need to charge teams to use our fields. $5 per family X 25+ players per team + 100+ teams $12,500 per event income for field maintenance	2/19/2017 9:09 PM
1651	I love living in Palm Coast. I especially like the attention paid to environmental quality and recreational facilities such as the Palm Coast Tennis Center.	2/19/2017 8:39 PM
1652	City needs more traffic patrol. People drive to fast.	2/19/2017 8:14 PM
1653	Old Kings road needs a sidewalk from 100 to Palm Coast Pkwy PLEASE	2/19/2017 8:03 PM
1654	The city would have money if they quit waiting it. Sheriff's office not fighting drug crime.	2/19/2017 6:56 PM
1655	There are many things for the seniors to do in this county. Another community center is not the answer. They need to research the many things available and stop complaining.	2/19/2017 6:51 PM
1656	Sidewalks... Our children are dying.. They cant go any where with iut risking getting hit... Please sidewalks	2/19/2017 6:07 PM
1657	We do not need higher taxes to improve the city. Start cutting things like replanting grass and trees. Learn to take care of them like all of us residences. Make it harder for low income/ section 8 housing to come in. Take care of our police and fire department, they are the ones that protect us not the city council!	2/19/2017 5:55 PM
1658	Traffic light timing is terrible. Traffic is restricted and not expedited. Traffic violators go unheeded.	2/19/2017 5:36 PM
1659	We need to encourage and entice higher paid employment opportunities. The city manager is overpaid. The code enforcement department is out of control. We need curbs and gutters, not ditches for storm water control.	2/19/2017 5:33 PM
1660	Palm Coast is a fine city. I love the look and feel. It has sufficient shopping and dining choices. Need to keep it clean and fresh - landscaping, etc. Code enforcement is very important.	2/19/2017 5:18 PM
1661	We need more adult entertainment like concerts.	2/19/2017 5:12 PM
1662	Get the James Holland Park Open ASAP The end of April is too long.	2/19/2017 4:59 PM
1663	Please improve the PCTC.	2/19/2017 4:52 PM

1664	Palm Coast needs to have more Places to eat not just chains Places like a steak house Or even a great place to eat fried chicken like a Popeyes and a better place to eat a hamburger like a whataburger or sonic great place that serves fresh fish and chips	2/19/2017 4:11 PM
1665	Wish there was more use of solar with city properties.	2/19/2017 3:54 PM
1666	Need better public transportation services	2/19/2017 3:35 PM
1667	No	2/19/2017 3:04 PM
1668	We need higher paying jobs, better cell service, and more activactivites for youth.	2/19/2017 2:47 PM
1669	We DO need those traffic cameras and homeless laying throughout the city is awful. Signs and begging every parking lot almost.	2/19/2017 2:30 PM
1670	None	2/19/2017 2:05 PM
1671	Giving Landon a raise was a tactical error. PC needs street lights, we need more employment opportunities for young, working people and you give this guy whatever he wants! Doesn't make citizens feel cared for.	2/19/2017 1:28 PM
1672	PC is overall a wonderful community.	2/19/2017 12:55 PM
1673	There are to many "fees" associated with home improvements	2/19/2017 12:31 PM
1674	Tactically or fire department needs help. We cannot have more fires like we had at Dunkin Donuts or the recent fire in the C-section. Poor tactics and Leadership lost those buildings	2/19/2017 12:25 PM
1675	Would like to see more police patrols in the neighborhoods and street lights on at least corners so that street signs can be seen at night	2/19/2017 12:19 PM
1676	No more taxes...we are taxed to death in this country. I see seniors and children as the focus here. This is why people like myself will leave Palm Coast. We are only a stopping point. When a majority of baby boomers are gone, Palm Coast will be in trouble.	2/19/2017 12:01 PM
1677	This I a very nice community, it could use more enforcement on business and residential appearances. More on littering enforcement.	2/19/2017 11:35 AM
1678	Access to fiber optic internet connections is vital to the future development of any community, especially one that wishes to see growth in the future. I want fast internet and I want it now.	2/19/2017 11:23 AM
1679	Create more jobs for educated people!!!!!!	2/19/2017 11:00 AM
1680	We pay enough in taxes. It is spent poorly redoing landscaping over and over again. To much for people on assistance and not enough for those barely making it. People are working the system to their advantage and bragging while others struggle to hold it together without draining the system!!	2/19/2017 10:45 AM
1681	We chose Palm Coast as our home from 2015-2020 while my husband (Marine Corps veteran) is enrolled at Embry Riddle in Daytona. Palm Coast is beautiful with a small town feel, but with regular city amenities. We are nature people and love the natural beauty, scenery, parks and trails in Palm Coast. I volunteer with young people at the library and church and they are not as happy with the city. We only have one bowling alley, one movie theater, and they do not feel completely safe at either. What would need to be done to get more for teens-teens in Palm Coast? Thank you for giving my husband and I such a beautiful place to call home!	2/19/2017 10:41 AM
1682	Street lighting in Palm Coast along roads has always been lacking. I've lived here for over 20 years.	2/19/2017 10:32 AM
1683	The one thing I find outrageous in Palm Coast is, that the internet \ cell phone service in downtown Palm Coast is HORRIBLE!!	2/19/2017 10:21 AM
1684	Adding more schools to choose from and help with over crowding.	2/19/2017 10:04 AM
1685	Extend Whiteview to Old Kings to help relieve some traffic build up	2/19/2017 9:48 AM
1686	I was unsure about the questioning for paying higher taxes for lights, parks, and events etc. I was unclear if that meant higher than we currently pay in taxes, or if I agree to keep our currently higher taxes - therefore I am not sure if my answers for those questions are valid. I do not agree to a large increase.	2/19/2017 9:44 AM
1687	My age, sex, housing status, education and income have no bearing on this survey	2/19/2017 9:20 AM
1688	The priorities that are most important to me are more high wage jobs, more community services, and more traffic/crime enforcement	2/19/2017 9:15 AM
1689	I have one important comment. I have never needed (thankfully) the assistance of the sheriffs department but I would like to say, every time I'm out, I always see their cars or motorcycles around. They make me feel very safe. I have talked to some occasionally when I've volunteered for things and they are wonderful men and women. Very helpful and very friendly. I just want to say, "thank you" to them for keeping our beautiful city safe.	2/19/2017 9:09 AM

1690	Please provide times of meeting for the city of palm coast on Facebook, if possible. The excess amount of duplexes being built is rediculous. It is decreasing the value of homes in surrounding neighborhoods as well as the city of palm coast. Many of them start to look trashy and not kept up with.	2/19/2017 9:08 AM
1691	I think we need substantially more law enforcement to help with crime and to prevent traffic accidents. I would love to see a Costco built here. We have the people to support it and it is a wonderful employment opportunity, good pay & benefits.	2/19/2017 9:08 AM
1692	Sidewalks and neighborhood street lights desperately needed. Why are Sheriff Deputies totally lacking in Old Kings Road North of PCP totally lacking? Trash/Recycling/Yard Waste Pickup going downhill in the past couple of months.	2/19/2017 9:07 AM
1693	Side streets are very dark . Makes it dangerous. Street lights are a must!! And restaurants ex... Chillis,apple bees, long horn	2/19/2017 9:06 AM
1694	I love Palm Coast and have been here over 20 yrs but it is scary driving around here lately. Drivers are crazy and with all of the employees the Sheriff's office has I hardly ever see any on the roads. People race up and down Palm coast pkwy like maniacs. They need to have more Sheriff Deputy's out on the roads! There is just not enough show of force. I've also heard of slot of bullying incidents ant the middle and high schools and that worries me for my child. They need to enforce stronger laws for these punks. We've had slot of fatalities and suicides in this community and it's very sad.	2/19/2017 9:01 AM
1695	Allow more business to come into the city and build, no places in the city to go always find myself going to ormond port orange or Daytona for many things	2/19/2017 8:45 AM
1696	Throughout the survey it is clear that Palm Coast needs higher paying jobs, they need to create a more family friendly atmosphere as this is no longer a retirement community. The crime here is horrible. They city needs to take a page from Sheriff Grady Judge in Lakeland and buckle down. In addition they should research states such as MN to know how to implement trails and actual playgrounds.	2/19/2017 8:30 AM
1697	I really love PC and am glad we moved here. I currently work part time that requires me to travel all over the city a few days per week. As a whole most of the city is generally pleasing to the eye, however there seems to be a small percentage of homes that need attention i.e. , unkept lawns, trash or items piled or stored around homes and houses that need work in general. I feel this needs to be addressed immediately due to the effect on equity valves of other homes and bringing new home owners to our city. In addition to my work ,I must add that my wife and I ride our bikes and walk in a lot of areas around the city and love the job being done to beautify city property.	2/19/2017 8:30 AM
1698	We have an amazing fire department.	2/19/2017 8:24 AM
1699	The public works and utilities department are doing a great job. I thank them. The sheriff's dept needs to do more about the drug situation in the County and neighboring City.	2/19/2017 8:10 AM
1700	I want a lot of services and I do not want tax hikes. Government needs to tighten there belts like people have. Efficiency.	2/19/2017 7:47 AM
1701	Moved here two years ago and could not be happier!	2/18/2017 7:16 PM
1702	Lived here for 19 plus years. Nice place to live.	2/18/2017 3:03 PM
1703	Developments needs streetlights and sidewalks. Children need them to walk to bus stops and to school! Right now they walk right in the middle of the road.	2/18/2017 2:59 PM
1704	The Palm Coast codes need to allow more freedom to residents who pay good money for their homes. I agree with a lot of them but some are a little overboard.	2/18/2017 2:25 PM
1705	More events citywide	2/18/2017 2:15 PM
1706	I love Palm Coast! I love the trails and the parks, I wish there more local festivals and outdoor activities for adults. You should put more emphasis on the different parks, I have been here for about 2 years and still have not found all the walking and kayak trails and it's due to lack of trying with the map guides. Also I think the city should consider talking over the maintenance of the saltwater canal seawalls. I would be willing to pay higher property taxes for that or create a special taxing district for the purpose. Lastly please get rid of the farrell cats!	2/18/2017 12:39 PM
1707	No	2/18/2017 11:51 AM
1708	Need to provide for Palm Coast seniors	2/18/2017 10:13 AM
1709	•More children playing signs. •Possibly speedbumps(especially down point pleasant) •More law enforcement down residential streets watching for speeders •Slow down the development of the town, I like my smaller town!	2/18/2017 10:02 AM
1710	Old kings road past forest grove has been ignored by the city. Grass is overgrown and trees have fallen down. Waste of tax payers money to fix something that hasn't been maintained	2/18/2017 9:53 AM
1711	Please do more for mental health services, busing, and help the homeless. This area is very sad when it should be a beautiful sight all around.	2/18/2017 9:39 AM

1712	While Palm Coast is a lovely community, it has too many fast food establishments and not enough of a variety of stores i.e. Bed Bath & Beyond, Costco or BJs, Macys - stores that encourage shopping here instead of in Daytona. I know this is not an easy task to attract stores, it would keep community dollars in this community. Just a thought with all these new housing developments going on.	2/18/2017 9:24 AM
1713	Too many street lights that are way too bright, placed too close together! The night sky here is also a feature of the town and yet it is being drowned out by the lights.	2/18/2017 9:17 AM
1714	Seminole wood is the forgotten part of Palm Coast. Everyone loves our tax dollars but VERY little of it is used. I have watched the medians on belle terre plants be replaced 5 times in a few years, yet the ones on Seminole woods have never been replaced. We waited YEARS for a sidewalk. Palm coast proves they don't care about us just our tax dollars. Only time you see people from pal coast works is when your crappy code enforcement comes out to get even more money.	2/18/2017 7:40 AM
1715	Good survey	2/18/2017 7:33 AM
