Attracting new residents and businesses:
Sports tourism began to roar in Palm Coast as we reached out to hundreds of regional families offering our Indian Trails Sports Complex for soccer, lacrosse, Quidditch and flag football competitive tournaments. Parents and children slept, ate and spent money in our community.

How have things improved?
We're coming full circle. We don't want to be known as the nation's fastest growing community like we were in 2006. We now want to remain as one of the steaddest. In this article in mid-2013, our focus on Prosperity 2021 has resulted in more jobs, higher home values, a robust real estate market and new businesses opening doors in Palm Coast. We're seeing exciting new retail opportunities (the new Island Walk Center will open next year). We're widening roads, renovating parks, making palm trees and shrubs in common areas.

PE Students Having More Fun with Golf
Laughter and cheering filled the Wadsworth School gymnasium during a recent visit from the Palm Harbor Golf Club. Palm Coast is proud to introduce Giant Leaps Forward golf program, contact Christian Bell at chbell@keipersports.com or 386-986-GOLF (4653).

To further promote golf for parents and their kids, Palm Harbor has also initiated weekend play the blog for families to affordably play an accelerated four hole game and Nine N' Dine for kids and parents to play nine holes after schoolwork and share a hot-supper dinner together.

About Temporary Modification of Water Disinfection Treatment Procedures:
In order to maintain reliability of our water distribution system, the City of Palm Coast Utility Department will temporarily change the disinfection process for our potable (drinking water) supply. From June 1-July 6, we will disinfect the water with free chlorine rather than combined chlorine/ammonia (chloramines). This helps to ensure the quality of the drinking water in the distribution system. During this period, customers may experience a slight increase in the taste and odor of chlorine. Customers who dialysis who use a proportioning machine to prepare dialysate are advised to contact their physician to obtain the appropriate steps to accommodate the change in water disinfection. Customers who have fish tanks or aquatic species are advised to contact a professional aquarist to avoid any problems associated with chlorine. Call the Department’s Customer Service number, 386-986-2360, with any questions.

About Independence Day Events:
Celebrate the July 4th holiday at two free Palm Coast events this year: Fireworks in the Park will be held in Central Park on Fri., July 3. Bring an outdoor picnic, blanket and lawn chairs and prepare for a spectacular fireworks display at 9pm. On Sat., July 4, join your community to pay tribute to our stars and stripes at the Annual ‘By the Dawn’s Early Light’ ceremony in Heroes Park. Flag raising begins at 8am.

About Parks & Recreation Month:
A full month of fun family events will be held in July. The Family Parks & Recreation Month in Palm Coast. You can attend two family swimming pool events on July 11 and 24; an Ice Cream Social in our new Long Creek Nature Preserve on July 24; a Tour de Palm Coast bike ride through Linear Park/St. Joe Walkway/Waterfront Park on July 23.

About City Construction:
6-laning of Palm Coast Pkwy is about 80% complete and moving towards the end of construction in December. The Palm Coast City Hall is almost half finished and will open to the public around Thanksgiving. The Island Walk Shopping Center is focusing on completion of the new Publix, scheduled to open. The Matanzas Woods Pkwy Project will commence this summer to construct a brand new interchange at I-95 and Matanzas Woods Pkwy. To begin the project, the Matanzas Woods Pkwy Bridge extending over I-95 will be closed to traffic all summer. Please make alternate travel plans. Road extensions for Old Kings Rd. and North Palm Harbor Pkwy. will also begin this summer to eventually connect to the new I-95 interchange.

About Long Creek Bridge:
Those who paddle through the Long Creek Nature Preserve shouldn’t lose their way in the future. Customers are advised to contact a professional aquarist to avoid any problems associated with chlorine. Call the Department’s Customer Service number, 386-986-2360, with any questions.
