55	This town is very beautiful. We keep our house clean and have nice curb appeal. We understand there is a need for a code enforcement for people who don't upkeep their homes. It's sad because we have lived here many years and bought our home 5 years ago here. It seems like we are being watched. Got notices twice one for commercial vehicle and other for a central air cover ...my husband is a hard worker and isn't allowed to have his work vehicle which has stickers he can't take off. This is why we need to sell our house and move now....Its very ridiculous... The town doesn't even allow you to keep the vehicle in your own garage. Very upsetting to us!!!	1/31/2019 12:31 PM

173	The whole country collapses under Trumptutin's dictatorship.	1/24/2019 5:09 PM
174	There is really not a downtown to speak of and also the town is attracting too many renters.The Tanger outlets that went up in Daytona that includes Sams should have been erected in Palm Coast. The town is not growing commercially as would be expected	1/24/2019 5:09 PM
175	Too many duplexes being built. Zoning being changed from single family housing to multi unit housing.	1/24/2019 4:59 PM
176	to many rules, increase in crime	1/24/2019 4:22 PM
177	Family assistance needs	1/24/2019 1:38 PM
178	No reason to leave our home in Palm Coast	1/24/2019 1:15 PM
179	Lack of patrol from law enforcement, Flagler County Sheriff's Office. I believe this results in a rise of crime in these areas. I don't believe the Citizen Observer Patrol is adequate to patrol due to their lack of enforcement capability. This also brings up another point of a liability of having unarmed citizens patrolling the streets. I would like to see Palm Coast get away from the Flagler County Sheriff's Office and for Palm Coast to create their own police department the city could directly control. Also I believe there is to much infighting between the city and the county on several issues. Another point is that the city has always tried to keep big commercial corporations from coming in, but allows all of these fast food places that hire employees at minimum wage. If the city would allow someone like BMW to build a plant in the city then people from Palm Coast could obtain higher paying jobs. Palm Coast also seems to care more about beautification then safety within the city. There are walk paths in the "F" section that have no lighting, which could risk a walker getting victimized or struck by a vehicle.	1/24/2019 1:05 PM
180	Not enough retail names and places to eat. St. Augustine offers so much more.	1/24/2019 12:42 PM
181	It is not beautiful, food options, things to do. Blah!!!	1/24/2019 12:36 PM
182	NA	1/24/2019 11:47 AM
183	Not enough culture in the area, not much entertainment-wise. Palm Coast lacks any special qualities that make a city like St. Augustine or Jacksonville unique.	1/24/2019 11:24 AM
184	health/family	1/24/2019 11:13 AM
185	Disability	1/24/2019 10:02 AM
186	Palm Coast is not family friendly, especially for working parents. There need to be more things for young families to do besides going to the parks and more activities on the weekends. We always have to travel to Ormond, Daytona, St. Augustine, Jax to do anything fun. Another reason would be the lack of sidewalks in the neighborhoods. I have a small child and it would be great for her to ride her bike safely around the neighborhood.	1/24/2019 9:56 AM
187	Crime. Poorly maintained Section 8 housing in the middle of well-maintained residential homes. Residential roads in desperate need of repair.	1/24/2019 9:33 AM
188	City doesn't welcome new businesses. City approving section 8 housing projects on grand scales. Lack of stores, restaurants, etc. Again, city completely discourages businesses and entrepreneurs from starting or opening businesses here. Would rather seek revenues by having town people drive around and look to fine for grass too long, boat in yard, etc. The city is run by incompetent people playing politician. There are no jobs here. Crime is moving in fast as well. Section 8 housing will precipitate this! Soon, the parks will no longer be safe.	1/24/2019 9:20 AM
189	No outlet to the ocean, we have beautiful sections of waterways and homes on the water, but there is no outlet to the Atlantic for boats anywhere near. You must run to St. Aug or Ponce Inlet... please look to make Matanzas inlet navigable.	1/24/2019 9:07 AM
190	Entertainment = Flagler auditorium, art concerts in town center, playhouse in Bunnell to expensive. No sidewalks.	1/24/2019 8:57 AM
191	There is not much to do here, we need more attractions and fun stuff. Trampoline parks, shopping centers, arcades, etc.	1/24/2019 8:41 AM

379	Traffic is terrible and the number of stop lights throughout PC is ridiculous. Most of the traffic and light issues are a result of poor road planning and design. Palm Coast also needs some type of industry for the available labor pool. 407	I have only lived here one year. I am looking for better quality shopping and fewer Dollar Stores. With all the approved future growth I fail to understand why there isn't an attempt to improve the infrastructure. There are large communities planned and future traffic will be a problem but the City doesn't seem to be preparing for that. When I moved here a year ago I was impressed at how clean and well kept all public spaces and roadways seemed. Over the past year I have seen a decline in the upkeep of green spaces and trash along roadways and in swales and canals seems have become a problem.	1/21/2019 8:17 PM

Here comes some half-educated moron to tell me how live this life. Parks are for employees to spend their time hanging around while getting paid. I parked on the grass and 30 minutes later I was given a citation while houses are being left junky and falling apart. Tarps still on roofs. Just if you want a kept appearance start citing for junk seen from the street and worry less about a car that is temporary parked for a few.	1/21/2019 7:44 PM

436	Lack of shopping, restaurants, and things to do. The "town center" is the biggest waste land. There are things there but parking is horrible. The stores are half the size of same stores in other towns. Being here when ITT was in charge they took better care of the area. The trails I would not use mostly all the trails are hidden and could be a very dangerous area. You never know what is going on until its over.	1/21/2019 6:43 PM

There is not a week I don't hear ambulances going by. When I purchased my home in the B section I was told it was a nice quiet neighborhood. That is not the case. My street is treated like a race track. Even when outside maintaining my yard that is apparently a great place to throw cigarette butts... I am almost clipped by cars going 50! This was suppose to be the center of town activity and commerce and they want to turn it into affordable housing. I am not in favor of their attitude toward growth. Traffic is become more congested and they are talking about spending money to make roads smaller,(ie Whiteview Parkway. They seem to be focusing on turning the city into a working class neighborhood when it was never designed to be one. They should be focusing on attracting more retirees who usually have more spendable assets.	1/17/2019 11:40 AM

726	High taxes, run like an HOA. Understand the need for some rules and regs to ensure property values remain but being a new resident we were extremely surprised when someone complained that there were pine needles on our room and driveway requiring a call from an "officer". Took ten minutes to learn that our tax dollars were not paying for an actual police officer, but a retired housing "officer" to drive around and regulate pine needles. Enjoying the clean outdoor feel of Palm Coast but are a bit frustrated with the over regulated mentality. Again, we are new. Time will tell.	1/15/2019 10:28 PM

Build a 173 unit low income apartments will raise crime, have an effect on my services (fire, police, school). Thanks but no thanks. Sleeping in front of the bench by CVS, hanging out by the White Wolf Plaza sign - loud with their dogs, leaving trash bags and bicycles there all day. Our teenage daughter is afraid to walk to Publix now, because they were "complimenting" her the last time she walked passed. We want our family to live in a city where we feel safe to walk to the store. People need to stop handing money to these people holding cardboard signs on the corners. THERE SHOULD BE ACTIVITIES FOR THIS CHANGING COMMUNITY. THE ELDERLY ARE DYING OFF AND LEAVING THEIR PROPERTY TO THEIR CHILDREN WHO COME HERE WITH THEIR CHILDREN AND THERE'S NOTHING FOR THEM TO DO. THERE'S NO "CHUCKIY CHEESE". NOTHING OF INTEREST HERE. THIS PLACE IS MAYBERRY RFD AND AN ILLUSION TO THOSE WHO HAVE MOVED HERE INCLUDING ME. 1016	Too many low life's moving in, bringing crime, pit bulls/dogs & dog feces;excessive vehicles per household. Recent change to code slowing one car garage unrealistic. Too much focus on repeating errors of northeast cities such as so called affordable housing .wasteful spending by local government such as playground tarps, police ops center, city hall, community center rebuild. Need more sidewalk, need more code enforcement, better traffic engineering e.g.: city walk parking lot, Walmart entrances.	1/11/2019 6:25 PM

1079	The major reason most people move to Palm Coast is its location it made a great retirement community however businesses have taken over traffic has gotten exceedingly bad and we're still inviting more business opportunities if the businesses were moved outside the city limits it would be better for all . The roads should've been the first priority and then the businesses, spending in this town has gotten out of hand, it seems like the only answer is spend more money and not look at better ways to manage the money that you have it's a great town it's just managed wrong I feel that if everybody sit down and looked at the problems that we have they would surely come up with a solution, placing duplexes in all these communities has really caused the property value to go down I'm not saying that less fortunate people should not have a cheaper place to live and where they live but we should be realistic the average rent for a duplex is around \$1200 it's cheaper to pay a mortgage then it is to pay rent. If you want to help those that just want to pay rent set a side some of your property out on route one for only duplexes her apartment complexes . The other thing I'd like to mention is the cost of water around here, I've noticed that you've raised the water bill not much I might add to cover expenses for an update however you can't tell me that with all the people that have moved in this area that it doesn't cover the expenses surely you don't have to pay all the expenses at one time he could be done through bond over a period of time like I said earlier people need to sit down and think about these things Again I'd like to say this is a great area and with just a little thinking we can make our dollar go along way thank you	1/11/2019 11:18 AM

1107	Too much development. The loss of native vegetation that has occurred since I moved here is very sad. Palm Coast should be buying up as much land as it can to preserve the beauty, rather than letting developers cut everything down. A good example is the Los Lagos development at Matanzas Lakes, an incredible amount of trees have been cut down to build useless stick-built houses that will probably blow away in the next hurricane. Palm Coast still has that feel of "Old Florida", which is dangerously close to disappearing, and becoming just another overbuilt community that looks just like any other community.	1/11/2019 9:10 AM

1142	Palm Coast was created initially to be a unique retirement community but the City is promoting growth without any consideration for its impact on the original concept. It is no longer a retirement community. The level of crime in our City is not perpetrated by the retirees. The large influx of young families moving in are placing an ever-increasing burden on our taxpayers who came here to enjoy their Golden Years on Social Security and other fixed pensions.	1/11/2019 4:02 AM

1146	City keeps raising taxes and city officials don't follow what tax paying citizens want funded. The mayor and others spend tax dollars and their pet projects to make impressions to attract new residents to the city,	1/11/2019 12:13 AM

1149	1) Single party government is not good. The arrogance of some local men in government is appalling. 2) Also the actions of city workers seen destroying campaign signs of democratic candidates make me feel unwelcome in this town. 3) Sub-standard health care. Spouse was misdiagnosed by three doctors in Palm Coast. Simple diagnosis that was missed.	1/10/2019 10:42 PM
1150	Widespread disrespect for residents by an ever increasing transient populations. NO existence of traffic control, cars flying up and down street at 15 to 30 mph over speed limits day and night. Multiple rental homes with many single adults no noise control at night. Trash thrown from vehicles everyday. 15 years ago PC was a 9 or 10 for quality of life - today a 3 at best.	1/10/2019 10:35 PM
1151	Lack of affordable senior apartments to downsize from home ownership	1/10/2019 10:17 PM
1152	WAY TOO MUCH money is spent on beautifying Palm Coast over it's FUNCTION. There are REAL problems that need addressing!! Examples are: Sewage and storm water drainage, especially in certain areas, are not being addressed. Also, overgrown lots with growth right up to within 2-3 feet from houses when 10 feet away from a house is the law! Calls to the city offices regarding these problems never being answered after numerous calls are made regarding them. After so many years people get tired of paying higher and higher taxes only to not have ANY of the REAL problems addressed BUT you can bet you are going to see a brand new EXPENSIVE piece of equipment just to blow leaves and pine needles off walking trails. A lot of things like that are not needed when you have WAY BIGGER issues with the FUNCTION of a city and the people who are forced to endure all of the disfunction.	1/10/2019 10:13 PM

I'd love to be able to park work vehicles, etc in our driveway, and if we'd know then, what we know now, would have never moved here! water rates are extremely high , another factor, and it seems the Government of Palm Coast is more interested in flowers that die polluting our landscape, bushes in the site path of oncoming vehicles are more important then street lights and sidewalks ! I'll be glad to move into my RV and see how other city's thrive while exploring our Beautiful Nation !	1/10/2019 7:11 PM
1188	Besides a Movie Theater and a long overdue Race Trac, there is nothing to do for kids through adults. It is so sad to see construction projects that seem to be half done and forgotten. Palm Coast initially was not developed as a community that goals were to depend upon business growth; growth that required solicitation of new business to meet the needs of young people who may have followed their parents and grandparents to become residents of Palm Coast.	1/10/2019 5:52 PM

1250	I don't plan to leave Palm Coast .	1/10/2019 3:45 PM
1251	The duplexes are destroying Palm Coast. And they are building streets of them in every section. Seagate is slapping them together and they usually are rentals and usually trashed. Areas where the duplexes are look ghetto. I moved to Palm Coast cause it was pretty. I love the restrictions but nothing is done by the ghetto looking outside of many of them. Very sad. City needs to enforce restrictions with the slum lords that buy the duplexes to rent !!!!	1/10/2019 3:41 PM

I told the police about it his response was "It's the times we live in now".He was very blase' about it. Is this the attitude the police force has. You mean you can't leave your garage open for 5 min. in fear something is going to be robbed from you garage or home.I live in the P section I wonder if it's this way in all sections	1/10/2019 12:24 PM

1406	Most everything I want to do to my property has to have approval from the City. I can't park an RV in my driveway like most cities. Not enough Police patrol in my neighborhood. Drivers drive between 30 and 55 miles per hour on Rickenbacker Dr. I think we need the Police to sit on the road or install speed bumps. People think it is a raceway between Royal Palm Parkway and Rimpire Drive. Not enough street lights in Palm Coast.	1/10/2019 10:25 AM

1593	No sidewalks, gutters, or streetlights. Its honestly pathetic. Dangerous. Your lucky a kid has not been killed.	1/10/2019 7:25 AM
1594	The City is not consistent with its rules, especially when it comes to code enforcement. We have been singled out for years while homes all around us are getting away with business trucks and equipment parked in yards and driving over the swales to park that equipment in the back. As well as homes with junk and garbage in their yards, yet we get tag for a lattice screen around our AC unit. We've had to go in front of the board to have a business vehicle in our driveway and pay a fine ,but the city allows others to be disrespectful to the rest. Also as a realtor, the code enforcement takes my open house signs when they are only out for 2 hours. We are trying to work in this City and it makes it difficult. The city needs to bring in big businesses to put people to work as well, we are not the retirement community that was planned in the 1980s. Get with the times. People need to work, leave self employed families alone.	1/10/2019 7:25 AM

1608	Nearby schools ratings are not so good for my baby (will go to elementary). Jobs are limited Heard all bad news from all the neighbors about nearby Hospitals when you need to go for operation. Limited honest construction workers/contractors. We got scammed repeatedly when we hired painters and others. Need to have access to some resources. Property tax on our European Village Retail unit increased 100 percent from 2017 to this 2018 (no limit on tax increase percent/is this another scam?) Concern about with new constructions overbuilt without proper building code/quality control & trees cut down along the way. Traffic along A1A (Washington oak and Marineland) will increase, need to change the speed limit (slow down), traffic lights and speed bump. Last suggestion: Palm Coast is a beach town but all the city signs colors are black (sign entertaining to Palm Coast.), this sign isn't artistic and presenting the taste of the city incorrectly. Should use similar colors to Hammock Dunes. Light blue/Green...anything besides Black Color.	1/10/2019 7:12 AM

2290	Costs are increasing substantially and the city/town is deteriorating. Despite the improvements in parks, there is over development and increase in trash on the streets. Additionally, the added restrictions on yard waste pick up is a huge inconvenience and only exacerbates unkempt properties.	1/9/2019 12:04 PM

2314	Property taxes are getting out of hand. I added a simple swimming pool and my taxes went up \$800.00. i will be paying close to 2500.00 and everything is 10 miles away each way. \$22 million for a DPW yard? Why? Does it snow? Is there ice every morning? \$8 million for a bingo hall? Next is our own police force and it will be New Jersey taxes and you get to make \$15.00 an hour. I watch 40 year old men pull weeds by hand on Belle Terre while talking on the cell phone. The ditches in the front yard are joke. I was told "we want the water to stay in the ditches, I'm not sending a crew to re slope 2 empty lots to the corner." 2487	Well the rules and stipulations are a bit much for most people . I know this was meant to be a retirement community but obviously Palm Coast can't thrive on just retirees. I think it's too much for people to get fined for having a trailer parked in their driveway or a boat..ect...honestly I could care less who has what parked in their driveway as long as it's not trashed out. Neighbors tattling on each other all the time is getting rather annoying and honestly makes me not want to ever buy a house here. I just rent and have the option to move elsewhere if I see fit. I think it's too much for people to get fined for having a trailer parked in their driveway or a boat honestly I could care less who has what parked their driveway as long as it's not trashed out so people tattling on each other all the time is getting rather annoying and honestly makes me not want to ever buy a house in Palm Coast. It's beautiful but that should not define what Palm Coast is about. My suggestion ease up on people who own their homes. It is their home and I get that gated communities do rules and regulations but all over the city of Palm Coast is a little bit ridiculous. We also need to get more businesses in the city of Palm Coast so that more people can have jobs and more choices for jobs.	1/8/2019 5:21 PM

I have to pay the full tax rate (\$2,700) plus the first \$69.00 of my monthly water bill are taxes when I very seldom there and use (0) water a month. I don't use and services for roughly 10 months out of the year plus I'm a senior citizen (69 yrs old). I realize its a vacation home but there should be some kind of a discount for Palm Coast homeowners such as myself. pel815@verizon.net	1/8/2019 4:34 PM

All the houses are the same colors. There's no individuality. There's absolutely no character at all in this city. I thought I was moving into a city not " big brother" I have friends and neighbors who've been complaining for years about the " code idiots" in this town. Finally last year after having the same color on my house for five years I was told I had to paint it a different color. That's insane. I'm 70 years old and couldn't afford a painter so I had to do it myself. It makes me sick and I intend to move from palm coast as soon as I can afford to do so. What's wrong with you people anyway? Where you bullies in high school too. Grow up and let people care for their own homes without your juvenile input.	1/8/2019 11:15 AM

They're stuck in their ways. They need to stop putting up 55+ communities and make this town more welcoming to younger people. Rent & living expenses are extremely high. Which is keeping all of us away. We need more events, more energy going into the farmers market (or events like that) to keep people engaged in the community. 2745	I have lived here less than a month and I Received a notice from the City because a neighbor complained that my dog was running at large and pooped in her yard which is certainly not the case and because it is also unlicensed. I was unaware they were required to have a license, so I'm glad I know that but my dog does not run at large. I do let her off the leash in my own yard but that's it and I'm always right with her. I have seen a dog running at large with a pink collar in my yard multiple times since I moved here but it is not mine.	1/5/2019 5:58 PM

2754	Not enough top notch one of a kind restaurants. Lack variety. Mostly pizza and chain corporate America eats. Not an innovative city with enough tech jobs. Need more electric and hybrid car charging stations. Too many homeless people crowding our dangerous intersection and creating distractions for over medicated and impaired drivers. Poor mental health services for public school students. Too much marijuana and pills in the high schools. Schools are not safe in Palm Coast. Traffic jams on Palm Coast Parkway getting worse every quarter. Architecture is bland for businesses. Too many plazas.	1/5/2019 3:54 PM

If you take the ladders and lettering off, no problem. We have a service economy these days. There are no jobs here. I make good money. I have alot of friends who are looking to move to Florida, and I tell them not to come here. I recommend Hastings to them and that it's an up and coming area for working people. I tell them they dont like working class people in palm coast.	1/5/2019 9:43 AM

2778	Lack of good paying jobs, overbearing city codes / regulations (parking of RVs, work trucks, etc)	1/4/2019 6:21 PM
2779	City government spending too much on dog parks, pickleball, etc.& not enough on infrastructure, painted street lanes and main street lights. We're seniors that can't see at night when it's raining hard. Need lights and repainting of street lanes. We don'n need to design a dog park. Buy a grassy lot and move in porta-potty.	1/4/2019 4:28 PM
2780	No industry and unfair practices. Palm Coast wants to seem metropolitan, but it's "governed" with a small town (and small mind) mentality. I am a transplant from NYC with a Bachelor's degree in Business and years of significant experience- it took FIVE (5) YEARS to finally obtain a job even close to my qualifications here in Palm Coast. All this time I was stuck working retail because employers here are incredibly biased; instead of seeing someone with my experience as a credible asset, I was treated like a threat. The "best" paying jobs are with the City, and through out these 5 years I tried over and over for Admin positions that I more than qualified for. Unfortunately, I was always denied an interview; actual City employees who I told about my experience were shocked that I didn't have a job there, and even more unsettled that I have never even been selected for interview. The last time I attempted I was told that my application was chosen by HR, but the hiring manager "preferred" candidates from Palm Coast Data. Well, I now work at PCD, so if I were to apply again for a position with the City I could only wonder what the next excuse would be to not consider my application. To touch upon another topic, I do not like the Flagler County public school system, which is why my son attends a private school. This is coming from a woman who enjoyed a good public school education in NYC from K-12, and then for higher education I chose a private college because of the programs offered and location. I am 32 years old, so it's not as if my school experience is too out-of-date.	1/4/2019 4:10 PM

2784	Too many city violations for property owners for nonsense things. Meanwhile the city should be cited for many of the same things. Marked city vehicles being parked within the city, trash on roadways and easements, high weeds and grass on city and commercial properties.	1/4/2019 2:40 PM

2801	Over crowded. Rude people taking over	1/3/2019 6:28 PM
2802	Lies, deceit and mismanagement by mayor/council. Lack of transparency. Favoritism shown by some city departments towards "pet" contractors. Lack of enforcement of many "unnecessary" traffic laws by contracted 'police'. (So deemed by the Sheriff)	1/3/2019 6:13 PM
2803	More and more building, people traffic. I've seen too many places in FL ruined by this, you can't find a nice quiet place and have it stay that way. Plus, mostly low pay retail jobs.	1/3/2019 5:46 PM
2804	Increases in crime. Increase in the amount of trash littering the area.	1/3/2019 5:27 PM

2807	Looking for moderately priced condo.	1/3/2019 2:01 PM
2808	Love the parks and the infrastructure. But the trash people throw all over(not city's fault) leads me to want to be in a more controlled development.	1/3/2019 1:59 PM
2809	Seems to be a lot of crime here. Also not good for shopping and we have too many chain restaurants, not many high quality eateries. Clothing shopping is terrible. I have to go to St Aug outlets or Daytona outlets. You say shop locally but options are very limited.	1/3/2019 1:19 PM
2810	Across the bridge to the beach. Palm Coast is too beige, boring and full of retirees. It's like living in a citywide HOA. And all roads are covered in trash. Sesame, Citation and Seminole Woods are always torn up from people mudding. Fast food cups strewn along the side of every road. It seems the, at least in our section, people have no respect for anyone but themselves and enjoy tearing apart public property.	1/3/2019 1:14 PM

2820	Tax burden is ridiculous. code enforcement is ridiculous. citu spends money on unnecessary projects instead of things that will impact the citizens in a more positive way - example - we need street lights on belle terre and in neighborhoods.	1/3/2019 9:57 AM
2821	To many restrictions. I'm a young person that works in Jax and I am a lot of times working from 5-9 at night and I have a commercial vehicle that's new and I clean twice a week and it's a inconvenience to be handed fines and reported by people for having a commercial vehicle when your trying to make a living.	1/3/2019 9:57 AM
2822	Excessive, unnecessary, and out-dated city code; particularly regarding commercial and recreational vehicles on private property. Additionally, generally speaking, Palm Coast is an over-regulated municipality lacking any semblance of sustainable industry.	1/3/2019 9:47 AM
2823	A job	1/3/2019 9:33 AM

2847	Pricing of the cost of living.	1/2/2019 11:42 AM
2848	The city should take an interest in enticing people who want a future here. For one, let larger businesses come here. No more chain fast food restaurants. We have so much to choose from and it's all unhealthy. We need healthy options and businesses that will stimulate the economy, not deplete it by hiring low wage earners.	1/2/2019 10:58 AM
2849	I don't plan on leaving. I work in Jacksonville and will continue to live here. I have been here since 1991 when my mother brought my sister and I here and I can't see myself anywhere else.	1/2/2019 10:48 AM

2856	The crooked city council members, and the whole city of palm coast. They do things that's convinient for them, not for the people.	1/2/2019 8:43 AM
2857	Poor jobs, housing is expensive.	1/2/2019 8:36 AM
2858	Any email I've ever sent did not get a reply of any kind. My next community will have representatives that respond to their constituents. One of the reasons I moved here was that there was no HOA for my home. I did not then know that the city in effect is an HOA with excessive restrictions and rules. I'll be happy when I move to a community with more relaxed common sense rules.	1/2/2019 8:31 AM
2859	Too many people. MANY folks came down from "the great up north" and proceeded to tell us how things "should" be down here. City Government is caving to them. They have ruined our piece of paradise.	1/2/2019 8:28 AM
2860	Not enough to do. Shopping,dining etc.	1/2/2019 7:42 AM

111	Gas stations on Belle Terre Pkwy. Anyone who lives in the P or R section have 1 gas station in Pine Lakes that isn't really mentioned. If they don't know about it, they have to go up near Palm Coast Pkwy to go to the Kangaroo/Exxon or go to SR-100 to either the Circle K in Bunnell or the Racetrac on Seminole Woods Blvd. Additionally at FPC, students walk all the time to the Olive Garden rear parking lot because they park there to avoid the school parking fee and walk the rest of the way. School buses had to be redirected to Bulldog to avoid the walking traffic and with Wawa being built soon, the students will be crossing Bulldog more often. Maybe we should build a skywalk to clear the roadways so students can cross safely and bus traffic is not affected or the school could drop the parking fees and let students park for free. I mean Walmart doesn't make us pay to park, why should students have to pay?	1/22/2019 4:37 AM

459	This area is developed enough as it is. Traffic in Palm Coast is awful for such a small city. Many of the homes being built appear to be of very low quality. Pal Coast's major responsibility now is to oprotect ouyr natural resources, which is the only true attraction here. Both Palm Coast and Flagler County need to STOP promoting irresponsible development only for purposes of expanding their own bureaucratic empire. Stop it now!	1/10/2019 10:01 AM

540	I'm not sure why we'd even need to develop another town center. But I would not want industrial developments in matanza wood s parkway as this would create problems with residents that want a quiet non congested Residencial area and not a industrial development. I think building a hospital or park and getting more people to be community involved, offering work jobs. (You don't have to make money from the vendors). The city chases business away with all the permits and inspections. Why can't we have a Costco in PalmCoast?? Closest one is in Jacksonville and Orlando. Look at all tax revenue you are losing. This is my biggest complaint.	1/9/2019 5:07 PM

131	I do not do much travel around Palm Coast but often have to drive to other cities to conduct the business needed as we do not have many of the businesses here in Palm Coast. Further, it seems that we sit at stoplights a long time here in Palm Coast as there are a lack of planning on traffic lanes, right turn green lights on red, photo sensors or road sensors to make the lights change, and more. Last, where new lanes of traffic should be built there are new sidewalks being installed where the traffic lane could have gone. Sidewalks in the subdivisions are lacking yet we have sidewalks along the highways!	1/14/2019 10:10 PM

55	Honestly , I don't. That is one of the biggest problems. I use flaglerlive and palm coast observer but most of the events aren't listed. We need more planned events that have a solid foundation, good turn out, and extensive advertising. The lack of effort on it events and advertising is what makes more small turn outs. And these small turn outs repel people from showing up at future events.	1/21/2019 10:52 PM

1	To be fair, I think the City does a good job. My negatives are that I am Florida born and I hate to see people replacing the beautiful swamps and coastlines, people who could care less about preserving nature. The deer, rabbits, birds, etc. are hardly ever seen near here - or anywhere. Thanks for the opportunity to give my 10 cents.	2/18/2019 11:00 AM
2	Proper grading of the sidewalks is needed. After rains many sections take days or weeks to dry and become unusable. Don't just lay cement... Plan for its daily use in our type of climate.	2/3/2019 10:37 PM
3	We would like code enforcement to do their job and investigate violations at 42 Sleepy Hollow Trail	2/3/2019 9:50 PM
4	Bring more jobs in by letting big stores like Sam's club, BJ's or Costco in off us1 where there is plenty of room. This way we keep the money in the county and not Volusia or Orlando area.	2/3/2019 4:58 PM
5	Need more shopping, commmunity center, group activities like walking club. Ways to meet other couples cooking classes, basket bingo, new comers club, book groups, ability to walk or bike with nice scenery instead of busy roads.i force littering laws, pick up garbage along streets and roads. Engage community volunteers to organize these projects.	2/3/2019 7:56 AM
6	Instead of spending money on electric street lights take advantage of switch to solar. One time cost up front. Minimum upkeep. Lasts 15- 20 years.	2/2/2019 11:38 PM
7	As a constituent, I'd like to see the Mayor and City Council start working for the people they represent and not special interest.	2/2/2019 10:11 PM
8	I love our city! There will always be things that need to be worked on, but overall we have it good here in PALM COAST!	2/2/2019 9:31 PM
9	I feel the speed limit on bell tare pkwy should be either reduced or better enforced. That is one dangerous road between us 100 and palm coast pkwy.	2/2/2019 9:02 PM
10	Thank you for all of the city events! I love them!	2/2/2019 7:08 PM
11	Living here for 4 years, the filth along Old Kings is surprising. Used to see cleaning trucks, no more. We came here due to nature and clean environment. What a disappointment. Too many filthy people dropping garbage out their windows! It needs to be addressed!	2/2/2019 7:50 AM
12	Keep the inspectors off of our backs. Lax the ordinances on commercial vehicles(work vans and trucks), let us keep up with our own homes the way we see fit. Stop stressing us working professionals out, we just want to work and come home to our families and live the way we reasonably want to. They city is a great place to raise a family but I'm considering renting and moving to another area with all the demands you, the City, put on us.	2/1/2019 9:47 PM
13	You are making a mess oht of our most popular route	2/1/2019 7:56 PM
14	In addition to the scheduled inspections of new construction by the Building Dept, other numerous drive-by inspections should be occurring as these contractors/vendors/sub-contractors are playing loud music while building houses; driving all over neighboring properties with big trucks, vans, and dump and cement trucks etc; leaving trash behind; overflowing dumpsters; silt fences mashed down and driven over; excess mud and dirt in public streets and accumulating/driftng to bottom of neighboring driveways along street near construction; speeding of construction vehicles all day throughout neighborhood. The plantings of protruding shrubs and trees in medians of intersections and parking lots is a major safety flaw and obviously hinders clear visibility when navigating these areas. Both ramps from I-95 exiting onto Matanzas Parkway are poorly placed...that is, the point to where they enter onto Matanzas Pkwy are deathtraps, both for the vehicles exiting the ramp and for those crossing the bridge past the exits as well. The curve/arc of the bridge hinders clear sight of oncoming traffic which is speeding along.	2/1/2019 7:44 PM
15	The mulch recently used at the parks is very large and sharp. If a child fell they could easily get hurt. While we are very appreciative of the upkeep this mulch does not seem to be ideal for use in this setting.	2/1/2019 7:30 PM
16	Magnolias should not be required as part of a home building. The town name is Palm Coast. The setbacks between homes should be increased to allow adequate drainage.	2/1/2019 7:22 PM
17	We need to invest in our town and bring businesses here!	2/1/2019 7:12 PM
18	Our community is bigger than Volusia. There is no reason why we shouldn't have access to Arts and Entertainment and Nightlife. Seems like we're always headed north or south of us for interesting thing to do.	2/1/2019 5:22 PM
19	More jobs. Less of a police state.	2/1/2019 5:03 PM
20	Affordable housing for Seniors is a must not govt subsidies on rental houses that ruin our neighborhoods ie section 8 stricter rules on rentals such as must be able to contact owners leases on file in city hall would make sense. Too many out of town owners and shady rental agents	2/1/2019 3:25 PM
21	JOBS!!!!!!	2/1/2019 2:30 PM
22	Get the police to write some tickets for people that throw trash along pur roads. How many tickets have they written in 1 year?I bet it would be under 10 or probably zero.Stop the proposed bike path on Whiteview. .	2/1/2019 2:01 PM
23	Storm water drainage is bad in f section all around farmsworth and Fariston place	2/1/2019 1:17 PM

2018-2019 Citizen's Survey

24	the drainage stalls are poorly maintained (sect B). many are totally closed off.	2/1/2019 9:13 AM
25	Please stop trying to build low income apartments and housing in our beautiful town. People with NO investment in our city will not treat it (or the residents) with the respect we deserve. There are plenty of low income housing in the areas surrounding Palm Coast and people should move there.	2/1/2019 9:11 AM
26	Would like the elected leaders of the City of Palm Coast and Flagler County to develop and activate a public bus transportation system!	2/1/2019 9:04 AM
27	Too much has been spent of City Hall structure and surrounding area, invest monies into assuring residents have proper water, sewer and roadways that are not supplied by overcharging the residents!	2/1/2019 8:57 AM
28	Restaurants on the Intracoastal would be a nice addition. Also, attract a quality Seafood restaurant to the downtown.	2/1/2019 8:14 AM
29	Larger community recreation center pool needed.	2/1/2019 6:50 AM
30	Thanks for doing the survey. I'll be looking for the results on-line and the council meeting to discuss the results.	2/1/2019 6:44 AM
31	City should provide more opportunities and support for arts and culture as it does for parks and recreation. If you want to encourage economic development you have to offer a balanced quality of life. At present, parks and recreation uses up more resources to the detriment of other services such as a proper senior center or an arts (visual as well as performing arts) center - a place for children can go after school to learn about art and seniors during the day and seniors can meet for lunch etc.	2/1/2019 6:25 AM
32	please stop encouraging growth until we get infrastructure(roads repaved, storm drainage etc) and traffic under control. Stop encouraging low income housing. Citizens have said no to this idea multiple times. Listen to the tax payers and those who moved to a Palm Coast for a safe family oriented middle income area.Nothing to be gained for the city or its residents with this type of housing.	2/1/2019 1:58 AM
33	3 years I retire and I put Palm Coast in the rear view mirror	1/31/2019 9:50 PM
34	Would like to see more education for everyone to recycle.	1/31/2019 9:19 PM
35	Try to encourage restaurant dockside development on the intracoastal. Ease up on warnings for parking infractions in residential areas. The world is troubled enough without local government hand delivering more anxiety to your door.	1/31/2019 9:07 PM
36	Not happy in the direction the city is going - over development.	1/31/2019 7:58 PM
37	Encourage businesses to move here that can provide higher paying jobs and healthcare benefits. Encourage home builders to build more modest homes that are affordable to the average middle class family.	1/31/2019 7:39 PM
38	please be more compassionate to the feral cat colonies and quit harassing the people who manage them. The cats keep the rat, mouse and snake population controlled. Quit spending so much time , money and manpower on the parkways. Plant them with grasses and low maintenance plantings and ornamental trees that do not grow tall. Keep it simple and then there would not be so much maintenance involved in keeping them looking nice.	1/31/2019 7:28 PM
39	Please provide DAILY senior activities. Such as the Community Center game day offered more than one afternoon a week. The Flagler County George Wickline center is inadequate: poorly managed, and does not meet Palm Coast senior needs.	1/31/2019 5:53 PM
40	I would like to eventually see SR 100 cleaned up, and add cafes, shops, anything to see it quaint. I wish to also have larger shopping options, such as a Costco, Sams, etc. I do not want to see any more gas stations by Rte 95 and Rte 100; in fact, the entrance ramps on all sides of Rte 100 and 95 need to be beautified, similar to the way up north in the heart of Palm Coast. Southern Palm Coast is building homes at a very high rate. I would like to see it taken care of the way the heart of Palm Coast is.	1/31/2019 4:27 PM
41	The cost of utilities in the City of Palm Coast are the highest I have ever paid and they keep going up. The quality of the City water is concerning. I have to use a filter.	1/31/2019 4:17 PM
42	the "Town Center" and city hall are nowhere near the center of town to be convenient for all.	1/31/2019 2:56 PM
43	Time the signal lights better...in force litter on property that is rented ...to many cars for driveway to hold , park on side all the time..it seems that the trash around the town is getting worst, I realize that it not the city's fault, but didn't we have a team that use to pick up trash on main roads? People begging on the streets near highways...I stop at the light on Belle Terre and the person often approached my car .	1/31/2019 2:31 PM
44	I would like to maintain the small town, rural atmosphere, but would like more higher end restaurants over fast food and box stores, so I don't have to spend my money in Jacksonville or Volusia county. Lets strive for a trader joes or sprouts or something similar	1/31/2019 2:16 PM
45	For a city that seems to value appearances, seeing the homeless on multiple corners and sleeping out in the open, does not fit. We need to help and monitor more. Also about appearances which seem to be so important. Why do public works crews need to work the medians in front of Belle Terre and Indian Trails at the beginning of the day. Trucks block lanes and sidewalks, workers are edging the grass at the busiest time of day.....it's an accident waiting to happen. Also.....canal management has become non-existent. Bellaire Canal was clogged with growth and algae all summer and requests for service were ignored.	1/31/2019 2:15 PM
46	Right turn lanes are needed on the feeder roads at intersections along Belle Terre Parkway between Palm Coast Parkway and SR 100. Also - are there any plans to acquire property for extending arterial east - west highways Matanzas, Palm Coast, and Whiteview Parkways in the western part of the city to connect with the future I 795 in west Flagler county before the the land is developed?	1/31/2019 1:50 PM

2018-2019 Citizen's Survey

47	i would like better public transportation,the city is growing,will be nice to have it :) Daytona and St.Augustine they have it	1/31/2019 1:31 PM
48	Keep your Residential Zones Residential No reason to change zoning for the profit of close friends or associates.	1/31/2019 12:53 PM
49	I really wish the town could consider making changes to the commercial vehicle's code enforcemnet.... They should at least be allowed in a garage if under 1 ton. There are many people who are hard workers and own their homes here that use a commercial vehicle as their only vehicle... Thank you	1/31/2019 12:43 PM
50	I am concerned with the amount of trash I see on the sides of the roads. The cleanliness of this city is what my family always commented on when they come to visit me. It is becoming more & more noticeable to the point of them mentioning it to me on their last visit. It takes away from the beauty of Palm Coast. Couldn't non violent prisoners clean up the city on a supervised work release program?? I'm sure their is plenty to keep them busy.	1/31/2019 11:37 AM
51	city needs changes	1/31/2019 10:12 AM
52	THE WATER IS TERRIBLE!! We don't drink it or cook with it... YUK WHAT IS PC GONNA DO ABOUT IT???) That's my BIGGEST Complaint	1/31/2019 12:39 AM
53	can we get a sonic drive thru over on us-1 between matanzas and palm coast parkway?	1/30/2019 9:58 PM
54	Lighting is a huge issue...our roads are so very dark at nite...makes travel by foot and car dangerous, along with an encouragement for crime. In planning for expansion, it would be nice to have more single level condos available for retirees. I moved here from CT 3 years ago and just love it here!	1/30/2019 9:38 PM
55	Please educate children on maintaining their surroundings clean. The School Bus drivers should keep a garbage bag in the buses, as children get off they should discard their drinks and paper wrappers,most of street corders where they get off are full of cups/cans/wrappers. During garbage days,some of the garbage is blown by the wind or picked by crows,I think it should be a requirement that all garbage cans have a secure lit, the city shoud specify the requirements.	1/30/2019 7:43 PM
56	Please add Sound walls along I-95 for both sides.	1/30/2019 7:12 PM
57	Stop spending money is stupid things. LISTEN TO THE NEEDS OF THE PEOPLE not the politicians that are only out to line their own pockets and do what they want	1/30/2019 5:36 PM
58	I would like our council, mayor and manager to be more receptive to the residents request. The old Palm Coast are of F section along Florida Park and Farragut Drive is taken over by blight with houses abandoned or in need of maintenance and FPD needs traffic redirected away from it to reduce vehicle emission of 8,000 vehicles a day in those houses and needs landscape along its bared sidewalks to erase blight and diffuse emissions. When is Old Kings Road to be widened as is overdue. Blight and obliviousness is taking over our Old Palm Coast a revitalization program is needed for that area of the F section as undermines the value of our city and houses quiet a bit of drug epidemic. Hope someone reads this plea of the Palm Coast F section residents. Thank you.	1/30/2019 5:13 PM
59	Waste Pro stinks. We need Waste Management back and no-limit yard waste pickup.	1/30/2019 1:19 PM
60	Palm coast does not need more housing, it need industry/ jobs and to stop wasting money on re-doing the landscape in the center medians every couple of years. Need more street lighting at night on main roads and in neighborhoods.....	1/30/2019 12:50 PM

62	I would love to see all rental homes to be required to have yard service. This would help keeping our neighborhoods looking good. I know there are home owners that lack in yard work also, but you can work with them. Out of state rental ownership have no idea what's going on. Would also see requirements that they have to register their rentals.	1/30/2019 12:01 PM
63	Maintenance of unimproved lots lacking bulkheads in canals. Navigability of canals. Erosion along ICW.	1/30/2019 12:00 PM
64	Businesses around US1 and Palm Coast Pkwy are good, but there are too many empty storefronts especially in strip malls, which is discouraging and promotes blight. There are no gas stations on the north west end of Palm Coast Pkwy, which is a strange imbalance compared to East of 95. There are few white collar or tech jobs, so STEM graduates must work out of the county, or suffer low pay. City services work well, but remember that workers are happier in good workplaces. If the public works facility really is that bad, then do what it takes to fix it up! They've done a great job in recent hurricanes and of creating a good water and sewer system. Wildfire season is soon! Please work on a City fibre network, our internet speeds are woefully slow and outrageously expensive. Good to see those cell towers going up! Good for public safety too! Overall a great city to live in, not so much to work. The population seems to be younger now, with fewer retirees, I'd like to see the city retain some of the young folks to work in tech or industry if we can attract those jobs! I know it's tough, but you can do it! It's a great city!	1/30/2019 11:33 AM
65	I've have a problem the last few weeks with my water. I have contacted the water company. They came out and did a water test. The water still has a smell and yellow color to it. Nobody can tell me why. I have been living in Palm Coast for 8 years and never had a problem with the water. My neighbor is also having problems. So it's not just my home. I hope it can be resolved. The jobs here in Palm Coast are not good. My husband has to travel to Orlando every day for work ever since the company he worked for in Palm Coast closed up and put 500 employees out of a job. I hope something changes soon.	1/30/2019 11:25 AM

2018-2019 Citizen's Survey

66	Not everyone in Palm Coast is retired or has supplemental income. Even the average senior can't make ends meet. There are no good paying jobs here. Or if there were there is no training to qualify for them. It's a city of restaurants, banks and real estate offices. They don't support anyone to live well. Housing is expensive. Little choice if you are low or fixed income. So much empty land on 100 out in Bunnell etc. Yet no one has a plan to build commerce or jobs. Everyone I know outside of gated communities needs more than one income to live. House sharing is almost required. Who retired for that? Very sad. Growth comes with jobs and so does quality of life!	1/30/2019 11:21 AM
67	The city is divided into all these sections without any shopping close to most without driving out of the section. It makes it very difficult for an older person to live in a city where you have to drive everywhere to shop, go to the Dr. go to the pharmacy because nothing is convenient to most sections. Also, if you need some nice clothing you have to go up to Jacksonville or down to Daytona for some nice things, Belk treats the consumer in Palm Coast, like a second class citizen. The products they carry are nothing like they have in the store in Daytona and Jacksonville. We do most of our shopping other places except for groceries, but we do go to Sam's Club and Costco in Jacksonville, now we will be going to Trader Joe's in St. Augustine. Palm Coast is a lost city, between Daytona and St. Aug./ Jacksonville. We will never get the kind of shopping they have in those cities, we are second class citizens to big stores, not enough population to be bothered with, they know people will drive to shop. Also, if you think Town Center will ever take off, someone did not do proper Market Research on the development, it is not on main streets, can not be seen from the highways. Big mistake city made building the City Hall in that location they should have built it on Palm Coast Pkwy. That is the main drag in town, even named after the City, that should have said a lot when deciding where to put the City Hall.	1/30/2019 11:06 AM
68	Please get new business in this area. Plus you need to continue to address the Panhandlers. Its going to eventually impact Palm Coast. Especially what is going on in Daytona Beach. I can see those people moving here. We need to keep this a small town feeling. That's why I moved here.. And Keep a focus on not raising our TAXES.	1/30/2019 10:29 AM
69	Affordable housing is critical to have as rents are so high now due to a shortage. I hear comments when out, from new businesses that they would not do over moving here due to things like how many bushes to plant, how far apart, even getting a measuring stick out. Just an example, not a list. Be helpful to new businesses. How many years have we gone with poor performance on our cell phones? I thought it would change with the new council, it's been like pulling teeth getting to where we are today, moving so slow! How can we bring in new business with the high impact fees in Town Center, over 30K in impact fees to build a new duplex? Paying code enforcement to work on weekends just to pull down garage sale signs, open house signs? Having your rv in the driveway for the week to clean it out, you get sick so it's delayed and ce comes by and threatens to fine you? Driving down Belle Terre to stop at every traffic light? The city should be working with its residents instead of us vs. them mentality. It's been changing for the better, thank you for that. Also, why no helmet requirement for children on bikes? Volusia Co. had that when our son was 5, he's 33 now! Zero tolerance policies don't work well, as an aside for children who mess up. I love our new school super, btw. I want to love our new mayor and council- be good stewards of our taxes, quit spending like a drunk sailor and get the essential items done before the extras. Develop Town Center! Do what it takes to bring in businesses, the developers will follow with housing. Demand apartments and senior housing, do you know there's a 3 yr. wait list for the 55+ apts. The Landings in Town Center? Wow, that about says it all in regard to the need. All our citizens that moved here 20-30 yrs. ago are ageing out of their homes. They need a zero maintenance place to go and while some return to be close to their children, others want to stay in their neighborhoods, close to the familiar. They can't all afford these independent housing with meals etc. at \$3,000-\$7,000 month. They need more like Savannah Square or The Landings. I am done, hope someone reads this! Thanks for the opportunity, keep up the good work, getting residents involved in change for the better.	1/30/2019 9:31 AM
70	Our swells and drainage are terrible, flooding the streets and front yards!!! And also on main streets, food stores and other parking lots!!!	1/30/2019 9:29 AM
71	We need the right direction in the city of Palm Coast, honesty towards it's tax payer citizens. Survey the residents before building anything. We have enough parks, trails. We need more business for job opportunities, that don't include retail only. Streets maybe one at each corner of major streets or those that are very dark but not everywhere. But they need to be solar powered.	1/30/2019 8:37 AM
72	Take care of this once beautiful city	1/30/2019 8:33 AM
73	Despite the complaints - Code Enforcement does a great job. Without them, I'm not sure what the appearance of the city would look like.	1/30/2019 6:43 AM
74	City must live within its financial means. The Mayor seems to think the citizens have limitless money.	1/29/2019 7:54 PM
75	Put up street lights in ALL of the neighborhoods without charging the homeowner whose property the light sits on!!!! It would greatly deter the incessant and excessive crimes happening almost nightly. Residents should not be forced to pay for our own safety. The city should provide safety measures.	1/29/2019 5:04 PM
76	Poorly designed survey	1/29/2019 5:01 PM
77	Specifically, very concerned about preventing drug abuse and possible fires in Linear Park! There needs to be a stronger police presence to stop/prevent our beautiful park from being destroyed and our residents harmed. THANK YOU!	1/29/2019 4:49 PM
78	telephone, electric & cable lines need to be fiber optic & buried . Better management of water drainage in swells	1/29/2019 12:45 PM
79	Too many to be listed	1/29/2019 11:48 AM

2018-2019 Citizen's Survey

80	I appreciate the low cost of going over the bridge to A1A. I really appreciate the overall 'clean cut' atmosphere of Palm Coast. I appreciate the general cleanliness of Palm Coast. I enjoy the nearness of Palm Coast to St. Augustine, Daytona, and areas south of Daytona. I love the Flagler Beach area, especially the Flagler Pier area. I feel safe in Palm Coast, and that is very important to me. I moved here in June of 2018 from Amelia Island, and do not regret the decision.	1/29/2019 11:12 AM
81	THERE WILL BE A BACKLASH TO THE COOPER THE DOG FIASCO AT THE NEXT ELECTION 2020. KLUFAS, CUFF AND HOLLAND CAN NOT TALK OUT OF BOTH SIDES OF THEIR COLLECTIVE COUNCIL MOUTHS AND GETAWAY WITH IT.	1/29/2019 9:07 AM
82	We need more lights and Sidewalks please	1/28/2019 9:43 PM
83	my street in the b section has the worst garbage pick up I have ever seen in my 52 years on the planet	1/28/2019 9:33 PM
84	A left turn lane needs to be added on Palm Coast Pkwy to turn onto Club House Drive.	1/28/2019 8:19 PM
85	I've lived here for over eight years and love it! I work for myself (from home). Otherwise I would not be able to live here. I'd have to drive too far for a decent salary. You need to bring industry to this area or figure out how to lower the cost of living, for those who don't work for themselves and/or have kids / more expenses than I do (single professional, no kids). Thanks for asking/caring! Good luck with it! :)	1/28/2019 7:42 PM
86	more street lights please	1/28/2019 4:31 PM
87	mayor & compliance office & building dept need to be accountable for businesses conducting affairs in our town!!!	1/28/2019 2:09 PM
88	Economic Development is very important for this area. If we can get higher paying jobs into this area the lower paying jobs will show up on their own.	1/28/2019 1:28 PM
89	Happy to live in Palm Coast @	1/28/2019 1:17 PM
90	We like it here!	1/28/2019 1:10 PM
91	Need more cell towers, better traffic light timing on Palm Coast Parkway	1/28/2019 11:27 AM
92	Poor communication to the community about what is going on re roads, activities, trash. Try using newspapers. Or a sign up for weekly email.	1/28/2019 11:21 AM
93	I would love to stay in Palm Coast, but between the rising rental/home prices and no job opportunities that pay enough to keep up with the increase, I don't see that happening. I know many people in the same situation.	1/28/2019 9:52 AM
94	Work on storm drainage sewer line	1/28/2019 7:17 AM
95	Need better clothing stores. My family & I frequently travel to Volusia or St Johns counties to shop for clothing. Need more high paying jobs - not more dollar stores and fast food places.	1/27/2019 7:53 PM
96	Allowing one ton and under commercial vehicles and contractor's to have an equal opportunity as all. The services tradesman provide is essential to any community, which speaks for itself self.	1/27/2019 2:42 PM
97	I have been paying for a street light for 28 years. Before you start giving new areas lights start paying for all the residents that are paying for lights non public roadways	1/27/2019 11:46 AM
98	Palm Coast could be a great town if only the water/sewer situation could get regulated and if you would replace all of the burned out street lights.	1/27/2019 11:26 AM
99	Residents in Professional careers (outside Medical and Service) will generally have to travel to Orlando or Jacksonville area for employment opportunities.	1/27/2019 9:15 AM
100	NA	1/27/2019 8:55 AM
101	Stop development of Palm Coast Parkway East of Florida park Drive. Stop developing Colbert lane. Preserve our trees and natural land. Protect our wildlife habitat.	1/26/2019 11:01 PM
102	We need more police presence at night in our neighborhoods. Police should not be parked in parking lots at night. They should be patrolling our streets	1/26/2019 9:56 PM
103	I have walked daily each morning in Linear Park for the last 9 years but over the last 6 months there has been a dramatic increase in homeless drug users. Some of us have been calling the police as well as notifying the Fire Dept. of fires in the woods off Magnolia Path. Drug paraphernalia litter as well as a loaded syringe falling out of the toilet roll in the ladies room at the Linear Park restroom adjacent to the children's playground. Drug deals are becoming more commonplace in the parking lot of Linear Park. This has got to be stopped. There is a homeless camp off the Magnolia Path which keeps me from walking there anymore due to frequent garbage that litters the area. No longer feel safe walking on that beautiful path where there is an outdoor classroom. I wouldn't want my grandchildren to attend any class there until the druggies are cleared out. We can't promote eco tourism in this park til it's rid of this drug scourge.	1/26/2019 9:10 PM
104	Term limits for local elected officials	1/26/2019 6:53 PM
105	There is a tree stump that has grown into the road way on North Old Kings Road that is a potential danger to cars, just past the new Publix entrance. Otherwise the roadways are good	1/26/2019 3:37 PM
106	I have been paying for my street light since 1989 I knew when I hammy house built there weren't going to be any light Now everybody wants us to pay for lighting in there area I don't think that is fair. Also since moving here we were promise to widen OLD KINGS ROAD NORTH FROM PALM COAST PARKWAY ITS BECOMING HARDER TO GET OUT ON THIS ROAD BeCAUSE OF TRAFFICE it also needs repaving Many of our main roads needs repaving	1/26/2019 2:52 PM
107	Improve unique shopping & better eating opportunities, e.g., Chico's, Peach Valley Cafe, Salt Life	1/26/2019 1:09 PM
108	Please, please, please. No more chain restaurants. The lack of variety of different cuisines is terrible!	1/26/2019 12:42 PM

2018-2019 Citizen's Survey

109	Would love to have a variety of restaurants that are not fast food and a Costco Thanks	1/26/2019 12:32 PM
110	Overall a very nice place to live - higher end job opportunities and more higher end attractions would be very valuable to making Palm Coast an attractive alternate to South Florida.	1/26/2019 11:43 AM
111	I strongly wish for PC to remain a very small town and not to become South Florida. If I wanted that environment I would have moved there instead of here!	1/26/2019 11:02 AM
112	I think the city would profit from picking ONE Slogan prince name for the town and going with it. For promoting etc.	1/26/2019 9:55 AM
113	With so many lives taken by suicides in our city/county, we MUST do more to initiate mental health care here.	1/26/2019 9:03 AM
114	The plan to reduce Whiteview Parkway is the reverse of what should happen. It was designed to connect to Old Kings Road and have an interchange at I-95. There was plenty of space reserved to accomplish this and have safe bike paths / sidewalks. Look at the maps. Also, the argument of Light vs Traffic Circle at US 1 & Matanzas Woods is not the correct argument. There should be a bridge there.	1/25/2019 9:37 PM
115	Streetlights!! Please add them.	1/25/2019 6:56 PM
116	Thumbs up for the Island Walk redevelopment. Parks and trails are great! Please, no more strip type retail outlets, such as on W. Palm Coast Parkway. Would be nice to have more nice dining options, but I wouldn't know how to encourage that. We seem to be stuck with "Interstate Chain Restaurant Food". We always dine out of town.	1/25/2019 5:01 PM
117	Please put a street light at Old Kings Road and Utility Dr. It is very dark at night at that intersection. Fix depressions in the middle of the roads near the manholes, I.E., Pritchard dr, Parkview Dr, Florida Park Dr.	1/25/2019 3:27 PM
118	Stop pretending that you can "progress" to big-city status without incurring big-city problems. Remember, Palm Coast was originally conceived as a Retirement community.	1/25/2019 3:15 PM
119	The traffic lights near Walmart need to be better timed. Traffic backs up to Palm Coast Parkway because of the bad timing. The maintenance crews do an outstanding job as do the police.	1/25/2019 2:31 PM
120	OUR NEIGHBORHOOD IS REALLY LOOKING UNDESIRABLE. HOMES ARE NOT KEPT UP AND MULTIPLE CARS ARE IN THE BACK OF HOUSES. ON PINEGROVE THIRD HOUSE IN ON THE LEFT. 13 PINEGROVE MAYBE. IVE LIVED IN THIS NEIGHBORHOOD FOR 19 YEARS AND IT IS GOING DOWNHILL. PLANNING ON MOVING SOON.	1/25/2019 2:22 PM
121	Through traffic on Woodbury creates a hazardous environment for residents living on the street. Excessive speeding and poor drainage makes for a dangerous neighborhood.	1/25/2019 11:55 AM
122	I think a lot of work needs to be done with the swales and the standing water in them. When building takes place, the swales are not leveled out with the new residence and backs up into current residences property. When clearing brush in an empty lot for fire safety, pest control should come afterward to prevent bugs from coming onto your property. Commercial vehicles should be allowed to be parked in your driveway as long as it is not too large of a vehicle or tractor trailer.	1/25/2019 11:27 AM
123	Palm Coast is a terrible place to live. Awful policemen and even worse residents. There are no real good paying jobs and there's nothing here.	1/25/2019 10:39 AM

125	Keep Palm Coast an affordable place to live and kill the Electricity Tax	1/25/2019 10:21 AM
126	The increased noise from the airport is a huge nuisance in our neighborhood. Even though the airport is not within the city. Times should be pushed for to strickley landings and take off between certain hours. Embry Riddle out of Daytona uses this airport from early morning until late night practicing touch and goes. You see and hear the same low flying planes over and over. Airport has no rules about this like surrounding airports and is being taken advantage of by this out of county college. They need to care more about their own residence.	1/25/2019 9:38 AM
127	Keep that small town feeling.	1/25/2019 9:29 AM
128	We need more affordable family type entertainment in Palm coast. Instead of spending our money in Daytona or St. Augustine. Better paying jobs in Flagler County. The large majority of our working residents drive 30 minutes each way, they also tend to shop and play in other counties. That is revenue LOST to Flagler county. I would like to see something like Wonderworks or maybe a indoor/outdoor water park. Many cant be in direct sunlight or heat for hours on end. A indoor waterpark with maybe a small miniature golf course would be great. You could offer discounts to Flagler residents and it would provide jobs for our youth. Economic and business growth is essential here. We are NO LONGER a retirement community, we need to keep our money in Flagler county. When family comes to visit I have to take them to other countries, that is a loss for us!	1/25/2019 5:37 AM
129	Time the lights. Tired of stopping at every light.	1/25/2019 5:06 AM
130	Need another exit (on to 100) from the main part of the E section other than Easthampton.	1/25/2019 1:01 AM

2018-2019 Citizen's Survey

131	Please do not build communities, low income housing, apartments, strip malls, and such. I know these are being planned but please Palm Coast is so nice the way it is, the streets are great, traffic is bearable, scenery is awesome. Please build out in other areas of Flagler County. Do not ruin the great community we currently have. Please!	1/24/2019 8:23 PM
132	The treatment I have received in this town has been like no other place in FLA- I have been harassed by animal control and they do not do their job- I have encountered problems when I vote-I have encountered problems at various parks that needed intervention from park officials and sheriffs dept that were not dealt with properly. To mention a few. I could go on but I truly believe it would no help.	1/24/2019 7:14 PM
133	Beautiful comity but crime seems to be a daily occurrence. Way too many rentals in the neighborhood that aren't kept up and questionable tenants. Speeding makes me feel unsafe when driving. Moved here for the small town feel but seems like there is much new construction which will contribute to overcrowding.	1/24/2019 6:03 PM
134	There should be a halt to new developments until the abandoned ones are addressed one way or the other. It is un-sustainable to destroy local environments just for 'more' developments when others are abandoned.	1/24/2019 5:20 PM
135	Palm Coast does not need "affordable housing" in Seminole Woods. Stop THE REZONING on Seward Trl.	1/24/2019 5:14 PM
136	Please look into the water system. The water bill is as much as thew electric bill and we can't even drink the water because it looks dirty. I pay at least \$100.00 dollars a month for water and still have to buy water to drink and cook with. Palm coast also needs to raise the amount of wages paid. Rent is going through the roof and jobs in palm coast pay terrible wages.	1/24/2019 4:47 PM
137	The city outbids small local business owners on work requested by residents. the city does not give opportunities for small local businesses to succeed. There are some underhanded deals going on within the city and subcontractors. I also see a lot of wasteful taxpayer dollars being used on ridiculous work being conducted along the roadways by the city. they should use prisoners to conduct such work instead of over paying city employees to do the same job	1/24/2019 4:37 PM
138	I know I could live elsewhere cheaper, with possible better wages for working people and more of a downtown walkabout area but overall PC is the best home town feeling with more varied options just north (St Augustine & Jax) or just south (Daytona to NSB). I really do miss a "downtown". We must all drive anywhere we need to go in PC plus, no option for public transportation. ☹	1/24/2019 2:12 PM
139	PLEASE keep Bing's Landing just as it is! If the BBQ joint wants to expand - they can move elsewhere. The restaurant is not essential for the park, really!	1/24/2019 1:52 PM
140	Palm Coast is a beautiful place to live.	1/24/2019 1:52 PM
141	People who go out at night if they could see!!!! What is the problem with no street lights? Give me a break!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!	1/24/2019 12:44 PM
142	Palm Coast has a lot of problems. Lack of sufficient infrastructure for the amount of people that are moving in. Too many barriers for local businesses to grow and thrive. Chains or franchises are fine but you're not helping the local economy and therefore not showing support for the residents here. Homegrown businesses provide character which Palm Coast lacks. The streets are not safe, they need sidewalks and street lights. The city government cares too much about their image and appearances instead of making a difference within. I would never chose to stay in a place like this and leaving ASAP.	1/24/2019 11:38 AM
143	Please stop with all of the restrictions and permits. There is no reason to be such sticklers.	1/24/2019 11:03 AM
144	I live at the Woodhaven Condos on Old Kings Road South. We have 200 units. The average age I guess is in the high 50's. We need a sidewalk from Woodhaven Condos to the traffic light at Palm Coast Parkway. We now have to walk on Old Kings Road, with our back to traffic, to go to the CVS store.	1/24/2019 10:21 AM
145	Need sidewalk on Parkview for school kids was promised 8 years ago Don't pay city administrators more than governors	1/24/2019 9:57 AM

147	The approval of the section 8 housing in town center is completely unbelievable! Many people we know are planning on leaving due to the city officials poor judgment on major blunder issues such as this. Watch the crime stats in a few years from now.	1/24/2019 9:34 AM
148	The City Council needs to implement stricter laws for residents who let their dogs defecate all over the streets without scooping up and even on peoples' lawns. Palm Coast needs to have its own newspapers as working with the Daytona News Journal is not working out for retirees who want to read the papers but are at the mercy of unscrupulous people who keep hiking the price of the papers indiscriminately-what a shame? I am an ardent reader of the papers and I recently had to discontinue my subscription because of the unrealistic increases from the time I moved here in 2014(\$20.87) to now (\$39.00) The Observer leaves much to be desired, parts of the "R" section never receive the papers despite several calls and assurances that it would be delivered,we have not seen it in over a year.....these are some of the frustrations that cause me to second guess my decision to move here. There needs to be more diversity on the City Council and overall administration of Palm Coast, the politics stinks.	1/24/2019 9:24 AM
149	You need to do something about the traffic. It's horrible and getting worse.	1/24/2019 9:21 AM

2018-2019 Citizen's Survey

150	The rules for storing boats needs to be adjusted. The fact that a clean, well kept boat or recreational vehicle can not be kept on a homeowners own driveway is unacceptable in a community full of boating and fishing enthusiasts. Of course if a vehicle is dilapidated and never moved, this is an issue. I know many people who live in other areas do not / did not consider palm Coast their "home" for this reason.	1/24/2019 9:20 AM
151	Palm coast has been very boring. There is not much to do ever. Also i know a lot of people that have to drive all the way to Daytona or St. Augustine for work. The housing here is also super expensive.	1/24/2019 8:49 AM
152	I LOVE IT HERE and pray that I can find an affordable residence so I can stay!!!!	1/24/2019 8:44 AM
153	More sidewalks and more streetlights are needed throughout Palm Coast. Children are walking in the street, in the dark, to their bus stops. This is an extremely dangerous situation.	1/24/2019 8:01 AM
154	Speed limits in residential areas should be less then on otherwise open road areas i.e. Old King road. Future road development should be considered for better flow and for clear travel to prevent encountering people traveling on the wrong of Palm Coast Parkway. Better business incentives for small industrial businesses. Control the overgrowth of small franchise dining of. Don't allow developers to make poor flowing shopping centers with narrow pathways and a labyrinth.	1/24/2019 6:33 AM
155	Keep natural habitat & small town "old florida feel". Work on drainage instead of wasting money on pickleball courts and capt's bbq expansion! We flooded during the hurricanes & drainage should be MAIN priority.	1/23/2019 11:44 PM
156	If you do not aggressively promote new business growth and development, with a emphasis on the high income sectors like IT, engineering and medical, you stifle all other growth due to a lack of a solid tax base.	1/23/2019 9:36 PM
157	Something needs to be done about the people panhandling by Walmart and by public on belle Terre pkwy.	1/23/2019 8:15 PM
158	City to reconsider being able to have travel trailers, campers, boats on our property. Also consider to be able to Not build a RV garage on property. Sheriffs department is low on officers, the moral is low, and they need better training and better quality deputies (not so young). Prefer sidewalks Better speeding control in neighborhood Low income housing should not be considered in residential neighborhoods but rather on main roads 100, US1.	1/23/2019 7:45 PM
159	Sheriff's office seems to do a good job of apprehension and solving after the crime has occurred, however, crime PREVENTION should be made more of a priority. E.g... Never see patrols within neighborhoods. Job/business development needs more attention in the areas of manufacturing industry and technical occupations. Too many restaurants and retail occupations such as WalMart, Target and Ollie's Discount Store won't cut it, in the long-term.	1/23/2019 7:42 PM
160	Bring more careers, people need to make money to live on, some of us are not retired. Services are expensive i.e. water.	1/23/2019 6:49 PM
161	We moved here to enjoy the natural enviornment	1/23/2019 5:04 PM
162	I think that development needs to stay small in Palm Coast, people move here because of the small town feel. If any development is done it should be what was promised in town center. Higher paying jobs would be nice and city staff and representatives that do what the people want and not their own agenda would be great. Too many times over the years I see the governments agenda and not the people's, please hear your residents! A survey is great, but if you don't listen, why waste everyone's time?	1/23/2019 5:00 PM
163	Would love an archery rage	1/23/2019 2:33 PM
164	There have been times that I feel the Mayor and members of the City Council are full of their own self-importance. Building "Taj Mahal-like" structures without getting feedback from residents, is an example. Of course, that's just my opinion, I could be wrong.	1/23/2019 2:31 PM
165	Paint road stripes, some are very hard to see during thunderstorms and at night, especially on Belle Terre between 100 and Royal Palms. More information about recycling such as which numbers on the package we can put in recycle bins. Should items be washed out prior to collection,,what about caps on bottles??	1/23/2019 1:42 PM
166	Holland Dog Park - The lake is a bad idea. Great breeding ground for germs and disease. Love the play area for dogs. Belle Terra Parkway. If the posted speed limit is 45 MPH why are the majority of the vehicles trying to go 55 - 60 MPH ??	1/23/2019 12:49 PM
167	My wife and I have lived in Palm Coast for 5 years and have notice a very large increase in litter. We have the hiway pine lakes to maintain for the past 4 years, therefore our insight to this problem is valid. Based on my conversations with the city people who do the litter pickup they feel 1/3 of their time is on picking up litter (big bucks). I would hope that the city would realize the cost of this and would reevaluate it's litter program. I would be very happy to help in any way. Don't litter it's trashy or Don't be trashy keep it classy.	1/23/2019 12:35 PM
168	Please revise the four lane highway along old kings road and try to get wal mart to build a bigger store	1/23/2019 12:30 PM
169	The lack of lights on the roads needed	1/23/2019 11:46 AM
170	Palm Coast need more Light on Street. Belle Terre very dark. Need light in residence area or let people know by mail that everybody can make order for own light by application from Energy company (we have, our friends tell to us). Do not take all trees, when start build new houses, special Pine Tree. Pine Tree make our climate unique. Save Pine Tree as much as we can. Need one more Walmart. I love my Palm Coast. Thank you.	1/23/2019 11:46 AM
171	The leadership by mayor in the firing of city manager was not how real leaders operate. I voted for her in last election, but will not vote for her again.	1/23/2019 10:59 AM

2018-2019 Citizen's Survey

172	Waste Pro's service is awful - unreliable, speeding, driving on the wrong side of the road into oncoming traffic. They make up their own rules with regards to yard debris - sometimes they pick it up and other times they just fly by and leave it untouched	1/23/2019 10:59 AM
173	Change the city ordinance for enclosed trailers being parked at the residence and we will stay in palm coast	1/23/2019 10:37 AM
174	no comment	1/23/2019 10:13 AM
175	Stop developing more natural habitat. Tear down and rebuild over distressed areas and run down sites.	1/23/2019 8:07 AM
176	Do not allow short-term rentals in residential neighborhoods. Destroys communities. You should ask WHY people live/moved here - we moved here for the small town atmosphere. We've already lived in cities that emphasized business. We want quality of life.	1/23/2019 7:37 AM
177	Would like to see more pickleballnet courts. Play often and the are crowded.	1/23/2019 6:25 AM
178	The county and the City need to get on the same page	1/23/2019 5:56 AM
179	TRAFFIC! The traffic lights are not recognizing the cars on left turns. I've been hung up on Old Kings Road. Thanks for the drivers being considerate and understanding.	1/23/2019 2:30 AM
180	Keep Palm Coast beautiful and don't expand tall/big buildings.	1/22/2019 11:42 PM
181	Really really need to look at some sort of traffic improvement for Florida Park Drive. It's so dangerous and so many people walk to Holland Park as well. I've seen kids, adults, and pets in danger. Really love our new community center it's absolutely beautiful.	1/22/2019 10:30 PM
182	The city is ran well and I love our men in uniform. They have been nothing but good to us, from responding to fires or our suspicious activity calls to 911. However there is always room for improvement. I will touch on a few points. We as a community are at risk for extreme floods, that in itself is a huge infrastructure issue. The "Bum problem" for lack of better vinacular. Also the people doing under the speed limit in passing lanes, the light timing is vey, very, very frustrating as well.	1/22/2019 9:09 PM
183	Do not want apartment buildings in single family homes neighborhoods; put them on 100, US1 or PCH	1/22/2019 8:40 PM
184	Really need to take care of the swails & lighting on the roads. Feel like Seminole Woods is ignored as compared to the rest of Palm Coast	1/22/2019 8:35 PM
185	For what I know, the City is doing very well. Congratulations.	1/22/2019 7:41 PM
186	We have such a nice town, I wish they would crack down on homes that need painting, people that park in yards, swales and islands. Quit allowing the commercial vehicles to be parked on the streets and hanging out of driveways. Patrol the city like an HOA and get owners to take care of their properties. There needs to be zero tolerance especially for absentee owners and renters. Don't allow owners to maintain the homes like slumlords. Why are there still tarps on roofs from both hurricanes? Implement a weed ordinance in the yards. It's like this because it is allowed. If people don't want to comply with keeping their properties up to standards, well they can move to somewhere like Holly Hill that doesn't care. I don't see why palm Coast cannot look like Grand Haven or Hammock Dunes - it's because it is allowed. City of Palm Coast - put your food down!!!!	1/22/2019 7:30 PM

189	Some of the amenities in this city are not open to liberal minded people. You need to work on that. Everyone should feel welcome at a community center, not just old Republicans.	1/22/2019 6:14 PM

191	Recycle I've returned items at Walmart and noticed they throw away their plastic bags. And I've worked in offices and saw that they don't recycle paper. These large stores would make a big difference. 41 Woodbury. This person has a rusty car tucked in his neighbor's wooded lot next door. it's been there for years. If you're looking for it, you can see it when you drive by. Even if you can't, is this really okay? I've called it in several times and the car is still there. And what do you do about barking dogs. Day and night the neighbor dog wakes me up. And I am attaching a news article about fireworks. Every holiday we have to put up with it. My poor 95 year old mothers thinks there gun's. It's illegal - Do something!	1/22/2019 4:37 PM
192	Palm Coast needs more job opportunities.	1/22/2019 4:22 PM
193	ITT ran this place better that you yahoos. With less money too!	1/22/2019 4:17 PM
194	1) Hire you're own local police force. 2) Stop the speeding on Palm Coast Parkway 3) Solicit Walmart for another store on hwy100, the current store is over crowded 4) Bring in some well known restaurants. We have enough Pizza, burger, mex, Italian restaurant.	1/22/2019 3:56 PM
195	Code Enforcement needs to recognize when a homeowner is performing home and yard work as being a legitimate reason to park in other location besides the driveway just the same as professional landscapers when they park in a median or swale.	1/22/2019 3:38 PM
196	WHY DOS'NT THE TOWN HAVE THERE OWN REAL	1/22/2019 3:36 PM
197	I love Palm Coast and I have a wife and 3 kids who are very active in the community. My only complaint is that as a small business owner, the City is very difficult to deal with. There is a reason that we have very little industry here and nothing will change unless Palm Coast becomes more business/industry friendly. I have a lot of wealthy friends who moved to St. Augustine or Ponte Vedra because they refuse to deal with the City and the way that they treat small businesses. It is a shame because other than this issue, Palm Coast is a great place to live.	1/22/2019 3:31 PM
198	Streetlights and speed enforcement in neighborhoods are greatly needed. Maybe speed humps?	1/22/2019 3:27 PM

2018-2019 Citizen's Survey

199	<p>The flight schools at the airport are obnoxious! Daytona Aviation and Embry Riddle both. Their flight frequency is out of control. 3 take offs per minute is rude! They have ZERO concern for the neighborhoods around the airport. They may as well just give us the middle finger. I watch their behavior. They are rude on a daily basis. If bad weather is forecast, the day before they go NONSTOP. Their instructors goal is to take off, turn hard right or left at the soonest possible moment and return to the airport ASAP. Then, no landing until a student is finished. Until then it's ALL touch and go. Best for them their students are 80-90% of Middle East origin and they're ALWAYS available to show up at a moment notice to practice. It seems like they were dumped in the US to get rid of them by their parents . (Does Saudia Arabia not have flight schools?) Regulations should be looked into and implemented to improve quality of life issues around the airport. I've been here since 2004 and it's gotten far worse. Lastly, the aircraft they use are LOUD! Noise suppression was the least of their concerns when they bought them. I don't care how much fuel they buy. They are a nuisance! Please look into this.</p>	1/22/2019 3:24 PM
200	<p>Seagate is destroying PC with all the duplexes they build. They are of course rentals and usually trashed. Code enforcement needs to ride around daily to see the condition of them</p>	1/22/2019 3:06 PM
201	<p>If I had to pick my top complaint, it is the general lack of code and law enforcement within the neighborhoods. Speeding, parking in/destruction of swales, and the noise - especially the use of private fireworks. It would be refreshing to have a little "proactive policing" in the neighborhoods instead of relying on phone calls. For example more patrols or an occasional speed trap.</p>	1/22/2019 3:00 PM
202	<p>Traffic signal management is terrible. As just one example on Cypress Parkway at Steak n Shake heading from Walmart towards gas station only allows 2 cars to go through light then turns red. Poor place to put a light signal as I realize that if traffic backs up on Cypress it ends up out to Palm Coast PKWY. Too much congestion and traffic in that location. Stressful and frustrating to go near Walmart. The businesses need to start building in other locations like Kings Point and US 1 or Town Center. There is more than enough now creating too much traffic. Expansion of Palm Coast Pkwy was a big help but there is not enough corridors to get around the town to support the increased population. Dark streets with no lighting is also a problem. Town Center lights are excessive. Remove every other light pole and that's plenty. Redistribute to areas in desperate need. Start asking the citizens what they want and put it to a vote instead of deciding with taxpayers money. Help the town with revenue by luring corporations and industries that provide a decent wage other than minimum wage through \$10.00. Homeless and panhandling in Palm Coast is an issue that needs a solution. High Rent, Low Wages and Traffic. Nice to place to shop and eat but that is it. Cell phone service is not good. Base charges on utilities are high. Very little of the bill is from usage. Swales collect and retain water for long periods with mosquito infestations. Water collects and stands on Belle Terre creating ponding and hydroplaning. Where are the drain grates at curbs like most towns to divert the water to the canals. Bushes and grasses planted in areas that obstructs drivers view for safely getting out into traffic. This is in medians, shopping centers and various roadways. Please lets start thinking before we do. Why are we still paying tolls to go across the bridge to Flagler??? Lets make better choices and be more conservative and mindful of our town and citizens.</p>	1/22/2019 2:56 PM
203	<p>Now that the former city manager, Jim Landon is out, please begin focus on quality of life issues in the city that are far overdue and prioritize them over golf courses and leisure activities that are not essential when we have so many children and youth across our city that require the safety of adequate bus stops, adequate street lighting, and adequate sidewalks for pedestrians. The size of Palm Coast's population and amount of traffic has outpaced the city's ability to provide and maintain quality of life infrastructure. The city should be exploring the potential for its own city police department too and stop funding with citizens' taxes contracts to the sheriff's office in exchange for services the sheriff is already required to provided through county taxes, even if the city was not in contract for the services. Create your own police department that you can control with your own general revenue and you will end up with a better quality product with policing services and crime prevention efforts. A city of this size and amount of traffic and criminal activities should already have its own police department. Start focusing on the Matanzas Woods Parkway corridor for economic growth and development in an effort to balance the city's amenities between the north and the south locations. Bring in more cell towers into the city, the mobile cellular network is pitiful and weak at best in town and especially on the north end of the city. Keep up the good work, removing the city manager was the first step in the right direction for a contemporary Palm Coast in the 21st Century. It is time to replace stagnation with innovation!!</p>	1/22/2019 2:45 PM

210	<p>Opening up opportunities for real jobs that pay real wages will make a difference across the board in Palm Coast. Industry, manufacturing, tech, environmental services.... you name it, bring it to the city. Get people working with real wages.</p>	1/22/2019 1:16 PM
211	<p>My only problem is that we have to drive to go to stores like Best Buy and other larger stores. If we could get another Aldi in the Northern part of the city would be nice also.</p>	1/22/2019 1:12 PM

2018-2019 Citizen's Survey

212	Please take in consideration that palm coast is no longer a retired community it has all ages, sex, race so please be fair. Palm Coast is a great city but question is , is it to much to afford and even if you own your home .look around all for closure, empty properties, and families losing the apt they are renting or house. And no jobs in palm coast to save gas from commuting to different areas to go to work. Not enough after school activities bus to pick up children from activities after 4:30pm. And most of the stores closed at 9pn and open at 9am	1/22/2019 12:56 PM
213	I would love to see the city continue to grow, both north and south parts of the city. Town Center will be great for some but is a good distance for those on the north end of town. Continued development along Matanzas Woods and US1 would be great for a lot of people. Those who live in the L sections (I did for 7 years) don't have anything close by, not even a gas station.	1/22/2019 12:55 PM
214	No roundabouts on US1!!	1/22/2019 12:39 PM
215	Sherrif Staly is doing a wonderful job, please continue to support his efforts. We need a good Mayor, that lady whatever her name, is a joke. Palm Coast needs to support old and young alike to be a sustainable community. We need better jobs, industry, families can not survive on retail and restaurant jobs. Put money into the schools, they are truly our future.	1/22/2019 12:32 PM
216	Get some city officials in office that don't have agenda's and lets see something get done. The budget must be reduced and spending needs to be brought under control. We are in record debt and cannot just keep spending and raising taxes! The taxes keep going up and the quality keeps going down.	1/22/2019 12:24 PM
217	Schools need to be "Fully" funded.	1/22/2019 12:17 PM
218	I would like to see more QUALITY daycares, children's activities and educational opportunities. Job opportunities are scare and pay is not the best in the area. I love Palm Coast and I prefer it to Jacksonville (where I used to live), but I wish there were more career opportunities and things to do with small children.	1/22/2019 12:10 PM
219	Providing essential infrastructure is essential: Streetlights, sidewalks, storm sewers, cell towers with up to date services (state of the art) services for all communications (computer, cell phones, etc.)	1/22/2019 12:10 PM
220	Act on the concerns of citizens .	1/22/2019 12:03 PM
221	Seriously look into the employees of the Palm Coast Fire Department. It is all PR and not quality services. What a joke.	1/22/2019 12:03 PM

223	No more people like Landon and Delorenzo. Please stop subsidized housing and assisted living facilities.	1/22/2019 11:59 AM
224	I would like the city to focus on bringing jobs to the area and not focus on the monuments to themselves - city hall, tennis center, and community center. I wish the the city would focus on safety issues like street lights and appearance issues like canal maintenance (recently improved) and less on the "town center" area which is a bust!	1/22/2019 11:52 AM
225	Overall I love Palm Coast, however I think our community officials have spent far to much money on studies and consultants.	1/22/2019 11:49 AM
226	Another Walmart and Bowling Alley.. Marshall's, Popeyes,	1/22/2019 11:48 AM
227	The "R" Section is filthy. Every weekend someone is purposely throwing McDonalds's & other garbage bags & plastic bottles out their car window. This has been going on for over a year. I believe it's someone off Randolph. Homeowners are moving out. Nothing is being done. Additionally, some roads need repaving badly. On Belle Terre Pkwy there are bumps in the road that need to be leveled or shaved. On Rymfire Ave there was construction across the road. It has since settled making driving over it very bumpy - Please have Road Maintenance repair and level it out. I'm not happy with the City's neglect in the "R" Section.	1/22/2019 11:35 AM
228	HELP THE HOMELESS PEOPLE...WHY ARE THEY SO MANY LATELEY????? WHAT CAN WE DO????	1/22/2019 11:12 AM
229	Better code inforcement, parked cars, work trucks, unkept property, garbage cans not put away, boats, motor homes in yard. It is like the S section is a forgotten step child.	1/22/2019 11:01 AM
230	With all the new houses being built in the city/county there should be no need to raise taxes. There will be new revenue when these houses settle and are appraised!	1/22/2019 10:57 AM
231	Need more upscaled restaurants in and around SR100, too many fast food places.	1/22/2019 10:55 AM
232	Bigger is not better, continued residential growth will need additional schools and other public services, more infrastructure leading to large tax increases that will make Palm Coast unaffordable for the elderly and young folks just starting out to afford to live here.	1/22/2019 10:51 AM
233	Need more speeding enforcement in the E section. 30mph is not enforced or observed.	1/22/2019 10:42 AM
234	Need for turn lanes off of Palm Coast Parkway for neighborhood off of Bridgehaven Drive	1/22/2019 10:33 AM
235	I like the peacefulness and cleanliness and would like for it to stay that way. Some crimes are not reported or counted, which makes the crime rate seem lower than it is, but having more for families and children to do can prevent that. Development of stores, restaurants, and entertainment arenas for families and kids can improve things to do and produce more jobs which need to be higher paying instead of so many working residents having to commute elsewhere for work. Gas prices in this area can be lower compared to surrounding areas. Schools can do more or become more strict with the behaviors, consequences, and enforce more control over the negatives with staff and students for sure instead of focusing on standardized test. Students need to be taught more about real life situations and how to be more responsible socially and financially. I like the city catering to the elderly.	1/22/2019 10:16 AM

238	In the 15 years that I have lived in PC I can't believe how down hill this place has gone. You have city officials doing illegal things and they get off Scott free, but if that was a common person or no body the book would be thrown at them. The " people" need to be heard !!!	1/22/2019 9:54 AM
239	I've been waiting since August 2017 for my swale maintenance! City came out and said needed regrading, I've called countless times and each time get the same response! We will be out as soon as we can!!!	1/22/2019 9:51 AM
240	The local theater needs to update in order to compete with the new Cobb theater in Daytona. A lot of business and recreation growth in Daytona could be pulling people away from local development.	1/22/2019 9:49 AM
241	Someone needs to change timing of lights at palm coast parkway and cypress parkway. There are always Cars caught in middle of intersection.	1/22/2019 9:32 AM
242	Need to do something about speeder's on belle terre pkw	1/22/2019 9:24 AM
243	Canal lots pay extra taxes, what is that money for? Our canal is filling in to the point that we and several of our neighbors can not consistently use our boat lifts. And this is referred to as a deep water canal.	1/22/2019 9:24 AM
244	Cell phone service drastic improvement as well as street lighting	1/22/2019 9:10 AM
245	In recent weeks, there has been a rise in crime in our city. I'd like to see more police patrolling our shopping centers and streets.	1/22/2019 9:01 AM
246	Like elected official effort dedicated to Protect community as is and target select growth and development programs to To prevent out of control growth and congestion and loss of small community feel.	1/22/2019 9:00 AM
247	Bring affordable housing and corporate business to Palm coast, too many of us have to leave or commute hours to find these things. Town is not young family friendly at all. If your retired, it's got everything you want, but trying to raise no a family here... forget it	1/22/2019 8:55 AM
248	we need a Costco or bjs	1/22/2019 8:54 AM
249	We enjoy all the trees and shrubbery that Bill Butler and his staff have installed, but they grow and it is hard to drive and see around when driving especially at Island Walk.	1/22/2019 8:44 AM
250	I think the population of Palm Coast is expanding too fast. If you would restrict the number of building permits that you issue per year, it would help to control the rate the population is growing, as well as put upward pressure on the value of existing homes, which in turn will attract a higher quality of residents that move into Palm Coast.	1/22/2019 8:42 AM
251	this city is calle Palm Coast but its streets only have very few palms. alot of grass areas not planted.	1/22/2019 8:41 AM
252	Disappointed to see neighbors complain of beautification but it is important.	1/22/2019 8:36 AM
253	Is the Adult Education program still available? I used to receive a flier in the mail. I used to be able to read about it in the Observer. Now, no communications! What has happened?	1/22/2019 8:13 AM
254	Hate seeing the city waist water, by watering the grass when it is pouring rain out, Not happy about the lights on Belle Terre Pkwy/Seminole Woods Blvd on US1. I would see a drunk crash into the trees at the end of the road about once a week, reeking of alcohol. Now the lights are up you save the trees so they can kill other people! The light turns way too fast for Belle Terre Pkwy/Seminole Woods Blvd, great for them but not for the 4 lane us1.	1/22/2019 7:53 AM
255	PC has become a huge HOA. Rules and regulations are usually not known until after the fact. If you want to attract employers, which we should, look at make it more enticing without all the restrictions and cost of start up...just to break ground.	1/22/2019 7:50 AM
256	i would really like to have street light on my road so cars can see children that are outside in the winter months	1/22/2019 7:39 AM
257	Stop with the "growth" encouragement until you catch up with the failing infrastructure. Growth puts a drain on our already inadequate, aging infrastructure.	1/22/2019 7:27 AM
258	Reduce traffic enforcement. Merge city & county governments.	1/22/2019 7:26 AM
259	The city needs to do something with the homeless population. It is growing and it is not attractive seeing panhandlers on every corner along Palm Coast Parkway. Swale maintenance needs to be stepped up. I live one house away from the drain and the water flow is nonexistent. The water sits in my swale for weeks, I have called numerous times with no response. This is unacceptable.	1/22/2019 7:25 AM
260	Street lights in R section will be helpful in making us feel safe from burglary, since it's increase a lot. spray more often for bugs, mosquito and cut down some tees from lands that are not occupied.	1/22/2019 7:18 AM

266	Landscaping - if you are going to plant thousands of dollars of plants along the roads at least maintain them. Very sad to see so many dead overgrown weedy areas. Services for the homeless need improvement so many panhandlers - not uncommon to be approached 75% of the time in traffic or in parking lots or gas station.	1/22/2019 6:09 AM
267	keep up the good work. thank you.	1/22/2019 6:08 AM
268	No Dog Parks funded by the city	1/22/2019 5:56 AM
269	Tired of having to stop fir every red light.	1/22/2019 5:41 AM
270	City government is out of touch with what the people want. It is frustrating. There is no sense of community as a whole. It is depressing, because PC 'looks' beautiful, there is nothing there. No soul. At night, there is nothing to do except drive to another city to partake in an activity. Can't walk / bike without the risk of being run over. PC is a pretty place to visit, but not to live.	1/22/2019 5:32 AM
271	Please consider more local entertainment and amenities. We need more gas stations between SR-100 and Palm Coast Pkwy. We don't need another bar or tavern but at least some form of entertainment. The city is bashed on websites for not having anything to do.	1/22/2019 4:43 AM
272	Too many concessions are given to builders and developers at the cost of private citizens	1/22/2019 3:24 AM
273	Improvement in the quality of tap water is needed. The water smells terrible quite frequently.	1/22/2019 2:01 AM
274	Why are employees allowed to drive their palm coast vehicles and trucks and use them for personal use? It adds extra unneeded miles, wear and tear and uses the fuel that tax payers have to pay. And why are palm coast vehicles allowed to be parked in medians all day and overnight at times at an employees house yet we get cited as citizens if we do so? Why are the roads in Palm Coast always full of potholes and uneven pavement, especially south of State Road 100? Why do citizens have to pay a license fee for having a pet? This is just a money maker for the city, it does not help the citizens.	1/22/2019 12:50 AM
275	Need more Big stores like Costco, sams and bestbuy. These are essential.	1/22/2019 12:48 AM
276	na	1/22/2019 12:38 AM
277	Enforce the speed limit through neighborhoods and see more police patrols for our safety.	1/21/2019 11:56 PM
278	Need more street lamps, very dark to drive, and super unsafe. Need better community events. Utility and property taxes are sky high - too much. Need more/varied job opportunities. More hospitals. More support for start up of personal businesses.	1/21/2019 11:26 PM
279	Please do something about the homeless population by the palm coast library. We now have people begging at every traffic light, so many homeless that I fear to stop at any of those businesses in that corner, and they are bathing in the library bathrooms that I now will not go to.	1/21/2019 11:20 PM
280	We need more business development... Costco, major restaurant chains, etc	1/21/2019 11:06 PM
281	I think the maintenance of the swales along the canals need to be kept up more often. As I have lived here 3 years I have seen a decline in the care off the area leading to flooding problems in yards. After calling to have the problem addressed I have not seen an improvement.	1/21/2019 11:04 PM
282	I would love to provide the city with future comments and advice for the improvement of our lovely city. I think a permanent comment sections of the Observer or Flaglerlive would be great for this! But right now I think our BIGGEST problem is street lighting/lamps. I feel VERY unsafe driving at night around the city. I can't see more than 5 feet ahead of me and it is such a danger to the community, and it puts lives of reaidents at risk. The state of Florida is notorious for its bad lighting in all its cities. I want to see Palm Coast be the first innovative city to start the conversation and the movement of better illumination on our roadways.	1/21/2019 10:57 PM
283	Palm Coast is not a great place to live especially for young families. The city does not welcome newcomers. They do not want to improve the city. They want to stay in the past. The city wastes tons of money on nonsense and they do not spend it on what the public wants like streetlights. They keep building housing for seniors but do nothing for young people.	1/21/2019 10:42 PM
284	The city is good but I do not plan moving back here from OSU I may move to DeLand because I plan to go to Stetson university for my doctorates degree in music education. If this city improves a lot and gets more things to do I would love to move back but at the stance right now in 6 years when I come back to Florida I will not be here.	1/21/2019 10:03 PM
285	Attract more business please. I'm sure your famously awful permitting process isn't helping anything.	1/21/2019 10:00 PM
286	Higher wages	1/21/2019 9:56 PM
287	Need to develop town center, hold home owners and renters to higher standard. Too many houses with trash,overgrown lawns ,houses falling apart. Develop town center. Better police. Too many breakins vandalism etc. Always see cops parked doe side roads chatting with another cop car	1/21/2019 9:42 PM
288	More apartments with amenities	1/21/2019 9:41 PM
289	Palm Coast needs their own police department since our current Sheriff is out of control as is his department	1/21/2019 9:39 PM
290	I love Palm Coast!	1/21/2019 9:38 PM
291	Remove the beggers from the street cornors and parking lots using spicific wording of city ordinance and dedicated enforcement.	1/21/2019 9:37 PM
292	Get control over over spending.	1/21/2019 9:29 PM
293	Need more entertainment. Not much to do.	1/21/2019 9:21 PM
294	All requests fall on Deaf ears.Starting with Mayor& commissioners	1/21/2019 9:20 PM

297	Palm Coast really is a nice place to live. Hope it does not grow a lot.	1/21/2019 9:14 PM
298	Matanzas-US 1 needs traffic light. Need street lights everywhere. It is not safe!!!! Too dark and too hard to see people walking dogs, walking, biking, kids at bus stop etc. timing of the lights on belle Terre and palm coast parkway are awful. The schools need to address bullying and have more of a strict policy.	1/21/2019 9:07 PM
299	Have more pet friendly beaches (areas)	1/21/2019 9:01 PM
300	Try to preserve the character of the city as a development initiative rather than destroy it for the sake of welcoming new enterprises.	1/21/2019 8:57 PM
301	Yes. Something must be done to help alleviate the traffic on Palm Coast Pkwy specifically from Old Kings Rd and over to the bridge to Belle Terrence. Palm Coast is making WAY too much onto the news lately. For drugs, gangs, domestic violence and dog bites. The R,P, and Br's in particular. I think more patrols should be in these areas.	1/21/2019 8:38 PM
302	I would love more opportunities for children to be involved and interact with all law enforcement, fire, safety. Any and all chances for interaction at a younger age would hopefully be beneficial. I would love to see the city as a whole lighten up slightly on code enforcement and find a way to help small businesses that really should be the backbone of any city. Lastly, finding a way to get teenagers involved in the city. And my daughter would love a park where there is equipment they could play on.	1/21/2019 8:35 PM
303	Turn the lights into the traffic detection mode, morons! Those Smart intersection lights cost fortune and were created by smart people to help good road flow ! Yet uneducated employees of Palm Coast don't know a thing about it and set them all up on wrong mode and everyone has to sit in front of empty street and wait for lights to change! Hire someone who is qualified for jobs, at least once! Who builds Epic theatre right on the road with parking lot behind it? Morons in Palm Coast! They do that! Everywhere you go parking is in front of the building so people could park and walk in but here you created a jam on the road and empty parking behind theater. Everywhere one looks it shows how unprofessional and uneducated city's employees are! And arrogant too! For years we were complaining about stupid speed limits in Town Center. They were less than in residential areas where children are on the roads. But you ignored us. Yet once you moved into that useless City Hall you built without our permission the speed limit was changed to suit you! Arrogant and ignorant, that's what you all are! Smart people are leaving this city. Soon with all your affordable housing it won't be possible to breathe here. Have it your way, just don't come to where we are going! Nobody needs you! Morons!	1/21/2019 8:17 PM
304	I would have liked to see COOPER go to the dog ranch instead of being destroyed. That was so sad ☹	1/21/2019 8:15 PM
305	yes - clean out the swales!! It's long overdue.	1/21/2019 8:08 PM
306	We would love to have better cell phone reception. It really sucks.	1/21/2019 8:02 PM
307	Would like to see the city buying land to protect. Another trail like the Jungle Hut loop would be an asset to the area across the street in the area that is currently being considered for yet another residential area. There was a recent study that found that Earth has lost half its wildlife in last 40 years. I'd like to see Palm Coast be a leader in that over more residentia, Dollar Stores, or senior living developments. The natural beauty is something that is unique to Palm Coast & I hope it can be preserved. Why developments are being approved when Town Center continues to be a wasteland is very confusing. And more residential neighborhoods when existing neighborhoods aren't even at capacity doesn't make sense. In my opinion, Palm Coast needs to find its niche, and it doesn't need to be a mini Jacksonville. We are close enough to large cities with endless stripmalls. Let's be a community that prioritizes parks, protected land, and youth programs (maybe this will help stop the alarming number of teen suicides) and also education. Our schools have declined considerably in the GreatSchools ranking in the past couple of years. This is worrisome, especially since I have a young family. Thank you for your time!	1/21/2019 8:00 PM
308	I would love to see the pool hours expand. Temperatures were still very hot but only opened for a few hours.	1/21/2019 7:57 PM
309	Many people I know as well as myself came to PC for what it was, not to see it become another version of what commercial growth, economical development, etc. which has ruined other cities in Florida.....Palm Coast is wonderful as it is-----leave her alone!!!!	1/21/2019 7:55 PM
310	At night streets are difficult to navigate due to faded painted lines on roadways. We have lived here in PC for two years and they really need repainting .Very hard to see especially in the rain more reflectors wouldn't hurt either.	1/21/2019 7:54 PM
311	Keeping residents aware of what is going on before decisions are made on all matters. No under the table deals	1/21/2019 7:44 PM
312	Please bring the cameras back as there are too many people running red lights.	1/21/2019 7:43 PM
313	Crime, thefts on the constant rise. It's a great concern	1/21/2019 7:36 PM
314	Your code enforcement is a joke. Cant park a work vehicle in my driveway but a big blue tarp is any better?	1/21/2019 7:35 PM
315	Whoever designed the entrance to the Publix shopping center (where Amy's Hallmark is) made driving and parking extremely dangerous! I have personally witnessed fender benders, folks speeding through and cutting off - practically hitting pedestrians while vehicles attempt to enter and leave. It would be a "major improvement" to have the entrance opened up like it is a Jacksonville Pubix, that allows sufficient space to drive without driving like a person is in an amusement park. This is not meant to be a joke- it is not a pleasure driving to this shopping center- even Walmart (which has major customer parked cars) has a better entrance and parking facility.	1/21/2019 7:17 PM

2018-2019 Citizen's Survey

316	Too much litter all over this city. I pick up litter on my street & surrounding area because litter looks awful in the nice neighborhood	1/21/2019 7:11 PM
317	The politics are getting very catty and petty. I do not trust anyone in the township government. Very disappointing!!!	1/21/2019 7:00 PM
318	P section has people feeding feral cats and on person leaves garage door slightly up so cats can go in. My husband and I have been hissed at from a few of these cats when we go outside. My granddaughter cannot play in the yard because they are always going #2 in our yard. I feel that they should be captured and relocated. We do not need to get the fixed and them bring them back to the same neighborhood. The are not native to the United States. We used to have a lot of birds and rabbits in our yard all the time. we no longer have birds or rabbits. Just cats that hiss at us. This issue needs to be taken care of asap. It ridiculous that feral cats are running our lives. I cannot even count how many are in my neighborhood. It is a disgrace. Please do something about it. After all people from up north came here and dictated to the city what we were going to do. Another option is to round them up and send them the to neighborhoods of the people who forced them on us. Enough is enough. I am highly allergic to cats. Cat hair in my lawn can cause me to have an asthma attack. But I guess something like that does not matter to the City of Palm Coast. Thank you for taking the time to read my comment. Now please do something about this issue.	1/21/2019 6:58 PM
319	None	1/21/2019 6:55 PM
320	I love Palm Coast	1/21/2019 6:46 PM
321	Traffic on Florida Park Dr needs attention, to many large trucks, speed, congestion, lighting.	1/21/2019 6:40 PM
322	Palm Coast has SO much potential, and I love that there are so many parks and recreational areas and that the city has really embraced its environmental assets. However, the lack of opportunity is definitely going to make it difficult to retain educated professionals and talented youth. Regulations should encourage small business owners, not punish them.	1/21/2019 6:39 PM
323	Too much crime in my neighborhood. 2 years my car broken into 3 times. Stolen neighbors cars, broke into neighbors back window of house etc. K section not safe!!	1/21/2019 6:38 PM
324	Reform codes to lessen strictness of being like a HOA but keeping property clean and presentable. Youth activities that are affordable to keep youth busy and out of trouble, not only sports but partner with science, marine biology, vocational skills for older youth. Bus Transportation routes along major corridor such as 100, belle terre, palm coast parkway.	1/21/2019 6:31 PM
325	A suggestion would be start to focus on the younger generation. This is not an senior community anymore.	1/21/2019 6:28 PM
326	No to low income housing.	1/21/2019 6:25 PM
327	Resist staff "wish lists". Remember folks often came here for lower taxes, less crowding, less stress. Stick to core issues more.	1/21/2019 6:23 PM
328	Mabey clean and maintain ponds, lakes and ditches	1/21/2019 6:20 PM
329	I really enjoyed Palm Coast many years ago but feel we attracting the wrong type of people vs. I feel we should be attracting business to give jobs to people to maintain their own standard of living.	1/21/2019 6:08 PM
330	We need streetlights in all residential neighborhoods - that would be BIG crime deterrent.	1/21/2019 6:05 PM
331	Trash and yard waste pickup is horrible. Especially yard waste. They leave the streets a mess, anything dropped is left, as is some of the waste on the curb area.	1/21/2019 6:03 PM
332	Palm Coast has changed in the last 2yrs, crime is high and housing is getting more expensive. The expense is that of a big city but the jobs here don't pay like a big city. As soon as I finish school my plan is to move out. Find somewhere I can get cheaper and safer living conditions as well as a better income for my profession, eg. upstate New York or Palm beach county.	1/21/2019 5:56 PM
333	TOO MUCH OVERBUILDING	1/21/2019 5:51 PM
334	Low taxes and responsible city and county government are the two most important things to keep us here once we retire.	1/21/2019 5:48 PM
335	Mayor not courteous enough to respond to email sent to her.	1/21/2019 5:46 PM
336	Storm drainage needs work, more minority cops, better patrol in communities in the Matanzas Woods area, major shopping stores ie JC Penny's better restaurants, Sams, Popeys, just to name a few. New the new Publix off Old Kings Rd.	1/21/2019 5:44 PM
337	I live off of Plainview Drive by the schools and it has become frustrating that everybody drops their kids off at the corner. They pull in people's driveways park in people's yard with no regard to property. They block the road and cause it to become very dangerous coming and going, by blocking the road. All because they are too lazy to go through the drop off at the schools. Meanwhile I do the right thing and go through the drop off at school. It's not fair to us who live on that block. Something needs to be done before someone gets hit by a car or causes an accident!	1/21/2019 5:37 PM
338	Please dont take away a piece of a park to subsidize a private business. I live captains bbq but the city of palm coast should have nothing to do with their problem of needing more space / new building. Is someone getting a kickback from that deal?	1/21/2019 5:36 PM
339	THE AIR BNB NEXT TO ME IS MAKING US THINK ABOUT RELOCATING!!-----BUT WE CAN NOT SELL OUR HOUSE BECAUSE OF IT !!!!!!!-----VERY BAD SITUATION FOR PEOPLE OUR AGE WHO HAVE BEEN HERE 25+ YEARS !!!!-----WE LOVE OUR CITY BUT THE STRANGERS COMING INTO HOUSE NEXT DOOR IS MAKING US FEEL--VERY UNSAFE AND KILLING OUR QUALITY OF LIFE !!!!!!!!!-----HELP !!!!!!!!!	1/21/2019 5:23 PM
340	City needs to focus on current population instead of constantly attempting to cater to low income housing. The only thing being built now are cheap rental duplexes.	1/21/2019 5:21 PM

2018-2019 Citizen's Survey

341	Palm Coast is a great place to live.	1/21/2019 5:20 PM
342	I believe this survey is biased towards what the officials think is important; there are too many "other" answer blocks. There are no questions about how well the city is serving the residents on a one-to-one basis, such as ease of access to city resources, time of waiting, quality of help, etc. Income & education questions are inappropriate for a survey of Municipal needs. The education question doesn't allow for a "prefer not to answer" choice.	1/21/2019 5:20 PM
343	I love Palm Coast but if you can make housing affordable for people to live it would be great	1/21/2019 5:20 PM
344	Lights are long. Jug handles may help.	1/21/2019 5:14 PM
345	Palm Coast should be a retirement city catering to the retired residents that cannot afford the HIGH TAXES	1/21/2019 5:05 PM
346	Need better enforcement of speed laws in the canals.	1/21/2019 4:59 PM
347	I would like to see the city fathers spend less of my money on non-essential items and more on the necessary street lighting and such.	1/21/2019 4:55 PM
348	Find another company for waste services	1/21/2019 4:55 PM
349	It's essential that we leverage our unique fibernet setup to attract high-tech companies to the city, creation of a makerspace/hackerspace/incubator would help to attract young talent to the area and grow businesses here in Flagler county.	1/21/2019 4:54 PM
350	while i know it takes funds to improve the city. i feel the taxes are very high compared to surrounding communities when those communities are in better shape all around	1/21/2019 4:53 PM
351	This city has gone down hill since i bought here in 2013. The wildlife are getting run out. Too many ppl.	1/21/2019 4:52 PM
352	Development Review and city development standards are not performing in the interest of residents. Specific failures include Island Walk, as it contains multiple points of conflict for vehicles entering and exiting the development and has significant skews. Additionally, pedestrian access routes are interrupted in front of Brass Tap where people are forced to walk in the street. You have accesses immediately upon entering, which results in traffic stopping in confusion and queuing up. Those accesses also cannot be navigated without entering oncoming traffic's travel lane. Starbucks delivery truck literally just stops in the main access road for loading and unloading. I could continue... but there are clearly issues if you just watch traffic during any time of day. In my opinion the city is limiting business' interest in developing in the city. The cost of permitting and dealing with the city is unbearable to interested parties looking to expand. Between the high costs of permitting, increase in landscaping costs and loss of usable real estate and increase in maintenance costs for said landscape, it just isn't worth it. Additionally, i feel the landscaping actually impairs driving and navigating through commercial districts. Economic Development should be focused on real companies and not retail or service industry, as those do not provide real careers for young people. Without a future in this town, we'll continue to loose the bright ones and continue to grow the pool of delinquent ones who have lost their way. These are my thoughts, but I won't be around to see if there is improvement. Look forward to selling and leaving.	1/21/2019 4:48 PM
353	I can't afford my water bill as it went up and my pay didn't. More services/help for seniors needed as most don't qualify for many social programs. Programs to lower the suicide rate as this is the most depressing place I've ever lived in. Better jobs instead of retail and food service, have to drive 30 miles one way for a living wage.	1/21/2019 4:45 PM
354	We have a bad litter problem. We need to outlaw plastic bags & straws. We need heavy fines for littering & more policing of this. We are a beach town after all.	1/21/2019 4:39 PM
355	The City needs to perform a forensic audit for the last five tax years.	1/21/2019 4:39 PM
356	The city has one of best mosquito control districts in the state	1/21/2019 4:32 PM
357	Whoever is the engineer for some of the road markings needs an eye visit. They are off kilter, making it necessary to make awkward turns or adjustments.	1/21/2019 4:26 PM
358	Gas prices in the county have always been the highest around. Find some way to control "zone pricing" also known as price fixing.	1/21/2019 4:23 PM
359	The mayor and new council members concern me The mayor appears to be a micromanager and the new council person Howel doesnt seem to grasp what his role is. His ideas are outdated. He was probably a great manager 30 years ago. Not so much now.	1/21/2019 4:21 PM
360	Keep Palm Coast / Flagler Beach quaint, unique and attractive. Would hate to see us turn into a St. Augustine or Daytona. Keep It Simple Shirley ;) Thank you for the opportunity to be included. Always ask and involve the residence first. They will give you the real deal!	1/21/2019 4:20 PM
361	Something needs to be done with the Matanzas Woods golf course. I would love to see a park for the kids in the area. There seems to be a lack of higher-paying jobs. We can't keep relying upon retail businesses. They and construction are dependent upon a healthy economy.	1/21/2019 4:12 PM
362	Princess Luise needs resurfaced.	1/21/2019 4:10 PM
363	Need places to go off-roading in the woods huge amount of property damage because there's nowhere to off-road leggally	1/21/2019 4:09 PM
364	Investigate aquatic center including income from regional meets. Need to involve local swim couches in design and planning programs for local use and regional events.	1/21/2019 4:08 PM
365	No	1/21/2019 3:59 PM
366	Swale maint. is poor to non existance.	1/21/2019 3:54 PM
367	Would love some small community parks around.	1/21/2019 3:54 PM

2018-2019 Citizen's Survey

368	Please stop rejecting corporations that want to come into flagler county with higher paying jobs. You have left the younger generation with little hope. It's a shame. Please work to fix your mistakes. Time to accept the growth and be progressive!!!	1/21/2019 3:47 PM
369	Homeless camp along Magnolia Trail is a security and fire concern	1/21/2019 3:47 PM
370	I moved here 12 years ago for a better life and the opportunity for growth Palm Coast had. But, the inability of growth at Town Center, increased traffic on roads, lack of Police presence in streets and neighborhoods, and our city council's inability to make tough decisions are concerns for myself and my family. All of this makes me believe that when our kids are out of school I will be moving elsewhere.	1/21/2019 3:43 PM
371	Lets cut the swales more often than is currently done. in the spring/summer months, the grass/weeds get to over knee high before being cut	1/21/2019 3:42 PM
372	Would like voting for the people of Palm Coast before council goes ahead with any new buildings and unnecessary spending	1/21/2019 3:39 PM
373	The future is our children, invest in education, invest in tech jobs, start being a friendly city	1/21/2019 3:37 PM
374	good idea	1/21/2019 3:36 PM
375	Street lights are super important. Having turn lanes and green arrow at major intersections would be wonderful. Not turning us1 into cheap housing. Would be a great place for grocery store or sams club even a new Walmart, or nice sub divisions	1/21/2019 3:34 PM
376	Bring back paras to the schools, more activities for kids, sidewalks so my children do not have to walk to the bus stop on the road, in the dark. More development with retail stores to keep up with St. John's and Volusia counties, where we have to travel to shop, eat out, etc.	1/21/2019 3:33 PM
377	Swayle maintenance on Fariston place needs to be addressed. Especially between # 21-27. Very bad drainage	1/21/2019 3:33 PM
378	Palm coast appears to becoming a fast food, gas station, low income haven. Yet we have a shortage of affordable housing, minimal job opportunities and no apparent room for advancement. Perhaps we need higher aspirations.	1/21/2019 3:27 PM
379	More traffic signals, specifically Belle Terre and Eastwood Dr. Better swale maintenance and sidewalks.	1/21/2019 3:23 PM
380	swales and roads maintenance	1/21/2019 3:23 PM
381	Lower Gasoline prices. Lower water prices.	1/21/2019 3:17 PM
382	We need to have leadership that listens to the wishes of its citizens, and stops wasting money on projects that are not necessary.	1/21/2019 3:13 PM
383	I would like to see some kind of central community volunteers coordinator. Where citizens can suggest projects that can be done by volunteers, and volunteers can access the list of projects to see where their help is needed. The volunteers can then report back to the coordinator when the job is completed. It would be nice to have the chance to improve the quality of life here in Palm Coast.	1/21/2019 3:12 PM
384	Improve turn signal off rt 100 on to Colbert. Also turn area prior to Colbert turn lane should be labeled.	1/21/2019 3:12 PM
385	Consider the "wants and do not wants" of the tax payers of this city!! No more increases on water service and forget that fee added to our electric bill. We do not want to keep taking money out of savings to pay our bills.	1/21/2019 3:09 PM
386	Love sidewalks in Seminole Woods Lack of code enforcement at private residences ie derilict cars and unkept lawns and homes	1/21/2019 3:09 PM
387	I love Palm Coast! I have been coming down for over 20 years. I have invested in both residential and commercial properties. I am disappointed with the town center! What is the plan for the Town Center?	1/21/2019 2:59 PM
388	Common sense government needs implemented. Many of the permitting requirements are out dated and don't really improve anything, just a way for the city to collect money. The swale system is a total disaster and even though the city council is said to address it as a priority they fail to mention that previous lack of city regulations make any plan difficult. Water stands in most swales because of different elevations at each house yet the city won't even make a common sense fix when they redo swales. My house is the highest on the block yet when I had to replace my drainage pipe they made me lower it to new city standards even though they acknowledged that water would not drain because I'm now lower than any of my neighbors! I've attended city council meetings, sent emails to members and each time regardless of the problem the responses just leave me frustrated. Again if there was a way to bring common sense the city would improve!	1/21/2019 2:56 PM
389	I like seeing more cops on US1 I hope it keeps up . Also we need someone under cover looking how people disobey the light on at US1 and 100 near say cheese pizza , daily I turn left onto US1 heading towards Ormond Beach and see people turning when not suppose to so many close calls have happen someone soon I feel is going to killed there we need a turning light put in or something on all four ways not just one way coming off of US1 turning onto 100 headed towards court house .	1/21/2019 2:52 PM
390	The City Council and Manager should not be the controlling factors of a city. There should be checks and balances to provide the best for what the taxpayers need not "special projects" as is too often the case.	1/21/2019 2:49 PM

2018-2019 Citizen's Survey

391	The recreational facilities need to be staffed; such as Belle Terre Park, Holland Park. The tennis courts/pickleball at Belle Terre are cracked and the wind screens need to fixed and/or replaced.Court reservations or regular events should be posted at the site. Tennis and pickleball players are always searching for a court. The lawn maintenance of the town is awesome. My friends speak highly about how pretty the streets are with all the shrubs and grass.	1/21/2019 2:48 PM
392	The City spends a lot of money on non-essentials like trails and giant community center while neglecting our sewer system and lighting on roads. Eventually this will take its toll on the City and its frustrated residents. This is becoming a very expensive city with high water rates and the prospect of even higher taxes— not sustainable. We have many seniors like me that are ok now but the raises in taxes for frills aren't right.	1/21/2019 2:46 PM
393	I think we can both save money by picking up garbage once a week we need more commercial development , example wawa was announced a long time ago and others in the area built before ours even got off the ground? why we can't get more chain restaurants, don't want to have to drive to st Augustine or daytona	1/21/2019 2:46 PM
394	Need more dedicated pickleball courts!	1/21/2019 2:45 PM
395	Try to attract more growth (restaurants/businesses) to the south end of Palm Coast. Try to get Walmart/Sams Club to build on Old Kings Road again. More businesses/activities in town center	1/21/2019 2:42 PM
396	We need Honest city representation. We need a mayor who cares about every single person who lives in the city of Palm Coast, not just friends who she can help. We also need a city Government that will be good stewards with the tax payers money. Use our taxes and fees where they are supposed to be used.	1/21/2019 2:41 PM
397	Palm Coast is a great place to live!	1/21/2019 2:40 PM
398	Bring in industrial companies for employment and stop with all the shopping plaza's. Put in street lights and sidewalks. Stop the crime that is coming here.	1/21/2019 2:38 PM
399	I think the people who hold office are overpaid for the area. Traffic & quality of drivers is frightening. The cost of housing is outrageous for the quality of homes. If it'd be slightly more affordable, with jobs other than fast food & retail, you'd have higher interest in families moving into the area.	1/21/2019 2:28 PM
400	Sidewalks on bird of paradise	1/21/2019 2:24 PM
401	I live on Zinnia Trail and the condition of the street surface is just awful.It brings down the beauty and value of the neighborhood.	1/21/2019 2:23 PM
402	Cell coverage is deplorable for a "city" the size of Palm Coast And we DESPERATELY NEED WORK opportunities in Palm Coast!!	1/21/2019 2:20 PM
403	Provide a shelter or something for the homeless so they are not constantly all over the city loitering in the lots of businesses. Every time I drive by the sign at Publix across from Kohls the homeless seem to have expanded the sign area into a refuge camp.	1/21/2019 2:18 PM
404	Road and swale maintenance need total improvement	1/21/2019 2:18 PM
405	The recycling program is a joke, two little bins just dont cut it. We should be doing more and a simple solution is a large bin, I have seen it DRAMATICALLY lower the amount of trash going to a land fill. The city should address this, its a simple fix and lets us promote our city as green.	1/21/2019 2:12 PM
406	PLEASE STAY ON SWAIL MAINTENANCE AND PAVING OF NEIGHBORHOOD ROADS. PLEASE LIMIT THE NUMBER OF DUPLEX'S BEING BUILT.	1/21/2019 2:05 PM
407	Work on traffic lite timing some are really long	1/21/2019 1:24 PM
408	As a retired person, I moved to the area looking for recreational programs. I found tennis and pickleball. However, the pickleball courts at Holland Park and Malacompra are not sufficient for the needs of the players. I have heard people complain about the fact that the city says they will build more but it never happens. I would like to see more.	1/21/2019 12:28 PM
409	I would like to see the requirement for the large (oaks) trees removed. The root system for these tree cause large problems in residential areas.	1/21/2019 12:22 PM
410	The homeless living behind library and begging on the corners	1/21/2019 11:33 AM
411	Please improve storm water system Please increase opportunity for tweens and teens to keep them occupied during out of school time	1/21/2019 11:29 AM
412	The road Dept. needs training on making repairs. They keep getting worse. Fl. Park Drive repairs in front of house no. 139 are a disgrace. The City needs to stop issuing permits for vendors to sell illegal products...fireworks. And the City shouldn't tax people to make repairs on private property...seawall repairs are the homeowners responsibility. Palm Coast Pkwy. over I-95 is a race track with no enforcement. The speed limit is 40 and people are going 50 and 60 just to get to the next stop light. Where is the Sherriffs Dept.? Everytime I go any place I see people running thru red lights and stop signs. We need better enforcement.	1/21/2019 11:20 AM
413	Traffic is getting heavy at rush hour times.	1/21/2019 10:46 AM
414	too many dollar stores, need more quality stores less fast food, more nice restaurants.	1/21/2019 10:37 AM
415	I think Palm Coast is a great place to live, I do however find taxes to be very high, and of course the serious lack of lighting in the areas as well as on the main parkways such as whiteview parkway and US 1 and several others	1/21/2019 10:26 AM
416	Add more top scale restaurants not fast foods.	1/21/2019 10:26 AM
417	Hate the nitpicking and snitching attitude for any little thing by neighbors.	1/21/2019 10:21 AM
418	Growing too fast.. notice lots of garbage and public areas and grass not being maintained	1/21/2019 10:18 AM

2018-2019 Citizen's Survey

419	No	1/21/2019 10:13 AM
420	We love Palm Coast and came for the small town feeling. We would like too see the growth slow down, focus on keeping the city beautiful, traffic manageable, parks and trails safe and beautiful, housing and property upkeep mandatory and undeveloped lot owners responsible for maintaining their lots like we are required to keep maintain our yards.	1/21/2019 9:46 AM
421	I don't feel the city is doing its best to work for its citizens. For example, you "found" money to build the new town hall but yet have to raise the cost of water over the next few years. People can't live without water, but then can live without a town hall. I would like the city focus on a way to save us money for a change!	1/21/2019 9:10 AM
422	do NOT want a round about at us 1 and matanzas!!!!!! want a traffic light!!!!!!!	1/21/2019 9:10 AM
423	develop areas with infrastructure! Housing (affordable) for young and seniors! JOBS, JOBS, JOBS for people to support themselves!	1/21/2019 9:08 AM
424	Palm coast is no longer a "retirement community". Sidewalks in neighborhoods for the safety of children would be nice to see more of.	1/21/2019 9:05 AM
425	I love Palm Beach. It's beautiful and well kept. I just miss activities.	1/21/2019 9:05 AM
426	Yes, is important for the city of Palm Coast to bring nice and big stores like Bed Bath and Beyond, Home Goods specially for us women because men has Home Depot and Lowes. Everyone goes to different towns for shopping is not fair that we have a beautiful town and has nothing, thank you	1/21/2019 8:59 AM
427	I would like to know if recycling materials are really being reused or are they going to the dump?? Businesses should be provided with recycling recepticals and pickup. There is so much waste it is horrible. Were a green city why not go all the way and help save the earth.	1/21/2019 8:58 AM
428	Too much time and money spent on sidewalks and not enough on streetlights	1/21/2019 8:35 AM
429	Parks, notably Waterside should be non-smoking. Go to the fishing piuer and see the butts stuffed in the wood. Disgusting!	1/21/2019 8:21 AM
430	so upset to hear of commercial development outside the Conservatory area - definitely will be considering moving once again	1/21/2019 8:16 AM
431	It will be nice if we can get sidewalks in all the streets. Plus more light.	1/21/2019 8:01 AM
432	The code Enforcement and your clay pipes will ruin this city	1/21/2019 7:37 AM
433	We need to allow more businesses, more entertainment for our youth into Palm Coast. We need to scale these businesses to appropriate size for the community, every eatery is built to small to accommodate.	1/21/2019 7:36 AM
434	How are you helping deaf ppl here?	1/20/2019 10:42 PM
435	No	1/20/2019 4:06 PM
436	Keep up the good work.	1/20/2019 3:29 PM
437	Stick to the basics of government. Focus on streets and infrastructure. Who got the asinine idea that canal owners should pay for someone else's collapsing seawall? I wasn't aware that PC is a Communist community. If a property owner's seawall is collapsing that should be a code violation. Who isn't doing their job? The owner should be cited. If they don't act to remedy the situation a lien should be placed on the property by the city. If still not resolved (or a permit applied for) put fines on tax bill. Trash containers should have lids to avoid ravens/wildlife from spreading trash around. We pay too much for drainage each year and get nothing for it. How about working hard to eliminate government waste and instead work hard to reduce the millage rate. That will make PC an attractive place to live. Get rid of the vagrants - get rid of handouts - make PC safer by doing so. It's not the job of city government to ensure that all people have a roof over their heads. Leave that to the churches and charitable organizations - NOT city government. Don't waste my taxes on low income housing and useless programs. Parents should pay for their own youth programs. Quit all the handouts.	1/20/2019 2:11 PM
438	Affordable housing for those of us on fixed income/disability/SSD/SSI Cable is too high after 1st year it becomes unaffordable for low income	1/20/2019 1:14 PM
439	We have enough recreation developed in the city. Stop spending my tax dollars on more of the same. Address the infrastructure of the city!	1/20/2019 12:47 PM
440	Stop the petty bickering among elected officials. Just do what you were elected to do.	1/20/2019 12:21 PM
441	We enjoy the sidewalks for walking and riding bikes. Noticed that the main crescent roads in the neighborhoods should have a sidewalk for the safety of our children when walking to school or when going to and from school bus pick up and drop off area on main crescent roads in neighborhoods. The side roads in neighborhoods are pretty good, but there is higher traffic on the main crescents roads - not safe for the children walking on the crescent roads in neighborhoods.	1/20/2019 11:31 AM
442	Thank you for all that everyone involved in running Palm Coast does to keep us in a beautiful safe community. At this time it is very important that we focus on expanding economic development and retaining businesses so that Palm Coast continue to thrive and grow. I believe that development in the Matanzas area, Towncenter area, and US one are vital to this Need.	1/20/2019 11:23 AM
443	Revisit the Whiteview redesign. Close off the crossovers and force traffic to US1 or Whitemill. No need to speed millions to convert to a two lane road	1/20/2019 10:49 AM
444	You have to give the people that move here things to do. Homeowners should not have to go to Daytona or St. Augustine to shop or have a good time.	1/20/2019 10:42 AM
445	The area is beautiful keep it that way. Try not to over develop it. I will be retiring and have a home already there and don't want to be bombarded with with multiple home dwelling surrounding me.	1/20/2019 9:45 AM

2018-2019 Citizen's Survey

446	Sad that we live in Flagler but too often leave the county for shopping such as an outlet mall, a major wholesale store such as Sam's, and Daytona passing us with development of appealing middle income housing. Plus we focus on senior programs when our county is growing with young families.	1/20/2019 9:30 AM
447	control the litter throughout the city. it is mostly fast food trash that is visible along the roadways. during winter months it is more visible because the grass is not being cut as often.	1/20/2019 8:47 AM
448	Your Parks and Recreation programs need improvement. Why does the City not have seasonal programs and aftercare programs? They should also have a program where the teens could get volunteer hours working with kids so they can get jobs in the future. It just seems like there is no innovation or creative programs other than nature walks. My kids can do that any day. We want programs that are fun and maybe even sports. Why can't the City make revenue off of the programming and stop raising the water costs. I would gladly pay for programs but instead I am paying an arm and a leg for water I can't even drink. Please make some changes and hold people accountable for the lack of programming.	1/19/2019 8:31 PM
449	Town center needs to be set up like the pavilion in port orange. Or built ore park in Asheville nc. Shops, condos, restaurants, game facilities, cafes, ect	1/19/2019 7:58 PM
450	The survey was very difficult with light blue on white for those with limited vision.	1/19/2019 5:26 PM
451	I'd like our city government to respect the wishes of it's citizens. We voted down City Hall, you built it; the majority didn't want to spend 8 million on the building on Palm coast parkway, you did anyway; we didn't want our taxes raised 14% but you did anyway; you are trying to push low income housing down our throats and we don't want that. If you continue to push it we will vote you out. Be the government that we want... Small but effective.	1/19/2019 5:26 PM
452	When you put in roads, please add the center lines and curb lines, add a few more lights, the streets are VERY dark, a pleasure to live in Palm Coast	1/19/2019 4:05 PM
453	Wish the city would solve the water problems in the swails.	1/19/2019 3:42 PM
454	Add more security cameras around the city to protect residents from potential burglaries.	1/19/2019 3:42 PM
455	none	1/19/2019 3:40 PM
456	Find a way to stop people from littering on our roads.	1/19/2019 2:35 PM
457	Stop finding ways around what was voted down by the citizens so that city officials can still get their pet projects completed. City also needs to plan for future needs better rather than waiting for it to become an emergency which ends up costing more to fix	1/19/2019 2:27 PM
458	N/A	1/19/2019 2:10 PM
459	Should have more community activities at town center and inside the new city building. Street lights (city, not paid by residents) and sidewalk system needs improvement in amount found in city. Recycling needs to be more recycled, not sent to dump. Public education for recycling needs a lot of effort in order to keep Palm coast the beautiful, natural, tree city it is. Composting picked up with recycling and garbage like in other big cities would be a huge economical asset to the city. Hours for youth sports camps need extended. School buses and school hours need major review. It has been proven that teenagers need more early morning sleep yet this city keep maintaining early school start under the excuse that there are. It enough school buses. I grew up starting school at 8:30am and finishing at 4pm in highschool. There was no time for us to get in trouble because our hard working middle class parents were still at work. Sports importance cannot take over a whole school's schedule because some teams need practice time. Education should be priority. Thank you for your time and attention.	1/19/2019 1:24 PM
460	I love the fact that Palm Coast is like a small town. Close to the beach, and traffic is bearable. I would not like to see it become like most of the rest of Florida, overbuilt and unable to maintain the natural parts of Florida that make it special. Of course I realize that I'll be dead before that happens.	1/19/2019 1:04 PM
461	Street lighting. Fpl has a program for \$10.00/month for a pole light. This light can cover easily 4-8 lots. This is a cost of \$2.50-\$1.25 per lot per month. assess everyone on taxes this small amount to light up our streets. I know some will complain if it's 1 cent, but our streets are too dark, esp for school bus pickup. INDUSTRIAL/Tech growth will result in Town Centre (Center) Development.	1/19/2019 12:46 PM
462	Do not have people on street corners looking for money. Sidewalks should be installed for people to walk and children to ride their bikes or skate board from their homes.	1/19/2019 12:33 PM
463	The city is getting overbuilt. Traffic on most roads is a nightmare.	1/19/2019 10:51 AM
464	Correlation does not indicate causation.	1/19/2019 10:37 AM
465	We have many ALF in the county and Palm Coast; but, no SNF with memory care/dementia units. Our residents would thrive, more jobs would be created and the business would prosper. Most have to avail themselves to communities in Volusia.	1/19/2019 10:21 AM
466	The mayor needs to focus on community development, quit spending money on plants for the medians, repair the roads, and stop trying to bring in affordable and low income housing.	1/19/2019 10:17 AM
467	Stop the in-fighting with the County and develop cooperation with the County	1/19/2019 10:00 AM
468	Stop building permits in the city. There are lots of properties for sale. Set a time for non-building to allow the infrastructure to be built.	1/19/2019 9:43 AM
469	Restaurants are dirty here. I mean, actual dust on seating, blinds, registers, utensils dispensers. Seen in multiple places, family owned and chains. Moved here from Charlotte and this kind of thing was only seen in poor neighborhoods. I'm surprised to see it in so many places here. They need to pay attention to details and deep clean their dining areas, wipe down blinds, walls, booths, chairs. Customers notice this kind of thing. It's particularly gross in a restaurant setting.	1/19/2019 8:42 AM
470	Attract more professional jobs, less low paying.	1/19/2019 8:03 AM

2018-2019 Citizen's Survey

471	The people who complain about a city being clean and strict on rules are the people that need the most enforcement.	1/19/2019 7:40 AM
472	Palm Coast attracted us because of the mix of 'old Florida' feel, good local restaurants, parks, extensive wildlife and sense of a well-planned community trying to maintain that balance. I worry about population explosion, pollution effects, more cookie-cutter chain stores and preserving open space so wildlife can sustain itself naturally.	1/19/2019 7:30 AM
473	N/A	1/19/2019 7:18 AM
474	Please look into expanding fields for sporting events	1/19/2019 6:06 AM
475	we need street lights and sidewalks	1/19/2019 12:21 AM
476	We need better cell phone service and the sheriff's deputies are stopping drivers to make money from fines. Why else do they have mustangs ? It's their version of stop and frisk.	1/19/2019 12:05 AM
477	PC is in desperate need of dedicated Pickleball courts	1/18/2019 8:33 PM
478	When you put up signs at town center, try turning them on the day before and say what the special event is. I avoid town center because it is slow and difficult to traverse. If I knew what the event is, I might go in and tough out the traffic, otherwise I never chance the ride into town center. Add something for children in each neighborhood. Why did you put the community center in a location accessible only to the original residents? Why did you allow the increase in size of the mall at Old Kings and Park Coast Parkway causing a traffic mess when you could have sent them to town center? Why don't you put more entrances and exits to businesses? Why does your traffic pattern work to send possible business patrons around the barn making them want to leave rather than shop? Think about the possibility of a disaster requiring everyone to leave. With the poor access to I-95 and route 1, it would be one monstrous traffic jam getting out.	1/18/2019 6:45 PM
479	Traffic signals are not regulated to allow for flow of traffic. Some light srequire waiting up to 3 minutes for a green signal. Street lights at the very least at every corner would promote safety and make it possivle to find a street at night.	1/18/2019 6:02 PM
480	The City Council/City Government should work for the people in Palm Coast, NOT THEIR OWN agenda. Street lights instead of more trees! Not sure what the answer is to the pathetic driving habits of people in Palm Coast, maybe a driving test EVERY renewal? I've lived in MO, CA and the West Coast of FL, and I have NEVER seen such horrible driving as in Palm Coast. It is by far THE WORST.	1/18/2019 6:02 PM
481	We love Palm Coast and look forward to being a part of the community for years to come.	1/18/2019 4:47 PM
482	Involve more seniors in city decisions - SENIOR CENTER - Senior dances?? Remove dead trees - Fine people for littering,	1/18/2019 4:28 PM
483	As a service plumber I would like to be able to drive my service van home at least when on call.	1/18/2019 4:12 PM
484	Swales need to be fixed because there is too much water retention in them.	1/18/2019 4:04 PM
485	The City is called Palm Coast why aren't there more palm trees being planted. The corner of Belle Tere Pkwy and Cypress Pkwy is UGLY!	1/18/2019 2:52 PM
486	We need better structure and management.	1/18/2019 2:35 PM
487	Trash, litter, bags of litter everywhere. What an ugly site Palm Coast has become. Pine Grove, Pine Tree Drive, White View onto Pine Tree, Belle Terre. Distruction of swales.	1/18/2019 1:58 PM
488	We'd like to see the city keep heading in the direction it has been going, just need to concentrate on finding ways to get bigger business in here. I believe of we had more big business here, all the good things would continue to grow.	1/18/2019 1:27 PM
489	Get water clean, the water here is high in iron. Stains the appliances, poor taste. And drainage at streets are in need of repair, front yards get water pooling in rain.	1/18/2019 1:12 PM
490	Trash pick up is horrible. So tired of garbage everywhere after they come! Recycling is the same! They don't seem to care and there is stuff all over the roads and in the dudes of roads. It's making our town ugly! They need to be much more careful.	1/18/2019 1:06 PM
491	traffic enforcement and speeding. Since red light cameras have been removed I find so many drivers going through lights or turning on red without stopping. Our neighborhood has has a major problem with speeders. Although it is a 30mph zone, many cars travel 50-60 and we never see law enforcement despite many requests to address the issue.	1/18/2019 12:50 PM
492	For what we pay for trash a month, I used to pay for three months in Georgia and a 55 gal can for waste and a 55 gal can for recycle was provided. I am tired of broken trash cans always left in the center of the driveway by trash company so I must stop on road to move. Trash is often blowing all over the neighborhood.	1/18/2019 12:24 PM
493	Would be great to have more pickleball courts. Especially in the 3, 5 areas.	1/18/2019 11:59 AM
494	Love it her. Great people, beautiful place to visit and live	1/18/2019 11:41 AM
495	If you are sitting on the city council to server your own desires and interest the you should resign TODAY!	1/18/2019 9:44 AM
496	Why don't you search out and bring tax burdened California high tech companies here? The economic environment will allow the companies to flourish and the physical environment will similar to what they currently enjoy at a much lower price point. Also reduce the minimum home size to the 900SF of the original development plan to allow more affordable SFH to be built. Reduce lot size to 8000SF.	1/18/2019 9:34 AM
497	PROVIDE STREET LIGHTS ON ALL MAJOR TURNS....UNBELIEVABLE..THIS CITY HAS SO FEW...	1/18/2019 9:21 AM
498	Great Job!!!!!! Keep it up!	1/18/2019 4:37 AM

2018-2019 Citizen's Survey

499	Limited racial diversity in Palm Coast is a challenge. I suspect the black population is less than 10 percent. Unsure of how to address this, or whether it's even viewed as an issue.	1/18/2019 3:02 AM
500	Love this beautiful city, and the easy access from one part of city to another and the wonderful library	1/17/2019 10:48 PM
501	If the existing Pickleball courts were reconfigured they could be utilized to a greater extent. Marking all tennis courts with Pickleball court lines which would eliminate the junior court and have 8 more people playing instead of waiting to play. Or even put two PB next to each other so the tennis people do not have to play in the middle. They hate to move to the middle so we have a lot of people waiting to play until they are done. We cannot use the middle court because of no PB lines.	1/17/2019 10:01 PM
502	The city enjoys spending lots of money on buildings and salaries.	1/17/2019 8:27 PM
503	I am an older citizen and do not drive. I need a mode of transportation along with more activities for people me age. I also would like to see larger stores coming here bc I can not travel to Daytona. I would like Macy's, Dillard's, bed bath and beyond. Stores such as these. It would help to bring work to palm coast as well as keeping our money in palm coast instead of spending it in other towns and cities.	1/17/2019 7:52 PM
504	We need more open fields for sports.	1/17/2019 5:31 PM
505	N/A	1/17/2019 5:21 PM
506	We need to concentrate on job growth, Special events and no more low Income housing or homeless	1/17/2019 4:36 PM
507	we need to stop duplexes and ban section 8 housing if we want to maintain a good, safe quality of life.	1/17/2019 4:31 PM
508	We need more high quality condos/duplexes/apartments. We need an office/engineering/high tech park to attract better paying/benefit jobs.	1/17/2019 4:15 PM
509	We need Public Transportation Buses that go up and down Palm Coast Pkwy, Belle Terre and to Flagler Beach. Also flights from Flagler Airport to NY,	1/17/2019 4:00 PM
510	We have too many teens drawn or led to drugs. The courts are doing the best they can with their programs. but what about the kid who has health issues and would benefit from real rehab care. If you don't have insurance then these kids fall through the cracks. You would be surprised, how much it would help if REAL professional help could be given, instead of Rehab places who are ill-equipped to take care of these people. They are over-crowded, ill-equipped and they just don't have the time to give any one person the kind of help some of them need. What happens is they come out, not having received the help they need, they may go straight for a while, and then they end up in drug court again, only to repeat this vicious cycle. There are few meaningful jobs for them and many of them are lucky if they graduated from high school. Many of the people who offer them jobs have children already on drugs have been in drug court. This I think is counter-productive. Some of these kids have parents with no health insurance, would like to send them to a certified alcohol and drug abuse counselor but don't have the money. I know you're doing the best you can but I am sorry you need to step up and do more. I am afraid our courts will just be a revolving door, accomplishing nothing and our jails are over-crowded with repeat offenders Suicides are up. Also, it seems that many of the people driving vehicles feel red lights and stop signs don't include them. Speeding is out of control, so many people act as if this the Daytona 500, and seem not to realize that if they went slower, they wouldn't have so many accidents, killing innocent people? When I drive in Palm Coast I have to be afraid the next time I go out I may not arrive at my destination or home alive. Thanks for your time I guess I got a little carried away.	1/17/2019 3:41 PM
511	The need for repainting lines in the roads. Everything is faded and looks old! Road repair for Barrington Drive.	1/17/2019 3:39 PM
512	I would like to see community activities at the Community Center. Right now it looks as though it's only used for city offices and voting. i.e., cooking classes, exercise classes, book author appearances, crafting classes and the list could go on.	1/17/2019 3:16 PM
513	I live in Lehigh woods. I wish they would call the area by there name and not first letter of the streets. Calling it the c, r, p, section etc is so low life sounding.	1/17/2019 3:14 PM
514	Develop the Town Center!!!!	1/17/2019 2:28 PM
515	Visit Heathrow near Orlando to see how a developed town center creates a sense of community. Lived here since 1986, we need a downtown. Work with developers!	1/17/2019 2:05 PM
516	There is a pretty large homeless situation within the area. Are any shelters or services being offered to these people that need help? If not instead of putting in a new shopping area or new housing you may want to focus on people who could really use the government's help. If you don't know where to start I suggest taking a look at Palm Beach County's initiative to end homelessness by 2020.	1/17/2019 1:56 PM
517	waste pro is not very reliable and the city ignores request for a senior center	1/17/2019 1:38 PM
518	I am very active Pickleball player. We need many more permanent PB courts in the city. Additional courts south of Belle Terre Park would be great. There are no courts in the southern portion of the city.	1/17/2019 12:50 PM
519	Not enough fields for recreational use and not enough sidewalks. The lights and sidewalk issue has cost too many lives and needs to be fixed. Many issues can be solved by not creating new buildings that have no use. I do not know anyone that uses half the buildings at town center.	1/17/2019 12:37 PM

2018-2019 Citizen's Survey

520	This is a really great city to live in. The area is beautiful and it is a nice size (population wise). Unfortunately many of the people that live here want to maintain a small town feel but want all the amenities that they had in the large congested areas that they moved from. Sadly they refuse to realize that in order to have all those amenities, they have to have the same huge taxes that many moved here to get away from. Also the present city council is obsessed with growth, but like former city council member Bill McQuire used to say, "in order to have growth you had better have a plan to pay for it".	1/17/2019 11:57 AM
521	No	1/17/2019 11:31 AM
522	Gas and cable prices seem to be higher here than even st Augustine. Would be nice to have more affordable options.	1/17/2019 11:25 AM
523	Gradual change is expected. People move to Palm Coast for the peaceful and beautiful city and surrounding s very close to the ocean. Working to develop Palm Coast to morph to a fast pace bustling little city will ruin everything that P C intended for its residents to enjoy. Young and old alike P his one of kind living experience and a very nice quality of life. Please look at the bigger picture that brought the existing residents to P C and what would force them to move. I'm not certain what the politicians long-range game plan is but it certainly has thousands of long time residents sitting up and paying close attention Thank you	1/17/2019 10:53 AM
524	Nothing in this survey has dealt with the fiscal responsibility and status of the city. We seem to be spending our way into financial disaster	1/17/2019 10:05 AM
525	great community with great services.	1/17/2019 9:55 AM
526	Limit low income housing and duplex's. We need to maintain the appeal of Palm Viast without making it a place where draws low income communities.	1/17/2019 8:15 AM
527	Palm Coast needs more softball/baseball fields. The limited number of fields makes it hard for teams to practice once the season starts as all fields are used for scheduled games. The City needs to fund more lighted fields.	1/17/2019 8:04 AM
528	The lack of baseball and softball facilities for a city of this size is terrible. The overall lack of community youth organizations is a shame.	1/17/2019 7:52 AM
529	We are very concerned about the rezoning on Seward Trail. Thank you for the continuation of the side walk. We love living in Palm Coast.	1/17/2019 7:41 AM
530	The city needs more fields for softball and baseball with lights.	1/17/2019 7:40 AM
531	We need better water and bigger businesses. And no more fast food places. Make it easier for restaurants and other businesses to succeed. BJ, Bed Bath and Beyond - and other big stores would be awesome. I have to drive too far regularly for what I need.	1/17/2019 7:29 AM
532	Need more baseball fields for Palm Coast Little League!	1/17/2019 7:05 AM
533	Palm Coast is a pretty clean city which is nice. The biggest problem is jobs. Most are low-level jobs and many leave Palm Coast to work. Businesses/Restaurants are also very lacking compared to other cities of this size.	1/16/2019 11:09 PM
534	There is always such a push to develop but they real truth is that with the development comes all the added expense of fire, safety, utilities etc that the supposed taxes will not cover. And then we raise taxes. WHY? Part of the reason we moved here was the no sidewalks in the subs and that lights didn't ruin the night. Don't spoil that. Better access to events on the website would be helpful.	1/16/2019 8:42 PM
535	Diversity in housing without appropriate employment opportunities is problematic and should NOT be sought until an employment ratio can be established. Otherwise crime will increase.	1/16/2019 8:16 PM
536	Palm coast needs to be more resident friendly. Reexamination of codes and ordinances. We need to attract better paying jobs and provide more sources of entertainment.	1/16/2019 7:25 PM
537	We enjoy our community!	1/16/2019 6:27 PM
538	As a retired doctor and research scientist I moved to beautiful Palm Coast for a number of reasons and one of the important ones was based on the fact city leaders since 1991 have wisely refused to poison our water supply with fluoride. Many cities across the U.S. have been deceived by leaders of the corrupt Dental Lobby into believing fluoride will reduce dental cavities while otherwise being safe for human consumption and this has been proven false in major studies by the 1,500 member EPA Union of Scientists as well as the World Health Organization. The chemical agent used to poison public water supplies is the toxic industrial fluoride hazardous chemical HFSA from Mosaic Fertilizer here in Florida and they were recently fined \$2 billion by the Department of Justice for selling their toxic waste as a fluoridation agent, but corrupt attorneys at the DOJ left a loophole in the trial settlement agreement that allows them to continue to sell HFSA to cities so the they can recover that damage award. Please DO NOT fall victim to the Dental Lobbies new fluoridation campaign and poison our water supply with fluoride because the evidence is now so substantial that this has been one of the most dangerous healthcare frauds in human history and if City leaders decide to do this, the City and all it's leaders will face massive civil lawsuits that are being filed across the U.S. Any questions about the fluoridation fraud, please contact me via email at: DrSkeelInstitute@gmail.com. Thank you for conducting this survey. Dr. Jeffery Skee, PhD, ACSM, ISOM	1/16/2019 5:55 PM
539	Give more fines for dog Owners. Always dog poo on our grass Stop firecrackers have only on july 4	1/16/2019 5:29 PM
540	If there were a more vibrant economy in Palm Coast, there would be more to do and see and it would be more interesting to live here.	1/16/2019 5:07 PM
541	Keep up the good work!!!	1/16/2019 5:05 PM
542	Been waiting for 16 months to have awale regraded. Seems like too lengthy of a wait. Made request 16 months ago. Advised by city 8 months ago it would be regraded.	1/16/2019 4:23 PM

2018-2019 Citizen's Survey

543	we need more businesses closer to the city for more job opportunities.	1/16/2019 4:02 PM
544	AGAIN MANY IF NOT MOST OF US THAT LIVE ON THE EAST SIDE OF I-95 DONT WANT THE EAST SIDE OF I95 TO BECOME WHAT THE WEST SIDE OF I95 HAS BECOME VERY IMPORTANT PLEASE TAKE NOTES	1/16/2019 3:46 PM
545	no	1/16/2019 2:46 PM
546	Palm Coast is a pleasant place to live. The services meet or exceed my expectations. While I think education and jobs to match that education are important, I would like to see the Town Center move toward completion also.	1/16/2019 2:23 PM
547	Like i stated before in the past 2 years the tax have gone up and services have diminished in the city and it shows. the beautiful city is getting less beautiful because diminished services like drainage swell maintenance, litter pickup on palm harbor and old kings roads and lack o grass maintenance in front of empty lots and palm harbor and old kings roads	1/16/2019 2:03 PM
548	Need lights in parks such as Waterfront park to make it safer. Lights on all of Belle Terre pkway from 100 to pc pkway should be a priority.	1/16/2019 1:28 PM
549	I love palm coast! Just there's not a lot jobs here. Most ppl i know includes me have to work in nearby cities.	1/16/2019 1:02 PM
550	Thank you for the new right hand turn lane on northbound Seminole Woods Pkwy and SR-100! What about a right turn lane from 100 onto Seminole Woods? Also, when will Old Kings Rd (between PC Pkwy and Forest Grove) be widened? My biggest complaint about Palm Coast is the awful timing of the traffic lights. For example, the relatively new intersection of Old Kings Rd and Matanzas Woods will trigger when a car, heading northbound on Old Kings, approaches the intersection before the car even comes to a complete stop. Many times they are going right onto Matanzas Woods and the light goes red on Matanzas Woods unnecessarily. This happens at other locations in the city as well, it is very inefficient and frustrating. I shouldn't have to stop at a red light when there is no traffic coming in the other direction. Also, at many lights you have to wait a long time at a red light and when it goes green, the next light turns yellow. This creates unnecessary stop and go traffic. The lights need to be synced and they clearly are not. Overall though, Palm Coast is a nice place to live, work and raise my young family.	1/16/2019 12:22 PM
551	Yard waste pick up is terrible .Holiday schedule for trash and recycling is never posted in the newspapers.	1/16/2019 12:02 PM
552	We have a very nice city, but still have to go to Daytona Beach for better shopping and restaurants.	1/16/2019 11:29 AM
553	Keep the single family zoning as single family. We chose these neighborhoods for a reason!	1/16/2019 11:15 AM
554	Changing the left turn signal to a steady red light on Belle Terre at Parkview traveling south on Belle Terre was an absolutely terrible decision. It wastes so much time. US 1 and White View has a blinking yellow light and the speeds there are MUCH faster. Please reassess the Belle Terre light. It affects a lot of citizens. North on Belle Terre at Rymfire has a blinking yellow light. That's what we want back.	1/16/2019 11:06 AM
555	Not at this time	1/16/2019 10:51 AM
556	Gas prices are high, trash collection is unpredictable.	1/16/2019 10:22 AM
557	I am very very concerned about all the homeless in town By publix shopping center off belle terre its a disgrace they hang out smoking on cell phones. nothing is done about this. If I were someone new thinking of moving to Palm Coast I would not. Its not just this area its all over. Palm Coast. This is my main concern something needs to be done.	1/16/2019 9:42 AM
558	speeding on cut thru streets ie: pt pleasant dr from belle terre and royal palms. upkeep of personal property-house need painting, trash in yard, grass overgrown, junk left in yards, shrubs in shopping centers are blocking the vision of the road, it just seems like palm coast is going down hill from when we moved here in 2002.	1/16/2019 9:26 AM
559	There should be more indoor activities for children in Palm Coast. Like an indoor trampoline place. It would be great to have a Costco and Trader Joe's as well.	1/16/2019 9:25 AM
560	We are always not included or considered outside the city limits for everything.....including this survey. We pay high taxes, high water bills and want to be included in recycling perks. Why is everything different for us out on A1A?	1/16/2019 8:54 AM
561	Seems as though the City Leadership needs to really look at equality of services and the benefits of all services and programs. Government should serve the public and consumer, not limit. Rule should not limit but create opportunities and a safe place to live.	1/16/2019 8:45 AM
562	My wife and I built a home in PC because we liked how quiet and the natural beauty of it. Please stop trying to build apartments and over populate the city. People that want street lights and parking meters at the beach should move to NJ!	1/16/2019 8:27 AM
563	Stop building so much. Palm Coast is starting to look like Daytona ☹	1/16/2019 8:07 AM
564	WITH NO SINGLE ROBUST CENTRAL DOWNTOWN THE TOWN WILL CONTINUE TO BE A WANNA BE.	1/16/2019 7:19 AM
565	Not happy with airport traffic Over the house daily	1/16/2019 6:06 AM
566	I seem to always have a problem with people littering at the corner of my property, parking on my lawn on the side of my property and every time the trash people pick up trash, they always leave something behind and never leave the trash can back where they found it. I never understand how a pieces of trash that was in the trash bin that should have been in their trash vehicle gets left on the ground, on the street in front of my house. It gets annoying because we pay to get our trash picked up and they do things like that. They just need to do their jobs correctly.	1/16/2019 4:53 AM

2018-2019 Citizen's Survey

567	I think it is a good idea to send this survey out because it can collect information to better our community. There needs to be more kindness and understanding when running a city. good luck	1/16/2019 12:06 AM
568	We have yet to move in full time but will soon and are looking forward to it. What attracted us to the city was the location to Flagler Beach, the outdoor atmosphere, the strip malls hidden behind the wall of trees, and the small town mentality. Continue to improve upon those things keeping the development down and you'll be the almost perfect town. No town/city is perfect... but you can be close. Outdoor living, green spaces and slow development.	1/15/2019 10:51 PM
569	Traffic light at Palm Coast Parkway & Old Kings going north & south needs more time to get thru light.	1/15/2019 10:11 PM
570	build a better ampitheater like st Augustine and bring in big name entertainment. public transportation rail service .	1/15/2019 9:53 PM
571	Gas prices are too high. I drive out of county to buy gas!	1/15/2019 9:20 PM
572	We need affordable housing to match the low salaried jobs. Or better paying companies	1/15/2019 9:19 PM
573	Still waiting on the Indian Trails Park to be created, it has been 20 years and it is still an eye sore. Still waiting on a large employer/ company to open there door in Palm Coast. We just lost the biggest with Sea Ray. Still waiting on Sams Club or BJs Wholesale store. Designated sheltered bus stops and side walks would be nice, ie, bus stop for school kids.	1/15/2019 9:16 PM
574	Please update some of the neighborhood signs...the white and blue colors look old and cheap. The city has such prettier signs elsewhere.	1/15/2019 8:52 PM
575	I would like to palm coast to get a Trader Joe's, Chili's, additional commercial businesses in Matanzas area. No more duplex's, fix drainage and clean up empty lots that house mosquitos and lead to damage during hurricanes. I moved here in 1986 and have seen this town grow but disturbed by the lack of resources and shopping available in the county for working class and stop focusing on just tourists and retirees. I'm tired of driving to surrounding counties and love the nature available so it's important to preserve it but would love a happy and healthy balance of both shopping/restaurants and natural habitat	1/15/2019 8:04 PM
576	Make Old Kings road safer to walk and traffic back ups.	1/15/2019 7:45 PM
577	Need experienced people to promote Pickleball events for the city. Senior Games 2018 was a complete disaster. Spent big money on colored flyer which contained no info and useless trinkets. Very unorganized and inexperienced personnel in charge. Pickleball nets were torn and broken, no one new when and what court to play on in 100 degree weather. It was embarrassing for the city and out of towners were discussted. It will be difficult to get some people to come back for future events. What a missed opportunity for advertising Palm Coast Pickleball. Additionally need permanent courts stationed throughout the city, not just Holland and the Hammocks.	1/15/2019 6:52 PM
578	I'd like to see more police. Our neighbor was robbed. I've seen people run red lights, go way too fast in our neighborhood.	1/15/2019 6:22 PM
579	Many of the builders in addition to destroying their own building lots, are not careful about damaging surrounding properties. Perhaps the building inspectors should keep a better eye on the properties that surround ongoing job sites. I believe that the builders of duplexes should pay much higher impact fees than they currently do.	1/15/2019 6:21 PM
580	We must stop thinking of Palm Coast as a bedroom community or Retirement Community many young families are living here now we need to appeal to children and teenagers with a fordable activities and we need to provide well paid jobs in Flagler County they should not have to commute 30 minutes away and spend their money in another County when they could be working close to home and spending the money here	1/15/2019 6:06 PM
581	Communication is key. Palm coast has wasted the stormwater fees collected by fixing individual complaints instead system fixing. Water runs downhill. Also when is the time the City addressed the water and sewer debt to refinance. Yuou do have to add to the debt sometimes to lower it. The rates seem exceedingly high.	1/15/2019 6:00 PM
582	1. Find an alternative garbage company, divide city into 2 districts each with a different trash company for some choice/competition. 2. Provide garbage containers WITH LIDS to keep critters out and trash where it belongs. NO TRASH BAGS CURBSIDE! Waste Mgt provides lidded containers for BOTH waste and recycling! 3. Fix the drainage swales. We pay monthly and get NOTHING. 4. Focus on CORE COMPETENCIES. 5. Cut waste - begin at city hall. 6. Lower speed limits on Palm Harbor Pkwy at Florida Park intersection - very dangerous over the bridge also. 7. Fix potholes. 8. Widen Kings Highway north of Palm Coast Pkwy PLAN NOW. 9. Quit wasting money on "Community Centers" , "low income housing" etc. 10 Protect private property rights. 11. With the most expensive water in Florida why can't we make it? NO MORE TAXES or increases! That helps affordability!	1/15/2019 5:43 PM
583	I want people to stop littering. I notice garbage on the roadsides.	1/15/2019 5:28 PM
584	Palm Coast is beginning to look like south Florida with all the traffic problems, congestion and potential for increased crime	1/15/2019 5:13 PM
585	Not at this time, thanks	1/15/2019 5:11 PM
586	The noise nuisance law should be applied to all vehicles with tampered mufflers including motorcycles	1/15/2019 4:49 PM
587	I recently heard that a developer entered a request to re-zone part of the Seminole Woods subdivision to include multi-family dwellings. As a homeowner who moved into a single family dwelling community, I believe it is wrong to re-zone part of this area to include multi-family designation.	1/15/2019 4:28 PM
588	DO NOT REZONE ANYTHING - WE LIKE AND ENJOY PALM COAST THE WAY IT IS	1/15/2019 4:14 PM
589	Water is expensive and yellow	1/15/2019 3:43 PM

2018-2019 Citizen's Survey

590	Yes. So far Palm Coast has done a nice job of maintaining the character of original intent. So don't start letting developers drive the future of this awesome community. It's fine. Just keep the crime down by being proactive and supporting law enforcement appropriately because issues are starting to crop up. You can have the most beautiful infrastructure but if people do not feel safe they will not invest here and they will leave.	1/15/2019 2:35 PM
591	I would like to see less garbage in the streets	1/15/2019 2:26 PM
592	Cell phone quality in this town is unacceptable. Must be addressed immediately.	1/15/2019 2:16 PM
593	It's a nice place to live.	1/15/2019 1:56 PM
594	timing of street lights on old kings and palm coast parkway are horrible. Our sheriff's department and all they provide are awesome! I am thankful for them	1/15/2019 1:41 PM
595	Please, more budget control is needed. I moved here to get away from a high priced city that I couldn't afford to buy a house, or live comfortably on my fixed income. I don't want to move again. Also please take care of the lighting of streets and storm control pipes for neighborhoods, which SHOULD have been here in the beginning. Curtail "beauty" planting of everything until these things are in place. I love living in a beautiful city, but I also love living well on my FIXED income.	1/15/2019 1:11 PM
596	The neighborhoods desperately need street lights that work. Maybe you could look into solar street lights? NJ uses them. Darkness makes it easy for crimes, not enough neighbors use their house lights to help. It gets really dark in some of the back streets in the F section.	1/15/2019 12:54 PM
597	The Electricity Tax is wrong!	1/15/2019 12:27 PM
598	Garbage trucks fly down Ponce Deleon and often miss my recycle bin at the foot of my driveway. They also seem to leave my garbage container in the street. I've complained numerous times but see no change or improvement.	1/15/2019 12:24 PM
599	Specifically the swales (waters stays in the swales for weeks creating mosquitos and other insects) on our streets, better paying jobs, street lights in neighborhoods (it is so dark in PC), add better clothing stores (they all sell the same items; I don't want fish and beach items on my clothes), and add a Costco.	1/15/2019 12:19 PM
600	We really need more streetlights on main roads for visibility and safety, and we do NOT need any roundabouts, they are dangerous since no one knows how to drive in them. Put in a traffic signal at US 1 and Matanzas Parkway.	1/15/2019 11:46 AM
601	Waste Pro garbage pick up and recycling has been poor the past couple of months. Sloppy trash pick up. Lately trash not picked up. Recycle not picked up. No consistent pick ups per schedule. We pay for this service and it should be provided as scheduled in a timely and correct manner. Things would benefit from improved refuse pick up.	1/15/2019 11:36 AM
602	I like that there are codes to keep things up. Some may need to change. I also feel that instead of people having to call and give name for code enforcement someone should drive through every 6months and check. We've lived here 4 months and our neighbor has had trash in their drive and yard the whole time. I don't want to report for fear of repercussion	1/15/2019 11:34 AM
603	Need stronger fines for littering and need better access in Island Walk to parking. Parking lot is ill designed and dangerous.	1/15/2019 11:11 AM
604	All in all City has done a fine job of moving from a bedroom community to more of a full services city with a mix of business and retirees. However, it doesn't feel as if the city could withstand another recession or economic event as most of the city's new businesses are consumer oriented. At the first sign of economic stress I would not be surprised to see 20% of the businesses close or fail. I would suggest adding some sort of partnership or educational facility that would stress business and/or technology learning. That would provide a foundation for a well of current up to date and well trained employees as well as business acumen that would ensure survival of the least among us. It would also attract businesses that are looking for forward thinking communities.	1/15/2019 10:35 AM
605	We need to light up Palm Coast. It's terrible at night when you can't see where you are driving.	1/15/2019 10:25 AM
606	We would like to see more right turning lanes into residential sections or caution signs.	1/15/2019 10:14 AM
607	Cable and internet suck. Slow and expensive	1/15/2019 9:59 AM
608	The parking lot at Island Walk is a disaster. I will not go into it unless I'm desperate. I feel sorry for the merchants but I will not go there.	1/15/2019 9:50 AM
609	The city is quick to give warnings about house #'s not in the appropriate location, however there is a mob of pan handlers wandering the streets of palm coast. These people are mostly problematic. They shop lift from local stores, they make the public restrooms unsightly and they litter all over the city. Also housing costs are out of reach. I have a teenage daughter. She will never be able to get an apartment due to rent prices. (She also drives 45 minutes to go to work she enjoys because work here is not desirable) the traffic lights are excessive and sometimes are red way to long, which makes people speed to avoid them creating unsafe driving atmosphere	1/15/2019 9:24 AM
610	Waste Pro performance has been slipping lately. Pulling just bags out of cans and leaving stuff in the can. Recycling pick up has been very vey inconsistent.	1/15/2019 9:12 AM
611	We moved here >16 years ago because it was a beautiful, quiet retirement community. We now feel like the retirees are treated as 2nd class citizens. Development is clearing too many of the trees and natural beauty of the area. The Florida Park Drive corridor has many run down areas that the city seems to ignore.	1/15/2019 8:32 AM
612	I think the city should work on improvements for all and not just a select few. You wasted our money putting in a dog park on FL park with a pond in the center and expect the dogs not to swim. Even when advised not to. I will never utilize the park because of it. My wasted tax dollars	1/15/2019 8:26 AM
613	Stop making it so hard for companies to move here.	1/15/2019 7:14 AM

2018-2019 Citizen's Survey

614	Too many rentals in the area that are bringing in different types of people to our communities that are not making the neighborhoods better. Rising costs of everything are also a concern. It's getting very expensive to live here comfortably - especially when our roads are dark, everything closed and is dead by 9PM in town and cell phone coverage barely exists in half the city!	1/15/2019 7:05 AM
615	Please stop all new developments.	1/15/2019 3:26 AM
616	I would like to have better water quality. My water is almost always yellow as is my fellow Palm Coast neighbors. I feel that I should be comfortable cooking and bathing in our water, which I do not.	1/14/2019 11:54 PM
617	Yes. It is not necessary to recreate the mess and congestion of Palm Coast Parkway. Please leave Rt 100 as it is.	1/14/2019 10:56 PM
618	A vibrant city encourages job growth, otherwise the young are growing up, and leaving the area. Further, we need more business, shopping, food establishments, entertainment to bring in tax revenues other than continuing to raise property taxes. Why should many of the residents leave town to purchase goods, meals, supplies, food; let's bring those additional establishments here. If business growth is encouraged and nurtured there will be tax revenues to pay for many amenities for the city, but if the town becomes known for clogged roads (sidewalks instead of roads) then good growth will be discouraged.	1/14/2019 10:20 PM
619	More police presence. Create a paid volunteer neighborhood watch and have problem areas patrolled by such a group. Instead of looking for volunteers, pay retirees minimum wage to stay up at night and patrol our streets. I know many retirees would be happy to do that and keep our neighbors safe	1/14/2019 9:47 PM
620	We are tearing down too many trees. We did not need the 3rd exit. Before expanding we should finish developing areas that have started. We need streetlights for safety. Sidewalks, too. Stop with the chain stores. Bring in real business. Jobs that pay.	1/14/2019 9:29 PM
621	The city needs to do something about the homeless population. They appeared all of a sudden and have made the city feel unsafe. This is a HUGE issue for the residents I. Thank you.	1/14/2019 8:37 PM
622	Utility department need more technologies need more cable services spectrum and at&t are bad and expensive	1/14/2019 8:09 PM
623	My wife and I are active pickleball players. We have been promised the construction of many dedicated courts for the past few years, but nothing has materialized. The sport is growing by leaps and bounds. We have even taken on the responsibility of starting our own class for beginners, because the Rec Dept can't keep up with the demand. We do this free of charge for anyone who has a need. Often, there are not enough courts available. We have had 20 people at a time some evenings. The folks at the Frieda Zamba pool office know about us and appreciate what we do. This town is missing out on a huge money maker. Just look at what is happening in the surrounding cities. Large complexes are being built to accommodate residents and tournaments. Those tournaments and complexes bring lots of dollars to those communities. Let's not let this opportunity slip through our fingers!! You can find out who I am by checking with personnel at Frieda Zamba. They know me as Ric.	1/14/2019 7:14 PM
624	City needs to improve storm water drainage issues. I was told by City Hall that they are over a year behind schedule. Unacceptable!	1/14/2019 7:08 PM
625	We moved here due to the beauty of the area, the friendly people, the small town traffic, and the trails and parks.	1/14/2019 6:52 PM
626	I bought my home here around 14 years ago. One of the most important reasons I chose this area was how well maintained the streets and canals were. Now they are ignored. Shows a lack of pride in our community. Very disappointing.	1/14/2019 6:26 PM
627	BUILD SOMETHING WE CAN USE STOP WITH ALL THE GAS STATIONS AND BANKS ALREADY	1/14/2019 6:24 PM
628	Need a Publix on US1 and Matanzas.	1/14/2019 6:03 PM
629	Being the largest city in the county we need our own police department.	1/14/2019 5:57 PM
630	We need more high paying jobs. All of the storefronts are full of part-time, minimum wage jobs that cannot support the astronomical housing costs. Once living-wage jobs come to Palm Coast, the quality of life (recreation opportunities) for all of the city's age brackets will improve. Attracting living-wage businesses is what Palm Coast needs first, and the rest will fall into place.	1/14/2019 4:54 PM
631	please please work on developing town center. get wholefoods and plenty others will follow including many small local businesses	1/14/2019 4:09 PM
632	I can't understand why so many people throw their trash on the roadway and neighborhoods.. Litter laws should be STRICTLY ENFORCED!!!!	1/14/2019 4:07 PM
633	Suggest a few city commission meetings be held in the late afternoon or evening. Continue Citizens academy for interested persons with more widespread communication about application process. Excellent renovation of the PC Community Center. Please, please look at public transportation options for all citizens!!	1/14/2019 4:02 PM
634	Need to find ways to reduce cost for the folks that live here. Example, don't need to have garbage pick up 2-3 times a week. 1 garbage pick up is sufficient, 1 waste pick up is sufficient	1/14/2019 3:57 PM
635	In regards to the sheriff dept. they do an excellent job of investigating and arresting. Where we need help is in prevention. We have too many car burglaries and speeders on residential streets. I feel a stronger presence would deter some of these occurrences.	1/14/2019 3:42 PM

2018-2019 Citizen's Survey

636	Yes with more people moving to Palm coast we need another high school the 2 we have has been over crowded for the 5 years I have moved here. We need more retail stores. We have to go to Daytona or other places to spend our money. More places to eat that are places we want, like Popeys chicken and others. I go to Jacksonville to shop and eat alot which takes money from Palm Coast. We also have a great many elder, who are still driving and causing many accidents, We could use a busline.	1/14/2019 3:29 PM
637	I felt most of the questions in this survey were poorly phrased, ambiguous, and/or pointed toward an agenda. I would suggest employing an outside social scientist as a consultant for the next survey.	1/14/2019 2:39 PM
638	The drainage in the B section between PCP and Pine Lakes is terrible. Where we live off Belleaire the water stands for weeks at a time after heavy rains. There is a canal across the street and the water doesn't drain to it.	1/14/2019 2:24 PM
639	Trim back landscaping around businesses so drivers can see coming traffic	1/14/2019 2:14 PM
640	Please invest in storm drain improvements - particularly in Marineland Acres. Thank you!	1/14/2019 1:48 PM
641	Need sidewalks, sewers not overflowing swells, or fix and clean out the swells on a regular schedule esp during hurricane season, is more streetlights, street sweepers,	1/14/2019 1:13 PM
642	It is unrealistic to expect people to come here if they can't afford it. If you don't travel elsewhere forget work to support yourself. You can bring in industry whatever and still have a good quality of life. What about all the land on US1 or out in Bunnell. We are limited in what there is here. Food industry doesn't pay well.	1/14/2019 1:02 PM
643	I absolutely DO NOT WANT low-income housing in Seminole Woods!!! We have a beautiful middle class neighborhood. We've all worked hard to have this relatively simple lifestyle, and we don't need the crime and reduction in our property values.	1/14/2019 12:51 PM
644	Ask better questions. Seem to fizzle out at the end of Survey. You'll derive more streamlined information that garners a wholesome overview of what the citizens really think and feel about their City, et. al.	1/14/2019 12:16 PM
645	The swale system does not work I haven't been able to mow my mother's swale for years the city has not been mowing the vacant lot next to her for years this issue has been reported and the city ignores the problem my swale is starting to get extra mucky for longer periods of time swales don't work or they do but the city doesn't keep them maintained in the long run curbs with drain pipes will work better and I'm okay with referendum money to fix the issue Stop ignoring the problem	1/14/2019 11:25 AM
646	Council needs to put quality-of-life issues ahead of the interests of developers, realtors, and the chamber of commerce - which it clearly has not done recently	1/14/2019 11:01 AM
647	Keep the city looking beautiful. That is what attracts quality people here. Homeless population seems to be more prevalent than it was a couple of years ago.	1/14/2019 10:59 AM
648	We also need public transportation, the current set up is a joke. There are many young and old people that aren't able to drive that could greatly benefit. We need good paying, full time jobs that don't require a special degree to get, regular blue collar jobs. All you ever want to promote is food and retail which are ALL, low paying and part time.	1/14/2019 10:54 AM
649	Keep the spending low so that our taxes will remain low we need money set aside for emergencies, such as hurricanes, sewer lines .	1/14/2019 10:50 AM
650	I wish people would stop trashing this beautiful city!	1/14/2019 10:32 AM
651	Better clean up of trash on the streets	1/14/2019 10:25 AM
652	A YMCA here would be wonderful as well arts and cultural centers..I	1/14/2019 10:09 AM
653	If my wife and I didn't work from our home, we would not be in Palm Coast. No good jobs here. After living here a while, we wish we had looked elsewhere. The cost of living here is too high as compared to other FL locations. Give up on Town Center. NOBODY wants it developed. It is hard to get to, and not worth the drive.	1/14/2019 10:08 AM
654	The city must get the cell reception/service situation improved as well as affordable housing and different types of housing for growth!	1/14/2019 9:47 AM
655	Palm Coast has the best fire and emergency services I have ever seen and is very lucky to be under the protection of the Flagler County Sheriff's Department.	1/14/2019 9:35 AM
656	I have watched and experienced the large number of tanks having to be replaced since coming here in 2002. It is on going and I would expect expensive for the city. Any chance the city might address this.	1/14/2019 9:25 AM
657	Need tree branch and tree trimming on Colbert Road. There are lots of fragile looking branches overlooking the road.	1/14/2019 9:18 AM
658	Affordable Housing and more funding for FTI to further the growth of trade education.	1/14/2019 9:15 AM
659	no	1/14/2019 9:09 AM
660	Not all residents in a retirement community are wealthy. Food is higher, taxes are higher and fuel is higher here. Why?	1/14/2019 9:06 AM
661	keep the trees don't cut them all down for more condos, etc... and Keep the Trails Safe so everyone can enjoy this beautiful city	1/14/2019 8:53 AM
662	Trash cleanup, litter enforcement	1/14/2019 8:40 AM
663	We loved PC when we arrived in 2012. Whatever beacon that was sent to New York to take over PC has removed the friendly Florida home town feel that we so enjoyed. It's evident on the local roads and stores with lack of common courtesy. Schools appear to be even more troubling. I am encouraged by this survey and the fact that the city is now asking the right questions.	1/14/2019 8:08 AM

2018-2019 Citizen's Survey

664	Love the focus on trees along the streets and not store signage. Number 1 reason I purchased a home here. Tech jobs are sad so I am forced to work in Jacksonville or Melbourne.	1/14/2019 7:52 AM
665	Sherriff's office does great job, but would like to see red light cameras back.	1/14/2019 7:11 AM
666	Publish a 1 year, 5 year and 10 year development with milestones. Publish milestones and achievements of the last 5 years.	1/14/2019 7:10 AM
667	the circle going on US1 is a waste of tax money, when a traffic light would have been in line with other lights on that road. shame on you for not fighting the state for wasting money and slowing traffic. Hope you do not need emergency services through that area that has to slow to 30mph. A few seconds delay could mean the difference between life or death.	1/14/2019 6:43 AM
668	I would like to see a little less trash on the side of the road. And stop people from driving in the grass on the sides of the roads. It makes the area look trashy.	1/13/2019 10:48 PM
669	Palm Coast is a wonderful place to live. However, we desperately need higher paying jobs in order to keep younger people in our community. A wider range of housing for younger families & active seniors. A better form of transportation: trolleys on major arteries or small bus service.	1/13/2019 10:31 PM
670	I do not think there is a need for garbage to be picked up twice a week. The swales should be cleaned out. They have not been done in my area in many years and they are cluttered with dead trees and vines and bushes that do not allow water to pass through.	1/13/2019 10:02 PM
671	More restaurants and bars nearer 100 Seminole Woods	1/13/2019 9:51 PM
672	the ditches in the neighborhoods do not carry the water to the canals. water sits everywhere in front of every home. heavy rains flood the street.. this is bad , real bad. please fix it!	1/13/2019 9:47 PM
673	Spend less on beautification and more on substance. I'm still upset about the town hall	1/13/2019 9:19 PM
674	When I moved here, I thought perhaps you had a Welcome Wagon....never seen anyone. Perhaps the Real Estate Agency's should help with this, get one started if there isn't one.	1/13/2019 9:07 PM
675	Get rid of the city manager position. The tax payers have no say in who this is, but he is the one that basically spends all the tax payers money and doesn't have to answer to anyone. Florida is the first place I've ever resided in (I was in the service for 20 years and therefore lived in several different cities) that the Mayor wasn't the one who ran the day to day operations of the city. Also, in a city this small, why is the city manager paid this outrageous salary and why does he need an assistant? The assistant's salary is closer to what the city managers should be, if there has to be one. If I knew what I know now, I wouldn't have moved here.	1/13/2019 8:46 PM
676	For a small town, I think the traffic is terrible!	1/13/2019 8:36 PM
677	Cellular service is sketchy in the P section, and many areas of Palm Coast. Please resist the tendency to grow government and raise taxes to keep pace the wants of the few. Use extreme caution here!!	1/13/2019 7:49 PM
678	I think Palm Coast is a lovely, friendly, pretty place to live. I would like to be able to find a job that pays a decent salary closer to home, though.	1/13/2019 7:11 PM
679	Tell the mayor to wake up. Residents don't want multi family buildings built next to single family homes.	1/13/2019 6:30 PM
680	I think more transparency from the council is needed. As you may have noticed there are a lot of people who are looking for conspiracies behind every bush in Palm Coast. If everything is transparent then these people have nothing to squawk about. Next, affordable housing is needed but adding apartment to existing neighborhoods is wrong.	1/13/2019 6:14 PM
681	No	1/13/2019 6:05 PM
682	why is it that the only places to eat that are approved by the city are all some kind of chain? absolutely hate that we have nothing original	1/13/2019 6:00 PM
683	I think your topics are very focused on the city council's agenda/desires and not what the citizens really care about, please broaden your subjects....parks are not what this area needs more of, it is safety, community and leadership for jobs and security	1/13/2019 5:56 PM
684	I love Palm Coast and living here. I disagree with too many low income or subsidized housing just fill up up use land at Town Center and other areas. Facts are facts... Right now I feel safe walking in the park at Town Center and going to the movie at night. I am hoping that fact does not change in the future. Also with more people for some reason there is more litter on the road ways and in our neighborhoods. I understand you cannot legislate pride and respect; but something needs to be done.. Signs stating a fine for littering. I live in the E Section I pick up trash on East Hampton at least once a week. It is one way in and out to the neighborhood so the people who are trashing East Hampton and side streets actually live there. Palm Coast garbage, debris and recycling services are the best I have ever seen. And the city beautification is amazing as well. I appreciate and applaud the city and the employees for their effort. Which makes the littering even more of a sore point for me. I would like a Costco if possible so surrounding towns would have a reason to come and spend money here.	1/13/2019 5:06 PM
685	Linear Park and surrounding trails have become dangerous recently,with many fires and I have also found many needles.All of us walkers are now afraid.	1/13/2019 4:23 PM
686	We need more affordable housing for families. Rents are currently very high and people on limited incomes cannot stay current with their utility bills and the Hugh rent.	1/13/2019 3:52 PM
687	When we first moved .The one thing I thought was how clean it is here. Lately it has become not so impressive. Seen like people just throw there trash out there windows even in neighborhood's .Also the driving has become crazy .	1/13/2019 3:28 PM
688	We need more reclaimed water by the b section (boulder rock)	1/13/2019 3:21 PM

2018-2019 Citizen's Survey

689	Drainage is our biggest concern. Having our front yard full of water half way up to my house is insane. Then when they come out to look at it tell me the water table is too high! Thanks like I had no clue about that!	1/13/2019 2:42 PM
690	more traffic regulation please - speeding, tailgating etc.. more quality jobs so the population can diversify.	1/13/2019 2:22 PM
691	I know some people love Palm Coast. Unfortunately I find our neighboring communities of Flagler Beach and St. Augustine far more appealing. Good restaurants, activities, etc. (Shout out to MamaLing's in PC - fantastic!) Palm Coast has excellent bike/walking paths but I fear on-going development will diminish this one positive feature.	1/13/2019 1:42 PM
692	Water in palm coast is priced way to high especially since its undrinkable.	1/13/2019 1:14 PM
693	There is inadequate drainage along the sidewalk along Seminole Woods Blvd between US1 and Slocum. The sidewalks are below the grading. I feel sorry for my neighbors to the south of us since it is flooded ~30-40 %	1/13/2019 1:09 PM
694	Moved here 8 months ago from Ormond Beach (Flagler County - Plantation Bay). I am in Grand Haven for now and strongly prefer it to PB gated subdivision. Far friendlier and welcoming and preservative of nature and certainly less congested and built up ... over built.	1/13/2019 12:51 PM
695	Code enforcement and its regulation enforcement are VERY lacking and almost non-existent. Fines should be handed out upon inspections, not a 30 day grace period.	1/13/2019 12:32 PM
696	No	1/13/2019 12:31 PM
697	This survey is a great idea and I appreciate the opportunity to give feedback. Thank you Palm Coast!	1/13/2019 11:51 AM
698	More affordable home rentals or for purchase	1/13/2019 11:37 AM
699	Frontier Road connecting Old Kings Hwy to Palm Harbor Pwy. should have White Lines on both sides of the road. Safety issue at nights when on coming car lights blind you from seeing yellow road markings which are also worn out.	1/13/2019 11:13 AM
700	Stricter enforcement of cars parked on property and in swales	1/13/2019 11:05 AM
701	Eliminate rental homes in retirement communities. Get rid of most social programs, make Palm coast the best retirement community. Right now you are looking like Miami or Orlando with all the crime, pan handling, low income housing, etc.	1/13/2019 10:37 AM
702	We need higher paying jobs in the area!!!!	1/13/2019 10:29 AM
703	Very dissatisfied with the current mayor. She's bent on bringing low-income housing, which, as we know, does not contribute to a safe, clean community. We work hard to be able to live where we live, and one should live where they can afford to live. We should not be forced to downgrade our town in order to accommodate those who can't afford to live here. There are plenty of other areas in Florida that are more affordable. We already see this happening right now with all these duplexes popping up all over. Renters are not as keen in keeping up a house as homeowners are. Safety and cleanliness were the main reason why we chose Palm Coast to live. If the Mayor succeeds in her quest, Palm Coast will be doomed, and all of us taxpaying homeowners, will look to another place to move to and Palm Coast will be just another lousy city in Florida.	1/13/2019 9:57 AM
704	I came to Fla. in 70's saw a sign of Future home of Palm Coast. My husband died in 1966, our last vacation was to the 500 races, on the way home he said we should retire in Fla., the month after we got home Mar. 1966, he was killed by a tire rim, never spent Christmas at home after that came to Fla. my uncle had a place in Daytona, on the way home we stopped at the gas station on 100 where the fruit stand is and there was the sign Future home of PC, in our paper there was a ad about this PC, so I got in touch bought the property in 1974, Frontier Rd., we would come down to visit, then we had to build but with my sons being little, and I wanted to let them know there family, so I switched my property to Cypress Knoll, in 1984, I built my home on Edgewater Dr. Dec. 24 it was ready, I was the only house in my area at that time. My parents came down to stay, my dad was a avid golfer, he was here when cypressknoll was built, met Gary Player, well in the years my dad had a Hole In One on Each on all the golf courses, I have the papers. When I was ready to retire I made my promise to my husband and moved to Fla. and attend the DAYtona 500 years for over 35 years. On my street, I was the last person in my area to move in forever. I have seen PC grow, the dreams of ITT all came true. Love the area, my neighbors and easy to get to stores, and highway. I have a scrapbook, I show my neighbors, how small the trees were in the area. pictures of my house being built. It has grown and going back to my dad, when he made his first hole in one, the newspaper came to interview him. He was so thrilled, he left a mark here in PC... Hedied 16 years ago, had a total of 29 holes in one, and many double eagles. He loved the area and made many golf friends. Think you are doing a great job in PC	1/13/2019 9:43 AM
705	Keep Palm Coast beautiful. Do not try to make it a city like Daytona or St Augustine.	1/13/2019 9:42 AM
706	Glad the traffic turn lane by Starbucks at 100/Belle Terre finally got corrected to WHAT should have been done when the sidewalk etc was first put in. Was very poor planning initially!! Not sure what some one was thinking (or not thinking.) Since the city's arborists feel the need to commit "crape murder" along Belle Terre south of 100 - would like to see all the other crape myrtles pruned to oblivion along 100; Belle Terre north of 100 and Palm Coast Pkwy. In other words stop butchering our end if you aren't going to do the same to the other beautification projects in the city. We like our end too!! And no round about on US1 and Old Dixie Hwy. You can provide feedback for this project that most residents do not want. Why does it take years for any company that wants to build and do business here? PC regulations are choke holding new businesses and stifling growth. Regulations and zoning restrictions are getting out of hand. Some of the petty rules are truly testing the patience residents and business owners alike. Is it just a tad bit of greed and dominance from a few that overrules the true best interests of a community??	1/13/2019 8:50 AM
707	We need street lights desperately. I feel trapped at home at night because I don't want to drive in the dark. If this doesn't happen soon, I will probably move.	1/13/2019 7:51 AM

2018-2019 Citizen's Survey

708	Taxes have increased significantly each year but there is no maintenance of roads or street lights. Taxes are increases so quickly that we are considering Volusia County.	1/13/2019 6:31 AM
709	Get better garbage provider & recycle since they now come when they feel like it.	1/13/2019 5:52 AM
710	Storm water runoff ,ditches projects should be completed and not put off until the next storm.	1/12/2019 11:29 PM
711	Palm Coast needs to be more forward looking. The Mayor's employment and council's approach are archaic and too much of good old boy(girl) set up to meet the city's needs.	1/12/2019 10:38 PM
712	More street lights that don't contribute to light pollution. I like to see the stars at night.	1/12/2019 10:34 PM
713	No apartments in Seminole Woods. We moved here five years ago, and chose the area due to the woods and quiet.	1/12/2019 9:38 PM
714	Stop being nazi's with development. It's impossible for small businesses to open restaurants or anything else.	1/12/2019 9:37 PM
715	An increase in the littering in Belle Terre closed to Town Center.	1/12/2019 9:11 PM
716	Mayor is doing a great job.	1/12/2019 9:11 PM
717	The priority of expenditures should be re-evaluated and applied first to the essentials and then to projects that are good to have but not essential. Palm Coast should be friendlier to new businesses and more adept at attracting investment. There is no reason we should not have a development equivalent to The Pavilion in Port Orange. We have the population to support it. Such developments provide jobs and serve as a catalyst to attract more companies. Town Center should be full of tech-related companies that provide high-paying, highly skilled jobs. Such developments would expand the tax base substantially, making it less important to rely so heavily on homeowners for municipal support.	1/12/2019 8:07 PM
718	PLEASE COME OUT OF THE MIDDLE AGES AND DO THE RIGHT THING BY THIS COMMUNITY. WE NEED NO MORE BEAUTIFICATION. WE NEED FOR THOSE ELECTRICAL CABLES TO BE UNDERGROUND, MORE STREETLIGHTS IN THE COMMUNITY, PUBLIC TRANSPORTATION AND HIGHER PAYSACLE FOR THESE YOUNG PEOPLE SO THEY CAN AFFORD HOUSING AS WELL AS MORE COMMUNITY ACTIVITIES FOR THESE KIDS TO DO. I HAVE AN ELEVEN YEAR OLD GRANDSON WHO DOES NOTHING BECAUSE THERE IS NOTHING TO DO. I'M ONLY HERE BECAUSE MY HUSBAND GREW UP IN FLORIDA. GOD FORBID SOMETHING HAPPENS TO HIM, THE HOUSE GOES ON THE MARKET AND I'M OUT OF HERE,	1/12/2019 6:40 PM
719	Palm coast would be a great city if you get rid of the crime, pan handlers, and homeless people would feel safe then. Next take advantage of the hospital medical,centers and build high end retirement communities.	1/12/2019 6:25 PM
720	regarding trash and recycle pick up service, it has declined in recent months. Occasional no shows	1/12/2019 6:04 PM
721	ITT started Palm Coast as a retirement community not a bedroom community to Daytona or St Augustine, please stop allowing destruction of the green space, we do not need anymore gas stations on Rt 100, we do not need a roundabout on Rt 1 and Matanzas, put in a traffic light if and when it is needed, let's keep P.C small and manageable	1/12/2019 5:12 PM
722	Please stop spending millions of dollars on landscaping our main roadways. \$1,400,000.00 on PC Parkway. Really. Up lights on the palms, really. Where are the street lights? They always come after a resident or child has been killed. How sad. What's up with the purchase of Mustangs for the police dept. I never ever see any. Everything on the county agenda, I mean everything should come before the residents and in plenty of time before county meetings with plenty of notice to the public. No decisions by the elected officials before the public speaks, we voted you in, you are supposed to listen to the residence and not override their decisions because the elected wants their own will done. Decent wages for teachers, and our men in blue. Set an example. Why do we need affordable housing, because salaries are soooo low. All we have is service industry here.	1/12/2019 4:39 PM
723	Please consider attracting some activities for these teenagers. Dave and Busters, skyZone or a teen club for night time recreation. Find things for these kids to do so they don't have to employ our sheriffs breaking up house parties full of marijuana and liquor.	1/12/2019 4:14 PM
724	We moved here about four years ago. We like many aspects of PC. The traffic, though, is stop and go too often. We see many accidents. My husband who's had a license for 60 years and never had had a car accident before moving to PC, had two accidents in two consecutive years. We drive with EXTREME caution in PC now. There are many reckless drivers on these roads.	1/12/2019 4:13 PM
725	Being new we are disappointed in the difficulty finding the needed specialty medical care, restuarants, recreational places and activities	1/12/2019 3:50 PM
726	Sorry that those caught running red lights forced loss of cameras... lives have been lost since. PLEASE fund TNR for cat population. Don't let cheap/misguided R's say 'beautiful medians /city' a waste of \$\$\$. Did notice pulled flowers on PCP walking trail and just mulched instead. p.s. Thanks for those walking paths. Love each Sheriff we have been fortunate to elect. Sorry Palm Coast Observe took a big turn 'right' in their reporting. Sorry for WastePro loss of life recently...they work extremely hard and take a lot of ill-placed grief from some 'neighbors'. Don't forget to watch this little clip from time to time to keep us beautiful... https://www.youtube.com/watch?v=mJ8ZM2MIUNw Thanks for doing survey!!	1/12/2019 3:49 PM
727	garbage pickup is bad	1/12/2019 3:48 PM

2018-2019 Citizen's Survey

728	Our community desperately need lights on Belle Terre Pky and in the neighborhoods. I am in the Princess area of the P section and there is no light. We need cell towers for the Palm Coast Pky, Belle Terre Pky areas. It is ridiculous that I can not get descent signal in my own home and local area. We desperately need things for teen agers to do in our county. That is why some get in trouble. There is not enough for them to do in this area. We need more things for adults as well. We need more professional jobs in this area. We need more major restaurants out here in Palm Coast. I should not have to go to Daytona, Jacksonville, or Orlando to eat at a major restaurant.	1/12/2019 3:47 PM
729	Would love to see a recycling center for the condos that don't offer the service	1/12/2019 3:42 PM
730	Stop spending surplus money not approved by ballot. All surplus money must go to reduce the property tax.	1/12/2019 3:28 PM
731	Keep up your excellent City services!	1/12/2019 3:24 PM
732	Several new senior living complexes have been developed in the city in the past year, but they are "stand alone." I would like to see the city be innovative with the Town Center area. A mixed-age community with transportation (such as a trolley system), shopping, the arts (already started), restaurants, and medical care (already nearby) could be developed in the space. I think it would attract many who could no longer drive, and encourage them to stay in Palm Coast and remain active. Housing costs could range from low to luxury with appropriate planning. It could be an "agrihood" with our growing seasons - centered around a farm which grows healthy food for the community along with gardens. Think outside the box!	1/12/2019 2:49 PM
733	If things were done right the first time with the water drainage systems, we wouldnt have to up the cost of our water services, its ridiculous that the citizens have to get the short end of the stick and pay more for something that should have been done right to begin with	1/12/2019 2:04 PM
734	Absolutely need some patrol and no wake signs on our canals. Too many boats go too fast and create large wakes and endanger kayakers and others. Also, maintenance of sea walls should absolutely stay the owners responsibility. Too many of us have spent tens of thousands of dollars to update ours and don't want an increased tax to take care of others. Buyers know their costs and responsibilities when they purchase a canal home. Some evening classes would be nice for those of us still working, like art, pottery or other interests; same goes for recreational programs like perhaps tennis lessons, golf lessons, etc. We love it here but these things would make it even better.	1/12/2019 1:48 PM
735	Again, don't make Palm Coast a mirror image of northern large cities.	1/12/2019 1:00 PM
736	more streetlights.	1/12/2019 12:58 PM
737	I have noticed that there a lot more trash on our roadways is this coming off of the trash trucks or from people throwing it out their car and truck window maybe we need to enforce littering fines	1/12/2019 12:54 PM
738	I have enjoyed living in Palm Coast for approximately 3 years now. My only regret is the condition of the swale maintenance on Freeman Ln. The depth of the water in front of my house in some areas is 2 ft. and the width is 8 ft. all the time. As a result, the area is a virtual swamp resulting in dead grass, stagnant water and an enormous amount of moss and frogs. In less than two years, the sod that the builder put in died (new house), the City replaced the sod, which also died. I have replaced the sod too, which also died. It is clear to me that this situation requires more than the regular swale maintenance. The residents on Freeman Ln have been complaining for years, to no avail!	1/12/2019 12:34 PM
739	get water out of ditch it lays there ,never dries up	1/12/2019 12:32 PM
740	New to the area, originally from south Florida.	1/12/2019 12:29 PM
741	More street lights Please!!!	1/12/2019 12:26 PM
742	Need to encourage some good quality chain restaurants to open . Need some new big name stores.	1/12/2019 12:26 PM
743	The area needs to create a well educated local workforce, and good jobs with benefits and upward mobility. Hopefully this would give the local Floridians who grow up here the resources to be able to afford to remain in the area. Without an educated workforce, it is hard to attract and retain good employers. Why not find a good vocational training facility to locate to the area? They could work with the public school system to teach our children trades, not every child is college bound. You certainly cannot afford to live in Palm Coast on a salary of less than \$50,000.	1/12/2019 12:21 PM
744	Tired of seeing homeless people sitting & drinking all day near Publix, Ruby Tuesdays & Walmart!	1/12/2019 11:36 AM
745	We are dismayed to see the loss of trees whenever a lot is being developed. Also weird layout of parking at Island Walk and Target shopping centers with landscaping in part making it difficult to see oncoming traffic. Also, lack of public transportation. Otherwise, it's a good place to live, nice and quiet and feeling safe. Thank you!	1/12/2019 11:24 AM
746	I wish there was a public gym, a yoga studio, maybe a nutrition bar where kids and the community could go and have access to healthier lifestyles. I also wish that kids who were making achievements in programs like the youth orchestra or lesser known organizations were given recognition and encouragement, because learning skills like those take a lot of time and patience and our strong points are ignored by our peers and community. It would also be wonderful to see a rabbit veterinarian and section at the humane society, as the city's only rabbit shelter isn't known about, and it is a single lady who is overburdened with nothing to do with all the animals she's forced to take care of. I feel as though support of the arts is never what it should be, which is an incredible shame because they are the best form of expression of emotion for many of us. It's really hard to see our program directors worrying and stressed about if they will be able to keep our programs running for us. Palm Coast does so well at so much, but these are just a few things that I'm sure would be difficult but would make a world of difference.	1/12/2019 11:20 AM
747	I have undeveloped land at this time, so it was difficult to answer these questions.	1/12/2019 11:19 AM

750	no	1/12/2019 11:01 AM
751	Keep us safe, reduce tax burdens, build high end house to make plan coast great.	1/12/2019 10:38 AM
752	Have noticed that Wastepro has gone downhill recently. Their crew has changed, and are handling recycling bins and trash cans rough, causing handle breakage. Also I witnessed them emptying the recycling bins into the regular trash trucks along with the trash from all homes on my street. Seems to be a proliferation of fencing between homes. This fencing is the first thing to get damaged and go airborne in a named storm. I would like less street lighting as I enjoy the night sky. Pavement on several streets in area are overdue for resurfacing. Thanks for your attention!	1/12/2019 10:32 AM
753	In my 14 years here, and seeing what is happening in other developing communities in Florida, I believe we are going backwards. There is no clear vision to anything especially economic development. The culture of wanting cheerleaders and govern by attempting to control everything needs to end. It's time for humility and a good hard look in the mirror. Those days of the "fastest growing community" rah rah things are over. Mr. Landon being gone is great, and I hope there are smart decisions this time not only about the canddiate themselves but the contract as well. We also need some real diversity in our staffing.	1/12/2019 10:20 AM
754	We are new homeowners to this coast of Florida. We are located east of AIA in the northern part of PC. We need sewage lines so we can get off septic. Glad to see new stormwater drainage being installed, but the raw sewage will still have no place to go. Also, I am shocked that the water is YELLOW. Ewww! Please clear up our water.	1/12/2019 10:19 AM
755	Please install street lights.	1/12/2019 9:43 AM
756	We could use more Pickle ball courts. We need less police time on simple violations like rolling stops when no other cars are around and spend more time stopping auto break in's at rec's parking sites. And #1, enforce the car head light law that blinds most all of us when driving in Palm Coast at night. Lucky there is not much traffic at night but still its dangerous as you are blinded when you drive at night....! I never have seen enforcement of this law.	1/12/2019 9:40 AM
757	like to see something done about the homeless in the area	1/12/2019 9:36 AM
758	I do not see the government of the city in sinc with the residents. There seems to be no limit to the willingness to raise taxes rather than look at ways to reduce costs. As an example, why is it necessary to run garbage services twice per week? This has to double the costs and for only marginal benefit to the residents. Once a week is good for the vast majority of the country and it's good enough for Palm Coast. Try to save some money! The local government is making taxes a strong consideration for not living in Palm Coast.	1/12/2019 9:35 AM
759	Code enforcement is critical. Keep Palm Coast looking beautiful. Development just for development sake is a bad idea.	1/12/2019 9:29 AM
760	Residential roads should be monitored more for speeding and throwing trash and/or speed bumps put in. There are very few sidewalks and reckless drivers are not being caught enough. Any street that has an outlet needs to be monitored a lot more.	1/12/2019 9:06 AM
761	I would like to see a more transparent accounting of the City/County expenses.	1/12/2019 9:06 AM
762	Jobs and beautification are great but please protect the natural forests and wildlife, it is why many people moved here - to have a city atmosphere with a rural environment.	1/12/2019 8:57 AM
763	I would enjoy more senior events IF I had enough money to do so. I am below the poverty level and widowed with little to spare.	1/12/2019 8:44 AM
764	The city water tower lights have been out for the past 3 months! I placed several calls to city to notify of same and employees did nothing (didn't even realize the problem!) Finally after 3 weeks and 5 phone calls yueilding no action, I emailed city manager personally in December. Received a response filled with excuses as to why issue was not addressed and to date it still hasn't been repaired! ☹️ I saved these emails and would like to submit them for review by mayor / city councilmen. Need email address PLEASE!!	1/12/2019 8:24 AM
765	N/a	1/12/2019 7:35 AM
766	I've lived in Palm Coast since 1974 and have watched the quality of life, services, and safety plummet, especially since incorporation.If I could afford to, I would move as quickly as I could. Unfortunately, I live next to a lift station that leaves the area smelling like an open sewer so I probably couldn't get a buyer for my home.	1/12/2019 7:17 AM
767	I feel the biggest problem we have is the homeless population. It's getting out of hand. I no longer feel safe taking my daughter to the library.	1/12/2019 6:39 AM
768	Get rid of the homeless before it becomes a problem.	1/12/2019 12:29 AM
769	More things for seniors to do	1/11/2019 11:47 PM
770	It is sad the boondoggle that the old hospital building has become to the city of Palm Coast and most of all the tax payer. People should be fired over this issue!	1/11/2019 11:42 PM
771	Need more parking at the Community Center	1/11/2019 10:31 PM
772	Something needs to be done about the homeless people. Especially at belle terre and palm coast pkwy. The city definitely needs to expand its fiber network to attract more business. There are too many trees in front of businesses, you can't even see what businesses are in the different plazas and that needs to be changed to attract more businesses. Law enforcement needs to do more about traffic enforcement, particularly slow drivers in the passing lane. It would be nice if the city sent out event calendars as mailers, because not everyone is on social media nor visits the city website regularly enough.	1/11/2019 10:02 PM
773	Happy to do survey	1/11/2019 9:03 PM

2018-2019 Citizen's Survey

774	Palm Coast needs to increase the products that can be recycled. The list of items accepted is so short, it's almost not worth doing at all.	1/11/2019 9:03 PM
775	What happened to code enforcement. Look at all the sloppy streets and houses. Issue citations. Example FL pk Dr is amess! Repave roads they are amess	1/11/2019 8:46 PM
776	Outdoor concert arena around Matanza & US1	1/11/2019 6:43 PM
777	Stop trying to implement social engineering, such as low income housing (that's what it is - look in the mirror- don't lie) and other northeast liberal do good nonsense , such as fighting climate change. Those are the reasons most people left their hometowns to move to fla. Maintain existing physical plant (roads/water/sewage/ drainage. STOP WASTEFUL SPENDING on nice to have things and consultant studies. No more nationwide searches for city officials. Keep it simple & start a more vigorous code enforcement , which is an easy way to raise money (don't say it's not to raise revenue- come on, you know). E.g.: overnight parking in swales (city) ,using cell phones when driving (sherries dept).	1/11/2019 6:42 PM
778	The town center area is not set up for high volume of traffic. Big time businesses are not going to use the area. The Matanzas Woods Prkwy is the best location for development. Palm Coast is squeezed between St. Augustine and Daytona. Location and ease of access a major key to success. Town Center is off the path for most PC citizens. This topic is a real challenge.	1/11/2019 6:41 PM
779	We just moved from D.C. in May. We love Palm Coast. The area is just beautiful and we enjoy the uncrowned road and parks.	1/11/2019 6:18 PM
780	find a way to get rid of these chain stores and resteraunts, its turning into a cheap looking daytona beach. kind of like how Flagler beach does it. not so many trashy people there.	1/11/2019 6:16 PM
781	Good job Palm Coast	1/11/2019 6:06 PM
782	The housing is becoming a little too high.	1/11/2019 6:02 PM
783	for the city to find more innovative ways to become "greener"	1/11/2019 5:51 PM
784	We are new to Palm Coast so this is based on limited experience. First impressions are that is is a visually appealing area with great recreational opportunities with little sense of community.	1/11/2019 5:49 PM
785	The peace and quiet of the neighborhood area is most appealing from the noise of traffic and helicopters when living in Orlando. The absence of light pollution is particularly appealing to life in Palm Coast. The addition of several more traffic/spot lights is most discouraging.	1/11/2019 5:43 PM
786	I would like to see more development on land that is already cleared for building. Let's keep the woodland's the Woodland's and stop running wildlife into our yards, have a plan for the traffic increase and consider flooding issues when they build. When we have a hurricane even though we are in a flood zone, most times we are told to evacuation because of Graham Swamp. There most likely will be an impact from the building as well. Oh yeah, on top of adding hundreds of additional drivers to the Oak Trails/Old Kings Road intersection. Public transportation in Flagler County is near non-existent. Trying to use public transportation in this county is unlike any county I have ever lived. Let's look at some clean air options to keep our county beautiful.	1/11/2019 5:36 PM
787	NEED YMCA for HEALTH and COSTCO FOR FOOD PRICES.	1/11/2019 5:29 PM
788	Palm Coast lacks a "soul" that other older towns have.	1/11/2019 5:29 PM
789	Instead of looking at section 8 housing why not develop a community with habitat for humanity or even a tiny house community so young people in our area can afford decent safe housing. Also a lot more recreational opportunities for the teenagers in our community	1/11/2019 5:23 PM
790	More streetlights	1/11/2019 5:21 PM
791	Thanks for doing the survey	1/11/2019 5:16 PM
792	Better recycling program	1/11/2019 5:13 PM
793	The landscaping is outstanding. So nice to see so many native and/or hardy plants being used. A big thumbs up to whoever designs and maintains our medians.	1/11/2019 5:00 PM
794	Need an additional senior center	1/11/2019 4:56 PM
795	The problem with the homeless walking the streets like Zombies not nice to see.....way to many are here.	1/11/2019 4:49 PM
796	Please keep property taxes down and lower sales tax.	1/11/2019 4:25 PM
797	Thank you for asking my opinion	1/11/2019 4:25 PM
798	I love this area, but we need more stores. I understand that Palm Coast city execs make it very hard to bring in larger stores, such as BJ's to this area. To have to go to either Jacksonville or Port Orange is very inconvenient to shop. Plus having to go to St. Augustine or Daytona for shopping other types of stores is also inconvenient. I am handicapped and it is sometimes impossible to get to other towns.	1/11/2019 4:11 PM
799	We desperately need sidewalks for the elderly and children. More street lights,drop swells and put in sewers	1/11/2019 4:11 PM
800	Less impact fees to encourage town center expansion and restaurant construction	1/11/2019 3:55 PM
801	Very active in historical tourism, eg. AG Museum, History Society. Much need of overall coordination and recognition of this area as Historical Site, outside of any city limits or boundaries	1/11/2019 3:53 PM
802	With so many seniors living in this area...and we are likely to get many more...it is unconscionable that we do not have a senior center and a specific leader to plan trips and activities and a bus for transportation. Also, under education, there is no place to check for someone who does not have a college degree but who has some college.	1/11/2019 3:39 PM

2018-2019 Citizen's Survey

803	This is a fine community and the leadership has done a great job of differentiating PC from many other Florida towns and cities.	1/11/2019 3:39 PM
804	Stop acting like the Northeast. We want our taxes low, freedom high and quality of life simple. Keep raising taxes and intruding into our lives and you will be voted out. Small, fiscally conservative government is what we want.	1/11/2019 3:30 PM
805	I think it is wrong for the City Council to change the Zoning laws in Seminole Woods Subdivision from a SINGLE Family Dwelling to MULTI FAMILY DWELLING in the "S" Section!!	1/11/2019 3:26 PM
806	CODE ENFORCEMENT IS A JOKE	1/11/2019 3:04 PM
807	People come to Palm Coast knowing what it is and like it. Then they want to change it to have the things they did back in the last place. But don't want the taxes to go up. Go figure.	1/11/2019 3:03 PM
808	swales on EDITH LANE IN NEED OF CLEANING OUT. SHRUBURY GROWN WILD.	1/11/2019 2:56 PM
809	A very good community to live in. Happy to be a resident.	1/11/2019 2:52 PM
810	shouldn't pay for water it tastes bad .garbage guys make a mess.city workers do nothing but smoke and talk to each other. where is code enforcement	1/11/2019 2:34 PM
811	City of Palm Coast needs to be more business friendly	1/11/2019 2:25 PM
812	Not a fan of the direction City of Palm Coast is going. Development is happening too rapidly.	1/11/2019 2:22 PM
813	Please put as much money into the S section as you seem to put into some others. It is very nice and quiet here. We love here now	1/11/2019 2:20 PM
814	Need better response/resolution from city when tickets are submitted, e.g. tree down in the canal or awaits that flood. Tickets are closed without any explanation.	1/11/2019 2:17 PM
815	I think a wall should be build along 95 to protect residents from the noise irradiated from it, from trucks mainly.	1/11/2019 1:51 PM
816	This city needs to kick out the violence and drugs and bring in high paying jobs.	1/11/2019 1:50 PM
817	Crack down on littering. This is a beautiful city and I see more and more fast food trash on the side of the road	1/11/2019 1:48 PM
818	I am worried we are setting up for being know as the homeless community. driving past them everyday is something i really think needs to be fixed. i am embarrassed to have visitors see this as we drive around town.... is there no loitering ordnance for the city? thank you for listening	1/11/2019 1:33 PM
819	no	1/11/2019 1:33 PM
820	Fire department provides assistance with hard to reach smoke alarms. Amazing city service. Cleanup after hurricanes, outstanding.	1/11/2019 1:27 PM
821	Something has to be done with the slumlords for these trashed rentals!! PLEASE!!	1/11/2019 1:06 PM
822	I think the fact that there is rezoning going on from single to multi family units between Seward and the semiinke woods park is ridiculous. We purposefully purchased our home in the S section to get away from all construction and congestion. I'm completely against anything that is going to bring down the value of our homes.	1/11/2019 1:05 PM
823	Street lighting should be essential on major roads such as Belle Terre Pkwy and because the W section does not have any lighting on Waters Dr and the surrounding streets make it very prone to auto accidents because they cannot see the numerous people at night that walk their dog.	1/11/2019 1:04 PM
824	Pot hole repair on neighborhood streets should be prioritized.	1/11/2019 1:04 PM
825	Make Palm Coast the most desired place to live. Through high end homes, schools and businesses	1/11/2019 12:48 PM
826	The utilities bills are too high for all people who has low income, difficult to maintain.	1/11/2019 12:31 PM
827	I live on Whippoorwill drive and have very poor drainage in Rain events also up the street from me is a housing drainage Pond that never gets properly maintained	1/11/2019 12:29 PM
828	Palm Coast needs to restrict the building of multi family homes (duplexes and apartment buildings) for renters as renters are notoriously known for bringing down surrounding property values. Case in point, I live in the S section which, until the last 6 months, was usually fairly litter free but since there are so many renters now in the area, there are large sections of trash. People are throwing all kinds of trash out onto the street. It is truly disgusting and I heard the PC mayor wants to build MORE low income housing??? It needs to be in the Town Center area if anywhere but somebody needs their head examined in my opinion.	1/11/2019 12:16 PM
829	We need more restaurants open 24 hours..like diner or Dennys More gas stations. more restaurants too	1/11/2019 12:16 PM
830	Student flights are not benefiting our taxes and there is a safety issue of concern.	1/11/2019 12:07 PM
831	There needs to be more done to make the streets less backed up, more right turn lanes on Belle Terre (the few remaining ones). More traffic patrols on PCP and Belle Terre mornings and at 5-6pm. I know they can't be everywhere but everyday it is just crazy. Also Cypress Point to Walmart HAS to be changed before someone is killed. People are making their own "3rd" left turn lane due to the traffic backing up so bad. PLEASE fix the traffic issues and I think people will be happier to live here!	1/11/2019 11:49 AM

2018-2019 Citizen's Survey

832	Yes, I am disturbed and disappointed to see very critical street signs down on both PC exit ramps for an unacceptable amount of time. The exit sign at #293 heading 95 south has been in need of repair for at least one year! Surely, there is some city employee that has taken notice of this and done nothing. A week or even a month may be acceptable, but a year is inexcusable. More recently the directional sign heading 95 north at #289 has been propped up against a pole or down on the ground for the last 3 months at a minimum. This sign is very important for new travelers to this area, who may not be sure which direction to travel for a particular gas station or fast food restaurant. Anyone familiar with this exit knows it's not always easy to change direction after you've made a wrong turn... Let's get the signs fixed!!!	1/11/2019 11:43 AM
833	Start thinking asked for suggestions don't rush the plan. You could also send out a survey for the citizens in this community for their suggestions you might find out that it will be very very helpful thank you	1/11/2019 11:33 AM
834	My main concern is the property taxes are increased every year by the maximum percentage allowed by law. WHY?	1/11/2019 11:27 AM
835	Palm Coast as a place with the beaches and water ways is a great place. I find (a majority) of the people in Palm Coast to self centered, entitled nasty people that can't mind there own business. I rented a hanger at the Flagler County airport for almost \$400 a month with leaking roof and dirt blown in for the helicopter daily. My plane was more dirty inside than sitting outside. The airport manager was a total jerk so I moved my plane to Palatka. Why can't people here just be nice? We pretty much take all of our business out of Palm Coast and go to Saint Augustine and Jacksonville for dining and entertainment. It's a shame Palm Coast is such a nice place with such rotten people. I don't know how you fix that. We will definitely be leaving at some point in the not too distant future.	1/11/2019 11:13 AM
836	landscaping is pretty, but we need lighting along the roads at night, could also use more patrols by the Sheriff's office	1/11/2019 11:04 AM
837	Code enforcement NEEDS to ride around Palm Coast on a daily basis and do something with all these ghetto looking rentals!!! Between the house rentals and duplexes Palm Coast is looking trashy in MANY sections. Also, we need to put a moratorium on building duplexes. They are usually trashed. Thank you!!	1/11/2019 11:00 AM
838	Reliable cell service thruout Palm Coast. Over 80% of 911 calls come from cell phones & with miles of great trails including at my home cell service is a top priority to me sor safety!	1/11/2019 10:59 AM
839	improve swale and canal maintenance	1/11/2019 10:53 AM
840	Robert Beck has passed away, I am his wife Mary taking the survey.	1/11/2019 10:51 AM
841	We don't want our taxes raised for street light or sidewalks within the residential sections	1/11/2019 10:43 AM
842	In our section, south of SR 100 (Quail Hollow) we have few city services other than water ,sewer and garbage. We don't have parks, and it's a long way to city parks other than Town Center, which doesn't have a children's playground. The Belle Terre/SR 100 area is getting increasingly congested with traffic and the traffic design for new developments has been poor and after the fact.	1/11/2019 10:32 AM
843	I love Palm Coast. People need to pick up their litter, be courteous on the roadways, and stop deforesting the area.when I moved here there were less than 400 of us living in the area. the growth has not always been good. I feel the limitation of big business has hurt our area and economy.	1/11/2019 10:31 AM
844	Street lights are needed on belle terr also more police watching for cars not stopping for pedestrians	1/11/2019 10:30 AM
845	the water bill is extremely high. please find a way to lower the cost for those who don't use it as often	1/11/2019 10:30 AM
846	The City crest on the Woodlands development is missing and it looks terrible. The sign looks trashy by itself. Garbage collection has been good, but we have had yard waste sitting out for 3 weeks and still no pickup. It makes the neighborhood look run down. If they are not going to pick up as normal, we should be notified.	1/11/2019 10:24 AM
847	Get rid of gangs and dope	1/11/2019 10:18 AM
848	City is run by incompetent people this city is getting worse and worse day by day HIGHER CRIME HIGHER TAXES HIGHER WATER BILLS OFFICIALS NOT DOING THERE JOBS WAST MONEY ON STUPID STUFF like trails we have more than enough and no one uses them. City spend to much money on public works and thats all they do is cut the same grass on BELLE TERRE even if it is not necessary JOKE	1/11/2019 10:17 AM
849	Palm Coast is lacking in so many upscale ammenties	1/11/2019 10:09 AM
850	When emailing city officials it would be nice to at least receive a response.	1/11/2019 10:07 AM
851	Stop with affordable housing! Stop with parks, etc, UNTIL you've corrected stormwater issues. Concentrate your efforts on failing infrastructure	1/11/2019 9:58 AM
852	build a wall between Bunnell and Palm Coast.... haha Just Kidding.... maybe...;) wheww some interesting things come from that area.....	1/11/2019 9:57 AM
853	We need City lights and the swells need to be clean by schedule Not By Request. Did a lot of debris in my area last time when the swell was clean they didn't clean it all the way down they clean only the area by my house because of the requests we made.	1/11/2019 9:42 AM
854	City concentrates too much on future growth and not enough on present conditions. Trash everywhere,sidewalks flood after rain,swales ignored,streets dark at night. Money wasted on BIG projects while neighborhoods are ignored. Don't develop what you can't maintain.	1/11/2019 9:31 AM
855	I hate seeing trash on the side of the roads	1/11/2019 9:23 AM

2018-2019 Citizen's Survey

856	no.	1/11/2019 9:22 AM
857	Overall, beautiful town that I am proud to call home.	1/11/2019 9:14 AM
858	provide support for your citizens and tell FDOT no roundabouts. This is bad for traffic flow and we as citizens are not having a voice in their construction	1/11/2019 9:14 AM
859	We need sidewalks on Old Kings south, and better public transportation to eliminate some traffic. We need more lanes on Old Kings rd. North of palm coast parkway.	1/11/2019 9:14 AM
860	Not at this time	1/11/2019 9:14 AM
861	Please upgrade the street lights in the Woodlands that look like WW II sirens. Place normal street lights that actually put the light into the intersection, rather than lighting someone's backyard. (Why should we be paying for their security light?) Most are shaded by trees growing around them. The mast arm of a regular street light would extend the light out away from the trees.	1/11/2019 8:56 AM
862	My wife and I purchased our home in the Quail Hollow section of Palm Coast in 2013. We specifically chose this area because of the quiet neighborhood and surroundings. Over the past two years we became aware of a planned multi-family housing unit being presented to the Town Council for approval. In fact, I attended a number of planning board meetings. During those meetings, I never heard one resident who was in favor the building plan. However, it seems many of our town council members didn't care what the residents were saying. They wanted to approve the plan. I left the meeting understanding that the plan was on hold. I will tell you now, if you allow this building plan to go forward, I will move, along with several of my neighbors. I retired down here from New Jersey. I dealt with congestion every day in NJ and did not like it. That's why I moved here for some peace and quiet. Keep low cost multi family housing out of the zoned residential neighborhoods. If you must build them, there seems to be space on Route 100 that can accommodate.	1/11/2019 8:50 AM
863	Update the ugly blue signs of different sections to match the beautiful beige granite ones dispersed through out the community.	1/11/2019 8:38 AM
864	stop governing by fiat and assuming all members of the community have your vision. Mayor Holland, who apparently had some personal income challenges, still wants to live in the golden palace of Palm Coast, but at others expense. TownCenter may someday be great, however, it is not the center of Palm Coast, never was, and is an ill conceived boondoggle. Since you eliminated anonymous code violation notification, the neighborhoods are starting to look like s%\$. Single family homes have been remodeled as duplexes, while still looking like single family dwellings creating parking on streets and homes that devalue the surrounding properties. Cars with no plates and rusting out along with boats and motor coaches sit in driveways throughout our community and yet no code enforcement. Light timings favor the car that just got to the cross section as opposed to the traffic flow by volume, and employees of the city can be seen all over the city sitting in their trucks, doing nothing (greatest jobs ever). You spent millions on a community center then packed it with special meetings of various community groups during the early voting impacting citizens ability to get a parking space in order to execute one of their most important citizen responsibilities, voting. It's really too bad that only sycophants with dreams of grandeur while possessing no true talent are the only ones willing and with the time to run for public office while at the same time airing their personal dirty laundry in the news looking apparently for sympathy. Why dot a busy area of PC, Colbert Ave, with what will probably be low income housing when their is considerable land on the US 1 and Matanzas Pkwy corridor undeveloped and having a highway infrastructure that could absorb the additional population. Start listening to your constituents instead of your over inflated egos and sad ideas.	1/11/2019 8:36 AM
865	Overall, PC is a decent place to live. There's recreational, dining and entertainment options, and the city clearly makes an effort to appear attractive. I feel that the biggest issue currently is the lack of necessary maintenance and repair/upgrade to basic infrastructure to support the desired growth of the city; specifically waste and storm water drainage issues. I don't believe that current infrastructure can support additional growth without quality of life suffering for current residents due to this issue.	1/11/2019 8:16 AM
866	Love Palm Coast	1/11/2019 8:05 AM
867	Lovely place to live. Affordable housing would bring more undesirables to the city. I don't want to live in a city like Daytona or Jacksonville.	1/11/2019 7:53 AM
868	Sight triangles at intersections and stop signs are severely neglected. Overgrowth of plant materials are allowed to block the view of oncoming traffic. At most of the intersections in my neighborhood, you have to creep way out into the road just to see if it is clear; or just take a risk and just pull right out hoping that no one is coming. Some one from the road dept. should do a survey of all intersections, especially in the residential areas. Very unsafe and unacceptable. I have made many complaints to Code Enforcement and other city officials with no results. DOT has sight triangle requirements for intersections. Please have someone look into this.	1/11/2019 7:42 AM
869	Damage from hurricanes, empty lots causing damages from trees needs to be addressed, but we as citizens know Palm Coast doesn't care	1/11/2019 7:36 AM
870	Palm coast is a beautiful city but we need streetlights.	1/11/2019 7:32 AM
871	SLOW IDIOT DRIVERS DOWN Increase police presence/drive through in residential areas.	1/11/2019 7:04 AM
872	Wish the city would enforce regulations that homeowners and renters take care of their homes. We've been here 6months and would not have bought on Essington	1/11/2019 6:48 AM
873	We desperately need sidewalks (one side of the road would be fine) on Old Kings Road, south of PC Parkway. With so many businesses and homes -- and the addition of more soon -- sidewalks are necessary for the safety of pedestrians and motorists.	1/11/2019 5:30 AM
874	Would like to use dog park but people are not picking up after their dogs.	1/11/2019 4:40 AM
875	Please work on controlling City expenditures and reduce the rapid annual increases in taxes. You are driving us retirees out of Palm Coast. Our incomes can't keep up!	1/11/2019 4:24 AM

2018-2019 Citizen's Survey

876	Bring big industry to Palm Coast	1/11/2019 4:19 AM
877	Glad to see the elimination of red light cameras and a slow down in code enforcement visits. Does there need to be some code enforcement yes but I don't need the city standing over me like big brother telling me how to live. I am tired of hearing about the city needs more affordable housing. Housing is very affordable in Flagler county. Need to diversify the job market. Teachers, fire, police, real estate agents and service industry jobs dominate. In my opinion	1/11/2019 3:54 AM
878	Hope this city does not get bigger than it can handle ? But it looks like its heading that way anyway?	1/11/2019 2:05 AM
879	Education and clear road markings are necessary for the roundabouts. Please. There are two sets of rules that people believe, and we have people from all over practicing the rules they're used to from back home. Can you exit the roundabout from the inside lane or not? Clear signage, and arrows painted in the lanes like at stoplights. More enforcement when people obstruct traffic by not complying with 'slower traffic keep right'. This is rampant here. Maybe occasionally post safety videos on social media to help educate people about what the local laws are. I do hear from people who are quite pleased with Waste Management, but they are terrible at my house and some others. They make a big mess, the trash truck takes both recycles and trash in the same truck on the same trip, and they randomly don't empty bins sometimes. In Washington state, we were charged a flat monthly fee for recycling, and garbage pick up was more, the fee based on what size can you need. A system that encourages recycling like that would be good here as well. Support the local orchestra, Flagler Youth Orchestra. It's a big sparkling asset to our community, and it could really use more funding.	1/11/2019 1:01 AM
880	When are you ever going to start installing street lights....geez the citizens demand it and you keep saying you will start installing them, but it never happens!	1/11/2019 12:22 AM
881	I would like to know why Royal Palms west doesn't have a bike/walking path when most other main roads do. Please prevent the recyclable truck from spreading garbage throughout the streets after pick up.	1/10/2019 11:54 PM
882	No thank you!	1/10/2019 11:07 PM
883	I volunteer with two groups doing road clean up. I suspect there is a correlation between people who are ticketed for traffic violations and people to throw trash out their car/truck windows. I suggest people who are ticketed should also be required to do road clean up. More community policing to build relationships between law enforcement and community. People who report guns stolen from unlocked cars (duh) should be fined. If you're going to own a lethal weapon, you should be required to secure it. Seems like at least one a week unaccounted for!	1/10/2019 11:02 PM
884	Stop dressing up the city and start providing everyday routine protection for our safety and quality of life....	1/10/2019 10:46 PM
885	would like to see more enforcement of speeding and right turn on red without stopping!	1/10/2019 10:23 PM
886	Need sidewalks for kids to walk on. And/or improve ones we have. They are always flooded and kids and adults are unable to walk safely.	1/10/2019 10:08 PM
887	We don't need low income housing!	1/10/2019 10:00 PM
888	you should look at some of the cultural offerings that St. Augustine has and try to cultivate similar offerings.	1/10/2019 9:28 PM
889	I've only lived here since October 2018	1/10/2019 9:26 PM
890	Need storm drains cleaned/fixed on Bellaire and Belvedere-constant flooding. Have called several times. No one cares. Too much politics.	1/10/2019 9:20 PM
891	My one complaint lately is with garbage pickup. Waste pro hasn't been showing up on the days they are supposed to lately. On my trash/recycle day sometimes they take the trash only, other times just the recycle. Then they usually come the next day for the rest. I understand they get behind sometimes, but they have been pretty bad at following schedule lately. Otherwise I am very happy in Palm Coast!	1/10/2019 9:16 PM
892	I feel the situation at Bing's Landing with Captain's BBQ was poorly handled. Neither myself or anyone I knew heard about the proposal until after it had been voted on. That was very sneaky and underhanded by the involved parties. Bing's Landing is a Public Park. If the building that Captain's BBQ is in is unfit, then they should move to a new location, like any other business would have to do, and renovate or build a new building on the existing site. It wrong and unjust to take away our park for a private business. This issue should be halted and placed on the ballot for the voters to decide IF they want this to proceed. I can honestly say, no one I know is in favor of this project. Palm Coast has already cut down way too many of the big beautiful oak trees that used to line our streets and replaced them with smaller ornamental trees. Bing's Landing was bought with taxpayer money to preserve it, NOT for some private individuals to turn it into their private little restaurant in prime river front property. If that is what they want then make them purchase land somewhere along the river, NOT take our beautiful park away. If you ask I am sure you will find many that agree with me.	1/10/2019 9:14 PM
893	When this town allows outside sports programs to use our facilities, they must make sure that they charge a rate that covers all costs that occur by the town. We do not need to make a profit but we do need to cover the usage and wear and tear of the facilities.	1/10/2019 9:11 PM
894	Bring in more jobs,	1/10/2019 8:31 PM
895	Our roads are starting to fall apart and some residents are not keeping up with there properties thus taking away from the beauty of palm coast - there are businesses too that really need some upkeep but are not being summoned by inspectors	1/10/2019 8:23 PM
896	Thanks	1/10/2019 8:22 PM
897	I would like to see palm coast become a little more lgbt friendly... I think it is a great way to attract A more diverse group of people here	1/10/2019 8:06 PM

2018-2019 Citizen's Survey

898	Please don't allow so many moving into palm Coast destroy the cleanliness and small town character of our city.	1/10/2019 7:59 PM
899	We very much enjoy living in Palm Coast	1/10/2019 7:49 PM
900	The quality of education here is well below that of northern schools. Students who are behavioral problems are shuffled between the schools instead of being removed to an alternative school, thereby making it harder for good students to be safely educated.	1/10/2019 7:43 PM
901	Your trying to turn Palm Coast into a large city.... I moved from that environment and I don't want Palm Coast into that environment.... no thank you...I don't wants slums, etc. That comes along with that so some developers can make a lot of money and we get left with the trash of their dirty corrupt behavior/action.	1/10/2019 7:39 PM
902	Overall poor lighting in subdivisions. Swale upkeep has become non-existent. People are adding new lawns causing drainage issues. Neighbors parking boats, trailers in front yards in swales for days on end. No industry to keep working people here.	1/10/2019 7:33 PM
903	Building too many rental properties. Poor lighting on roadways.	1/10/2019 7:29 PM
904	I've been coming to Palm Coast for 35 years, It turn out to become a beautiful city.	1/10/2019 7:28 PM
905	none thank you	1/10/2019 7:27 PM
906	Palm Coast can be a great city, it is just not there as we enter 2019. With the right leadership, strategic priorities and a sense of urgency, in time, it will be a place to be proud to reside.	1/10/2019 7:23 PM
907	Street lights, it's dark in our neighborhood, and if one of the neighbors wouldn't be paying for a street light, we'd be totally in the dark! Plus, with street lights, less crime !	1/10/2019 7:21 PM
908	Would like to know when will they come and fix the swell on Roxland lane, I was told it would be fixed last April or May	1/10/2019 7:11 PM
909	I feel safe because I live next door to a sheriff's office employee. His car in the driveway makes me feel safe but I read about crimes all over the city and those situations scare me. Somehow we need to make things safer	1/10/2019 7:10 PM
910	I moved here fir the beauty and small town feel. Now there is trash on streets, pan handlers harrasing you at the Walmart exit. Thinking about trying to sell my newly built home and moving.	1/10/2019 7:08 PM
911	Hoping that Palm Coast will think green and take care not to over develop. People moved here for the lovely atmosphere not yet another strip mall!!	1/10/2019 7:07 PM
912	No to new three level living apt's and low income homes in or near Seminole Woods	1/10/2019 7:02 PM
913	Palm Coast has so many amazing possibilities, perfect location to attract people and businesses. It be nice to have a downtown.	1/10/2019 7:02 PM
914	Cell service needs to improve for basic communication and bring business and restaurants to the area.	1/10/2019 7:01 PM
915	Major concern is a stable government and direction of development in the city.	1/10/2019 6:55 PM
916	We love this city. Moved here three years ago when we retired. I especially love the crepe myrtles and flowers in the medians. I feel like we live in a resort♥	1/10/2019 6:45 PM
917	it's a good place to live	1/10/2019 6:44 PM
918	Give us more jobs, affordable housing, and street lights and I'll be happy.	1/10/2019 6:42 PM
919	Recreation is behind the times. No pickleball. They are building 30 courts in Ormond Beach.	1/10/2019 6:38 PM
920	Some of the roads are in need of streetlights. The water and sewerage, garbage is very expensive for a small community and needs to be re-evaluated. . The property taxes are also very high for a small town. Other towns in Florida are not as high. Another public beach is needed with easy access for walking.	1/10/2019 6:37 PM
921	The dog park needs a shelter on the small dog side. We were told there would be one but it never happened.	1/10/2019 6:28 PM
922	There are many lots that are overgrown and trashy. These lots need to be cleaned up to help make the town more appealing. We live on the water and the overgrowth is over the banks and in the water and eroding into canals. And the drainage/ditches in front of houses is not always working correctly because of the overgrowth. Home owners need to be responsible for cleaning up their lots. If you own a property and you let it overgrown and trashy, the city would come down on you. Owners of empty lots pay less taxes and they are not required to do anything to the lots. It's time that owners of vacant lots are held responsible for taking care of their properties and in the end, the town benefits.	1/10/2019 6:26 PM
923	Keep taxes lower.	1/10/2019 6:05 PM
924	clean up the neighbor hoods, at least one time a month somebody I know moves out of palm coast because the neighbor hoods are filling with junk. code enforcement drives up and down the street and see's nothing. the code enforcement department is totally broke at the neighbor hood level.	1/10/2019 6:05 PM
925	My only complaint is that my home is next door to a pep substation and on occasion we get bad odors of feces. This has happened to us at some bad times such as holidays and entertaining guests. Very embarrassing and not healthy I am sure.	1/10/2019 6:05 PM
926	Westhampton could use speedbumps; sewers v. swells; more streetlights ; sidewalks for the children	1/10/2019 6:00 PM
927	Palm Coast needs to do a better job with making permits easier to obtain for Businesses looking to move or build in town. I have dealt with permits in 5 other states and multiple cities and Palm Coast is by far the worst I have ever dealt with. If my company ever decides to expand, Im not sure they would be willing to stay here. We currently employ 65 people and still growing.	1/10/2019 5:37 PM

2018-2019 Citizen's Survey

928	Texting and driving is an epidemic and makes driving conditions unsafe. Have written letters to Paul Renner and Travis Hutson... weak laws against and no one seems to care!	1/10/2019 5:30 PM
929	The lighting on Belle Terre is atrocious. Lights were placed all over Matanzas Parkway to light up heaven, but nothing on Belle Terre - main road.	1/10/2019 5:18 PM
930	No, but thank you for taking the time to construct and offer this survey to residents. I hope the feedback is honest and helpful to those who will create the "road map" for Palm Coast's future.	1/10/2019 5:15 PM
931	Continue doing what you are currently doing and improve those actions where possible.	1/10/2019 5:14 PM
932	Sheriff bend down backwards to give you a ticket, when I stopped after school sign the sheriff gave me a 300\$ for SPEEDING!!! This is fraud and I could not contest since I had tickets to Los Angeles, also the street lights at night are obviously inadequate. I feel very unsafe driving at night	1/10/2019 5:12 PM
933	Make Palm Coast Great. High end homes and Business. Lower taxes in certain areas. Higher is areas we need to improve from crime.	1/10/2019 5:01 PM
934	Used to do more Parks & Rec activities but the new website is too cumbersome.	1/10/2019 5:01 PM
935	A master planned community town that has no good plan, too many renters so no one cares about their properties, petty crime everywhere.	1/10/2019 4:54 PM
936	Have lived in Palm Coast for 7 yrs and just recently purchased a home here. It's a great city to live and work in.	1/10/2019 4:50 PM
937	I have lived in this area for over 14 years. It is a nice community. I feel the recreational facilities for our youth are lacking. A large recreational facility for them is needed, with in door pool and lots of sports for them to sign up and participate in.	1/10/2019 4:48 PM
938	I am opposed to any type of multi family housing (appartments, condos, town homes) in Seminole Woods neighborhood. I moved here because it is single family only.	1/10/2019 4:36 PM
939	We need jobs, more restaurants and stores. That way we don't need to go to Jacksonville or Daytona.	1/10/2019 4:29 PM
940	The city badly needs better city inspectors. ex, the patching of Florida Park Dr. to ride down is like a ride down a dirt road. our tax dollars at work	1/10/2019 4:27 PM
941	Nice City , clean and well Policed	1/10/2019 4:25 PM
942	The development of youth programs or events are important if we are to help our youth have by in to the community. Additionally, job opportunities of a higher quality beyond retail and restaurants which would offer a better wage would also keep young people here as opposed to looking to settle in another neighborhood such as Jacksonville.	1/10/2019 4:23 PM
943	Fix the swales!!! I moved here in 2014 and my swale hasn't been touched. Swales control stormwater drainage. That's a big deal come summer/hurricane season. There's parts of the city that look like a swamp after a storm. You raise the stromwater tax, but I haven't seen any work done on the swales anywhere. There also needs to be trash collected from empty/vacant lots. I keep my property clean, but the vacant lots look like a dumping ground. If the city can't pick it up, fine the property owner. Make Palm Coast beautiful.	1/10/2019 4:10 PM
944	If you do not let home businesses thrive and Stop code enforcement from being so anal and let people park in their own driveways you are going to be losing a lot of the work force	1/10/2019 4:08 PM
945	There are a lot of homeless people at the parks and at different cross ways , and that needs to be addressed.	1/10/2019 4:08 PM
946	I moved to the north end of the city primarily due to the central business district and city government being close. Then the city moved city government, the main city park and business to the south end of the city. I also didn't like the naming of the park Central Park. There is too much New York and liberal influence in this city and it is getting worse.	1/10/2019 4:00 PM
947	I think that Palm Coast provides a very nice lifestyle at affordable prices.	1/10/2019 3:55 PM
948	We just moved to the area in June 2017 and so far we really like Palm Coast. I think that cell reception could be improved and the City Center area should be completed.	1/10/2019 3:46 PM
949	It would be nice to be able to attract some 30 to 40 years old to work and live in Palm Coast.	1/10/2019 3:39 PM
950	Bring in the big retailers it will create jobs and tax revenue and people won't have to go expending money somewhere else	1/10/2019 3:38 PM
951	No	1/10/2019 3:33 PM
952	More Pickleball Courts are needed	1/10/2019 3:32 PM
953	Getting onto Belle Tere from Pine Grove is now becoming more difficult during rush hours. It Will be safer for motorist if the city could provide a working traffic light during rush hours.	1/10/2019 3:29 PM
954	More neighborhood police presence, to deter random crimes (property theft, B&E, etc.)	1/10/2019 3:26 PM
955	Please restore Wi-Fi to the city parks. I'm not sure what the reasoning was, but removing this amenity was a step backward from what is expected in modern city parks. Most people have cell phones; however, many do not have expensive data plans for their phones. Public Wi-Fi especially serves these disadvantaged citizens. Others may benefit from Wi-Fi by bringing their laptops, for leisure or study, to the tranquil parks. A related amenity that could be added with minimal cost in both installation and maintenance is power outlets, since tech devices use little electricity.	1/10/2019 3:22 PM
956	More good paying jobs and affordable housing!!!	1/10/2019 3:18 PM
957	Please do not install roundabout on US1 and Matanzas Pkwy. This will create a lot of traffic for commuters going North and South on US1. Do not approve building of low income/subsidized housing in Palm Coast.	1/10/2019 3:16 PM

958	Would like to see Mantanzas Golf Course reopened or make a park out of it--do something with it instead of nothing at all.	1/10/2019 3:10 PM
959	Street lights!!! I was recently in an car accident and the lady driving the other car said she couldn't see well...then another accident happen where the driver said I couldn't see...either A they shouldn't be driving or B maybe if we had more lights we could prevent some of these accidents. The town is not well lit and it makes me feel as if no one cares about the people of this town. It is real sad. Our school system is going so far down hill with all the students doing insane things. I can not see myself living here much longer. No one can drive and understands the traffic laws it's is Insane. I grew up with my father being a police officer and the people around here need to realize that they are going to kill someone some day if they continue to drive the way that they do.	1/10/2019 3:10 PM

961	I very much support the way Palm Coast city try to balance facilities and recreation whilst protecting the environment but I feel there is a need to focus more on encouraging manufacturing businesses and technology start ups. I love the pace of life here and the fact that residents make time for their neighbours however I also understand that the city needs to encourage younger families to balance the community.	1/10/2019 3:00 PM
962	Great place to live. Police do a great job. What happened to the traffic cameras? Just kidding. I know what happened. The people that kept getting caught made you take them out. How did they do that?	1/10/2019 3:00 PM
963	Put your multi family buildings, next to other multi family buildings. That way you won't need to rezone any property. Don't mess up the single family properties. We bought and built here, because it was zoned for single families only. I hope that you will vote NO to the Rezoning. Thank You	1/10/2019 2:59 PM
964	Think before spending tax money!	1/10/2019 2:55 PM
965	please care more about the lives of our children on our streets than you care about keeping bushes in our way at stop signs or giving us tickets for parking in our own yards. 972	Old Kings Rd. between Palm Coast Pkwy and Matanzas Woods Pkwy should have been widened by now. It is way past due for the upgrade project and new lighting that was supposed to have already been completed. The area where the service clubs are frequently causes traffic delays due to the narrow 2-lane roadway with no turning lanes, and at night it is dangerous due to very minimal roadway lighting. Please give this a high priority for completion!	1/10/2019 2:28 PM
973	The citizens voted to legalize marijuana. STOP BEING COWBOYS by trying to find loopholes/ordinances to restrict it. City council should be spending their time on more important things. I like Sheriff Staley, but his personal opinion on the topic is a mute point	1/10/2019 2:24 PM
974	Our water ways behind our homes are not being taken care of I was told by the city ,they dont have equipment small enough to go behind the homes to clear the growth.I also notified my home owner association , still no one has gotten back to me. equipment	1/10/2019 2:23 PM
975	too many people are moving here, besides a lack of the infrastructure necessary to accommodate the newbies, we are rapidly losing that "small town" feeling that we used to love.	1/10/2019 2:22 PM
976	I think that more should be done to insure that people take care of their property. Many houses have little or no landscaping. Many store their trash cans in front of their houses. I purchased my home when we were still ITT. The standards were much higher.	1/10/2019 2:20 PM

2018-2019 Citizen's Survey

986	We REALLY NEED more Street Lights! It is VERY Dark at night. Very dangerous! that is my only complaint but, it is major	1/10/2019 1:46 PM
987	DON'T LET THEM BUILD THE ROUND ABOUT AT THE WHITE EAGLE!	1/10/2019 1:45 PM
988	Do we really need a town manager? Do not create too many layers of management.	1/10/2019 1:42 PM
989	Trash pickup has become rather unreliable. Recycle some times picked up day after scheduled	1/10/2019 1:42 PM
990	I would like to see less homeless hanging out near stop lights and shopping centers. More rehab centers for drug addicts.	1/10/2019 1:41 PM
991	i am new here so beginning to get acquainted with services and offerings	1/10/2019 1:39 PM
992	Sidewalks and speeding help, please. (Blare Drive) That would be wonderful!!! Thank you!	1/10/2019 1:37 PM
993	First off, as a new resident you make it very hard to answer several of the questions on your survey. You might consider an additional option such as "Insufficient time in Palm Coast to make a determination." And as a part-time resident, it's difficult to determine how good the Sheriff's Department is, or the quality of the recycling—as I have had no exposure with either of those services, along with several others. Question #29 should include the "E Section." It's confusing to a new resident to have it excluded on a map that doesn't expand, when two other sections are specifically mentioned. I have several residences. I have 2 homes and 1 apartment abroad, and 1 home rented and 1 lot purchased in the Palm Coast—for a total of 5 properties. Therefore, I receive a LOT of bills for various services. The Palm Coast sends me a billing each month, with an account number and an amount. It would be nice to have the bill say what I'm being billed for. As I mentioned, we have two properties in the Palm Coast. If the bill said "Water Services" it would be helpful. And also, my water service is on "auto-bill," but the bill doesn't reference that. So most of the time I login to my account, only to realize that I don't need to take any action. Any bill on "auto-bill" should reference that in the statement. In general, I am very happy with the Palm Coast. It's a nice community to raise our son, and I look forward to building our new home there. Keep up the good work.	1/10/2019 1:34 PM
994	We need affordable housing! people need a chance to live and raise happy healthy children.10+people to a household is not good for anyone.I struggle daily to feel like an adequate adult and parent but I cannot afford housing on my own as of 2 years ago and its soul crushing.	1/10/2019 1:27 PM
995	Waste pro is a joke and constantly doesn't pick up things from our home. Already have several complaints against them. Stop building multifamily homes. Put in streetlights, it might reduce the amount of crime having streets lit up.	1/10/2019 1:19 PM
996	Pretty pleased with the City. Bigger is not better. Don't let it become a Daytona.	1/10/2019 1:19 PM
997	Over taxed and Any home repairs they are charging New York prices and paying help minimum wages price of food is higher than NY	1/10/2019 1:19 PM
998	City has a very bad reputation when it comes to business ,hence the lack of jobs,industry,not business friendly ,city treats the city like a gated community	1/10/2019 1:19 PM
999	Crime would probably decrease if we have lighting through Palm Coast. Driving here, at night, in unfamiliar areas are dangerous.	1/10/2019 1:19 PM
1000	There's already enough low income housing. NO MORE!	1/10/2019 1:18 PM
1001	No	1/10/2019 1:15 PM
1002	I would hope that the City of Palm Coast would work with Flagler County to combine resources in some of these areas instead of doubling efforts. Collectively this would provide more impact.	1/10/2019 1:14 PM
1003	Almost every intersection in Palm Coast has an obstructed view if you stop anywhere near the stop bar on the road. Please cut back or remove the bushes, tall grasses etc that obstruct the view, for safety's sake. Also redesign the disasterous road configuration at the entrance to the Island Walk mall by Starbucks. The entrances to the mall need to be widened and moved. It's a pathetically incompetent design that should never have been approved. Thank you and good luck.	1/10/2019 1:13 PM
1004	Don't make Seniors wait till they are dead to build a Senior Center, please.	1/10/2019 1:11 PM
1005	Senior Exemption on my house taxes	1/10/2019 1:11 PM
1006	Keep up the good work. It is like living in the Park Slope, Brooklyn Heights area of Brooklyn, N.Y. Great cultural diversity and every thing good that comes with it. Homes are kept beautifully and areas clean. Neighbors are respectful and caring.	1/10/2019 1:11 PM
1007	The Business Assistance Center is a wonderful resource to the community. The Permitting process is horrible and needs to be changed. Really hard to do business in the city. I have lived here 20 yrs and have heard this before but until you try to use the permitting process, you don't really know. NEEDS CHANGE HERE.	1/10/2019 1:05 PM
1008	clean up the fresh water canals!	1/10/2019 12:55 PM
1009	I would like to see more sidewalks and street lights in Palm Coast	1/10/2019 12:51 PM
1010	Palm coast is a great city and alot or retirees here, they should have good restaurants, and not be so picky getting them, I have been in smaller cities that have alot more. Plus have jobs for young family that can stay here and live here too.	1/10/2019 12:50 PM
1011	Palm Coast is a GREAT place to live. Mayor Holland and the City Council seems to work together very well.	1/10/2019 12:39 PM
1012	Your website is very difficult to find items.	1/10/2019 12:39 PM

2018-2019 Citizen's Survey

1013	Moved to FL in October from WA state. Originally planned to move to Daytona Beach but settled in Palm Coast because of the cost of housing and the school system. I commute to Deland but would love to find comparable employment in Palm Coast.	1/10/2019 12:31 PM
1014	The new community center (Palm Coast pkwy east) upgrade is very nice and appreciated.	1/10/2019 12:29 PM
1015	Speed limits should be lowered. They are the same as when Palm Coast had only one stoplight.	1/10/2019 12:29 PM
1016	impeach the mayor and council	1/10/2019 12:27 PM
1017	Have noticed a slight decline in cleanliness of area and significant increase in vagrant population and nothing being done to curtail it.	1/10/2019 12:26 PM
1018	Not to ignore the weather as a very positive factor for life in Palm Coast, especially for seniors!	1/10/2019 12:25 PM
1019	Please don't build apartments in the middle of the neighborhood. There is no need for it. Keep our neighborhood beautiful and quiet. Thats why we live in this part of Palm Coast.	1/10/2019 12:21 PM
1020	All I hear is how badly new startups (businesses) are treated in Palm Coast - our reputation is horrible in this area. We need them for jobs and to contribute to our tax base - kiss their butt. Help them help our economy - be friendly and compassionate. Other: Do we have any business scouts working on our behalf? - What about tourism? We should be looking for things (like entertainment, etc.) to bring residents (and money) from other counties into ours. Our exit off of I95 IS THE CLOSET EXIT TO THE OCEAN IN THE ENTIRE STATE OF FLORIDA OFF OF I95 - Why are you not capitalizing on this??? Lastly --- ALL roads lead to Belle Terre! Do you guys drive the entire length and have a look? South of 100 looks like an abandoned town - weeds, dead trees & bushes, unkept fences, etc... compared to the Nothern parts ... for goodness sake 1000's of people approach out City from US-1 and come up Belle Terre why is that entrance not spit shined? Seriously every "port of entry" should reflect or set the same tone; This area (South of 100 is failing us) ... it BECAUSE ("you") don't live there? To close to Bunnell? Walk the sidewalk from US-1 and go North -- You'll see what I am talking about.	1/10/2019 12:19 PM
1021	We moved here because of the small population and abundance of natural (undeveloped) areas. Having builders develop huge communities in the residential neighborhoods is distressing. We love seeing the wildlife emerge from undeveloped lots and would not like to lose that community with nature. One of the biggest concerns traffic enforcement. Speeding and tailgating are ubiquitous and frankly dangerous. There are no sidewalks in the neighborhoods, making it untenable to walk from your home anywhere.	1/10/2019 12:19 PM
1022	City should continue to enforce HOA requirements some areas of Palm Coast are in decay.	1/10/2019 12:18 PM
1023	Garbage and recycling are poor at best. We are way behind as most cities provide 2 large bins where garbage is collected weekly and recycling bi-weekly using one driver and a robototic arm attached to the truck to lift the cans. we need to play catch up as this will save money in the long run. Very surprised that this city is so far behine.	1/10/2019 12:18 PM
1024	We need another Mayor	1/10/2019 12:14 PM
1025	No	1/10/2019 12:12 PM
1026	Parking on the street completely blocking 1 lane on a 2 lane residential streert is a problem. Also, appropriate swail leveling drainage	1/10/2019 12:11 PM
1027	Get a new mayor and replace Cuff and Klufuss on city concil	1/10/2019 12:05 PM
1028	I would like to see a new city regulation for vacant lots. everything under 4 feet should be cleared. it is the biggest eyesoar and detracter of beauty in our city. the overgrown vegetation in the vacant lots make palm coast look trashy	1/10/2019 12:00 PM
1029	Lack of Streetlights, road maintenance and employment opportunities continue to hurt the city, the city government is inadequate in addressing these issues. Mouth service will accomplish nothing without action.	1/10/2019 11:57 AM
1030	Definitely, control littering. It has gotten so much worse the past few years. Complete embarrassment. Maybe post signs and enforce fines. Too much trash on roadsides!!	1/10/2019 11:52 AM
1031	We need to have a Senior Center that we don't have to pay rent to use it, as we're all on fixed incomes....	1/10/2019 11:50 AM
1032	I fin Palm Coast very business unfriendly. Cypress Knolls Golf Course isn't even allowed a good size sign to advertise its location. They will go under if something is not done to support them. The E section property values will plummet. Does anyone remember another defunct golf course in town????? Beware.	1/10/2019 11:49 AM
1033	N/A	1/10/2019 11:49 AM
1034	I like the idea of a survey if it will be used and not discarded. Hope they continue the sidewalk along Citation ASAP. Thanks	1/10/2019 11:45 AM
1035	Need to get more positive appeal for PC by Realtors. House for sale for over a year. Priced low lots of perks. Shown 60 + times yet not one offer even a low ball one. Good house fine bones. Needs just Bath re update but usable price reflects all. Thank you. If the house wasn't so big Id rather live in Palm Coast than Palm Beach County..	1/10/2019 11:41 AM
1036	Improvement of Cell Service should be a very high priority. We shouldn't the number of poor or limited service in a city this size.	1/10/2019 11:39 AM
1037	We need to break the collusion on gas station prices. A 15 minute trip north to Saint Augustine saves me \$\$\$\$ on fuel costs throughout the year. I refuse to be openly stolen from by artificially high fuel prices. This has been a issue for the 23 years I have lived in this community.	1/10/2019 11:33 AM

2018-2019 Citizen's Survey

1038	Be wary of too much bureacratic growth and thus making the city liable for future monetary benefits payable in the future. Look at congressional benefits and other page metropolitan benefit packages that future generations will pay for. Wherever possible hire private companies you can control and get rid of when necessary. Thank you for accepting public commentary.	1/10/2019 11:30 AM
1039	Again, I am very upset about the handling of Bings Landing. I don't think the public was made aware as to what was going to happen. I do not want to loose the beautiful area that I frequently visit. Leave the business where it is. Keep the "Old Florida" charm. Preserve the history that is there. Do not destroy it. This is park belongs to the taxpayers of Flagler. It's the people's park! Not big business!	1/10/2019 11:24 AM
1040	We need a Costco, Sam's Club or a BJ's	1/10/2019 11:19 AM
1041	As a new resident, these are the needs I see for our community: street lights in neighborhoods for safety & security; consistent illuminated street signage at intersections; Cypress Point and PC Pkwy is a disaster, neighborhood streets have no curbing or guttering allowing street surfaces to crumble and break; in this day and age drainage should be accomplished with street sewers not drainage ditches where water can stand become dangerous and invite unnecessary insect issues; the same is true for overhead utilities. PC is a relatively new and growing community and conversion to underground utilities should have happened decades ago. Thank you for allowing me an opportunity to share my concerns.	1/10/2019 11:19 AM
1042	Retired to Palm Coast and have been happy with our decision	1/10/2019 11:18 AM
1043	Please consider a cap on new housing construction in the near future before Palm Coast becomes a large City and with that the issues of increased crime, traffic, inability to provide services at the current level, etc. This would be another consideration for leaving this area if growth continues at the current rate.....	1/10/2019 11:18 AM
1044	no	1/10/2019 11:17 AM
1045	Keep the small town appeal. We don't need to outgrow are current needs. Improvement is always warranted but do not get too big.	1/10/2019 11:17 AM
1046	Everyone needs to quit arguing and work as a team to keep our city running smoothly! Greed gets in the way! Slow our spending down - slow times are coming soon!	1/10/2019 11:16 AM
1047	Need better drainage in residential areas	1/10/2019 11:16 AM
1048	as a newcomer to the area I have no idea where anything is at. would be nice to have a map? or something that shows where all the letters are located or where to find anything in PC. Asked a business for directions and thry said "we're in the P section—easy to find" and hung up. So how am I and others supposed to even know where to look? Could be provided by title companies or apartment managers or businesses...	1/10/2019 11:13 AM
1049	A major unappealing issue in so many areas, hwy exit, walmart exit, Publix exit etc are "homeless" people. They approach your vehicle, sometimes even rude! Family members visiting Palm Coast has noticed this ugly issue. I deal with this everyday exiting 95. Kills Palm Coast reputation	1/10/2019 11:12 AM
1050	The drainage in Palm Coast is also an issue. I have noticed this in all the streets and also street lights for safety reasons.	1/10/2019 11:09 AM
1051	No.	1/10/2019 11:09 AM
1052	The water Utility needs more supervision of their budget. Debt for them is not closely enough policed by the City Council. I worry their debt funds get used by other city agencies that and not just for the water utility. Bad business and likely illegal.	1/10/2019 11:08 AM
1053	We moved back to Palm Coast from St. Augustine because of the housing and the hometown feel. I commute to Jacksonville but Palm Coast is Worth the drive!	1/10/2019 11:07 AM
1054	My father worked at ITT for over forty years and was part of the original committees back in 1970's to form a Palm Coast	1/10/2019 11:06 AM
1055	This town is growing FAST, many lots being cleared for homes, let's keep it clean as it is now and demand that beautification as well.	1/10/2019 11:00 AM
1056	Glad you are doing this	1/10/2019 10:58 AM
1057	I know that at first you were trying to keep palm coast small and I liked that however it's grown and I'd like to see, lots of people, would like to see bigger chain stores be allowed to come in such as Barnes and Noble, Bed bath and beyond, Macy's, Dillard's, TD bank, Books a million. Stores like these would help to keep our money in our town. Bc as of now we all shop in Daytona and st Augustine. In order to continue helping palm coast to grow and thrive we need to put our money back into our city. I love living in palm coast. It's a beautifully kept town and I recommend it to everyone looking to move to Florida.	1/10/2019 10:57 AM
1058	Increasing property taxes...Palm Coast gas prices are the highest of all surrounding communities.	1/10/2019 10:56 AM
1059	Construction for commercial air traffic should be stopped. The noise and safety hazard in the residential areas around the airport would exceed the convenience of commercial air traffic. When I moved here the airport was only for light planes and limited traffic and it should stay this way..	1/10/2019 10:56 AM
1060	Yes. Dog parks need improvement big time! Water in pond at big dog park disgusting. No shade at all (altho promised constantly) in small dog park. Residents complain all the time. As usual, nothing gets done.	1/10/2019 10:56 AM
1061	None	1/10/2019 10:55 AM
1062	Would like to see code enforcement remove vehicles from driveways that have not been moved or licensed in two years.	1/10/2019 10:54 AM

2018-2019 Citizen's Survey

1063	Flagler County needs industry (businesses). Several businesses have been turned down over the years that would have provided jobs to the area. People need jobs where they can start and promote during a career.	1/10/2019 10:53 AM
1064	The city's building approval system and building inspectors are exceedingly inconsistent from one to the next. This results in extensive delays in getting construction jobs completed and massive cost overruns. The end result is that it scares away businesses. Shame on the City of Palm Coast and the City Commissioners for allowing this to happen on a regular basis.	1/10/2019 10:53 AM
1065	Surgery is good	1/10/2019 10:53 AM
1066	Trash pickup around city in swales and and roadways	1/10/2019 10:49 AM
1067	We do not need anymore Golf Courses or Parks owned by the city that cannot pay for themselves. Taxes keep going up to provide maintenance for all these unnecessary things. Fix our roads instead. Stop the Affordable Housing projects. We don't need any more dirty trashy areas Look at Bird of Paradise and Bunker Hill Dr. Area. MANY rentals and a disaster. High crime areas. Code Enforcement needs to be MORE forceful and efficient. They are very lax.	1/10/2019 10:47 AM
1068	Need more jobs for the young adults Palm Coast could use a Roller Skating Rink,Trade School.	1/10/2019 10:45 AM
1069	Just moved here in late October - we love it!	1/10/2019 10:42 AM
1070	we do not need any low cost housing, jobs are good but we do not need to try attract younger families as to retirement environment is what PC was designed to be. watch tax increases due to folks being on fixed incomes. increase production from existing employees.	1/10/2019 10:40 AM
1071	Maintaining the beauty and nature is the reason we love palm coast but would like to see development of town center for career opportunities for others so we don't have to leave palm coast for work	1/10/2019 10:34 AM
1072	Avoid the approval of small strip malls (4-6 stores).	1/10/2019 10:34 AM
1073	Less chain restaurants more small businesses. More activities for children, more street lights and sidewalks!	1/10/2019 10:31 AM
1074	I would like Recycling to be a huge priority... for customers to be able to use larger containers and to know what happens with recycling..sometimes I see the recycling go in with the other trash.	1/10/2019 10:25 AM
1075	We moved here about 5 years ago and love everything about Palm Coast. Great job	1/10/2019 10:15 AM
1076	None	1/10/2019 10:15 AM
1077	Seminal wood parkway need resurface and make it more appealing and also state road 100	1/10/2019 10:14 AM
1078	There has to be something done about the airplane noise in the Z section. Embry Riddle planes start low flying procedures over my house at 7am - 8pm and it is constant, every minute or two a plane flies directly over my house. I am in the process of documenting everything and starting court procedures if nothing is done about this. My wife and I shouldn't have to raise our voices to talk and raise the volume on the TV to hear it. We can't enjoy the outside or have our windows open. I would like to be contacted by the city manager about this problem.	1/10/2019 10:13 AM
1079	I love PC as a whole and have lived there for most of my life. The one thing that has barely changed over the years and would be very helpful, are more programs, activities, businesses, etc. for youth (primary teens). This would give them other things to do besides drinking, drugs, and crime.	1/10/2019 10:12 AM
1080	Stop being so uptight regarding the color of the buildings, what type of grass needs to be planted, and focus more on improving the ways of living for the residents. Provide more trails, offer utility discounts, and make the hammock dunes bridge free!	1/10/2019 10:12 AM
1081	The L section Golf course needs to be revamped.	1/10/2019 10:11 AM
1082	Thank you for offering an efficient method to provide input. We are new residence as of 2017. Still settling in.	1/10/2019 10:09 AM
1083	no	1/10/2019 10:08 AM
1084	Please we have to many people now, my only request is for the traffic light. They are bad, they've been the same since I moved here 12 years ago. Improve them.	1/10/2019 10:07 AM
1085	1) You should be able to extend your driveway up the side of your garage to make use of pedestrian door, especially in the older sections where parking is a problem. Single car garage equals single car driveway. In 1979, a lot of people only had one car, not true anymore. Everyone parks in the road and in the swells. 2) If you are on Pine Lakes Parkway, the bike path has stop signs at the side roads. If you are on Old Kings, the pedestrian does not have a stop. They should all be the same.	1/10/2019 10:06 AM
1086	I feel safe in my neighborhood because I live in a gated community.	1/10/2019 10:06 AM
1087	We searched for over 5 years for a home in our area of Palm Coast and hope that it will maintain its current feel for many years.	1/10/2019 10:05 AM
1088	I think Palm Coast needs to have economic growth in commercial and industrial zones for better paying jobs for young people. We moved here after retirement 17 years ago and love the Town overall for its location	1/10/2019 10:05 AM
1089	The Palm Coast government needs to listen to the residents, not just shove new buildings/construction down our throats... i.e., The Taj Mahal aka, City Hall... Community Center... We moved here because PC had the feeling of small town; no longer. It was a mistake to come here... but now can't afford to go elsewhere.	1/10/2019 10:05 AM
1090	I would like Palm Coast to build Pickle Ball courts so that the players of tennis and pickle ball don't have conflicts with each other because they have to play on the same courts.	1/10/2019 10:04 AM

2018-2019 Citizen's Survey

1091	Code enforcement needs to be stepped up. We have houses in our neighborhood that are an eye sore and nothing is being done about it. Now that we can't submit complaints and remain anonymous, people are less likely to submit a formal complaint. You need more staff to just do drive throughs of the neighborhoods and issue violation notices. Also our #1 complaint about PC is lack of street lights in residential areas. Until you can provide such lighting, stop spending money on other projects that aren't necessary (like the sail shades for playgrounds, etc.)	1/10/2019 10:02 AM
1092	Having lived here only 1 1/2 years we are 100% sure we made a mistake choosing PC for our retirement. Things have gone downhill so quickly since the 2 years we decided to move here. It is bad that PC doesn't have their own Police who regularly patrol for speeders and careless drivers. We are looking for another city to move to. Seagate built our home and our Realtor lied to us about their quality which got us off to a really bad start here. Prisoners should be assigned to clear trash along roadsides daily, moving around the city and earning their keep. PC roads look like no one cares about the trash. It gives a horrible impression on visitors AND residents; like "who cares?" about this city?	1/10/2019 10:02 AM
1093	Need greatly improve cell phone services. Get rid of dead spots in Palm Coast. Very hard to get good cell phone signal in P section in my house	1/10/2019 10:01 AM
1094	Please address the lack of cell phone coverage along Colbert	1/10/2019 10:00 AM
1095	Retiring military family decided not to live here due to bad interaction with town officials.	1/10/2019 10:00 AM
1096	street lighting and mobile phone service improvement should be the highest priority. This has been stagnant for too long. There has been a lot of talk but very little action.	1/10/2019 9:54 AM
1097	No	1/10/2019 9:53 AM
1098	Having recently relocated to the area it is truly concerning that there are very few employers for professional positions. Although we enjoy the city this has become a major sticking point to remaining in the area.	1/10/2019 9:52 AM
1099	Attract more business. Lower impact fees and make it easier for business set-up (red tape).	1/10/2019 9:51 AM
1100	The pot holes on the streets need to be addressed before they get bigger and the trash on the street ways need to be cleaned more often. For special events there needs to be more traffic enforcement and help.	1/10/2019 9:51 AM
1101	two: we pay \$10/mo for drainage maintenance. Most st. have none due to blockage. This is unacceptable. Why aren't there rt. turn arrows instead of stop on red at main intersections ie. Pine lakes and Bell terre.?	1/10/2019 9:49 AM
1102	As property is developed, business or residential, require placement of mature trees in addition to palms. Palm Coast has an abundance of hardwoods that should remain. Trees are beneficial to our health and well-being not asphalt. Your consideration is appreciated.	1/10/2019 9:49 AM
1103	The govt is supposed to keep you safe not run your life. Get rid of the city gas tax!	1/10/2019 9:45 AM
1104	please keep the size of government small	1/10/2019 9:43 AM
1105	Why doesn't this City work with Costco, Bed Bath and Beyond, Talbots to improve shopping opportunities. Glad Finally HomeGoods is coming to Town Center. More upscale restaurants like World Plate instead of chain, fast food. No low income housing! No commercial development on Colbert as this should be strictly gated communities	1/10/2019 9:40 AM
1106	More gas stations in B section area	1/10/2019 9:40 AM
1107	3 land old kings road promote business there and everywhere around town. Town center is a joke from the get go.	1/10/2019 9:39 AM
1108	We are thrilled to have lived here in this beautiful city for 15 years!	1/10/2019 9:37 AM
1109	1) Need adult education programs at the college level for residents that already have HS/2 year degrees or above. Many residents have advanced degrees but would like to have the opportunity to learn more. 2) An educated workforce is needed to attract high paying "professional" jobs. Expand the college curriculum beyond technical education programs.	1/10/2019 9:37 AM
1110	Palm Coast Parkway between Racetrack to Colbert needs deer crossing signs. Also, city needs to pick up dead deer quicker. I've seen weeks go by. Florida Park Drive between Publix and the Park has a water over flow problem	1/10/2019 9:34 AM
1111	PC is a desert where entertainment, recreational, and leisure facilities are concerned. Lack of sidewalks mean taking your life in your hands when you walk your dog in yr neighborhood. City spends money on inconsequential things like overgrown lawns when traffic constantly breaks speed limits by your home endangering life and limb. Priorities need to change.	1/10/2019 9:33 AM
1112	There is more trash on the roadways today than when I came to Palm Coast. Its beauty is under threat.	1/10/2019 9:33 AM
1113	I am a Snowbird and spend my winters here. My wife and I love this city! It's a good mix of small town feel and big city amenities. Thank you!	1/10/2019 9:32 AM
1114	No	1/10/2019 9:32 AM
1115	code enforcement methods suck	1/10/2019 9:30 AM
1116	keep up the good work	1/10/2019 9:30 AM
1117	Preserve the trees, canopy cover over roadways, Florida feel, and do not turn throughways into crowded commercial roadways.	1/10/2019 9:28 AM

2018-2019 Citizen's Survey

1118	Palm Coast needs to add industry such as real bakeries, not a Publix or Winn Dixie, or bagel shops, or fast food garbage. It needs to provide decent stores from out of the area, such as BJ's, or a Costco. Palm Coast is rapidly building, and attention should be paid to the kind of "outside" folks moving here. Shopping here is extremely limited and we usually do everything in Daytona. Understanding the fact that we all want to keep Palm Coast as beautiful and quaint as it is, it will most likely be a difficult task to attract decent vendors to the area.	1/10/2019 9:26 AM
1119	very dark. Need for street lights is ESSENTIAL.	1/10/2019 9:22 AM
1120	Starting to OVER build and enough parks.	1/10/2019 9:20 AM
1121	We moved here almost 2 years ago after retiring and absolutely love it here! I have found Palm Coast easy to get around and love the activities available. It's beautifully planned and kept up.	1/10/2019 9:19 AM
1122	Storm drainage could be greatly improved in the B section of Palm Coast. There is always an overflow of storm water in the drainage ditches which gets into the roads.	1/10/2019 9:18 AM
1123	I think it is very wrong the way the City trucks are allowed to park on Central park and tear up the lawn there.(Not talking about when there are events etc) There is enough parking on the streets around Central park for parking. I also do not understand why the City does not keep the lawn in that entire area cut all the time, that's an eyesore. You all also need to address the trash collecting issue. Recently this has been a disaster! They drop the trash from the bins and leave it in the roads, they throw our containers all over. This was not always the case, its a very recent development but it needs to be addressed. We literally are outside cleaning up the streets after they come!	1/10/2019 9:16 AM
1124	Need to replace all City council and mayor All new	1/10/2019 9:16 AM
1125	You need to improve utility services, there are no high paying jobs here to pay the ridiculously high water bill	1/10/2019 9:14 AM
1126	NA	1/10/2019 9:14 AM
1127	Do not build apartments in Seminole woods.	1/10/2019 9:12 AM
1128	what is the cost of this survey? is it being used to justify and spend more money on more programs? how about more than two handicap parking in front of theatre and how to drive to door of theatre and how to walk from side parking lots to door of theatre and how to walk the sidewalks in town center since the city planted trees in the middle of the sidewalk? why planting flowers to maintain at streets instead of cement which doesn't require five workers every day pruning flowers? the decisions made by palm coast bureaucrats are very very not smart. we see you!!!!	1/10/2019 9:11 AM
1129	multi family development should be held to the existing zoned properties and not encroach into single family areas.	1/10/2019 9:10 AM
1130	Trash service sucks They mix recycle with trash all the time as well as yard waste	1/10/2019 9:10 AM
1131	I love Palm Coast and hope to purchase our next home here.	1/10/2019 9:09 AM
1132	Due to the opening of I 95 exit bird of paradise traffic has increased a great amount. It would be a lot safer for our kids if you complete the sidewalks from belle tere to matanzas woods on bird of paradise	1/10/2019 9:08 AM
1133	Doing a good job Love living here	1/10/2019 9:07 AM
1134	Please do something to enforce traffic rules more People drive too fast and there are too many accidents..Littering is also a major problem in this beautiful city.	1/10/2019 9:06 AM
1135	We need some east west thoroughfares, such as Whiteview, that can go through all the way from Hwy 1 to Old Kings Rd. That would greatly improve traffic flow in Palm Coast.	1/10/2019 9:05 AM
1136	expand OKR from Palm Coast Parkway to SR100	1/10/2019 9:05 AM
1137	As I indicated earlier I think a petting zoo in a natural setting close to Palm Coast, perhaps on Rt 1 close to Matanza's, would be a great idea for senior citizens and others to share in the comfort animals bring....	1/10/2019 9:03 AM
1138	City should get there own police force. Realize that the city is not a retirement community and bring more companies in so there is more jobs	1/10/2019 8:55 AM
1139	People live here because they like what is here. Change that into a bigger more commercial place and people will move away. Don't try and be something your not, keep taxes low for seniors and provide things to do. Control spending, remember this is a retirement town with a mix of younger families that works in its current condition. Remember who you are providing services for-the people currently here. The Town will also get new people retiring here and also moving from nearby local areas to keep the population at acceptable numbers to maintain an adequate budget.	1/10/2019 8:54 AM
1140	Do not approve the zoning change in the s-section for multi family dwellings. There are ample areas in palm coast that are zoned for apartment buildings, putting one in the middle of a neighborhood is unneeded, unwanted, and will increase crime statistics.	1/10/2019 8:54 AM
1141	no public buses in residential areas !!	1/10/2019 8:53 AM
1142	Stop building houses.	1/10/2019 8:52 AM
1143	I received an invitation to complete this survey because our home has Palm Coast water. The only issue we have with the water is that it is NOT fluoridated.	1/10/2019 8:49 AM
1144	Islands are a disgrace compared to other areas of PC. From Library to Bird of Paradise, sick of looking at all the dead or not thriving plants. Foliage requirements are unreasonable. The instant gratification should NOT be a consideration, but the potential full growth of trees. This is for storm mitigation and disease potential. Choice of replacement are not consistent with Florida friendly, native trees.	1/10/2019 8:49 AM
1145	No building above 3 stories	1/10/2019 8:48 AM

2018-2019 Citizen's Survey

1146	Palm Coast needs emphasis on street lights, storm sewers, sidewalks, higher-paying jobs, cable company competition, city-wide coverage for wireless internet and over-the-air TV from Jax/Orlando.	1/10/2019 8:45 AM
1147	Please make sure our trash and recycling get picked up . If a pick up is missed, we should be credited for that on our bills. If they have until 6 to pick up, someone at the city should be available by phone to take a report if they don't. Do something about the drainage...rain stands for weeks in the swales. Ticket more drivers....we experience near misses every time we travel palm coast parkway, or Belle Terre near Palm Coast parkway. Drivers are rude, dangerous and oblivious, and no one ,even the cops we see that should have seen the incidents, seems to care.	1/10/2019 8:43 AM
1148	Not happy with increase in water bills	1/10/2019 8:42 AM
1149	Yard waste doesn't get picked up on scheduled days. We have called numerous times, been told it would be addressed, and it doesn't get picked up until the following week. We are not going to call anymore, but my yard waste has been out in front of the house since Tuesday afternoon.	1/10/2019 8:39 AM
1150	I have only been here for a couple months but am enjoying everything Palm Coast provides, except this untimely weather drop. lol	1/10/2019 8:39 AM
1151	Please bring in some good businesses such as SAMS, COSTCO, descent shopping stores and quality RESRAURANTS like TEXAS ROADHOUSE, etc, instead of driving to Daytona or Jax to go out to eat.	1/10/2019 8:39 AM
1152	The city needs to do something about the building department. There are some serious problems with the time frame to reviews building plans and the issuance of building permits. 14 business days is an unacceptable amount of time.	1/10/2019 8:38 AM
1153	Fire Coffey! Close Bings landing bbq	1/10/2019 8:38 AM
1154	Would like to see more independently owned restaurants; big electronics store; more industry sites off Rt 1.	1/10/2019 8:36 AM
1155	We have spent far too much on: City Hall, the Community Center and Holland Park. We are threatened with further expenses regarding the upgrade to the water treatment facility, and the Holland Park upgrade-Part 2. We need improvements in many areas, however we don't need the "best" things. We don't need to have BMW and Mercedes autos when a far less expensive Ford or Toyota would be perfectly acceptable. (Treadmills in City Hall? Employees already have trails to walk, and also have an incentive program which can be used to pay for gym membership, bicycles, kayaks and other "health choice" lifestyles. Why give them what is basically an increase in their compensation, when that same money could be used to pay operational costs? It's citizen money, and should be used for the benefit of the citizens.)	1/10/2019 8:33 AM
1156	Hire more building code inspectors.	1/10/2019 8:33 AM
1157	My absolute main concern is the driving habits of people in Palm cost as well as Ormond Beach. I have experienced several driving situations that make my jaw drop in disbelief. It's no surprise there are so many accident attorneys in Florida. I believe drivers brains must be fried from the sun and heat.	1/10/2019 8:32 AM
1158	While we understand city beautification, it is nearly impossible to find your way around Palm Coast quickly at first and most of the signs that might help are hidden.	1/10/2019 8:32 AM
1159	We need Street lighting on streets and main roads.	1/10/2019 8:32 AM
1160	It would be desirable to have repeaters put in so that we could get over the air TV from Orlando or Jacksonville. We are just a bit too far to use regular TV antennas. The tyranny of Spectrum and AT&T is getting intolerable for many people not just seniors. Perhaps Palm Coast should consider running a municipal over the air broadcast system. I certainly would be willing to pay a monthly fee just to be able to cut the cord from cable which is a dying technology anyway.	1/10/2019 8:26 AM
1161	I would like to see city involved with school safety more than constant replanting of flowers, trees, and sod along the parkways. Also drainage in neighborhoods is very poor and a health hazard, and needs a great deal more attention.	1/10/2019 8:25 AM
1162	No	1/10/2019 8:25 AM
1163	Garbage pick-up has SEVERELY deteriorated in the 5 years we've been here. Recycling & yard trash pick-up is practically non-existent. We are paying for services we DON'T receive!	1/10/2019 8:24 AM
1164	Would like code enforcement to be more responsive to emails. (Fence in bad shape along Pine Lakes Pkwy.)	1/10/2019 8:24 AM
1165	Please stop spending money on useless police vehicles (Mustangs). An arrest by the officers using these vehicles ties up a second vehicle for transport.	1/10/2019 8:24 AM
1166	As a senior community we should have recycling I have been here since Day 1. NO CARS EVER STOP AT CROSSWALKS!	1/10/2019 8:23 AM
1167	I do love this city. Much work to be done.	1/10/2019 8:22 AM
1168	Crack down on the littering problem,and tenants who have multiple citations for code violations,like 84 Ponce de Leon address.	1/10/2019 8:21 AM
1169	Town Center needs Whole Foods and Outdoor store. Cabellas or Something	1/10/2019 8:20 AM
1170	More entertainment option and definitely mall and a Costco	1/10/2019 8:19 AM
1171	City is attractive in many ways but the city is also unfair in consistency of infourcement of rules/codes	1/10/2019 8:17 AM
1172	Litter is a problem.More fines and enforcement needed. No one wants garbage in the streets in a beautiful area! Enforce safe driving. Too many drive crazy drivers / accidents.	1/10/2019 8:16 AM
1173	More and brighter street lights—please!	1/10/2019 8:14 AM

2018-2019 Citizen's Survey

1174	where are the street lights and sidewalks?	1/10/2019 8:13 AM
1175	Cell phone service in this area is horrible and isn't getting any better, despite the contract with Diamond. This is something that needs a top priority and needs to be improved immediately with more and more people relying solely on cell service. As I leave Palm Coast, my service improves dramatically.	1/10/2019 8:11 AM
1176	Economic development of our businesses but not more building we are getting overbuilt	1/10/2019 8:10 AM
1177	The City Hall is in the wrong location.	1/10/2019 8:09 AM
1178	Improvements of water drainage needed. What has been so far has made drainage poor. Like to see something done with Matanzas defunct golf course.	1/10/2019 8:08 AM
1179	I would like to see Palm Coast try to attract more light commercial/industrial businesses for distribution, transportation, and logistics support for example. We have terrific access to I-95 and I-4 is very close. We could target land for this growth north of Palm Coast Parkway and US 1 where there are existing similar businesses with minimal interruption to homeowners daily traffic patterns.	1/10/2019 8:07 AM
1180	Thanks for asking and keep up the good work!	1/10/2019 8:06 AM
1181	The residence in the R section and Quail Hollow feel that there should have been a public vote on the enlarging of the airport, before it was done, rather than the way it was handled. All we hear are planes and helicopters overhead. It was nice knowing that winter was here in order to open the windows, but now all we hear are aircraft overhead. This was an underhanded move for sure.	1/10/2019 8:04 AM
1182	I see too many big rig tractors and sometimes complete rigs being brought home and left either on the streets or in the driveways. Makes the town look like the town I left in NJ. Also people with wooden fences don't upkeep them. Some need to be fixed and some need to be stained for appearance.	1/10/2019 8:04 AM
1183	To shop LOCAL we need LOCAL places to shop at, let's allow more businesses to come here....LIFT the tough restrictions...more business will ease the tax burden on the fixed income retirees.	1/10/2019 8:03 AM
1184	Focus on Town Center area for New Business Development. Improve traffic flow in the Walmart intersection, if possible...	1/10/2019 8:01 AM
1185	Thank you for keeping Palm Coast great City.	1/10/2019 8:00 AM
1186	Cell towers, cell towers, cell towers	1/10/2019 8:00 AM
1187	Walking / Biking paths need more maintenance.	1/10/2019 8:00 AM
1188	more street light along Bell terre	1/10/2019 8:00 AM
1189	Schedule Town Hall meetings where the officials do not talk, but listen. Surveys help, but listening to the peoples' voice and opinion can be most useful.	1/10/2019 7:59 AM
1190	I am 100% against the rezoning for multi family apartments in Seminole Woods by the Park. It is not okay and if you lived in Seminole woods and owned your home you wouldn't be either. Crime, among so many other things are reasons not to do it! SAY NO!!	1/10/2019 7:58 AM
1191	Seeing homeless at traffic intersections, department stores roadside benches etc tends to bring first impressions of Palm Coast down. Realize this is difficult to enforce.	1/10/2019 7:56 AM
1192	I would like turn lanes put in on Seminole woods,some of the turns can be dangerous and turn lanes would help.	1/10/2019 7:55 AM
1193	Please do not allow Palm Coast to lose its small town charm and become another concrete jungle. Every inch of PC is currently zoned-do not change the zoning to allow builders to create that jungle.	1/10/2019 7:55 AM
1194	I really hope something comes of this survey and our elected officials, judiciary, and policy actually do something for Palm Coast.	1/10/2019 7:52 AM
1195	Please be aware that section 5 is not correct. It is E Section and R not P.	1/10/2019 7:51 AM
1196	WE need far more traffic control in our city than has been posted. I would like to see more control on Belle Terre as the 45 mph is almost always exceeded by many who are sometimes reckless with weaving in and out to get ahead. Unmarked vehicles along with motorcycle police are more than welcome.When I see them , I am happy. It's not often enough. Also Palm Coast parkway. The absence of traffic control invites speeding and quick surges which is common along these routes. The speed limits are to fast for this increased amount of traffic. You can't get out of the side streets without the risk of getting hit. Common courtesy is long gone.	1/10/2019 7:51 AM
1197	Please do more for the litter problem around the town and neighborhoods. Perhaps more trash cans, signs and increased enforcement. Lets help keep our town beautiful!	1/10/2019 7:48 AM
1198	i have yard waste that has been setting in my driveway for 3 weeks. trash collection is terrible	1/10/2019 7:47 AM
1199	I moved to this area because it's NOT a big dirty city. Please preserve the natural beauty of the area. Don't destroy the beautiful tree lined streets like PC PKWY to put in more stores/business. Revitalize existing developed space instead. Develop the Town Center land before ANY more land is cleared.	1/10/2019 7:45 AM
1200	Stormwater & drainage is a JOKE, they dig out the swales & replace the sod, but I don't see any evidence of the pipes being cleaned out & that's where the lack of drainage occurs & backups are created, total waste of money for what their doing	1/10/2019 7:45 AM
1201	No	1/10/2019 7:42 AM
1202	Traffic is a huge issue. People speeding through neighborhoods and with no sidewalks it's unsafe to bike or walk.	1/10/2019 7:42 AM

2018-2019 Citizen's Survey

1203	I am against low income housing and multi-level units along Central Avenue. My husband and I moved here because of the open, undeveloped areas, and would love to see it remain that way. Unrestrained development will further stress our limited water supply, and really has a negative impact on the overall quality of life.	1/10/2019 7:41 AM
1204	The roads when repaired are terrible. Example: Florida Park Drive. At Palm Harbor Pkwy & Club House Drive there's a tremendous dip in the road. When will that be fixed? Seniors are responsible for the foundation of this city yet they get nothing here. It seems youth and dogs get first preference. What a shame!	1/10/2019 7:40 AM
1205	The traffic light at the intersection oh Old Kings and Town Center is complicated and confusing for at times ... many close call accidents. The intersection needs to be widened for traffic to proceed around left turners northbound on Old Kings, also southbound drivers who wish to make a right turn onto Town Center can't tell when northbound drivers have a green arrow. I would opt for a three-way stop or a sign "no right turn on red" if widening intersection is not an option.	1/10/2019 7:40 AM
1206	Streetlights, gutters, sidewalks. Gas stations. Russian are out of control and make people uncomfortable with their attitude (weird but true).	1/10/2019 7:39 AM
1207	I can only hope that in the next election that there is some younger visionary outlook on the City council, it is slowly moving that way, but the future of Palm Coast is growth. The way it has been hindered with the discouraging regulations needs to change. Allow home based businesses to work in peace.	1/10/2019 7:39 AM
1208	Code Enforce does NOT do their jobs. Department say they will do something and DON'T	1/10/2019 7:37 AM
1209	Thank You for doing this survey so our voice could be heard. Palm Coast attracted us because of its natures. Please do it right with proper building code and inspection. Lay the right foundation with speed limit, traffic lights, construction.	1/10/2019 7:35 AM
1210	Utilities are way too expensive.	1/10/2019 7:35 AM
1211	Fix the cellular coverage, can not make a 911 call from the publix parking lot on Belle Terre	1/10/2019 7:34 AM
1212	Too much money spent on stupid things -- shades at the park? Get back to fundamental services not fluff stuff.	1/10/2019 7:34 AM
1213	Before Government took on all the needs and desires of societal function, The Church met the needs of the Elderly and the Youth; along with many other societal aspects. The true Community Leaders are the leaders of the Church, not political operatives hoping to garner power and financial gain. The City needs to look to means of coming into line with that which has worked for quite a long time. Foster events and workshops that attract and 'obligate' those leaders in our community that a relatively small portion of society is trying to marginalize. Reinstigate morality, ethics and honor into our institution. I have lived in the Palm Coast community for over 10 years and have seen a strong turn toward politics rather than governance in city and county issues. Our little city that I love should not be the training ground for leaders to punch tickets prior to heading to Tallahassee and the DC Beltway. What we need are business leaders and more of the unsung heroes of our communities to stand up and be heard. We cant simply be known as the "not too long of a drive" from Jax, St Augustine and Orlando. We need to give meaningful tax breaks to Business and Infrastructural Private Developers with purposeful structure built in to encourage long-term thinking. We need to stop 'striving' and start 'doing'. Societal needs will take care of themselves in the right environment. If all we are is the Affordable Housing Haven for the rest of the surrounding counties, there is no good thing awaiting anyone but the contractors and developers.	1/10/2019 7:33 AM
1214	Yes! PLEASE make it a priority to clean up our road sides and town!!! I am embarrassed to bring friends and relatives into my hometown due to the dumping and littering. Rymfire and Red Mill are horrendous examples. I just walked my block (Renshaw) and filled a 55 gallon trash bag. And this a recurring thing! Second, help the local stray/feral cat population. These animals deserve better and there are good people trying to help them. Give them the power and tools to fix this problem.	1/10/2019 7:32 AM
1215	Yes, two actually. There is way to much trash on our streets, both side streets and main roads. I feel the trash company can do a much better job about keeping the trash in the trucks. After trash day pick up, there is trash everywhere and it makes our beautiful town look ugly. I'm actually embarrassed by it. I've gone out myself to pick up after them. We would like to see a three way stop sign at the corner of Royal Palms Parkway and Town Center Blvd. It's a very dangerous spot.	1/10/2019 7:31 AM
1216	We need jobs, good paying jobs that bring in workers who pay taxes. This is not a retirement city anymore, the cost of living here has become to high for most retired who live on a fixed income. We definitely don't need anymore Publix stores or restaurants.	1/10/2019 7:29 AM
1217	We need to be a viable competitive business center in order to attract well educated families bringing life into a great area without current work white collar IT type opportunities we become an old age home with low cost housing and crime, let's get real no more PC crap and stop putting our heads in the sand	1/10/2019 7:28 AM
1218	I am sure what the city does to stop businesses from opening here but you need to change it. I have heard of places like bed bath and beyond coming, then they choose not to. There is no way this city will grow and successful people will choose to live here if you continue to make it impossible for businesses to open here.	1/10/2019 7:25 AM
1219	It is good to see continued development and upgrades all around the city!	1/10/2019 7:25 AM
1220	Clear swales and get gigabit fiber	1/10/2019 7:24 AM
1221	The community center is wonderful, would like to see a fitness center or a YMCA or a community gym.	1/10/2019 7:22 AM
1222	Need to find area for homeless to keep our streets looking nice. They hang out on Belle Terre Pkwy & PC Pkwy daily.	1/10/2019 7:22 AM

2018-2019 Citizen's Survey

1223	Before I left the workforce to raise my children full time, I always worked outside of Flagler County because there weren't jobs that paid commensurate to my level of education and experience. My husband's job is remote (based in CA) because we couldn't find anything local that would support our family. This is a shame in a community that doesn't support low income housing or support low income families. Commuting to Jax, Daytona, or other areas is costly and drives talented people out of our community. Palm Coast may have started as a retirement community but that's not what we've grown into. It would be great to have job opportunities that reflect that. I would love to learn about more of the upcoming city organized activities via Instagram or email. (I'm not on FB because the drama that happens there...)	1/10/2019 7:22 AM
1224	Please don't cut down too many trees!	1/10/2019 7:21 AM
1225	Please enforce the litter laws. If people decide to litter they should pay hefty fines or not live in our community. It is a disgrace that people throw trash out their windows. Their houses most like also look like trash and should have code enforcement agents there to fine them. If they do not wish to live in a beautiful community, then they are free to leave. We pay high property taxes to live in a beautiful city. They should not live here if they do not want to abide by the rules. More code enforcement.	1/10/2019 7:21 AM
1226	This is a great place to live! Love all the bike paths and the fact that the city is fairly clean, your maintenance does a great job keeping it that way.	1/10/2019 7:20 AM
1227	listening to citizens. No more stores,banks,trails,give activities to seniors and means to get to them. No more parks.Maybe a dog park east of I-95,better choice for health facilities.	1/10/2019 7:19 AM
1228	The city needs to improve drainage system and eliminate swale system in all neighborhoods. Instead of wasting money on whiteview parkway use the funds to install street lights.	1/10/2019 7:18 AM
1229	We need streetlights in neighborhoods and the roads need to be maintained to keep up with the population growth. Also swales in our neighborhood are terrible.	1/10/2019 7:18 AM
1230	please try and eliminate all panhandlers, it is pathetic how many there are at all street corners	1/10/2019 7:18 AM
1231	Please build more pickleball courts. Very good exercise and good for everyone to get out and play. Mentally and physically fit!! We need more courts and we need them now.	1/10/2019 7:17 AM
1232	We need sidewalks. They are essential to a city!! We will definitely end up moving away from pc if they're not done. I do not feel safe even walking my dog. Especially not my son in a stroller !!! I've only lived here for 3 years. Unfortunately we didn't notice there weren't sidewalks until we moved in. We just assumed there would be.	1/10/2019 7:17 AM
1233	City appearance varies widely in different areas. Better mowing and sidewalk trimming is needed throughout the C Section	1/10/2019 7:16 AM
1234	We love the home town atmosphere that Palm Coast has retained.	1/10/2019 7:14 AM
1235	We're relatively new residents of Palm Coast (5 months) so my input on the survey is based on our initial impressions and experiences thus far.	1/10/2019 7:08 AM
1236	Palm Coast should allow small trailers and RVs on people's own property.	1/10/2019 7:07 AM
1237	No.	1/10/2019 7:05 AM
1238	yard upkeep should be better enforced. Our neighbors yard looks like the city dump! Grass not cut and garbage cans left out with all the garbage all over the ground.	1/10/2019 7:04 AM
1239	Street lights on Empress Lane, please.	1/10/2019 7:03 AM
1240	Garbage collection should be once a week not twice, the cost is too high. The swales are poorly maintained. The PEP tanks are poorly maintained. Codes not enforced in most neighborhoods for landscaping, house colors, swale parking, and commercial vehicle parking.	1/10/2019 6:59 AM
1241	sidewalks in F section so kids can ride there bikes safely	1/10/2019 6:57 AM
1242	Thanks for all you do!	1/10/2019 6:56 AM
1243	landscaping of roadways & business make the city attractive . City is doing a good job of maintaining landscape Very important to keep up.Commercial Dev elopment Needed	1/10/2019 6:51 AM
1244	Water too high for an area like this.	1/10/2019 6:45 AM
1245	no	1/10/2019 6:45 AM
1246	Need transportation service to Orlando airport on a regular schedule	1/10/2019 6:44 AM
1247	Old Kings Road needs to have more turn lanes or widen.	1/10/2019 6:41 AM
1248	seriously the traffic lights on Palm Coast Pkwy are a joke	1/10/2019 6:39 AM
1249	Need traffic light at royal palm, town ctr intersection. Need more street lights.	1/10/2019 6:39 AM
1250	fire waste pro very poor service and does not collect on proper days	1/10/2019 6:37 AM
1251	City should spend more time inspecting neighborhoods. House being built on our street and the swale has been filled in water does not drain from in front of the houses. During a heavy rain water will run into street. Refuse collection is hit or miss. Yard waste almost never gets picked up. If your scheduled for recycling pick up on Tuesday it could happen Tuesday or Wednesday.	1/10/2019 6:35 AM
1252	We moved here 15 years ago for the small town setting. Hope it stays that way. Would love to see the Town center developed.	1/10/2019 6:30 AM
1253	Would like to see more dedicated pickleball courts created. Popularity is high and growing.	1/10/2019 6:27 AM
1254	More inclined to head to St Augustine because of poor traffic signal control in Palm Coast.	1/10/2019 6:25 AM
1255	Trash is all over and never gets picked up. I walk my entire street once a month and pick up bags of trash.	1/10/2019 6:24 AM

2018-2019 Citizen's Survey

1256	Eliminate garage sale rules, too many permits for home owner. City wastes money on too many grounds workers, too many city vehicles. Too much freedom is lost for a home owners own property, Wasted money on sidewalks built in the wrong location.	1/10/2019 6:20 AM
1257	Cell service is poor to nonexistent in my section. Poor in many areas of our city. Please fix this.	1/10/2019 6:20 AM
1258	Not at this time.	1/10/2019 6:19 AM
1259	Need more street lights, streets are very dark!	1/10/2019 6:17 AM
1260	Fire the mayor. Closing 2 lanes of Whiteview is insane, Drive it between 4:00pm and 6:00pm.Four lanes are necessary.	1/10/2019 6:12 AM
1261	Just moved here August 2018 from Georgia and I'm truly happy that I chose Palm Coast for my new home. Thank you all for your hard work!	1/10/2019 6:08 AM
1262	Come up with a vagrant and panhandling law and "enforce" it !	1/10/2019 6:06 AM
1263	Stricter on home maintenance There re homes people re renting in disarray Start action to take the home because fines mean nothing. They dont pay them. Help landlords better with stricter tenant laws	1/10/2019 6:03 AM
1264	Streetlights in L Section please! The nighttime darkness is dangerous and maddening. Fosters a criminal environment.	1/10/2019 5:47 AM
1265	looking forward to new bike path extension along Whiteview	1/10/2019 5:41 AM
1266	Need more posted speed limits and or speed checking signs in Indian Trails area. Too many incidents surrounding speeding in the residential areas. Also organic (tree trimming pickups) maybe a better solar program incentives and keep changing the street lights to LED. Still have a lot of inefficient old streetlights.	1/10/2019 5:39 AM
1267	Water/Sewer bills are 3 times higher than previous home location. WHY?	1/10/2019 5:36 AM
1268	Better sidewalk maintenance south of state route 100. Stop considering low income housing because it will drive residents like us out if this city.	1/10/2019 5:31 AM
1269	Additional activities/ support for the growing special needs youth community.	1/10/2019 5:24 AM
1270	The city needs to cleanup trash on side of the roads near bus stops and construction sites. Maybe there should be an adopt-a-neighborhood program. Looks terrible.	1/10/2019 5:04 AM
Comment removed - inappropriate language		
1272	Litter is my biggest concern. How about litter cams in high litter areas?	1/10/2019 4:53 AM
1273	I love PC but we leave almost everyday for dining out, shopping, or doing something. There are basically NO functions in PC spend some money besides trails, bike paths and golf courses.	1/10/2019 4:52 AM
1274	The trash company is terrible here the trashmen have been extorting money from the elderly. And no one seems to be addressing this	1/10/2019 4:46 AM
1275	I feel our local merchants are price gouging, gas in particular.	1/10/2019 4:44 AM
1276	Keep the utilities and taxes as low as possible to be able to stay here. Looking to move to Panama for lower cost of living.	1/10/2019 4:37 AM
1277	Yes, who ever is responsible for cleaning out the sales or rivers on our front lawns should be cleaning these out more frewuenly the stagnant water creates mosquitoes and bacteria we breath i. And yes iunhealthy and in unsafe please make thys a number one priority to have these sewer lakes on. Our front property cleaned weekly. I'm here in pal. Coast 3 years in palm coast and they have NOT cleaned mine in three years!! This is unacceptable especially when you know stagnant water created and had bacteria we breathe in...	1/10/2019 4:34 AM
1278	Would like to see more community interaction with sheriffs staff and youth to promote better relationships as a means to reduce crime.	1/10/2019 4:30 AM
1279	No low income housing please and finish sidewalks in Seminole woods.	1/10/2019 4:25 AM
1280	City needs to reexamine the James Holland Park large dog play area. It has a lake in the enclosure and a warning sign about alligators and snakes - if someone has a large dog that likes water it is impossible to keep them from jumping in the lake... it needs to be filled in or moved to other location as it is unusable, as it poses a safety hazard.	1/10/2019 4:19 AM
1281	You left out public transportation system. What we have is inadequate.	1/10/2019 4:17 AM
1282	Please do not build "affordable" apartments in the Seminole Woods area. Seminole Woods is beautiful just how it is.	1/10/2019 4:08 AM
1283	The library has become a homeless city. This concerns me as a parent and homeowner. I understand that the library is a county building, however it is in the city limits, and something needs to be done about it! I don't go to the library anymore and would certainly NEVER allow my child to be there- especially alone! The workers do nothing but babysit these bums every day who enjoy the a/c, free internet, and restrooms paid for by my taxes. You want to clean up this town, the library is the place to start! Ask nearby business owners, they will tell you the same thing. Employees & citizens shouldn't have to feel unsafe while working or shopping because they are harassed by the homeless. Begging outside stores, cussing at people in intersections- somebody please wake up and see this reality- it's there, and it's not hidden!	1/10/2019 4:02 AM
1284	Stay in your lane stop trying to tell people how to or what they can do on their property/house with all these regulations. grow the city, street lights, opportunity for young people to make a life in Palm Coast as opposed to thinking it was better in my time.	1/10/2019 3:59 AM

2018-2019 Citizen's Survey

1285	I absolutely love the trail system in Palm Coast and think it is one of the best things about this town!	1/10/2019 3:46 AM
1286	love this city but we lack an amount of enterataiment in the area, we should focus on creating, promoting, and supporting businesses that will get the community out there walking around. A common complaint me and my friends have is that there is nothing to do in this city! let's focus on transforming the city in not only a retirement haven for the elderly but a hotspot for young adults! We do have a college campus here anyways, the amount of college students here are not be accounted for!	1/10/2019 2:52 AM
1287	Street lights and sidewalks	1/10/2019 2:34 AM
1288	NO	1/10/2019 2:23 AM
1289	Would like to see sheriffs office and local cops do more around the community and not always be focused on making the state money. Tickets and fines are needed but there are more ways to spend time in our community and help make it safer and have a feeling that the cops are here to help and not just trying to write another ticket.	1/10/2019 2:09 AM
1290	On Seminole Woods Pkwy, between US1 and SR100, we need additional speed limit signs. Drivers are going too slow, causing other drivers to pass under unsafe conditions. Also, the sidewalk stop signs are confusing for some drivers. Many times drivers are stopping at these, sometimes abruptly.	1/10/2019 1:53 AM
1291	Palm Coast needs more over 55 housing and development of town ctr. No more apartments and duplexes	1/10/2019 1:49 AM
1292	Less retirement homes and more jobs for young adults	1/10/2019 1:48 AM
1293	Trash pickup needs to be more consistent. A lot of days our trash isn't picked up until the day after our scheduled day. Recently our yard waste sat along the road for two weeks.	1/10/2019 1:47 AM
1294	We spend too much time and money on beautification of public areas and not enough on ensuring the social and economic sucess of current and future generations	1/10/2019 1:24 AM
1295	Congratulation ,it is a good idea to participated for the benefit of this beautiful city, thevquestion con stars done worked properly. Everytime i enter for excellent ,all the other questions will be mark also??.	1/10/2019 12:59 AM
1296	The homeless that congregate by the shopping center sign at the northbound side of Belle Terre at Palm Coast Parkway is becoming a problem. They leave trash behind that is inappropriate for any resident regardless of status. Traffic circles are a bad idea. You had to put a stop sign at the circle entry point that leaves the direction of the movie theatre. Lawn services and construction workers that park on right of ways, especially on main thoroughfares, are an increasingly dangerous nuisance. They need to park on side streets or swales of empty lots if they are nearby. Residents should be held accountable for keeping their driveway culvert pipes open just as they are held accountable for lawn maintenance.	1/10/2019 12:54 AM
1297	Still don't have recycling bins. Leeches and flooded front grass so will have to keep calling city repeatedly it seems. Garbage collectors do not always show up on days posted on city site related to holidays...missed last weeks pick up after leaving trash out for days they finally came 2 days later 5 min after I put trash away because didnt want it out all weekend until Monday. Palm Coast SOOOO expensive I may have to move. Too bad. City utility bill almost 200 a month!!!!!!! Told it would be 100 which is also outrageous but no it was almost 200.	1/10/2019 12:54 AM
1298	No	1/10/2019 12:53 AM
1299	Please send kids on field trips again	1/10/2019 12:46 AM
1300	We NEED residential sidewalks and street lights!!! Also a traffic light on mantanzas and US1 NOT a round about!!! We should be able to have logos on our vehicles and be able to park recreational vehicles in our driveways if they look nice. We do not live in an HOA but code enforcement acts as is we do. We pay our taxes. These rules push a lot of people away.	1/10/2019 12:44 AM
1301	Please don't let these people coming from other states who complain about everything change this city into the areas they moved from. They moved here because it's beautiful but complain constantly about everything! Keep up what you are doing and keep it beautiful here! ☺	1/10/2019 12:43 AM
1302	Westhampton Drive could use speed bumps. Many autos travel above the 25mph speed limit daily with children/elderly present w/o sidewalks.	1/10/2019 12:35 AM
1303	embrace the beach and tourism. It will always be your best asset.	1/10/2019 12:32 AM
1304	I have only lived here a couple of months, and plan to take full advantage of parks, trails, recreation areas and cultural events and activities in the future.	1/10/2019 12:30 AM
1305	Reach out to big business to have offices. Office space building? How about investment management companies in real estate to build apartment complexes. Ones that work with DSC to also get maybe student housing. Palm coast is in the center of Cities like st. Augustine and Daytona where there are other colleges around in thag area that can attract more talent. Also, advertise local business and good markets!!! I've lived here for so long and still don't knkw when there is a flea market in Flagler beach? And another one on 100? No consistency in advertising locals!!	1/10/2019 12:26 AM
1306	let the home owner cut any trees on there property , palm coast has the dumbest law of tell home owner there must have 4 trees on there property , when we have storm that knocking trees , and hit powerlines, and homeowners roofs . get rid of this law,	1/10/2019 12:24 AM
1307	SIDEWALKS IN NEIGHBORHOODS WOULD BE AMAZING ☺	1/10/2019 12:21 AM
1308	Lower taxes, quit spending. No need for additional parks. Most are empty when drive by them. Lower the budget	1/10/2019 12:18 AM

2018-2019 Citizen's Survey

1309	Garbage men throw empty garbage can partly in street, hazard for drivers on busy road! Swells needs maintained regularly to prevent flooding, need more lights installed in residential areas, the City isn't giving citations or keeping up with residents breaking city ordinance month after month after month!!!!!!!!!!!!!!	1/10/2019 12:15 AM
1310	Please allow boats in driveway or backyard	1/10/2019 12:14 AM
1311	I like living in Palm Coast and feel it has a lot of potential but someone has to take charge and lead this city into the future. I hear everyday more people that don't like living here and it doesn't have to be this way	1/10/2019 12:11 AM
1312	I think the City needs to really focus on attracting businesses, both large and small, in order to continue economic growth.	1/10/2019 12:06 AM
1313	I would like to see more police patrolling side roads instead of main roads	1/10/2019 12:04 AM
1314	make it so people want to work and shop here. it will keep people in town to raise commercial income and provide a raise to tourism. if you dropped some of the restrictive city codes the town could grow	1/10/2019 12:03 AM
1315	We moved here permanently two months ago and love it. Keep up the great work.	1/10/2019 12:03 AM
1316	Please preserve natural resources Protect our trees Don't allow a large expansion & bar in capt's bbq restaurant in bings landing park- Keep the park, a park! Please focus on drainage issues between sea colony & malacompra	1/10/2019 12:02 AM
1317	Limit residential development...and please keep the natural beauty of Palm Coast....marsh, canals, beach, etc.	1/9/2019 11:59 PM
1318	We desperately need a Whole Foods, Trader Joe's, Earth Fare or Lucky's natural food store. I and a lot of my neighbors take road trips with coolers in our cars to Orange Park to do our shopping. We have nothing here!! We need a good seafood market, a larger TJMAX, it's way to small or Marshals. And some fine dining!! Nicer restaurants! Jobs! We moved here because we love the water and where we live. When we moved here we thought there was going to be growth. So far not. Town Center is still vacant. Sorry but disappointed.	1/9/2019 11:57 PM
1319	Would really like to see palm coast get rid of some built up areas and return it to its natural habitat... There's storage units every where, way too many grocery stores, so many lights it's hard to sleep and forget camping here these days... I grew up here and remember I never saw wildlife. They had homes and palm coast has taken that from them and the natural beauty it gave this town. Now it's like a little city with too many people and it's doing more harm than good. I'm hoping to leave palm coast asap when I can afford to because palm coast care more about building and raising the population to get more money than the well being of the environment.	1/9/2019 11:56 PM
1320	We don't want the apartment complex you are trying to get in!	1/9/2019 11:54 PM
1321	Palm Coast is really a city that people either love or hate. People like to do what they would like to with their home and property and not always worried about someone dicking around and getting them in trouble. There is a Florida way of life and Palm Coast is in Florida not the Northeast, accept it.	1/9/2019 11:54 PM
1322	We need to do something about the panhandlers, they're a nuisance, they trash the city and crime goes up when they're around. St. Augustine can make laws, Daytona can make laws and SO CAN WE. There are MANY residents that share this outlook.	1/9/2019 11:50 PM
1323	Get rid of dirty duplex slum lords and occupants	1/9/2019 11:48 PM
1324	The city is relatively "clean" looking and the palm trees are nice. My son went through the school system here and just graduated from UF, so I appreciate the schools and teachers. The Epic Theatre in Town Center was a huge addition to the city. We used to drive to Ormond Beach to see a movie. It would be great if the city could finally get a true performing arts hall, a big one, a nice one, something the city could grow into. Something that would attract world class entertainment. You sure don't have much else here, a Walmart, an ugly beach out at Flagler Beach, some golf courses, you need a really nice performing arts hall. People moving down out of the northeast would appreciate it as well. It would be added incentive to move here.	1/9/2019 11:45 PM
1325	Nice town but developers are going to ruin it.. I hope their contribution to the tax base is worth it..	1/9/2019 11:24 PM
1326	City Code Enforcement should be audited, this is a working class city, not a retirement town, the citizens are being oppressed. Palm Coast has no right telling me what I can and can not do on my property. My privacy is being infringed upon daily. Money is being spent frivolously, wasteful spending can be seen all through out this city.	1/9/2019 11:20 PM
1327	No	1/9/2019 11:19 PM
1328	I do not approve of or support rezoning of the 23 acres off Sesame by the park from single family to multi family. I didn't purchase land and build a new house here just to have zoning change in my backyard shortly afterwards. I built in an area based on the current neighborhood and existing property values. Seminole woods in whole has remained pristine and untouched as far as big development goes. Integra apartments was fine with where it was designated for, but putting an apartment complex on that lot would destroy what the seminole woods community loves about our neighborhood.	1/9/2019 11:04 PM
1329	We need street lights! This city is dangerous and dark.	1/9/2019 10:53 PM
1330	I would like to see more commercial development on US 1 South.	1/9/2019 10:50 PM
1331	no	1/9/2019 10:40 PM
1332	No section 8 or low income housing!	1/9/2019 10:38 PM

2018-2019 Citizen's Survey

1333	SINGLE FAMILY NEIGHBORHOODS, SUCH AS SEMINOLE WOODS NEEDS TO REMAIN SUCH.. WE DO NOT WANT OR NEED TO ZONE IT FOR "MULTI-FAMILY" or "LOW INCOME".. Temporary people (leasing) will only bring higher traffic rates, higher crime rates, lower property value, with the rapid influx of people it will overload the job opportunities currently available for the area, the list can go on. It would be absolutely the worst decision to bring in low income apartment housing to our single family neighborhood. Homes and apartments should not be in the same neighborhood with as much real estate that is in the area, this would be an absolutely ridiculous and clearly political decision.	1/9/2019 10:33 PM
1334	Homeless people begging on Palm Coast parkway need to be removed	1/9/2019 10:32 PM
1335	I've lived here since 2013. My biggest draw back about Palm Coast is there is nothing to do here. Town center has such potential to be a hot spot, but instead it's just dr offices and medical buildings. Where I live in the K section it is so dark in the neighborhoods at night due to no street lights (I'd even pay a monthly fee to have one just for the security it provides). Also the sidewalks off Belle Terre have no lights on them either. My family due to work schedules can only get out in the evenings, but that roads are so dark at night it's just too dangerous to go out on those sidewalks, for many reasons. It's nice to see that Hwy 100 is finally progressing, but it'd be nice to see some nice chain restaurants built like Outback, Longhorn, etc. There just isn't many choices here in Palm Coast, so we usually have to drive to Ormond or Daytona. Lastly is jobs. It's very hard to find good jobs here. One reason why I left for a year was for a good job. I worked as a cop for 22 years. After that I wanted a good job to have here locally so I could stay local. I applied at the City numerous times, for Code Enforcement and other jobs, but only once was I called and given an interview and never heard back. Eventually I quit trying cause I could see it was impossible to get on with the city here (plus I was told by someone that works for the city that if you sound Country and you're not from NY or NJ don't bother applying). So just because someone doesn't check all the boxes for the requirements doesn't mean that person does not know how to do the job or have knowledge to do it. People grow up in all different walks of life and have many trades whether it was self taught, a job prior, or something they learned from family with a trade skill. So what I'm saying is. Don't always turn someone down just because they don't check all the boxes or fit your "profile". You'd be surprised what you'd get if you'd give that person a shot first before saying no.	1/9/2019 10:31 PM
1336	There is far too much growth. The small quaint city us beginning to feel like Boston or New York (Not quite there yet, but feeling like it). There needs to be limitations on house construction. There seems to be multiple new house going up on every street.	1/9/2019 10:24 PM
1337	Need to enforce speed and noise ordinances....why does Palm Coast NOT have a city police dept?	1/9/2019 10:21 PM
1338	We appreciate that you are concerned with how the residents feel about our community and what can be done for improvement. We have invested in a home in this community and plan on living the rest of our lives in our home in beautiful Seminole Woods in Palm Coast.	1/9/2019 10:20 PM
1339	Town center needs to be built up. The movie theater area would be great for entertainment and restaurants. Teens need a place to hang out and actually participate in something. Bored teens lead to crime and drug use. Palm coast is in dire need of jobs that arent food service or retail. My family and friends who receive a livable wage all travel out of flagler county for work. I appreciate the wonderful trails and nature walks but we need entertainment that doesnt revolve around good weather.	1/9/2019 10:05 PM
1340	I feel it is very important to attract business and higher paying jobs so residents are able to afford keeping their homes up and spend their money in Palm Coast. No more duplexes! They bring down property values of residents who own their homes. If we can't maintain our property values, we move somewhere else. Better shopping and restaurants with less focus on low end discount stores. It's a shame we still have to travel to other cities to shop. We really need activities/programs for the youth (YMCA?). They are bored. Bored kids tend to find trouble to get into. Love all of the parks and trails - really sets us apart from other cities/towns. Our police, sheriff, and fire departments do a wonderful job.	1/9/2019 10:01 PM
1341	Get some big box stores like Costco to locate in Palm Coast!	1/9/2019 9:47 PM
1342	Street lights are needed badly on all streets , the swells in our front yard are not being taken care of , many streets are in need of resurfacing.	1/9/2019 9:46 PM
1343	I do not think that it would be a good move for the city to change the area of Seward to multi level housing. Our area was built for single family homes and should stay as such.	1/9/2019 9:41 PM
1344	Better maintainenance of storm drainage system.	1/9/2019 9:36 PM
1345	Love Palm Coast just wish for better job oportunities.	1/9/2019 9:22 PM
1346	I love this city	1/9/2019 9:08 PM
1347	Take the water feature out of the James Holland large dog park. You don't have a water foutain in the middle of the park and then out up a sign..."beware of alligators, snakes and stay away from the water" its like raking a kid to the candy store and saying you can't have any. And if your dog goes in the water they smell so bad its not funny. Contaminated water from chemicals used on the grass in the park.	1/9/2019 9:02 PM
1348	Feasibility of public transportation in Palm Coast.	1/9/2019 9:02 PM
1349	Please don't rezone seminole woods for apartments. It will not do anything but create problems for all. Including crime traffice devaluingof properties etc.	1/9/2019 9:00 PM
1350	Thank you! Please bring Whole Sale Foods or traders joe.	1/9/2019 8:57 PM
1351	More sheriff patrols for speeders on Old Kings Rd near Flemingwood to Matanzas Parkway speeding is awful on this road	1/9/2019 8:50 PM

2018-2019 Citizen's Survey

1352	There is a great deal of controversy over rezoning issues in my area of Seminole Woods. Not quite sure why Palm Coast isn't jumping to stop the rezoning of property for apartments and allowing commercial businesses of a nursery to access the business within residential neighborhoods. I can't even put a shed on the lot I own next to my house but Palm Coast allows this? I will be at the city Hall meetings. What are our officials doing and who is getting the money? So obviously wrong!	1/9/2019 8:49 PM
1353	1. A place for city gardens for the public to grow their own produce. 2. A Farmers market in Town Center twice a week on Tuesdays and Saturdays. 3. Craft shows once a month in Town Center. 4. Different genres of musical events, we attended a Blue Grass Festival in Virginia this year, it drew a large crowd, it was fantastic. Also, need better lighting and electricity in Town Center for events, and multiple large parking areas, which could also be used for a Farmers mkt or car shows and fireworks. Our old town had a circular, open air, covered farmers market area, it was in a large parking lot which was great since the market was very busy. The vendors parked around the outside of the circle, the customers parked in the lot and walked a short distance to the market, which also had restroom facilities. 5. I have one CONCERN I feel is very important, in our E section we only have one way in and one way out of our large subdivision, that being at the intersection of East Hampton and Belle Terre. In case of a fire or other emergency I envision a crisis when cars start to pile up at that intersection. We have checked with residents in the areas where we were told there were escape routes, and those residents told us those routes were no longer there, some had homes built on them, or they were fenced off. The amount of vegetation is a concern since it covers everything in any spare lots and in a fire in would be an inferno. Just have someone in charge drive through here and see for themselves like we did! And to say that won't happen, remember how many people died in those recent fires in California! I'm sure there are other subdivisions just like ours with overgrown vegetation and only one way out in an emergency! A disaster waiting to happen! We stopped at City Hall and left our name and phone number for someone to call us about our concern a couple months ago to discuss this issue and no one called us.	1/9/2019 8:45 PM
1354	We need an indoor playspace for kids! Otherwise we love living here	1/9/2019 8:43 PM
1355	Don't discourage new businesses with antiquated policies. Encourage ideas and growth from younger generations.	1/9/2019 8:37 PM
1356	Focus on industry that can bring in educated jobs.	1/9/2019 8:29 PM
1357	I love living in Palm Coast. We need more industrial businesses.	1/9/2019 8:29 PM
1358	I would like to see owners of lost dogs fined. They should be on leash. Outside music, dogs barking, singing TVs have a better noise ordinance. I'm a stay at home disabled adult and I hear noise inside my house from neighbors all night and day.	1/9/2019 8:22 PM
1359	The politicians need to act like the money they are spending is coming out of their own pocket. Like the sheriff's office why are you not going after the contractor	1/9/2019 8:16 PM
1360	I moved here 15 yrs ago. I was told it was and would stay a retirement/bedroom community. I'm not a fan of direction we are moving in. I'm afraid we are becoming Deltona. Which is not appealing.	1/9/2019 8:12 PM
1361	need to consider sewers and underground power lines. Constant repair is expensive and doesn't solve the ongoing issues,	1/9/2019 7:57 PM
1362	Dont turn us in to a typical east coast town	1/9/2019 7:51 PM
1363	Utility rates are exorbitant for the mediocre quality of service and product. We pay too high a monthly fee for water (75% of my water bill is fees and taxes, not water usage), for waste disposal which is sometimes non-existent, for recycling which does not occur, and for average water quality. Also, who are the fools responsible for watering medians, etc., during rain storms? Of course, the city would say this is reclaimed water set on a timer, but the fact remains, it is wasted water and unnecessary run-off. Is this group related to the fools who plant trees on the medians only so the roots undermine the pavement? I suspect a city council member's brother-in-law. Otherwise, PC is pretty much OK.	1/9/2019 7:47 PM
1364	I have lived here since 1999 and would like to get more involved with the community and planning. We have a lot of potential and are growing so we need not get greedy and expand and grow for expansion. We need to remain a small family oriented city.	1/9/2019 7:46 PM
1365	You all did a great job in picking up debris from Hurricanes. That should always be a number 1 priority.	1/9/2019 7:43 PM
1366	We left a big city to come here. We don't want to anticipate the problems we left to live here. Big city problems are not for Palm Coast. We chose Palm Coast because of the calmness and quiet. No need to bring big city problems here.	1/9/2019 7:40 PM
1367	The city code violations needs to be reviewed as well as the enforcers. The City of Palm Coast is beautiful and the events truly show our quaint city but we need more events.	1/9/2019 7:40 PM
1368	The re-zoning of the property on sesame will kill our property value, increase traffic and accidents on an already busy road, increase crime, and tax the already strained waste water and storm water systems. If it gets re-zoned I will be actively campaigning against anyone who votes to approve it.	1/9/2019 7:37 PM
1369	No	1/9/2019 7:36 PM
1370	I moved to palm coast 2 years ago from southern California . I love it here.	1/9/2019 7:31 PM
1371	Most amenities offered by city are not in our usual comfortable areas.	1/9/2019 7:30 PM
1372	keep up the good work you do, thanks	1/9/2019 7:23 PM

2018-2019 Citizen's Survey

1373	City of Palm Coast water district should be investigated. Fairly new to this area and got hit with 1250 first water bill. No explanation or way to really investigate. Took it to the mayor's office who referred my complaint to the management team who were very helpful. Turns out many mistakes made. After 5 months I will be reimbursed for the majority. Apparently it has happened to others in this area. Poor record keeping and lack of reporting system to allow customer the right to look at water usage history. Someone should audit this dept. I'm lucky I was able to pay this bill; however, many other people would not be able to pay. Would their water be cut off indefinitely???	1/9/2019 7:21 PM
1374	Palm Coast should focus on our youth and our natural areas. We DO NOT need "affordable housing" apartment complexes in the middle of pre existing neighborhoods. There is plenty of affordable housing in Palm Coast. Keep Palm Coast as natural as possible. That is what makes it beautiful. The parks, trails, and recreation are amazing. Let's keep it that way!	1/9/2019 7:18 PM
1375	Development costs are prohibitive... Major intersections need to be reworked... the lights are unbelievably long.	1/9/2019 7:15 PM
1376	The city needs to ease up on all the regulations like other cities. For instance. We should be able to raise chickens with the proper permitting! Also, we should be able to bind 3 lots without having to go in front of city council. Some of the rules we have belong in an HOA not a city. I feel like PC is one big HOA, which makes me want to leave.	1/9/2019 7:15 PM
1377	Need to keep the fresh water canals clean and clear for homeowners. The fresh water canal propertis were promoted as premium lots. Do not neglect them	1/9/2019 7:14 PM
1378	Be more supportive of your part time residents who own property, especially when they pay their City of Palm Coast and real estate tax bills. Don't deny them services because they have limited time to put out organic waste. Not at all fair. If this happens to me again I'll very likely move to Flagler Beach.	1/9/2019 7:13 PM
1379	Traffic signals during non-sensor hours are ridiculously long, some up to 150 seconds. Signal at rte 95 exit/off ramp to PC Pkwy is way too long. Waste Pro performance for a while was quite good. It has been terrible, particularly during the past holiday to today, 1/9. e.g. missed pickups, wrong day pickups, what's going on?	1/9/2019 7:09 PM
1380	A problem with people throwing out trash in our neighborhood	1/9/2019 7:06 PM
1381	As a property tax payer in the city for 15 months, i can not see why my taxes are so high. It would be helpful to to understand why a CDD tax payer gets no reduction, i.e., pays the same as everyone else. A tax district info of fund expenditures would be helpful.	1/9/2019 7:02 PM
1382	Please do something about the cost of water. It is outrageously expensive in this city.	1/9/2019 7:02 PM
1383	communications to the Mayor's office should be acknowledged and taken cared of accordingly..Thank you!	1/9/2019 6:57 PM
1384	I have reported about how bad our drainage is on Llach Court numerous times. The water in our awake never leaves our culvert. We have tadpoles and fish that live in there and the mosquitos are terrible.	1/9/2019 6:55 PM
1385	We lived in Ormond for 31 years. The taxes were double there for a similarly sized house. The cities were well run but the Volusia County Council never met a tax they didn't like. The situation doesn't seem to have changed in the 15 years we've lived in Flagler. Please keep up the good work.	1/9/2019 6:53 PM
1386	I love my city and am really happy here. I hope it stays "small".	1/9/2019 6:52 PM
1387	Please do not rezone residential areas, especially the area in Seminole Woods.	1/9/2019 6:49 PM
1388	STREET LIGHTS PLEASE...IT'S SO DARK IN ALL OF INDIAN TRAILS AT NIGHT THAT WE'RE AFRAID TO PUT GARBAGE OUT THE NIGHT BEFORE PICK-UP!!!!	1/9/2019 6:49 PM
1389	Still believe Palm Coast has potential, if we have leaders that are committed to the development, and not interested in just your own agenda and lining your pockets, you know who you are, from the Mayor to the Sheriff.	1/9/2019 6:45 PM
1390	I am against the proposed apartment complex off Sesame.	1/9/2019 6:42 PM
1391	Expansion seems too important to city managers and not enough consideration too our current city space. Street lights are almost non existent. Sidewalks in residential areas. Town Center seems to have been a farce.	1/9/2019 6:41 PM
1392	The Flagler County Basketball Program is growing each year. Would be nice if Palm Coast would work with the program to help grow the program more and make indoor basketball facilities available at a price that would keep league registration at an affordable rate for all kids.	1/9/2019 6:40 PM
1393	Consistent failure to complete projects. For example, when you have to dig in someone's yard to hook up sewer service for a house across the street, that homeowner should be notified before hand and sod should be on hand to complete the job. The homeowner should not have to question why there is an excavator on their property and have to follow up with the city one month later because they still have not put sod down, also called completing the project.	1/9/2019 6:38 PM
1394	Please light the existing street lights.	1/9/2019 6:37 PM
1395	Add more street lights in the neighborhoods. It's too dark.	1/9/2019 6:31 PM
1396	Would love streetlights and sidewalks in residential neighborhoods for safety reasons	1/9/2019 6:23 PM
1397	Please fix old kings Palm coast Parkway intersection, it's a joke, from 2-4pm you have to wait through 2-3 sometimes 4 light cycles just to get past Ceilico Way. Far left lane dedicated left turn, middle land left turn straight or right combo lane, far right lane right only.	1/9/2019 6:23 PM
1398	Our citizenry needs manufacturing jobs. There is too much service industry jobs AND GASOLINE STATIONS!	1/9/2019 6:16 PM

2018-2019 Citizen's Survey

1399	The quality of the water in Palm Coast is terrible, and the gas prices are the highest in the United States, I shop outside of Palm Coast most of the time due to high gas prices here.	1/9/2019 6:16 PM
1400	Great place to live.	1/9/2019 6:09 PM
1401	I love palm coast .	1/9/2019 6:02 PM
1402	I would like to see street lights in residential areas. Very dark on nights without a moon. Homeless issue seems to be increasing.	1/9/2019 6:02 PM
1403	If someone graduates from HS or college and cannot get a job making enough \$ to stay here, then the city is failing in managing the business. You are failing.	1/9/2019 6:00 PM
1404	1. I would like to see the homeless tent city's removed from the parks. 2. I would like to see the pan handlers arrested and that it be made clear that we will not be catering to them. 3. I would like to see gates installed at the parks and that they be closed after 11:00 Anything that happens after dark in these parks is most likely to be criminal related. Hershel Kings Park and Waterside Park in particular. 4. I do not want the city to promote low income housing. This is not in our best interest as a society. This type of demographic does not enhance or make a city a desirable place to move a business or family to. It only brings it down. We do not want to be a mini Daytona or Downtown St. Augustine.	1/9/2019 5:59 PM
1405	Dave and Busters, WOW zone, mini golf... more local places. It gets old driving to St Augustine or Daytona all the time. Especially for restaurants.	1/9/2019 5:54 PM
1406	none	1/9/2019 5:52 PM
1407	City should not compete with commercial sector. City should take care of infrastructure. City should not hire so many employees-contract them instead. City should be aware of Total Cost of Ownership, Cost Benefit Analysis and performance based contracting and do these things not pay lip service and continue with wasteful spending. Cut back on wasteful landscaping and use low maintenance landscaping.	1/9/2019 5:47 PM
1408	No	1/9/2019 5:45 PM
1409	Street lights are essential for safety and missing on many major road. Thank you for taking the time to do this survey.	1/9/2019 5:43 PM
1410	We discovered and fell in love with Palm Coast while vacationing in Flagler Beach in September of 2011, we purchased our home and moved to Palm Coast, from Ohio, in December of 2011. We fell in love with the small town feel of Palm Coast, not over built with commercial properties, low income housing and little vehicular traffic, but we fear that will change and the area will start looking like so many other cities in Florida and Palm Coast will become just another over built Florida city with too many commercial properties, crime and traffic. In just the seven years we have lived here we have seen some dramatic changes and we are not happy about some, for instance, do we really need so many gas stations. Just because there is vacant land with trees doesn't mean it needs to be leveled and something built on it. Please keep the small Palm Coast we fell in love with.	1/9/2019 5:42 PM
1411	keep the small town appeal, but capitalize on the Town Center with strategic Business relationships that are conducive to employment and commerce. Provide a venue for small business to further advance and the reinvestment will payoff and eventually it will pay it forward. Small/Medium Business is the mix. Kind Regards, Richard Rollison	1/9/2019 5:40 PM
1412	There should be turn lanes added on Belle Terre. Too much traffic not to	1/9/2019 5:40 PM
1413	It's a matter of time before this area is over congested.	1/9/2019 5:36 PM
1414	Great place to retire. Quiet beauty. Low crime. Light traffic. People who complain about PC must never have lived in a big city (or they just like to complain).	1/9/2019 5:33 PM
1415	Palm Coast is not somewhere people move because of a growing job market or affordable housing. If these are things that are important to Palm Coast then I think more attention is needed. Palm Coast is a beautiful place to live due to the natural beauty, parks, sidewalks, trails, and proximity to the beach. Historically it has been a good value, but the rising cost of housing is changing that. My wife and I have lived here for 6 years, and are moving this year due primarily to the rising cost of housing. We are moving across the country to Palm Springs California, where the cost of renting a single bedroom apartment is comparable to Palm Coast. It no longer makes sense to us to stay here as there is little economic benefit. Our rent has gone from \$650 in 2013, to \$1030 in 2019 and this is one of the lowest cost rentals we could find when we were looking last year. We've enjoyed our time here, but if we are going to spend that much on housing there are many many other places that receive higher marks, with better economic opportunities, beautiful natural resources, and more bike and pedestrian friendly which is important to us. The attitude of Palm Coast towards Cyclists also plays into our decision. Palm Coast is wonderfully accessible by bike, but I have dealt with a fair amount of harassment by motorists and would like to see more public service directives towards adjusting the attitude of the community.	1/9/2019 5:33 PM
1416	We love Palm Coast!	1/9/2019 5:33 PM
1417	City needs to slow down and catch up to needs of citizens. All this spending is putting a hardship on residents.	1/9/2019 5:28 PM
1418	Change all the Blue Palm Coast Signs they are too old. Make them all uniformed like the new ones.	1/9/2019 5:28 PM
1419	No	1/9/2019 5:25 PM
1420	We like Palm Coast. Street lights and sidewalks are needed in residential areas.	1/9/2019 5:24 PM
1421	Love it here!	1/9/2019 5:23 PM

2018-2019 Citizen's Survey

1422	My husband and I retired here because our son lives here. Had I done my homework I would not have chosen this town. The leaders here say they want progress to help grow this place but do nothing to advance their cause. The vision in the 1990's are outdated and unrealistic for a town centered between Jacksonville and Daytona Beach. In the 4 years I've been here the same issues that have been going on for 10 plus years are still being argued. Spent enormous amounts of money on town center, community center and eventually the old hospital against the will of the people. You have potential here but our elected officials and not so great administrators are throwing it into the sewer. While the necessities such as the usual maintenance etc. Is not being handled. Priorities please would be a good place to start.	1/9/2019 5:22 PM
1423	Sure would be nice if there had been a downtown here before att started developing. But I know that is just a dream!	1/9/2019 5:17 PM
1424	The mayor promised cell coverage for us and we still do not have it. When we lose power we lose everything and have no way to communicate when an emergency arises. This is not acceptable.	1/9/2019 5:16 PM
1425	traffic lights are highly uncoordinated and irritating, need smart system	1/9/2019 5:15 PM
1426	More interest taken in Senior citizen needs and interests.	1/9/2019 5:13 PM
1427	Road repaving on the older roads needs to be addressed. Many of the roads in my section (C) are crumbling in areas.	1/9/2019 5:11 PM
1428	The city is well kept... I would like to see more development done especially in the business industry.	1/9/2019 5:09 PM
1429	No	1/9/2019 5:08 PM
1430	No	1/9/2019 5:01 PM
1431	Palm Coast is a beautiful city and admired greatly by my husband and I for it's cleanliness and tidiness. Unfortunately littering is becoming a problem in the city, and inconsistent garbage pick up causes animals and birds to get into the garbage when it's not picked up when it's supposed to be. I think there is a beautification committee, and somehow more emphasis for education on littering to the public or in the school system would be beneficial. Thank you for allowing our opinion.	1/9/2019 4:57 PM
1432	The residents of Seminole woods do not support the addition of apartments/condos going in next to the park!	1/9/2019 4:55 PM
1433	NO	1/9/2019 4:53 PM
1434	We need corporate business employment opportunities and affordable housing	1/9/2019 4:50 PM
1435	Town needs to get business friendly. Most contractors that have done work for me complain about the difficulty of doing business in Palm Coast	1/9/2019 4:50 PM
1436	We need stree lights in my community and also on white view parkway.	1/9/2019 4:46 PM
1437	Our sheriff's office is frequently having to respond to incidents that we never had to worry about until city leaders allowed for the fast growth, and the city leaders seem to be continuing to push for more low income housing and apartments, which we know will continue to bring more crime and drugs to our beautiful, little town. Please stop the growth and quit building more and more apartments!	1/9/2019 4:42 PM
1438	We love living in PC and would like to see more affluent families in the area	1/9/2019 4:39 PM
1439	I believe Palm Coast is a well run city. Very clean and kept up well. I believe Jim Landon did a great job running the city but he was allowed to be a dictator instead of working for the people. I feel that his situation was not handled professionally. In plain English he got to big for his britches and the council failed to ring him in. I hope we learned from our past mistakes, including how well the city was operated under him. Mistakes on both sides.	1/9/2019 4:35 PM
1440	Like living in Palm Coast. Resident for about 5 yrs. Good quality of life. Size of city is small enough to be comfortable and affordable, large enough to accommodate.	1/9/2019 4:30 PM
1441	I won't to complain about garbage pick up. These are the worst garbage pick up people that I have ever encountered in my life. They have refused to pick up garbage if the act of God blows the can in the ditch. Would not pick up my boxes when we moved here. I wish I could pay my bill according to the garbage service which is horrible. I have called in the past and got no results. So, I would like to file a formal complaint on this issue. I was so happy to see this survey today.	1/9/2019 4:30 PM
1442	Disappointed in the lack of transparency when it comes to reporting crime in the city. It happens, we know it, and it should not be "cherry picked" in the Newspapers we read. I respected Mr. Holland and his time served on the council...I believe he would be disappointed in the leadership not responding to, or ignoring, the will of the people. Also candidates KNOW the SALARY of the position they are running for. Why then do they demand a pay raise ? Do they know the average income of Palm Coast residents or just not care ? To bad this is Anonymous...I'd love a sit down chat with the Mayor.	1/9/2019 4:25 PM
1443	We live in unincorporated Flagler County- the Hammock, not in Palm Coast.	1/9/2019 4:23 PM
1444	More softball fields for youth softball	1/9/2019 4:20 PM
1445	Keep up the good work. I would just like to see town center get more attention, as well as maybe a few recreational businesses that may put Palm Coast on the map.	1/9/2019 4:19 PM
1446	Need to encourage more small businesses and job growth. This is not just a retiree town anymore. Do something with the town center- it's embarrassing that it's still so empty while other areas are becoming congested with strip mall business. Build restaurants and shops to accompany the movie theater at the very least	1/9/2019 4:17 PM
1447	Need to take care of the homeless people by Walmart. Everyday they are drinking alcohol and seem to be multiplying by the day.	1/9/2019 4:14 PM

2018-2019 Citizen's Survey

1448	City of Palm Coast need to learn from City of St. Augustine and STOP overcharging so much for water. Every time it rains, the water sits on my property for days.	1/9/2019 4:10 PM
1449	1. Safety was an issue and is getting better. Rentals in P section cleaned up and less "unsavory" neighbors. We were seeing/calling the Sherriff weekly before. Not a good environment to live in. 2. Sea Ray closed- huge impact on our family plus we have friends that left PC. There are no good paying manufacturing jobs here. 3. Volunteer program needed or more youth activities for teens. Keep them productive and busy.	1/9/2019 4:07 PM
1450	The traffic situation is out of control. I do not feel safe driving on the roads in Palm Coast due to everyone being able to do whatever they want. The roads all need to have at least four lanes. There needs to be traffic cops patrolling all neighborhoods and roads.	1/9/2019 4:06 PM
1451	The south side of town is sometimes a forgotten area. Would like to see more attention made to maintaining the landscaping and green areas.	1/9/2019 4:03 PM
1452	Please control the rent increases.	1/9/2019 4:01 PM
1453	Medians are looking lovely, thx. The traffic pattern and intersections at the Island Walk Center is a serious problem.	1/9/2019 3:57 PM
1454	The City needs to do resident swale work and pay attention to vacant lots overgrown into residential properties. I have had a full swale since Hurricane Irma.	1/9/2019 3:57 PM
1455	You need an up to date aquatic center that is open year around. Frieda Zamba is inadequate.	1/9/2019 3:57 PM
1456	Get rid of toll bridge to get to a1a... I have to pay to go to the beach?? Development on hwy 1 and north on Matanzas is a solid idea. St Augustine is getting bigger and growing south	1/9/2019 3:56 PM
1457	I really liked living here in Palm Coast when I arrived. 15 years ago. But I am getting to old to keep digging out the swale area under my driveway. Plus People do not slow down on Boulder Rock (my Road) and that includes School Bus , Trucks, UPS and of course most cars. The signs they have put up flashing the speed limit people are doing is a joke.I walk my dog daily and have to jump into the swales that the people that don't pick up after their dogs have messed.	1/9/2019 3:54 PM
1458	I would like someone to redesign and fix the very poor design for the Southern entrance to the airport and down to Laguna Forest Trial. This is very dangerous because many drivers think the yellow lined area is a left hand turn lane. This needs to be redesigned and fixed.	1/9/2019 3:54 PM
1459	Bring back the traffic cameras	1/9/2019 3:53 PM
1460	Please do NOT over develop. Keep the quality of life here in Palm Coast.	1/9/2019 3:53 PM
1461	WE NEED BUSES	1/9/2019 3:49 PM
1462	Please don't ever kill the feral cats in Palm Coast, keep up with catch, better and release. Make sure those "little" kids and teens who are using weapons and threatening and bullying other kids and teachers are either truly reprimanded and or expelled and they should be arrested so they are not repeatedly committing the same crimes over again. It has been a horrific time since Dec./today (Jan. 9) reading about our local school bullies and their criminal behavior. Keep this a high priority, these thugs are out Palm Coast future citizens and voters.	1/9/2019 3:47 PM
1463	This Christmas season just proved beyond a shadow of a doubt that Palm Coast is too small and the roads to congested for the number of people we have living here. We have very limited restaurants and shopping facilities, no family or teen related activities. I grew up here and see the exact same limitations for my kids. The demographic has changed, yet we still spend millions on looking pretty and catering to the elder geographic. Would like to see more money spent on growth and making this a place our young people want to stay and live.	1/9/2019 3:47 PM
1464	Yes. Save our parks from unscrupulous business people. And please let's get some streelights! It's pitch black around here at night if you are off a main rd.	1/9/2019 3:44 PM
1465	I don't take advantage of trails and parks here because my friends have seen tent cities built right off trails, and at the parks - one of which is down the street from me - attracts people at all hours. I question what type of things people are doing at 2 am in a park...probably nothing good. Why should we pay taxes for these parks and trails when questionable people are taking them over? Why do we embrace low-income, non-productive members of society by providing more "affordable" housing and businesses that attract them? Shouldn't we be creating a place where people want to aspire to get a better education so they can better themselves - and their families? Let's not focus on bringing in more minimum wage jobs to Palm Coast; instead, let's invite tech companies and quality businesses that want to pay productive members of our city good wages. Palm Coast's current path is very concerning to me.	1/9/2019 3:44 PM
1466	Address quality of life issues. The visible homeless population panhandling, drinking and loitering in the parking lot of the library scares residents and is off putting to visitors. It is park of the reason I am moving out of the city.	1/9/2019 3:42 PM
1467	no	1/9/2019 3:42 PM
1468	Please find creative ways to keep up recycling of all materials possible and instate citywide composting!	1/9/2019 3:37 PM
1469	Overall a good job just not strategic enough on big picture items i.e. infrastructure items and city plan for future (seems we know what kind of city we want but aren't executing on a linear plan that would ensure such). I'm in healthcare and tech, businesses I own are in CO and CA. Lived in Wilmington, NC which is what I'd say in Phase II in such a city environment where we are in pre-Phase I (idea is concreted but cohesive plan is not yet formed). We are new to Palm Coast but we will be here for the long haul so want to help invest our time and expertise in this community.	1/9/2019 3:36 PM
1470	Water is too expensive, and is usually not good quality. You should also set up public recycling locations throughout the city.	1/9/2019 3:33 PM

1472	I have recently heard a Publix and a hospital are being built on matanza pkwy. Right near high school and residents. Why couldn't this be built at the northern. End of matanza and US 1	1/9/2019 3:30 PM
1473	About the only complaint I have is the 100%+ increase in my property tax.	1/9/2019 3:30 PM
1474	i wish there were grocery stores on Matanzas parkway	1/9/2019 3:28 PM
1475	I am happy with my decision to have chosen Palm Coast as a retirement location. It is a lovely place to live. I am comfortable living on a fixed income, and the homestead real estate exemption is a blessing. I do believe the city should consider adding street lights as it is difficult to drive the dark roads at night. Directionally, the parkway signs should be better labeled such as N, E, S and W.	1/9/2019 3:28 PM
1476	Cut code enforcements budget and get street lights	1/9/2019 3:26 PM
1477	Had it been disclosed to us prior to closing all the rules and regulations (worse than a HOA), we would never have purchased our house here! And the pay, utilities and business attraction here are terrible and ridiculous!!	1/9/2019 3:26 PM
1478	Do not like the idea of low income housing	1/9/2019 3:19 PM

1498	Get a Costco.	1/9/2019 2:50 PM
1499	Town center and the City office building was only done because a few old politicians wanted to be known for prosperity. Should have put the money into Public Works first.	1/9/2019 2:49 PM
1500	recycle at time its just put into the regular garbage truck in some areas...and when it started why didn't we get some of the things we were told for our recycle job and does the driver scan the box, been to there site and no place can I see how much that I recycle over time..	1/9/2019 2:44 PM

1512	Population growing too fast,	1/9/2019 2:23 PM
1513	Rezoning of residential neighborhoods is not smart. Plated out commercial and high density corridors are already done. People buy based on what exists, not what someone chooses to profit from.	1/9/2019 2:22 PM
1514	I would like to see more higher paying jobs in Palm Coast. I work from an office based in NY due to not being able to make a good wage in Palm Coast	1/9/2019 2:20 PM
1515	Would like to have sidewalks in subdivisions. Homeless removed from main thoroughfare areas.	1/9/2019 2:19 PM
1516	Can we please have the roads in the W section fixed the drainage is horrible when it rains water stays on Westlawn for days and also made multiple request someone was supposed to come fix the problem back in August 2018 still waiting.	1/9/2019 2:18 PM
1517	None	1/9/2019 2:18 PM
1518	Thanks for this opportunity to give verbal input!	1/9/2019 2:18 PM
1519	Yes, I love Palm Coast and would like to stay but the job market needs to improve, the City Management needs to change and term limit for any political position should not exceed 4 years. Too many people taking advantage of their position, give others a chance. Time for a change PC!! Start with the city officials and management positions. The code enforcement manager is useless! She needs to go! You also need to change some policies, form a committee with fresh suggestions and lastly bring in big businesses to create more jobs!!	1/9/2019 2:12 PM
1520	Transparency in govt is essential.	1/9/2019 2:12 PM
1521	We cannot compete with third world countries with the communication infrastructure in our area- wireless, cell signal, internet carriers.	1/9/2019 2:11 PM
1522	City leadership seems out of touch with community needs. Millions are wasted on "improvements" that don't help the community in any tangible way. Local economy is suffering and therefore so are the residents.	1/9/2019 2:10 PM
1523	NO	1/9/2019 2:07 PM
1524	We need a shuttle bus system over than the one that we currently have. even if the bus runs evert half hour to the hour to run on palm coast pkwy and state rd 100	1/9/2019 2:06 PM
1525	I think legislation requiring trash to be placed in receptacles is needed. Many residents put trash in trash bags which are ripped open by birds and garbage is strewn throughout the neighborhoods. Not only does this contribute to litter throughout the city, but also creates sanitary issues.	1/9/2019 2:05 PM
1526	The employees who collect the trash and recycling on our street are very rough with our bins. They often throw them in the middle of the road/driveway and last week they broke one of the wheels. I know they are in a hurry but they need to be more considerate.	1/9/2019 2:03 PM
1527	Pedestrian crossing need to be improved. I rode my bike on the sidewalk because the cars infringe on the bike lane. I rode approx 60 miles a week and routinely use the crosswalks and the cars just wip around corners and nearly run me over. How can this be improved?	1/9/2019 2:03 PM
1528	More family attractions, and more sit down restaurants and less gas stations	1/9/2019 2:01 PM
1529	The city needs to be more transparent with our tax money. Add solar power street lighting it won't cost much . Keep property taxes low	1/9/2019 2:01 PM
1530	Get drugs off street, put speed bumps in residential areas esp those with no sidewalks, more beautiful street lights so areas not so dark.	1/9/2019 1:56 PM
1531	please do something about the drainage problem. It doe's nothing to help property values. Had I known about this problem,. I would never have bought here.	1/9/2019 1:56 PM
1532	The water bills are killing people	1/9/2019 1:54 PM

1535	Please finish north old king to a divided roadway!	1/9/2019 1:49 PM
1536	Street lights would be a great addition. It is very dark at night in the residential sections.	1/9/2019 1:48 PM
1537	I think we can expand businesses diverse housing options and pretty environmental spaces they will mean nothing if the crime rate is high. Crime and safety MUST be addressed first.	1/9/2019 1:48 PM
1538	Increase of cell phone service, cell towers would be great	1/9/2019 1:47 PM
1539	target cars with very loud radios that some times rattle my windows	1/9/2019 1:47 PM
1540	Trash collection once a week would be adequate for residential pick up.	1/9/2019 1:45 PM
1541	It's time PC listened to the residents, the cost to residents is getting out of control and with nothing to show for it that truly benefits their day to day lives. I know way to many people that have had to move, young and old, because they can't afford the inflated rents and most importantly stop doing things the majority votes no to. I also know people who were considering moving here and are not pleased with the corruption of the council and have moved to other areas.	1/9/2019 1:43 PM
1542	Our sidewalks are starting to get worn and broken in spots, maybe a better process to I.D. and repair.	1/9/2019 1:41 PM
1543	Clean manufacturing business are needed to keep families in Palm Coast.	1/9/2019 1:40 PM
1544	The water in the Swale in parts of the R section is not draining out. I am concerned about the mosquitoes in the coming weeks if no evaporation.	1/9/2019 1:37 PM

2018-2019 Citizen's Survey

1545	Street lighting needs to be improved along Belle Terre and SR 100. It's extremely dark at night. As well as possibly some walkway lighting. Palm Coast has a very active community and people would feel safer if there was better lighting.	1/9/2019 1:33 PM
1546	We need more affordable rentals in Palm Coast and less hassling of small business owners who park non-commercial vehicles with decals in their driveways. The rent is ridiculously high. This is mostly a blue collar town. All of our personal vehicles are also our business vehicles. They aren't box trucks but they have lettering on them and they don't all fit in our garage. We've lived here since 1988. This is not a retirement town any more where we should be catering to only seniors who can't stomach the idea of a vehicle with lettering in the driveway next to them. Are these people really happier to see a big tarp draped over a Ford F-150 than to see a business name & phone number decal? We've got to change some of these outdated code enforcement violations. Overall, we love it here. We love that PC is bicycle friendly & that there is way more shopping options than when we moved here. It's still a safe place to live too but more street lights are in order. We pay for a light on the pole by the house we rent. It's worth it.	1/9/2019 1:31 PM
1547	this is a beautiful and well maintained tree city.	1/9/2019 1:27 PM
1548	If industrial type expansion is to happen I would like to see it be SR 100 and south. I love our neighborhood and would not like to see further traffic. With that said, expansion at the Matanza exit would be nice if done in a classy way ie: WholeFoods Market, Total Wine and More, BB&B, craft beer house. Nicely landscaped.	1/9/2019 1:22 PM
1549	we need more jobs and opportunities.	1/9/2019 1:22 PM
1550	We need to entice more big business growth in our community. And we desperately need a Whole Foods and a Costco. NO SAMS OR WALMART	1/9/2019 1:21 PM
1551	no	1/9/2019 1:19 PM
1552	Find ways to reduce the water, sewage, garbage bill. Stop catering to business owners looking for gov't handouts. Repeal restrictions in the building codes that prevent businesses and property owners from utilizing their properties. Having a flagpole in your yard should not be a fineable offense.	1/9/2019 1:19 PM
1553	Repaving of Barrister Lane, as the manhole covers are much higher than the road surface. This causes vehicles to swerve to miss the manhole covers.	1/9/2019 1:19 PM
1554	Spend some money on people. 1. There should be a year round homeless shelter. 2. There should be a dedicated, full time senior center 3. There should be more youth programs.	1/9/2019 1:18 PM
1555	Have to go to Daytona Beach, St Augustine, Jax, and Orlando for major shopping....need more commercial development here	1/9/2019 1:16 PM
1556	Not at this time	1/9/2019 1:16 PM
1557	Very happy with police (Sheriff's Dept) presence, response and resolution of issues.	1/9/2019 1:15 PM
1558	You can't see the printing on the newly painted water tower. It's to fancy and hard to read or letters not large enough.	1/9/2019 1:15 PM
1559	need to limit development! city grown too much in past 4 years will destroy appeal of Palm Coast if more development	1/9/2019 1:15 PM
1560	This town needs to grow and give affordable living options. The rents are to high in these apartments. If and when affordable housing is provided seniors should be first choice. Not members of the nonworking force, welfare, etc. their are far to many of these types of people living in very nice communities like beach village and destroying them and also preventing seniors to afford to live there. There are always jobs to be found rather than the government providing constant support for these lazy people that just keep having more and more kids. I am 69 years old and work up to 70 hrs a week caregiving from 9:00 at night to 9:00 in the morning. Yes 12 hrs shifts!	1/9/2019 1:13 PM
1561	Would like to see water prices go down !!	1/9/2019 1:12 PM
1562	Our homeowner's tax is to high !	1/9/2019 1:10 PM
1563	I love the city and it's appearance. The concern is that it seems to be much more development of the new houses happening right now. We are good with the traffic for now but more people moving in, it will raise the demand on all kind of commercial development	1/9/2019 1:10 PM
1564	If you are considering 5G service I would move for that reason alone. There are so many warnings about the dangers of these untested waves.	1/9/2019 1:09 PM
1565	the city is not small business friendly. Signage restrictions on company vehicles is ridiculous. Most small businesses work out of their homes and are constantly harassed by code enforcement for signage on their vehicles.	1/9/2019 1:08 PM
1566	Water quality is an issue. Also, please do something about the homeless population. There are programs that can assist.	1/9/2019 1:08 PM
1567	Would love to see some public transport	1/9/2019 1:08 PM
1568	traffic on florida park drive is terrible a truck lost two bags of insulation in front of our house and now it is all over our yard.	1/9/2019 1:06 PM
1569	No	1/9/2019 1:06 PM
1570	I wish there was more police/sheriff presence on the roads. People drive like there is no speed limit and very recklessly.	1/9/2019 1:04 PM
1571	I would like to see sidewalks where we can access the streets for walking.	1/9/2019 1:03 PM
1572	Land owners pay taxes here south of 100 (Seminole Woods) yet we don't have safe sidewalks. Why?	1/9/2019 1:03 PM

2018-2019 Citizen's Survey

1573	Please bring in more QUALITY job opportunities for Palm Coast residents, & focus more on the growing families that are now living here instead of retired existing residents who are financially stable.	1/9/2019 1:03 PM
1574	Palm Coast should be MORE affordable. WastePro does a horrible job of segregating trash/recycling and yard waste -- it's amazing how often they combine things!	1/9/2019 1:02 PM
1575	Better recycle program. Real estate open house signs to be allowed. It only helps to better our economy and home sales.	1/9/2019 1:01 PM
1576	Brush pickup is iffy. Employees of the company are rude, and sometimes don't show up.	1/9/2019 12:58 PM
1577	Someone needs to train traffic engineers	1/9/2019 12:57 PM
1578	Building Department is aggressively antagonistic and non supportive towards citizens and contractors. They are rude,arrogant and just plain mean. Counter clerks get joy out of frustrating customers. Inspectors go out of their way to make every inspection fail in some way. I have built projects all over the state of Florida and Palm Coast Building Department and Metro-Dade Building Department are the worst to do business with. They are an embarrassment to the city. If anyone cares, just ask any contractor or citizen who has had any interaction with the building department and you will hear the same complaint.	1/9/2019 12:56 PM
1579	Palm Coast government needs to greatly improve the Code Enforcement compliance. We don't need unreasonable requirements but we do need enforcement for the sake of our beautiful city. Please help our citizens keep PC beautiful.	1/9/2019 12:54 PM
1580	I would like to see our water & sewer Bill's to be more reasonable especially the minimum charge when 0 usage. The city is great trying to keep our streets clean and mowed. Kudos to those hard workers!	1/9/2019 12:54 PM
1581	When plants are planted in medians shouldn't they be low maintenance and attractive plants?	1/9/2019 12:52 PM
1582	There needs to be a wider selection of media suppliers. Spectrum is sporadic at best, Direct tv is bad, and these are the primary choices. We shouldn't be held hostage to these monopolies.	1/9/2019 12:52 PM
1583	0	1/9/2019 12:50 PM
1584	I think we need more manufacturing jobs. There is plenty of retail and restaurants but very few manufacturing jobs.	1/9/2019 12:47 PM
1585	Nope	1/9/2019 12:47 PM
1586	We should have more than one trash service competing for business. When you are the only show in town you get to make up the rules. No accountability.	1/9/2019 12:46 PM
1587	There is a home in our neighborhood 4 Coral Reef Ct N, palm Coast FL 32137. That has wasp nest hanging on it, grass growing out of roof, unscreened back porch, tree in front yard that the leaves fall all over surrounding yards. Needs power washed and painted. Sketchy activity. Bringing real estate prices down. 3 houses are for sale on street. Who wants to feel unsafe in their home? Who wants to live next to live in a neighborhood with an ongoing eyesore. Code enforcement has been called multiple times. Please help our neighborhood feel safe and look nice as well.	1/9/2019 12:46 PM
1588	Matanzas Parkway is traveled more and more everyday by construction and vehicles coming from I-95. I believe there may be a need for another traffic light at Laramie or Luther. Also a traffic light at US-1 and matanzas Parkway has been needed for years because of previous accidents in that intersection.	1/9/2019 12:46 PM
1589	I regret that the city is expanding too fast	1/9/2019 12:44 PM
1590	no	1/9/2019 12:44 PM
1591	Thank you for taking initiative to better our community	1/9/2019 12:43 PM
1592	We have a serious problem of people speeding on Laguna Forest Trail. Been going on for a long time. Someone going for a walk, walking their dog, or child riding their bike is going to get seriously hurt if not killed. This is very serious to all of the neighbors and would be great if someone could address this as it has been brought up and nothing is still happening.	1/9/2019 12:42 PM
1593	We moved here back in August and realize it's the best decision we made on moving to Florida.	1/9/2019 12:42 PM
1594	Palm coast needs a identity. Something they are known for. Something that will make people want to come here to live and spend their money. They need a draw.	1/9/2019 12:42 PM
1595	Storm water/drainage very bad. Work done in my neighborhood made matters worse instead of better. Street lighting essential. The city is dark and very unappealing at night... wife and daughter do not feel safe.	1/9/2019 12:41 PM
1596	If I'm not mistaken, the majority of homes in Palm Coast were built between 1990 and 2005. These homes are now showing their age, and some homeowners can't seem to maintain them properly from an appearance standpoint. This could be due to the financial challenges inherent to an aging, fixed-income population, or in some instances, a basic lack of pride of ownership. Although this is not necessarily a "City of Palm Coast" issue, it nonetheless contributes to the general decline in the look and feel of the city in some areas. I'm not sure what the solution is to this problem, but it's something the City needs to think about for the near future.	1/9/2019 12:39 PM
1597	Pls clean the intesection of Seminole Woods Blvd and Route 1 both sides. *Also, there should be subsidies for seniors to live here - not only subsidies for poor people.	1/9/2019 12:38 PM
1598	The dire need for industry to be here. You will lose me and thousands of others if we do not improve bringing in businesses and firing those who do not come through with what they are paid to do.	1/9/2019 12:37 PM

2018-2019 Citizen's Survey

1600	Cimmaron Dr. MUST get a sidewalk so Section "C" residents can have access to Palm Harbor Parkway for walking or bicycles!	1/9/2019 12:35 PM
1601	I feel there should be more, many more Street lights being installed and used. Many areas are very dark at night and safety indicates the need for street lights. White Dove Lane area is dark??	1/9/2019 12:35 PM
1602	Many families chose to buy home in Seminole woods base on zoning (single family home) . Please do not rezone to multi family home	1/9/2019 12:33 PM
1603	it seems by reading a lot of social media, there is quite a bit of auto break ins going on. Im sure the sheriff is doing all they can but in my opinion keeping the crime in check and vagrants from loitering is the number one issue facing palm coast. Our issue is small in comparison to other nearby cities however we do not wish to be anything like them so keeping it at bay is top priority or we WILL lose residents. Including me.	1/9/2019 12:31 PM
1604	I love Palm Coast :-)	1/9/2019 12:31 PM
1605	I rarely see police presence other than when an issue arises. It would be nice to see more patrolling on our main roadways not with the intention of simply pulling people over for violations.	1/9/2019 12:31 PM
1606	Isle of Palm Coast I'm 64 and it's the best place I've ever lived the past 18 years	1/9/2019 12:30 PM
1607	Palm Coast needs more cell phone towers. It's almost impossible to talk on the phone & send text messages without walking around the yard!	1/9/2019 12:30 PM
1608	Residential speed limits should be reduced to 25mph.	1/9/2019 12:30 PM
1609	Put a light at Matanzas and us 1 . A roundabout won't work there . Traffic lights are much cheaper. Listen to the people who live here. And put a nice sign up for Matanzas. We have been forgotten here. Spend our money more wisely.	1/9/2019 12:28 PM
1610	The way you raised water/sewer rates & property taxes for this year's budget & future budgets was absolutely unnecessary. My family can afford it but families that have limited income it has to be tough on them. It's the council responsibility to make intelligent decisions on when and how much taxes & service fees should be charged and they were extremely reckless with their decisions with this year's budget. If you want to make this community feel safe and to be safe, streetlights should be added to residential streets throughout the street not just at the corner of that street. If the cities of Daytona Beach & Holly Hill can somehow figure this out and afford it, why can't this city??? Residents will feel safer if their street was lit up instead of being dark. I would think this would be common sense for individuals "in charge" of this city.	1/9/2019 12:28 PM
1611	Palm coast is a devil's den	1/9/2019 12:25 PM
1612	More timely care of the storm drainage ditch by my house.	1/9/2019 12:25 PM
1613	DO NOT rezone Seminole Woods to Multi-Family! I don't want to move out of Palm Coast, but I will!	1/9/2019 12:24 PM
1614	Please no more duplexes	1/9/2019 12:22 PM
1615	We require more jobs, and should attempt to attract more information technology based employers.	1/9/2019 12:22 PM
1616	The beggars and garbage on the streets are shame for Palm Coast.	1/9/2019 12:20 PM
1617	Have been here a year from NJ love Palm Coast would love to see a little more for my grandchildren who live with us.	1/9/2019 12:20 PM
1618	No tower building growth. Keep the small town feel and protect our natural environment.	1/9/2019 12:19 PM
1619	Littering is a major problem hurting the looks of our city. Also should be noise ordinance on car radios. Dangerous. Hard to hear emergency signals	1/9/2019 12:18 PM
1620	I love living in palm coast, but just feel that the businesses that continue to be build or a repeat of what's already here. We have a movie theatre in the middle of nowhere with no restaurants or any other entertainment around it, so we drive to Daytona to for the movies. We go to Daytona do jumping zones. Instead your building housing around the theatre. Not good planning in my opinion.	1/9/2019 12:18 PM
1621	So far we love it here and expect to enjoy our retirement years.	1/9/2019 12:17 PM
1622	If we are to reach the anticipated 210K population by 2030, we should have more planning now. I can remember only one general meeting last year addressing the issue	1/9/2019 12:17 PM
1623	1. This isn't a retirement community anymore, but do have to respect that there is needs from both sides. 2. We have enough housing. Make landlords take care of their homes, and tenants better, and tenants won't be looking for newer rental properties all the time. 3. Storm water, and being prepared for wet weather is a must. Continually saying unprecedented amount of rain is no excuse. It's Florida, expect it to rain a lot, and expect the worse, so that you're prepared. 4. Even though it has been said that street lighting will be addressed, it feels like its going really slow. Based on what I read, Palm Coast hired a company to see where its needed the most. Then the company did research on statistics(traffic accidents, etc). This information the Sheriff's Office could of provided for free, and city council using their brains would of saved the city some money. Now I know that studies must be done sometimes, but this was a no-brainer type of situation. The public has been talking about this for over a decade now, and there has even been loss of life of this(not just lighting but no sidewalks). This issue should of been a priority #1 back when the city started .	1/9/2019 12:17 PM
1624	People need to investigate complaints. We got a notice about out animals and it was not even our animals. Trash people miss the truck at times and leave all over road or in yard by road to blow around. Stray animals getting into things (trash cans)	1/9/2019 12:15 PM
1625	Have a good year	1/9/2019 12:15 PM

2018-2019 Citizen's Survey

1626	Palm Coast is beautiful. The beauty is the quietness of it but the infrastructure needs improvement. Roads, sidewalks, lights, CELL PHONE service. During and after the hurricane, it was scary not have to have any phone service (home or cell). Last, businesses, restaurants, cultural activities are a must. Thank you for asking.	1/9/2019 12:14 PM
1627	Need to attract better paying jobs that are not retail or restaurant related.	1/9/2019 12:14 PM
1628	Colbert Lane needs benches on the sidewalk side. If you walk from Daytona College to Leigh Trails, there are no benches to take a break, and no trees for shade. I know someone that walked that and became seriously ill but there are not benches to take a break, will later caused serious health problems. Benches are needed on Colbert Lane sidewalk.	1/9/2019 12:13 PM
1629	Time the dam traffic lights. Trip at night, timed during the day. Adjust for holidays.	1/9/2019 12:12 PM
1630	This city should be more open to small business owners and improvement to the adult night life.	1/9/2019 12:11 PM
1631	More street lighting belle terre by the schools long over do	1/9/2019 12:11 PM
1632	I also think that reckless driving is a big problem in Palm coast neighborhoods. I think investment in speed bumps on streets (cimmaron, Florida park, frontier, Cochise, Comanche) is essential. Since there are limited sidewalks in these locations people walk on the road and people are racing down these roads and some times even passing other cars despite the double solid lines. It's reckless and dangerous and the police don't seem to do enough to stop or deter these drivers.	1/9/2019 12:11 PM
1633	We love our woods here, would like to see some clean up of woods through the sections. Dead branches or garbage removed, keep nature beautiful	1/9/2019 12:11 PM
1634	Love seeing our tax dollars at work to beautify Palm Coast.	1/9/2019 12:09 PM
1635	We spend too much money on Landscaping for the manicured vegetation we deemed needed on Palm Coast Pkwy, and route 100. We need more money spent on fixing the Lift Stations and maintaining our existing streets and roads and less money on the investments we made on City Hall, the Construction of an \$8 million Community Center which were never approved by voters.	1/9/2019 12:08 PM
1636	Nice city. Not enough cultural options	1/9/2019 12:08 PM
1637	For the \$\$ spent on "upper" position salaries, we, the taxpayers, are getting the short end. Time to re-evaluate the job performance. Pay according to the job being done, or continue to pay and replace with talent. Presently, the performance in most positions is overpaid base on results.	1/9/2019 12:07 PM
1638	NEIGHBORHOODS NEED BETTER POLICE PRESENCE, TRAFFIC IS TOO FAST IN NEIGHBORHOODS	1/9/2019 12:07 PM
1639	Overall, I think the city leadership does a pretty good job. Things are kept up reasonably well, taxes aren't too bad, and communications are acceptable. But, one thing... for the love of God, why are gasoline prices so much higher here than in surrounding counties?	1/9/2019 12:06 PM
1640	Innovation district and fiber are a waste of city resources. This appears to be agenda driven by a few council members and does not fit the culture or character of the city as a whole. Before trying an innovation district, try developing the basics. An innovation district is more for an academic or collegiate city, such as Gainesville, of which Palm Coast is not. Also, leave fiber to the private industry, the City should not be in the business of fiber. Focus on basic governmental services, such as public works, health and safety, and infrastructure.	1/9/2019 12:06 PM
1641	The canal system is a disgrace, with all the garbage floating in it. I think that should be the #1 issue, clean them up before we spend \$\$\$ putting in new bulkheads.	1/9/2019 12:06 PM
1642	I have lived her since 2001. It has grown and I've really been very happy here.	1/9/2019 12:05 PM
1643	several items but prefer to elaborate by other means if possible.	1/9/2019 12:05 PM
1644	I like wawa stations for cheaper gas and good food. I like restaurants like Chilies PF chang, Bjs and chinese food in better than a take out joint. Also a trader joes or whole food store, maybe an italian deli like d' leos in St Augustine.	1/9/2019 12:05 PM
1645	I would love to see Club House Dr. (CHD) become a "not for thru traffic" street and if that is not possible I'd love to see speed bumps or other deterrents installed and its speed limit drastically reduced. Traffic should be encouraged to go a block further and take Palm Coast Pkwy. It is obvious from its design and layout that CHD was not originally intended as a major corridor of traffic; individuals (mostly nonresidents) use it as an alternate for Palm Coast Pkwy and they often fly in excess of speeds of 50 mph on it; it is horribly lit at nights discouraging us from taking late afternoon walks with family and pets and our pets are being literally butchered on it! We have lived here on CHD since Aug 2018 but had we better thought out this situation we probably wouldn't live on it today. And oh, by the way, we've discussed this with numerous other CHD residents and our opinion isn't out of line at all. Thank you	1/9/2019 12:04 PM
1646	We love living in Palm Coast!	1/9/2019 12:03 PM
1647	Flagler Airport way to busy! Airport should shutdown to training flights when Traffic controlers are not available. Traffic at airport is a nuisance and not friendly to neighborhoods	1/9/2019 12:02 PM
1648	Been in Palm Coast for 20 years. The lack of industrial growth, inability to bring in/complete Town center and the increase in crime makes me want to move to Volusia county. Step up and make the community better for all and not just yourselves!	1/9/2019 12:02 PM
1649	Palm Coast has so much going for it - scenery, location, canals, the visual beauty. Two things that top my list for improvement. First is attracting large employers who can provide higher paying careers that are competitive with Jax and maybe Daytona. Second, continue the efforts in fighting crime. Crime, petty crime -- car break-ins, thefts, etc -- is worrisome. The Sheriff's Dept is doing a phenomenal job and kudos to them. Let's keep working to lower the crime rate and keep Palm Coasters safe and having greater peace of mind.	1/9/2019 12:00 PM
1650	The garbage service is not great.	1/9/2019 12:00 PM

2018-2019 Citizen's Survey

1651	Desperately need better cell service.	1/9/2019 12:00 PM
1652	The City is in desperate, desparate need of additional fastpitch softball (and baseball) facilities. ITSC is fantastic...but has been outgrown for a while. Please strongly consider supporting this sport with additional fields for our youth and player development. Thank you!!	1/9/2019 11:59 AM
1653	Why is there a toll bridge? Stop the tolls!	1/9/2019 11:59 AM
1654	Overall great job by city planners and administrators. City events could be more thought-out, like only two food truck vendors with dinner items during the 4th of July event was way too little. We're a big community, not a small town...and the event was mostly political tables. Not a fun community event. We left early, very frustrated and disappointed.	1/9/2019 11:59 AM
1655	Palm Coast is a city. Not an HOA. Stop treating it like an HOA. We want to bring our boats and trailers home. We should'nt be forced to keep them in storage all the time with payments ranging \$80+ each and every month for storage. Let people park in the yard if they don't have a big enough driveway to fit the cars that belong there. Or offer to buy the homeowners bigger driveways to appease your city rules.	1/9/2019 11:59 AM
1656	Overall, I think this is a great place to reside and most services are adequate. I have lived a lot of places to include outside the USA. I have a a pretty good idea of what makes good family living.	1/9/2019 11:59 AM
1657	Be nice if someone would do a traffic study around the Palm Coast Pky I 95 overpass including the side roads around this area Like old kings and Cypress edge dr. Also would be a good idea to clean out the drainage ditches besides the roads I live on Emily Pl St Johns ave	1/9/2019 11:59 AM
1658	Deputies should relax a little on speed control which appears to be a profit center, and focus more on reckless lane weavers, and aggressive drivers. An audit of water sewer utility needs to be conducted asap. They are now gaining national attention as ridiculously priced and will affect property values adversely.	1/9/2019 11:58 AM
1659	I'm New in the are 1 1/2 years and so far love it thins is my retirement place	1/9/2019 11:58 AM
1660	Traffic flow PC Pkwy area needs to be evaluated, signal timing esp. , left turn lane s/b old kings rd to e/b PC Pkwy needs traffic evaluation. Consider the legality of an ordinace prohibiting beggars at intersections, Anything that can be done to stop the paving over of the land along Colbert	1/9/2019 11:58 AM
1661	Add more cell towers and fix the signal issue on Belle terre and us1	1/9/2019 11:58 AM
1662	like to see a few more upscale restaurants and some type of true town center built	1/9/2019 11:57 AM
1663	Please take comments made by the "Citizens Against Virtually Everything" with a grain of salt. I've lived here since I was 9 years old, and I love this place, because I get out and make the most of it. Please continue with initiatives to get our residents out exploring the beauty of our community. I think it will make them less cranky.	1/9/2019 11:57 AM
1664	Poor storm drainage will be the reason I leave Palm Coast soon. I will also that I enjoy living here and it is unfortunate that I will have to leave	1/9/2019 11:57 AM
1665	clean up the trash along roadways. Its horrendous. Brings the value of the community down. When the grass is cut along roadways, they cut up the trash and make it seem like even more. Its deplorable.	1/9/2019 11:56 AM
1666	I would like to see City wide Wi-Fi	1/9/2019 11:56 AM
1667	Please work on getting more businesses to come here so that people will be able to work and live in Palm Coast. We also need a lot more street lights in all subdivisions. It's very dangerous not being able to see at night. We also need more facilities to keep children active to stay out of trouble. More money should be spent on real issues in this town than the beautification. Keeping its natural beauty is what makes it attractive here. I'm tired of seeing money wasted on Palm Coast signs that cost millions. Our tax money should be allocated better than it has been.	1/9/2019 11:55 AM
1668	The city really needs to get the Highway Lane Markings repainted, some area you can hardly see the lines in good weather and in rainy weather NOT at all... Need to do more than just Crosswalks at School Zones.	1/9/2019 11:55 AM
1669	My children would love to move here but the job opportunities are very few. My daughter is 38 and has her Masters and her husband is highly skilled worker. Any available jobs are requiring FL drivers licenses, which you can't get unless you live here. Quite a catch 22.	1/9/2019 11:55 AM
1670	I like Palm Coast, it is great if you are raising a family or retiring but if you want to further your job career, it does not cater to young single couples without kids.	1/9/2019 11:54 AM
1671	Cell service is the worst thing about living here.	1/9/2019 11:54 AM
1672	I would like to say the Sheriffs department does a great job!	1/9/2019 11:54 AM
1673	adding the lanes on PC pkwy was a good idea, but everyone still drives 15 under the speed limit in EVERY lane!!! It seems like those lights between PC pkwy and pine lakes pkwy on Belle Terre are timed so you get stopped every half block instead of being able to go all the way through. it gets backed up.	1/9/2019 11:54 AM
1674	Increase cell phone coverage	1/9/2019 11:52 AM
1675	Although we have owned our home since 2014, we just became permanent residents in May 2018 so we are still settling in and getting to know the area.	1/9/2019 11:52 AM
1676	Some street lighting and cameras should be considered for areas with recurring theft and arrests.	1/9/2019 11:52 AM
1677	Ordinances need to be fairly managed, fining one house yet other violate daily things like parking in easement, trash on side of house, boats in driveway and don't get fined is unfair	1/9/2019 11:52 AM
1678	Very frustrating voting against new town hall and community center and then officials do it anyhow. Also water costs are ridiculous!	1/9/2019 11:51 AM

2018-2019 Citizen's Survey

1679	More restaurants, and more or any Wawa's.	1/9/2019 11:51 AM
1680	Keep up the great work !	1/9/2019 11:51 AM
1681	Schools need improvement.	1/9/2019 11:50 AM
1682	So glad we chose Palm Coast to retire in.	1/9/2019 11:49 AM
1683	City buildings need to have extended hrs one day a week and at least one Saturday a month for customer service.	1/9/2019 11:49 AM
1684	Although I do enjoy living here. There is nothing for children to do here. You have to drive to Daytona or St. Augustine.	1/9/2019 11:48 AM
1685	Property tax too high, roads on 95 south before Flagler Beach exit need repaving	1/9/2019 11:47 AM
1686	Fire Coffey	1/9/2019 11:46 AM
1687	CAR BREAKINS ARE OUT OF CONTROL	1/9/2019 11:45 AM
1688	The lack of road lighting is dangerous.	1/9/2019 11:39 AM
1689	taxes should not be increasing faster than inflation given the overall growth of the city, if you can't beat inflation with a growing tax base you'll get killed in a downturn, simple macro economics	1/9/2019 11:28 AM
1690	PLEASE GET COMMUNITY SENIORS CENTER!!!Only town I know of that doesn't have a senior center. We would have less crime with street lights. I have paid for a street light at 10 plus monthly since 2003 not right. Less auto break in if the streets were light with street lights.	1/9/2019 11:23 AM
1691	More regulation for builders for total clearing of lots. They do not build to keep state and native trees. They build to make it easier for them. More education on Florida Friendly Landscape and irrigation practices. More certification education on landscapers and lawn services. As a state are losing site of the future when it comes to our environment!!!	1/9/2019 11:22 AM
1692	The swales in the R section need to be cleaned out as they were supposed to be in December but never done.	1/9/2019 11:03 AM
1693	Develop town center, not 100. stop stupid growth. more minimum wage jobs will exacerbate social and economic problems in the city. Say no to developers who will building minimum wage businesses. put in solid height restrictions for all buildings. stop trying to turn this place into Daytona/Orlando. Make developers pay for all infrastructure improvements. Before allowing more housing make certain the infrastructure can handle it. If not, make the developers pay for it. Developers care only about profit, nothing else. Remember that and you can read through their BS. Adopt smart growth if you must. From what I've seen in the last 12 years the various councils are being paid off by developers and dumb growth has been implemented. Learn the lessons from LPGA and what it is going through. Don't make the same mistakes here. Growth does not reduce taxes, yadda, yadda, yadda. Don't get fooled by those old cliché arguments developers use. You have brains, use them.	1/9/2019 10:58 AM
1694	Hope the city council and mayor will recognize and plan for development while keeping the natural environment in a condition that will be able to provide the future residents and especially children the opportunity to grow up in a clean and appealing community.	1/9/2019 10:39 AM
1695	Your web form needs to include a N/A column	1/9/2019 10:38 AM
1696	Palm Coast Code Enforcement needs to be re-evaluated - not applied evenly, some houses seem to be allowed to be in disrepair and some houses seem to be written up for minor infractions.	1/9/2019 10:28 AM
1697	1. Enforcement of handicap parking is non-existent. They are being used by people that obviously don't need them - kids, spouses, etc. 2. Operation of traffic light sensors (imbedded in roadway) in major intersections is terrible. It's almost as if whoever has the responsibility of programing them doesn't know what they're doing or simply doesn't care. I've seen intersection lights change when no traffic is present that needs the light, especially when turn lanes with no cars in them get a green light. Why have the technology if it's not used.	1/9/2019 10:21 AM
1698	Better marking on the roads/streets. More round-abouts and less lights. Pleeeeease fix Publix Island Walk parking lot. Who in the world approved those plans? Make it easier for businesses to start up. Stop wasting tax payers money.	1/9/2019 10:13 AM
1699	Great place to live, but taxes and cost of government must stay low. Island Walk parking lot is a disaster, city official that signed off on it should be fired.	1/9/2019 10:10 AM
1700	We need some kind of major shopping center/mall with a number of chain department stores.	1/9/2019 10:09 AM
1701	1. Palm Coast needs business' and jobs 2. Opportunities for the young adults 3. The city or county needs to get a better recycling program. Whether through Waste Pro or providing recycle containers around the city. We, as a city can do better.	1/9/2019 9:58 AM
1702	1. Fix Road from US 1 to Humane Society NOW...Disgusting.. 2. Erect a CELL Tower now in this backward Town	1/9/2019 9:45 AM
1703	We all want an attractive, safe community. But we need to balance a nice place to live with what that costs. Our governmental leaders need to put a hold on tax and fee increases and live within that budget.	1/9/2019 9:24 AM
1704	Stop the growth. When I moved here it was like old Florida. Now it's getting to be like Ft. Lauderdale.	1/9/2019 9:23 AM
1705	Be local, buy local	1/9/2019 8:43 AM
1706	Reduction of property taxes, is essential in retaining property owners	1/9/2019 8:42 AM
1707	If I see a parking meter installed on Flagler Beach I will relocate	1/9/2019 8:34 AM
1708	I am very happy living in Palm Coast	1/9/2019 8:28 AM

2018-2019 Citizen's Survey

1709	Please get Trader Joe's to build a store here in Palm Coast. LOL	1/9/2019 8:28 AM
1710	Keep taxes lower	1/9/2019 8:25 AM
1711	Swells, got to come to the B section and open up the swells to the storm drains, some driveways don't even have culverts under them, backing water up for blocks, right before the storm drain. This is a simple fix that helps many homes in the path of that drain. I love the parks and roadways how well maintained, but really its not gone to do me or others any good if our homes flood from a lack of maintenance on the storm system, got to move that water!!!!	1/9/2019 8:23 AM
1712	The city needs to adapt to the needs of the young, middle class families by boosting the number of well paying job opportunities quickly.	1/9/2019 8:06 AM
1713	Traffic between FL Park Dr and Old Kings, made worse by eliminating access to eastbound PC Pkw from Publix and the access to CVS and upturn forcing everyone onto Old Kings. Why were those changes made. Way too much trash along roads and in ponds. We need to stop people from throwing it by imposing hefty fines. Entrance from SR100 to highway disgusting with trash. Get businesses like Macdonalds and landscapers to take some responsibility for trash. We need some mid-level businesses. Enough dollar stores and other discount stores. Looking at businesses, why would anyone move here. Not living up to expectations when I moved here 11 years ago. All of that said, I love Palm Coast, but we to make sure we don't turn into Alabama with a dollar store on every corner	1/9/2019 7:59 AM
1714	Need to look in to more jobs for the area for people to make a good living they have to travel to st.johns or Volusia county .	1/9/2019 7:45 AM
1715	More working streetlights in the W section especially Whipperwill & Whitney Place The Police department in Palm Coast provides excellent service. Thank you.	1/9/2019 7:30 AM
1716	Yes finish sidewalk on white view parkway towards us1 like you promised	1/9/2019 7:10 AM
1717	If anything in my yard is not visible from the street leave me alone. Duplex construction is on the rise and that's worse than any boat in a drive way. Freedom is very limited in palm coast.	1/9/2019 7:05 AM
1718	small service business must be more responsive to customers. If they say they are coming to your house at a given time, show up or at least call and reschedule!	1/9/2019 6:38 AM
1719	Moved here 7 months ago. Love the area, the community, friendliness, and the layout of the city. Our garbage/recycle employees are the best! The postal deliveries are consistent. Stores are conveniently located, roads are well maintained.	1/9/2019 5:56 AM
1720	no	1/9/2019 5:35 AM
1721	NONE	1/9/2019 5:12 AM
1722	Keep up the challenging and good work of governance!	1/9/2019 2:10 AM
1723	Street lights along belle terre on the southside are way overdue.	1/9/2019 1:26 AM
1724	Do not use most of your rec fac and trails because I cannot walk very well. Would if I could, same for trips.	1/8/2019 11:40 PM
1725	Yes. There needs to be more traffic cops present along the roads that lead to parkways. Too many accidents in the W section already.	1/8/2019 11:40 PM
1726	Veterans who purchase homes should be automatically setup for homestead exemption	1/8/2019 11:25 PM
1727	Been here 13 years and love it!!!!	1/8/2019 10:54 PM
1728	As the population ages here, more shopping, medical services and other services need to be added locally. Traffic congestion is getting worse, two lane roads add to this. Town Center is a folly and as it would be developed, the improved infrastructure for traffic is sorely needed. Distances between parking lots and businesses are too far a walk for those with handicaps. More shade is needed there as well.	1/8/2019 10:51 PM
1729	The small dog park needs shade for the elderly it's now even safe for them to go in the hot summer. It wouldn't take much to put up a sunshade.	1/8/2019 10:20 PM
1730	Love Palm Coast that is why we choose to Move here fall of 2018	1/8/2019 10:19 PM
1731	Thank you for the opportunity to share my opinions	1/8/2019 10:18 PM
1732	More youth programs after normal office hours and weekends	1/8/2019 9:43 PM
1733	My family moved here from West Virginia a couple years ago. I have a son with Autism and we joined Special Olympics. There are over 200 kids in your city and I think it would be good if you had a meet and greet with the athletes and get to know them in our community and support your local athletes. Be a better community together.	1/8/2019 8:59 PM
1734	Invest in better recycling	1/8/2019 8:59 PM
1735	Palm Coast government still does not make it easy for businesses to get started or expand. Also rules such as having company trucks having to cover up logos is ridiculous considering politicians can advertise themselves all over the place at election time. Also drainage on Biltmore place is poor. I've been complaining since 2001 when my house got flooded during tropical storm Gabrielle. I've gotten lots of promises but nothing has gotten done. Thank God for Bellaire Waterway or I would have gotten flooded numerous times. Every time it rains heavy, the garage and screen porch get flooded, but the street next to me is clear.	1/8/2019 8:57 PM
1736	Recent experience indicates the city may be over regulating minor housing repairs via its permitting processes.	1/8/2019 8:50 PM
1737	Residents should be able to keep recreational vehicles in the drive as long as it does not block the view of the road while pulling out of a driveway.	1/8/2019 8:44 PM

2018-2019 Citizen's Survey

1739	Due to the fact of lack of multi families apartment housing, too many single family homes are not owner occupied they are rented and in most cases those families do not take good care of the homes inside and out, it makes the homes close by a bad look.	1/8/2019 8:35 PM
1740	Every time a chain restaurant or store tries to set up here, or a condo/villa community wants to build here, the city makes unreasonable requirements which makes them pull out and develop their business elsewhere. This city will never bring in enough tax revenue with this type of thinking. Homeowners taxes alone cannot afford to support this city especially with no jobs. Also with nothing to do here, people will move on.	1/8/2019 8:35 PM
1741	Moved here 2 years ago from New England after retirement. We really like it here, has everything to offer.	1/8/2019 8:19 PM
1742	The fire department is one of the best around. Those guys are underpaid! They are spot on with all emergency calls. I feel great full they are always there and professional when I need them.	1/8/2019 8:18 PM
1743	As we have recently relocated here, there is a lot of city codes that we are not aware of. I would suggest that when homes are sold, new buyers should be provided with a printout of them. And when given a notice, city employees should be making sure that all people's homes not up to code be given notice as well. Not just the new person on the street because someone is complaining. We've seen many issues on our street not to code but yet we've been singled out. Doesn't make one feel welcome.	1/8/2019 8:11 PM
1744	Hi Ladies!	1/8/2019 7:56 PM
1745	Keep it going. Excellent place to live	1/8/2019 7:52 PM
1746	You do a wonderful job please build a mall like millennium mall or Altamonte Mall thank you and happy new year !	1/8/2019 7:50 PM
1747	There has been standing water in the street for almost a year	1/8/2019 7:41 PM
1748	Code enforcement should be done in an egaletarian manner. If one house gets a pink slip for immediate rectification then all homes should have the same requirement, at least on the same street. Just the other day we were 'reminded' that we need to conceal our air conditioner. 3 other homes on our cul-de-sac and one across the adjacent street also have an exposed air conditioner but they did not get the pink slip. I will get it done none-the-less. Thanks for the opportunity to vent.	1/8/2019 7:38 PM
1749	We were so impressed with the cleanliness and friendliness of the city. Although there are some areas that need improvements. We need to address the homeless problem before it gets out of hand. Love the smaller more quiet feel of the town. Would like to see the wireless services improved. It's a great place to live.	1/8/2019 7:19 PM
1750	I notice the ramps from Palm Coast Pkwy and SR100 into I95 and the opposite from I95 need serious attention to clean up the litter along the shoulders :(1/8/2019 7:12 PM
1751	The new community center is beautiful. but what were you thinking with the small size of the parking lot? Beauty has to go hand in hand with functionality.	1/8/2019 7:10 PM
1752	No	1/8/2019 7:09 PM
1753	Please watch the tax growth it has been increasing at a high rate.	1/8/2019 7:01 PM
1754	no	1/8/2019 6:17 PM
1755	The current system of city government to include city manager must be transplanted and large tax expenditures must be approved by the citizens, not city manager or staff members. We seem to be in the position of taxation without representation.	1/8/2019 6:15 PM
1756	I liked Palm Coast when it was a small town. Now too many people, too much traffic, I miss the rural environment.	1/8/2019 6:10 PM
1757	City council is NOT user friendly. They work for the citizens	1/8/2019 6:08 PM
1758	Palm Coast is a growing city. The administration is doing a very good job in all facets. Love the city.	1/8/2019 6:06 PM
1759	I feel that all major roads that have a right turn should have a turn lane, Belle Terre is very bad on a busy day and someone turns right. More lights	1/8/2019 6:06 PM
1760	Please try to keep taxes and fees down.	1/8/2019 6:06 PM
1761	I visit the Flagler Humane Society on a regular basis, and it needs tremendous improvement, both in conditions and employees. This county needs to model the Humane Society in Volusia county near the outlet mall just on the other side of I-95, that place is outstanding. The building alone is so much happier and bright, the adoption #s on the animals is so much better I believe due to them being worked with instead of just stuck in cages, very rarely are the animals there longterm like the ones in Flagler. It's a sad situation here, and seems like nothing is getting better. Everybody I know that has adopted has done so through Halifax, everything and everybody involved there makes the experience far superior to Flagler. The animals are the ones paying the price, and it's just not fair to them.	1/8/2019 5:50 PM
1762	All in all the city of Palm Coast needs to focus on bringing in new job opportunities and safer roads like clearing out places when people are trying to pull out and you can't see due to the shrubbery and bushes and more sidewalks and a better education system as well. Palm coast is beautiful but that's not what it should just be all about it's about the people that live in the community.	1/8/2019 5:33 PM
1763	Cell service in the Hidden Lakes area along Old Kings is terrible. We need to upgrade asap!	1/8/2019 5:31 PM
1764	The garbage pickup is good but the recyle needs help. They miss sometime and other times they only pick up some of the recyleable.	1/8/2019 5:17 PM
1765	The city seems to be well run without any major problems.	1/8/2019 4:57 PM
1766	Lights Lights Lights	1/8/2019 4:45 PM

2018-2019 Citizen's Survey

1767	Good Luck	1/8/2019 4:38 PM
1768	Retired and moved here in 2017 from Washington DC metro area. We feel like we hit a home run. Absolutely love Palm Coast and surrounding area.	1/8/2019 4:37 PM
1769	There seems to be a cavalier taxing and spending attitude amongst SOME of the city leaders this is a trend that needs to be stiffly opposed also please abandon the very wrongheaded efforts to bring low cost housing to palm coast it means nothing but trouble crime and instability let the palm coast serenity remain intact without artificial interference by govt regarding housing PLEASE stop this now!	1/8/2019 4:37 PM
1770	Please work on street lights! Thank you!	1/8/2019 4:32 PM
1771	More services for the poor and disabled are needed, especially food, affordable rental housing, medical assistance and transportation. For the working class and poor, full time employment with a living wage and benefits.	1/8/2019 4:22 PM
1772	Grand haven is super safe and great, but I pay a premium price for my family to be free from the break ins and hood Kim's terrorizing some sections we've lived before like P, R, and S more commonly.	1/8/2019 4:20 PM
1773	Dislike signage on palm coast parkway Had to find stores and addressses	1/8/2019 4:09 PM
1774	We miss not having a central downtown pedestrian friendly shopping/dining/entertainment district that we enjoyed up north.	1/8/2019 3:55 PM
1775	been in this town since 84 and seen lots of good in this community.	1/8/2019 3:53 PM
1776	We moved to Palm Coast in February 2016 after 38+ years in the panhandle of Florida. We love Palm Coast. Our children and grandchildren love to visit. This is a great area to retire or to move a family.	1/8/2019 3:40 PM
1777	Thought this would be a nice place to retire. The criminal activity has changed my plan.	1/8/2019 3:39 PM
1778	Please watch the development - make sure it is planned smartly. Please attract new businesses esp new restaurants (not chains!) The city always looks beautiful. Please make people fix their seawalls. Don't overkill with the street light additions.	1/8/2019 3:34 PM
1779	None	1/8/2019 3:18 PM
1780	Very little code enforcement goes on in the area I live in. Ryan dr is always littered with trash. If Ryan dr is restricted to one family houses , why is a two family house being built on Ryan dr. . Who approved that?	1/8/2019 3:12 PM
1781	Need to enforce parking in neighborhoods. Too many park in roadway. Emergency vehicle would be difficult to get through.	1/8/2019 3:11 PM
1782	I have been a resident of Palm Coast since 1988, graduated from FPC and have seen many positive changes in the area, Thank you. With that said I have also seen slow grow with industries in the area. Our tax base needs more than restaurants please bring in business that will provide jobs for my children.	1/8/2019 3:09 PM
1783	We frequent the Hammock Community center park. The playground is great, but the grounds need some work. There are red ants all over in the mulch and sand. The basketball hoops are no longer there. It would be great if it could be cleaned up and maintained.	1/8/2019 3:01 PM
1784	I'm very active with pickleball. would like to see dedicated pickleball courts in our town more centrally located than mala compra.	1/8/2019 2:48 PM
1785	Recently visited several animal shelters in the area. The PC one on Shelter Dr. needs MUCH help: new facility (state of the art), updated design with outside access for all animals from their cages,better ventilation/HVAC system, better road access (big holes), more paid staff, more training for all workers, etc. Have overseen animal services in another state and Palm Coast should take a LONG, HARD look at this tired, sad, depressing facility. Flagler Co. animals deserve BETTER!	1/8/2019 2:46 PM
1786	Proceed with a forensic audit of the accounts. This has to be a priority. Also why doesn't the public have access - even with a fee - to FibreNet?	1/8/2019 2:37 PM
1787	Acquire some or all of Gore Lake (airport) and develop recreational opportunities. There is no reason to expect or anticipate terrorist threats at this location.	1/8/2019 2:20 PM
1788	Think building inspectors should inspect permitted work by more than standing in the street and looking at it. I had a new roof put on. A number of things weren't right. Following two leaks, I was told that they do not check to see if code is followed. They get an affidavit from the contractor saying he did what he is supposed to do. In today's world; not good enough. My house was built when Flagler Co. handled inspections. My electrical box failed because it had no labels. Passed after labels were attached; only labels were not put on correctly and circuit breakers did not operate what they were supposed to. If we are paying for permits and inspections, then inspect the work.	1/8/2019 2:07 PM
1789	Trash collection is very poor. Often missed or late to pick-up. Recycling receptacles are far too small. Can the city provide sizable rolling carts in the future?	1/8/2019 1:59 PM
1790	1 Month my water usage showed as triple the amount normal, there were no leaks and no problems. I called the city utility department and they were rude and had no explanation as to why it would triple for 1 month only	1/8/2019 1:54 PM
1791	Littering is a real problem in Palm Coast. Violaters need to be caught and heavily fined.	1/8/2019 1:48 PM

2018-2019 Citizen's Survey

1792	I like Palm Coast and don't regret my decision to move here. I hear a lot of complaints (read a lot of them on "Next Door") and think the city has to find a way to get those complaints addressed. Yes, I know there are meetings where residents can speak but I think some people find it easier to "complain" in writing. City should attempt to respond - either publicly or privately - but information needs to get to those people who complain.	1/8/2019 1:41 PM
1793	Take down the memorials after a year that is not there final resting place! I understand grief but handle it at home and with your loved ones. Stop the pandering at our corners give those people a job!! Help the child of the homeless they should not have to live like that, jail those parents that is mental child abuse. It is un healthy and unclean. Thank you	1/8/2019 1:37 PM
1794	Love Palm Coast	1/8/2019 1:29 PM
1795	Stop running Palm Coast like a giant HOA !!	1/8/2019 1:29 PM
1796	Keep the trees! Don't build unnecessary real estate offices on every corner. Example A1A near JT's too many real estate offices. Keep the commercial real estate west of 95	1/8/2019 1:24 PM
1797	None	1/8/2019 1:21 PM
1798	Taxes are too high for the services you have you need industry to help pay for city improvement	1/8/2019 1:20 PM
1799	It should not be so difficult for businesses to come into this community. It would be great if Towne Center could attract a Whole Foods.	1/8/2019 1:10 PM
1800	I don't see anything mentioned about Animal Control in this survey. People do not pick up after their animals. It's disgusting. Also, I see dogs off-leash. I thought there was a leash law in Palm Coast. Also, on my street (Pinwheel Lane) 2 houses away from me there are 4 trucks in the driveway, 2 cars in front of the house in the swale and 2 trucks parked on the other side of the street in the swale. This happens every night. It looks like a used car lot. We also have an 18-wheeler cab that parks down the street at times, and commercial vehicles in driveways 100% of the time.	1/8/2019 1:02 PM
1801	Keep trees trimmed back on undeveloped corner lots for clear vehicle visibility. Install right turn lanes and left turn lanes at all intersections to improve thru traffic flow. Install "next intersection" signs. People stop and change lanes without notice because they are confused/lost/stupid.	1/8/2019 1:00 PM
1802	Stop Building Preserve the Beauty of Palm Coast that everyone loves. My family loves it so much here, that they are having a house built that will be ready in March and another family member will be moving here within the year. We don't want Palm Coast to become like Delray Beach with all the high traffic volume and city like structure. Palm Coast is so picturesque and welcoming as it is. If you must build, build in the areas that are already built in. Stop destroying all of it's natural surroundings. When I moved here, I had 7 deer that would wander through our neighborhood. Now is such a short period of time, they are gone. Stop destroying what we are so blessed to have!	1/8/2019 12:59 PM
1803	No	1/8/2019 12:54 PM

1806	Cell towers	1/8/2019 12:47 PM
1807	The need for additional higher end chain stores/restaurants (Whole Foods, Trader Joe's, Cheesecake Factory etc.)	1/8/2019 12:45 PM
1808	have a program where a local business would volunteer to clean up the roadways in their area-- have a sign indicating their participation.. Trash along the roads is sign of citizens having no pride!!	1/8/2019 12:44 PM
1809	We are here for just over a year now and absolutely love it!	1/8/2019 12:38 PM
1810	Other than the crime rates and the unfavorable appearance of some of the old/outdated shopping centers, we have a great little city.	1/8/2019 12:34 PM
1811	Street lights are badly needed as is more traffic enforcement.	1/8/2019 12:32 PM
1812	We just moved here in August, and absolutely love it, the people, and the beauty.	1/8/2019 12:26 PM
1813	Palm Coast fell victim to high growth rate and a lack of decent paying jobs. It reminds me of Deltona. High crime and lack of imagination make for a lackluster city. My mother always told me "you have to have the wanting for the getting". It's getting late to change that vision.	1/8/2019 12:25 PM
1814	Palm Coast is great, however the trash is increasing as in litter along the roads and swales everywhere. It is a sad sight to see. the natural surrounding that drew us to this area is disappearing.. there are far too many people for the sewage system and the roads cannot hold this much traffic. The very reason I moved from OCALA to here and here we are very much like OCALA. I don't see improvements I see it failing and going down hill. Unless the city steps up their game.	1/8/2019 12:15 PM
1815	proverbial issue- keeping seniors happy with retirement centric focus AND attracting a younger demographic with quality employment opportunities beyond retail	1/8/2019 12:09 PM
1816	The increase in our water bills is very upsetting. I couldn't believe the bill was so high before the increase and now with the increase the amount I'm paying is truly ridiculous.	1/8/2019 12:06 PM
1817	Palm Coast needs more activities for all generations and more businesses should be invited to make the city more appealing for all ages	1/8/2019 12:02 PM
1818	School issues that have come to my attention! There was a gun in btms and family was notified of just a weapon. Nothing else was said. Better communication involves my child safety	1/8/2019 12:00 PM
1819	Relatively new here. Hoping Palm Coast keeps its community feel and doesn't grow too much. We chose it for it's beauty and proximity to ocean, parks, etc. Love the size it is.	1/8/2019 11:56 AM

2018-2019 Citizen's Survey

1820	Palm Coast is way too strict on businesses trying to locate here. The population of Palm Coast is sufficient to support a business such as Costco.	1/8/2019 11:56 AM
1821	I am very displeas with the current city gov and how they are not addressing many items. Break-ins and theft is going too long. Old Kinds rd is horrible to drive. Drainage issues not being handled right the first time. Too many issues on the table for too long. Palm Coast Gov seems to be taking a chapter from Washingtons Play Book. Do nothing, create chaos.	1/8/2019 11:52 AM
1822	Make it legal to keep a boat behind a fenced in yard.	1/8/2019 11:51 AM
1823	Put restrictions/ordinances on County Airport student flight abuse of city residents.	1/8/2019 11:50 AM
1824	School safety should be our #1 priority!	1/8/2019 11:49 AM
1825	I like the way city is run and feel like I have a voice	1/8/2019 11:46 AM
1826	Driving laws should be enforced in Palm Coast. Example: Few people use turn signals - including the police.	1/8/2019 11:43 AM
1827	Need stricter laws and punishments for dogs in stores and not on leashes and education regarding bikers and how to be courteous on the pathways, need to ring bell or announce "on the left", dogs on trail not on leashes, ferule cats need to be taken away.	1/8/2019 11:40 AM
1828	I have been involved with the city as a volunteer since 2005, owned my home for ten years, now renting but still very much part of the City.	1/8/2019 11:38 AM
1829	canals need to be cleaned	1/8/2019 11:36 AM
1830	City is great. Would like to see more professional job opportunities.	1/8/2019 11:33 AM
1831	I really don't feel like you're listening anyway. Eight adults from my street went to talk to mayor nets regarding speeding on our street. He said there was nothing he could do. I called the man who runs the code dept. about the unfairness of making me and others paint our houses to suite YOU ...I got no where. You don't listen. Why did you bother to send out this e mail Anyway? Realtors tell me your code guys pull up and TAKE their for sale signs. They signed a petition to make them stop. Nothing was done. People can't put up lost dog fliers or garage sale fliers. Your guys pull them down. That's an HOANot a city. I hate this town. I had no idea it was run by such power hungry insecure morons . Seriously...what's wrong with you? You're killing this town. This could be a nice place to live. You are stopping it from being so.	1/8/2019 11:30 AM
1832	We in the southern part are mostly ignored like we don't exist. Seminole woods landscape is so outdated and you have done belle Terre probably six times since I moved here. We pay taxes too & we are clearly ignored by the city	1/8/2019 11:29 AM
1833	speeding on local roads live on barrington dr scheriff should do radar checks, really bad speeding	1/8/2019 11:29 AM
1834	Help for seniors/ families with outdoor painting, lawn care to maintain our neighborhoods.	1/8/2019 11:28 AM
1835	Bus stop safety could also be a topic to addressed	1/8/2019 11:28 AM
1836	Traffic lights are not timed well some are very long when not needed and some very short when they should be longer.	1/8/2019 11:25 AM
1837	I would love to see our youth who go to college want to come back to palm coast. Invest in YA programs. I'd also love to see way more done with our library. Check out Indian Trails Library District in Wheeling, IL. Look at all of their events and services offered to the public. Also google some images... SUPER impressive! It would also be nice to have a Palm Coast Park District that also offered services and amenities to the community (see Wheeling Pak Distiect and Buffalo Grove Park District in Illinois)	1/8/2019 11:22 AM
1838	Stick to the basic infrastructure of roads, drainage, streetlights, parks and recreation. We do need up-to-date fiber and internet. People move to Palm Coast for the relaxed lifestyle, and the city should continue to support that. Palm Coast is quite perfect as is!	1/8/2019 11:21 AM
1839	Traffic light us1 and matanzas parkway, gas stations in L section! Nothing off new exit!	1/8/2019 11:21 AM
1840	Not happy that there re no sidewalks and being fined if you park wrong Also, how PC determines who gets streetlights. I live on Fanwood Ct at the end of the court and there is no lighting	1/8/2019 11:20 AM
1841	Please address the "former" golf course area in L once and for all. I heard talking back and forth but nothing as of yet.	1/8/2019 11:20 AM
1842	We need to lose the attitude that the way it was done up north is better than it is here. We need clean, good paying jobs for families	1/8/2019 11:19 AM
1843	Love the trail system. I use it 3-6 times per week and I brag on it to everyone. PC is one of the very few cycling friendly communities in Florida and a key reason we moved here.	1/8/2019 11:16 AM
1844	Keep Palm Coast safe, clean and Green.	1/8/2019 11:15 AM
1845	Please please please please consider adding younger people onto the council. My name is Kaci Liphrott. I have lived in Palm Coast my entire life. I genuinely think this town needs to embrace and welcome young middle class families and as a city right now we are driving them away. We are only catering to the senior citizens. We desperately need people in my generation apart of community to create jobs and being industry here. Most people my age can not afford to live in this county. Our living expenses are so high! You'd need multiple room mates in order to rent a duplex in Palm Coast. I have so many issues I'd love to bring up. 386.986.9590	1/8/2019 11:10 AM
1846	City council does not listen to its residents! Town Center is a joke.	1/8/2019 11:07 AM

2018-2019 Citizen's Survey

1847	The city has created a safety and noise nightmare for residents on or near Bird of Paradise in the poorly designed placement of a double line connecting thoroughfare in a neighborhood, without ample width, shoulder, sidewalks and traffic control measures. The volume and speed of the traffic is out of control, and additional economic and medical services growth in the Mantanzas area will exacerbate this situation. Wake up city council! I don't even live on that street, and can see what is happening.	1/8/2019 11:05 AM
1848	Thank you for your services to palm-coasters.	1/8/2019 11:04 AM
1849	Public workers suck the ones that cut the grass and the ones that pick up litter oh that's right they don't	1/8/2019 11:01 AM
1850	HAD NO IDEA I WOULD HAVE A SEPTIC TANK IN 21ST CENTURY .. DISGUSTING .. NO DRAINAGE, SWALE MOSQUITOES THE WHOLE THING IS ANTIQUATED .. I'M MOVING	1/8/2019 11:01 AM
1851	Code enforcement of empty lots, owner or city should 1 - 2 times a year clear dead trees, brush. Very hazardous. Consider new law that if not developed in 3-5 yrs, sell property.	1/8/2019 10:59 AM
1852	I have lived in this town for 11 years and the homeless living on Belle Terre and at the library is becoming a bit much. There has to be rules they have to go by. My kids see them fighting outside McDonalds, Drinking alcohol under a tree by Publix. It's very embarrassing when friends come to town and see that all over town.	1/8/2019 10:59 AM
1853	I find that getting around town in a car takes twice as long as it should. The traffic light timing is ridiculous. I often get a red light when there is no other traffic in any other direction. Please address traffic flow.	1/8/2019 10:57 AM
1854	A stop light and posted "Dangerous Intersection" signs at Hwy 1 and White Eagle Bar. It's a scary nightmare to drive thru that area...and too many accidents have occurred there. My question is "how many more lives will it take?" A flashing yellow light is NOT adequate.	1/8/2019 10:57 AM
1855	Please focus on crime prevention measures. This city desperately needs residential lighting. Seminole Woods Blvd needs more lighting with the heavy deer population, it is dangerous to drive after dark on winding roads.	1/8/2019 10:56 AM
1856	I'm happy to be here. I think the permits / inspections / and application papers on for example...a shed - are crazy.	1/8/2019 10:56 AM
1857	Swale has been torn up for a month and remains a mudhole with flags marking the spot but no activity. Needs grass replacement.	1/8/2019 10:55 AM
1858	Lowering the speed limit in the residential streets to 15 mph would make them safer.	1/8/2019 10:54 AM
1859	Would like see more restaurants like Cheddars, Chili's, Smokey Bones	1/8/2019 10:53 AM
1860	The biggest issue I have seen since moving here last July is that people regularly park on the oval median strips in our neighborhood in the B section (Burgess Pl). It is not allowed according to my understanding, and we even have a sherrif living on the block, but people do it all the time. It makes the neighborhood look like a slum, and it tears up the grass and leaves mud all over the road. Please enforce the rules or plant bushes or something!	1/8/2019 10:50 AM
1861	Beautiful city. Friendly neighbors. We are new to Palm Coast but love the "small town" feel and all the nature and outdoor activities. We so far are very pleased with the location.	1/8/2019 10:44 AM
1862	Very concerned about the homeless situation. After being approached when leaving Publix for money, I am a lot more cautious. Also, the drugs and home breakins seem to be more prevalent.	1/8/2019 10:44 AM
1863	Keep up the good work on the beautification programs! There are still too many trees being taken down-especially the Oaks! Maybe it should be a little more difficult for a homeowner or business to cut down an oak-charge a fee(even though I know people will be furious over that!) the streetscapes are what's keeping the value of my home in a good place. The City recycling day was awesome! Thank you! I've lived here over 30 years and while there is some aspects of growth and development I've been disappointed in, I think at this point, the city is doing a pretty good job. We missed the boat in purchasing the Tennis Club, and allowing the beautiful Oaks to be ripped out at the old Sheraton, to appease developers. In terms of long range planning, the city must be extra vigilant at protecting what native environments remain.	1/8/2019 10:44 AM
1864	We need maintenance of roadways and increased lighting. Intersections of residential roads have large holes along edges.	1/8/2019 10:43 AM
1865	Please look into diverting traffic for Matansas freeway access off of Bird of Paradise. Or, find ways to slow this traffic down and encourage other routes to this freeway. There needs to be patrols monitoring the speeding traffic before children or other pedestrians get killed.	1/8/2019 10:40 AM
1866	bring in another walmart and more restaurants	1/8/2019 10:40 AM
1867	Large/tall pine trees on empty lots should be removed when there are occupied houses on each side. They are a hazard when a hurricane or even very strong winds blow thru. A 6 foot length between the empty lot and occupied house doesn't deter severe damage to the house when they fall. I know, one fell and landed on my home. There must be something that can be done! If you read this, I thank you.	1/8/2019 10:39 AM
1868	Overall a good place to live. Street lights and sidewalks in as many sections as possible would go a long way to increasing the perception of, and more importantly, the reality of safety.	1/8/2019 10:39 AM
1869	Loved the Citizens Academy	1/8/2019 10:38 AM

1871	Been here 18 months. Big mistake Moving out	1/8/2019 10:36 AM
1872	The roundabout they are putting on 1 was never communicated clearly. Many in Seminole woods never heard about the meeting which was very convenient.	1/8/2019 10:36 AM
1873	There is enough people here and it is too crowded	1/8/2019 10:34 AM

2018-2019 Citizen's Survey

1874	A big box wholesale store would do very well along US1, the nearest Costco is in Jacksonville and Sam's/BJ's is in Daytona/Port Orange. This would bring shoppers from St Augustine and Ormond Beach into Palm Coast, while they are here they would be apt to shop/dine at other businesses in town too.	1/8/2019 10:30 AM
1875	No	1/8/2019 10:29 AM
1876	Palm Coast simply lacks soul and community. No central areas, just a scramble of high traffic and franchise-businesses. I DREAD driving here--and I am used to really big city traffic.	1/8/2019 10:29 AM
1877	In many areas traffic engine nearing seems to lack thought before making final decision. For instance , When speed limit was lowered on old kings road North Allowing the faster speed to go backup just before we farmsworth intersection show no forethought. That is where a great deal of the F section and C Use for a westbound thoroughfare and need to be able to come out of Farmsworth on to old kings road more conveniently. Instead of raising the northbound limit a 100 yd or so before Farmswoth it should have been raised north of the intersection. That is just one example.	1/8/2019 10:28 AM
1878	I think the quality of our drinking water has slipped over the years... Something needs to be done. We used to have wonderful tap water here and now it's awful!!	1/8/2019 10:27 AM
1879	please get rid of the homeless. their numbers ate growing and its getting really bad	1/8/2019 10:27 AM
1880	This town has so much potential for development! While the scenery is beautiful, that alone is not enough to carry the town to success. Quite frankly this is a boring town. I moved here 7 months ago and every single individual I speak to about Palm Coast expresses to me how much they hate it here. Their ages range from 18-27 and they all absolutely despise Palm Coast. Several people have told me that drug addictions are so prevalent because of the lack of activity for a teen/young adult population. I'm not suggesting we turn palm coast into a booming city, because of course palm coast is and will always be a quaint town. I am just suggesting we maybe open a roller skating rink, maybe build some retail stores targeted to a younger audience like Forever 21, Urban Outfitters, or something along those lines. Small changes like this won't bring in new traffic & disprut day to day life in palm coast... it will simply allow for residents to enjoy some fine changes. I would LOVE to be part of the development of palm coast, and if there's any way for me to do that I'd be willing.	1/8/2019 10:26 AM
1881	Casual get together's for the community. Someday time some evening. I speak or perhaps, to talk about different services, or historical facts, things happening in the community. Monthly would be great.	1/8/2019 10:25 AM
1882	There is a fairly high property tax base along with the water/sewer/trash collection charges as opposed to other communities.	1/8/2019 10:25 AM
1883	I think something needs to be done about the homeless problem in Palm Coast. They are everywhere and detracting from everything.	1/8/2019 10:25 AM
1884	There needs to be a traffic signal at US 1 and 304.	1/8/2019 10:23 AM
1885	Sheriff Stahley needs to quit bragging about number of people in jail. Optimal would be zero...no crime!	1/8/2019 10:20 AM
1886	Traffic enforcement is non existent. A major issue in the county. Needs improvement.	1/8/2019 10:20 AM
1887	Please continue to make Palm Coast Beautiful.	1/8/2019 9:30 AM
1888	I have seen Palm Coast grow in the right direction over the last 25 years, what is missing was a plan to attract industry to grow along with the city. Other than the retail-hospitality industry, no other industry is evident in Palm Coast.PC Data does employ a majority of people, but not considered a good place to work. We are a "Bedroom Community". That needs to change.	1/8/2019 5:40 AM
1889	Please put sidewalks on both sides of the street on Belle Terre south going to Target.	1/7/2019 8:34 PM
1890	Do more environmental studies. Go after people using incorrectly zoned land. Do not build low income housing. Patrol streets more.	1/7/2019 6:41 PM
1891	The City and the County need to cooperate better.	1/7/2019 4:36 PM
1892	Need more information from city!	1/7/2019 1:21 PM
1893	PC did not NEED the mansion of a new City Hall, citizens did not want it, but those in authority refuse to listen to taxpayers, you do what you want, no matter what.	1/7/2019 11:36 AM
1894	Of the city officials, the FCSO is the only one really doing their job. I've taken this survey for 3 years, have yet to see ANY street lights put in. I believe a full outside audit should be done on all of the government offices for mismanaging funds.	1/7/2019 9:52 AM
1895	Current recreation program times are not suitable for working parents. There are insufficient family entertainment activities and notification of special events. Park development and maintenance has been predominantly on the North side of town, with the parks on the South side lacking maintenance. Trash and recycling are not being picked up for days.	1/7/2019 8:55 AM
1896	Code Enforcement was not on this survey & it's a MESS! Individual enforcers pick & choose who to target & those that KNOW certain city officials are always exempt! It really needs to be more uniform.	1/7/2019 8:53 AM
1897	Please focus on bringing industry here. Plenty of room off of US1. Everything else will come with quality employers.	1/7/2019 8:31 AM
1898	lights in neighborhoods, more visible law enforcement vehicles in neighborhoods	1/7/2019 8:16 AM
1899	Put sidewalks in the neighborhoods before streetlights! No more Dollar Tree Stores or pizza parlors. Offer public transportation.	1/7/2019 6:31 AM

2018-2019 Citizen's Survey

1900	Many issues with survey. Introduction not exhaustive and has flaws to include that the survey is confidential not anonymous. Many answers wont be valid because they are not exhaustive and or they have topics ppl might not have knowledge to answer but they werent instructed to leave blank. Excluding profanity laded data may skew results. You also have no qualifiers so non citizens data cannot be removed from the sample. Etc	1/7/2019 6:28 AM
1901	Waste Pro has breached their Contract I would love to see it desolved.	1/7/2019 5:55 AM
1902	I moved here ten years ago, palm coast was clean and beautiful. The streets and homes now look dirty and unkempt. Ive seen people passed out on benches and simply loitering all over. You can't sit at a ref light without seeing someone begging for money. My husband has to travel an hour to and from work each day for a six figure paycheck. Most of our friends who earn "good" money have to travel far for work as well	1/6/2019 9:56 PM
1903	Keep up median maintenance. If it's going to be planted with flowers and plants they need to be maintained otherwise leave it grass and mowed often.	1/6/2019 9:39 PM
1904	More trash trucks--they tend to forget to pick up trash at least once a month--then it sits on the curb for 7 days--unacceptable.	1/6/2019 8:55 PM
1905	The business/restaurant outdoor areas need to be cleaned up and held to the same demands as residents do. They are embarrassing especially when visitors come to town. Walmart, wendys, steak and shake just to name a few. Disgraceful	1/6/2019 8:48 PM
1906	Overall I do like living in palm coast. Would be nice to have more cop traffic in neighborhoods just keeping an eye out (especially R section)as well as the trash and recycling men really need to work better, leaving a mess behind always and just throwing the trash cans wherever they want. Can't complain other then that!	1/6/2019 8:44 PM
1907	Too many homes being built. The city will need more stores to come here. All the better shopping is still being built in Daytona! Can't shop local if we don't have the stores here.	1/6/2019 8:36 PM
1908	To shop local we need places to shop...better restaurants NOT fast food joints...	1/6/2019 8:10 PM
1909	Do not add tax electricity.	1/6/2019 8:03 PM
1910	The city waste a lot of money	1/6/2019 8:03 PM
1911	Yes, draw a better map... I'm in the W's the part of town I think you forget If anything I wish you would make the Pine Lakes Golf Club clean up their common areas behind the houses....I've lived on many golf courses and this one needs help...Hope their rotting trees don't fall on our home. We love Palm Coast as a whole.	1/6/2019 8:01 PM
1912	Easy with the street lights	1/6/2019 6:29 PM
1913	The government is not good at doing what we the voters want.	1/6/2019 6:17 PM
1914	Public services are v. Good in the City. We need to preserve our natural resources and facilitate more tourism.	1/6/2019 2:11 PM
1915	No 5G. Do research. It has not been proven safe!	1/6/2019 1:22 PM
1916	Please attract large box store businesses ilike Costco, Whole Foods. I currently drive to JAX 2x a month for shopping instead of doing it locally.	1/6/2019 10:35 AM
1917	More advertising for city meetings. More than 3 minutes to have input at city meetings. 5 minutes would be nice.	1/6/2019 9:09 AM
1918	Damage to the eyes – cataracts, retinal damage Severe sweating Skin damage Immune system disruption Metabolic disruption Neurological disturbance Leakage of blood brain barrier Damage to sperm Increased risk of cancers Collapse of insect populations, the base of food for birds and bats Rise in bacterial resistance and bacterial shifts Damage to plants and trees https://es-ireland.com/5g-5th-generation-greater-dangers/ For the sake of this City...NO 5G	1/6/2019 7:41 AM
1919	Need better traffic control not only on main roads but thru neighborhoods - dangerous to bike ride or even walk at times	1/6/2019 6:57 AM
1920	WE NEED PICKLEBALL COURTS	1/5/2019 11:31 PM
1921	More street lighting is really needed as well as sidewalks or at least shoulders on residential streets.	1/5/2019 11:27 PM
1922	Good luck	1/5/2019 11:14 PM
1923	Why is gas more expensive then in surrounding areas	1/5/2019 9:16 PM
1924	More activities on the weekends for teens and elementary kids. Activities for working parents. More housing options for families, low to medium income. Families are what will keep this city growing. Better job opportunities that pay better too.	1/5/2019 9:07 PM
1925	I think Town Center would be a great place to have restaurants, little shops, outdoor music, continued events - a smaller version of Pier Park in Panama City Florida. I would love to go to dinner, walk to the movies and have ice cream all in the same location. I feel it's such a great setup for a community of small businesses to flourish	1/5/2019 8:37 PM
1926	Thank You	1/5/2019 8:02 PM
1927	We desperately need street lights.	1/5/2019 7:45 PM
1928	Get a mayor that is for employment and less planting trees to suck up water and no more parks	1/5/2019 7:28 PM
1929	Please have a plan to curb the crazy driving to include intentionally running red lights , excessive speeding and no respect for anybody else. Palm Coast is the worst i've ever seen. I think all the accidents for this size city speaks for itself.	1/5/2019 6:54 PM
1930	No	1/5/2019 6:42 PM

2018-2019 Citizen's Survey

1931	We need street lights in residential neighborhoods.	1/5/2019 5:26 PM
1932	Need more clothing shopping choices	1/5/2019 5:25 PM
1933	When we first moved to Palm Coast all streets were clean, people didn't park on the streets and swales. Now houses have garbage and debris, garbage along roads, and people park and block the streets. We also find the ever growing homeless population brings down the aesthetics of the city. We should not have to deal with homeless people holding signs and begging at every corner. This deters visitors to our city.	1/5/2019 5:15 PM
1934	We need less gas stations and dollar stores.	1/5/2019 4:59 PM
1935	What I do not like about Palm coast is how the different sections were developed haphazardly. There are so many overgrown lots mixed in with the homes. It is unattractive and not safe. Where ever I lived the community was developed in sections. It is most unfortunate Palm coast was done this way. So many of the areas look sloppy and not a place where people would want to live.	1/5/2019 4:43 PM
1936	Overall the City is a great place to live, if anything could be done to encourage more high paying jobs that would make it better.	1/5/2019 4:31 PM
1937	Thank you to all City workers.	1/5/2019 4:25 PM
1938	How many more kids have to die before something is done about sidewalks and streetlights? The people in charge of this city should be ashamed of themselves.	1/5/2019 4:24 PM
1939	Thank you for reaching out to the community.	1/5/2019 4:23 PM
1940	Get a better map!	1/5/2019 4:13 PM
1941	Need more youth programs to prevent delinquency and juvenile arrests/incarceration. There's not enough prosocial activities for teens in Palm Coast. They are being ignored because people still think Palm Coast is "only for old people," but it's not. Families coming and expanding here! School based mental health services are severely lacking.	1/5/2019 4:03 PM
1942	1). Reduction of Crime in neighborhoods needs to be at top of list - Not kidding!!! 2). Cellular phone service is extremely poor. Council needs to be pro-active on this issue.	1/5/2019 3:01 PM
1943	Lately there has been trash along Belletare, mainly between Palm Coast Parkway and the Belletare school. Also on Bird of Paradise the litter is increasing. What can be done for the homeless population which appears to be increasing. For the most part the Public Works personnel do a very good job.	1/5/2019 2:58 PM
1944	Keep up the surveys and excellent weekly report via email. Love Palm Coast!!	1/5/2019 1:46 PM
1945	Less chain restaurants. Home Goods/Marshall's and a Trader Joe's.	1/5/2019 11:41 AM
1946	Since service billing is all done electronically, do not receive any information about city services, notices, or other information that has been determined by the city, which is distributed with service bill in the mail.	1/5/2019 11:03 AM
1947	Please think about the codes for service vehicles. You could bring alot of good people making good money to Palm Coast.	1/5/2019 9:55 AM
1948	The attractiveness of Palm Coast is what led us to buy a 2nd home in the city. Little did we know how very nice our neighbors would be. We enjoy boating on the intracoastal waterway and we are impressed with the cleanliness of the waterway and the entire city. When calling the offices of the city with questions, the employees were so very helpful. We like the small town feel of Palm Coast, yet worry there are those who want it to become a "big city". Please keep it small and keep it more of a resort city.	1/5/2019 4:03 AM
1949	City parks should be designated as NO SMOKING. Gigarette butts all over the place. Disgusting. Just look at the Waterside Park dock.	1/4/2019 11:42 PM
1950	Love the paths and parks. Haven't used the Parks and Recreation clases/events much in the past, but intend to do so this year. Love Palm Coast. Need more big companies for employment.	1/4/2019 11:25 PM
1951	Stop spending money to bring more housing developments. Bring companies that pay a living wage so that households can increase their standards of living.	1/4/2019 11:16 PM
1952	city needs to provide more pickleball courts. this sport is busy now and always in competition to play on same tennis players.	1/4/2019 10:42 PM
1953	I feel rules on Palm Coast Home Owners is a bit too strict! But agree, rules are necessary!	1/4/2019 9:26 PM
1954	Need better response from sheriffs, need better codes enforcement there are cars on cement blocks, overgrown lawns, wild parties late at night from renters in my area, I reported to codes enforcement and never got a reply . Also need more street lights.	1/4/2019 9:07 PM
1955	The city needs to do a better job of picking up litter on sides of the road. Recycling should be made mandatory. A lot of folks still throw recycleables into the regular garbage. There needs to be limits imposed on how many homes can be rented out and the city should give incentives for owners to reside in their homes. Rentals and the low quality of tenants are ruining certain streets and neighborhoods in the city.	1/4/2019 8:50 PM
1956	We need more variety of restaurants in town	1/4/2019 8:29 PM
1957	I have lived in the city for about 8 months i notice a very aggressive way of driving where people tailgate and bully other drivers to drive faster causing rearend accidents tailgating law should be aggressively enforced thank you.	1/4/2019 8:27 PM
1958	I love this city! I love the trails & the quiet nature life. I believe we need to stop building office plazas, use the ones we have first. Please keep the police & fire force strong. You guys are amazing!	1/4/2019 8:16 PM
1959	Please keep bushes and trees trimmed by corners!	1/4/2019 8:07 PM

2018-2019 Citizen's Survey

1960	Traffic flow on most main routes, especially Palm Coast Parkway is terrible due to lack of traffic light synchronization. This wastes a huge amount of time, resources and gasoline, and unnecessarily annoys motorists to do stupid things in traffic.	1/4/2019 8:04 PM
1961	City ordinances need to be updated as this is not just a retirement community any more	1/4/2019 7:18 PM
1962	The city should be doing whatever it reasonably can to be seen as a more business friendly environment. Consider moving City Council meetings to the evenings so working residents can participate.	1/4/2019 6:39 PM
1963	We knew about the waste water plant 2 yrs ago and did little. Artificial shade trees not needed in parking lots & tennis courts. (suntan lotion cheaper) Mr Coffey needs a drink and go home. (Old hospital fiasco, Bing's Landing deal and his latest decision - purchase of software suite with no consultation with end users and departments.	1/4/2019 6:24 PM
1964	the garbage in our city is all over .we are here 15 years and it NOW out of control.trash is everywhere and we are tired of looking at it. this is turning into the South Bronx.it is a pig pen no body cares.we are sure nothing will change with traffic lights. everything is a dog and pony b.s. story.. please fix it	1/4/2019 3:32 PM
1965	Start bringing in larger businesses like Whole Foods, Bed Bath and beyond, Total wine and more, Start going after the "absentee" homeowners, who don't take care of their homes. The out of country owners.....these houses are a hazards and an eye sore. I want to own a home here in PC.....I can't cause the housing prices are out of control in the nicer areas. I WILL move to Volusia county if things don't change!!	1/4/2019 2:25 PM
1966	Palm Coast does not have a major mall or outlet..we have to go shopping out of Palm Coast either to Daytona or Jacksonville..maybe an outlet should be done in the out perimeter of our city.. also the water is very expensive compared to other cities why?	1/4/2019 11:19 AM
1967	Sell municipal bonds!	1/4/2019 11:17 AM
1968	Instead of raising taxes, user fees and utility charges to fund infrastructure maintenance and projects why doesn't Palm Coast issue BONDS? Ask voters to approve.	1/4/2019 11:06 AM
1969	Infrastructure update is critical. Streetlights. Updating Old Kings to 4 lanes will require a stop light or roundabout at Oak Trails Blvd. Add cameras to City Park locations parking lots/parking areas. Graham Swamp entrance is experiencing car break ins. Sheriff's department is amazing. City services are easy to work with. Too many code violations seen. Example: many fences are in disrepair on Oak Trails. Brush trimming repeat on Oak Trails. Oak Trails is a raceway. Install speed bumps. Create additional water retention before water drains into Graham Swamp or before water drains into drainage canals. Thank you for all you do.	1/4/2019 9:55 AM
1970	Why is health care and emergency services not addressed?	1/4/2019 9:11 AM
1971	I do not use the parks or trails because I do not feel safe by myself. There are always homeless people somewhere lurking. The panhandling is out of control. It is ashame to come off the I-95 ramps and the first thing you see, are panhandlers.	1/4/2019 8:13 AM
1972	Traffic enforcement Town Center. Early morning staff for the Town offices seem to run the stop signs and speed to get to work	1/4/2019 6:25 AM
1973	It's interesting that these question are so broad and seem to be repetitive. We don't need another dog park. We need infrastructure improvements and higher paying jobs - not more retail! The increase in the utility bills for water & sewer at 6+% and the 38% increase in storm water should not have been needed on top of the property tax increase. Kill the pet projects and start focusing on what should have been done years ago before you built your new city hall we voted against and spent all the money in the community centered that very few residents use.	1/3/2019 10:46 PM
1974	We are very disappointed at the amount of trash on the streets, it seems that people just open their car windows and throw papers, plastic cups, bottles trash in general. Ahh sometimes trash colectors do not grab the trash containers the correct way so it spills on the street or grass and nobody bothers to pick up.. the empty lots have lost of trash not just close to road but if you look in between the bushes is horrible How are you? Much trash. Saddddd	1/3/2019 9:10 PM
1975	Need more major stores, jcpenny, costco, macys	1/3/2019 7:25 PM
1976	In the aftermath of Jim Landon, the city needs to find a manager with a vision for the future and one that is willing to work for the people through the elected officials. The continuance of Landon's legacy with the interim manager is not only an insult to the taxpayer, it is nothing more than the same old rubbish.	1/3/2019 6:26 PM
1977	Trash truck operators are very rude and often leave trash on the ground. In my case, left trash on purpose because they were mad at me. Also, entirely to much trash littering the green areas of the roadways!	1/3/2019 5:42 PM
1978	get the useless mayor, klufuss and cuff out of office and get a city manager that listens to the citizens of palm coast as to what there needs and wants are	1/3/2019 3:03 PM
1979	Need to improve situation of homeless in Palm Coast, not sure where they are coming from but it looks like the population is growing	1/3/2019 2:45 PM
1980	Concerned about rental policies throughout the city, large \$\$ projects undertaken with little citizen input, hasty & expensive personnel decisions and the condos approved for the south end of Colbert Lane - there must be a solution to this last one.	1/3/2019 2:25 PM
1981	I enjoy living here! Only 18 months. Not far from untouristy beach. Which I love. Seems more catered to older people. Holland park is great and I live near there but is there a park similar on other side of PC	1/3/2019 2:12 PM
1982	I like Palm Coast, love the parks.	1/3/2019 2:06 PM
1983	Would like to see club stores and teen activity's!	1/3/2019 1:26 PM

2018-2019 Citizen's Survey

1984	Crime in this area is very concerning.	1/3/2019 1:25 PM
1985	James Holland Park was a complete let down....why no lights for the fields, less swings now than before...not even a baby or handicap swing...WE NEED LIGHTS for the field	1/3/2019 12:59 PM
1986	My husband and I love living in Palm Coast. We plan on spending our retirement here starting this August!	1/3/2019 12:57 PM
1987	The city need to have a plan to improve pedestrian safety, specially students walking and bicycling to and from school, and also bus stops safety. We need more sidewalks, street lights and safe school bus stops.	1/3/2019 12:51 PM
1988	Please focus on developing Business in Town Center as opposed to low income housing that will likely bring increased crime to the community. The quality of the residents in the city has gone downhill and it's becoming less safe and appealing to live here.	1/3/2019 12:51 PM
1989	Senior citizens need to have access to part time jobs to supplement their income. At present there are none (or not made public). Not volunteer jobs but PAYING jobs	1/3/2019 11:04 AM
1990	now that Landon's gone, we should be back on track making Palm Coast a place people want to live in.	1/3/2019 10:42 AM
1991	Palm Coast absolutely needs street lights especially in neighborhoods. The lack of sidewalks is also surprising. The amount of trash on the side of roads is appalling. Trash pickup program is great. More youth oriented programs would be good but it's ok to charge a small fee to offset costs.	1/3/2019 10:36 AM
1992	Traffic speed on Seminole Woods Blvd is way to high. It's set at 55 and cars go at least 70.	1/3/2019 10:32 AM
1993	Medians on main roads are always littered with trash....City maintains these areas well but something needs to be done to discourage littering.	1/3/2019 10:10 AM
1994	swale maintenance in E section	1/3/2019 10:02 AM
1995	We chose to retire to palm coast 5 years ago due to its small town feel and abundance of trails/recreational activities as well as easy accessibility to stores/banks/medical offices. I know it is a challenge to balance these factors with the need for improved employment options and economic development. Hopefully the city will be able to do so. Many people I know complain about all of the city's rules but these rules have been pretty successful at keeping properties and neighborhoods from deteriorating. Keep up the good work and keep striving to prevent increased signage and high rise type buildings. I love Palm Coast and love the efforts the sheriff's department make to minimize crime. Thank you.	1/3/2019 9:45 AM
1996	We need more city lights trough the all town!	1/3/2019 8:59 AM
1997	The city/county needs to provide services for the homeless. It's bad enough they have to sleep in homeless camps but now they sleep out in public and panhandle constantly. Stop mowing the medians constantly and put some money into helping those who need it most.	1/3/2019 8:38 AM
1998	Need to cut and trim trees and bushes. Lots need to be trimmed and swails. Large tree's are planted to close to each other and to the streets, their roots grow into the streets and lift up the streets foundation. Better dog parks, no lakes or water in dog parks, more shaded area in parks!!! ALL parks! Need more local radio station and TV towers.	1/3/2019 7:03 AM
1999	When we moved here 19 years ago, it was a beautiful city. Look what happened to the beauty that was the hotel and resort off Palm Harbor along the intracoastal. Ginn came in and devastated the old oaks and what do we have to show for it now? I see land along Palm Coast Plwy is for sale. Are we next going to see the destruction of the beauty that is all along the parkway that runs beside Linear Park? No one wants to move to a place wneer all the trees and green space have been replaced with concrete! Please be mindful of the natural beauty that we have been entrusted with. Don't destroy it!	1/3/2019 12:02 AM
2000	Stop treating PC like an HOA! Let business owners and employees park their work cars and pickups in their drive without the eyesore covers. Belle Terre is lined with fencing that begs to be pressure washed but instead you're busting on the working people of the city.	1/2/2019 11:11 PM
2001	Love our parks and sheriffs department!!!	1/2/2019 7:53 PM
2002	Poor cell phone service. Wish there were better police patrols at night.	1/2/2019 7:28 PM
2003	I am concerned about the idea of adding street lights. I feel Palm Coast is safe and adding additional street lights will not really make it any safer. It will add light pollution. One of the most amazing things about Palm Coast is how beautiful the skies are at night. Sitting in the safest of my backyard you can view so many stars and that would be gone if more street lights were added. We moved to Palm Coast understanding what the street light situation was as did most others. Let's not ruin something good.	1/2/2019 7:00 PM
2004	Again, having the homeless on corners is so very unappealing and makes me cringe and feel unsafe. I can only imagine it driving away potential business owners. Streetlights may help cut some of the juvenile crime which seems to be occurring quite a bit, especially in what was once known to be the "safer" neighborhoods. For example, going into vehicles, trespassing and tampering with/vandalizing residents' property. Maybe more police prescence/regular drive throughs would help, as well. Palm coast is besutiful, however, many residents complain regularly on social media regarding the safety and security of their well being. It would be sad to see the good people of Palm Coast continue to look elsewhere for quality of life.	1/2/2019 6:17 PM
2005	While the city continues to see business growth it all seems centered around retail business or medical services - which mean 2 or 3 people at the top making a decent wage and a lot people at job above min wage... No way to grow a city, no way to keep your young people.. There is a need to grow education (college or technical) to market space in the county.. Become something that makes Palm Coast a Florida Star - Find some people to business head hunt - that is what other very successful cities do..	1/2/2019 3:16 PM

2018-2019 Citizen's Survey

2006	Swales on my block blare castle hardly function as well as the ditch always has water in it	1/2/2019 1:45 PM
2007	WE NEED PICKLEBALL COURTS	1/2/2019 12:22 PM
2008	Please continue the sidewalk for the rest of Parkview Dr. Children walk to and from Wadsworth and BTMS, as well seniors and parents. The cars speed and it's not safe. 30 mph isn't a speed you want to share with drivers. Parkview Dr is a double yellow non passing rd. This leaves things very narrow and dangerous and the swale when it's muddy is not something you can walk through. Please accommodate the taxpayers in the neighborhood. Please, for safety's sake. Also, Please Research the dangers of 5G! It's not safe either. Studies have shown that this is causing cancer in high amounts and is equivalent to being under many microwaves at one time. Further research needs to be done. Don't allow it without knowing the risks. Risks from 5G include: Damage to the eyes – cataracts, retinal damage Severe sweating Skin damage Immune system disruption Metabolic disruption Neurological disturbance Leakage of blood brain barrier Damage to sperm Increased risk of cancers Collapse of insect populations, the base of food for birds and bats Rise in bacterial resistance and bacterial shifts Damage to plants and trees https://es-ireland.com/5g-5th-generation-greater-dangers/ For the sake of this City...NO 5G	1/2/2019 11:10 AM
2009	I think Palm coast needs to work on a business center for high-end businesses. We need higher paying jobs so people like me do not have to commute to Jacksonville everyday.	1/2/2019 10:55 AM
2010	I love this city and it's small town feel. I have lived in a big city and that's not what I hope Palm Coast turns into. Also, for a small town, we have way too many traffic accidents and fatalities. We need to have streetlights and sidewalks everywhere, more police patrolling the roads and clearer signage.	1/2/2019 10:50 AM
2011	Why do we allow construction workers to trash our neighborhoods. Fast food wrappers, all over the block. Dumpster on site.	1/2/2019 10:29 AM
2012	Lower water bills	1/2/2019 10:15 AM
2013	Why don't you get permanent Landscaping on Belle Terre is it a put new stuff up every year	1/2/2019 9:54 AM
2014	Build on US 1 so there is less traffic in our sections....people can stay on US1...less crime in local sections. Keep our town beautiful not another Daytona !!!	1/2/2019 9:23 AM
2015	Hold the line on taxes or we will have to sell our house.	1/2/2019 9:06 AM
2016	We need a new Mayor!!!! And get rid of Dufus.....	1/2/2019 7:55 AM
2017	Please start making wiser choices with taxpayers money. Listen to the public.	1/2/2019 7:52 AM
2018	There needs to be more effort in maintenance of the trash along the roadways. It has gotten lax the last few years. Should be a continual routine. I am also very disappointed in the lack to control the influx of homeless and the panhandling taking place.	1/2/2019 7:12 AM
2019	Please consider a limit to Future housing developments before Palm Coast becomes too congested and no different than other coastal communities with too much traffic, crime, etc.	1/2/2019 6:12 AM
